Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Fexxtia.

A figure came out, and it was none other than Fexxtia of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Fexxtia, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Fexxtia: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Bianca Han: The only one who deserves to be destroyed is you.

Suddenly, Bianca Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, fire, flames, swords, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Malicious Edge-themed greatsword from her back, and as she approached Fexxtia, she left black energy, darkness, dark magic, fire, flames, swords, fiends, phoenixes, and dark angels with every step.

Bianca Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Fexxtia: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Bianca Han was surrounded by a massive vortex of black energy with darkness, dark magic, fire, flames, and swords surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Malicious Edge flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Fexxtia: the red eyes of death. Then, as the vortex faded, Bianca Han emerged, but she was changed forever.

Bianca Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, fire, flames, swords, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Malicious Edge emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Fire, Sword, Dark, and Eternity Kanjis in its hands, she also has Evil HERO Malicious Edge with red gems for eyes and holding the Fire, Sword, Dark, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Suddenly, Bianca Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Bianca Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Bianca Han's massive Evil HERO Malicious Edge-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, fire, flames, swords, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Malicious Edge's Darkness Dark Firestorm Sharp Fiendish Phoenix Greatsword of Darkness Dark Firestorm Sword Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Malicious Edge etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Malicious Edge's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Bianca Han's Super Angel-Evil HERO Malicious Edge-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Fexxtia saw it, she fell into an infernal rage and she got out her blaster to fire at her, but Bianca Han fired a powerful black energy blast with darkness, dark magic, fire, flames, swords, fiends, phoenixes, and dark angels at Fexxtia, which hit her and pushed her back and she also got burned and slashed, but this really pissed her off now.

Fira Han: Whoa, Bianca's transformed, incredible!

Lorelai Delancey: That's really incredible, and she really burned and slashed at Fexxtia badly.

Nico: And she's really got her pissed off now big time.

Bianca Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Sword Evil HERO Malicious Edge Angel and Divine Demonic Darkness Infernal Fire Sword Darkness Phoenix Love) And now, the dark flames of The Netherworld is coming for you, Fexxtia.

Nico: Let's get her, Bianca, this asshole doesn't deserve to live any longer.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Bianca Han and Nico went after Fexxtia who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Fexxtia and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Fexxtia, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Fexxtia took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then she drank it. Suddenly, Fexxtia began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Fexxtia's transformed into her King Ghidorah Hybrid Monster form.

Fexxtia fired a Gravity Lightning blast at Bianca Han and Nico, who dodged it.

Lincoln: Bianca, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Fexxtia from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Fexxtia and he bear hugged her, so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Fexxtia into his body through his skin and he assimilated her powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Bianca, let's end this asshole for good.

Bianca Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Sword Evil HERO Malicious Edge Angel and Divine Demonic Darkness Infernal Fire Sword Darkness Phoenix Love) You got it, Nico.

Bianca Han and Nico sent Fexxtia flying into the air, and then, they prepared their combo to put an end to Fexxtia.

Bianca Han and Nico: DARK INFERNAL EVIL HERO MALICIOUS EDGE PHOENIX DEMONIC FIRESTORM SWORD DARKNESS KAMEHAMEHA!

Bianca Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, fire, flames, swords, and phoenixes which hit Fexxtia, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Bianca Han and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Bianca Han and Nico holster their massive greatswords on their backs and powered down, and Bianca Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Bianca Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-three members to go. Thanks for helping me destroy Fexxtia once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Bianca.

Suddenly, Bianca Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Bianca Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Malicious Edge flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness and flames raging behind them and we cheered wildly. Then, Nico and Bianca Han absorbed the fire and darkness and they came back to us as the display and Evil HERO Malicious Edge vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Bianca.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Keckyua, which means you're up next, Wendy.

Wendy Han: Yeah, we'll make Keckyua pay.

Nico: We sure will.

Taylor Kamiyama: And on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Buster.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right.

El Oso: That's it for them.

Tchang Zu: Hope that adventure wasn't sour for you guys.

Metal Sonic: Because it wasn't for us.

Me: Nah it wasn't.

General Schwarz: Now, about those dishes you guys made.

Gramma Stuffum: I'll help make even more.

Mung: Awesome. Lets make some for you all.

Me: Great!

Nico: But great job guys! This was awesome.

Chowder: (To the viewers) Hope this all wasn't too sour for you all.

Me: It wasn't.

We got lots of dishes to go and had a great meal and then we went back home and went to sleep.

THE END

See you all next time.

This food planet was going to be a really awesome and fun one.

Nico: I have a feeling this will be a good one.

Qin: You got that right.

Xenia: Yeah!

Lola: I hope it's a really spicy and delicious food planet.

Camie: Me too.

Lana: Same here.

Nico: Troy: I want to thank you, Blizzard, and your teams for coming.

Troy: Not a problem Nico. It's gonna be so fun helping you.

Thrice Cream Man: Thrice Cream Man ready for action. Thrice Cream Man delicious!

Qin: (LAUGHS) This will be awesome and fun.

Nico: Thrice Cream Man, are you really that tasty?

Thrice Cream Man: Thrice Cream Man delicious and tasty.

He gave Nico an ice cream and he tried some.

Nico: Yummy! Blue Vanilla.

Me: Yummy. Boy Chowder really loves Thrice Cream doesn't he?

Thrice Cream Man: He sure does. Can't get enough Thrice Cream.

Qin: Boy

I can tell.

Nico: I have a feeling you might be able to help Chowder later today.

Thrice Cream Man: Oh boy! Thrice Cream Man excited.

Qin: You sure are.

Me: I hope this isn't like what happened yesterday. That was the most sour mission ever!

Qin: Boy no kidding!

Lola: Yeah the Puckerberry Overlords were the most sour beings ever!

Nico: You're not kidding there. And Chowder got sucked into his own mouth!? That is nasty!

Lola: You're not kidding!

Maria: We DID make some dishes.

Me: We sure did but the one that Chowder made was the most disgusting EVER!

Qin: YUCK!

Xenia: That was not a dish, that was a pile of garbage!

Lana: I liked it. It was tasty.

Me: Lana stop or I'm gonna puke.

May: But we didn't tell him that.

Me: Good. But even though he did do his best Mung didn't like it. But Lana did.

Lana: That was the best ever.

Lola: For Lana but not everyone else.

Qin: Yeah.

Maria: But that was still an awesome adventure.

Xenia: It sure was.

Nico: Yep. We're here.

We arrived at the planet and it was an orange world.

Me: Wow from up here it looks like a volcanic planet.

Nico: It sure does.

May: Whatever the mission is later, I hope it's a good one.

Me: It sure will be a good one.

We went down to the planet and we landed and we saw that it was a planet where everything was made with BUFFALO CHICKEN! Buffalo chicken wings, nuggets, dip and more! Even Rivers of buffalo sauce!

Qin: WHOA!

Me: A planet made of buffalo chicken!

Camie: Oh wow!

Eli: (DROOLS) Oh boy!

It was a planet made with piles and piles and piles of buffalo chicken wings and nuggets and more as far as the eye can see!

Nico: BUFFALO WINGS!

Nico dove into a pile of wings and ate a huge mountain of them until it was all a pile of bones!

BUZZSAW EATING!

Nico ate all the wings in that pile.

Me: Wow!

May: (LAUGHS) That is awesome eating!

Maria: Save some for us!

We got to eating and they were delicious and the sauce and dip was awesome too.

Me: MMM! (EATING WINGS) Meaty and delicious.

Nico: (BUZZSAW EATING)

He was eating a pile of nuggets.

Camie had some dip and it was yummy.

Me: (EATING) Yummy! Spicy and delicious!

Sunset Shimmer: (Eating) Delicious!

Maria: Let's get some for the mascots.

Nico: (BURPS) Good idea.

Laney: They will love it.

I got out a huge container and loaded it up with wings, nuggets and more and sauce.

Qin: Nice!

Me: (BURPS) Pardon me.

Xenia: Man these are awesome wings.

Nico: I can still eat more!

Nico ate more and more wings and man was he eating a lot.

Nico ate 50,000 wings and made huge piles of bones.

Xenia: Now that is awesome eating.

Nico was stuffed.

Qin: Boy he is bloated.

Nico burped.

LOUD BELCH!

Nico: Excuse me.

Qin: Pardon you.

Me: Boy that was a good snack.

Nico: It sure was!

Me: Yep.

Fiona Hernandez: That was awesome.

Qin: Yeah.

Eli: Now we can get to work. (BURPS) Pardon. I'll sense for Swartz's creations here.

Nico: You do that.

Eli concentrated.

Eli: Found them! Another Dierdre and Another Blizzard. But also there's something else.

Qin: What is it?

King Kai: (Telepathically) Nico, everyone can you hear me?

Nico: King Kai we hear you loud and clear. What's the emergency?

King Kai: That crazy deranged moose Algonquin C. Lumpus has escaped from jail again and is coming for you guys!

We gasped!

QIn: Not again!

Xenia: That buttfaced brainless moose sure is a glutton for punishment!

Varie: He sure doesn't know when to quit!

Nico: Let's think positive. I'm sure by now, he's probably stuffed from eating wings too.

Lumpus: I WANT MY CAMP BACK YOU WORMS!

We saw Lumpus and HE WAS PISSED!

Nico: Or maybe not.

Qin: Don't you have anything better to do than just get Camp Kidney back? It was never your camp at all to begin with you lousy stinkin sack of hot steaks!

Nico: YEAH!

Lumpus: (to Nico) So, you got a bloated belly, huh? (takes out bazooka) How about I pop it along with the rest of you?! (LAUGHS DERANGEDLY) (fires bazooka at Nico)

I saw the rocket and grabbed it and threw it back and it hit Lumpus and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was burned all over.

Me: Take that Moose Face!

Qin: YEAH!

May: Yeah Stinkwad!

Lumpus: WHAT DID YOU CALL ME!?

Nico: Too bad we didn't bring Jellyfish Samson!

Me: No way in hell am I going through that!

Lumpus went at May and she jumped and grabbed his antlers and ripped them off and he screamed in pain and then she stuck them on his teeth!

May: Look at the new Dick Tracy character, Antler Tooth!

We laughed hysterically at that one!

Qin: (LAUGHS) Antler Tooth! That is rich!

Nico: I hope you appear on the 21st so the Revice team can kick your ass!

Me: YEAH YOU MOOSESTEAK FREAK!

Lumpus: WHAT DID YOU CALL ME YOU PSYCHOTIC SALAD SPINNER!?

He went at me and I kicked him in his face!

Me: Top this! (SPINS MAGISWORD BRACELET)

TOMATO MAGISWORD!

Me: Time to get tomato pasted!

We all got out Tomato Magiswords!

Me: FIRE!

We fired NUMEROUS GIANT TOMATOES AND SPLATTERED HIM ALL OVER WITH THEM!

He was buried under a mess!

Nico: Is he knocked out?

Then he exploded out!

Me: Nope!

Lumpus: I WILL NOT REST TILL I HAVE MY CAMP BACK YOU WRETCHED CHICKEN FREAKS!

Nico: Bring it on!

Maria: Jesus fuck! This is usually the part where we defeat him by now!

Me: I got many more tricks.

I pulled out my Wonder Ride Book for Universe 666 Lumpus. It was called The Crazy Shenanigans of the Psychotic Moose!

Me: (Reads Verse) "Without warning the Psychotic moose found himself hanging upside-down and from high above the floor and he fell into a big washtub filled with chocolate peanut butter pudding."

He teleported and fell 35 feet into a washtub filled with pudding!

SPLAT!

We laughed at that!

Nico: (LAUGHS) PEANUT BUTTER SHORTCAKE!

We laughed hysterically!

Me: (LAUGHS) That was funny!

May: Jellyfish Samson might not be here. But that still won't stop us from using his lines!

Qin: (LAUGHS) That was awesome!

Me: (Reads Another Verse) "And then lots of electrified jellyfish appeared and landed on the deranged moose and electrocuted him with billions of volts of electricity and burned him to a crisp."

Then numerous intensely powerful jellyfish appeared out of nowhere and landed on Lumpus and then…

ZZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

He was electrocuted all over the place and then he was black and burned! OUCH!

Me: Take that Jellyfish head!

Eli: Zappity Zap Zap!

We laughed hysterically!

May: I hope that knocked him unconscious.

He then roared with extreme fury!

Qin: UH OH!

Xenia: Now he is mad!

HIS EYES WERE GLOWING RED WITH INTENSE RAGING FURY! HE ROARED AND TOOTED LIKE A STEAMHORN!

Nico: WHOA MAN!

Me: Here's one I learned from Clam! (Reads verse) "Then piles of Pancakes topped with maple syrup, hashbrowns, eggs, bacon, sausage links and butter splattered all over the moose and he was turned into a nasty and terrible breakfast platter."

Everything I said happened and he was REALLY NOT LIKING THAT!

Me: You want some juice with that!? SORRY ALL OUT!

We LAUGHED HYSTERICALLY!

Nico: (LAUGHS) THAT WAS FUNNY!

Qin: That was funny!

Nico: J.D. you're killing me!

Me: (LAUGHS) YEAH!

Maria: I thought it would be pudding.

Me: Lumpus did ruin Clam's pancake breakfast.

Maria: Good point.

Me: Now for the grand finale. (Reads Verse) "The moose loved eating Norwegian Bloatfish even though he was violently allergic to them and he ate a whole buffet of them and bloated up big time and then came the bad effect."

He ate some Norwegian Bloatfish and bloated up.

Nico: Now what?

Me: Wait for it.

Lumpus: (GROANS) The Bloatfish is starting to affect me!

I snapped my fingers and beamed him back to prison and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

KRASSSSSSSSPPPPPPPPPPLLLAAAAAAATTTTTTT!

He released a massively loud explosion of explosive diarrhea in his cell that could be heard all the way from the Buffalo Chicken Planet!

Nico: What the fuck was that!?

Me: The doctors found out that whenever he eats Norwegian Bloatfish he bloats up like a balloon and then when the effect kicks in he releases a massive explosion of explosive diarrhea.

Everyone: EEEEEEEWW!

Lola: Boy he is gonna be really feeling that one!

Xenia: GROSS!

Nico: Okay I did NOT need to know about that!

Me: Sorry.

Eli: But that was all really funny!

Camie: Yeah I don't think I've ever laughed that hard outside a humiliation.

Nico: Yeah!

Qin: That was awesome!

Nico: NOW we can get to why we're here.

Me: Yeah. Glad we got that out of our systems.

?: That was so awesome!

A figure came out and it was a Sailor Soldier! It was a girl dressed in orange clothes and had orange hair and butterfly wings.

Me: (GASP) Bertha Buffalaura A.K.A. Sailor Buffalor!

Sailor Buffalor: That's right and It's awesome to see that you all are here on my home planet. And it's good to see you again J.D.

Me: Same to you.

Nico: Wait this is your home planet!? Whoa!

Eli: That is so cool!

Sailor Buffalora: I saw all those gags you did and that was so awesome.

Qin: Yeah it sure was.

Nico: We didn't know this was your home world. That is so cool.

Sailor Buffalora: Yeah it sure is. I love Buffalo Chicken.

Nico: Me too.

Me: Now we fight Another Dierdre and Another Blizzard.

Nico: Who's up first?

Laney: I will go first.

Sora Phaaze: Go for it Laney.

Then vines grew and spun around and then out came a dark version of Dierdre! It was ANOTHER DIERDRE!

Qin: WHOA! Another Dierdre!

Xenia: Wow!

Another Dierdre: (In a girls voice) Boy you guys really like eating here huh?

Me: (GASP) That voice.

She reverted back and was a girl with neon green hair and had green eyes and had green clothes.

Me: (GASP) Varellia Vegandon A.K.A. Sailor Vegandon!

Qin: Whoa the Sailor Soldier of Dark Vegan's home planet Vegandon!? Whoa!

Sailor Vegandon: That's right. I heard you guys defeated Dark Vegan a while back. That was great.

Me: It sure was.

Nico: Poromon and Poliwag helped with that.

Me: They sure did. It was on April Fool's Day when Luan went up against Nico's brother Connor.

Nico: Yeah that was crazy!

Qin: But Luan was the big hero that day from what I heard.

Xenia: She sure was.

Sailor Vegandon: That is amazing. And Dark Vegan is now in the M.O.E.

Qin: Yep.

Xenia: Yeah.

Nico: Poromon and Poliwag used their sabers with their minds.

Sailor Vegandon: That is awesome. They have amazing talent in the ways of the Vegan Power.

Xenia: They sure do.

Me: Johnny Test and Dukey are doing great though.

Sailor Vegandon: Good good. And you know there's Another Blizzard here.

Me: Yes we do. Friendly or Hostile?

Sailor Vegandon: Friendly.

Me: Good.

Sailor Vegandon: But this one is from a planet that Dark Vegan was trying to destroy for years.

Me: I have a feeling it's a good one too.

Qin: Yep.

Laney: Sorry we have to fight like this.

Sailor Vegandon: No worries. Lets do it!

She turned into Another Dierdre and Laney fired waves of leaves and smashed her down and I caught the Wonder Ride Book. It was called The Planet of Vegetables. I went and brought her over.

Me: That's that.

Maria: Time for some backup!

She took out the M.O.E. Cannon.

Maria: (TURNS DIAL) MOUNTAIN EARTHQUAKE 6!

She summoned Lythos, Evil Comet Woman, Stone Triplets, Fire Plant, Zululuk, and Cupid along with Evil Ground Man, Evil Drill Man, Evil Guts Man and Evil Stone Man.

Nico: Get ready!

We stood ready and then a figure came out and it was a dark version of Blizzard! It was ANOTHER BLIZZARD!

Me: WHOA! Another Blizzard!

Qin: This one is cold!

Camie: Yeah!

Lola: Brr freezing!

Nico: And you are?

Another Blizzard: (In a girls voice) I believe J.D. and Nicole are familiar with me.

Nicole: That voice.

She reverted back and it was a girl with red hair and dark red and red clothes.

Me: (GASP) Selena Sirloin A.K.A. Sailor Sirloin!

Qin: Whoa! The Sailor Soldier of the planet of meat!

Nicole: Oh wow! That is awesome and perfect for a true carnivore like me.

Sailor Sirloin: (LAUGHS) I know.

Me: Awesome to see you again Selena.

Nico: Boy the sailor Soldiers of Meat and Vegetables.

Nicole: Boy my brother would feel right at home on Vegandon and I would love Sirloin.

Sailor Sirloin: That you would.

Kaito: (gets out Wizard Gear) Did Swartz promise you anything?

Zocks: (gets out Gaim gear) Because we can grant it instead.

Sailor Sirloin: Just for plants and vegetables to be together. I'm trying to stop the fighting between our two worlds.

Nicole: I don't blame you one bit for wanting to do that. Plants and meat go great together. For 570 million years ever since the start of all the life on Earth that has been one of the oldest battles. Plants VS Meat.

Me: That's gonna be a massively difficult task for all of us. But it's nothing we can't handle.

Xenia: Yeah.

Kaito got a Wizard Sword and Zocks got a Gaim Sword.

Sailor Sirloin: You can start by getting me back to normal.

Me: That we can do.

Sougo: (gets out Wizard Ridewatch) You're a cold fighter in battle, right?

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Baron Ridewatch) Because Blizzard tends to be like that too.

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Me: Metaphorically speaking of course.

Sailor Sirloin: I am a cold fighter in battle yes. I take down my enemies with extreme prejudice.

Me: You, Zocks and I all have something in common and that is we show no mercy to some of our enemies.

Sailor Sirloin: Yep.

She turned into Another Blizzard.

Me: Time to feel the heat. (BURPS) Oops. Scuse me. Still full from having a big meal here.

Another Blizzard: No worries.

Nico: (gets out Blizzard's Ridewatch) I get the feeling that I may have to use this and Vexen's Ridewatch later today.

Me: I have that same feeling myself.

Nico activated it and fired a wave of ice and smashed her down.

Nico: Taste the Trifecta of Deliciousness! (ACTIVATES NEAPOLITAN MAN'S RIDEWATCH)

He fired waves of chocolate, vanilla and strawberry ice cream and smashed her down.

Me: YEAH!

Qin: Tasty.

May: Try this ice! (ACTIVATES FROST'S RIDEWATCH)

She fired waves of ice and smashed her down.

May: And this! (ACTIVATES LUMI THE SNOW QUEEN'S RIDEWATCH)

She fired more ice blasts and smashed her down!

Maria: Time for more ice! (ACTIVATES ICE GEARGOLEM'S RIDEWATCH)

She fired ice blasts and smashed her down.

Maria: And this! (ACTIVATES NADARE ROUGA'S RIDEWATCH) ICE STYLE: ONE HORNED WHITE WHALE!

She fired a wave of ice and it formed into a white whale with one horn and smashed her down!

Qin: Nice!

Thrice Cream Man: Thrice Cream Man Delicious! (ACTIVATES NEAPOLITAN MAN'S RIDEWATCH)

He fired waves of ice cream and smashed her down.

Dark and his team came and he had MODOK, Foop, Dogu Bouma, Mandark and Evil Earth Man!

Nico: Nice team, Dark!

Dark Spicer: Thanks. We are called the Asskicking Fury 6!

Qin: Cool name!

Me: Yeah! And Foop they decided to put you on a really cool team too.

Foop: Yep they sure did. Now it's Death! Sorry force of habit.

Me: No worries.

Foop: I admit I don't miss my former father that much. But I really am proud of mother for how she's come.

Me: Good. You're not still steamed about what happened back then 3 years ago are you?

Foop: No.

Me: Good.

Then we felt THUNDERING FOOTFALLS!

Me: WHOA! Lythos!

Lytho: It wasn't me!

Me: If it wasn't you then who?

Maria: I hope there are two Gene Slammers appearing right now.

Nico: Wait look!

We saw two figures coming and they were making huge footfalls. It was a Hariyama and a Makuhita!

Me: Whoa a Hariyama and Makuhita!

Qin: WHOA!

They landed in front of us with a thunderous thud!

SMASH!

Me: WHOA! You guys are powerful and strong!

Hariyama: (In a boys voice) (Japanese Accent) We get that a lot and it is an honor to see you again Nico san.

Nico: Yokuzuna Takihiro Emerson! WHOA!

Me: Wait a sec. The famous Sumo Wrestling Champion from Japan and the great eating competition winner!? WHOA!

Nico: That's right.

Makuhita: (In a girls voice) (Japanese Accent) And don't forget about his sister too.

Nico: Maricopa Emerson as well!? Whoa!

They reverted back and Takihiro was a big man with a huge girth and had a red Sumo Wrestler outfit on. Maricopa was a girl that had blue hair and a blue dress on.

Takihiro: We got this.

They fired waves of energy and smashed her down and Sailor

Sirloin was back to normal and I caught the ridewatch and purified it and went and brought her over.

Me: It's an honor to meet the both of you. (BOWS)

(GONG SOUNDS)

Takihiro: (BOWS) You too J.D. san.

Qin: We are honored to be in your presence.

Thrice Cream Man: What's your favorite memories of Nico?

Takihiro: My favorite is when me and Nico had that super spicy burger eating contest and we both won tied at 20.

Me: Whoa! That is awesome!

Nico: Yep.

Maricopa: And my favorite is when me and Nico had a ramen eating contest and he beat me by 5 bowls.

Qin: Whoa! I remember those! Those were so awesome.

Nico: They sure were.

Nico hugged them both.

Nico: I missed you guys.

Maricopa: We missed you too Nico.

Maria: First time that a Gene Slammer is a boy.

Me: And won't be the last.

Qin: Nope.

We went back home.

Freya: You too, Lincoln, it's been a long time.

Amphitrite: And it's also good to see you again, Chronoa.

Chronoa: You too, Freya, Amphitrite, Prithvi, and Paka'a.

Lincoln went up to Freya, Amphitrite, Prithvi, and Paka'a and he hugged them, and the Supreme Kais of The Elements are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you four since the day I also met your sister, and as you can see, I really grew a lot since then.

Freya: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Amphitrite: You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Prithvi: You said it.

Paka'a: That's really incredible.

Lincoln: Everyone, meet The Supreme Kais of the Elements, these four are known as the guardians of the elements as well as protecting the world and the universe from the forces of evil, and as pointed out, they're also Chronoa's sisters. In fact, like their sister, Chronoa, when they saw me the first time, it was love at first sight.

Chronoa: And so they joined the ranks of Lincoln's guardian angels as they knew that there would be those who would try to harm Lincoln.

Gohan: And we know who they were, right, Lori?

Lori: Right.

Lincoln: Plus, they also do charities, and I made them elemental bikinis, and to show thanks, they each kissed me on the lips, and they hate the jerks with a passion.

Chronoa: Now, to handle the introductions. Linky, would you be so kind?

Lincoln: Of course, Chronoa.

Lincoln first introduced us to Freya, The North Kai of Fire, she's Lincoln's Guardian Angel, and she's also The North Kai of Fire. Freya taught Lincoln the ways of using Fire and combining it with Lightning, and she also saw how he also combined Fire with the other elemental forces. One time, she and Lincoln even danced on a field of Fire and Lightning. Lincoln made Freya a Fire-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's one of Chronoa's four sisters, and she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion.

Then, Lincoln introduced us to Amphitrite, The South Kai of Water, she's Lincoln's Guardian Angel and she's also The South Kai of Water. She and Lincoln danced underwater and they've also done various dance styles underwater, even doing the Tango. Lincoln made Amphitrite a Water-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's another of Chronoa's four sisters, and she hates Icky Vicky, Trina Riffins, and Lila Rossi with a burning passion.

Then, Lincoln introduced us to Prithvi, The West Kai of Earth, she's Lincoln's Guardian Angel and also The West Kai of Earth. She and Lincoln meditated on nothing but sharp stalagmites and they even danced around lava. Lincoln made Prithvi an Earth-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's another of Chronoa's four sisters, and she hates The Wet Bandits, Lewis Travolta, Bubble Bass, and Billy McLean with a burning passion.

And finally, Lincoln introduced us to Paka'a, The East Kai of Wind, she's Lincoln's Guardian Angel and The East Kai of Wind. She and Lincoln danced around within a gigantic tornado and they even danced on the clouds. Lincoln made Paka'a a wind-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's the last of Chronoa's four sisters, and she hates NO MA'AM, The Bundys, and The Wet Bandits with a burning passion.

When Lincoln was finished with introductions, we were literally stunned.

Me: Wow, you girls did a lot with protecting the world and the universe from the forces of evil, along with protecting and defending Lincoln from his enemies and from the five mean Loud sisters.

Luna: Those four really are that strong and powerful, and our five sisters made the mistake of daring to target The Supreme Kais of the Elements, in fact, they've kicked Lori, Lynn, Lola, Lisa, and Luan's butts many times over and sent them flying to the hospital for that.

Nico: Yeesh.

Timmy: And please tell me Amphitrite sprayed Icky Vicky with holy water and it made her get burned like a vampire, Chronoa.

Amphitrite: I did, and I even used the Full Moon perfume for added effect.

Wanda: That explains why she looked that drenched when we saw the cops load her in to take her back to prison.

Prithvi: And getting those burns in the process.

Althea Iridiana: Serves that fire-breathing dragon in black jeans right.

Freya: Yeah, she's a heartless bitch. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you, Amphitrite, Prithvi, and Paka'a want to give me your blood, right?

Freya: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood, including Chronoa.

Amphitrite: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln first went up to Freya, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he went up to Amphitrite, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he went up to Prithvi, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Finally, he went up to Paka'a, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Freya: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Freya, Amphitrite, Prithvi, and Paka'a with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with three Elemental Thunderbird Chokers of Eternal Love on their necks.

Freya: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Freya, Amphitrite, Prithvi, and Paka'a.

Freya, Amphitrite, Prithvi, and Paka'a had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also return it, and we cheered for them.

Freya: And now that the intros are done, here, try these, Linky.

Freya got out some juicy Zap-Apples, along with Fire Strawberries, Ice Blueberries, and many other elemental fruits for Lincoln, and he ate them, and we saw his rainbow energy aura with elemental forces and mythological animals and immense blue aura flare up as he gained a massive power boost.

Lincoln: Whoa, they also have Zap-Apples and other elemental fruits here, awesome!

We also ate some juicy Zap-Apples, along with Fire Strawberries, Ice Blueberries, and many other elemental fruits, and our rainbow energy auras with elemental forces and mythological animals and immense blue auras flare up as we gained a massive power boost.

Nico: Mmm, now these are so good! Thanks.

Freya: You're welcome, Nico, and now that we're nice and fed, time to get down to business, we just saw another version of Lisa here, and she's going to dissect the girls located here, and she was also laughing like a maniacal mad scientist.

Lincoln: (Gasps) Oh man! J.D., Nico, Guardian Angels, we got a Code: Heartless Science.

Nicholette Torrington: (Gasps) A Code: Heartless Science?! Another version of Evil Lisa is here, just as you said.

Nico: Luckily, there's not a planet of robots, otherwise, we'd be in big trouble.

Amphitrite: No, but she does have a massive robot and she's inside it.

Lincoln: Not for long, and it's payback time for all the heartless things she'd done to me in the past!

Me: We got rid of Dark Lisa and Universe 666 Lisa and sent them to The Black Gates, now we're going to get rid of another version of Evil Lisa.

Nico: Oh yeah, we'll make that evil mad scientist pay for her crimes.

Suddenly, we saw a beautiful girl with long orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings, she has on a tiara with the Kamen Rider Buster logo, she's dressed in a sleeveless orange vest, sleeveless orange midriff top, necklace with the Kamen Rider Buster logo for the pendant, orange skirt and she has the Genbu Shinwa Wonder Ride Book on her waist along with The Golden Book of Amun-Ra and The Black Book of The Dead, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with earth and angels on the coattails and on the back is the Kamen Rider Buster logo and holstered on her back is a massive Genbu Shinwa-themed greatsword with embedded orange gems and Genbu Shinwa etched on the 7'0" massive, wide, double-edged orange blade, large orange snake heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large orange snake heads and large orange gem on the bottom of the large orange snake heads for the pommel, and in her hand is the Dogouken Gekido, the seiken for the Genbu Shinwa, and she has the seven girls with her.

Nico: Whoa!

Qin: She looks just like Andromeda Buster, because of the tiara and necklace with the Kamen Rider Buster logo and Genbu Shinwa Wonder Ride Book.

Eli: Yeah. (Sees the other books) (Gasps) And those two other books with her, are those…?!

Me: The Golden Book of Amun-Ra and The Black Book of The Dead?!

Girl: Yes, that's right, and to answer Qin's question, I do look like Andromeda Buster, but not exactly, in fact, I'm someone that Lincoln knows all too well, and I also got the nine girls away from that evil witch.

Lincoln: (Gasps) Reika Ogami, Embodiment of Kamen Rider Buster, I knew it was you, it's so good to see you again.

?: I WILL HAVE MY BLOODY REVENGE ON YOU WORTHLESS HOMOSAPIENS FOR RUINING MY GREAT EXPERIMENT!

We then saw a giant robot heading our way, and inside it was another version of Evil Lisa, and man, she was really, really mad now!

Lincoln: Nice one, Reika, you not only set the girls free, but you also got that evil mad scientist really mad now. (Scans the robot) It's also equipped with weapons galore, but I've got something to really make that mad scientist even more pissed off.

Lincoln fired a laser blast which hits the robot, and it fried the controls, and it forcefully ejected Evil Lisa from the robot and she was tied up by us. Then, Lincoln flew towards the giant robot, and as he placed his hand on it, the robot's eyes glowed blue, and Lincoln absorbed the giant robot and he also gained its weapons.

Evil Lisa: NO! MY CREATION! WHAT DID YOU DO TO MY

PRECIOUS CREATION, YOU OVERGROWN HOMOSAPIEN?!

Lincoln: You don't get to say another word, you heartless, reprehensible little monster! Time to pay you back for everything you've done to me in the past!

Me: And it's going to hurt!

Nico: Big time!

Lincoln: That's it for you, you heartless mad scientist. (To Reika Ogami) And it's so good to see you again, Reika Ogami.

Reika Ogami: You too, Lincoln, it's been such a long time.

Lincoln went up to Reika Ogami and he hugged her, and Reika Ogami is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Reika Ogami, she's my Guardian Angel from Japan and classmate in Gym. Like Andromeda Buster, Embodiment of Kamen Rider Buster, Reika Ogami has the powers of Earth and she's one of the strongest ever of the Saber Embodiments, and she can really kick butt with the intense force of the Earth and really let evil have it, and as you indeed saw, she's also the keeper of The Golden Book of Amun-Ra and The Black Book of The Dead. She also introduced me to Kamen Rider Saber when we were eight years old, and we watched every episode ever since. I made Reika a tiara with the Kamen Rider Buster logo on it and necklace with Kamen Rider Buster logo for the pendant, and to show thanks, she kissed me on the lips.

Nico: Whoa, that's really awesome, and I didn't know she's also the keeper of The Golden Book of Amun-Ra and The Black Book of The Dead, that's a huge responsibility, and you said her last name is Ogami, then, that means…?!

Lincoln: Yep, she's also the sister of Ryo Ogami A.K.A. Kamen Rider Buster, and she hates Lola with a burning passion.

My jaw dropped to the floor and so did Nico's.

Nico: Wait, what?!

Me: So, Reika is…?!

Ryo: Yes, she's my sister alright, and it's so good to see you again, Reika.

Kenzie Fukiyama: You too, Ryo.

Lincoln: Plus, she heard of what we did to that delusional lunatic, Storious, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her brother, also has the Genbu Shinwa Wonder Ride Book, along with The Golden Book of Amun-Ra and The Black Book of The Dead, since she's the keeper of those two ancient books.

Lincoln: And she also has the Dogouken Gekido, the weapon of Kamen Rider Buster, and a Genbu Shinwa-themed massive greatsword.

Reika Ogami: And I've got a tale on how I smashed Lola into the dirt before she could her her older brother. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Reika Ogami: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Reika Ogami: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to Reika Ogami, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Reika Ogami: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Reika Ogami's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Reika Ogami: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Reika Ogami.

Reika Ogami had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Mio Amakura, Mayu Amakura, Ruka Minazuki, Madoka Tsukimori, Misaki Asou, Miu Hinasaki, and Yuri Kozukata from the Fatal Frame franchise.

Lincoln: Oh wow, it's Mio Amakura, Mayu Amakura, Ruka Minazuki, Madoka Tsukimori, Misaki Asou, Miu Hinasaki, and Yuri Kozukata from the Fatal Frame franchise.

Nicole: (Gasps) Oh man, and I'm very familiar with that franchise all too well, and these girls had to deal with hostile ghosts, ghosts who were turned hostile by a dark malevolent force due to a disaster in abandoned villages, islands, mountains, and mansions in Japan. And in addition to dealing with the powerful ghosts responsible for the disasters along with the hostile ghosts, they also had to confront the dark history of said haunted places, and their only defense in the war against the hostile spirits is The Camera Obscura.

Lincoln: Those sound like cases that The Ghosthunters Club would enjoy taking. (To the girls) Are you girls okay?

Yuri Kozukata: Yes, we're okay, thanks to you.

Then, when Yuri Kozukata and the other six girls saw who it was that saved them from Evil Lisa, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag

Yuri Kozukata: (Gasps) You're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene. Lincoln also sensed the girls were pretty shaken up by their experiences at The Lost Village, Mt. Hikami, and Rogetsu Isle, and they were going to be needing a lot of help.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mio Amakura, Mayu Amakura, Ruka Minazuki, Madoka Tsukimori, Misaki Asou, Miu Hinasaki, and Yuri Kozukata with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were also introduced to Freya, The North Kai of Fire, Amphitrite, The South Kai of Water, Prithvi, The West Kai of Earth, and Paka'a, The East Kai of Wind, and they were shocked to find out the villain we went after was another version of Evil Lisa, and she kidnapped and was going to dissect Mio Amakura, Mayu Amakura, Ruka Minazuki, Madoka Tsukimori, Misaki Asou, Miu Hinasaki, and Yuri Kozukata from the Fatal Frame franchise.

But, when Lincoln showed what we all did to that evil mad scientist by giving her the beatdown of her life and Lincoln finishing the job by firing a barrage of rainbow energy blasts with elemental forces and mythological animals which obliterated Evil Lisa and sent her to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Reika Ogami have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that evil mad scientist, and what she tried to do to Mio Amakura, Mayu Amakura, Ruka Minazuki, Madoka Tsukimori, Misaki Asou, Miu Hinasaki, and Yuri Kozukata from the Fatal Frame franchise, she almost traumatized them even more.

Lincoln: They'd already been through enough with the hostile spirits at Minakami Village, Mt. Hikami, and Rogetsu Isle.

Miu Hinasaki: Thank goodness she also didn't my mother, she'd already been though enough trauma, because of her nightmares at Himuro Mansion long ago.

Nicole: And the very place where it all began long ago.

---

After finally destroying Evil Lisa and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Reika Ogami saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Reika Ogami: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Reika, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Reika Ogami: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Reika Ogami: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Reika, how did you smash Lola into the dirt before she could try and kill Lincoln?

Reika Ogami: Oh, I still remembered that day from years ago. One day, Lincoln and I were done with our homework, we went outside to do some shopping for Mr. and Mrs. Loud, and it was only us, since Luna was with her band, Laney was helping Lily with some homework, Lana was doing some work on Vanzilla, and Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were both grounded again for their attempted attack on Lincoln, but what we didn't know was that Lola broke out by climbing out of the bedroom window. We finished with the shopping and we were heading back home, but then, we heard a loud chalkboard screech, and we knew who it was: Lola, and it meant she snuck out of The Loud House. Then, we saw her charging right at us, but I countered her attack and smashed her into the dirt, and Lola was then tied up by Lincoln firing red energy blasts from his white angel wings. We then dragged Lola back home, and after we unloaded the groceries, we told Mr. and Mrs. Loud of what Lola did in sneaking out and her attempted attack, and as a result, she got another grounding, this time, it's for two months.

Me: Whoa, so those earthquakes that I felt, that was you smashing Lola into the ground?!

Nico: Wow, you sure are strong, Reika.

Lincoln: That's why she's known as the strongest of the Kamen Rider embodiments on my side, and Lola should've known better to try and attack someone who's stronger than her, a skilled combatant, and has the powers of Earth.

Timmy: We know that Lola's Dark Side made her like that, and we got rid of her, along with the other Dark Side monsters, and the person responsible for putting Lincoln through this nightmare: Killjoy Huggins. Plus, I also destroyed that Dark Side Creation Serum and made sure nothing was left of it.

Nico: Nice one, Timmy.

Suddenly, Timmy winced as he felt his right hand was in pain. Althea Iridiana then took off his right white glove and we saw a bandage.

Eli: Timmy, did that rotten babysitter do that to your hand?! If she did, I'm gonna… !

Althea Iridiana: No, Eli, I think I know what this is.

Timmy: I'll tell them, Althea. See, I also knew of Lincoln's Guardian Angels, they came to Dimmsdale years ago for a reason: to put a stop to Icky Vicky, and it took place not long after J.D. had stopped Crocker and threw him in the nuthouse forever. They know that with Crocker gone, the only evil left was Icky Vicky, and since they knew of my parents' behavior and always leaving me alone with that she-demon and of her horrible hatred for kids, they decided that enough was enough. It was there I met up with my cousins, Althea Iridiana, Nephele Zephyrine, Rayne Dodola, Morana Marzanna, Aurora Leocadia, Helena Helios, and Levina Zeus once again, and they gathered all of the evidence needed to get Icky Vicky sent away for good, and once that was done, they took her down by brutally beating her into the dirt.

Wanda: We saw the whole thing, and Althea and the others were especially brutal in beating Vicky into the ground.

Timmy: And after the beatdown, Althea cuffed her and threw her in a police car which took her to the courthouse, and thanks to the evidence we got on her, she was convicted and she was sent to a far-away maximum security prison for the rest of her lift. After that day, they eventually told me of their story of how they're Lincoln's Guardian Angels, and I wanted to tell you guys, but Althea told me not to because of the Dark Sides of Lori, Lynn, Lola, and Lisa, with the exception of Dark Luan getting put in prison, still running loose. She wanted me to promise never to spill the beans until those remaining for are also gone for good, so, I did the ultimate oath to not tell any of you guys my encounters with Lincoln's Guardian Angels: I had to do a Blood Oath.

We gasped in shock.

Me: A Blood Oath, a solemn promise to keep an agreement by using each party's sense of honor or reputation to uphold the deal.

Timmy: And I had to do the Blood Oath like how they did it in the past: Althea cut her hand with a dagger and her blood came out, and I did the same with a dagger and I cut my right hand and my own blood came out. Then, we both shook hands, and the shaking of our hands caused our blood to mix, and the other Guardian Angels did the same, and I shook hands with them and that caused my blood to mix with theirs. Then, Morana disinfected and bandaged my hand, and I knew The Blood Oath was forged, and after that, they left.

Suddenly, Timmy unwrapped the bandage on his right hand, and he saw that his cut was gone.

Wanda: That sudden pain you felt was the completion of The Blood Oath, Timmy.

Danny Phantom: It's about to be seven years to the day you made that Blood Oath with Lincoln's Guardian Angels, Timmy.

Lincoln: Yeah, and I didn't know that you forged a Blood Oath with my Guardian Angels to keep their presence a secret, but you had your reasons.

Cosmo: He should've just told you guys from the beginning.

Nico: But, that would mean he'd break his Blood Oath, and breaking it has some nasty consequences.

Timmy: And I couldn't risk Cosmo blabbing about it and ticking off Lori, Lynn, Lola, and Lisa, who still had their Dark Sides in them at the time. So, whenever he was about to blab, Wanda hit him in the face with a frying pan.

Luna: (Winces) Preventative medicine. Like how I used it on Lori, Lynn, Lola, Lisa, and Luan if they'd tried to attack Lincoln again

We got a shower, and then, Lincoln, Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Olesia: Wow, so this is Dolphin Shoals, awesome.

Lincoln: I've been here before on past dates, Olesia, and it's always awesome. Shall we?

Lincoln, Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino, and they hugged the girls in their abnormally massive and powerful muscular arms, and Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Dolphin Shoals, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and Ms. Rosa DiMartino with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Olesia, Arielle, Stella (Pokémon), Madison, Alexa, Scarlett, and even Ms. Rosa DiMartino are now part of your harem, awesome!

Nico: I knew they had feelings for Lincoln. Say, Luna, wasn't there a time when Ms. DiMartino was a sub for Mrs. Johnson?

Luna: Oh, now that I remembered too well, dude, what happened was Mrs. Johnson broke her leg while riding a mechanical bull.

Nico: (Winces) Ooh!

Me: Yeah, it was bad.

Nicole: Luckily, we had an ambulance nearby, and Mom helped Mrs. Johnson during her recovery.

Rita: Plus, there's a reason why Lincoln was flunking that day, Ms. DiMartino is so smoking, the guys go completely bonkers around her, both male students and male teachers.

Lori: Yeah, and even Bobby almost flunked because of her, and this was before we started dating.

Rosa DiMartino: (Spanish Accent) Ay, it's true, the male students and teachers went completely crazy around me.

Minerva Mink: And I know how that feels, Rosa.

Hello Nurse: Same here. But, we're so glad you're now part of Linky's harem.

Nicole: And with Lincoln protecting his harem and Guardian Angels, it'll cause any perverts to back off and run with their tails between their legs.

---

We saw that the mascots were missing.

Me: Uh oh. 6 someones are missing.

Exile: (Russian Accent) Guys, where are the mascots?!

Lisa Loud: Guys! We have a situation.

Me: Lisa what did you do?

Lisa Loud: It wasn't my fault.

Me: Lets see here.

I pulled up the surveillance cameras for Lisa's lab and saw Leni come in and then she pushed a button similar to how Dee Dee does and the mascots got teleported by accident!

Nico: Leni!

Me: Nico calm down. It was an accident. You know that she doesn't know any of that science stuff.

Nico: But where are the mascots!?

Me: I'm looking.

I pulled up the mascots location and it found out that they were located in the Sahara Desert in the middle of Libya!

Qin: They are all the way over in Libya!?

Me: What are we waiting for guys!?

We were flying to Libya.

Nico: This is very similar to something.

Me: Yeah it reminds me of what happend when Dexter was beamed to that alien slave planet by accident and me, Sam and you had to rescue him.

Lola: That was crazy.

Sam S.L.: It sure was. But that was fun.

Nico: Yep.

We were flying fast.

The sun over the desert was scorching hot and the sand was baking. The mascots were really toasting out there.

Poromon: I'm dying out here!

Poliwag: I'm so thirsty!

Horsea: Me too!

Manaphy: We need water! And food! I'm so hungry I could eat… eat… eat… (Sees Poromon as a roasted chicken)

Poromon: Uh Manaphy why are you looking at me like that?

Manaphy: Must eat chicken!

She jumped on Poromon!

Manaphy: EAT!

Poromon: MANAPHY IT'S ME! STOP!

Horsea and Poliwag got her off him!

Manaphy imagined Horsea and Poliwag as food too.

She saw Poliwag as a candy bar and Horsea as a cheeseburger!

UH OH!

Horsea: Uh oh!

Poliwag: The heat is getting to her!

Manaphy also saw Jirachi as a soda and Tentacool as a hot dog!

Manaphy: I MUST EAT YOU!

Manaphy licked Horsea.

Horsea: EW!

Tentacool and Jirachi grabbed her.

Horsea: Hey look!

They saw something in the sky. It was us!

Me: There they are!

We flew down and landed and got them.

Volcana: Hey, guys. You okay?

Manaphy imagined Volcana as food. She saw her as a bowl of chili!

Nico: Oh no! The heat is getting to her!

May: Hang on Manaphy!

She fired a blast of ice and cooled her down.

Manaphy: (SIGHS OF RELIEF) That's better. Mama! You found us!

They hugged them.

May: We were worried about you guys!

Qin: We sure were.

Me: Leni accidentally teleported you guys here.

Poliwag: Where are we?

Me: You were teleported to the Sahara Desert. You're all the way here in the middle of Libya 🇱🇾.

Poliwag: WHOA!

Sam S.L.: At least you're not on that slave planet where we rescued Dexter.

Manaphy: That's true.

Mixmaster: Manaphy, were you trying to exact cannibalism on your fellow mascots?

Manaphy: Yeah but it was the heat.

Me: It's really hot here. Lets get home and cool down.

Nico: Agreed.

We teleported back.

We arrived.

G1 Jazz: Guys, someone entered the Estate while we were gone.

Me: Really.

We saw in Maria's hands an Azurill.

Me: Hey an Azurill.

Qin: Cute little one.

Azurill: (In a girls voice) (German Accent) Ja und it's great to see you Nico.

Nico: Enjuley Gude! Wow!

She reverted back and was a girl with blue hair and blue eyes and had a German dress on and had an Azurill tail.

Hunter: (German Accent) Wunderbar to meet a fellow native of Germany ja.

Enjuley Gude: You too Hunter.

Blitz: (Arnold Schwarzenegger accent) Ja and it's great having you here too.

Colleen: (British Accent) I agree there govner.

Maria: What's your favorite memory of Nico?

Enjuley Gude: My favorite is when me und Nico had a pie eating contest und he won.

Nico: Those were some really tasty pies.

Lola: Awesome.

Nico and Enjuley hugged.

Nico: I've really missed you.

Enjuley Gude: Ja me too.

The Rabbids gibbered to Eddy.

Eddy: He said that this was very similar to one of the incidents they had when they got taken to the desert.

Qin: Really? That is crazy.

Me: No kidding.

Breach: Nico, which teams have you made this time?

Nico: Andros' team will include Mai Takatsukasa, Goro Sakurai, H.O.O.D. Camille Casterwill and Nathalia Gorgorio. Tommy Oliver's team will include Doom Patrol Elastigirl, Tsuyoshi Kaijo, Gohan, Van Fanel and Prohyas.

Me: Awesome choices!

Qin: I like those.

Xenia: Me too.

Bird: It'll be an awesome honor to help out.

Camille Casterwill: (British Accent) You can count on that one for sure.

Then the previous group came.

Duff Killigan: (Scottish Accent) Can me, Kaos, El Oso, Tchang Zu, Carmen Dillo, INSTIGATOR, Vreedle Brothers, Metal Sonic, General Schwarz, and Gramma Stuffum go with you lads?

Evil Strike Man: Me, Shaman Apsu, Thursday Man, Buzz Buzzard, Blob, Don Octavio, Queen Jellyfish, Francisco, Evil Pharaoh Man, and Rock will come too.

Nico: Yes you all can some with us.

Lola: But we don't know what our mission is yet.

Vegeta: Bokrua, which Gene Slammers do you think you'll meet next?

Nico: I'm glad you asked Vegeta. I'm hoping to do ones for Nosepass, Delikitty and Sableye next.

Me: Ooh those will be interesting.

Qin: Yeah they sure will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Keckyua, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Keckyua of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Keckyua, right, Wendy?

Wendy Han: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Larisa Amana: While you and Nico destroy Keckyua and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, we got an emergency from Mung Daal that Chowder has eaten tons of the explosively spicy Dreaded Dancing Diablo Peppers.

Lincoln: Oh man, we better get out something really cold to extinguish them and absorb lots of fire in the process. Plus, we also got word that someone by the name of Terry Spice is also here, he'll be a good member for The Masters of Evil, along with The Dreaded Dancing Diablos. And after we get done with absorbing lots of fire, extinguishing The Dreaded Dancing Diablos, and battling Terry Spice, you better be ready to die, Keckyua.

Wendy Han: You better be ready to suffer, Keckyua, for you shall be consumed by the dark fires of The Netherworld, and your soul will know nothing but eternal suffering.

Me: We're going to need all the most powerful cold remedies we can muster for this one.

Qin: You got it!

El Oso: Let's get going.

Don Octavio: (Italian Accent) I wonder-a what trouble Chowder's in-a this time.

Me: Lets go!

We were off to Marzipan City.

---

We arrived and then when we got to the catering company…

LOUD LONG BELCH!

We saw a massive blast of green fire explode out of the building with incredible force and it was intensely hot!

Nico: WHOA JEEZ!

Me: WHEW! THAT IS LETHAL!

Airi: I hope no explosives were set off!

Me: Those aren't explosives because they don't belch!

Then we saw and heard NUMEROUS MASSIVE BELCHES AND BLASTS OF HUGE WALLS OF GREEN FIRE!

We busted in and I covered Chowder's mouth!

Me: Jumping Flaming Shish-kabobs! Chowder what the hell have you been eating!?

Eli: That is lethal fire you got coming out of you!

INSTIGATOR: Chowder, what have you been eating?!

Thursday Man: Every pepper in existence?!

Mung: He ate the Dreaded Dancing Diablo peppers.

Me: What do they look like?

Mung: I'll show you.

He went and got one and it was a red chili pepper with a smily face on it and it had a neon green flame around it.

Me: Whoa! These little peppers look like they pack a wallop.

Heat Man: That's hotter than me!

Me: WHEW! The heat coming from it is intense. May I eat one?

Mung: Sure. Think you can handle it?

Me: I know I can.

I then took the pepper and I ate it and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION OF UNPRECEDENTED POWER!

THE POWER OF THAT EXPLOSION WAS SO MASSIVE, SO POWERFUL AND SO INTENSE THAT IT FORMED A JET OF INCREDIBLY POWERFUL FIRE THAT BLASTED RIGHT OUT OF THE GALAXY AND FORMED INTO A POWERFUL AND HUGE PHOENIX OF MASSIVE SIZE! IT SCREECHED WITH INCREDIBLE POWER! WHEN IT WAS SUCKED BACK DOWN I EMERGED FOREVER CHANGED! I HAD AN AMAZING HOT AND AWESOME LOOKING RED, ORANGE AND YELLOW HAWAIIAN SHIRT WITH FIRE ON IT AND IT HAD THE SYMBOLS OF ALL THE PEPPERS IN THE WORLD ON IT.

My eyes had intense fire burning in them!

Me: WHOA! That was awesome!

Nico: WHOA! J.D. how do you feel?

Me: Intensely awesome and hot!

Nico: Did it work?

LOUD LONG BELCH!

He belched out huge amounts of green fire and I absorbed it.

Heckyl: It didn't work!

Me: Those peppers are much more potent than we thought!

Rock: Any ideas?

Gramma Stuffum: Maybe I can cook something up!

She made super cold ice cream and shoved it down Chowder's mouth. But steam came out.

Me: WHOA That is potent.

Nico: Maybe this will do it.

Nico used Eis Shenron's powers and fired ice rays into Chowder's mouth and the fire inside him was really strong. Then Chowder had a huge cloud of steam come out of his mouth.

Apeface: Maybe vanilla ice cream will help!

Me: We're going to need a lot of it.

Nico used the Technicolor Phantom's powers and fired Vanilla Ice Cream and poured it into Chowder's mouth and he swallowed it and a huge cloud of steam came out.

Me: Boy that fire is really strong! Mercury we're going to need some water.

Sailor Mercury: You got it! MERCURY AQUA RHAPSODY!

She fired a massive blast of water and it went into Chowder's mouth and then a huge massive cloud of steam came out.

Me: Did that work?

Chowder: I think so. (GASP) It worked! It worked! The water helped!

Me: WOW!

Evil Pharaoh Man: THAT worked?!

General Schwarz: And ice cream didn't?!

Mung: Ah yes water did the trick. Why didn't I think of that?

Schnitzel: Radda radda. (You didn't Mung)

Nico: But thank goodness that's taken care of.

Qin: Yeah. Boy those peppers are lethal ones.

Weirdwolf: You said it!

Me: Those peppers might be hotter than all the hottest peppers in the world combined together.

Qin: You're not kidding there.

Lola: Yeah!

Nico: But they are still being good members of the M.O.E.

Eli: Yep. Now for the second enemy we're facing.

Me: Lincoln said his name is Terry Spice.

Mung and crew gasped when they heard that name!

Queen Jellyfish: You guys seem to know him.

Tchang Zu: Care to explain?

Mung: We sure can. Terry Spice is known as the ultimate god of spice. He is the true spice king!

Duncan: Wait I remember Terry Spice! I made a hot sauce that was so diabolically hot back when I was a kid and it got the attention of him.

Duncan told us about him.

---

Terry Spice is a minor antagonist in Total Dramarama, only appearing in the episode "Fire in the Hole". He is a satanic version of Guy Fieri, who lives in the underworld and loves eating spicy food. He tortures people with a reality-warping remote called "Clicky".

He is voiced by Rob Tinkler.

In "Fire in the Hole", Terry Spice sat in the underworld and had his demon minions feed him spicy food. He was not pleased with the food because it wasn't spicy enough so he used his remote, "Clicky" to crush his demon dude with a rock. He laughed maniacally. Just then, Duncan spilled his hot spice on the floor and it seeped through the ground and down to the underworld, where it landed in Terry's mouth. Terry was amazed with the taste and decided that with a spice this strong, he would have enough power to take over the universe. Terry Spice came up to Total Drama Daycare just at the same time Chef Hatchet called for a substitute teacher, which made him think that Terry was the new teacher. As the new teacher, Terry demanded that Duncan give him the recipe for the amazing spice he just made but Duncan refused. Terry tried to force Duncan to cough up the recipe by forcing him to watch his friends suffer their worst nightmares. However, being the sadist he was, Duncan just enjoyed what he was watching. Terry admired Duncan's villainy and became friends with him. Duncan and Terry had fun doing everything together. Finally, Terry asked Duncan to make him some spice and Duncan obliged. While Terry ate the spide and rode a flavor wave, Duncan snatched Clicky from him and used it to save his friends and transport Terry into his own worst nightmare, which was to be stuck with Chef's mom, eating extremely plain food.

---

When he was done we were shocked!

Me: Whoa! So he is the ULTIMATE Spice Demon!

Xenia: WHOA! This guy is a legend!

Camie: No kidding!

Nico: Wow! This guy sounds like he is no pushover when it comes to spice.

Rumble: Maybe even better then J.D. and Nico!

Me: Lets not get carried away.

Twilight Sparkle: Just like I would say.

Nico: But this guy is a definite perfect addition to the M.O.E.

Sailor Buffalor: And I would love to have him as my archenemy.

Xenia: Good idea.

Qin: And it's fitting too. Sailor Soldier of Buffalor the Buffalo Chicken Planet VS Ultimate Spice Demon.

Nico: Nice and catchy.

Octagon: We should pay him a visit.

Rhomboid: And blow him up real good!

Buzz Buzzard: Um… what you said.

Me: I think he will come to us.

Nico: I have that feeling too.

Eli: I do too. This is gonna be rough.

Qin: Yep.

Junk Man: We'll just have to wait for him.

Me: Yep. Mung what were you going to do with all those lethal peppers anyway?

Mung: It was part of a special Mexican event that we were going to do here.

Lola: Wow. That is awesome.

Ronnie Anne: Sounds like something I would love.

Xenia: Me too.

Carmen Dillo: That can still happen.

Blob: But later.

Me: I agree.

Nico: But this will be fun.

Qin: Yep.

Then we felt a rumble.

Eli: He's coming!

Qin: Lets hide!

We hid.

Then a rumble was felt and then out a pool of lava from out of the floor came TERRY SPICE!

Eartha: Entrance time!

We went at him.

Terry Spice: (Inhales) Ahh. I love the smell of spicy pain.

Then the spirits of peppers came and swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out!

Me: Terry Spice the ultimate Spice God!

Terry Spice: Team Loud Phoenix Storm it is an awesome honor to meet the legendary masters of spicy food!

Me: You too Terry.

Terry Spice: And the Hawaiian Shirt looks great on you J.D.

Me: Thanks. New fashion that I got from eating the hottest pepper ever.

Kaos: Too bad we have to fight.

Shaman Apsu: And stop you.

Nico: (gets out Blizzard and Vexen's Ridewatches) Chill out!

He activated them and fired waves of ice and smashed him down.

Nico: Boy we sure did.

---

P'andor: (to Tahu) I heard you guys met the Embodiment of Buster for Lincoln's Side. What's her name?

Tahu: Her name is Reika Ogami and she is a really strong force to be reckoned with.

Applejack: Yeah that was amazing hearing her story too.

Apple Bloom: Boy it sure is amazing.

---

Nico: Yep. So, Reika, how did you smash Lola into the dirt before she could try and kill Lincoln?

Reika Ogami: Oh, I still remembered that day from years ago. One day, Lincoln and I were done with our homework, we went outside to do some shopping for Mr. and Mrs. Loud, and it was only us, since Luna was with her band, Laney was helping Lily with some homework, Lana was doing some work on Vanzilla, and Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were both grounded again for their attempted attack on Lincoln, but what we didn't know was that Lola broke out by climbing out of the bedroom window. We finished with the shopping and we were heading back home, but then, we heard a loud chalkboard screech, and we knew who it was: Lola, and it meant she snuck out of The Loud House. Then, we saw her charging right at us, but I countered her attack and smashed her into the dirt, and Lola was then tied up by Lincoln firing red energy blasts from his white angel wings. We then dragged Lola back home, and after we unloaded the groceries, we told Mr. and Mrs. Loud of what Lola did in sneaking out and her attempted attack, and as a result, she got another grounding, this time, it's for two months.

Me: Whoa, so those earthquakes that I felt, that was you smashing Lola into the ground?!

Nico: Wow, you sure are strong, Reika.

Lincoln: That's why she's known as the strongest of the Kamen Rider embodiments on my side, and Lola should've known better to try and attack someone who's stronger than her, a skilled combatant, and has the powers of Earth.

Timmy: We know that Lola's Dark Side made her like that, and we got rid of her, along with the other Dark Side monsters, and the person responsible for putting Lincoln through this nightmare: Killjoy Huggins. Plus, I also destroyed that Dark Side Creation Serum and made sure nothing was left of it.

Nico: Nice one, Timmy.

Suddenly, Timmy winced as he felt his right hand was in pain. Althea Iridiana then took off his right white glove and we saw a bandage.

Eli: Timmy, did that rotten babysitter do that to your hand?! If she did, I'm gonna… !

Althea Iridiana: No, Eli, I think I know what this is.

Timmy: I'll tell them, Althea. See, I also knew of Lincoln's Guardian Angels, they came to Dimmsdale years ago for a reason: to put a stop to Icky Vicky, and it took place not long after J.D. had stopped Crocker and threw him in the nuthouse forever. They know that with Crocker gone, the only evil left was Icky Vicky, and since they knew of my parents' behavior and always leaving me alone with that she-demon and of her horrible hatred for kids, they decided that enough was enough. It was there I met up with my cousins, Althea Iridiana, Nephele Zephyrine, Rayne Dodola, Morana Marzanna, Aurora Leocadia, Helena Helios, and Levina Zeus once again, and they gathered all of the evidence needed to get Icky Vicky sent away for good, and once that was done, they took her down by brutally beating her into the dirt.

Wanda: We saw the whole thing, and Althea and the others were especially brutal in beating Vicky into the ground.

Timmy: And after the beatdown, Althea cuffed her and threw her in a police car which took her to the courthouse, and thanks to the evidence we got on her, she was convicted and she was sent to a far-away maximum security prison for the rest of her lift. After that day, they eventually told me of their story of how they're Lincoln's Guardian Angels, and I wanted to tell you guys, but Althea told me not to because of the Dark Sides of Lori, Lynn, Lola, and Lisa, with the exception of Dark Luan getting put in prison, still running loose. She wanted me to promise never to spill the beans until those remaining for are also gone for good, so, I did the ultimate oath to not tell any of you guys my encounters with Lincoln's Guardian Angels: I had to do a Blood Oath.

We gasped in shock.

Me: A Blood Oath, a solemn promise to keep an agreement by using each party's sense of honor or reputation to uphold the deal.

Timmy: And I had to do the Blood Oath like how they did it in the past: Althea cut her hand with a dagger and her blood came out, and I did the same with a dagger and I cut my right hand and my own blood came out. Then, we both shook hands, and the shaking of our hands caused our blood to mix, and the other Guardian Angels did the same, and I shook hands with them and that caused my blood to mix with theirs. Then, Morana disinfected and bandaged my hand, and I knew The Blood Oath was forged, and after that, they left.

Suddenly, Timmy unwrapped the bandage on his right hand, and he saw that his cut was gone.

Wanda: That sudden pain you felt was the completion of The Blood Oath, Timmy.

Danny Phantom: It's about to be seven years to the day you made that Blood Oath with Lincoln's Guardian Angels, Timmy.

Lincoln: Yeah, and I didn't know that you forged a Blood Oath with my Guardian Angels to keep their presence a secret, but you had your reasons.

Cosmo: He should've just told you guys from the beginning.

Nico: But, that would mean he'd break his Blood Oath, and breaking it has some nasty consequences.

Timmy: And I couldn't risk Cosmo blabbing about it and ticking off Lori, Lynn, Lola, and Lisa, who still had their Dark Sides in them at the time. So, whenever he was about to blab, Wanda hit him in the face with a frying pan.

Luna: (Winces) Preventative medicine. Like how I used it on Lori, Lynn, Lola, Lisa, and Luan if they'd tried to attack Lincoln again

They fired a massive ice cream blast that has 31 flavors.

We fired rainbow energy blasts which turned into rainbow energy straitjackets and they tied up Terry Spice and The Dreaded Dancing Diablos and they were beamed to The Masters of Evil's HQ.

Lincoln: There we go, we got more members heading for The Masters of Evil's HQ.

Nico: And saved Marzipan City from being burned to a crisp by The Dreaded Dancing Diablo Peppers. Awesome job, gang, but we're not done yet.

Wendy Han: That's right, we still got Keckyua to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Keckyua.

A figure came out, and it was none other than Keckyua of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Keckyua, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Keckyua: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Wendy Han: The only one who deserves to be destroyed is you.

Suddenly, Wendy Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, light, gold, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Adjusted Gold-themed greatsword from her back, and as she approached Keckyua, she left black energy, darkness, dark magic, light, gold, fiends, phoenixes, and dark angels

with every step.

Wendy Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Keckyua: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Wendy Han was surrounded by a massive vortex of black energy with darkness, dark magic, gold, and light surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Adjusted Gold flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Keckyua: the red eyes of death. Then, as the vortex faded, Wendy Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Wendy Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, light, gold, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Adjusted Gold emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Evil HERO Adjusted Gold with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Wendy Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, light, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Adjusted Gold surrounded by gold and darkness. Suddenly, Wendy Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Wendy Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Wendy Han's massive Evil HERO Adjusted Gold-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, light, gold, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Adjusted Gold's Darkness Dark Light Gold Fiendish Phoenix Greatsword of Darkness Dark Light Gold Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Adjusted Gold etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Adjusted Gold's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Adjusted Gold that said, "Wendy Han, Gene-Slammer of Evil HERO Adjusted Gold, Bounty Hunter of The Han Sisters, Tenth Sibling of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Vok, Destroyer of Keckyua of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Light, Gold, and Infernal Phoenixes"

Wendy Han has transformed into SUPER ANGEL-EVIL HERO ADJUSTED GOLD-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL LIGHT GOLD EVIL HERO ADJUSTED GOLD PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL LIGHT GOLD EVIL HERO ADJUSTED GOLD JUSTICE AND DIVINE DEMONIC DARK INFERNAL LIGHT GOLD EVIL HERO ADJUSTED GOLD LOVE!

We were amazed by Wendy Han's Super Angel-Evil HERO Adjusted Gold-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Keckyua saw it, he fell into an infernal rage and he got out his blaster to fire at her, but Wendy Han fired a powerful black energy blast with darkness, dark magic, light, gold, fiends, phoenixes, and dark angels at Keckyua, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Fira Han: Whoa, Wendy's transformed, incredible!

Larisa Amana: That's really incredible, and she really burned and slashed at Keckyua badly.

Nico: And she's really got him pissed off now big time.

Wendy Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Light Gold Evil HERO Adjusted Gold Angel and Divine Demonic Darkness Infernal Light Gold Phoenix Love) And now, the dark flames of The Netherworld is coming for you, Keckyua.

Nico: Let's get him, Wendy, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Wendy Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Wendy Han and Nico went after Keckyua who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Keckyua and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Keckyua, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Keckyua took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Keckyua began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Keckyua's transformed into his King Ghidorah Hybrid Monster form.

Keckyua fired a Gravity Lightning blast at Wendy Han and Nico, who dodged it.

Lincoln: Wendy, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Keckyua from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Keckyua and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Keckyua into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Wendy, let's end this asshole for good.

Wendy Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Light Gold Evil HERO Adjusted Gold Angel and Divine Demonic Darkness Infernal Light Gold Phoenix Love) You got it, Nico.

Wendy Han and Nico sent Keckyua flying into the air, and then, they prepared their combo to put an end to Keckyua.

Wendy Han and Nico: DARK INFERNAL EVIL HERO ADJUSTED GOLD PHOENIX DEMONIC LIGHT GOLD DARKNESS KAMEHAMEHA!

Wendy Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, gold, light, and phoenixes which hit Keckyua, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Wendy Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for her crimes. We cheered as Wendy Han and Nico holster their massive greatswords on their backs and powered down, and Wendy Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Wendy Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-two members to go. Thanks for helping me destroy Keckyua once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Wendy.

Suddenly, Wendy Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Wendy Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Adjusted Gold flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness and light shining behind them and we cheered wildly. Then, Nico and Wendy Han absorbed the light and darkness and they came back to us as the display and Evil HERO Adjusted Gold vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Wendy.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Qinkphes, which means you're up next, Naomi.

Naomi Han: Yeah, we'll make Qinkphes pay.

Nico: We sure will.

Taylor Kamiyama: And on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Kenzan.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right.

Kitty: That was a spicy adventure!

Tar Pit: You said it!

Me: Nuclear hot and awesome.

Avalanche: Terry will make a good addition to our ranks.

Moonstone: Now, let's celebrate at Mung's.

Kyd Wykkyd: Preferably, something cold.

Me: Good idea. I've had enough spice for the day.

Nico: Me too.

Chowder: Me three guys. I'm sorry I burned you Mung. You told me to stop those peppers or the whole city was gonna be destroyed.

Mung: Chowder it's all right. But you saved the entire city. I'm sure everyone is thankful for that.

Me: Yeah Chowder you're a hero for that.

Nico: You sure are. Lets all have some Thrice Cream.

Chowder: THRICE CREAM!

Thrice Cream Man appeared.

Thrice Cream Man: Thrice Cream Man delicious!

He gave us Thrice Cream.

Nico: Great job today everyone though. And J.D. you did good too.

Me: Not just me Nico. All of us did.

Chowder: (To the viewers) Don't eat too much spice or you will get a nasty ulcer.

Me: YIKES! Good advice there.

We had a great ice cream party and more and then we went back home and went to sleep.

Lincoln made Raelynn a tiara with the Kamen Rider Kenzan logo on it and necklace with Kamen Rider Kenzan logo for the pendant, and to show thanks, she kissed him on the lips. She's also the sister of Ren Akamichi A.K.A. Kamen Rider Kenzan, and she hates Luan with a burning passion.

Zuria: Whoa so this is the planet Elysia.

Earth: Incredible! It's amazing that this planet is that beautiful.

Lola: It sure is.

Ahsoka Tano: I think it's amazing that this world is here too.

Lola: Yeah.

Eddy: I have a feeling this will be awesome.

Me: (YAWNS) Yeah it sure will be awesome.

Nico: You okay J.D.? You look really tired.

Me: (YAWNS) I'm just sleepy. I was up all night digging up some dirt on Ronson.

Nico: Did you find anything?

Me: I sure did. And it's all incriminating. Eli has the file on it all.

Eli: Yep.

Eli showed a massive folder full of files and more.

Nico: WHOA! Good work.

Me: Thanks.

Nico: Eddy, I want to thank you, Dark, and your teams for coming.

Eddy: No problem Nico. This is gonna be so awesome helping you guys.

Daughter: It sure will be awesome.

Rey Skywalker: (British Accent) I'm so looking forward to all this too.

Qin: We all are Rey.

Nico: Daughter, I'm sorry for what happened to your family

Daughter: It's all right Nico. But the Darkness is gone. So I'm happy.

Me: That's good. (YAWNS)

Xenia: Yeah.

Nico: I'll be right back.

Nico got me and teleported back home and put me in my room in my bed.

Nico: You have a little nap okay?

Me: Thanks Nico. I do need one.

Nico: Yeah you need one.

Me: Thanks.

I went to sleep.

Nico told the mascots to keep things quiet for me.

Nico teleported back for me.

Nico: Sorry about that.

Me: Don't forget me!

Nico: A clone of J.D.?

Me: Yep.

Juran: No offense. But your brother was fucked up.

Me: I agree there. Junior really lost it. He was pure evil.

Daughter: I agree there too. He was a monster.

Ahsoka Tano: I can't believe he turned me to the Dark Side of the Force. I was so stupid.

Xenia: It's not your fault.

Qin: Yeah he was evil.

Camie: A total monster.

Me: Yeah. But he is gone now.

Lola: Thank goodness.

Me: Yesterday's mission was a spicy one!

Nico: Yesterday was sizzling hot!

Me: WOOWEE! Yeah! That was a spicy one! I can't believe that Chowder had all those peppers! He had green fire explode out of his mouth every time he opened it!

Varie: That was lethal heat!

Camie: No kidding there! But that Hawaiian shirt you got from the peppers was awesome J.D.

Me: No kidding. Stylish too.

Eli: You said it bro.

Nico: We had to use everything we had to cool Chowder off.

Me: You're not kidding! Water, ice cream, ice, the works!

Xenia: That is crazy!

Qin: Boy those peppers were just far too hot to handle.

Varie: They sure were.

Lola: Yeah no kidding!

Lana: Yeah that was intense.

Eddy: But Terry Spice was a great villain.

Dark Spicer: He sure was. And he is the ultimate spice demon.

Me: You got that right.

Me: I'm glad Chowder didn't melt Thrice Cream Man.

Lola: No kidding.

Qin: That would not be good.

Me: Chowder ate all those peppers to save the city from a terrible conflagration.

Camie: No kidding!

Nico: But in the end, we cooled him off.

Me: We sure did.

Lola: Yeah no kidding there.

We arrived at Skytown.

Me: Skytown Elysia dead ahead.

Nico: Yep.

Maria: Here we are!

Qin: Yep.

We landed and saw that Skytown Elysia was amazing.

Me: Wow.

Sora Phaaze: It's amazing that this is here. When I heard that Phaaze was going to corrupt it I was shocked.

Nicole: Yeah that was awful.

Me: No kidding there.

Varie: So what's the reason why we're here?

Me: Well the scans are picking dimensional instability here.

Qin: Weird.

Computer: Alert. Dimensional anomaly in progress.

We saw a dimensional vortex appear!

Qin: WHOA!

Me: A dimensional vortex!

Camie: Wow!

Nico: Get ready! No telling what's gonna come out!

We got ready. Then we saw a figure come out and it was a boy with brown hair and had red clothes and he was in a wheelchair.

Me and Varie caught him.

Me: Whoa!

Varie: First time we had a kid in a wheelchair come.

We landed with him.

Nico: Whoa man!

He woke up and saw us.

?: What? Where am I? (Sees me) J.D.? Is that you?

Me: Yes that's me.

Suddenly there was an incredibly massive flash of white light and then I woke up in my subconscious and I saw that my head was on fire!

Me: Whoa! Why is my head on fire!?

J.D. 2: No idea!

J.D. 3: This is crazy!

J.D. 4: Yeah!

?: That's because my world merged with yours.

We saw another version of me! But this one had white angel wings, a halo over his head and had a deadly sword and magic spellbook.

J.D. 5: The kid you just met was Tyler. Let me tell you he has a really dark story.

We heard his story and what we found out was horrifying and shocking to the Nth degree! His father Damien abused him and he sent numerous people to kill him and he killed his mother! The Loud kids as vampires, me and friends were helping him as much as we could. His father was a devil and a malevolent cult leader and more. WE GASPED IN SHOCK!

J.D. 3: OH MAN!

J.D. 2: THAT MAN IS A MONSTER!

J.D. 4: What kind of monster would do that to his own son!?

J.D. 5: Someone who is pure evil. But you guys, Tyler is in a very fragile state. Help him.

Me: I will.

I came back.

Nico: What happened.

Maria: Lets find out.

May: Who are you?

Tyler: Tyler.

Me: His name is Tyler.

I revealed everything and it was shocking and horrifying!

Nico: Your father is very evil!

Tyler: I know! (CRYING) (HUGS ME)

J.D. 5: (Through my crest) What he did was beyond evil.

Qin: No kidding!

J.D. 5: Tyler, Damien and his men were sent here.

Me: Oh man! Then that means they are here too.

May: WORSE YET! They found us!

We saw a group of men coming at us!

Nico: Here they come!

Me: Blast them!

Eli: Yeah!

We fired waves of energy and elements and blasted them all over the place.

I activated Predacon Rhinox's ridewatch and got his blasters and blasted them all over the place.

Dark turned into Bloodfury.

Bloodfury: Here's your warning: Your ass is about to be kicked!

Me: Big time you sons of fucking bitches!

I fired energy blasts and blew them apart and Dark fired waves of energy and blasted them.

Laney, Lola, Lisa and Lily blasted them all over.

Xenia: They keep on coming! (FIRES ARROWS INTO THEIR HEADS)

Varie: Damien must've really had it out for his own son!

Me: Brittney, the version of me from his universe told me that Tyler has demons in him! Get them out of him.

Brittney: Right dad!

She went and did so,

Bloodfury fired Corruptas.

They hit the men and blasted them all over.

Brittney chanted a powerful incantation and opened a dark portal to the black gates and blobs of huge amounts of darkness exited Tyler and they were all gone and he was purified!

I fired energy lasers and blaster blasts and blasted the men.

Man: KILL THAT BRAT! DON'T STOP!

We fired!

Me: You'll have to get through us mongrels!

I fired waves of energy and blasted them all over.

Eli fired blasts of Force Lightning and destroyed many of the men.

Nico: Eli, scan for Swartz's creations!

Eli: On it!

He scanned the area.

Qin fired fireballs and blasted them down.

Tyler was purified and he was free.

Tyler: (Groans) That was awful.

Brittney: But you're free now.

Tyler: Thank you. (CRYING) I'm sorry.

Laney: It's all right Tyler. It's all right.

I blasted the last of the men and killed him.

Me: Consider yourselves dead!

Nico: And buried!

Me: In the clouds of Elysia. But there might be more of them on Earth. I'll have to have Sheila and Tom put on full alert. Girl Jordan I'll give you pictures of them.

J.D. 5: That won't be necessary.

He had a beam of yellow light appear out of my crest and then numerous photos came of the evil men and Damien and they were in my hands.

Me: WHOA! There's a lot of them.

Nico: Wow! Sheila and Tom and all of Gotham Royal York are going to have a field day finding these guys.

Me: Swartz's notes did say that he had plans for that.

Nico: Who's up first?

Sora Phaaze: I will go.

We heard a roar and then we saw a dark version of Omega Ridley! It was ANOTHER OMEGA RIDLEY!

(META RIDLEY THEME FROM METROID PRIME PLAYS)

We saw it flying around and its power was incredible!

Xenia: WHOA!

Me: Omega Ridley!

Nicole: Incredible!

Eli: Boy this one is incredible!

Qin: Wow!

Nicole: Lets not forget guys that for over 37+ Years, Samus had to battle Ridley and she beat him every time. Ridley is Samus's most dangerous evil archnemesis.

Nico: Wow!

It landed in front of us.

Qin: Whoa!

Nico: Who are you?

Another Omega Ridley: (In a girls voice) I believe that J.D. knows.

Me: (GASP) Rachel Ridley!

She reverted back and was a girl with aqua blue hair and blue clothes and had blue dragon wings.

Me: It's good to see you again.

Rachel Ridley: Same here J.D. Sorry you have to see me like this.

Me: No worries.

Rachel Ridley: And Sora you're looking well.

Sora Phaaze: Same here.

Rachel Ridley: Sora and I are part of a very powerful secret society. We are called The Order of Phaaze. It's a powerful group that has existed for years. Our cause is to rid the entire universe of the Space Pirates of the planet Urtragia.

Qin: Whoa! That is amazing!

Sora Phaaze: That's right.

Eli: That must be a massively powerful organization.

Rachel Ridley: Yes it is.

Me: Samus said that the Space Pirates of Urtragia have been a massive problem for years. She was hunting them for a long time.

Qin: No kidding there.

Nicole: And she destroyed all of their plans.

Me: Planets Zebes, SR388, and ZDR were all blown to space dust because of those dirt clods.

Nicole: Yeah.

Rachel Ridley: That's right. And there was another threat during that time that posed a tremendous threat too. Dark Samus.

Nicole: We destroyed her and the one from the Super Smash Bros. Roster is in our frenemies in the M.O.E.

Rachel Ridley: That's good

Nico: Are there more on the way?

Rachel Ridley: Yes there are. You'll meet them soon.

Nico: You two catch up on old times.

Sora Phaaze: Okay.

Me: We'll give you a few minutes.

We went to check on Tyler.

Nico: You okay, Tyler?

Tyler was still crying.

Me: Oh man. Poor kid went through a lot.

Xenia: No kidding.

Qin: His evil father was a monster.

Sirius: No kidding.

Zocks: Think we should teleport him to the Estate?

Me: Good idea. Ino will help him out.

Nico: I agree there.

Xenia: Yeah.

I snapped my fingers and teleported Tyler back to the estate.

Me: There.

Nico: Now, where were we?

We went back to Rachel and Sora who were finished catching up.

Rachel Ridley: We just finished catching up.

Me: Cool.

Xenia: Awesome.

Rachel Ridley: Also there's another version of him here.

She pointed to Dark.

Me: We actually knew about that one. Friendly or hostile?

Rachel Ridley: Friendly. And you guys have that big mission against Lila Rossi coming soon. This one knows Marinette.

Geiz: Sougo, I know what you're thinking. But don't get your hopes up. It could be a different person that knows Marinette.

Me: We can hope. But we'll find out.

Sora Phaaze: Yeah. Sorry we have to fight like this Rachel.

Rachel Ridley: No worries.

She turned into Another Omega Ridley and flew into the air and Sora flew after her and fired waves of light and darkness and blasted her down and I caught the Wonder Ride Book and it was called RIDLEY OF PHAAZE!

I purified it and brought her over.

Maria: Time to summon backup!

She used the M.O.E. Cannon.

Maria: (TURNS DIAL) NEO LEADER FORCE 6!

She summoned Vypra, May Kanker, Nasty Canasta, Marcel, Cloaked Ghostfreak, and NES Ghidorah along with Diabolico, Jinxer, Loki and Trifire.

Qin: YEAH!

Nico: And now, to see who the Another Dark Spicer is.

Me: Should be here shortly.

Qin: How about right there.

We saw a figure and it was ANOTHER DARK SPICER! It looked Dark but it had black hair.

Camie: Whoa!

Xenia: This one looks interesting.

Dark Spicer: (In a girls voice) And it's going to be good when we kill that wretch who is no longer my sister!

We gasped!

Chloe: (GASPS) Savanna Rossi!?

She reverted back and it was indeed Savanna Rossi!

Me: It's obvious that you heard about what Lila did right?

Savanna Rossi: That's right.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Savanna Rossi: Just to kill my sister.

Me: We are going to do that soon.

Apple Bloom: Yeah we're going to do that.

Xenia: We're going to banish her to the Black Gates forever.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Me: Sorry we have to fight Savanna. But we're going to make that monster Lila pay for her crimes.

Nico: Yeah she makes me sick!

Lola: Me too!

Savanna Rossi: Great.

She turned back into Another Dark Spicer.

Another Dark Spicer: Here's your warning, your ass is about to be kicked!

Dark Spicer: HEY! That's My Line!

Nico: (gets out Dark Spicer's Ridewatch) Well, here's YOUR warning: Your ass is about to be kicked for saying Dark's Catchphrase!

Dark Spicer: YEAH! NO ONE USES MY CATCHPHRASE BUT ME! THE REAL DARK SPICER!

Me: And It's going to REALLY HURT!

Nico used Dark's Ultimate Big Chill power and fired waves of endothermic fire and encased her in ice.

I fired waves of energy and smashed her down.

Nico: (ACTIVATES M.O.D.O.K.'S RIDEWATCH) Care to calculate the elusive zeta constant of the unified field theorem?

Another Dark Spicer: 6.14.

Me: Then I'm sure you know all about the unknown fiend ratio of the 5th Dimensional String Equation.

Another Dark Spicer: E^Π

I had red crash screens on my eyes and my head was sparking as smoke came out of my ears.

Eli kicked me in the butt.

Me: (BLUBBERS) WOW! Dark how do you know all that?

Dark Spicer: I watched a lot of science documentaries and even read lots of math books.

Lisa Loud: But all that they just said is definitely 100% correct and very well deduced.

Me: Still hurts my head though.

May: (gets out Foop's Ridewatch) Well, the real Jack Spicer DID call himself an evil boy genius before.

Me: That is true.

May activated the ridewatch and fired waves of darkness and smashed her down.

May: Top this too! (ACTIVATES DOGU BOUMA'S RIDEWATCH)

She fired waves of lightning and smashed her down.

Xenia: Nice!

Me: But that was amazing. And Dark if you know that high level caliber math like that you would be a really big shoo-in to win the Nobel Peace Prize for all that.

Dark Spicer: Glad you think so.

Maria: (Gets out Mandark's Ridewatch) My turn! (Activates it) Mandark what is the answer to the Riemann hypothesis.

Mandark: The Riemann Hypothesis is the real part of every nontrivial zero of the Riemann zeta function is 1/2". It's actually been shown that the first ten trillion zeroes do lie on this "critical line", which is one reason why so many people think it must be true.

Lisa Loud: Wow!

Me: OW! JEEZ That is potent! If I hear another equation like that my head is going to explode. But whoa!

Maria activated Evil Earth Man's ridewatch.

She fired waves of rock and smashed her down.

Daughter: My turn now.

She activated MODOK'S Ridewatch and fired laser blasts and smashed her down.

Evil Green Ranger and his team consisting of Mandragora, Maniac

Toon, MetalEtemon, Nariaka Utsumi And Chickenball Z Mandy Then came.

Nico: Nice team, Evil Green Ranger!

Evil Green Ranger: Thanks.

MetalEtemon: (Sniffs) Hey do I smell smoke here? Huhuhuhuh.

Me: That's coming from me. My head is burning because of so many complex math problems. Ouch.

Maria: I hope the next Gene Slammer's near.

Then something nuzzled her leg and it was a Delcatty **.**

Maria: Hey a Delcatty.

Qin: Cute little guy.

Delcatty: (In a girls voice) (Polish Accent) Looks like the fun has begun too.

Nico: Celida Lewandowska?! Whoa!

Me: Wait a second, aren't you the owner of that awesome Polish Pastry Bakery in Warsaw?

Delcatty: That's right. I got this.

She fired a blast of energy and smashed down Another Dark Spicer and I caught the Ridewatch and purified it.

I went and brought Savanna over.

Celida Lewandowska: That hurt.

Me: But at least you're back to normal. We'll have to try your pastries someday.

Qin: They are really tasty.

Me: Lana can I have a block of ice for my head?

Lana: Sure thing.

She fired a beam and it hit the top of my head and I got a block of ice on it.

Me: Ahhh. Much better.

Daughter: What's your favorite memory of Nico?

Delikitty: My favorite is where me and Nico made a huge number of delicious Polish Pastries for everyone in class.

Qin: Boy those were so delicious. Everyone ate all of them in one day.

Me: Boy those must be really tasty. Lets get you back to normal.

I put on my blind man glasses and Nico got out a pink Leotard and the boys covered their eyes and I snapped my fingers and she reverted back. She was a girl with pink hair and pink eyes and Nico gave her the leotard and she got dressed.

Nico and Celida hugged.

Nico: I really missed you.

Celida: Me too Nico. Me too.

Me: Boy this was an awesome rescue.

Xenia: It sure was.

We went back home.

Well, we're not going to let him get away with this, and also, an ancient and powerful force for good is going to awaken inside of Timmy, and it's connected to his acquisition of The Fairy World Compendium last year, and it'll lead to Schnozmo getting punished big time for his con games.

Lincoln: Wow, we're here in Dimmsdale, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to take down Cosmo's big-nosed free-loading con artist brother, Schnozmo, who's made off with Cosmo's wand again with yet another lie about his wand being stolen, and he also stole Wanda's earrings again.

Timmy: Ugh, not again! Cosmo, what lie did your freeloading brother tell you this time?!

Cosmo: He told me that a dangerous criminal mastermind stole his wand, and he needs my wand, he was desperate.

Chloe Carmichael: But, in reality, it was a lie, we saw two ninjas come into Timmy's room, and they were employees at Jorgen's restaurant, The Hungry Ninja. Take a look at the bill they gave us.

Chloe Carmichael took out the bill, and we saw it was 1,455 Yen.

Nico: He dined and dashed again?! Oh, he's in gigantic trouble when we grab him!

Just then, my Fairy Godparents, Stellar and Stardust, along with Trixie Tang's Fairy Godparents, Sapphire and Emerald, appeared.

Stellar: I should've known: Schnozmo dined and dashed at The Hungry Diner yet again, and he never pays for any of his food, he was always such a freeloading con artist.

Stardust: And as a result, Jorgen imposed a lifetime ban on Schnozmo, especially when he found out that he stole his wallet.

Sapphire: Yeah, Schnozmo was nothing more than a con artist who's lied to and taken advantage of so many fairies in Fairy World.

Emerald: And out of all of us who hated Schnozmo, Wanda was the only one who absolutely despised him. Plus, we also got word from Jorgen that Schnozmo kidnapped the next set of girls for Lincoln to rescue and he has them tied up and over a shark tank. They found out Schnozmo's latest scam yet again: Jorgen took his wand away after another dine and dash incident at The Hungry Diner again, and they wanted to run to us, but he blasted them with Cosmo's wand which had them tied up and over a shark tank.

We gasped.

Lincoln: Oh, he's in serious trouble for this now, and I want to thank you and your team for joining us, Rocket Raccoon.

Rocket Raccoon: No problem, Lincoln, I can't wait to blast that big-nosed con artist straight to Jorgen Von Strangle.

Suddenly, Jorgen Von Strangle appeared.

KABOOM!

Jorgen Von Strangle: (Arnold Schwarzenegger Accent) You actually don't have to do that, I'm coming with you all to teach Schnozmo a lesson. Plus, I also sensed a disturbance in The Fairy Force, but it's actually a force of good, one that's ancient and very powerful.

?: HELLLLLLLLPPPPPP!

Suddenly, we heard the sound of the girls calling for help along with the sound of snide cackling. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the eight girls and they were still tied up and they're hanging over a shark tank, and Schnozmo's about to blast the rope and drop the girls inside.

Lincoln: (Gasps) Let's get over there at once, guys, I found the eight girls who are still tied up and they're hanging over a shark tank, but Schnozmo's about to blast the rope and drop the girls inside. And he's also got your earrings again, Wanda.

Wanda: I knew it! Schnozmo's no hero, he's just super cheap, and he stole my earrings again?!

Suddenly, we saw a beautiful girl with long green hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful green angel wings, she has on a tiara with the Kamen Rider Kenzan logo, she's dressed in a sleeveless green vest, sleeveless neon green midriff top, necklace with the Kamen Rider Kenzan logo for the pendant, green skirt and she has the Wonder World Story of Fuusouken Hayate Wonder Ride Book on her waist, neon green pants, neon green legwarmers, green heeled sneakers, and long white long-sleeved trenchcoat with wind and angels on the coattails and on the back is the Kamen Rider Kenzan logo and holstered on her back is a massive Fuusouken Hayate-themed greatsword with embedded green gems and Fuusouken Hayate etched on the 7'0" massive, wide, double-edged green blade, large green phoenix heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large green phoenix heads and large green gem on the bottom of the large green phoenix heads for the pommel, and also on her waist is the Fuusouken Hayate seiken.

Girl: I tried to rescue the girls that got tied up by that con artist, but Schnozmo fired a blast from Cosmo's wand before I could free them and I had to get out of there, he's gone crazy.

Lincoln: (Gasps) Raelynn Akamichi, Embodiment of Kamen Rider Kenzan, I knew it was you, it's so awesome to see you again, but we'll talk later.

Wanda: He's right, come on, we got a con to catch!

We rushed on over, and right before Schnozmo could blast the rope and drop the girls in, Lincoln fired a blast of rainbow energy which yanked Cosmo's wand out of Schnozmo's hand and back in Cosmo's hand.

Timmy: I wish the girls were freed and brought here to us!

Cosmo and Wanda used their wands and freed the girls and brought them here to us.

Schnozmo: Two words: How did you morons find me?!

Wanda: My earrings still have their tracking device in them. (Took out a tracker)

Schnozmo: Curses!

Then, Lincoln fired a magnetic blast which magnetized Wanda's earrings and yanked them out of that con artist's hand and he gave them back to Wanda.

Lincoln: Your days of conning people and fairies are over, Schnozmo.

Suddenly, the stars on Jorgen's wand, along with Cosmo's, Wanda's, Stardust's, Stellar's, Sapphire's, and Emerald's wands, and Poof's raddle began glowing even more, and that meant the ancient and powerful force of good Jorgen described, and the wands were pointing right at Timmy Turner, as his pink and white energy aura with fairies, magic, angels, wolves, and elemental forces flared up even more and he was suddenly getting even stronger, his sapphire blue eyes and the pink iris of his Third Eye were glowing, and we saw The Fairy World Compendium glowing even more.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Whoa, that ancient and powerful force of good Jorgen described, it's coming from Timmy, but how, Timmy already transformed when we faced off against Norm in Ji Province.

Wanda: He did, Lincoln. Wait, don't you remember how your counterparts/ancestors merged with all of you?

Me: Yeah.

Jorgen Von Strangle: (Arnold Schwarzenegger Accent) Which means The First Fairy King is about to merge with him, he had himself sealed in The Fairy World Compendium eons ago and waited for The Chosen One to acquire it, and when Turner underwent his powerful transformation against the puny despicable genie, that must've provided the awakening the opportunity to speed up.

Me: Oh boy, this is going to get ugly.

Schnozmo: You're not getting me tossed in prison. See ya, suckers!

Schnozmo tried to flee, but then, a powerful voice escaped from Timmy's throat: a voice that wasn't even his.

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) Schnozmo Cosma!

When Cosmo, Wanda, Sparky, Poof, Stellar, Stardust, Emerald, Sapphire, and Jorgen heard it, they knew it meant one thing: The First Fairy King had come back reborn and merged with Timmy Turner, but when Schnozmo heard it, he was in really big trouble!

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) You've caused enough trouble to all the fairies of Fairy World and to Timmy Turner with your lies and con artist ways for the last time.

Schnozmo: What's with the third-person speak, are you still gullible and dumb?

Suddenly, Timmy's sapphire eyes except for the pink iris of his Third Eye turned pink, and an anvil appeared from nowhere and it fell in Schnozmo and he was flattened.

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) I think you should know by now of who I really am.

Schnozmo: (Horrified) No… , it can't be! The First Fairy King, impossible!

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) No, it isn't. It took time though to ensure my return through some different tasks: the first was having Timmy Turner acquire The Fairy World Compendium, the second was him transforming into Super Angel-Fairy-Wolf Moon-Harmony Celestial Eternal Xelnaga Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Fairy Wolf Justice and Divine Elemental Fairy Magic Mysticon Wolf Hope when we all went after Norm in Ji Province, and finally, was the fulfillment of the Blood Oath that he made with Lincoln Loud's Guardian Angels, and among those Guardian Angels were Timmy's cousins.

Nicole: (Gasps) So, the one who gave us the map to find The Fairy World Compendium, it was…?

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) Yes, that's correct, Nicole Knudson, I was the one who gave you all the map to find it last year, sorry I couldn't tell any of you.

Eli: That's alright.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, you wanted it to be a surprise for us. Now, then, what do we do with Schnozmo?

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) I believe I know what to do with this con artist, Lincoln. (To Schnozmo) Schnozmo Cosma, as punishment for your con artist ways along with causing enough trouble to all the fairies of Fairy World and Timmy Turner, Cosmo, Wanda, and Poof in Dimmsdale, you are hereby banished to Lynn's Table to work as a janitor and dishwasher for eternity and you will never be welcome among The Masters of Evil nor Team Loud Phoenix Storm because you'll never change, you should consider yourself lucky that Jorgen isn't going to throw you in Abracatraz, but you will not be getting your wand back, it shall be kept under my strict watch!

Timmy raised his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice and the massive pink orb was glowing.

First Fairy King: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Fairy Wolf Moon Hope)(Through Timmy's body) NOW, BEGONE!

Timmy fired a blast of pink magic from his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice which hit Schnozmo and sent him to Lynn's Table where he was then put in a janitor's uniform and had to clean up the mess made by the jerks thanks to our humiliation sessions.

Schnozmo: I hate being out-conned like that!

We cheered as we holstered our weapons and powered down.

Me: Wow, now that's what I call one awesome punishment you handed down unto that big-nosed con artist.

First Fairy King: (Through Timmy's body) Thank you, J.D., and allow me to introduce myself, my name is Zachary Moonglow, and as you all know, I am The First Fairy King who ruled Fairy World many eons ago, and I was also the one who created The Fairy World Compendium. I'd seen many of your achievements over the years, and I'm also glad Anti-Cosmo's gone for good, along with that fairy-hunting insane lunatic, Denzel Crocker.

Nico: We all are, they caused enough trouble to too many innocent people.

Zachary Moonglow: (Through Timmy's body) Yes, they have. And speaking of which, I'd heard that tomorrow is The Cutie Mark Crusaders' big mission, and if I'm not mistaken, Lila Rossi is your target for that day. There's no doubt she'll gain some powers through some sort of dark source, but I have a a way to track her down in case she escapes.

Zachary Moonglow chanted a powerful incantation from the page of The Fairy World Compendium and fired a red-pink energy blast from Timmy's Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice which hits Lila Rossi, and we saw through a one-way window she now had tattoos in the forms of thorn-covered vines with red-pink roses that've already bloomed on her legs, feet, stomach, arms, hands, and a closed red-pink rose on her chest.

Lincoln: Whoa, that's what I call one body tattoo makeover, what kind of curse did you use on her?

Jorgen Von Strangle: (Arnold Schwarzenegger Accent) That's one of the deadliest of all Fairy Curses in The Fairy World Compendium: it's known as Titania's Blood Rose Blossom Curse, what you all see before you is a physical manifestation of said curse, and the curse will also allow us to track her down with ease. And here's the really bloody part, once the curse reaches her heart, the blood rose tattoo on her chest will suddenly bloom and when you see the skull in the center, it will eventually destroy her body from the inside out, leaving nothing but a mere skeleton.

We gasped in sudden shock.

Nico: Oh, God, and I thought the curses Lincoln created were just as deadly.

Lincoln: Me too, but this curse is deadlier. So, when the day comes that we kill Lila Rossi, that curse will kill her for good, and we'll also banish her soul to The Black Gates for good.

Zachary Moonglow: (Through Timmy's body) Exactly, Lincoln. Now, to give Timmy back his body, and Wanda, be ready to give him an ice pack for his head.

Wanda: You got it, Zachary.

Just then, Zachary Moonglow relinquished control of Timmy's body back to as the pink eyes turned back to sapphire blue, and he wound up getting a headache.

Timmy: (Groans) What a headache.

Wanda gave Timmy an ice pack.

Wanda: Easy, sport.

Lincoln: Wow, not only did we take down Schnozmo, but we also met The First Fairy King, Zachary Moonglow, and he also put that deadly Fairy Curse on Lila Rossi which'll kill her when the day comes to finally get after her, awesome. (To Raelynn Akamichi) And it's so good to see you again, Raelynn Akamichi.

Raelynn Akamichi: You too, Lincoln, it's been such a long time.

Lincoln went up to Raelynn Akamichi and he hugged her, and Raelynn Akamichi is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Raelynn Akamichi: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Raelynn Akamichi, Raelynn Akamichi, Embodiment of Kamen Rider Kenzan, she's my Guardian Angel from Japan and classmate in Gym. Raelynn Akamichi is known as a talented and powerful swordswoman and she also has the powers of the wind, and she and I trained a lot with using swords, and she also introduced me to Kamen Rider Saber when we were eight years old, and have watched every episode ever since. I made Raelynn a tiara with the Kamen Rider Kenzan logo on it and necklace with Kamen Rider Kenzan logo for the pendant, and to show thanks, she kissed me on the lips.

Nico: Whoa, that's really awesome. Wait, you said her last name is Akamichi… , then that means?

Lincoln: Yep, she's also the sister of Ren Akamichi A.K.A. Kamen Rider Kenzan, and she hates Luan with a burning passion.

CLANG! CLANG!

My jaw dropped to the floor and so did Nico's.

Nico: Wait, what?!

Me: So, Raelynn is…?

Ren: Yes, she's my sister alright, and it's so good to see you again, Raelynn.

Raelynn Akamichi: You too, Ren.

Lincoln: Plus, she heard of what we did to that delusional lunatic, Storious, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her brother, also has the Wonder World Story of Fuusouken Hayate Wonder Ride Book.

Lincoln: Along with the Fuusouken Hayate, the weapon of Kamen Rider Kenzan, and a massive Fuusouken Hayate-themed greatsword.

Raelynn Akamichi: And I've got a story on how Lincoln and I taught Luan a very brutal lesson when she tried to kill us with her pranks. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Raelynn Akamichi: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Raelynn Akamichi: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to Raelynn Akamichi, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Raelynn Akamichi: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Raelynn Akamichi's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Raelynn Akamichi: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Raelynn Akamichi.

Raelynn Akamichi had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Vanessa Lewis from Virtua Fighter, Angela Belti from Power Instinct, Shadow Yamoto and Jetta Maxx from Eternal Champions, Silk Koharuno, Vivienne Ōtori, and Tsubomi Moroboshi from Ultimate Girls, and Kamala Khan A.K.A. Ms. Marvel.

Lincoln: Oh wow, it's Vanessa Lewis from Virtua Fighter, Angela Belti from Power Instinct, Shadow Yamoto and Jetta Maxx from Eternal Champions, Silk Koharuno, Vivienne Ōtori, and Tsubomi Moroboshi from Ultimate Girls, and Kamala Khan A.K.A. Ms. Marvel.

Nicole: (Gasps) Oh man, among the girls that got tied up was Ms. Marvel. Okay, now Schnozmo's really gone too far.

Lincoln: Remind me to make him clean up the bathrooms as an added punishment. (To the girls) Are you girls okay?

Vanessa Lewis: Yeah, we're okay, thanks to you for saving us from that con artist.

Then, when Vanessa Lewis and the other seven girls saw who it was that saved them from Schnozmo, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-

Ms. Marvel: Whoa, wait a second, you're Lincoln Loud of Team Loud Phoenix Storm, The Avengers told me about you and everyone.

Lincoln: Had a feeling Tony would tell you about us, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ms. Marvel: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Vanessa Lewis, Angela Belti, Shadow Yamoto, Jetta Maxx, Silk Koharuno, Vivienne Ōtori, Tsubomi Moroboshi, and Kamala Khan A.K.A. Ms. Marvel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Cosmo's big-nosed free-loading con artist brother, Schnozmo, who's made off with Cosmo's wand again with yet another lie about his wand being stolen, and he also stole Wanda's earrings again, and he captured and was about to drop Vanessa Lewis, Angela Belti, Shadow Yamoto, Jetta Maxx, Silk Koharuno, Vivienne Ōtori, Tsubomi Moroboshi, and Kamala Khan A.K.A. Ms. Marvel into a shark tank after they found out what that cheap con artist did.

But, when Lincoln showed what we all did in getting Cosmo's wand and Wanda's earrings back from that con artist and saving the girls from getting dropped into that shark tank, along with all of us beating up Schnozmo, and finally, it led to the reawakening of Zachary Moonglow, The First Fairy King and Ruler of Fairy World from eons ago inside Timmy Turner, and he punished Schnozmo by making him a janitor and dishwasher at Lynn's Table forever and never giving him his wand back, and also, putting the deadly Titania's Blood Rose Blossom Curse on Lila Rossi to kill her when we get after her on The Cutie Mark Crusaders' mission, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Raelynn

Akamichi have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Schnozmo hurt his own brother like that, and he always stole Wanda's earrings like that, glad to know he's already being punished forever.

Timmy: And it was thanks to Zachary Moonglow, The First Fairy King, who'd reawakened and merged with me.

Lincoln: Plus, he was the one who gave us the map to find The Fairy World Compendium last year and it took a long while for him to reawaken. But, it was worth it: now, we have a powerful new member to the team and Schnozmo's now a janitor and dishwasher at Dad's restaurant and he's never getting his wand back.

Me: I always say a leopard never changes his spots, and it's definitely true in Schnozmo's case.

Nico: You got that right. Once a con artist, always a con artist, plus, you all saw that curse Zachary put on Lila, right?

Marinette: We sure did, and we thought it was a curse Lincoln created, but it wasn't.

Lincoln: This was actually from the pages of The Fairy World Compendium, and it's one of Zachary's deadliest Fairy Curses.

Wanda: That's a reason why we never mention any of the Fairy Curses: these curses are so horrible, they've never before been bestowed, and he went for the deadliest of all Fairy Curses.

---

After finally taking down Schnozmo and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Raelynn Akamichi saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Raelynn Akamichi: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Raelynn, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Raelynn Akamichi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Raelynn Akamichi: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Raelynn, what's the story on how you and Lincoln took down Luan?

Raelynn Akamichi: Oh, now that's a story I've never forgotten. One day, Lincoln and I were training in our gym and we were using wooden swords for our training, and the rest of the Guardian Angels were there as well. But, then, we heard the sound of insane homicidal laughter, and there was only one person who could make that horrible laugh: Luan. Suddenly, the doors burst open, and we saw Luan, her eyes were red with insanity, she had that awful twisted grin on her face, and she had her lethal gags with her and she was going to attack us with them. But, we were ready, we used techniques that we mastered in our swordfighting practices and we not only dodged her lethal gags, but we also beat her down and Lincoln tied her up with red energy ropes he fired from his massive white angel wings. We were about to call Mr. and Mrs. Loud, but then, Luna showed up and she was dressed in a suit of protective armor, but Lincoln and I told her of what we did to that prank-crazed psycho, and she was so proud of us. Then, after we finished our training, Luna grabbed Luan and we went back home, where Luan got in big trouble after we told the parents of what she tried to do, and as a result, Luan got grounded for fifteen weeks and she was put in a metal cage and we left her there laughing like a really deranged lunatic.

Nico and Eli, along with those who weren't there on that day gasped in shock and horror.

Nico: Jeez, now that was just plain scary!

Eli: Big time!

Lincoln: Luan was just absolutely insane that day, and we couldn't let her hurt anyone in her path yet again, so we had to stop her and teach her a lesson she'd never forget to this day.

Me: I still remembered that day too well, along with hearing her insane laugh after you guys threw her in that cage.

Suddenly, we heard screams coming from Lynn's Table, and we saw the Titania's Blood Rose Blossom Curse was really working on Lila Rossi and it led to blood coming out of the recently blossomed blood rose tattoos on her legs, arms, feet, stomach, and hands, and Lincoln's Gessius Flores Vengeance Curse turned those drops of blood into blood red gems and rubies.

Wanda: She still has the Gessius Flores Vengeance Curse on her, so at least we'll get some more gold coins and jewels out of her before you remove it, Lincoln.

Lincoln: You got that right, and the Titania's Blood Rose Blossom Curse is really working on her, and look, the drops of blood coming off her have gotten turned into blood red gems and rubies.

Lincoln grabbed those, and he was going to use those for some awesome jewelry items.

Nico: Those are really awesome, but as soon as Lincoln removes the Gessius Flores Vengeance Curse from her, she's going to be in for major pain from the curse.

Timmy: And we'll still be able to track her down when she escapes, and when the blood red rose tattoo on her chest blooms and we see the skull in the center.

Zachary Moonglow: (Through Third Eye's Pink Iris and Emblazoned Fairy and Wolf) Her time will soon be up.

We got a shower, and then, Lincoln, Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower had feelings for Lincoln, and he had the very same feelings for them, and he used his Dark Side Eternal Purification technique and got rid of Nanami Shadowflower's Dark Side and sent her to The Black Gates, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Ali-Baba: Wow, so this is Dolphin Shoals, awesome.

Lincoln: I've been here before on past dates, Ali-Baba, and it's always awesome. Shall we?

Lincoln, Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower, and they hugged the girls in their abnormally massive and powerful muscular arms, and Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ali-Baba, Helga Wilhelmina, Charlie Watson, and Nanami Shadowflower are now part of your harem, awesome!

Nico: I knew they had feelings for Lincoln, plus, you also removed Nanami's Dark Side from her.

Nanami Shadowflower: He sure did, and I feel free from that monster for good.

Lincoln: Marcus told me of what you went through because of her and Kurata, Nanami, and we had to get rid of that monster for good.

Marcus Damon: That's right, and we're so glad you've been freed from that dark side of yours for good.

Me: Kurata was nothing more than a genocidal and insane monster, so glad we gave him The Black Gates for good.

Lincoln: His crimes against The Human and Digital Worlds can never ever be forgiven, and what he also did in helping Team Rocket with their Gene-Slammer project, that's also another reason why he deserved to die.

---

Later it was time for the 2nd mission of Missy.

William: Anyone else want to go with Missy? Besides Zelos Wilder, Cheese, and Turtleini?

Twilight Sparkle: Me and my friends will go too.

Applejack: Yeah this will be fun!

Rainbow Dash: Yeah it will be!

Rarity: It sure will be fun darlings.

Me: The real me is out of commission till he wakes up.

Nico: Good idea using one of my contingency plans for this.

Me: Thanks.

We were off to Eden City.

---

We arrived in Eden City.

Jason James: Hey guys!

Qin: Awesome to see you all.

Missy: Guys, meet my archenemy and my boyfriend.

Zelos Wilder: Awesome to meet you guys. Zelos Wilder.

Ellie Martin: Awesome to meet you.

Turtleini: And I'm Turtlelini. Great to meet you.

Me: You may know him from Power Rangers Super Megaforce. We met him on one of our adventures and I tested out his shell. It's really tough. Not even a Kamehameha Wave at only 1% of my power was able to penetrate it.

Matt Martin: Wow that is amazing!

Me: Yep. And meet Twilight Sparkle and friends.

Twilight Sparkle: It's an honor to meet you all. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer the Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack the Princess of Honesty and the Earth Skylanders.

Rarity: I'm Rarity the Princess of Generosity and the Water Skylanders.

Pinkie Pie: I'm Pinkie Pie the Princess of Laughter and the Tech Skylanders.

Fluttershy: I'm Fluttershy the Princess of Kindness and the Life Skylanders.

Rainbow Dash: I'm Rainbow Dash the Princess of Loyalty and the Air Skylanders.

Starlight Glimmer: And I'm Starlight Glimmer the Princess of Empathy and the Undead Skylanders.

Ellie Martin: Wow it's an honor to meet you all.

Me: We had many of our biggest adventures with Twilight and friends. We first met them after the Great War with the Royal Defenders.

Qin: That was so awesome.

Ellie Martin: Wow! I've heard so much about that war. That was amazing!

Me: It was.

Missy: Zelos is from Tales of Symphonia.

Matt Martin: Wow! That is so cool!

Jason James: It sure is!

Me: Yep. That was awesome.

Jason James: J.D., how about we discuss on how to get evidence on Ronson's crimes while Ellie and Matt work on our bikes with the others?

Me: I was just about to get to that.

Nico: Good idea.

Qin: Yeah.

Me: The real me stayed up all night gathering evidence.

Jason James: The Real you?

Me: Yeah it's part of a contingency plan I made for just in case I need to sleep or anything like that.

Jason James: Clever.

Me: Yep.

Jason James: Clever. But it wouldn't hurt to get a few more evidence.

Me: That's what I was doing.

I pulled out a huge folder and it was FILLED to the brim with dirt on Ronson.

Me: You are gonna flip with what he was up to.

I showed him everything. He did it all: Embezzlement, Treason, Fraud, Money Laundering, Racketeering, Murder, Terrorism, Attempted murder, Attempted Genocide, Unethical Experimentation, War Crimes, Adultery, NUMEROUS Federal offenses and more. It was HORRIBLE!

Jason James: He did all that!?

Me: Yep. The real me was up all night collecting all this dirty laundry on him.

Jason James: These aren't clothes.

Me: No it's just an expression. It means all his shady activity has been found out by me.

Me and Jason went back to the rest of us only to find that the bikes we were working on were without their tires.

Jason James: Guys! What happened?!

Matt Martin: (points accusingly at Cheese) Ask Mr. Dumbass over here! He's the one screwing everything up!

Cheese: (with drill in his hand) Nu uh. I'm only screwing the wheel!

Me: (LAUGHS) Oh guys that is Cheese. He's an Imaginary Friend and he is an idiot. He has a brain the size of an amoeba and he makes a great tool for annoying many of the bad guys.

Ellie Martin: Oh I get it! He sure is funny.

Qin: Yeah he is.

Me: He drives lots of bad guys batty.

Eli: Yep.

Nico: (sees newspaper headline) "Team Loud Phoenix Storm: Threat or Menace?" Looks like Ronson started his smear campaign.

Me: We knew this was coming.

Turtleini: Ha! No one's gonna be listening to that bullshit!

We saw the people of the city throwing away the papers. They were saying bullshit and not buying it.

Me: Nice try Ronson.

Qin: Yeah.

I looked at Ronson's building and flipped the bird at it.

Ellie Martin: Like Jason said, it wouldn't hurt to get more proof. Like video evidence.

Me: We are already working on that. I had video drones like these go into his office.

I held up a tiny little camera probe that was no bigger than a tiny little gnat.

Jason James: Wow that is small.

Me: Yep. These were made by Lisa. They will gather lots of evidence.

Qin: Yep.

Matt Martin: Awesome.

Me: When we show all that evidence to the feds and everyone here, Ronson's goose is cooked.

Qin: Yeah.

Fluttershy: Please don't say that.

Me: Sorry Fluttershy. It's just an expression. It means that he is going to be in really deep shit trouble with the law.

Fluttershy: Oh I get it.

Nico: Fluttershy is really sensitive when it comes to animals.

Qin: Yeah.

Ellie Martin: I understand.

Nico: Now, who wants to go patrolling?

Jason James: We all would be honored.

Me: All right then.

Nico: Lets head out.

We were out on patrol.

Jason James: (spots one of Ronson's goons doing something) There's something we can show as more video evidence.

We hid. I put on my spy glasses and sent a small probe. It had infrared and audio recording vision on.

Goon 1: Ronson is building a massive nuclear warhead that will destroy the entire planet so that all the mutants will be wiped out.

Goon 2: Don't you think that will be too extreme?

Goon 1: Nah. We got the plans for the Extinctor from Von Romme. Team Loud Phoenix Storm destroying his plans only delayed us. We still have those plans and now we're going to make sure that the rocket succeeds.

Me: (Whispering) So Von Romme was in cahoots with Ronson. Bingo.

Nico: Spare the goon that said it would be too extreme.

Me: Right.

Goon 1 left and I opened a portal to the black gates and he went into it and was destroyed.

Qin: Take that.

We approached the good.

Nico: Since you said it was too extreme, you're just getting community service.

Goon 2: Oh thank you. I didn't like working for Ronson anyway.

Me: Good.

Eli: We just got our slam dunk clue.

Me: Yep.

Goon 2: And that guy you killed still owes me 20 bucks.

Me: He owed you money?

Goon 2: Yeah.

Eli gave him a hundred.

Eli: Keep the change.

Goon 2: Oh thanks.

Qin: Awesome.

Goon 2: And before I turn myself in, you should know that I heard one of Stankfoot's goons is in the area

Me: Who is it?

Goon 2: Dark Materia!

We gasped!

---

Dark Materia is a major antagonist in Zevo 3. She was a homunculus made by Dr. Stankfoot from a combination of Dark Matter and pure Zevo Compound to keep him company. She is not technically a mutant. Dark Materia has control over Dark Energy. She views Stankfoot as an incompetent fool and had always a deep hatred for the mad scientist.

Even though she was created by Stankfoot, she resents being controlled by him and actively schisms to be rid of him. The only thing keeping her from succeeding, is the intervention by Stankfoot's more loyal henchman Blacktop. She wanted nothing more than to kill him and take control of all that she sees. When Bobby the Molok witnesses Brett Ronson's goon squad rescuing Dark Materia from Stankfoot's lair, Ronson's actions to Dark Materia's unique powers over Zevo energy.

In "Mutation Termination", She tried to take over new eden city, but was killed by Dr. Stankfoot (though she claims that she couldn't be destroyed and exist without a form, but due to the series cancelation, well never know)

---

Nico: Whoa man!

Ellie Martin: Looks like she is gonna be put in the M.O.E.

Me: I was hoping to send her to the Black Gates. But that works. And according to this she is the Starscream of Eden City.

Nico: Thanks for the info. You can turn yourself in.

Goon 2: You're welcome.

I snapped my fingers and sent him to Gotham Royal York to do some trash work at the park.

Nico: This is gonna be good.

Me: Yep. But she is going to rue the day she messed with us too.

Qin: That's for sure.

Nico: She shouldn't be far behind.

Then we heard screaming and we saw a woman blasting numerous cars and it was DARK MATERIA!

Me: Target spotted! Lets get her!

Qin: YEAH!

Twilight Sparkle: Lets Magic Up!

Twilight and friends transformed into their Crystal Guardian Rainbow Power Forms!

Nico: Oh yeah!

Zelos: Let's gets this party started!

The Zevo-3 transformed and we went at her.

I teleported and kicked her in her face and sent her crashing into a car.

Me: Take that you bitch!

Qin: YEAH!

Me: Stankfoot will die by our hands.

Dark Materia: Oh he is only mine to destroy.

Me: Over my dead body!

Dark Materia: As you wish.

She fired laser vision blasts and Eli deflected the blasts with his lightsaber.

Zelos charged at her

And rammed her down.

SMASH!

Zelos: Take that!

She got up and fired more energy lasers from her eyes and they hit Turtleini's shell and bounced off it.

Turtleini: Pathetic.

Me: Not even your lasers can penetrate his shell.

Nico: How about this one. NIGHTMARE SYNDROMER!

Nico fired a blast of scary darkness with Digitamamon's power and it hit Dark Materia and enveloped her in a dark ball and smashed her down.

Qin: How did you like that!

Missy: (gets out Turtlini's Kuuga Weapon) This is for you, Turtleini!

She got powerful shield swords and they can form into a Turtleini strength shield too.

Dark Materia fired a massive blast of energy from her eyes and they hit the shield and bounced off and hit her.

Me: Whoa! Nice!

Missy fired a ball of psychic energy and it hit Dark Materia and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down and burned.

Z Strap ran at her and formed a metal bat and smashed her on her head!

Qin: And this too!

She fired a fireball blast and it hit Dark Materia and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Qin: How did you like that!?

Nico: Not very well huh?

Elastika: Is she down?

She got back up.

Me: Not quite.

Then a Sableye came.

Me: Hey a Sableye.

Qin: Cool!

Sableye: (In a girls voice) (Farm Voice) I hope this witch likes the

M.O.E. HQ.

Nico: Clair Heffernan! Whoa!

She reverted back and was a girl with purple hair, red eyes and purple clothes and had a red cowboy hat on.

Clair Heffernan: I got this.

She fired a blast of energy and it hit Dark Materia and encased her in a diamond!

Qin: WHOA!

Me: Awesome!

Applejack: You a cowgirl too?

Clair Heffernan: YEEHAW! I sure am.

Qin: All right!

Me: What's your favorite memory of Nico?

Clair Heffernan: My favorite is when me and Nico were on the crystal farm and we found an amazing treasure trove of diamonds that made both of us amazingly wealthy.

Qin: I remember that. That was awesome.

Me: Crystal Farm huh? That is awesome. I heard about Pinkie Pie here coming from a Rock Farm but that is awesome.

Pinkie Pie: It sure is! I think that's amazing!

Nico: Yep.

Nico and Clair hugged.

Nico: I've really missed you.

Clair Heffernan: Me too Nico. I missed y'all too.

Nico: We got even more evidence.

Me: Yeah we sure did.

Twilight Sparkle: Ronson is gonna be in a really nasty mess.

Qin: Yep.

Jason James: That is for sure.

Me: Ronson better start writing his will and making peace with his maker, because when he gets caught they are going to persue the death penalty on him.

Qin: You got that right.

Eli: Yeah no kidding. He deserves it too.

Me: These crimes are guaranteed to get him sent to the firing posts.

Nico: Yep.

We went back home.

---

We got back.

May: Hey guys. How did it go?

Me: Really awesome!

I told everyone everything that happened and it was shocking and horrifying!

May: WHAT!? Ronson is going to destroy the planet!?

Laney: That's insane!

Lola: Yeah!

Me: We're very close to bringing him down guys.

May: Next time, Connor McKnight, Jason Jenkins, Kong, and the other Quantum Girls should come with you.

Nico: Good idea!

Missy: I like it.

Eli: Me too.

---

In my room I woke up.

Me: (YAWNS) Man that was great.

I got up and got downstairs.

Me: Ahh.

Nico: Hey there sleeping beauty. Have a nice nap?

Me: I sure did. Really helped. Thanks.

Nico: Anytime.

I went to the sofa.

Rarity then came in and she had tears streaming down her face and her mouth was quivering.

Me: Rarity? Are you alright?

Lola: Is something wrong?

She went over to the sofa and then…

Rarity: (BAWLING HER EYES OUT AND CRYING LOUDLY)

Jets of tears streamed out of her eyes.

She hugged me.

Me: Uh oh.

I comforted her.

Me: Rarity it'll be okay.

Colleen came.

Colleen: (British Accent) Who made Rarity cry this time?!

Me: No idea.

Rarity: IT WAS HORRIBLE! (BAWLING)

Me: Rarity calm down and tell us what happened.

Rarity: Well this snobby rich girl came and she called me all kinds of horrible names! SHE SAID SOME TERRIBLE THINGS TO ME!

Me: Oh Rarity.

Harriet: Wait was it Marion Hawthorne!?

Rarity: (BAWLING) YES!

We gasped!

UH OH!

Blitz: (Arnold Schwarzenegger Accent) She's gonna pay for this!

Sweetie Belle: (ENRAGED GROWLING) NO ONE INSULTS MY SISTER AND GETS AWAY WITH IT!

Numbuh 5: NUMBUH 5 WILL HELP YOU!

They went down to the surface and then we heard sounds of brutal fighting and screaming!

Nico: WHOA! Geez!

Then they came back and they brought in Marion Hawthorne all beaten up and mangled up!

Me: Well well well. Look what the vengeance riders brought in.

Marion Hawthorne was pissed when she saw Harriett and us!

G1 Shrapnel: You got some nerve insulting Rarity like that!

Marion Hawthorne: SHE IS THE MOST UGLIEST FREAK EVER AND SHE DESERVES TO ROT IN HELL!

POW!

Harriet punched her hard in the face and knocked out some of her teeth!

Harriet: You have been asking for that for a long time Marion! I hate your guts more than life itself!

Me: I should just kill you right here right now!

G1 Bumblebee: You're going to prison!

I teleported her to the Neptune Prison.

Me: Hope she likes having Mindy as her cellmate.

Qin: Yeah.

Me: I was gonna do the old exploding stomach trick on her. You know like what Daffy Duck did?

Daffy Duck: Oh yeah I remember that!

Qin: That was awesome.

Me: I even put this on her before I teleported her.

I pulled out a sign.

Nico: (Reading) "Beat the living shit out of me, I think all your mothers are dumb stupid ugly fucking whores and morons." WHOA! That is cool!

Qin: Yep.

Then we heard REALLY LOUD Sounds of fighting and they were coming from the Neptune Prison on the monitors.

Maria: Whoever followed her here, you can come out now.

A Nosepass came out.

Me: Hey a Nosepass.

Qin: Cool.

Lola: Awesome.

Nosepass: (In a girls voice) That wretch deserved it.

Me: Wait I know that voice.

She reverted back and was a girl with blond hair and had a beautiful purple dress on.

Me: Abigail Hawthorne! Awesome.

Abigail Hawthorne: Awesome to see you and Nico again J.D. Thanks for sending that brat I used to call my little sister back to the pokey.

Laney: Wait Marion is your sister!?

Abigail Hawthorne: WAS my sister. After dad discovered her true colors thanks to you guys he completely cut her out of his will and disinherited her and disowned her and I inherited the entire family fortune of over $500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 and she got nothing. Dad made me the only heiress to the fortune.

Me: WHOA! That is a lot of money.

Abigail Hawthorne: It sure is.

May: What's your favorite memory of Nico?

Abigail Hawthorne: My favorite is when me and Nico helped in a village that was under attack by Somalian Pirates and we beat them all and sent them to prison.

Qin: I remember that.

Abigail Hawthorne: And my favorite with J.D. is when me and him were over in the largest ruby mine in Myanmar and we found a massive treasure trove of rubies and we made lots of awesome dresses with them.

Me: I remember that. That was so awesome.

Qin: That is cool.

Abigail went over to Rarity.

Abigail Hawthorne: Rarity don't let my evil little sister's words get to you. She is wrong. She is the one that deserves to go to Hell. You don't. And you are not a freak. You are one of the most beautiful girls I've ever seen.

Rarity: (Sniffles) Oh thank you Abigail darling.

She and Abigail hugged.

Nico: I really missed you.

Me: Me too.

Abigail Hawthorne: I missed you guys too.

Me: And Nico I'm not going to be in a love triangle with you over her.

Qin: That's good.

Maria: If Rarity gets emotionally hurt by someone again, I won't be responsible for what happens!

Me: (GULP!) I have a feeling it's going to be someone that hates us.

Qin: Yeah!

Xenia: I have a feeling it'll be right before we head out on the Cutie Mark Crusaders big day mission.

Nico: Me too.

Venom: Nico, which teams have you made this time?

Nico: Lok's team will include Mia Addison, Tsukasa, Luigi, Mario and Daisy. Yusei's team will include Chuck Chicken, Masao Den, Peach, AncientTroiamon, and Ryusei Sakuta.

Me: Wow! Awesome choices.

Qin: I'll say!

Chuck Chicken: It sure is a great group set.

Lola: Yep.

The previous group came.

Drakkon: Can me, Myotismon, Baron Mordo, P'andor, Man Ray, Kitty, Tar Pit, Avalanche, Moonstone, and Kyd Wykkyd go with you guys?

Zen Aku: Me, Evil Shade Man, Evil Cut Man, Yost Crimson Dynamo, Swamp Witch, Esdeath, Sir Toasty, Lexaeus, Opposite Senshi, and Black Baron will come too.

Nico: Yes you all can come with.

Qin: Yep.

Inque: Nico, which Gene Slammers do you think you'll meet next?

Nico: Mawile and Aggron next.

Qin: Ooh! Those will be awesome.

Lola: Yep.

Xenia: It sure will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure was Qinkphes, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Qinkphes of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Qinkphes, right, Wendy?

Wendy Han: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Chantel Rhodes: While you and Nico destroy Qinkphes and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, we got trouble in Bikini Bottom: The Alaskan Bull Worm is back.

Lana: Mmm, I'm so going to enjoy turning him into worm stew again.

Althea Iridiana: Even after all these years, you still enjoy eating worms along with other gross things, Lana.

Lana: Yeah, I still do to this day.

Lincoln: Let's go take care of that giant worm before any of us start puking, and once we get done with that giant worm, you better be ready to die, Qinkphes.

Naomi Han: You better be ready to suffer, Qinkphes, for you shall be consumed by the elemental forces and the darkness of The Netherworld, and your soul will know nothing but eternal suffering.

Me: Lets get over there.

Qin: Right.

Nico: I agree. Lets go.

Myotismon: Let's stop by the Krusty Krab.

Evil Shade Man: It's just about time for lunch

Nico: Lets go.

We were off to Bikini Bottom.

* * *

We arrived in Bikini Bottom and we got to the Krusty Krab and saw SpongeBob with everyone gathered there.

Me: What's going on?

Nico: Lets find out.

We went in.

Nico: Good Morning Krusty Crew!

Mr. Krabs: Ahoy lads.

SpongeBob: Guys thank goodness you're here!

Qin: SpongeBob what's wrong?

SpongeBob: I saw it! It was big! It was all wiggly! And it ate everything!

Patrick: That's horrible! [gobbles down a whole tray of food, containers and all]

Me: What is it!? What did you see?

SpongeBob: It was an Alaskan Bull Worm! [each of the three words appear on screen as he says them; "Alaskan" written in icy letters, "Bull" written in furry letters, and "Worm!" written in letters that resemble worms. The crowd murmurs worriedly]

We gasped!

Lana: Oh boy! I'm going to eat that worm!

Fred: He ate my wheelbarrow! [he has his wheelbarrow with a bite taken out of it]

Nancy Suzy Fish: He ate my children's homework! [her two kids wink simultaneously and give a big thumbs-up]

Unnamed Fish 3: [has a huge bite taken out of his butt]… Do I need to say it?

Varie: Ouch!

Unnamed Fish 4: [crowd murmurs some more] How can we protect ourselves?

Mr. Krabs: I've got it! Let's all buy a Krabby Patty! [crowd boos and throws ketchup and mustard bottles at him]

Me: Stop it guys!

Nat Peterson: We should lock our doors!

Mable: We should call my nephew!

Knight Fish: We should dig a moat!

Patrick: We should take Bikini Bottom, and push it somewhere else! [crowd immediately quiets down]

Me: Wait what!?

Squidward: That idea may just be crazy enough… To get us all killed! [crowd resumes fretting]

Patrick: [Amongst the murmuring] What's wrong with my idea?

Fred: Let's get someone to go after it!

Mr. Krabs: There ain't no one fool enough to take on an Alaskan Bull Worm! [a horrible screeching noise is heard; the crowd cringes; we see a scary-looking old guy in a raincoat with a hook for a hand, scraping it on the window of the Krusty Krab; he stops]

Me: OUCH!

Qin: THAT HURT!

Unnamed Sailor: You got a bathroom in this place?

Mr. Krabs: [looks slightly peeved] In the back.

Unnamed Sailor: [legs wobble] Thanks. [he runs for it]

Me: When you got to go you got to go.

Sandman: Anyway, we'd like to order some Krabby Patties. The biggest you've got.

Me: Can't fight on an empty stomach.

SpongeBob: Coming right up.

SpongeBob and Lily went to the kitchen.

We got some awesome Krabby Patties.

Me: Mmm! Anyone getting a strong sense of Deja Vu here?

All of us raised our hands.

Sandy: [under a wide-brimmed cowboy hat] I'll catch your worm for ya, that is if'n you're willing to pay. [tips brim up]

Mr. Krabs: Nooo! You'll never get a cent out of me! [runs to block the cash register with his body] Never! I'd rather that worm come in here right now and eat you all alive! [begins foaming at the mouth; the crowd looks at him strangely; he calms down]… Sorry.

Sandy: [laughs good-naturedly] Aw, shucks. I don't want your money. I was just playing up the drama of the moment, is all. [Mr. Krabs chuckles, which gradually turns into crying; Sandy continues] Nope, I'm gonna take that spineless critter down for nothing, 'cause this is personal. Look. My tail's gone! [she shows them; crowd gasps] Varmint must've got it while I had my back turned, the coward! [crowd sympathizes]

Me: Geez!

Lana: Oh yeah! Massive deja-vu here.

Baron Mordo: Sandy, we'll pay you.

Evil Cut Man: I'm sure you need the money anyway.

Me: To stick your tail back on.

Sandy: Aw thanks guys. I am gonna get back what's mine! [crowd cheers]

SpongeBob: [looks alarmed] What!? But, Sandy, you don't know what you're up against! We're talking about an Alaskan Bull Worm! [the three words appear on screen again]

Sandy: Well, I don't know nothing about Alaska, but looky here. [she pulls out a wallet with pictures] Back in Texas I wrangled bulls, and I wrangled worms. [we see pictures of a real-life squirrel with a lasso around a bull, then a lasso around a worm] Far as I'm concerned, doing 'em both together just saves rope.

Me: Do they really?

Sandy: Yep.

Qin: Oh boy.

P'andor: (Russian Accent) We can also summon an army of birds against it.

Yost Crimson Dynamo: No matter their sizes.

Me: We're underwater. How can birds come down to this depth.

P'andor: Oh right.

Nico: But we can have a good battle here.

Qin: We sure can.

Riku: You know, I think we've fought that charming worm before.

Me: Why do you think we got a sense of deja-vu.

Lana: Yeah we fought this worm before and I ate the whole thing in one bite.

Xenia: You did?

Lana: Yep. And it was a tasty worm.

Lola: Yuck!

Camie: Yuck is right!

Man Ray: I remember seeing that on the news.

Swamp Witch: Was it really in one bite?

Lana: Yep.

Man Ray: That"s right.

Lana: Tasted like chicken.

Qin: Yeah that was cool.

Xion: You're gonna do it again, aren't you?

Lana: You bet I am. And I'm gonna turn that worm into Worm Stew and eat him.

Qin: Oh boy.

Lola: (Turns green around the gills)

Kitty: Assuming it falls for the same truck twice.

Esdeath: There's a chance it won't.

Me: Nope. But we have more tricks up our sleeves.

Qin: Lots of it.

Me: I think that was a good meal though.

We were stuffed.

Sandy: Now I'm gonna go kick me some worm tail! Yee-haw! [she runs to the doors of the Krusty Krab; the crowd goes wild]

SpongeBob: But, Sandy, you don't know!

Sandy: Don't worry, SpongeBob. I won't be long. [leaves]

SpongeBob: [chases after her] Sandy! Sandy!

We went and followed.

SpongeBob: Wait! Sandy!

Sandy: Hey, SpongeBob, you coming to watch?

Me: Sandy wait up.

SpongeBob: Sandy, don't go!

Sandy: Why not?

Me: SpongeBob why?

SpongeBob: Sandy, I saw it! It's big, scary, and pink! [each word appears on the screen; "Big" displayed in large letters, "Scary" in green drippy letters, and "Pink" in pink fuzzy cursive letters]

Sandy: So's Patrick's belly button, but I ain't afraid of that, neither.

SpongeBob: You'll get massacred! [collapses into sponge-cubes]

Me: Even if we're chopped up into little pieces we can always come back.

Nico: He's right on that.

Sandy: SpongeBob, I'm from Texas. What you think is big and what I think is big are two totally different "big"s. Besides, he's got my tail. I can't take that sitting down.

Me: I don't blame you.

Teresa: It's if it leaves nothing for us to come back from that we need to worry about.

Me: Teresa!

Teresa: Sorry.

SpongeBob: Okay, but what if the worm didn't take your tail?

Sandy: If that worm ain't got my tail, who does?

SpongeBob: [unconvincingly] Um, I do?

Sandy: You do? Where?

SpongeBob: Um… in my pocket.

Sandy: Well, why didn't you just say so? Give it here! Come on! [SpongeBob looks nervous, pulls something from his pocket, and opens his hand] SpongeBob, that's a paper clip… and a piece of string.

SpongeBob: [shakes head, meekly] No, it's not, this is your tail.

Sandy: [annoyed] SpongeBob!

Me: That's not Sandy's tail.

SpongeBob: [defensively] How would you know!? It's always behind you! Oh, don't go, don't go, don't go! [he jumps onto the front of Sandy's air helmet and hugs it]

Me: Sheesh SpongeBob get a grip.

Sandy: [pulls him off] SpongeBob, what is the matter with you? Now, I'm gonna go give that legless rascal what-for… and there ain't nothin' you can say to stop me! [resumes walking]

SpongeBob: Oh, yeah? What if I said… 'blargen fedibble no-hip'?

Me: That doesn't make any sense at all.

Sandy: [stops] Well, I gotta admit, that's slowing me down, but I'm still going for him! [continues]

Me: Lets go.

SpongeBob: [appears next to an annoyed Sandy as she strides along] You know, tails are so overrated. Let's just forget about it and go home. [Sandy keeps walking; SpongeBob reappears] I've got ice cream! With nuts… [Sandy continues; SpongeBob appears once more, this time with a goofy squirrel mask on his face] Sandy, this is your pappy speaking, and I forbid you to go after this worm! Y'all come back here, young lady!

Sandy: You ain't my pa!

Me: Nice try though.

Lana: Yeah.

SpongeBob: [stands in front of her with boxing gloves] Sandy, if you want to get to that worm, you're gonna have to go through me! [Sandy pushes through his body as if walking through a pair of swinging doors; he grabs her ankles, crying] Sandy, no! I can't let you! I'm not gonna let you get killed. If you find him, you'll get eaten for sure!

Sandy: Ain't no way some dumb old sea worm's gonna make a meal of me. I'm too Texas tough!

SpongeBob: [still crying and holding onto her ankles] No, not tough enough. Not tough enough!

Me: SpongeBob get a grip on yourself!

Sandy: SpongeBob, quit your worrying. I can take care of myself.

After all, who's the strongest critter in Bikini Bottom? [she grabs an anchor and pulls a boat down from the surface]

SpongeBob: You are.

Zuria: Holy mackerel is she strong!

Qin: Yep she sure is.

Sandy: And who put the hi-yah, hi, ho, "K" in karate? [makes a K shape]

SpongeBob: [shaped like a U] You did.

Me: And she kicks big time butt.

Sandy: And who saves your yellow backside from certain destruction on a regular basis?

SpongeBob: [his butt has "Property of Sandy Cheeks" printed on it, states it meekly] You do.

Me: Yep.

Stewie: I'm sorry. Are we complimenting Sandy or SpongeBob?

Me: Both.

Stewie: Oh right.

Tar Pit: But if it makes you feel any better, you can help, SpongeBob.

Sir Toasty: That way, you can protect her.

Me: Yeah.

SpongeBob: Okay then.

Qin: Good.

Me: Now we got a worm to find.

Big Guy: And that worm better be ready to meet its maker.

Qin: Yeah it sure will.

SpongeBob: I want Sandy to come back in one piece.

Me: We all do.

Shego: I think we're getting close.

Me: And I have a plan.

Nico: And I know what it is. We'll do the entrance on my command.

Sandy: [picks up some sand from the ground as if tracking an animal and sniffs it] Worm sign. [she holds a small sign in her palm that has "WORM" painted on it; looks up] He's in that cave.

SpongeBob: Sandy, are you sure you…?

Sandy: Course I am! I'm going in, and I ain't coming out 'til I got me a big heaping plate of worm stew. [she walks into the cave; SpongeBob hides behind a rock and shudders; we hear Sandy inside the cave] Aha! There you are, you tail-nabbing varmint! Hi-yah! [we hear karate noises; Sandy peeks out of the cave] I'm winnin', SpongeBob! [resumes fighting]

SpongeBob: Sandy, that's not… ! [more fighting noises; Sandy peeks out again]

Sandy: This shouldn't take long. [resumes fighting]

SpongeBob: Sandy, that's not… !

Sandy: Almost done!

SpongeBob: Sandy!

Sandy: Yee-haw! [comes out riding a pink-segmented thing] I got him, SpongeBob! [makes a giant knot and stands on it proudly]

SpongeBob: [still uneasy] Sandy…?

Sandy: Boy, howdy. This critter put up some sort of fight. But I'm from Texas, and as you can see, no worm is a match for me. I even found my tail! [we see that she has fastened her tail back together with some twine]

SpongeBob: That's not the worm.

Sandy: [looking annoyed with her arms crossed] Pardon?

SpongeBob: That's not the worm. That's his tongue. [camera zooms out to show that SpongeBob is right; the opening of the cave is actually the worm's open mouth; his eyes blink with a squishy sound]

Sandy: [voice breaking] Ohhhh, this is the tongue. And the whole thing is the… worm. [freaks out] Run for your life! [they sprint away; the worm chomps down, roars angrily, and chases after them]

SpongeBob: So what's the plan, Sandy? [they look back and see that the worm is approaching faster]

Sandy: Run faster!

SpongeBob: I could've thought of that. Hey, wait a minute! I was right, wasn't I?!

Sandy: Later!

SpongeBob: Ah, he is too big for you, isn't he?

Sandy: Not now, SpongeBob!

SpongeBob: I wanna hear you say it!

Sandy: Can we talk about this another time?

SpongeBob: Say it!

Sandy: SpongeBob!

SpongeBob: Say it, or I'll trip you! [he continues running on one foot, the other poised to trip Sandy]

Sandy: No! Get away!

SpongeBob: Say it!

Sandy: Not now!

SpongeBob: Say it!

Sandy: Okay! You were right, and I was wrong. I was wrong, wrong, wrong, wrong, wrong! Are you happy now?

SpongeBob: [smirks] I knew it. [the worm emits another huge growl; prompting the two to run even faster; they run up and down a sand mound, which the worm plows right through; they run past Fish 3, who is leaning over under his car's hood; his butt is bandaged up; the worm passes by and takes another bite out of him]

Unnamed Fish 3: Not again!

SpongeBob: Uh, Sandy?

Sandy: Yeah?

SpongeBob: What do we do now?

Nico: ENTRANCE TIME!

We went at the worm.

Then the worm stopped and then the ground glowed with the symbol fo a phoenix under the worm and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted the worm back and a phoenix cry was heard and then we came out.

Me: Okay you overgrown earthworm!

Lana: Time for you to get in my stomach!

Lexaeus: First things first, Sandy.

Avalanche: What were you going to say?

Sandy: SpongeBob was right and I was wrong. I was wrong, wrong, wrong, wrong, wrong.

Me: Good.

We fired waves of energy and blasted the worm all over.

Qin: Now lets get him.

Killer Frost: Well, consider this to be the second time You've defeated a worm.

Qin: Yep.

Xenia: And this will be awesome and fun.

Me: Now lets make Lana some worm stew.

The worm went underground.

Black Baron: (Dutch Accent) Fuck! It went underground.

Kyd Wykkyd: Wait for it to be ready to pop back up.

Nicole: Why wait. When I can do what Dr. Nick did in Chernobyl. LIGHTNING STYLE: WORM FLUSH!

Sam S.L.: Yeah no kidding there.

Applejack: She is a great force too and her story is amazing too.

Apple Bloom: It sure is.

* * *

Nico: Yep. So, Raelynn, what's the story on how you and Lincoln took down Luan?

Raelynn Akamichi: Oh, now that's a story I've never forgotten. One day, Lincoln and I were training in our gym and we were using wooden swords for our training, and the rest of the Guardian Angels were there as well. But, then, we heard the sound of insane homicidal laughter, and there was only one person who could make that horrible laugh: Luan. Suddenly, the doors burst open, and we saw Luan, her eyes were red with insanity, she had that awful twisted grin on her face, and she had her lethal gags with her and she was going to attack us with them. But, we were ready, we used techniques that we mastered in our swordfighting practices and we not only dodged her lethal gags, but we also beat her down and Lincoln tied her up with red energy ropes he fired from his massive white angel wings. We were about to call Mr. and Mrs. Loud, but then, Luna showed up and she was dressed in a suit of protective armor, but Lincoln and I told her of what we did to that prank-crazed psycho, and she was so proud of us. Then, after we finished our training, Luna grabbed Luan and we went back home, where Luan got in big trouble after we told the parents of what she tried to do, and as a result, Luan got grounded for fifteen weeks and she was put in a metal cage and we left her there laughing like a really deranged lunatic.

Nico and Eli, along with those who weren't there on that day gasped in shock and horror.

Nico: Jeez, now that was just plain scary!

Eli: Big time!

Lincoln: Luan was just absolutely insane that day, and we couldn't let her hurt anyone in her path yet again, so we had to stop her and teach her a lesson she'd never forget to this day.

Me: I still remembered that day too well, along with hearing her insane laugh after you guys threw her in that cage.

Suddenly, we heard screams coming from Lynn's Table, and we saw the Titania's Blood Rose Blossom Curse was really working on Lila Rossi and it led to blood coming out of the recently blossomed blood rose tattoos on her legs, arms, feet, stomach, and hands, and Lincoln's Gessius Flores Vengeance Curse turned those drops of blood into blood red gems and rubies.

Wanda: She still has the Gessius Flores Vengeance Curse on her, so at least we'll get some more gold coins and jewels out of her before you remove it, Lincoln.

Lincoln: You got that right, and the Titania's Blood Rose Blossom Curse is really working on her, and look, the drops of blood coming off her have gotten turned into blood red gems and rubies.

Lincoln grabbed those, and he was going to use those for some awesome jewelry items.

Nico: Those are really awesome, but as soon as Lincoln removes the Gessius Flores Vengeance Curse from her, she's going to be in for major pain from the curse.

Timmy: And we'll still be able to track her down when she escapes, and when the blood red rose tattoo on her chest blooms and we see the skull in the center.

Zachary Moonglow: (Through Third Eye's Pink Iris and Emblazoned Fairy and Wolf) Her time will soon be up.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Qinkphes.

A figure came out, and it was none other than Qinkphes of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Qinkphes, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Qinkphes: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Naomi Han: The only one who deserves to be destroyed is you.

Suddenly, Naomi Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, light, fire, wind, earth, water, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Nemesis-themed greatsword from her back, and as she approached Keckyua, she left black energy, darkness, dark magic, light, fire, wind, earth, water, fiends, phoenixes, and dark angels with every step.

Naomi Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Qinkphes: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Naomi Han was surrounded by a massive vortex of black energy with darkness, dark magic, light, fire, earth, wind, and water surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Nemesis flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Qinkphes: the red eyes of death. Then, as the vortex faded, Naomi Han emerged, but she was changed forever.

Naomi Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, light, fire, earth, wind, water, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Nemesis emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Light, Dark, Fire, Earth, Wind, Water, and Eternity Kanjis in its hands, she also has Evil HERO Nemesis with red gems for eyes and holding the Light, Dark, Fire, Earth, Wind, Water, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Naomi Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, light, fire, earth, wind, water, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Nemesis surrounded by fire, light, earth, wind, water, and darkness. Suddenly, Naomi Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Naomi Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Naomi Han's massive Evil HERO Nemesis-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, light, fire, earth, water, wind, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Nemesis' Darkness Dark Elemental Fiendish Phoenix Greatsword of Darkness Dark Elemental Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Nemesis etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Nemesis' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Adjusted Gold that said, "Naomi Han, Gene-Slammer of Evil HERO Nemesis, Elementalist of The Han Sisters, Tenth Sibling of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of The Seven Shadow Riders, Destroyer of Qinkphes of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Light, Fire, Earth, Wind, Water, and Infernal Phoenixes"

Naomi Han has transformed into SUPER ANGEL-EVIL HERO NEMESIS-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL

XELNAGA DEMONIC DARK INFERNAL ELEMENTAL EVIL HERO NEMESIS PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL ELEMENTAL EVIL HERO NEMESIS JUSTICE AND DIVINE DEMONIC DARK INFERNAL ELEMENTAL EVIL HERO NEMESIS LOVE!

We were amazed by Naomi Han's Super Angel-Evil HERO Nemesis-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Qinkphes saw it, he fell into an infernal rage and he got out his blaster to fire at her, but Naomi Han fired a powerful black energy blast with darkness, dark magic, light, fire, earth, wind, water, fiends, phoenixes, and dark angels at Qinkphes, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Fira Han: Whoa, Naomi's transformed, incredible!

Chantel Rhodes: That's really incredible, and she really burned Qinkphes badly.

Nico: And she's really got him pissed off now big time.

Naomi Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Elemental Evil HERO Nemesis Angel and Divine Demonic Darkness Infernal Elemental Phoenix Love) And now, the darkness of The Netherworld is coming for you, Qinkphes.

Nico: Let's get him, Naomi, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Naomi Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Naomi Han and Nico went after Qinkphes who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Qinkphes and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Qinkphes, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Qinkphes took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Qinkphes began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Qinkphes' transformed into his King Ghidorah Hybrid Monster form.

Qinkphes fired a Gravity Lightning blast at Naomi Han and Nico, who dodged it.

Lincoln: Naomi, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Qinkphes from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Qinkphes and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Qinkphes into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Naomi, let's end this asshole for good.

Naomi Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Elemental Evil HERO Nemesis Angel and Divine Demonic Darkness Infernal Elemental Phoenix Love) You got it, Nico.

Naomi Han and Nico sent Qinkphes flying into the air, and then, they prepared their combo to put an end to Qinkphes.

Naomi Han and Nico: DARK INFERNAL EVIL HERO NEMESIS PHOENIX DARKNESS DEMONIC ELEMENTAL KAMEHAMEHA!

Naomi Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, light, fire, water, earth, wind, and phoenixes which hit Qinkphes, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Naomi Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Naomi Han and Nico holster their massive greatswords on their backs and powered down, and Naomi Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Naomi Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-one members to go. Thanks for helping me destroy Qinkphes once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Naomi.

Suddenly, Naomi Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Naomi Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Nemesis flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness behind them and we cheered wildly. Then, Nico and Naomi Han absorbed the light, elemental forces, and darkness and they came back to us as the display and Evil HERO Nemesis vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Wendy.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Gettroa, which means you're up next, Danica.

Danica Han: Yeah, we'll make Gettroa pay.

Nico: We sure will, and since tomorrow's The Cutie Mark Crusaders' special mission, they're also going to join in as well.

Apple Bloom: You bet we will.

Scootaloo: And we'll make that cult fanatic pay.

Sweetie Belle: Along with Lila Rossi, that rotten, black-hearted monster.

Taylor Kamiyama: She deserves everything that's going to happen to her and more, and on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Slash.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right. Plus, we need to keep our eyes peeled, because once Lila Rossi makes her move to get revenge on us, we got to be ready for whatever she throws at us.

Lincoln also typed in a code on the wrist computer that appeared above his left gold cuff Bracelet of The Champion of The Universe, and our security system became even more armed as laser grids, pressure sensors, and security beams came online, and they're only on the alert for Lila Rossi.

Nico: Ooh, nice one arming the system up to scan only for Lila Rossi, nice one, Lincoln.

Marinette: You said it.

Chloe Bourgeois: And now, we got to get ready for the day after tomorrow.

Me: Yeah, for the day after tomorrow, the bitch, Lila Rossi, shall finally meet her end.

Leonard: Are you satisfied, Lana?

Lana: I sure am!

King Hiss: That's good.

Vypra: Because you're not eating anything for the rest of the day.

Me: I wouldn't either.

Calamitous: I think we've earned a break from the usual battles before the big day.

Vexen: We sure have.

Me: Yeah. But we're going to have fun.

Nico: Yep. Great job everyone!

Lana: (To the viewers) BBBBBUUUUUUURRRRPPP! Oh I am too full to say anything.

Me: You really sure are.

We went back home and enjoyed the rest of the day and went to sleep.

Me: This is gonna be so awesome and fun.

Qin: It sure is.

Lola: And I know who we're going to face too.

Me: Yep. Rancid Rabbit.

Nico: That repulsive rabbit! He just doesn't know when to take a hint.

Me: Yeah no kdding there. That rabbit needs to be taught some manners.

Lola: Yeah no kidding there!

M.J.: We'll give him the worst ever buttkicking of them all!

Spiderman: You got that right!

Camie: Yeah!

Nico: MJ, I want to thank you, Evil Green Ranger, and your teams for coming

M.J.: Not a problem Nico. It's gonna be so awesome helping you guys out.

Traci Torpedoes: This is gonna be so awesome and fun.

Lola: Yeah!

Nico: Traci, what do you like to do in your free time?

Traci Torpedoes: I teach flight school to people that want to be pilots.

Qin: That's awesome.

Camie: Lots of awesome opportunities to be pilots.

Nico: That is cool.

Me: Yeah and flight school is so fun.

Lola: It sure is.

Nico: That's actually a good job to have.

Me: It sure is. Perfect for a pilot like you.

Traci Torpedoes: Thanks.

Xenia: I agree there too.

Me: I do too.

Lana: I'll say. Boy yesterday's mission was so fun.

Nico: Because you ate an entire worm?

Lana: That and we helped Sandy and SpongeBob.

Pipp Petals: EW! I think I'm gonna be sick.

Zipp Storm: It's all right Pipp.

Me: Sorry girls. You know that's how Lana is. When you have known her for over 7 years you tend to get used to it.

Zipp Storm: I know.

Nico: I agree there. But that worm was a huge one.

Me: Yeah no kidding.

Nico: At least Patrick didn't have to resort to moving Bikini Bottom somewhere else.

Me: Thank goodness.

Qin: Yeah who in their right mind would want to move an entire city like that?

Me: Billy would do something like that.

Xenia: Yeah he sure would.

Lola: Yeah no kidding.

Camie: But it's good that didn't happen.

Me: I would have gone with building a moat. That would have been easier.

Xenia: I agree there.

Nico: (to Lana) You didn't eat anything else for the rest of the day!

Lana: No I was too bloated. It was still good though.

Qin: Yeah for you maybe.

Xenia: But yeah.

Nico: J.D. you did great digging up all that dirt on Ronson.

Me: All that dirt was just the tip of the iceberg. Now we know what he is going to plan.

Xenia: Not good.

Laney: What a monster. He will destroy the entire planet and kill everyone.

Lola: No way are we going to let that happen.

Me: No way! We only have to wait till Missy's final mission and then we can end his reign of terror and murder once and for all.

Nico: I agree there.

Maria: I'm giving the MOE Cannon a break for today.

Me: Good idea.

Applejack: Apple Bloom and the crusaders are all very excited for their big day tomorrow.

Apple Bloom squealed in excitement.

Me: Boy I sure can tell.

Rarity: They are really looking forward to their big mission darlings.

Rainbow Dash: This is gonna be so awesome.

Lola: We're really excited for them too. I have a feeling this will be so fun.

Nico: I think later, we should leave the Estate to the mascots for the rest of the day.

Qin: Good idea. As long as they don't have any parties behind our backs.

Xenia: That probably won't happen.

Camie: Lets hope not.

Varie: Yeah.

Misty Tredwell: Yeah. But I'm excited for the big day tomorrow. I sense that the Cutie Mark Crusaders are going to transform that day too. Diamond Tiara and Silver Spoon included along with me. I feel this amazing power in me.

Me: Boy we all want to have Lila Rossi's head mounted on a pike don't we?

Anna Anyanova: We sure do and it will be perfect justice.

Me: Yep and to add insult to injury it's going to broadcasted to everyone in Paris as we kill that monster for their entertainment.

Xenia: I like it.

Lola: Yeah!

Nico: Now, where could Rancid be?

We then heard crashing at a buffet restaurant.

Me: It's coming from in here.

We went into the restaurant and to our shock we saw CATDOG AS BIG AND FAT AS A SUMO WRESTLER and they were fighting Rancid!

Qin: WHOA! They really put on the pounds!

Me: Whoa!

Cat: You guys made it!

Nico: Why the Hell are you two big?!

Me: Boy you guys are bigger and plumper than a Thanksgiving Turkey!

Qin: No kidding!

Cat: We were really hungry and we ate 2 all you can eat buffets. We ate it all.

Dog: But then we got the bill and it was $34,000.00.

We gasped!

Me: That's HORSESHIT!

Nico: That's grand larceny!

Cat: Yeah and he made our friends here work till they can pay off their bills too!

Me: Slavery too!

Nico: We'll teach Rancid a lesson. You two go rest.

Cat: Thanks guys.

Dog: Yeah.

Me: First lets get everyone out of here.

Rancid Rabbit: NO one is going anywhere till I get paid!

Me: Your bills are null and void!

Qin: YEAH!

Then he ripped off his clothes and he was as big and fat as a sumo wrestler too!

Qin: WHOA!

Nico: I did not see that coming!

Rancid Rabbit: You want to leave you got to beat me first!

Me: Gladly!

I went Super Angel 3!

Me: I don't need my most powerful form to beat you.

Rancid: Come at me! It's go time! [Major punches from me start flying] No, please wait. [grunting as more powerful punches hit him and an elephant sound is heard when Rancid's head is hit. Rancid was picked up and is being thrown into the air and spun around as Eli pulverizes him in the air and I used my tails and smashed him on both sides of me and I was playing solitaire while doing so. I smashed him onto the ground oveer and over, then he was given a wedgie] No, please, have mercy! [Rancid is kicked into the background]

SMASH!

May: Look at him go!

Eli: YEAH!

Me: That was fun.

But Rancid got up.

Me: Back for more huh?

Nico went up to him.

Rancid: Come on! [he gets flipped over by Nico] "What the-! [He then suddenly receives two punches to the face and one in the stomach. Nico then apparently holds Rancid over his head and spins him before tossing him to the ground.]

SMASH!

[Nico continues to pummel Rancid.]

SMASH WHOMP! BOMP WHAP BUZZ SMASH WHAP ELEPHANT TRUMPET!

Nico broke his back on his leg!

Rancid: "AAAAAAAAHHHHHHHH! UNCLE! UNCLE!" [Nico rolls Rancid into the form of a basketball and throws him.]

Nico punched him into the ground and Rancid was really hurt!

Nico: Eli, can you sense for Swartz's creations while I deal with this?

Eli: Sure thing.

Eli concentrated. Nico was REALLY PULVERIZING HIM!

Nico then bashed Rancid with a club!

WHAM KRAWHAM KRASMASH!

He we really smashing his head in!

Nico moves in and grabs one foot, bending the lower leg back toward the knee. When he has the limb almost bent double, Rancid starts to cry out in pain and pound the ground in agony.

Nico: Say it! (More crying from Rancid.) SAY IT! (Still more crying.) SAY IT!

MORE CRYING AND POUNDING!

Nico: Say it!

Me: FOR GODS SAKE SAY IT ALREADY!

Rancid: I GIVE UP!

He was down.

Me: Wow! That was brutal!

Qin: No kidding there!

Xenia: Boy he is REALLY going to feel all that in the morning.

Camie: No kidding!

Varie: Yeah!

Me: How about this to go with it? (ACTIVATES DR. NEUGOG'S RIDEWATCH)

I had a brain draining leach tongue come out of my mouth and it latched onto Rancid and sucked out his mind! Then he was down. I got his mind and thoughts and memories!

Rancid: (Stupid dumb talk) Bah duh guh.

Me: Jeez! He is dumber than a braindead monkey. Whoa! He is worse than I thought. I see that he did all kinds of terrible crimes.

I went up to him and snapped my fingers. Nothing.

Me: Geez! I really sucked his mind dry.

Varie: His brain is still there but his mind has been wiped clean.

Me: Yeah.

Nico: Get him back to his Cell!

Me: You got it. Only using that Ridewatch on those that haven't learned their lesson.

I teleported him back to the M.O.E. Prison.

Nico: Smart thinking there.

Eli: Yeah that was awesome.

Me: Remind me to thank Neugog for this kind of ridewatch.

Nico: Noted.

Nico: Who's first?

Eli: I sense 6 of them. But you guys are not going to like this. Not only is it Another Evil Green Ranger but also we have Another Make Island Mermaids.

WE GASPED IN SHOCK!

Xenia: WHAT THE!?

Me: Cleo, Rikki, Emma and Bella now have Another Mermaids of them!?

Nico: OH MAN!

Eli: And the 5th one is that of their enemy Charlotte.

Nico: Didn't see that coming!

Me: I remember reading in Swartz's notes that it said that he was not only making many kinds of Another Riders and M.O.E. Members and more but also Another Versions of US too!

Qin: That just fucks things up even more!

Lola: Big time!

Laney: This must be the first of many.

Me: Yeah. I would hate to imagine if it was another version of me. That would be scary as hell.

Nico: Or me too.

Me: Yeah.

Eli: No kidding there.

Me: At least the real Charlotte Watsford is in prison.

Nico: That's for sure.

Lola: Yeah.

Nico: Who's up this time?

Varie: I will go next.

Me: Okay.

Then there was a rumble and then the middle of the floor filled up with water like a swimming pool and then we heard the divine singing of the sirens. Then a wave of water came in and on that wave was dark versions of Emma, Rikki, Cleo, Bella and Charlotte. It was ANOTHER H2O MERMAIDS!

Nico: WHOA!

They landed in the pool.

Me: Wow! This is gonna be awesome.

Cat: Wow it sure is guys!

Qin: Yeah.

Nico: Who are you girls?

Another Emma: J.D. knows us.

Another Rikki: He sure does.

Me: I knew it was going to be you girls. The Elemaqua Sisters.

Another Emma: That's right. I'm Emma Elemaqua the Water

Mermaid.

Another Rikki: I'm Rikki Elemaqua the Fire Mermaid.

Another Cleo: Cleo Elemaqua the Earth Mermaid.

Another Bella: I'm Bella Elemaqua the Wind Mermaid.

Another Charlotte: And I'm Charlotte Elemaqua the Lightning Mermaid.

Camie: Wow the mermaids of the Five Elemental Forces.

Xenia: Wow this is amazing!

Varie: It sure is.

Nico: It's awesome to meet you girls.

Another Bella: Same here Nico.

Nico: Will you girls regain your legs when you're dry?

Another Emma: Yes we will.

Me: You know we have 4 girls that share your first names and are from Australia. They went to Mako Island and they were chosen to save the world from a terrible and dangerous comet that was going to crash into Mako Island and destroy the entire planet.

Another Charlotte: That is amazing.

Qin: Yeah we were amazed to hear about that.

Lola: We sure were.

Me: Sorry to say though Charlotte but they had Charlotte Watsford and she was a dangerously evil one that abused her powers for her own selfish ambitions.

Another Charlotte: I heard about that. She was evil.

Me: And now look where she is. In jail.

Maria: After she tried taking some of Melody's powers and ended up turning into a huge freaking monster composed of Ben's aquatic aliens.

Me: Yeah what an abomination. That is not just taking powers that is a crime against nature.

Another Cleo: Yikes.

Me: My thoughts exactly.

Xenia: Were you girls chosen by Mako Island as well?

Another Rikki: No we were picked by another island. We went to Carcharo Island. That was an island located in the South China Sea and we got the powers of the elemental mermaids. We can not only swim underwater as mermaids but we have incredible power over the elemental forces of nature. And we can fly with angel wings too.

Me: I've heard legends about Carcharo Island. Legends say that it was an island bestowed with magical and mystical energy that can turn chosen people into Angel Mermaids with incredible elemental powers.

Xenia: Wow that is amazing.

Another Bella: It sure is.

Eli: Wow. Emma, Rikki, Cleo and Bella back home are going to flip when they hear this.

Xenia: I was about to say the same thing.

Qin: Me too.

Nico: We'll help you girls keep your balance after this battle.

Another Charlotte: Thanks Nico.

Nico: You're welcome.

Varie: Lets dance. (ACTIVATES ANIMAL PATH'S RIDEWATCH)

(THE VOICE BY CELTIC WOMAN PLAYS)

Varie: (SINGING DIVINELY AS SPIRITS OF ANIMALS SWIRLED AROUND HER)

I hear your voice on the wind

And I here you call out my name

"Listen my child, " you say to me

"I am the voice of your history

Be not afraid, come follow me

Answer my call and I'll set you free"

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice, I will remain

I am the voice in the fields when the summer's gone

The dance of the leaves when the autumn winds blow

Ne'er do I sleep throughout all the cold winter long

I am the force that in springtime will grow

I am the voice of the past that will always be

Filled with my sorrow and blood in my fields

I am the voice of the future

Bring me your peace

Bring me your peace and my wounds, they will heal

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice

I am the voice in the past that will always be

I am the voice of your hunger and pain

I am the voice of the future

I am the voice

I am the voice

I am the voice

I am the voice

She floated and fired waves of energy and they smashed the girls down and I caught their Wonder Ride Books. They were books for each of the 5 elemental forces of nature as mermaids: THE EARTH MERMAID OF GAIA, THE FIRE MERMAID OF PELE, THE WATER MERMAID OF NEPTUNE, THE WIND MERMAID OF KAZEJIN AND THE LIGHTNING MERMAID OF ZEUS!

I used my powers and brought them over and we dried them off and they were girls each with red, blue, yellow, purple and green hair and bikini swimsuits of said colors.

They also had angel wings of said colors.

Rikki Elemaqua: (GROANS) That was rough.

Emma Elemaqua: (Groans) Yeah it was.

Me: Are you girls all right?

Bella Elemaqua: Yeah.

Emma held on to a table, Rikki braced herself on the wall, Cleo tried to walk only to fall down, Bella tried to keep her balance, and Charlotte struggled to get up.

We helped them.

Me: Careful girls. It will take time to get used to being on land again.

Qin: Yeah.

Charlotte Elemaqua: Yeah but thanks for that.

Emma Elemaqua: But just so you know the Another Evil Green Ranger is gonna be a shocker. It's a hostile one.

Me: We were just about to ask that. Thanks. But uh oh.

Nico: Get ready!

Then a figure busted in and it was a dark version of the Green Ranger! It was ANOTHER EVIL GREEN RANGER!

Me: WHOA!

Another Evil Green Ranger: (In a familiar voice) You ready for me J.D.?

He took off his helmet and we saw that it was TOM OLIVER, THE EVIL CLONE OF TOMMY from episodes 44, 45 and 46 of Season 2 of Mighty Morphin!

---

Thomas "Tom" Oliver was an evil clone of Tommy Oliver created by the Wizard of Deception and a minor antagonist from Mighty Morphin Power Rangers. He served as the titular central antagonist of the three-part episode "Return of the Green Ranger."

Just like Tommy, he was portrayed by the late Jason David Frank.

Tom was created from a lock of Tommy's hair that the Wizard of Deception managed to get and was given the Green Ranger powers. He confronted Tommy while the other Rangers were sent 200 years into the past and morphed into the Green Dragon Ranger to fight the White Tiger Ranger. Tom managed to win after the Wizard used his powers to weaken Tommy and he sent the clone to the Power Chamber with a duplicate Dragon

Power Coin so as to get the Dragon Dagger so he could unleash the Dragonzord. Tom arrived at the Power Chamber and confronted Zordon, who demanded to know what had happened to the Rangers. He hinted at them being in somewhere in the past before teleporting out, having accomplished his goal. Zordon told Alpha to begin looking for the Rangers in different times and that Tommy was the only one who could defeat the Green Ranger clone now.

Tom then met with the Wizard of Deception at the Angel Grove Park, who told him to begin the destruction of the city with the Dragonzord while he went to finish off the Power Rangers. Tom headed to a construction site on the docks and began using his Dragon Dagger to summon the Dragonzord. Due to it remaining dormant so long, the zord took a time to get active, but eventually emerged from the ocean. The Wizard of Deception then used his magic to corrupt the Dragonzord as he had corrupted his clone and Tom unleashed the zord on the Angel Grove. However Tommy engaged him with his Tigerzord, shortly before making it enter Warrior Mode. But the Tigerzord was defeated by the Dragonzord's attacks and Tommy was hurled from the cockpit.

Tom and the Wizard of Deception confronted the White Ranger and the wizard asked him if he was ready to surrender. Tommy said that he was willing to if he would be sent to the same place as the other Rangers. Tom was shocked that he wanted to be sent 200 years into the past, which was exactly what Tommy had planned for him to say and sent this information to Alpha and Zordon. He found out that he needed the Wizard of Deception's wand to save his friends and he managed to knock it out of the sorcerer's hands. Tom stopped him from grabbing it at first, but Tommy eventually got his hands on the wand and used it to go back to save his friends from a troop of rat monsters the Wizard had created. While the other Rangers fought the Dragonzord, Tommy engaged his clone and the Wizard of Deception, dissipating him with his own wand. This freed Tom from the darkness controlling him and he realized the terrible things he had done. He showed great depression at having let the Wizard control him and even believed that he couldn't control the Dragonzord. However Tom overcame this and quickly used the Dragon Dagger to free the zord, sending it back below the ocean. He then accompanied Tommy back to the past to fight the rat monsters and then decided to stay in the past, where he could do some good since there couldn't be two Tommy Olivers in the present.

---

Tom Oliver: Didn't expect me huh?

Me: Wait a second! I remember you! You were an evil clone of Tommy made by the Wizard of Deception and you appeared when the rangers were sent back 200 years ago!

Nico: I remember seeing that episode! That was crazy!

Tom Oliver: It was but now I'm going to take you all on.

Sougo: (gets out Grand Zi O Ridewatch) I can guess what Swartz promised you.

Tom Oliver: Yes that's right and I did not expect Kamen Riders with you all.

Me: Things have changed tremendously over the last 27 years.

Qin: That's right.

Me: You're now in the 21st Century. The year is now 2023.

I unsheathed my sword.

Me: Time for some buttkicking.

He put on his helmet.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Me: Time to dance.

Me and Tom clashed and sparks flew all over the place.

Nico: Yeah!

CLANG CLANG CLANG!

We were really clashing all over.

Tom Oliver: HYAH!

I ducked under a kick and kicked him down and I fired waves of energy and it hit the ground and a massive fiery explosion blasted off behind him and sent him flying!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown back and knocked down.

Eli: Lets do it! (ACTIVATES ROBOT KNUCKLES RIDEWATCH)

(LIVE AND LEARN BY CRUSH 40 PLAYS)

Eli: (SINGING DIVINELY AS LIGHTNING AND SPEED SWIRLED AROUND HIM)

Can you feel life movin' through your mind

Ooh, looks like it came back for more!

Yeah!

Can you feel time slippin' down your spine

Ooh, you try and try to ignore, yeah!

But you can hardly swallow your fears and pain

When you can't help but follow

It puts you right back where you came

Hanging on the edge of tomorrow

(Live and learn)

From the works of yesterday

(Live and learn)

If you beg or if you borrow

(Live and learn)

You may never find your way

Whoa, oh, oh yeah!

Can you feel life tangle you up inside?

Yeah, now your face down on the floor!

Oh, oh!

But you can't save your sorrow

You've paid in trade!

When you can't help but follow

It puts you right back where you came

Hanging on the edge of tomorrow

(Live and learn)

From the works of yesterday

(Live and learn)

If you beg or if you borrow

(Live and learn)

You may never find your way

Hey, whoa, whoa

Oh, yeah!

Yeah, yeah, yeah, yeah, yeah!

There's a face searching far, so far and wide

There's a place where you dream you'd never find

Hold on to what if?

Hold on to what if?

Hanging on the edge of tomorrow

(Live and learn)

From the works of yesterday

(Live and learn)

If you beg or if you borrow

(Live and learn)

You may never find your way

Hanging on the edge of tomorrow

(Live and learn)

From the works of yesterday

(Live and learn)

If you beg or if you borrow

(Live and learn)

You may never find your way!

Live and learn

Live and learn

Eli ran fast and bashed and kicked Tom Oliver all over the place with incredible force!

Nico: OH YEAH! (gets out Evil Green Ranger's Ridewatch) Time to fight Green Ranger power with Green Ranger Power!

He activated it.

(CHILDREN OF THE SUN BY THOMAS BERGERSEN PLAYS)

Nico: (SINGING DIVINELY AS SUNS AND GREEN LIGHT SWIRLED AROUND HIM)

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate, dominate the earth that we're living on

We can't defy the laws, cut the loss that we consummate

Around the world, we grow weaker as we exterminate

The only thing that gives, thing that brings air and life to us

Wake up one day and find what we got is so serious

We are

The children of the sun

We are

The children of the sun

The human greed and our creed is all that we have to share

Knee deep in tragical, fabrical issues everywhere

Cannot replace the one, chase the one that we used to be

It isn't how we were, why we're here, what we're meant to be

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate our faith on this earth that we're living on

We are

The children of the sun

The love for everyone

Always on the run

The fire in our eyes

The passion never dies

We're the chosen ones

The children of the sun

We are

The children of the sun

The love for everyone

Always on the run

The fire in our eyes

The passion never dies

We're the chosen ones

The children of the sun

We are, we are

We are the children of the sun

We are, we are

The children of the sun

We are, we are

We are the children of the sun

Always on the run

He floated and fired waves of suns and energy and smashed him down.

Brittney: Time to show you the future in darkness. (ACTIVATES UNIVERSE 666 NIGHTMARE MOON'S RIDEWATCH)

(LUNA'S FUTURE BY PRINCESS LUNA PLAYS)

Brittney: (SINGING DIVINELY AS DARKNESS AND ICE SWIRLED AROUND HER)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Snowfall Frost

Now, the future is a cold nightmare

She floated with her wings spread as darkness swirled around her and she fired waves of energy and smashed him down and me and Nico hugged each other and shook in fright! Ice formed down our backs and we were shivering in fright.

Nico: (gets out Mandragora's Ridewatch) Now for this!

He activated it.

(SEND ME AN ANGEL BY REAL LIFE PLAYS)

Nico: (SINGING DIVINELY AS LEAVES AND FLOWERS SWIRLED AROUND HIM)

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you

Open fire!

On my burning heart

I've never been lucky in love

My defences are down

A kiss or a frown

I can't survive on my own

If a girl walks in and carves her name in my heart

I'll turn and run away

Everyday we've all been led astray

It's hard to be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now

Empty dreams can only dissapoint

In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now.

He floated and fired waves of leaves and flowers and smashed him down.

Nico: OH YEAH!

Me: YEAH!

Apple Bloom: Let me try one. It is my big day tomorrow.

Me: Go for it Apple Bloom.

Apple Bloom: (ACTIVATES FROZEN FRIGHT'S RIDEWATCH)

(ADVENTURE OF A LIFETIME BY COLDPLAY PLAYS)

Apple Bloom: (SINGING DIVINELY AS ICE AND BLOOD SWIRLED AROUND HER)

Turn your magic on, umi she'd say

Everything you want's a dream away

We are legends, every day

That's what she told him

Turn your magic on, to me she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds

Now I feel my heart beating

I feel my heart beneath my skin

I feel my heart beating

Oh, you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Said I can't go on, not in this way

I'm a dream that died by light of day

Gonna hold up half the sky and say

Only I own me

Now I feel my heart beating

I feel my heart beneath my skin

Oh, I can feel my heart beating

'Cause you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Turn your magic on, umi she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds taking shape

Fiona Hernandez: Time for the forces of evil to feel the fires of hell. (ACTIVATES UNIVERSE 666 FROLLO'S RIDEWATCH)

(HELLFIRE BY TONY JAY PLAYS)

Fiona Hernandez: (SINGING DIVINELY AS INTENSE FIRE SWIRLED AROUND HER AND DANCING FIRE GIRLS DANCED)

Beata Maria, you know I am a righteous man

Of my virtue I am justly proud (Et tibi, Pater)

Beata Maria, you know I'm so much purer than

The common, vulgar, weak, licentious crowd (Quia peccāvī nimis)

Then tell me, Maria, why I see her dancing there

Why her smoldering eyes still scorch my soul (Cōgitātiōne)

I feel her, I see her

The sun caught in her raven hair

Is blazing in me out of all control (Verbō et opere)

Like fire, hellfire

This fire in my skin

This burning desire

Is turning me to sin

It's not my fault (Mea culpa)

I'm not to blame (Mea culpa)

It is the gypsy girl

The witch who sent this flame (Mea maxima culpa)

It's not my fault (Mea culpa)

If in God's plan (Mea culpa)

He made the devil so much

Stronger than a man (Mea maxima culpa)

Protect me, Maria

Don't let this siren cast her spell

Don't let her fire sear my flesh and bone

Destroy Esmeralda

And let her taste the fires of hell

Or else let her be mine and mine alone

Hellfire, dark fire

Now gypsy, it's your turn

Choose me or your pyre

Be mine or you will burn

God, have mercy on her

(Κὐριε, ἐλἑησον) God, have mercy on me

(Κὐριε, ἐλἑησον) But she will be mine

Or she will burn!

She floated and had wings of fire spread and she looked like an angel of vengeance. She fired waves of energy and fire and blasted him down.

Me: WHOA! (SCARED) That was scary!

Qin: No kidding!

May: (gets out Maniac Toon's Ridewatch) Let's get crazy!

(GEORGE OF THE JUNGLE BY PRESIDENTS OF THE UNITED STATES PLAYS)

May: (SINGING DIVINELY AS COCONUTS AND BEAR TRAPS SWIRLED AROUND HER)

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree

When he gets in a scrape

He makes his escape with help from his friends

An Ape named Ape

And his elephant sheep can fetch a log

He's mans best friend, he's George's dog

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

George, George, George of the Jungle

Friend to you and me

Watch out for that tree

Hear him holler swing and sing

All the animals come to the jungle king

So grab a vine and swing in time

If you smack a tree just pay no mind

Like…

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

Swing from tree to tree

Watch out for that tree

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree

Lost in the wild was a baby with a smile Named George

Who stayed for quite a while

And George grew up in the trees above

When Ursula found him, they found love

She took him to the city, took him straight downtown

But the concrete bliss brought poor George down

So it's back to the jungle for a wedding in the green

For the king and queen of the animal scene

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

Watch out for that!

Bang! Ooh! Tree!

George, George, George of the Jungle

Watch out for that tree!

She floated and fired waves of coconuts and energy and smashed him all over.

Lola: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

I've never seen you look like this without a reason

Another promise fallen through

Another season passes by you

I never took the smile away from anybody's face

And that's a desperate way to look

For someone who is still a child

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive, here we go

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

So take that look out of here it doesn't fit you

Because it's happened doesn't mean you've been discarded

Pull up your head off the floor, come up screaming

Cry out for everything you ever might have wanted

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered, see ya

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

Ha, ha

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

She floated and fired waves of fire and smashed him down.

Cassidy: (SINGING DIVINELY AS WATER SWIRLED AROUND HER)

There's a calm surrender

To the rush of day

When the heat of a rolling wind

Can be turned away

An enchanted moment

And it sees me through

It's enough for this restless warrior

Just to be with you

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

That we got this far

And can you feel the love tonight

How it's laid to rest?

It's enough to make kings and vagabonds

Believe the very best

There's a time for everyone

If they only learn

That the twisting kaleidoscope

Moves us all in turn

There's a rhyme and reason

To the wild outdoors

When the heart of this star-crossed voyager

Beats in time with yours

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

That we got this far

And can you feel the love tonight

How it's laid to rest?

It's enough to make kings and vagabonds

Believe the very best

It's enough to make kings and vagabonds

She floated and fired waves of water and drenched him all over.

Me: (GASP) That voice!

Nico: What voice? I don't hear anything.

Eli: It's coming from inside Another Evil Green Ranger!

I concentrated and saw that the Another Evil Green Ranger was just a front! The real damsel in distress was a girl that had aqua blue hair and had blue clothes and blue angel wings and she had the power of the boss Helios!

Me: (GASP) Gina Elysia!

Sora Phaaze: Gina is here!?

Me: She's inside the Evil Green Ranger! She's trapped! I'll get her out.

I had my ring held up and I concentrated.

Lola: That is mindboggling!

Maria: Whoa! This is amazing!

Maria fired an energy blast and smashed down Another Evil Green Ranger!

Qin: Wow! That was awesome!

Koragg and his team consisting of Darcy, Behru, Jet Black, TTG Trigon and Seiryu came.

Nico: Nice team, Koragg!

Koragg: Thanks Nico. Boy that was intense!

Qin: You're not kidding there.

Traci Torpedoes: My turn!

She activated her ridewatch for Mandragora and fired waves of leaves and fruit and smashed him all over.

Me: Take that!

Then a figure came out and it was an Aggron!

Qin: Whoa an Aggron!

Me: Wow!

Aggron: (in a girls voice) That's right guys.

Nico: Hellena Aggrom!? WHOA!

Qin: Our awesome Hercules athlete!

She reverted back and was a girl with black hair and had blue gym clothes and she had blue eyes.

Hellena Aggrom: I got this guys.

She ran and punched Tom Oliver in the stomach so hard and with incredibly devastating force that she bisected him in half and the halves of his body crashed onto the ground and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We were flabbergasted!

Qin: HOLY MACKEREL!

Hellena Aggrom: Thanks. It was awesome.

Traci Torpedoes: What's your favorite memory of Nico?

Hellena Aggrom: When me and Nico both won the state weightlifting competition. We lifted up 90,000 pound weights.

Me: WHOA! You are super strong!

Nico: Yeah Hellena has superhuman strength.

Cat: That is really amazing!

Dog: You got that right Cat.

Hellena Aggrom: I know. I would hug Nico but I don't want to crush his back.

Nico: I still missed you.

Hellena Aggrom: Me too Nico. Me too.

Cat: But thanks for saving us guys.

Me: You're welcome cat. Lets get get back home and out of this dump.

Nico: Wait. Eli, what do you think Swartz promised Tom Oliver?

Eli: Not really sure on that. But if I were to guess I would have to say it would be getting either his power back or revenge on Tommy.

Qin: Hmm. We'll never know.

We went back home.

But, long ago, he was eventually defeated by The Supreme Kais of The Elements and Lincoln, and The Dark World Goth Girls opened up a portal that led to the far reaches of space where they banished him to after they tied him up. But now, years later, he's returned wanting revenge on Lincoln and The Supreme Kais of The Elements for banishing him.

And we also got even worse news: Icky Vicky has escaped and she still wants revenge on us and our heads on a pike for ruining and humiliating her. So, before we destroy Malachi, we got to apprehend Icky Vicky.

Lincoln: Whoa, we're here in Peach Creek, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're also going to destroy an old enemy of The Supreme Kais of The Elements, a dangerous brute and criminal named Malachi Chandley.

King Vegeta: And for those who hadn't faced off against him before, he's actually a very dangerous Saiyan who enjoyed going on a rampage.

We gasped in shock.

Nico: What?! Oh man, he's just like Broly in every way.

Chronoa: That's right, and long ago, Malachi was defeated by my sisters and Lincoln, and The Dark World Goth Girls opened up a portal that led to the far reaches of space where they banished him to. But now, years later, he's returned wanting revenge on Lincoln and my sisters for banishing him.

Me: Damn, this is going to be one rough battle. Say, have we got a picture of him?

Lincoln: Got it right here.

Lincoln took out the picture of Malachi Chandley, he was a tall male with long wild black hair and a large and extremely muscular body and dressed only in black pants and black boots.

Me: Yikes, this guy is trouble with a capital "T" alright. But, I thought

Broly was the only dangerous pure evil Saiyan born on that day.

Vegeta: We originally thought so as well, but it wasn't long after Broly was cast out that Malachi was born a week later.

Lincoln: And he also had a Power Level of 50,000, thus surpassing Broly. But, he also had the very same personality as Broly, but without anyone trying to hold him back.

King Vegeta: That's correct, Lincoln, and like Broly, we tried to have him killed, but a dark figure had arrived and killed our assassins, and one of the guards said this person was a female and she had black demonic angel wings. (Realizes who it was) Oh no, so that person who prevented Malachi's assassination that day, that was… !

Lincoln, Lincoln's harem, and Lincoln's Guardian Angels: Isabella Abaddon!

Lincoln: So, she was…?!

Bardock: The one who prevented his assassination long ago, and sent him to Royal Woods in one of her plots to get revenge on you and your Guardian Angels for defeating her and banishing her to Hell, Lincoln.

Goku: But, he couldn't do it straight away, she must've sent him to Royal Woods to be adopted by a family who lived there at the time.

Lincoln: That's right, Master Goku, now I remember. He was adopted by The Chandleys, a family who lived at Royal Woods at that time. So, that heartless Fallen Guardian Angel was the one who sent him here all those years ago, and then, as he grew, she eventually would train him, so that he can carry out her revenge on me and the other Guardian Angels.

Freya: That's right, but that plot failed when we defeated and banished him into the outer reaches of space. But, thinking about it now, we should've destroyed him long ago.

Amphitrite: But, now we're going to fix that mistake and destroy him for good.

Lincoln: Right you are, Amphitrite, and to find out he's here in Peach Creek, that must've ticked off the Eds and the Cul-de-Sac Kids to find out he's here in their old home.

Lynn Sr.: They sure were, son, and I've also got some worse news: last night, Icky Vicky escaped and she still wants revenge on us and our heads on a pike for ruining and humiliating her.

We gasped.

Gohan: So, before we destroy Malachi, we got to deal with that demonic so-called babysitter.

Timmy: Every time when things are already looking up for me, every single time, Vicky shows up to ruin it! Well, I'm not letting her do this to anyone else anymore, she's going down big time!

Lincoln: Breaking out for yet another round, now she's really going to get put in a full-body cast by the time we get done with her, and I want to thank you and your team for joining us, Peter.

Spiderman: You're welcome, Lincoln. Now, let's go find that bad babysitter and put her back on her leash.

?: (ENRAGED SCREAMING) TTTTTTTTTWWWWWWWWEEEEEEEEEERRRRRRRRRRRPPPPPPPP

Lincoln: Looks like we don't have to go hunting her, here she comes!

We then saw our first target, Icky Vicky, and boy she was extremely mad as Hell, her red eyes were literally glowing even more red and she was also foaming at the mouth, and she also had a chainsaw out again.

Timmy: Great, I knew there was no mistaking that shrill voice from anywhere!

Timmy fired a blast of pink energy from his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice which hits Icky Vicky and she was fried and more gold coins and gems exploded out of her. Then, Lincoln tied her up in an unbreakable rainbow energy straitjacket and neutronium chains lined with rainbow energy, and he had her beamed back to Lynn's Table and she was chained back up to her post, and she screamed with pure anger and rage again!

Lincoln: That'll teach her never to come after us again, if she keeps this up, she's going to get more than just barbecued. Now that Icky Vicky's been taken care of, now we can hunt down Malachi and destroy him once and for all.

Suddenly, we saw a beautiful girl with long hot pink braided hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful pink angel wings, she has on a tiara with the Kamen Rider Slash logo, she's dressed in a sleeveless pink blouse, sleeveless pink midriff top, necklace with the Kamen Rider Slash logo for the pendant, pink skirt and she has the Hanselnuts to Gretel Wonder Ride Book on her waist, pink pants, pink legwarmers, pink sneakers, and long white long-sleeved trenchcoat with soundwaves, swords, and angels on the coattails and on the back is the Kamen Rider Slash logo and holstered on her back is a massive Onjuuken Suzune-themed greatsword with embedded pink gems and Onjuuken Suzune etched on the 7'0" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large pink phoenix heads and large pink gem on the bottom of the large pink phoenix heads for the pommel, and in her hand is the Onjuuken Suzune, and she has the ten girls with her.

Qin: Whoa, so that's the Kamen Rider Slash embodiment on Lincoln's side, she looks like Lauren Slash.

Girl: I do, but not really, I'm someone that Lincoln knows all too well, and I got the ten girls from that bloodthirsty brute, Malachi.

Lincoln: (Gasps) That voice, Tamara Daishinji, I knew it was you, it's awesome to see you again.

?: I will destroy every last one of you for banishing me into space, Supreme Kais, along with you too, Lincoln Loud!

We felt a massive energy signal, and then, we saw our target:

Malachi Chandley, the dangerous and powerful evil Saiyan from the past of The Supreme Kais of the Elements, and he had murder in his eyes.

Lincoln: Right on time, Malachi. Now, to take this to a different location.

Lincoln snapped his fingers and we were on Valmorg, and our blue protective auras and rainbow and colored energy auras flared up extremely as we were gaining a massive power boost from absorbing the heat.

Nico: Whoa, you took the battle to Valmorg, nice move, Lincoln. Now, let's get that animal!

Suddenly, we saw Malachi transform into his Super Saiyan form as his large muscles grew and bulged even more, and we knew it meant trouble.

Me: Whoa, so he has…?

Lincoln: A Super Saiyan form, yes, and it's because of the pure unadulterated evil in him, and I can also blame Isabella Abaddon for nurturing it even more, but it's all the more reason to destroy him for good.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their

Then, Lincoln, Freya, Amphitrite, Prithvi, and Paka'a also brutally attacked him with powerful punches and kicks, and this just infuriated Malachi even more, and he tried to attack them as well, but they dodged his physical attacks and energy attacks as well.

Nico: He had no idea of how much stronger Lincoln, Freya, Amphitrite, Prithvi, and Paka'a had gotten since the last time he fought them, but, then again, so did Malachi.

Me: But, the way Malachi fights is by being driven by revenge and bloodlust, while Lincoln, Freya, Amphitrite, Prithvi, and Paka'a always fight to defend those they care about, along with pushing themselves past their limits, plus, Lincoln also has his many tricks.

Suddenly, Lincoln swung his right leg hard and it hit Malachi and broke his left arm badly and sent the bloodthirsty Saiyan flying onto the ground, but before he could get back up to attack again, Lincoln already turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger and he stabbed it into Malachi's chest, and then, Lincoln began absorbing the Saiyan's bio-energy as

Malachi transformed back into his base form, but then, more of his bio-energy began draining out of him as Lincoln kept on absorbing him, and then, Malachi's body began to shrivel up until the only things left of him were his black pants and black boots. Then, an energy card with Malachi's soul trapped inside it was fired out from Lincoln's cutie mark, and then, as soon as the Judgement Kanji appeared on his forehead, Malachi Chandley was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down, and we were back on Earth in Peach Creek.

Lincoln: Now, we're finally rid of you for good, you wild beast. (To Tamara Daishinji) And it's so good to see you again, Tamara Daishinji.

Tamara Daishinji: You too, Lincoln, it's been a long time.

Lincoln went up to Tamara Daishinji and he hugged her, and Tamara Daishinji is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Tamara Daishinji: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Tamara Daishinji, Embodiment of Kamen Rider Slash, she's my Guardian Angel from Japan and classmate in Gym. Tamara Daishinji's known as a talented blacksmith who's forged many swords and a powerful swordswoman and she also has the powers of sound and she also has enhanced hearing. She and I trained a lot using swords that she forged in her blacksmith forge, and she also introduced me to Kamen Rider Saber when we were eight years old, and have watched every episode ever since. I made Tamara a tiara with the Kamen Rider Slash logo on it and necklace with Kamen Rider Slash logo for the pendant, and to show thanks, she kissed me on the lips.

Nico: Whoa, that's really awesome. Wait, you said her last name is Daishinji, then, that means…?!

Lincoln: Yep, she's also the sister of Tetsuo Daishinji A.K.A. Kamen Rider Slash, and she hates Lila Rossi with a burning passion.

My jaw dropped to the floor and so did Nico's.

Nico: Wait, what?!

Me: So, Tamara is…?

Tetsuo: Yes, she's my sister alright, and it's so good to see you again, Tamara.

Tamara Daishinji: You too, Tetsuo.

Lincoln: Plus, she heard of what we did to that delusional lunatic, Storious, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her brother, also has the Hanselnuts to Gretel Wonder Ride Book.

Lincoln: Along with the Onjuuken Suzune, and a massive Onjuuken Suzune-themed greatsword.

Tamara Daishinji: Plus, you guys are going to kill Lila Rossi tomorrow, right? I can't wait to finally get rid of her for good. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Tamara Daishinji: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Tamara Daishinji: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to Tamara Daishinji, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Tamara Daishinji: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Tamara Daishinji's neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Tamara Daishinji: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tamara Daishinji.

Tamara Daishinji had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw who they were, he immediately recognized them. The ten girls are Kagari, Hermes, Rui, and Celia from Chaos Code and Bethany Holyflames the Inquisitor, Lucia Strikefist the Striker, Amelia Dracoblade the Dragon Knight, Nadia Shadowstrike the Kunoichi, Delia Strikeblaster the Launcher, and Yami Ghostblade the Spectre from DNF Duel.

Lincoln: Oh wow, it's Kagari, Hermes, Rui, and Celia from Chaos Code and Bethany Holyflames the Inquisitor, Lucia Strikefist the Striker, Amelia Dracoblade the Dragon Knight, Nadia Shadowstrike the Kunoichi, Delia Strikeblaster the Launcher, and Yami Ghostblade the Spectre from DNF Duel.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kagari: Yes, we're okay, thanks to you.

Then, when Kagari and the other nine girls saw who it was that saved them from Malachi Chandley and from Icky Vicky, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Kagari: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kagari: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kagari, Hermes, Rui, Celia, Bethany Holyflames the Inquisitor, Lucia Strikefist the Striker, Amelia Dracoblade the Dragon Knight, Nadia Shadowstrike the Kunoichi, Delia Strikeblaster the Launcher, and Yami Ghostblade the Spectre with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was an old enemy of The Supreme Kais of The Elements, a dangerous brute and criminal named Malachi Chandley, a very dangerous Saiyan who enjoyed going on a rampage and even worse, he's just like Broly in every way, but, he was eventually defeated by The Supreme Kais of The Elements and Lincoln, and The Dark World Goth Girls opened up a portal leading to the depths of outer space where they banished him to. But now, years later, he had returned and wanted revenge on Lincoln and The Supreme Kais of The Elements, and even worse, we also had to deal with Icky Vicky who escaped last night and she still wanted revenge on us for ruining and humiliating her.

But, when Lincoln showed what happened: the first was Timmy blasting Icky Vicky and then Lincoln tying her up and beaming her back to Lynn's Table, and then, the fight against that bloodthirsty evil Saiyan on Valmorg and it ended with Lincoln using Cell's absorption technique and he absorbed that evil Saiyan and banished his soul to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Tamara Daishinji have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so not only did you guys capture Icky Vicky, but you also destroyed another evil Saiyan who's just like Broly, but this one is from the past of Chronoa's sisters, yikes.

Lincoln: Yep, and I made the right move taking the fight to Valmorg, and we brought an end to him for good.

Me: Plus, we'll make sure Icky Vicky doesn't try to break out again to get revenge, 'cause if she does, she's getting a lot worse.

Nico: More than she's already getting now from our humiliations. Say, if that evil babysitting group dares to return, what's say we really piss off Icky Vicky by killing them all right in front of her?

Lincoln: That'll drive her absolutely berserk, that's perfect!

Me: You got that right, it's poetic justice for monsters like them, and for a monster like her.

Timmy: Yeah, that'll really anger that fire-breathing dragon in black jeans.

---

After finally destroying Malachi Chandley and also apprehending Icky Vicky again, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Tamara Daishinji saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tamara Daishinji: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Tamara, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tamara Daishinji: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Tamara Daishinji: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Tamara, what memories did you have with Lincoln, and which one of Lincoln's enemies or one of his five mean sisters tried to do to you and him?

Tamara Daishinji: I thought you'd never ask, I still remembered this one story all too well. One time, Lincoln was with me at my blacksmith's forge and we were making some brand new swords for us and the rest of the Guardian Angels who were with us. But, then, we heard a loud thunderous belch in the air, and there was only one person we know who'd make that kind of burp: Lynn. We headed out of the forge and we saw her, she was on all fours like an animal, her eyes red with hatred and insanity, and growling like an animal. Then, she charged right at us, but Lincoln and I fired two soundwaves at her, which sent her flying into a tree, but she got up and she roared and beat her chest like a gorilla and charged at us again, but then, Luna showed up with her guitar plugged into a portable amp Becky Long made for her and she cranked the volume knob up to 10, and she played a loud chord on her guitar and it sent Lynn crashing into a fence, and this time, it knocked her out big time. Then, Lincoln tied Lynn up, and after we got a shower after we sweated at the blacksmith's forge, we went back home and after we told Mr. and Mrs. Loud of what Lynn tried to do to us, she was grounded for fifteen weeks and she was thrown in a metal box. She roared again and pounded hard on the door, but Nicholette Torrington flipped her the bird in the window and she roared again and beat her chest like a gorilla.

Nico: Whoa, that was some awesome work, Luna.

Luna: Lynn tried to mess with my little bro and his Guardian Angels, she was going to get the wrath of his Guardian on her eyesore of a ponytail.

Becky Long: And I was glad to see that my portable amplifier that I built for Luna really worked, now if Lori, Lynn, Lola, Luan, Lisa, or any more of Lincoln's enemies tried to attack him, she'll play a chord on her guitar and the amplifier will send out waves of energy to knock them flat on their butts.

Rita: We also gave Luna permission to use her guitar and amps in case they try their attacks again.

Lynn Sr.: The last time Luna did that was on Flip, and she made him go deaf for two weeks.

Me: That mutant deserved it.

Nico: Yeah, what a moron.

We got a shower, and then, Lincoln, Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia, Daughter of Tchang Zu are heading to Whimsical Waters

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lincoln, Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena

Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lincoln, Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia had feelings for Lincoln, and he had the very same feelings for them, especially when Sissi introduced Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, and Tania Grandjean to Lincoln, and Tchang Zu introduced Elysia to Lincoln, and it was love at first sight, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Milly Solovieff: Wow, so this is Whimsical Waters, awesome.

Lincoln: I've been here before on past dates, Milly, and it's always awesome. Shall we?

Lincoln, Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia, and they hugged the girls in their abnormally massive and powerful muscular arms, and Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline

Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Whimsical Waters, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, and Elysia are now part of your harem, awesome!

Nico: I knew they had their feelings for Lincoln, plus, Sissi was the one who introduced you to Milly Solovieff, Tamiya Diop, Anais Fiquet, Maïtena Lecuyer, Caroline Savorani, Claire Girard, Heidi Klinger, Tania Grandjean, Lincoln.

Lincoln: And Tchang Zu introduced me to Elysia.

Elysia: And now, I'm part of his harem, along with Pin Yin, Sona, Terra, Liquidelle, Pyra, and Luna.

Luna: That's right, Elysia, now the daughters of The Eight Demon Sorcerers are now in his harem.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone

else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Gettroa, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Gettroa of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Gettroa, right, Danica?

Danica Han: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Avalon Cadieux: While you and Nico destroy Gettroa and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, even though we don't have a mission before our big mission for The Cutie Mark Crusaders, let's go hunt down that religious fanatic.

Lincoln: And with my security system still active, any villain who dares to try and infiltrate the World Tree Estate will get fried and caught, and now, you better be ready to die, Gettroa.

Danica Han: You better be ready to suffer, Gettroa, for you shall be consumed by the elemental forces and the darkness of The Netherworld, and your soul will know nothing but eternal suffering.

Lincoln put up a rainbow energy force field around The World Tree

Estate and his security system was activated as we head out of The World Tree Estate to head for the park to hunt down Gettroa.

We arrived at the park to hunt down our next target: Gettroa of The Extraterrestrial Order of The Planets of Holy Ghidorah

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Gettroa.

A figure came out, and it was none other than Gettroa of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Gettroa, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Gettroa: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Danica Han: The only one who deserves to be destroyed is you.

Suddenly, Danica Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, dragons, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Infernal Princess-themed greatsword from her back, and as she approached Gettroa, she left black energy, darkness, dark magic, dragons, fiends, phoenixes, and dark angels with every step.

Danica Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Gettroa: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Danica Han was surrounded by a massive vortex of black energy with darkness and dark magic surrounding it, there are fiends, phoenixes, dark angels, dragons, and Evil HERO Infernal Princess flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Gettroa: the red eyes of death. Then, as the vortex faded, Danica Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Danica Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, fiends, phoenixes, dragons, and dark angels surrounding her, she has Evil HERO Infernal Princess emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Evil HERO Infernal Princess with red gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Danica Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, dragons, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Infernal Princess surrounded by darkness. Suddenly, Danica Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Danica Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Danica Han's massive Evil HERO Infernal Princess-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, dragons, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Infernal Princess' Darkness Dark Infernal Dragon Fiendish Phoenix Greatsword of Darkness Dark Magic Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Infernal Princess etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Infernal Princess' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Infernal Princess that said, "Danica Han, Gene-Slammer of Evil HERO Infernal Princess, Dragon Summoner of The Han Sisters, Eleventh Sibling of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Admiral, Destroyer of Gettroa of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Dragons, and Infernal Phoenixes"

ダニカ・ハン、悪の遺伝子破壊者 ヒーロー インファーナル プリンセス、ハン姉妹のドラゴン召喚士、ハン姉妹の 11 番目の兄弟、ダーク マジックの力のマスター、ネクロム教会のダミアン アレイスターの娘、ニコ チャンの未来の妻、アドミラルの大敵、ホーリーギドラの惑星の地球外秩序のゲトロアの破壊者、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして闇のマスター、ダーク マジック、竜と地獄の鳳凰

Danica Han has transformed into SUPER ANGEL-EVIL HERO INFERNAL PRINCESS-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL DRAGON EVIL HERO INFERNAL PRINCESS PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL DRAGON EVIL HERO INFERNAL PRINCESS JUSTICE AND DIVINE DEMONIC DARK INFERNAL DRAGON EVIL HERO INFERNAL PRINCESS LOVE!

We were amazed by Danica Han's Super Angel-Evil HERO Infernal Princess-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Gettroa saw it, he fell into an infernal rage and he got out his blaster to fire at her, but Danica Han fired a powerful black energy blast with darkness, dark magic, dragons, fiends, phoenixes, and dark angels at Gettroa, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Fira Han: Whoa, Danica's transformed, incredible!

Avalon Cadieux: That's really incredible, and she really burned Gettroa badly.

Nico: And she's really got him pissed off now big time.

Danica Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Dragon Evil HERO Infernal Princess Angel and Divine Demonic Darkness Infernal Dragon Phoenix Love) And now, the darkness of The Netherworld is coming for you, Gettroa.

Nico: Let's get him, Danica, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Danica Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Danica Han and Nico went after Gettroa who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gettroa and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Gettroa, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Gettroa took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Gettroa began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Gettroa has transformed into his King Ghidorah Hybrid Monster form.

Gettroa fired a Gravity Lightning blast at Danica Han and Nico, who dodged it.

Lincoln: Danica, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Gettroa from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Gettroa and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Gettroa into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Danica, let's end this asshole for good.

Danica Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Dragon Evil HERO Infernal Princess Angel and Divine Demonic Darkness Infernal Dragon Phoenix Love) You got it, Nico.

Danica Han and Nico sent Gettroa flying into the air, and then, they prepared their combo to put an end to Gettroa.

Danica Han and Nico: DARK INFERNAL EVIL HERO INFERNAL PRINCESS PHOENIX DARKNESS DEMON DRAGON KAMEHAMEHA!

Danica Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, dragons, and phoenixes which hit Gettroa, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Danica Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Danica Han and Nico holster their massive greatswords on their backs and powered down, and Danica Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Danica Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty members to go. Thanks for helping me destroy Gettroa once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Danica.

Suddenly, Danica Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Danica Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Infernal Princess flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness behind them and we cheered wildly. Then, Nico and Danica Han absorbed the darkness and they came back to us as the display and Evil HERO Infernal Princess vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Danica.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Reddvexa, which means you're up next, Lyra.

Lyra Han: Yeah, we'll make Reddvexa pay.

Nico: We sure will, and since tomorrow's The Cutie Mark Crusaders' special mission, they're also going to join in as well.

Apple Bloom: You bet we will.

Scootaloo: And we'll make that cult fanatic pay.

Sweetie Belle: Along with Lila Rossi, that rotten, black-hearted monster.

Taylor Kamiyama: She deserves everything that's going to happen to her and more, and on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Calibur.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right. Plus, we need to keep our eyes peeled, because once Lila Rossi makes her move to get revenge on us, we got to be ready for whatever she throws at us.

Lincoln also typed in a code on the wrist computer that appeared above his left gold cuff Bracelet of The Champion of The Universe, and our security system became even more armed as laser grids, pressure sensors, and security beams came online, and they're only on the alert for Lila Rossi.

Nico: Ooh, nice one arming the system up to scan only for Lila Rossi, nice one, Lincoln.

Marinette: You said it.

Chloe Bourgeois: And now, we got to get ready for tomorrow.

Me: Yeah, for tomorrow, the bitch, Lila Rossi, shall finally meet her end.

Later we were in the city.

Nico: Now, to see what Manaphy does every day.

Me: This looks like a job for… (SPINS AROUND)

I was in my jungle explorer uniform.

Me: (Australian Accent) Jungle Explorer J.D.! Crikey!

Nico: Yeah!

May: Here she comes.

We were hiding in a bush.

Manaphy: Ok, Poromon. I'm heading out.

Poromon: Okay. Have fun.

She went down to the surface.

She was walking down the street and we saw her.

Me: There she is mates. Subject Manaphyus Pokemonicus and we are studying her every day activity.

May: This is gonna be fun.

We followed her.

Manaphy: What to do first?

She decided to go to the Arcade.

Me: Crikey she went into the arcade.

May: Cool.

We watched her play video games all over. She played Skeeball, Shooting games and many more. She was raking in tickets all over the place

Nico: Just like Poromon and Poliwag.

May: Loves playing games too.

We watched her get more and more and more tickets all over and she got an awesome sapphire tennis bracelet and a massive huge lava lamp. A blue one.

May: Wow what a lava lamp.

Me: Crikey that is gonna look great in the room.

May: Yeah.

She came out and decided to head over to the mall for a snack.

Nico: I wonder what she'll eat. (chuckles) Hopefully not any Digimon.

We saw her in the food court and she went and got a huge bowl of nuclear hot spicy ramen from the Ramen Bowl of Fire shop. It was a glowing neon red bowl of ramen!

Me: Crikey that is some spicy ramen she is going to eat mates.

May: (GULPS)

Manaphy ate it.

She then screamed as fire exploded out of her mouth and it didn't even bother her.

She continued eating it and loved it.

Me: Crikey. She has one amazing spicy appetite mates.

May: She is as tough as you J.D.

Me: She sure has what it takes sheila.

May: My name isn't Sheila.

Nico: No it's Australian talk. That's their way of saying fair lady.

May: Oh.

Nico: Not to be confused with Sheila Castille.

May: I get it.

Manaphy had a really good meal.

Manaphy was later walking down the street and then she saw a pursesnatching in progress!

Woman: That man took my purse!

Manaphy: Not on my watch!

Manaphy went towards the purse snatcher.

Then she smashed him on his face with her head and broke his nose and knocked him out!

Nico: Nice!

She grabbed the purse from him and gave it back to the woman.

Manaphy: Here ma'am.

Woman: Thank you Manaphy.

Tom and Sheila came and slapped the cuffs on the snatcher.

Tom Lair: We'll I'll be! It's Connor the Buttbiter! He is a notorious purse snatcher that bites women on their butts and then swipes their purses.

Manaphy: Biting on the butts?!

Sheila: Not cool.

Nico growled.

Me: Nico easy mate. We don't want Manaphy to know we're here.

Nico: Oh right.

Manaphy: Get this garbage out of here.

Tom Lair: With pleasure.

Manaphy: Make sure he only gets Bread and Water, ice cold showers and gets his ass whomped by guards around the clock and make sure he only kills himself before parole.

Tom Lair: (LAUGHS) Good idea. Wiggum must've been helping you.

Manaphy: Yep.

They took him away.

Manaphy: I hope I get to meet a Gene Slammer.

She walked and then a Mawile came out!

Manaphy: Cool a Mawile!

May: Wow that one is cool.

Mawile: (In a girls voice) So you are out by yourself Manaphy?

Manaphy: I sure am and you are?

She reverted back and was a girl with green hair and yellow eyes and had black and green clothes.

Courtney Homa: Courtney Homa. Nico's friend from science class and specialized in the study of carnivorous plants.

Manaphy: Cool awesome to meet you.

Courtney Homa: Same here.

Manaphy: What's your favorite memory of him?

Courtney Homa: My favorite is when me and Nico were in the Florida Okefenokee Swamp and we found an amazing Sundew Plant that had Blue Strands on it and it was amazing.

Manaphy: Wow that is cool!

Courtney Homa: It sure is.

Manaphy: Wanna hang out with me while I do the rest of my daily routine?

Courtney Homa: Sure.

They went down the street.

Me: Crikey. They found the next gene-slammer and that is amazing mates.

May: It sure is.

Manaphy: What to do next?

Courtney Homa: I do know one fun thing. How about visiting the Digimon Emperor? I got a few choice words for him.

Manaphy: You got it.

They went to the prison where we keep the Digimon Emperor.

In the prison they saw him.

Manaphy: Well well well.

Digimon Emperor: Another Mascot pest by itself.

POW!

Courtney punched him in the face.

Manaphy: I'm continuing where my boyfriend left off!

Courtney Homa: And that is where I kick your butt!

She had vines grow out of her arm and they entangled him and she smashed him all over the place with lots of moves and deadly force.

Manaphy: YEAH!

Courtney Homa: This is for Nico!

She smashed him all over.

We were watching through a viewing window.

Me: Crikey she sure has a bone to pick with that bloke doesn't she mates.

Nico: No kidding. After what he did to me during the 20 Days of Darkness who can blame her.

Manaphy: Now what should we do?

Courtney Homa: How about we go visit the Neptune Prison? I want to see if what I heard from Abigail is true.

Manaphy: Sure.

They went to the Neptune Prison.

In the prison infirmary they saw that Marion Hawthorne was brutally mangled up.

Manaphy: Whoa! She was really beat up!

Courtney Homa: At least we know it's true. Boy they really did a number on her.

Manaphy: It's what she gets for insulting Rarity and making Harriet's life a living nightmare. (SPITS ON MARION'S FACE)

Courtney Homa: She deserved it too.

Manaphy: You disgust me!

Courtney Homa: You tell her.

Doctor: The inmates broke every single bone in her body and ruptured a handful of organs. She doesn't have much time left.

Courtney Homa: Good. The world is better off without her.

Manaphy: Good riddance.

Courtney Homa: Glad she is gonna be….

FLATLINE HEART MONITOR.

Courtney Homa: Nevermind.

They left.

Manaphy: What should we do now?

Courtney Homa: I think that's it.

Manaphy: I agree.

They went back home.

Me: Crikey. I didn't expect Marion to kick the bucket mates.

Nico: Me neither. Good riddance.

We arrived back and Courtney saw Nico.

Courtney Homa: Nico!

She went and hugged him.

Nico: I really missed you.

Courtney Homa: Me too Nico.

Me: Another awesome documentary mates.

Maria: Nico, which teams have you made this time?

Nico: Jenny Wakeman's team will include Pyris, Ippei Akagi, Ember, Diamond Sam and Jelli. War Machine's team will include Thumbelina, Shirou Gou, Sapphire Constantine, Shino Sosaki and Mahoro Shimano.

Me: Awesome!

Camie: Awesome ideas.

Sirius: Shino and Mahoro will love being on a team.

Lola: I agree there.

Xenia: Same here.

Jenny Wakeman: Yeah.

Diamond Sam: And it will be awesome.

May: And which Gene Slammers do you think you'll meet next?

Nico: Medicham, Manectric and Plusle & Minun.

Me: Cool!

Tori: That is gonna be so cool.

Lola: Yeah it sure will be.

---

We were getting ready to head out.

Nico: Okay, guys. We're gonna be out for the day. Can you please make sure nothing happens to the Estate?

Manaphy: We will Nico.

Poromon: You can count on us.

Poliwag: (Salutes with his tail) Aye aye captain!

Nico: I know you can do it.

Eli: Yeah.

We left.

Ninetales: Want to play video games?

Manaphy: Sure!

Poromon: What should we play first?

Jirachi: Super Smash Brothers.

Tentacool: Good idea. We can find out more about Lincoln's guardian angels and help him out.

Manaphy: Good idea!

They got to playing.

Lincoln was battling Bowser.

Lincoln used his new Final Smash and it was awesome! They saw numerous guardian angels and paused them and wrote down numerous appearances on them and more.

Poliwag: Take that!

Manaphy: Yeah! But that is still cool.

Bellossom: Boy Shigeru Miyamoto outdid himself this time.

Jirachi: Yep.

Horsea: But we wrote down numerous appearances to help Lincoln out.

Jirachi: We sure did.

Manaphy: Now what?

They got to thinking.

Ninetales: Hmm. How about watching some really funny cartoons?

Manaphy: Good idea.

They got to watching Scaredy Kat!

They saw Scaredy Kat run down a hall and he opened a door and a ghost popped out and he screamed!

They laughed hysterically!

Horsea: Now that was funny!

They continued watching and they saw Scaredy Kat open a door and it had a beautiful kat woman and she gave him a bomb and he screamed and the bomb exploded in his face! They laughed hysterically some more!

Horsea: (LAUGHS) Now I see why Chance loves this show!

Bellossom: (LAUGHS) That is awesome!

Tentacool: (reads a newspaper) Guys, we might have trouble!

Bellossom: Why?

Tentacool: There are burglars on the loose!

LASER FIRE WAS HEARD.

Tentacool: Oh nevermind.

Bellossom: Nice to know that the security system is working.

On the surface, 2 burglars were wrapped in energy straitjackets.

Jirachi: Let's see who we caught.

They went down and saw that they caught 2 burglars.

They were Basil the Confused Burglar and Mr. Burglar Man.

Jirachi: Basil the Confused Burglar!?

Ninetales: And Mr. Burglar Man?

Poromon: Two enemies that Courage and the Powerpuff Girls know.

Mevya: Serves you right!

Ninetales: YEAH!

We came back.

Me: Well I'll be! You guys caught these burglars!?

Mevya: We sure did. Well the laser security system did.

Lana: Basil!? You're back to burglary?

Me: So you are the Basil we heard about from back then.

Basil: That's right. Mama Mashed Potatoes, Little Dark Swift and Uncle Twinkletoes took care of me.

Me: You mean Muriel, Francesca, Eustace and Courage.

Lana: He's a confused burglar. Always gets peoples names wrong.

Me: Oh.

Eli: That is silly.

Me: But it's nice to know that our new security system works.

Mr. Burglar Man: He even got my name wrong!

Blossom: Wait a second. Its been a while since we saw you Mr. Burglar Man.

Me: You girls met this burglar before?

Blossom: We sure did. He picked our house to steal stuff.

Me: He picked the wrong house to steal from.

Qin: He sure did.

Poromon: You guys are back already?

Me: We only had to help Lord Tetherby with cleaning his entire mansion.

Laney: His house is absolutely incredible.

Lincoln: It sure is.

Me: Took us 5 hours.

Qin: But it was an honor helping him out.

Xenia: It sure was.

Nico: Let's get these guys to prison.

Sheila and Tom came.

Sheila: Good job guys.

Tom Lair: Yeah that was great.

Manaphy: They are all yours.

Sheila: Thanks guys.

They loaded them up.

Maria: Now, let's get ready for tomorrow.

Me: Big day. Get ready Lila Rossi, (EYES GLOW RED) Tomorrow is going to be the last day of your miserable fucking fucked up life.

Nico: You got that right!

Qin: (EYES GLOW NEON GREEN) After all the pain you caused to Marinette and Chloe and friends you're going to wish that you were NEVER Born.

We went back home and saw nothing undamaged and more and the mascots did a great job.

---

Meanwhile in Japan, Natsumi and friends of the Tokyo Police Department were getting ready for our arrival.

Natsumi: I hope Lila Rossi gets her butt blasted into oblivion.

Miyuki: We know she will.

Natsumi: It will be awesome to see the Cutie Mark Crusaders again.

Miyuki: It sure will. I'm ready to kick some bad guy butt.

Natsumi: Me too. Lets head out!

SIRENS WAIL!

They got into their car and drove to the screen and it froze.

TO BE CONTINUED…

In the early morning hours at 3:00 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Austin, Texas. But, they were no ordinary four figures, they were Hak Xing, daughter of Lincoln's future wife, Luna the Moon Demon. Mei Kai, Daughter of Lincoln's future wife, Liquidelle the Water Demon. Song Wing, daughter of Lincoln's future wife, Sona the Sky Demon. and Quake, son of Lincoln's future wife, Terra the Earth Demon. Lincoln woke up from the dream, but he wasn't the only one, Luna the Moon Demon, Liquidelle the Water Demon, Sona the Sky Demon, Terra the Earth Demon, Black Alpha, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Luna the Moon Demon: And not only that, it also means that we found out where our kids are at.

Me: they're at Austin, Texas.

Nico: The same place when we found Dazzle, Jing-A-Ling, and Ting-A-Ling? Oh man, that's not good.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we whore about to go Austin, Texan, to rescue Hak Xing, Mei

Kai, Song Wing, and Quake, Then suddenly, there was a knock at the door.

Liquidelle the Water Demon: (sighs and went to the door) Who would that be in the middle of the Night? We have importing mission to do.

Liquidelle opened the door and found a medium height young vampire women who has skull face paint, pale pink skin, red eyes, long midnight black hair with white and red streaks that reaches to her feet, sharp fangs, and pointy ears. She also has large demon bat wings. She wears a studded choker, bomber jacket, a purple zip-up leather top, black pants, and red boots. She wields a battle axe guitar called the The Music Grinder. It was Skull Screamer

Skull Screamer: Are you Luna, Liquidelle, Sona, and Terra?

Terra the Earth Demon: Yes, we are.

Sona the Sky Demon: And who are you guys?

Skull Screamer: I'm Skull Screamer the Undead Knight. And do these young kids belong to you?

The four kids that whore with Skull Screamer, Was a 1,800/18 years-old humanoid four-armed insect-like demon girl who has light grey skin with the front of her face dark grey, purple eyes, and long dark purple hair tied in a long ponytail with a hairpin to clip to the side.. She wears a Chinese Princess's crown with a moon element, blue and red princess robe, and a inner black and white Cheongsam. A 1,700/17 years-old mermaid-like demon girl who has greenish skin, green eyes, short curly yet spiky blue hair with six long tentacles-like hair, sharp claws and a serpentine tail. She wears a blue crop top, and blue fingerless arm warmers. A 1,500/15 years-old humanoid bat-like demon girl who has gray skin, red eyes with green pupils, short magenta hairstyle with dark cyan streak, and a lizard-like tail. She wears a black and blue sport crop top, fingerless gloves, and black and blue sport leggings. And a 1,500/15 years-old demonic and animalistic minotaur-like demon boy who has brown skin with yellow chest, green and yellow head with dark brown combed hair on his back, bull horns, and red eyes. He wears dark chocolate sports pants and gauntlets. They were Hak Xing, Mei Kai, Song Wing, and Quake.

When Luna, Liquidelle, Sona, and Terra saw them, they were stunned.

Liquidelle the Water Demon: (stunned) How?

Luna the Moon Demon: (Stunned) How did you find them?

Skull Screamer: Just find them out on the streets in Austin, Texas.

Luna, Liquidelle, Sona, and Terra ran up to Hak Xing, Mei Kai, Song Wing, and Quake, and they hugged, and they cried tears of happiness, Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Skull Screamer.

Skull Screamer: You're welcome, J.D. (to Lincoln) Do you have something to say to them?

Lincoln: Course. (To Hak Xing, Mei Kai, Song Wing, and Quake) there's something you guys should know, Luna, Liquidelle, Sona, Terra, your mothers are one of my many future wives.

Hak Xing, Mei Kai, Song Wing, and Quake: That means… you're our father.

Lincoln smiled, and that filled Mei Kai and Song Wing with joy while Hak Xing and Quake are serious strict but glad to hear it, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

And then, Lincoln told everyone what happened. and he then introduced Hak Xing, Mei Kai, Song Wing, and Quake to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, and Skull Screamer did in reuniting Luna the Moon Demon, Liquidelle the Water Demon, Sona the Sky Demon, and Terra the Earth Demon with their kids, and they now have Lincoln as a loving, strong, brave, and caring father in their life. As well as Skull Screamer join the Team Loud Phoenix Storm as new member of

The Heroic Elementals.

Venux Chan: I'm so honored that I get to come with all of you guys.

Earth: You're going to love it sis. It's going to be fun and awesome having you with us.

Venus Chan: I'm truly honored to go with you guys.

Me: We are glad to have you with us.

Carly Atlas: We sure are.

Me: I always love a good rescue.

Xenia: Me too. This is gonna be so awesome and fun.

Qin: It sure is. But I'm really getting a bad feeling about this though.

Me: I am too.

Lucy Loud: I'm getting a strong sense of déjà-vu in this one though.

Lola: I am too.

Sarah Gunnerson: But we're ready for this though.

Qin: We sure are.

Nico: Sarah, I want to thank you, Koragg, and your teams for coming.

Sarah Gunnerson: It's awesome helping you out on this Nico.

Koragg: We are honored that we are gonna help you out.

Nico: Cyclonis, you ARE aware of the crimes your counterpart committed, right?

X-Squad Cyclonis: I sure am and I can't believe that my prime universe counterpart would be so evil and malevolent.

Me: She was one of our most dangerous enemies. Specifically the

Storm Hawks. Also I was so blinded with stress and frustration over the atrocities that she committed that I nearly went bonkers. But Nico as my second in command and chief enforcer at the time bashed me on my head and stopped me from doing something I will not like.

Nico: Yes I sure did. But still those were really awesome dogfights we had on Atmos.

Earth: Boy those were some of the best ever.

Girl Jordan: We had a lot of fun blasting numerous Cyclonians into dust.

Xenia: That was so awesome.

Nico: And she appeared again as one of Opaline's minions.

Me: The Prime Universe version did and that was shocking to see.

Camie: It sure was. But that was so awesome that we met some of your most dangerous enemies from over the years.

Me: That was so awesome and fun. Now you guys have seen some of our most dangerous enemies that we all have had some of our past experiences with.

Varie: That's right.

Camie: That was so awesome!

Sunny Starscout: It sure was amazing to see and learn about some of them.

Nico: Yeah that was awesome and thanks to Misty's intel on Opaline we were able to launch a huge all out ambush on her.

Xenia: Yep.

Misty Brightdawn: We sure did and that was amazing.

Me: Yep. You were a huge help to us Misty and we are forever grateful for that.

Misty Brightdawn: I'm glad I was able to help out on that.

Me: Yeah. Yesterday was really fun too.

May: We got to see Manaphy's daily routine.

Maria: That was so awesome and that new lava lamp she got for you guys is really awesome.

May: It sure is. As long as we don't leave it on all night.

Me: Yeah that is a fire hazard.

Nico: No kidding. But that was awesome.

Me: Yep. But when she met Courtney we were not expecting Marion Hawthorne to kick the bucket.

Xenia: That little wretch deserved it.

Nico: I agree there but man the prisoners sure did a helluva number on her.

Venus Chan: It was for the best though.

Laney: No kidding.

Nico: And the mascots watched the Estate.

Me: They sure did and they showed us lots of pictures they drew of some of Lincoln's Future Guardian Angels.

Qin: Thanks to the new final smash that Shigeru Miyamoto made for Lincoln.

Xenia: That is so cool.

Nico: It sure is.

Lola: Yeah.

Nico: Too bad they didn't capture those burglars with traps

Me: Our security system was able to take care of that.

Nico: It really worked perfectly.

Qin: Criminals would have to think twice about trying to rob our estate. It's like trying to break into Fort Knox times 1,000,000.

Nico: That is a good way to put it.

Laney: Yeah no kidding. So basically Criminals doing a job to rob is is technically now a suicide mission.

Me: Yep.

Xenia: I would definitely like to see Sombra try to get into the estate now.

Me: Me too.

Nico: So what is going on here?

Brittney: I got a message from the spirits of the Netherworld. Reverend Henry Kane is back to get Carol Anne.

We gasped!

Me: Not him again!

Camie: Who is he?

Brittney: He's the leader of a Satanic 19th Century Utopian Cult.

She went over his history and it was pure evil!

---

Reverend Henry Kane, also known as "The Beast", is the main antagonist of the Poltergeist film series. In life, this angry ghost he was a leader and priest of a Satanic, 19th century Utopian cult who held an apocalyptic view on the world, sealing himself and his followers inside a cave system in area to die: this location would eventually be built over to make the home the Freeling family would reside in within Cuesta Verde in California and his dark soul wishes to abduct the youngest child of the Freeling family named Carol Anne, to use her innocence and her untainted life essence to capture souls trying to enter the afterlife. This origin story contradicts the original movie's plot but seems to be the official story of the sequels.

He was portrayed by the late Julian Beck in the second film, and the late Nathan Davis in the final sequel. His voice was provided by Corey Burton who also did the vocal effects for the Critters in the first Critters film.

Kane was a reverend, possibly from the American South, who started a utopian cult in the early 19th century. However, Kane simply wanted to harvest the energy of his followers' spirits in the afterlife to gain supernatural power; despite this, Kane is shown throughout the films to be a zealot, as he does believe in certain religious values. He led his "flock" into an underground cavern under the premise that the world was about to end, but in truth, Kane simply wanted to kill his disciples and himself and then harvest their souls in death. It is implied in Poltergeist II: The Other Side that Kane became enemies with an immortal Red Indian shaman called the "Medicine Man" who is also known as Taylor. The novelization for Poltergeist II: The Other Side states that Taylor is the reincarnation of an Indian named Ben Lagou; Lagou was a member of Kane's cult, but when he witnessed Kane's growing evil, he turned against him. Ben Lagou was briefly possessed when he drank tequila, just as Steve Freeling later would be. Ben was able to free himself from the possession, while Kane told his followers that had witnessed this event that Ben Lagou was evil. Kane's cult headed for the cavern and sealed themselves in. Ben tried to find Kane to stop him, but could not find him. He used his shaman abilities to reincarnate himself through lifetime after lifetime until he was reborn as Taylor, who helped the Freeling family defeat Kane.

After Kane died, his ghost absorbed the energy from the souls of his followers and this fused with the power-hungry evil in his heart, transforming Kane into a monstrous apparition that the psychic Tangina Barrons would go on to call "The Beast". Kane/The Beast was able to gain his powers from his followers. However, he desired the energy of more souls which he could not obtain because they kept entering the Light, but when a house was built over his cavern in the 1980s and the Freelings moved in, Kane immediately sensed the power of the Freelings' daughter Carol Anne's innocence and because of her hidden clairvoyant abilities, and realized that it shone like the Light. As the Beast, Kane persuaded other benign spirits to join with him and his cult to abduct Carol Anne through the screen of a TV set (showing only static) and bring her to their realm, dubbed the "Other Side" where he could use her to attract more souls. Luckily, Carol Anne was rescued by her mother, Diane and brought back to the real world whilst Tangina was able to persuade most of Kane's minions to enter the Light. A vengeful Kane/The Beast used his remaining strength to make the corpses of his pawns rise from their graves and eventually consumed the entire Freeling house, but unfortunately for Kane, the Freelings escaped.

A year later, Kane tracked Carol Anne to a new house where her grandmother, Grandma Jess's clairvoyance was able to forbid him from entering the house without permission before she passed away in her sleep. This is the moment that Kane takes his human form and attempts to gain the Freeling household's confidence but Carol Anne's father, Steven, manages to see through Kane's lies and Diane even has visions of Kane's life. This is known as the famous "Let Me In" sequence. After Grandma Jess dies, Kane attacks the Freelings but is stopped by the Medicine Man, now calling himself "Taylor". Taylor gives Steve the Smoke Spirit, which has the power to resist Kane's attacks. Kane also manages to possess Steve and in a disturbing scene, it is shown that Kane is also a rapist, as he tries to use Steve's body to rape Diane, this echoes a scene from Poltergeist, where the Beast telepathically drags Diane above her bed and lifts up her top to reveal her undergarments. Luckily, Diane's love for Steve forces Kane out of his body. At the end of the film, the Freelings travel to the "Other Side" and Kane is defeated by Steve using a magical spear that Taylor gave him. Kane and his cultists became lost in limbo.

In Poltergeist III, Kane manages to trace Carol Anne to her new home at the John Hancock Center and takes possession of the entire building, using the mirrors as a gateway to their world and getting his minions to take the form of reflections. Once again, Tangina comes to Carol Anne's aid but is captured by Kane. The now defenseless Carol Anne is almost taken by Kane but is stopped thanks to Tangina's sacrifice. Kane is offered redemption, which he seemingly takes and moves on into the Light. However, at the end of the film, Kane reveals his "redemption" to have been fake, as he zaps the John Hancock Center with a bolt of lightning at the city of Chicago and laughs evilly, planning on wrecking more havoc in the world.

When Pat Gardner jumps through the glass pane into the apartment, she finds Carol Anne, Donna, Scott, Bruce and Tangina frozen and dying. She then also becomes imprisoned in ice and gets attacked by Kane and her evil mirror reflection who want the necklace. Patricia tries to repel them and declares unconditional love for her family, but trips over frozen Tangina and falls to the floor. Tangina frees her arm from the ice and grabs the necklace. She convinces Kane that she is the one who can take him to the light, not Carol Anne. Kane puts his hand on the necklace, but instead of ascending, his face cracks and he explodes. Kane and Tangina then proceeded to the light, ending the latter's reign of terror as the Beast for good. The blast frees everyone, but annihilates Tangina and causes a violent thunderstorm. Patricia, Carol Anne, Donna, Scott and Bruce leave the other side, ending Kane's reign of terror on Carol Anne for good.

---

When she was finished, everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: What a monster!

Sunset Shimmer: To torment a little girl like that is just so awful!

Nico: No kidding! Didn't you guys face him years ago?

Me: Yes it was long before you joined us Nico.

Laney: I remember that.

Me: Yep.

I went over what happened in Chapter 54.

Lucy was in the Simulator.

Me, Varie, Lori, Lynn Sr., Rita, Lori, Laney & Crysta, Aylene, Starfire, Raven, Silas and Lisa were in the control room.

The Simulator activated and Lucy found herself in a Parking Garage.

She walked around and she heard someone screaming.

Lucy turned the corner and saw a girl being pulled into a puddle.

Lucy: I'm in Poltergeist III. Wicked. That's Carol Anne Freeling!

Carol Anne: Hurry! Help me!

Lucy: Hang on!

Lucy spread her black angel wings and flew to her and grabbed her hand and pulled her out of the puddle.

Lucy: Carol Anne, hang on to me and don't let go.

Carol Anne: Okay.

Lucy fired black lightning at the puddle and out came the spirit of Henry Kane, an insane priest and leader of a 19th Century Satanic Utopian Cult that wants to destroy the world.

Lucy: Henry Kane.

Kane: Yes. How did you know my name?

Lucy: I have my sources.

Kane: Carol Anne, don't be afraid. You are the only angel who can lead us into the light.

Carol Anne: No! You only want to use me for evil!

Kane: I don't want to hurt you.

Lucy: I won't let you have her you monster!

Lucy then pushed her bangs back and revealed that she had red evil eyes!

Lucy: You want to get to Carol Anne, you got to go through me.

Me: Whoa! I didn't know Lucy had Red Demon eyes.

Laney: That's the reason why she hides them? I had no idea.

Silas: Lucy's eyes are beautiful.

Lynn Sr.: The reason we grew her bangs out was because her eyes… [Terrified] Really scared us!

Rita: They could give you nightmares for life!

Me: I don't think that at all. Lucy's eyes could literally scare the living daylights out of the most evil of people.

Varie: I agree.

Aylene: Me too. I think Lucy is gifted in all things that are dark.

Lori: You guys really care for all of us.

Laney: Yeah. I don't care if Lucy has red scary eyes. I think they're perfect for her.

Silas: Me too.

Starfire: Friend Raven, Lucy is very talented in the Dark Arts. Isn't she?

Raven: She's more than that Star. She has lots of unique powers that make her very special to the family.

Aylene: I agree Raven.

Me: Me too.

Varie: Same here.

Lucy was ready to face Kane.

Lucy: Kane, you're crimes against the world and the Spirit World will never be forgiven. You will pay for everything you've done.

Kane: I'm not afraid of you.

Lucy: You should be.

Lucy fired a black fireball at Kane and it hit him in the leg and burned it off and he screamed in pain.

Kane: How? I'm dead.

Lucy: My powers can kill a spirit.

Kane growled and regrew his leg and vanished. But Lucy's demon eyes glowed and she saw him trying to get behind her and grab Carol Anne.

Lucy grabbed Kane's hand and he was still invisible.

Lucy: Nice try Kane.

Kane: How? No human can grab a spirit.

Lucy: Guess I'm special.

Lucy threw Kane into the wall behind the puddle and fired Black Lightning and electrocuted him.

Kane got up and he was infuriated and he changed into his true form.

Lucy: You are really a monster Kane.

Kane roared and Lucy fired a Black Fireball and it hit his head and blew it off.

Lucy: You are going back where you belong you monster!

Lucy fired a huge blast of black fire at Kane and it started ripping him apart. Carol Anne put her hands on Lucy's shoulders and concentrated and it made Lucy's powers stronger.

Bruce Gardner, Pat Gradner, Donna Gardner, and Tangina Barrons arrived.

Lucy: Join your hands and channel your power into me. Come on, the fate of the world depends on it!

Tangina: She's right. Lets go.

Bruce, Pat, Donna and Tangina put their hands on Carol Anne's shoulders and concentrated and it made Lucy's power stronger than ever and Kane was forever obliterated completely.

Lucy: Enjoy oblivion Kane. You're finished forever.

Lucy, Carol Anne, Bruce, Pat, Donna and Tangina killed Kane.

Lucy turned to them and smiled.

Carol Anne hugged Lucy and cried hard into her.

Lucy comforted her and Carol Anne and her family were finally free of Kane and his evil forever.

In Carol Anne's room, Carol Anne decided to reveal the truth.

Carol Anne: The truth is I've actually had an encounter with Kane before.

Lucy: When was this Carol Anne?

Carol Anne: It was 6 years ago. My family used to live in Cuesta Verde in California. It was a good time for me, my brother Robbie, My big sister Dana, and my mom and dad. But Cuesta Verde had a dark secret. It was built over a cemetary and the bodies were never moved. A storm rolled in and me and Robbie were in bed with mom and dad. The TV was done broadcasting for the night and I heard some voices calling me. I touched the television screen and a ghostly figure came through our TV and went into our house.

Strange things happened. During another storm, A tree came to life and took my brother and I was taken into the spirit realm through my closet.

Tangina: Yes. I remember that. I assisted a team of Parapsychologists and saved Carol Anne that night.

Carol Anne: But then our house got destroyed and we went to live with my grandmother. But Kane found us and he would not stop tormenting us. I was sent to live here in Chicago.

Lucy: That's terrible Carol Anne. I'm glad Kane is gone forever.

Pat: Me too. He sounded extremely evil.

Bruce: Yeah. You saved Carol Anne and you may have saved everyone. But we never got your name.

Lucy: Oh I'm sorry. My name is Lucy Loud.

Carol Anne: How are you able to communicate with spirits, Lucy?

Lucy: I have heightened Spiritual Awareness and I can see, talk, and hear the dead and I was given special powers that can kill ghosts.

Tangina: You are truely one talented girl Lucy.

Lucy: Thank you Tangina. I'm glad I was able to help out. But what happened to Carol Anne's Mom and Dad?

Pat: Diane and Steven were both found to be insane and were sent to an insane asylum.

Bruce: Robbie and Dana were placed into the foster care system.

Lucy: Whoa. That's bad. Carol Anne, I'm sorry.

Carol Anne: It's okay, Lucy. Thank you for your concern though.

Lucy: You're welcome. Carol Anne, I hope all this doesn't scar you for life now that Kane is gone.

Carol Anne: I have a feeling it will. I've been through so much over the past 6 years.

Lucy: I wish there was something I can do to help.

The lights started flickering.

Pat: Is that Kane again?

Lucy: No. This is someone else.

A light came in and it was the spirit of Carol Anne's Grandmother, Jessica Wilson.

Pat: Mom.

Carol Anne: Grandma!

She hugged her and cried.

Jessica: You've grown so much Carol Anne. I'm very proud of you. It's thanks to you and Lucy that we can now rest in peace.

Carol Anne: I know Grandma. I miss you so much. But Kane destroyed my family.

Jessica: I know. He ruined our lives. But he's gone now and he will never terrorize our family again.

Carol Anne: I know. But I miss everyone.

Jessica: I know. [to Lucy] Lucy, you have saved not just my family but the entire afterlife.

Lucy: I'm glad I could help out Jessica.

Pat: Mom. I miss you so much.

Jessica: I know Pat. I miss you and Diane too. Donna, You are growing up really fast. I wish I could see how you will progress.

Donna: Me too grandma. We all miss you.

Jessica: I know. Carol Anne? You are a strong girl and never forget that I will always be with you. I will never leave you wherever you go.

Carol Anne: I know. Thank you Grandma. I love you.

Jessica: I love you too. I have to go now. Never forget that I will always be with you.

Carol Anne: I won't grandma.

They hugged one last time.

Jessica: Take care of Carol Anne, Pat.

Pat: I will mom. I love you.

Jessica: I love you too Pat.

Jessica then vanished and went back to the Afterlife.

Me: That was beautiful.

Varie: I'm glad that everyone can rest in peace now that Kane is gone forever.

Aylene: Me too. Carol Anne and her family have been through so much.

Raven: Kane deserves to stay in oblivion for all eternity. He destroyed that family beyond repair.

Starfire: That man is a monster.

Me: No kidding Star.

Lynn Sr.: Well now Kane can enjoy Oblivion forever.

Rita: I agree.

Lucy went back home and a wormhole appeared and she went in and the exercise was done.

The simulator was now running at maximum power.

When I was done Nico was shocked and amazed yet surprised.

Nico: Whoa! So that's why they had her bangs grown out.

Me: Yep. She has scary demon eyes. But that is a really powerful gift.

Nico: We better find her then.

Me: Then lets head over to the John Hancock Center.

Nico: One of the most famous buildings in all of Chicago.

Qin: Yep.

We entered through the parking garage.

Me: I've got a really bad feeling about this.

Xenia: Me too.

Me: But Nico, Carol Anne is back at the estate. She is not going to be found there.

Nico: Good. So this is where Kane found her before.

Lucy Loud: That's right.

We then heard scary voices.

?: (Demonic Voice) Carol Anne. Where are you?

Me: That voice. It's Kane.

Nico: I sense him.

Eli: He sounds like he's everywhere.

Nico: Kane, show yourself so we can end you already. You can't hide forever.

Me: Hmm. Wait.

We saw a huge puddle.

Nico: That puddle wasn't here before right?

Me: Nope. But I definitely know what is there.

I fired a blast of black lightning and it hit the puddle and out of it with a huge splash came REVEREND HENRY KANE!

Me: Found you!

Nico: Peek-a-boo!

Me: You are a monster Kane!

Kane: You will die!

Me: You're the one that will die!

Eli: You're not getting to Carol Anne ever again! You don't know the kind of horrors you made her and her family suffer!

Nico: That puddle thing was a neat trick. But that only works once!

Me: And we never fall for the same trick twice!

Lucy Loud: That's right.

Xenia: You will pay for your crimes.

Kane: Where is Carol Anne!?

Me: In a place called None of Your Fucking Business!

Laney: Yeah!

Camie: You're not getting her!

Me: You tortured and scarred her forever! No more!

I fired a blast of energy and blasted him all over and blasted his arms off.

Brittney: It's time for you and your followers to be wiped out forever.

Brittney pulled out her spellbook. She scrolled to a page and it was for a spell called Divine Retribution Purification.

Brittney chanted an incantation and the spell was HURTING him!

Nico: In fact, you won't even get the chance to turn into a puddle again so you can trick us!

Brittney finished the incantation and we fired waves of energy and blasted him all over and then he turned into black energy and we opened up the portal to the Black Gates and he was banished there forever!

Suddenly a massive flash of light swept over the planet and then the souls that were trapped in Limbo because of Kane and all his followers were freed and they went to the afterlife!

Xenia: WHOA!

Me: When Kane was banished to the Black Gates we freed all the souls that were trapped by him in Limbo.

Nico: Wow that was intense!

Venus Chan: And Carol Anne is free from him too.

Me: Same with all her family. Even though the damage was done

Nico: Now THOSE deserve to be remembered!

Me: That is for sure! Kane doesn't!

Xenia: You got that right.

Eli: And perfect timing too. 2 of Swartz's creations are close. They are Another Kipperin and Another Koragg.

Qin: Whoa!

Me: Kipperin is the titan that Lok is most familiar with.

Camie: That's right.

Nico: Who's up for this one?

Kaina Tsutsumi: I will do this one. I've been wanting a shot.

Me: Go for it Kaina.

Nico: Yeah.

Then a figure flew in and it was a dark version of Kipperin! It was ANOTHER KIPPERIN!

Qin: WHOA!

Me: Wow! Another Kipperin!

Xenia: Amazing!

Camie: It looks like a butterfly.

Me: It sure does.

It landed in front of us.

Nico: And you are?

Another Kipperin; (In a girls voice) I believe that J.D. knows who I am.

She reverted back and was a girl with orange hair and had orange clothes and the symbol of Kipperin on her arm, skirt and in the middle of her forehead and had orange butterfly wings.

Me: (GASP) Sylvia Kirby!

Sylvia Kirby: Been a while J.D.

Me: It sure has. Sylvia and I met in school and she comes from a very amazing fairy colony and she is a very powerful and amazing sword master and is a master of growing nature and more.

Nico: Cool.

Maria: Sorry we have to fight like this.

Sylvia Kirby: No worries.

Me: Oh is the Another Koragg friendly or hostile?

Sylvia Kirby: Friendly and knows everything about honor and all that.

Koragg: Wow this will be fun.

Me: It sure will.

Sylvia turned into Another Kipperin and Kaina formed her arm into a rifle and fired a blast and smashed her down and I caught the Wonder Ride Book and purified it. It was called The Butterfly Fairy of the Autumn Blaze.

I went and picked her up and brought her over.

Maria: Now, to summon backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) FIRE TRIGRAM 6!

She summoned Shendu, Evil Butane Man, Chilli Billi, Blarrg, Lava Bubble, and Pixie Empress along with Pyro, P'andor, Pyros and Scorcher.

Nico: Awesome!

Qin: This is gonna be great!

Me: Yep.

Nico: Now, where's the Another Koragg?

We looked around.

Me: I know you're here.

Then a figure came from behind me and I jumped over it and it stopped in front of us.

Me: Nice try!

She reverted back and it was a girl with black hair and was dressed in Tibetan Shaolin Monk Fighter clothes.

Me: Kiara Koragg! Whoa!

Kiara Koragg: (Tibetan Accent) Good to see you again J.D.

Me: You too.

Nico: You know her?

Me: She and I went to the same Shaolin Temple together in Tibet and we learned under the same grandmaster. She and I met there and we learned all the same moves and techniques. She knows so much about honor too.

Nico: That is cool!

Kiara Koragg: And I heard that you know so much too. Including the Shen Gong Wu.

Me: That's right and I trained as well under Master Fong in the arts of Xiaolin.

Kiara Koragg: Wow! You've come a long way.

Kaito: (gets out Abaranger Gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

Kiara Koragg: He didn't promise me anything unfortunately. I used what I learned in the Shaolin Arts to beat him and show him how dishonorable he was.

Me: Swartz always was a dishonorable scumbag. We destroyed him and banished him to the Black Gates.

Kiara Koragg: I'm glad you did.

Kaito got a Dino Thunder Staff and Zocks got a SPD Blaster.

Me: Sorry we have to fight like this Kiara but think of it as part of our training days that we had at the Shaolin Temple.

Kiara Koragg: I will.

She turned into Another Koragg!

Sougo: (Gets out Dino Thunder Ridewatch) This one is fitting because Connor McKnight goes on Missy's mission today.

Geiz: (gets out SPD Ridewatch) Don't forget Jason Jenkins.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

Me: It sure is. Here's what we learned.

Me and Another Koragg went at each other and did all kinds of flips, kicks, punches and techniques. I used an Ox Fist, Tiger Claw and Sun Fist and more and they were all what we learned.

Another Koragg: MONKEY STEALS THE PEACH!

I jumped.

Me: COUNTERED BY DRAGON SWEEPS HIS TAIL!

I leg swept her and she jumped.

She kicked at me and I ducked.

Me: The Shadowless Kick!

I grabbed her and threw her and she landed.

Another Koragg: Countered by Horse Drinking Water? You've learned so much.

Me: 7 years of adventures, mission and journeys all over has done so much for all of us. Not just on Earth but on countless worlds all over the universe too.

Nico: He's right.

Me: Yeah.

Nico: (gets out Koragg's Ridewatch) Can I play too?!

Nico activated it and fired waves of wolf fire blasts and smashed her down.

Nico: YEAH! Try this one. (ACTIVATES DARCY'S RIDEWATCH)

He fired waves of darkness and smashed her down.

May: Oh yeah! (Activates Behru's ridewatch)

She fired waves of darkness and smashed her all over.

May: And this too! (ACTIVATES JET BLACK'S RIDEWATCH)

She fired waves of pitch black energy and smashed her down.

Maria: Time for some fun laughter! (ACTIVATES TTG TRIGON'S RIDEWATCH)

She fired waves of red energy and it formed into funny silly books and blasted her all over.

Maria: That is funny reading. How about this? (ACTIVATES SEIRYU'S RIDEWATCH) ICE DRAGON!

She punched Another Koragg all over and froze her solid!

Qin: WHOA! COLD!

X-Squad Cyclonus: My turn! (ACTIVATES DARCY'S RIDEWATCH)

She fired waves of darkness and smashed her down.

Me: Just like old times huh Kiara?

Another Koragg: Yeah it sure is.

Vanitas and his team consisting of Dark Phoenix, Dex (Chuck Chicken). Kurumowario, Evil Hiei,and Universe 666 Professor Pyg came.

Nico: Nice team, Vanitas!

Vanitas: Thanks Nico.

Spiderman: That's awesome Vanny.

Vanitas: Thanks! Webhead.

We laughed.

Then a blast of lightning hit Another Koragg from out of nowhere and knocked her down and I caught the ridewatch and purified it and went over and brought her over.

Me: Whoa!

Eli: Nice shot Lincoln.

Lincoln: Uh that wasn't me.

Maria: That must've been the Gene Slammer!

Then Nico felt something on his legs and then popping up on both his shoulders was a Plusle and Minun.

Me: Hey a Plusle and Minun!

Xenia: Cute!

They nuzzled his face.

Me: Aww.

Plusle: (In a girls voice) Looks like the fun finished.

Minun: (In another girls voice) It sure did.

Nico: Celestia and Luna Raijin!? Whoa!

They jumped down,

Qin: The Raijin Twins. Awesome to see you girls again.

Minun: Same here Qin.

Nico: The Raijin Twins are two girls I know from the planet Rellenar.

Shanan: The Rellenarians! Wow! They are from the Pinwheel Galaxy and they were known to be the strongest and most powerful lightning angels in the universe and have lightning powers that are strong enough to destroy entire cities.

Me: Whoa! That is strong!

Shanan: It sure is. But their home planet was destroyed when it was hit by a massive gamma ray burst from another galaxy at the very distant edge of the universe.

Qin: GEEZ!

Me: That is brutal.

Nico: I got some leotards.

Me: Lets get you girls back to normal.

I put on my blind man glasses and Nico pulled out a blue and red leotard for them both.

I snapped my fingers and the boys covered their eyes and they reverted back. Celestia was a girl with red hair and had red eyes and Luna was a girl with blue hair and blue eyes. Nico gave them the leotards and they put them on. They also had red and blue angel wings.

Celestia Raijin: (Groans) Whoa that was rough.

Luna Raijin: No kidding.

X Squad Cyclonis: What are your favorite memories of Nico?

Celestia Raijin: We don't have any unfortunately. We mostly spent our time on Rellenar before being sent to Earth.

Luna Raijin: Yeah.

Me: Well you can call Earth your home now.

Xenia: I agree.

Nico hugged them both.

Nico: I missed you girls.

Celestia Raijin: We missed you too Nico.

Luna Raijin: We'll have to be shown around Earth to help us get to know this place.

Me: We can gladly do that for you.

Nico: And in case it's not clear, as of right now, Lila Rossi's now fair game.

Me: That's right.

Chloe Bourgeois: Our code may have stopped us from killing her. But not this time.

Qin: That's right.

Lola: Now she is the right age for us to get rid of her forever.

Nico: You got that right.

We went back home.

Lincoln: Wow, we're here in the heart of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but we're also going to destroy two very dangerous vampires named Emmett Dragomir and Victoria Bloodtear.

Nico: What, Emmett Dragomir and Victoria Bloodtear are back?! I thought we drove those two very dangerous vampires back into the shadows after we defeated them years ago in New Jersey, Fira.

Fira Han: We did, but it looks like those two vampires refuse to give

up.

Me: Uh oh, I'm not going to like hearing about them one bit.

Nico: You sure aren't, J.D. Emmett Dragomir and Victoria Bloodtear are two very dangerous vampires who caused havoc throughout New Jersey for years, but Fira, her sisters, and I defeated them long ago and we sent them running back to the shadows, but they swore bloody revenge on us before they disappeared into the shadows. But, now years later, they'd returned, and they have two Dark Orbs embedded in their hands, and it allowed them to walk about in the daylight and protected from the lethal rays of The Sun.

Lincoln: But, it won't save them, we're going to destroy those two vampires by ripping the Dark Orbs out of their hands, and without the protection of the Dark Orbs, they'll be incinerated by the Sun for good, and I want to thank you and your team for joining us, Clay.

Clay Bailey: You're welcome, Lincoln, and isn't today the day of The Cutie Mark Crusaders' mission?

Apple Bloom: It is. Oh man, we're going to meet up with Natsumi and Miyuki once again.

Scootaloo: And not only send some criminals to jail, but today's the day we finally destroy Lila Rossi.

Sweetie Belle: She had done enough damage to too many people, and now, she's finally going to die here and now, and with the Titania's Blood Rose Blossom Curse still on her, it'll be the perfect way for her to die.

Misty Tredwell: That's right.

Savanna Rossi: At least, my brother finally saw that Lila was nothing more than a monster to all of Paris and a terror to Mom and Dad.

Suddenly, we saw a beautiful girl with short purple hair, violet eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple angel wings, she has on a tiara with the Kamen Rider Calibur logo, she's dressed in a sleeveless purple vest, sleeveless purple midriff top, necklace with the Kamen

Rider Calibur logo for the pendant, purple skirt and she has the Jaaku Dragon Wonder Ride Book on her waist, purple pants, purple legwarmers, purple sneakers, and long white long-sleeved trenchcoat with darkness, swords, and angels on the coattails and on the back is the Kamen Rider Calibur logo and holstered on her back is a massive Jaaku Dragon-themed greatsword with embedded purple gems and Jaaku Dragon etched on the 7'0" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large purple dragon heads and large purple gem on the bottom of the large purple dragon heads for the pommel, and in her hand is the Ankokuken Kurayami, and she has the thirteen girls with her.

Qin: Whoa, so that's the Kamen Rider Calibur embodiment on Lincoln's side.

Girl: That's correct, and I got the thirteen girls away from those two vampires before they could attack them and drink their blood.

Lincoln: (Gasps) Hailey Fukamiya, I knew it was you, it's awesome to see you again.

?: You and your sisters aren't leaving here alive, Fira Han, you all along with that freak, Nico Chan, shall suffer our vengeance!

We then saw our targets: a black-haired male vampire with red eyes, fangs, and dressed in black clothes and a female vampire with long black hair with red eyes, fangs, and dressed in black clothes, they're none other than Emmett Dragomir and Victoria Bloodtear, the two very dangerous vampires and dangerous enemies of The Han Sisters and Nico.

Fira Han: Emmett Dragomir and Victoria Bloodtear, right on time.

Victoria Bloodtear: You pathetic sisters ruined our fun in destroying the humans, and now, we will destroy every last one of you.

Lincoln: The only thing awaiting you two is death by sunlight once we rip those Dark Orbs out of your hands. Let's get these two vampires and rip them limb from limb.

Then, Lincoln ripped off the Dark Orbs embedded in their left hands and he threw them into the air and we fired energy blasts and destroyed them and our blue auras prevented the shards from getting into us and they too were also destroyed. Emmett Dragomir and Victoria Bloodtear were horrified by what we just did, and without any protection, The Sun's lethal rays began hitting them, and they both let out screeches of pain and agony as they were turned to ashes by The Sun, and their spirits were then sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Fira Han: Good riddance to you two blood-drinking fuckers!

Lincoln: That's two more evil vampires put down and destroyed once and for all. (To Hailey Fukamiya) And it's so good to see you again, Hailey Fukamiya.

Hailey Fukamiya: You too, Lincoln, it's been a long time.

Lincoln went up to Hailey Fukamiya and he hugged her, and Hailey Fukamiya is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Hailey Fukamiya: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Hailey Fukamiya, Embodiment of Kamen Rider Calibur, she's my Guardian Angel from Japan and classmate in Gym. Hailey Fukamiya is known as a talented and powerful swordswoman and she also has the powers of darkness. She and I trained a lot in swordplay and mastering the powers of darkness, and she also introduced me to Kamen Rider Saber when they were eight years old, and have watched every episode ever since. I made Hailey a tiara with the Kamen Rider Calibur logo on it and necklace with Kamen Rider Calibur logo for the pendant, and to show thanks, she kissed me on the lips.

Nico: That's awesome. Wait, did you say her last name is Fukamiya, then that means…?!

Lincoln: Yep, she's also the daughter of Hayato Fukamiya A.K.A. Kamen Rider Calibur, and she hates Lila Rossi with a burning passion.

MASSIVE CLANG!

Our jaws dropped to the floor. We picked them up.

Me: Holy crap!

Nico: That's really incredible, and she already knows her dad's in The Masters of Evil, right?

Lincoln: She does, and she heard of what we did to that delusional lunatic, Storious, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her father, also has the Jaaku Dragon

Wonder Ride Book.

Lincoln: Along with the Ankokuken Kurayami and a massive Jaaku Dragon-themed greatsword.

Hailey Fukamiya: And I heard that today's the day we finally get to kill Lila Rossi, it's about time, now we'll finally be rid of that bitch for good. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Hailey Fukamiya: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Hailey Fukamiya: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln went up to Hailey Fukamiya, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Hailey Fukamiya: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Hailey Fukamiya's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Hailey Fukamiya: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hailey Fukamiya.

Hailey Fukamiya had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirteen girls, and when Lincoln saw who they were, he immediately recognized them. The thirteen girls are Miyuki Tigerlily, Penny Loveheart, Haruka Kokona, Najimi Osana, Amai Odayaka, Kizana Sunobu, Oka Ruto, Asu Rito, Muja Kina, Mida Rana, Osoro Shidesu, Hanako Yamada, and Megami Saikou from Yandere Simulator.

Lincoln: Oh wow, it's Miyuki Tigerlily, Penny Loveheart, Haruka Kokona, Najimi Osana, Amai Odayaka, Kizana Sunobu, Oka Ruto, Asu Rito, Muja Kina, Mida Rana, Osoro Shidesu, Hanako Yamada, and Megami Saikou from Yandere Simulator.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Miyuki Tigerlily: Yes, we're okay thanks to you for saving us from those two blood-crazed leeches!

Miyuki Tigerlily: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Miyuki Tigerlily: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miyuki Tigerlily, Penny Loveheart, Haruka Kokona, Najimi Osana, Amai Odayaka, Kizana Sunobu, Oka Ruto, Asu Rito, Muja Kina, Mida Rana, Osoro Shidesu, Hanako Yamada, and Megami Saikou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villains we went after were Emmett

Dragomir and Victoria Bloodtear, two old enemies of The Han Sisters and two dangerous vampires who caused havoc throughout New Jersey for years, only to be defeated by The Han Sisters and Nico, but they'd sworn bloody revenge on them before they disappeared into the shadows, and years later, they'd returned, and they had two Dark Orbs embedded in their hands which allowed them to walk about in the daylight and protected from the lethal rays of The Sun.

But, when Lincoln showed what we all did in beating those two blood-sucking monsters into the dirt, and then Lincoln ripping the Dark Orbs out of their hands in a painful manner, which of course caused them to lose their only protection from The Sun and they were eventually burned to ashes and then, their spirits were sent to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Hailey Fukamiya have a lot of catching up to do, now that she's back in town.

Qin: That'll be the last time we ever have to deal with those two bloodsucking leeches from New Jersey.

Fira Han: They made the big mistake coming after us, I thought they'd stay away from us, but no, they refused to learn their lesson.

Lincoln: Just like the vampires we'd put down, those two wanted revenge. Plus, we found out what a Dark Orb can do for a vampire if they ever acquire one, it offered them protection from The Sun's rays.

Me: But, as soon as you ripped those Dark Orbs out of their hands, Lincoln, they lost their one and only form of protection from The Sun.

Nico: And they got burned to ashes, serves those two bloodsucking leeches right.

* * *

After finally destroying Emmett Dragomir and Victoria Bloodtear, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Hailey Fukamiya saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hailey Fukamiya: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hailey, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hailey Fukamiya: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Hailey Fukamiya: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Hailey, what memories did you have with Lincoln, and which one of Lincoln's enemies or one of his five mean sisters tried to do to you and him?

Hailey Fukamiya: I thought you'd never ask, I still remembered this one story all too well. One time, Lincoln was with me and we were doing some training with our swords and the rest of the Guardian Angels who were with us. But, then, we heard a loud thunderous belch in the air, and there was only one person we know who'd make that kind of burp: Lynn. We headed out of the forge and we saw her, she was on all fours like an animal, her eyes red with hatred and insanity, and growling like an animal. Then, she charged right at us, but Lincoln and I fired two dark energy blasts at her, which sent her flying into a tree, but she got up and she roared and beat her chest like a gorilla and charged at us again, but then, Lucy showed up along with The Young Morticians' Club, and they fired blasts of darkness and it sent Lynn crashing into a fence, and this time, it knocked her out big time. Then, Lincoln tied Lynn up, and after we got a shower after our training, we went back home and after we told Mr. and Mrs. Loud of what Lynn tried to do to us, she was grounded for fifteen weeks and she was thrown in a metal box. She roared again and pounded hard on the door, but Nicholette Torrington flipped her the bird in the window and she roared again and beat her chest like a gorilla.

Nico: Whoa, that was some awesome work, Lucy.

Lucy: I had a feeling Lynn would try to attack Lincoln again, and we were fortunate to head on over to help them after we were coming home from our meeting at the cemetery.

Becky Long: We were so glad you did, Lucy.

Rita: We knew Lucy had a meeting on that day, and we were so proud of her and her friends for coming to Lincoln's defense and stopping Lynn Jr. from trying to kill her brother again.

Lynn Sr.: She got the jump on Junior yet again, and it cost her big time.

Me: It sure did, but Lynn should know better than to try and attack her brother yet again.

Nico: But, Dark Lynn was always a vengeance-crazed animal who doesn't even know when to fucking quit, so glad Lincoln gave her The Black Gates last year, along with the other Dark Sides of The Louds.

We got a shower, and then, Lincoln, Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee are heading to Laverra Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble

Dee had feelings for Lincoln, and he had the very same feelings for them, especially since Sonic was the one who introduced Perci, Staci, and Breezie to Lincoln and when they met him, it was love at first sight, and the same with when he met Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee thanks to Twilight Sparkle and her friends, and we knew from Lucy that Persephone had feelings for Lincoln for a long time, and the same with Jenna, along with Cici, Beatrix, and Belle Yates, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Breezie the Hedgehog: Wow, so this is Laverra Beach, awesome.

Lincoln: I've never been here before to Laverra Beach, and it's perfect for our first date before we go on The Cutie Mark Crusaders' big mission today and finally destroy Lila Rossi, Breezie. Shall we?

Lincoln, Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee, and they hugged the girls in their abnormally massive and powerful muscular arms, and Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Laverra Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Persephone, Hattie, Cici, Jenna, Beatrix Yates, Belle Yates, Perci and Staci, Breezie the Hedgehog, Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee are now part of your harem, awesome!

Nico: I knew they had their feelings for Lincoln, and we knew that Sonic was the one who introduced Perci, Staci, and Breezie to Lincoln, and when they met, it was definitely love at first sight.

Sonic: I couldn't forget the lovestruck looks on their faces when Lincoln kissed them on the lips.

Amy Rose: They'd heard a lot about him on the news, and now, they're part of his harem.

Alya: This is definitely awesome that many of Sonic's female friends are now part of Linky's harem.

Twilight Sparkle: You said it, and I couldn't forget when Lincoln kissed Blueberry Cake, Starlight / Starshine, Sophisticata, and Scribble Dee on the lips when we introduced them to him, it was really amazing.

Margo: And we were definitely in for a surprise when we found out Hattie, Cici, Jenna, Beatrix, and Belle had feelings for Lincoln.

Lucy Loud: And we knew Persephone had feelings for Lincoln for a long time.

---

Later it was time for Missy's third mission.

William: Anyone else want to go with Missy? Besides Connor McKnight, Jason Jenkins, Kong, and the other Quantum Girls?

Jared: I'll go next.

Nico: Okay.

Me: Awesome idea son.

Nico: This is gonna be great. Lets go.

We were off.

---

We arrived in Eden City.

Me: Here we are.

Erica Haddock: Wow! So this is Eden City.

Ellie Singh: Incredible!

Jason, Matt and Ellie came.

Jason James: Hey guys!

Me: What's shakin?

Missy: Guys, meet Connor McKnight and Jason Jenkins.

Connor McKnight: Awesome to meet you guys. Connor McKnight, leader of the Dino Thunder Power Rangers.

Jason Jenkins: And I'm Jason Jenkins, protector of Skull Island.

Qin: And meet the rest of the Quantum Girls.

Ellie Singh: Awesome to meet you guys. Ellie Singh, Kineceleran Gene-slammer.

Erica Haddock: And I'm Erica Haddock, Tyrannosaurus Rex Gene-slammer.

Matt Martin: Awesome to meet you girls.

Me: And this is my son Jared.

Jared: Hey there. Jared Knudson. Awesome to meet you all.

Jason James: You too Jared.

They saw Kong too.

Nico: And this is Kong.

Me: He is the defender of Skull Island.

Jason James: Wow! He is a big gorilla.

Me: He's huge huh.

Jared: Jason and his friends on Skull Island are protectors of the island. Jason's grandmother is one of the leading scientists that are protecting the inhabitants there to make sure they don't get taken down by poachers.

Nico: It's true.

Ellie Martin: Wow! That is amazing.

Matt Martin: Where is Skull Island?

Me: In the Solomon Islands in the Bougainville area.

Eli: Lots of Kaiju are there too.

Twilight Sparkle: He's not kidding and it's an amazing island.

Jason James: But he seems to have gotten a bit smarter and can talk now.

Me: He's evolving and growing feelings and emotions.

Qin: Wow that is amazing.

Me: Yeah no kidding.

Qin: Wow. Just like a gorilla that Terry McGinnis knows.

Me: I remember hearing about that. That is amazing.

Connor McKnight: It's happened to quite many of the Masters of Evil members. Like the Scooby Doo monsters.

Me: Yeah many of them couldn't talk before and now they can.

Qin: It's true.

Matt Martin: That is amazing.

Me: But we're ready for anything Stankfoot has to throw at us.

Jason James: That's good. Applejack, Rarity, Rainbow Dash, I heard your sisters are all going into battle against Lila Rossi later today.

Applejack: Y'all heard right.

Rarity: And we're going to help them out.

Rainbow Dash: It's going to be awesome.

Jason James: You should still be on guard though. No telling what that crazy bitch still has planned.

Nico: C'mon. It's her last day alive. What could she possibly be planning right now?

Me: Nico don't ask that. Usually it's bad.

Qin: He's right.

Nico: Sorry.

Jason Jenkins: How about we go looking for Blacktop. Shouldn't be easy to miss.

Me: Okay. I just hope it's not a time portal. I've had enough of those to last a lifetime ever since Lex Luthor nearly tempted me.

Nico: Yeah me too.

Me: But now that I'm permanently dark orb free, I'm not going to give into temptation that easily.

Nico: Good for you.

We got to searching for Blacktop.

Nico: Now, if I were a big ass mutant, where would I be?

We searched.

Eli: I sense him!

We then heard screaming and then saw people running and we saw people being chased by BLACKTOP!

Qin: WHOA!

Me: He sure is ugly!

Nico: Nasty guy.

Connor McKnight: Dino Thunder Power Up!

Jason Jenkins: Merger Sequence engage!

Connor turned into DINO THUNDER RED!

Jason merged with Kong!

Blackout got a man and he screamed.

Me: Take your fucking hands off him you damn dirty ape!

I blasted Blackout and knocked him down and he let the man go!

Blacktop: Z Strap. I see you got new friends.

Z-Strap: That's right we sure did.

Me: And you're looking right at them.

Nico: Stankfoot will soon become a forgotten memory and he will pay for everything he did.

Starlight Glimmer: Yeah that repulsive malodorous foot freak is going to get it.

Me: And he needs to wash his feet too.

Blacktop: (chuckles) It used to be funny, you know? You'd foil one of Stankfoot's plans in and he'd start rambling on and on about how he'd get revenge on you. And then one day, it just wasn't funny anymore. It was like he'd last it starting just a month ago. He stopped taking care of himself, got that crazy look in his eyes. I swear, he's broken. You and your new friends broke him. Just like how they broke most of their enemies. And now you're trying to beat me down for feelin' sorry for him. Screw you!

Connor McKnight: Thanks for the info. Now, here's some food for thought. Did we make him mutate many people a long time ago?

Me: I should say not!

Jason Jenkins: (Gets out Primator's Kuuga Weapon) Did we make him send mutants to wreck Eden City?

It was a Monkey Hammer.

Z Strap: And did we make him go on a path of villainy? No! Whatever his mental state is, he did that to himself. So don't go blaming us for it!

I'm the one who didn't get to grow up with any parents!

Me: Oh boy.

Eli: Not good.

Jason bashed Blacktop and smashed him all over.

Me: And we're going to do more than just break Stankfoot. We're going to kill him.

Missy: (starts sweating) Jason, try not to freak out.

Jason James: What do you mean?

Me: You're going to see.

She transformed and went into her MEWTWO FORM!

Ellie Martin: Oh my!

Qin: Yep.

The other Quantum Girls started sweating as well.

And they transformed too!

Qin was Scalebreath, Ellie was her XLR8 form and Erica was her Tyrannosaurus form!

Matt Martin: WOW!

Ellie Martin: Awesome!

Nico: Yep.

Connor: (gets out Beetle's Kuuga Weapon) Don't leave me out!

It was a thunderstrike sword! He fired waves of lightning and electrocuted Blacktop.

Scalebreath fired a blast of fire and burned him.

Nico: Oh yeah!

Eli: Take this!

He fired blasts of Force Lightning and electrocuted him.

Blacktop: See how you like this!

He ripped out a street sign and used it as a makeshift club.

Eli then ignited his lightsaber and slashed the sign and destroyed it..

Me: Try this one!

I fired waves of lightning and blasted him down.

Me: Nice!

Missy: Confusion!

She fired a confusion blast and made him confused.

Then a lightning blast hit Blacktop from out of nowhere.

Nico: Whoa!

Me: That was unexpected.

Nico: Who did that?

A Manectric came.

Me: A Manectric. Awesome!

Manectric: (In a girls voice) That will show him!

Nico: Lauren Jackson!

She reverted back and was a girl with blond hair and had blue and yellow clothes one and had blue eyes.

Lauren Jackson: That was cool though. Awesome to see you again Nico.

Z Strap: What's your favorite memory of Nico?

Me: You're catching on Jason.

Lauren Jackson: My favorite is when me and Nico invented a Ball Lightning powered generator.

Me: Wow that is interesting.

Eli: Very clean energy too.

The Quantum Girls reverted back.

Ellie Singh: I agree there.

Nico and Lauren hugged..

Nico: I've really missed you.

Lauren Jackson: Me too Nico. Me too.

Blacktop was teleported to the M.O.E. HQ.

---

We later came back.

May: Hey guys how did it go?

Me: Really awesome.

Jared: Yeah it sure did.

We told them all about it and it was awesome.

Camie: Cool!

Xenia: Boy that was awesome.

May: Next time, Zatch, Kiyo, and Ness should go with you.

Me: Good idea.

Lola: Yeah and me and my siblings will go too.

Qin: I was just about to suggest that.

---

Later the Cutie Mark Crusaders were in the bathroom changing.

Hercules: What's that you girls have?

Me: Oh the Cutie Mark Crusaders have something cool that they want to show us for their big day.

Apple Bloom: Almost ready guys.

Sweetie Belle: You'll love this one.

Scootaloo: Yeah you sure will.

Me: I have a feeling it will be awesome.

Then they came out and were dressed up in police uniforms.

Apple Bloom: Officers Apple Bloom.

Sweetie Belle: Sweetie Belle!

Scootaloo: Scootaloo!

Diamond Tiara: Diamond Tiara!

Silver Spoon: And Silver Spoon!

Cutie Mark Crusaders: Reporting For Duty!

Scootaloo: We're going to be ready for this.

Me: You sure are.

Bludgeon: I hope Lumpus is there as a secondary target!

Me: I have a feeling he will be.

Apple Bloom: Me too!

Me: One last thing to make your uniforms complete.

I made copies of my blaster and gave it to them.

Me: Perfect.

Diamond Tiara: Awesome!

Silver Spoon: Our own blasters!

Me: Now you're ready!

Rarity: You sure are girls!

Ironhide: Hang on. That can't be all your weapons. Let me give you girls a few Cybertronian Weapons!

He gave them laser sabers, and belts with explosives and more.

Me: There!

Nico: Whoa nice!

Xenia: Much better.

Apple Bloom: I agree there. Thanks Ironhide.

Ironhide: No problem girls.

Nico: Now you're ready.

Maria: Is the next Gene Slammer coming?

Then a knock was heard at the door.

Me: (Singsong) (Immitating Mr. Krabs) Come In!

The door opened and in came a Medicham!

Qin: Wow a Medicham!

Lola: Wow this one is awesome.

Medicham: (In a girls voice) (Chinese Accent) I am glad you like how I look like this.

She reverted back and it was a girl with red hair and red eyes and had a red Chinese Outfit on.

Nico: Jun Chao! Awesome!

Jun Chao: Good to see you again Nico.

Nico: Same to you.

May: What's your favorite memory of Nico?

Jun Chao: When me and Nico were in China and we had a General Tso's chicken eating contest and he won. I never saw anyone eat that much of it before.

Nico: It was tasty stuff.

Me: It sure is.

Nico and Jun hugged.

Nico: I've really missed you.

Jun Chao: Me too Nico. Me too.

Indigo Zap: Nico, which teams have you made this time?

Nico: Koji's team will include Ziggy Grover, Takayuki Hiba, Rachel

Ridley, Estella Rockell and Sophia Nurenberg. Fabia's team will include Konata Izumi, Vice, Hikari Yukimura, Shiro and Hana Natsuki.

Qin: Awesome ideas.

Lola: Yeah! Hana Natsuki is gonna be perfect for Fabia's team.

Lana: Yeah I agree too.

Maria: And Estella being on Koji's team is perfect too.

Nico: I agree there too.

Xenia: Yeah.

Then the previous group came.

Ebon: Can me, Bane, Vexen, Firefly, Calamitous, Webstor, Leonard, King Hiss, Hydro Man, Vypra, and Shiv go with you guys?

Nightshade: Me, Buff Frog, Nightstrike, Liquidator, Man Spider, Kaa, Beagle Boys, Albedo, May Kanker, and Evil Ice Man will come too.

Nico: Yes you all can come with and it's the Cutie Mark Crusaders big day.

Qin: Yeah this is gonna be so awesome.

Lola: We're really excited for them.

Napalm Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm going for a Volbeat, Illumise and Roselia next.

Qin: Oooh those will be good choices.

Lola: Yeah!

Me: This will be interesting.

Nico: Yep. Lets head out guys.

Me: You got it. We promised France a show and By golly we'll give them one!

Misty Tredwell: That is for sure!

Nico: Here we go!

We were off to Japan.

---

We were flying to Japan.

Vexen: Correct me if I'm wrong but aren't Natsumi and her team Gene Slammers now?

Evil Ice Man: I remember you guys told us about that.

Me: Yes they are.

Qin: This will be awesome!

Lola: It sure will.

Lemon Zest: I see them!

We saw them in a shootout with a bunch of bank robbers that were holding the cops back.

Me: Looks like we got a 2-11 in progress!

Apple Bloom: Lets do it guys!

We went at the robbers.

Natsumi: This is tough!

Then the Cutie Marks of Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara and Scootaloo appeared and swirled around and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Cutie Mark Crusaders: CUTIE MARK CRUSADERS HOOOO!

The Cutie Mark Crusaders came out of a massive fiery explosion and they blasted and pulverized the robbers and tied them up!

Natsumi: Oh yeah!

Miyuki: YEAH! Way to go girls!

Me: You robbers have failed this city!

Lola: Big time!

Ayaka Kobayakawa: Yeah they have!

Natsumi: Hey guys!

Apple Bloom: Looks like we got here just in time.

Miyuki: You all sure did.

Webstor: Can we talk back at your Police Station?

Natsumi: Sure!

Nico then noticed movement in a nearby alley.

Nico: You guys go ahead. I'll catch up after I check something out.

Man Spider: Alright. Don't take too long.

Me: Okay.

Girl Jordan: (Nico went towards the alley) I think we should go with him.

Firefly: Oh, so it's ok for you, J.D., and some of the others to go off on your own behind Nico's back but it's not okay for Nico to do the same thing? Just trust that he'll be okay, alright?

Me: Don't worry we will.

We followed Nico.

Nico saw none other then Lila Rossi in the alley.

Lila Rossi: So, you finally decided to end me, huh?

Nico: Damn right! I told J.D. to be patient until the day came to finally kill you. And that day is today! J.D. and the others were right. We should've destroyed you with the Black Gates at the first chance we got!

Lila Rossi: Well, here I am. So what's stopping you?

Nico: For once, you and I are in agreement! (charges my hand with Black Gate Energy) J.D. and the others will be disappointed that I've destroyed you early. But they'll understand.

Lila Rossi: (starts laughing) Maybe they will. Maybe they won't. But sadly, you won't get to kill me right now.

Nico then felt someone grab me by the back of the shirt and throw me to the ground. To my shock, I saw Volpina standing next to Lila.

Nico: What the fu-

Lila Rossi: (laughs) You fell for the old fake Lila Rossi gag, Chan!

Volpina: Batter up! (knocks Nico out with baseball bat)

10 minutes later…

?: Nico, wake up! Nico!

Nico woke up to see Maria staring right at me.

Nico: Maria? I thought I said-

Maria: (laughs) Did you really expect J.D. to leave you to go investigate something by yourself. He sent me in case something happened.

Nico: Thanks. We need to get back to them. I just witnessed something very confusing.

Me: You fell for an illusion of Lila. But I saw right through it with my

Sharingan and Edzilla grabbed the real Lila and Volpina and sent them both flying.

Sasuke: Smart thinking J.D.

Me: Not even illusions are a match for the genjutsu piercing power of the Sharingan.

Camie: That's for sure.

Nico: OW!

Me: You got hit hard.

Lana formed a block of ice on his head.

Me: Before Edzilla threw Lila I put a tracer on her.

Qin: Clever.

Zhuqiaomon: Now we'll know where she is.

Anakin: I'm not sure that WAS an illusion. Because no illusion would be able to knock Nico out with a baseball bat.

Nico: Yeah yeah. You can scold me for being a dumbass when we get to the station.

May: (Punches Nico in the stomach) That was for going off to face her by yourself you ninny!

We got to the station.

Centaur Man: Nice place. I bet the one Gotham Royal York has is just as good as this one.

Natsumi: It's an awesome station.

Me: It sure is.

Sheila: We're glad to help you guys out today.

Miyuki: We are too and Apple Bloom, girls you all look like true official police officers in those outfits.

Apple Bloom: We wanted to make ourselves official for this mission.

Qin: It's a great outfit for them all.

Hydro Man: So, what police car do you girls drive?

Liquidator: Is it a Ford Taurus?

Natsumi: Not really sure but we have lots of cars.

Qin: Doesn't really matter then.

Xenia: But it will be awesome taking down Lila.

Me: We have everything all set up for her demise.

Marinette: Everyone in Paris is looking forward to this.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai. What's the emergency?

King Kai: (Telepathically) You're not going to like it: Lila Rossi's escaped and she's in Japan right now. And even worse news, that sociopath had assistance from her other self.

We gasped.

Lincoln: (Gasps) Volpina. So, Volpina has now become a separate entity, and she was the one who freed Lila Rossi.

Alya: We better watch it with her, she has the power to create illusions to mess with our minds.

Lincoln: The only thing that can see right through her illusions is the Sharingan, which we all have, thanks to all the times we've killed Evil Sasuke.

Me: Right, Lincoln, and with the Sharingan, we'll see right through her illusions. Now, we can finally hunt down Lila Rossi and Volpina and kill them both.

Nico: A two-for-one deal, this is literally an awesome deal.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Reddvexa, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Reddvexa of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Gettroa, right, Lyra?

Lyra Han: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Cassie Evanstein: While you, Nico, Apple Bloom, Scootaloo, and Sweetie Belle destroy Reddvexa and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to meet up with Natsumi and Miyuki. (Eyes turn Red) And then, we're hunting down Lila Rossi and Volpina and killing them both.

Lincoln: The time's finally arrived for those two to finally be destroyed for their crimes against Paris and the world, and once we get through with killing those two monsters, you better be ready to die, Reddvexa.

Lyra Han: You better be ready to suffer, Lila Rossi and Volpina, you two have had this coming for a very long time, and the same goes with you, Reddvexa, the lightning storms of The Netherworld are coming for your wretched souls!

Savanna Rossi: You've had this coming for many years, Lila. You've terrorized all of us for far too long along with Marinette, our friends, and all of Paris, and now, Judgement Day is coming for you and for Volpina, and you two will never leave Japan alive, you two will die here and now!

Me: We'll be ready for them too.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume carrying 3 bottles of beer.

Poromon: (to Natsumi and her friends) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Swindle: (laughs) That's right. And they're free!

We laughed.

Me: Yeah.

Miyuki: Oh Poromon look so cute as a fairy.

Qin: (LAUGHS) We all thought it was awesome and adorable.

Nico: Yeah.

Natsumi: Digimon and Pokemon that drink beer?

Me: Don't fucking ask.

Shiv: (to Maria Mysterio) No offense but it's obvious that your spell to keep Dark Orbs out didn't work since now, the stress of missions is getting to J.D. and the others so much that they're seeing double of Lila Rossi.

Maria Mysterio: No, my spell worked. I swear. J.D. and the others were there to see it!

Miyuki: Actually, Nico might be onto something.

Nightstrike: What do you mean?

Natsumi: We spotted Lila in the area a week ago and thought we would do you guys a favor by gunning her down while she was stealing some parts for a machine she's building. But then, the bitch's Volpina alter ego helped her escape by throwing a smoke bomb at us.

Me: Actually Maria's spell DID work. Scans show there are no Dark Orbs in us.

Nico: But what is this machine she is building?

Itasis: What exactly were the parts Lila and Volpina stole?

Natsumi: (shows the list of parts) Here they are.

Stewie: Is it okay if I analyze this for 5 minutes?

Natsumi: Go for it.

He analyzed the list of parts.

Me: I've got a really bad feeling about this.

Nico: Me too.

May Kanker: Did you figure out what Lila's building?

Stewie: Yeah. And it's not good.

Lincoln: (annoyed) ANOTHER time portal?! I swear, that kind of trick is getting really old!

Stewie: No. It's worse. She's building a Reality Rewriting Machine.

Vypra: Oh no! Lila isn't planning to change the time line. She's trying to change reality!

Me: Change reality!? HOLY FUCKING SHIT!

Marinette: I get it. She's going to use it to rewrite reality to ensure she's the only one who wields a Miraculous!

We gasped!

Me: Not on our watch!

Then a flash of light came and it was Professor Paradox!

Professor Paradox: I made sure that wouldn't happen.

Me: Professor Paradox good to see you.

Professor Paradox: You too James. I took a vital component she needs to make the machine work while she wasn't looking.

It was a Reality Warping Crystal called Celestialite. It looked like a black crystal with rainbow stars in it.

Shanan: Celestialite Crystal! That's a crystal that is known only to the Celestialsapiens!

Professor Paradox: (sighs) And I had help from someone Natsumi knows.

Strike Man then appeared.

Strike Man: It is I, Strike Man! Here to help save the day from evildoers everywhere!

Robot Master Strike Man: Hey! That's my name!

Maria: Natsumi, I take it you know him?

Natsumi: Yes he's our local hero Strike Man.

Me: That is completely coincidental. We have a Robot Master named Strike Man and now you too.

Strike Man: Yes that is right!

Apple Bloom: We never met you on our ambassador missions.

Sweetie Belle: But now we have.

Bombshell: Thanks, Professor. Nico will hang on to this so Lila doesn't get it. Strike Man over here can help us.

Professor Paradox: It was my pleasure.

Nico: But the question is how in the world did Lila get this?

Shanan: Yeah Celestialite is the most powerful crystal substance in the entire universe. It's said that this crystal is what was used to make the numbers of planets in the universe that exist to this day.

Laney: Wow that is powerful stuff.

Nico: No kidding.

King Hiss: And there's still the matter of Volpina, who seems to be separate from Lila right now.

Kaa: (to Paradox) You can't spoil what's really going on, can you?

Paradox: No. But I know you all will be able to stop her like you always do.

Me: Thanks Professor and we owe you and Strike Man big for helping us. Oh speaking of which, Natsumi we owe you and Miyuki big time for helping us last week.

Veon: That's right. You helped take down Jashin 14.

Natsumi: That was so awesome.

Apple Bloom: Boy it sure was.

Kazuma: Yeah that was so awesome. Thanks girls.

Miyuki: No problem guys. That was fun.

Me: That means the Revice team is coming shortly.

Ayeka Kobayakawa: But there IS one question we'd like to ask.

Leonard: What's that?

Nadeshiko Tsujimoto: We've been hearing rumors about a horror version of Winnie the Pooh. We were hoping you guys could tell us more.

Beagle Boy leader: Girls, I'm not sure that's a good-

Poliwag: OH, WE'LL GLADLY SHOW YOU WHAT THAT ABOMINATION IS! (shows trailer close to Natsumi's face) LOOK AT IT!

Me: Oh for Gods Sake! (SPINS MAGISWORD BRACELET)

ROUNDY SPINNY THING MAGISWORD!

I calmed the Mascots down with it.

Me: But yeah it's all true.

I told them everything.

Natsumi: Oh man!

Octane: I know, right? It's a disgrace to Pooh's legacy! And look how ugly it made Piglet!

Me: I agree! That movie came out 6 days ago and we put it on our blacklist of movies we will Never EVER watch in a million bazillion years even if you held a gun to our heads and threaten to blow our brains out.

Qin: That's extreme but yeah that's right!

Natsumi: I don't blame you guys one bit.

Calamitous: How about we show you girls the usual battles now?

Albedo: Natsumi can join in too.

Me: Yeah. It's time you guys saw a demonstration of our power.

Natsumi: I would be honored to help.

Miyuki: This is gonna be awesome!

We went outside and Maria called it in.

Then Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL, Artie Ziff, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, Dottie, Blizzard, Tormes the Centaur, Slug, Kingpin, Touch & Go, Malodor, Cajun Fox, Yost Korvac, Quackor the Fowl, Hercules Cyclops, Beagle Babes, Big Cheese, Glomgold, Birdbrain, and Gourd appeared.

Stinky Butt: The seperate Volpina mystery still puzzling you?

Nico: Honestly, yes.

Anti Wanda: Don't worry.

Cavalier: We'll figure out the truth when we get to it.

Me: Yeah.

Eris: (to Nico) We heard you fought Kane.

Nico: We sure did.

Mammoth: I hope you pounded him to a pulp!

Me: Oh we did more than that.

Brittney: I used a spell on him that banished him and his followers to the Black Gates and end his reign of terror forever.

Mammoth: Wow! Even better.

?: I'll say!

A figure came out and it was FISHING ROD JAMEN from episode 21 of Kiramagers!

---

The Fishing Rod Jamen is one of two antagonist (the other is a Motorboat Basra) in episode 21 of 2020 TV series called Mashin Sentai Kiramager. The Fishing Rod Jamen is a gold body fishing rod-themed Jamenshi of the Dark Empire Yodonheim, whose dark energy was used to release Motorboat Basra.

It is voiced by Kenta Sasa.

The Fishing Rod Jamen made its first appearance as he used his fishing rod to fish one of the civilians at the local shrine and then the lady as she talk about her witness to the Kiramagers.

After the intro more people were then fished into the vortex, but when Sayo got caught on the Fishing Rod Jamen's hook the team tried to pull her back down to the ground which they did as they manage to unhook her and thanks to Takamichi's strength the Fishing Rod Jamen has unintentionally revealed himself when he was pulled out of the vortex. With that said he began battling the team with his fishing rod. However during the fight they tried to grab hold of him, but due to his slippery body grabbing hold of this Jamen is impossible as he easily shoves them to the side. However during the fight Takamichi manages to pull off a flier that implies yesterday's date (which is 8/30/2020) and not to mention when he accidentally activates Takamichi's device as he revealed that he possessed one Kanaema Stone known as Reversia (which explains why he began to fish the civilians within the time vortex). After that he makes a hasty retreat back into the vortex before it closes onto himself.

A while later he appeared somewhere in the vicinity as the women was handing out fliers to remind people that its going to rain today and with the help of the Reversia he began to use its time ability to fish the people through the vortex. However when he got back to his time the team manages to get here which surprised him on how they got to his time. So after that he send his Bechats to attack the team, but in the end the bechats just got eliminated.

As this goes on Shiguru began to fight against the Fishing Rod Jamen and thanks to his imagination he used his sword as a fishing rod and fish out Reversia from the Fishing Rod Jamen's clutches as they used Reversia abilities as they sent the caught civilians back to their own time thus making this Fishing Rod Jamen very upset. After that he was then destroyed by this finisher called Shining Beam Attack.

* * *

Juru: Fishing Rod Jamen!

Fishing Rod Jamen: Been a while rangers.

Me: I remember you! You were sent to fish people into a vortex to Yodonheim.

Fishing Rod Jamen: That's right. Good memory.

Me: Thanks.

Nico: You should go fishing with one of us.

Fishing Rod Jamen: I would like that.

Qin: That would be fun.

Me: Who doesn't love to go fishing?

We got the battles underway.

Amber Morning: Yeah!

FLASHBACK 1 - Tamara

Nico: Yep. So, Tamara, what memories did you have with Lincoln, and which one of Lincoln's enemies or one of his five mean sisters tried to do to you and him?

Tamara Daishinji: I thought you'd never ask, I still remembered this one story all too well. One time, Lincoln was with me at my blacksmith's forge and we were making some brand new swords for us and the rest of the Guardian Angels who were with us. But, then, we heard a loud thunderous belch in the air, and there was only one person we know who'd make that kind of burp: Lynn. We headed out of the forge and we saw her, she was on all fours like an animal, her eyes red with hatred and insanity, and growling like an animal. Then, she charged right at us, but Lincoln and I fired two soundwaves at her, which sent her flying into a tree, but she got up and she roared and beat her chest like a gorilla and charged at us again, but then, Luna showed up with her guitar plugged into a portable amp Becky Long made for her and she cranked the volume knob up to 10, and she played a loud chord on her guitar and it sent Lynn crashing into a fence, and this time, it knocked her out big time. Then, Lincoln tied Lynn up, and after we got a shower after we sweated at the blacksmith's forge, we went back home and after we told Mr. and

Mrs. Loud of what Lynn tried to do to us, she was grounded for fifteen weeks and she was thrown in a metal box. She roared again and pounded hard on the door, but Nicholette Torrington flipped her the bird in the window and she roared again and beat her chest like a gorilla.

Nico: Whoa, that was some awesome work, Luna.

Luna: Lynn tried to mess with my little bro and his Guardian Angels, she was going to get the wrath of his Guardian on her eyesore of a ponytail.

Becky Long: And I was glad to see that my portable amplifier that I built for Luna really worked, now if Lori, Lynn, Lola, Luan, Lisa, or any more of Lincoln's enemies tried to attack him, she'll play a chord on her guitar and the amplifier will send out waves of energy to knock them flat on their butts.

Rita: We also gave Luna permission to use her guitar and amps in case they try their attacks again.

Lynn Sr.: The last time Luna did that was on Flip, and she made him go deaf for two weeks.

Me: That mutant deserved it.

Nico: Yeah, what a moron.

FLASHBACK 1 ENDS - SHIFTS TO HAILEY'S FLASHBACK

Nico: Yep. So, Hailey, what memories did you have with Lincoln, and which one of Lincoln's enemies or one of his five mean sisters tried to do to you and him?

Hailey Fukamiya: I thought you'd never ask, I still remembered this one story all too well. One time, Lincoln was with me and we were doing some training with our swords and the rest of the Guardian Angels who were with us. But, then, we heard a loud thunderous belch in the air, and there was only one person we know who'd make that kind of burp: Lynn. We headed out of the forge and we saw her, she was on all fours like an animal, her eyes red with hatred and insanity, and growling like an animal. Then, she charged right at us, but Lincoln and I fired two dark energy blasts at her, which sent her flying into a tree, but she got up and she roared and beat her chest like a gorilla and charged at us again, but then, Lucy showed up along with The Young Morticians' Club, and they fired blasts of darkness and it sent Lynn crashing into a fence, and this time, it knocked her out big time. Then, Lincoln tied Lynn up, and after we got a shower after our training, we went back home and after we told Mr. and Mrs. Loud of what Lynn tried to do to us, she was grounded for fifteen weeks and she was thrown in a metal box. She roared again and pounded hard on the door, but Nicholette Torrington flipped her the bird in the window and she roared again and beat her chest like a gorilla.

Nico: Whoa, that was some awesome work, Lucy.

Lucy: I had a feeling Lynn would try to attack Lincoln again, and we were fortunate to head on over to help them after we were coming home from our meeting at the cemetery.

Becky Long: We were so glad you did, Lucy.

Rita: We knew Lucy had a meeting on that day, and we were so proud of her and her friends for coming to Lincoln's defense and stopping Lynn Jr. from trying to kill her brother again.

Lynn Sr.: She got the jump on Junior yet again, and it cost her big time.

Me: It sure did, but Lynn should know better than to try and attack her brother yet again.

Nico: But, Dark Lynn was always a vengeance-crazed animal who doesn't even know when to fucking quit, so glad Lincoln gave her The Black Gates last year, along with the other Dark Sides of The Louds.

FLASHBACKS ENDS

I teleported and opened his safe and in it was a bunch of weapons for us called the Destroyers of Lila Rossi, they're a collection of massive greatswords with embedded colored gems and the Anti-Lila Rossi symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large glowing neon red gems embedded in the rainguard, longer midnight black handles, four large colored phoenix heads and large colored gems on the bottom of the phoenix heads for the pommels, and there's also blasters and spellbooks included with the greatswords. Once in hand, we'll get a massive power and energy increase, and wait 'til they hit that heartless bitch.

I teleported back with them.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Lets get him!

Kiramagers: KIRAMAI JEWEL BLAST!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

---

We regrouped and cheered wildly!

Qin: YEAH! That was awesome!

Natsumi: Yeah it was!

Marah: Now that the usual battles are done, let's go take Lila down once and for all!

Me: I agree there!

Suddenly, the computer in our area turned on and it revealed Volpina with Master Fu tied up.

Volpina: Hellooooo? Is anyone there? Is this thing on? Hello, Team Loud Phoenix Storm. I hope you can hear me.

Bane: (Spanish Accent) Loud and clear, bruja!

Volpina: I've not caught you at a bad time, have I? I was worried you might have forgotten about little old me.

Buff Frog: Not at all. Punching a few more of your teeth out has always been at the top of our minds.

Me: All you ever did was give us a bad time!

Volpina: Oh, take a look at your master! Knowing you guys, you won't let me destroy him!

Master Fu: Ignore him, Marinette. Just take her down even it means destroying me as well!

Volpina: Anyway, I'm putting on a little show for you gyts. It's going to be a doozy. A real red carpet affair. You'd better hurry, though. If you take too long, the main star may be found dead in his dressing room.

With that, the feed cut out.

Me: So she has Master Fu huh?

Qin: Not good.

Marinette: I got to save him.

Me: We all will Marinette.

Nico: Come on guys! It's time to end this madness! (Eyes Glow Red) Lila Rossi, we have some unfinished business with you!

Me: (EYES GLOW RED) YOU WILL PAY FOR EVERYTHING YOU DID!

We were off!

---

We arrived at the warehouse she was in.

Me: This is it.

We went up to the entrance and saw that LUMPUS was guarding the entrance!

Lumpus: You really think you can stop Lila, huh?

Maria: After we find a way to get past you! (Lumpus starts laughing evilly) What's so funny?

Lumpus: (smirks) Let's just say that things aren't always what they appear to be.

Edward: Like you being our Scoutmaster only to be a fake? Yeah, we know!

In Nico's mind, he actually gave some thought into these words. But then, he was interrupted by a familiar Morphing call.

Buddy Up! Ohing! Shoning! Rolling! Going! Kamen Rider! Revi! Vice! Revice!

Me: Revice is here!

Ikki and Vice came!

Ikki Igarashi: We'll hold him off. You guys kill that monster!

Kita Birmingham: Let me help you guys!

Me: Go get him!

We went into the warehouse.

Nico: Frozen Fright, I want to thank you, Louie PoisonSea, Thunder Terror, Magma Gloom, and Toxic Horror for coming.

Frozen Fright: No problem.

Thunder Terror: This is gonna be fun.

Magma Gloom: This will be fun.

We got to hiding and saw LILA ROSSI AND VOLPINA!

Volpina: Hurry up and take your seats, morons. The show's about to begin!

Frozen Fright went up to her.

Frozen Fright: Lila, let's just talk about this, okay?

Volpina: Oh, so NOW you want to talk? Too late! Now hand over the Celestialite Crystal!

Frozen Fright: Not going to happen! Not without my friends wanting a fight with you!

Then the spirits of the Miraculous appeared and they swirled around her and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and a phoenix cry was heard and then we came out.

Me: Lila Rossi! This ends Right Now!

Nico: You know, up until now, I've actually been sparing you. You're welcome. Told the rest of my friends not to kill you in respect to our code. As you can imagine, it hasn't been easy for them. I really had to hold J.D. back from killing you back in that prison.

Me: (growls) I really should've slit your throat back then!

Nico: But now that you've ascended to true villain, I really don't see any point in sparing you anymore. So, I'm going to let J.D. and the Loud Kids have their Hearts' desire and-

Just then, Master Fu untied himself and punched Volpina in the back of the head, knocking her down. Spiderman shrugged to the rest of us before webbing her to the wall.

Marinette: Master Fu! You're okay!

Me: Thank goodness.

Lincoln: Seriously, dude? Did you have to knock her down like that? We were building up to an epic beat down after everything she caused!

Master Fu: Does it matter? She's helpless right now. So now, all you have to do is walk up to her and give her the Black Gates. (outs hand on Nico's shoulder) It's almost over.

Nico: No. No, it's not.

Me: You okay, Nico

Nico: I'm just thinking real hard right now.

Me: You need some thinking grenades right now?

Maria: J.D., Nico really IS thinking. Not moping like you usually do.

Me: I don't mope all the time.

William: And for good reason. If there are no Dark Orbs in the area, that would mean that Lila never used one to get her powers back. So she should look normal, not Akumatized again like this.

Nico thought back to everything that happened up to this point. First, he thought about what Natsumi said.

Flashback 1…

Natsumi: We spotted Lila in the area a week ago and thought we would do you guys a favor by gunning her down while she was stealing some parts for a machine she's building. But then, the bitch's Volpina alter ego helped her escape by throwing a smoke bomb at us.

Flashback 1 ends.

Then, he thought back to what Lumpus said.

Flashback 2…

Lumpus: (smirks) Let's just say that things aren't always what they appear to be.

Flashback ends.

Next, Nico thought about the advice Humpty gave me

Flashback 3…

Humpty: I'm not 100% sure yet. But for all we know, on the Cutie Mark Crusaders' big day, she'll want you guys to think she's powerless. And then, bam! Gotcha!

Flashback ends.

And finally, he thought about how Nico was ambushed in the alley.

Flashback 4…

Nico then felt someone grab him by the back of the shirt and throw him to the ground. To Nico's shock, he saw Volpina standing next to Lila.

Nico: What the fu-

Lila Rossi: (laughs) You fell for the old fake Lila Rossi gag, Chan!

Flashback ends.

It all fell into place… just as Nico heard the clicking of a gun's hammer being pulled back, ready to shoot a bullet.

Nico: Superman!

Superman: Right!

Superman was able to get Master Fu out of the way right before a bullet could kill him.

Master Fu: Are you okay, Superman?

Superman: I'm fine. Faster then a speeding bullet, remember? And I DO mean that literally.

Me: You sure do Kal.

We saw Lila Rossi, perfectly normal and powerless.

Lila Rossi: Dammit! I knew I hated you guys for a reason! You always spoil my fun, since the first moment I met you!

Our auras flared up.

Nico: It was never you this whole time!

Me: That's right.

Lila Rossi: Not always… well sometimes. I know it's confusing. I know I would want to know what the hell is going on if I were you. Let's just say, at times like these, it's important to keep up appearances. But first, if you wouldn't be so kind. Hand. Over. My. Celestialite. Crystal.

She then fired another bullet that freed Volpina, who kicked the Celestialite Crystal out of Nico's hands and into the Reality Rewriting Machine.

Computer: Reality Rewriting Machine activated. Reality Rewrite will commence in 2 hours.

Me: Plenty of time.

Maria: What's with bad guys giving us enough time to stop countdowns?

That's when Nico finally noticed the belt buckle on Volpina's waist.

Lila Rossi: (laughs evilly) Ladies and Gentlemen! For one day only standing in for the Akumatized form of yours truly, and doing a damn fine job of it, I give you….

Volpina tapped her belt and in a green glow, she turned into a familiar bad guy of Spiderman's

Lila Rossi:… CHAMELEON!

We gasped!

Me: Dmitri Smerdyakov A.K.A. The Chameleon!

Chameleon: (Russian Accent) That's right.

Me: Shapeshifting Belt. That is amazing.

Nico: Much more fitting than masks.

Eli: I did not expect that.

Qin: Me neither.

Lila Rossi: And that's not all. Loogies!

An army of Loogies appeared.

Me: Loogies!

Qin: Now we're talking!

I fired waves of energy and lightning and blasted the Loogies all over.

A bunch of Loogies jumped Natsumi and friends.

Natsumi and her friends lay defeated at the hands of the Loogies.

Lila Rossi: Oh, lighten up, you stupid cops. The final act has just started and it's a doozy starting with your deaths!

I tried charging at Lila only to be stopped by Chameleon.

Chameleon: I think that's far enough, J.D.

Spiderman: I haven't even seen you for a while, Chameleon. But why sign on with Lila?

Chameleon: (smirks) It was easy. For the role of a lifetime!

Chameleon fired at Spiderman only to be blocked by Diamondhead.

I punched Chameleon down!

Diamondhead: Sorry, but I think you're gonna have to be left out of the final cut! (to the Cutie Mark Crusaders) You girls know what to do.

Scootaloo: Right! (to the audience) Everyone in the audience! Lend Natsumi and her friends your strength!

Sweetie Belle: They get stronger with your support!

Apple Bloom: When we give the signal, share your energy with Natsumi and her friends! Okay?Ready… go!

Everyone in the audience began sharing their energy with Natsumi and her friends. And soon, Natsumi found the strength to get up.

Natsumi: The curtain doesn't fall until we say it does!

Natsumi fired at a Loogie, knocking it to the ground.

Natsumi: Thanks for the help, everyone.

Miyuki: I didn't know we had so many fans.

Nadeshiko: I bet Strike Man would be so jealous.

Ayeka: He sure would!

Futaba: We're not done yet.

Saori: If Lila and the rest of Paris want a show, we'll give them one!

Me: Time for you to pay Lila!

Qin: You've had this coming since November 30th, 2019 bitch!

Sweetie Belle: Can we transform with you guys?

Troy: You can, girls.

Megaforce Rangers: It's Morphin Time! Go Go Megaforce!

Shotaro pulls out his belt and places it on his waist before pulling out the black flash drive with his right hand. A second belt appears on Philip's waist. Philip pulls out the green flash drive with his left hand, and presses a button on it.

Cyclone Memory: Cyclone!

At the same time, Shotaro presses the button on his black flash drive.

Joker Memory: Joker!

Now we see a cross section screen of the two crossing the hands that hold the flash drives across their bodies, lined up with editing to form a W.

Shotaro and Philip: Henshin!

With that cry, Philip places his green flash drive into his belt, and it immediately vanishes as he falls unconscious, only for the device to appear unsecured in Shotaro's belt, but he secures it, places his in the other side, and then splits the center portion of the belt so the flash drives appear at a 45 degree angle.

Double Driver: Cyclone! Joker!

As the Double Driver announces the Memories in question again, debris starts to fly around in a sudden wind, only to form on Shotaro into his suit, half green and gold, half black and purple, with a silver line down the middle, two silver points projecting out from where the eyebrows would be, two large red eyes, and a silver scarf-like piece of cloth coming off the back of his neck. Ryu Pulled out a belt that looks like a pair of motorcycle handlebars and a speedometer, placing it on his waist, then pulling out a red Gaia Memory. Then, he presses the button on the Memory.

Accel Memory: Accel!

Ryu: Hen… shin!

With that, Ryu places the Memory into a slot on his Driver, and then twists the handle on the right.

Accel Driver: Accel!

The Rabbids got Shotaro's body somewhere safe.

Ryu: Now, let's shake it off.

Shotaro and Philip: Now, count up your sins!

Marinette: Master Fu, get out of here!

Master Fu: I won't leave you, Marinette.

Adrien: Lila nearly killed Marinette's mom and Chloe's dad before. We won't let that happen to you!

Master Fu: (sighs) Very well. But make sure you finish this.

Lila Rossi: Aww, isn't that sweet? Whispering sweet nothings into your master's ear. I hope it was a good one, because it's your last!

Tsukasa: I have to say it. You're Under Arrest!

Maria: (TURNS DIAL) DRAGON FIRE 6!

She summoned Lord Drakkon, Zen Aku, Mele, Cottontail Smith, Lady Flamicorn, and Gimme along with the dragon villains we know!

Red: This will be good!

Qin: It's payback time!

Kamen Ride: SPD Red!

Kamen Ride: SPD Blue!

Kamen Ride: SPD Green!

Kamen Ride: SPD Yellow!

Kamen Ride: SPD Pink!

Kamen Ride: SPD Omega!

Tsukasa turned into SPD Red and Daiki summoned clones of the SPD Team.

Megaforce Rangers: IT'S MORPHIN TIME! GO GO MEGAFORCE!

They transformed!

Troy Burrows: FURY OF THE DRAGON! MEGAFORCE RED!

Emma Goodall: FLAMES OF THE PHOENIX! MEGAFORCE PINK!

Jake Holling: VENOM OF THE SNAKE! MEGAFORCE BLACK!

Gia Moran: CLAW OF THE TIGER! MEGAFORCE YELLOW!

Noah Carver: BITE OF THE SHARK! MEGAFORCE BLUE!

Lillith: SONG OF THE SIREN! MEGAFORCE GREEN!

All: EARTH'S DEFENDERS! NEVER SURRENDER! POWER RANGERS MEGAFORCE!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Apple Bloom: Alright, that's it, we've had it up to hear with you to last an eternity, Lila Rossi.

Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell: So, consider this your last day alive!

Nico: Now, we're finally going to make good on our promise to kill you for good, bitch, and this time, you're never ever going to come back.

Marinette: You've had this coming for an extremely long time.

Chloe Bourgeois: And everyone in Paris is going to see you finally die like the monster you really are.

Lincoln then pressed a button on his left forearm computer above his large gold cuff Bracelet of The Champion of The Universe, and then, cameras appeared from nowhere, and they're broadcasting the fight of the century: the fight that'll end Lila Rossi's life for good and send her straight to her eternal damnation.

Suddenly, the colored eyes of Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell turned into neon colors and they were surrounded by colored energy auras with elemental forces, Alicorns, and lizards, they unholstered their massive greatswords from their backs, and as they approached Lila Rossi they left colored energy, elemental forces, Alicorns, and lizards with every step.

Apple Bloom: You really make me absolutely sick to my stomach

Scootaloo: We're not going to let you live a single second further.

Sweetie Belle: You've been nothing more than a major league headache for far too long.

Diamond Tiara: We will never ever forgive you for any of your crimes.

Silver Spoon: Not that you ever deserve any considering what kind of person you are.

Misty Tredwell: And that's a sociopathic monster who doesn't give a damn about anyone except for herself, and you're also a psychopath who almost killed Marinette's mom and Chloe's dad.

Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell: And now, we shall see to it that you finally die here and now, and this time, you shall never torment anyone ever again, you heartless sociopathic monster!

Suddenly, Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell were surrounded by six massive vortexes of colored energy with elemental forces surrounding the vortexes, there are Alicorns, lizards, and Earthbound Immortal Ccarayhua flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at Lila Rossi the red eyes of death. Then, as the vortexes faded, Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell emerged, but they were changed forever.

We were amazed by the transformations of Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell, and when Clyde saw Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon, and I saw Misty Tredwell, we had atomic red blushes on our faces, hearts in our eyes, and our noses were bleeding, but when Lila Rossi saw it, she let out an insane scream of rage which turned into psychotic laughter as she rushed at the girls to kill them with a knife in hand.

Lila Rossi: DDDDIIIIIIIIEEEEEEEEE! (LAUGHING DERANGEDLY LIKE A DERANGED FUCKED-UP MAD WOMAN)

But Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, Silver Spoon, and Misty Tredwell stood their ground and fired powerful colored energy blasts with elemental forces, hearts, diamonds, Alicorns, and lizards at Lila Rossi, and they sent her flying into a wall as they hit her, she got back up, but now, she was beyond mega pissed.

Misty Tredwell: (Divine Echoing Cosmic Voice of The Dark Lizard Earthbound Immortal and Divine Green Fire Justice) **And this is just Phase 1 of The Cutie Mark Crusaders' transformations, except for me, Diamond Tiara, and Silver Spoon.**

Lincoln: Yeah, Phase 2 is for against one of the members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

We went at them and smashed them all over the place!

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Misty punched Lila in her face and Apple Bloom and Sweetie Belle punched and kicked her all over!

Qin fired blasts of fire and blasted them all over.

Shotaro: (gets out Tormes the Centaur's Gaia Memory) Let's start off with this!

He fired waves of energy and blasted them all over the place.

Miyuki: (gets out Terminal's Gaia Memory) No one makes trouble on our turf!

She fired waves of pie bombs and they hit numerous Loogies and exploded!

MASSIVE FIERY EXPLOSIONS!

Marinette: This is for all the pain you caused!

Joan of Arc: We won't let you get away with it!

(JOAN BY HEATHER DALE PLAYS)

Joan and Marinette: We are judgement and Heaven is Nigh!

They went at Lila and bashed and pulverized her all over.

They fired waves of light and blasted her and massive fiery explosions went off everywhere.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Massive fiery explosions blasted all over the place.

KRABBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMM!

KRABBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Jake: (gets out Etemon's Gaia Memory) Showtime! (ACTIVATES IT) (ECHOING) DARK NETWORK!

He fired a green energy ball and blasted numerous Loogies all over.

Lila Rossi: No fair. You're cheating!

Marina: (gets out Doomageddon's Gaia Memory) Hey, using an imposter as yourself is cheating too!

She fired waves of energy and blasted her all over.

Chameleon turned into Hawk Moth.

Chameleon: (as Hawk Moth) Let's make this interesting.

Pronto Geronimole: (Gets out Volcano Monster's Gaia Memory) Now we're getting somewhere!

He fired globs of lava and blasted him all over the place.

Chameleon turned into Mayura.

Chameleon: (as Mayura) I'm not done yet!

Lee: (gets out Sidewinder's Gaia Memory) Using that belt is a lot easier then using masks.

Chameleon: I agree.

Lee fired waves of fire and blasted him all over.

Megaforce Rangers: Ultra Mode, Activate!

Shotaro and Philip: Time for CycloneJokerXtreme!

Ryu: And Accel Trial!

With that, Shotaro's Driver folds back to its inactive state as the

Memories turn into pillars of light, which the Xtreme Memory attaches vertically to, sliding down into the Double Driver.

Meanwhile Ryu flips the stopwatch component of the Trial Memory around, and activates it.

Trial Memory: Trial!

Ryu then places the Trial Memory in the Accel Driver and twists the right handle as Shotaro activates the Double Driver, revealing a central point with an X on it.

Double Driver: Xtreme!

With that light encompasses Shotaro, shrinking the green and black portions of his body, replacing some of the area with a prismatic white material, turning the silver head crest into an X decoration split between the sides of his head, and color coded shoulder pads while gaining a shield with a sword in it, the Prism Bicker. Meanwhile, Ryu is surrounded by energy pistons again, which break off and strip down his armor and turns it blue and silver while turning the eyes orange.

We blasted the Loogies all over and I teleported and knocked out Chameleon.

With Chameleon knocked out, Lila was getting desperate.

Lila Rossi: Get outta my way, Team Loud Phoenix Storm. I have a date with rewritten destiny!

Nico: No, you don't!

Me: Not gonna happen bitch!

After closing and re-opening the Xtreme Memory, a large tornado emits from the Xtreme Memory carrying Shotaro into the air and accelerating him towards Lila and the Reality Rewriting Machine.

Megaforce Rangers: Megaforce Blaster, Ready!

Robo Knight: Vulcan Cannon, Set!

Me: **FIRE!**

Hercules, Bludgeon, Azulongmon, Ironhide, The Cutie Mark Crusaders and the Fearful Five used the Earth and Equestria Cyber Planet Keys and they enhanced Bludgeon's Lightning Fireball Antennae, Ironhide's Water Gun and the rest had their powers enhanced 100-fold.

They fired waves of energy and elements and they formed into said cars!

Lincoln and his harem: POLICE VEHICLE FINAL SMASH: POLICE HADOUKEN BARRAGE OF JUSTICE!

They fired a massive Hadouken barrage powered by the police!

We fired massive energy blasts at the machine and blew it up into a million pieces leaving nothing of it, and that really really pissed Lila Rossi off big time!

Me: Your machine's been destroyed for good and your plan to alter history is done, now to make sure you can't get anymore help from Chameleon!

Alya: That's right you bitch! I hate you so much!

Lincoln: Nice one, Alya, and just to make sure we make our point of killing you for good, bitch!

Lincoln snapped his fingers and he removed The Gessius Flores Vengeance Curse from Lila Rossi, but her pain had just begun when she felt even more extreme pain from the Titania's Blood Rose Blossom Curse that was inflicted on her and she screamed in excruciating pain.

Apple Bloom: Nice one, Lincoln.

Me: It's over Lila.

Lila Rossi: I still have one plan up my sleeve!

A giant robot appeared and Lila got into it.

WE GASPED!

Me: WHOA! We're going to need Megazord power!

Megaforce Rangers: Gosei Great Megazord!

Robo Knight: Gosei Grand Megazord!

They summoned their zords and they were ready!

Phillip: Let's get in there as well, Shotaro.

Shotaro: With pleasure, Philip.

They summoned their own megazord! It was a Police Car imbued with all the powers of the Gaia Memories! It was called THE W GAIA RETRIBUTION MEGAZORD! It turned into an awesome robot!

Nico: WHOA!

Me: AWESOME!

Qin: That is cool!

Rangers: DYNAMIC GOSEI BLAST!

Philip and Shotaro: GAIA SIN DESTROYER BLAST!

They fired a massive blast of energy and the blasts all hit Lila and her zord and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

She was defeated!

Troy: Mega Rangers, that's a Mega Win!

Me: YEAH!

The Cutie Mark Crusaders and Natsumi were looking for Lila amidst the wreckage of the robot when she spoke.

Lila Rossi: I guess this is the part where you take me to jail, huh?

Natsumi: (Growls) A bit hard to send you to prison when we can't see where the Hell you are!

Scootaloo: Then again, maybe you should take your time and let us do what we came here to do.

Sweetie Belle: We're getting pretty sick of having to help our sisters and the others chase you down every other week, after you hurt dozens of people each time.

Apple Bloom: And yet, we just stuff you back in a cell and hope you magically change your ways.

Lila Rossi: What can I say?

Marinette: Guys, watch out!

Lila Rossi: Think of it as a little running GAG! I DON'T EVEN CARE HOW POWERFUL ALL OF YOU ARE, I WILL KILL EVERY LAST ONE OF YOU IF IT'S THE LAST THING I EVER DO!

Lila came out of the smoke, intending to kill them with a knife, but thinking fast, Sweetie Bell shot Lila through the chest, knocking her down.

Lila Rossi: I Still (COUGHS UP BLOOD) Have my prison privileges!

Suddenly, we saw all the blood rose tattoos on Lila Rossi glowing, and finally, we saw the blood rose tattoo on her chest finally open up and bloom, and we saw in the center of it is a skull: the final stage of the Titania's Blood Rose Blossom Curse. Then, real blood rose blossoms grew out of the blood rose tattoos on her legs, arms, hands, feet, and stomach, and she screamed with really agonizing pain as her body was being destroyed from the inside out, and then. Apple Bloom then fired her blaster right at her head and blasted it clear off her shoulders!

Apple Bloom: It's just been revoked!

She was cocooned inside a blood rose, and then, as the blood rose opened up, all that was left of Lila Rossi was her skeleton.

We were utterly shocked and frightened.

Lincoln: Whoa, so that's the final stage of The Titania's Blood Rose Blossom Curse, it's just as Jorgen said.

Timmy: And why it's known as the deadliest of all Fairy Curses.

Zachary Moonglow: (Through the Third Eye's Pink Iris and Fairy and Wolf) But, it's reserved for truly the most despicable of humans like Lila Rossi.

Me: Wow!

Just then, Lila Rossi's spirit appeared.

Lila Rossi: You haven't seen the last of me, I'll be back and you will all pay!

Timmy: As if, you're never ever coming back, Lila Rossi!

Lincoln: He's right, now to administer your true punishment.

Marinette: No Lincoln let me.

She painted the Judgement Kanji on her Forehead.

Marinette: UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!

Lila was judged by the countless lives she hurt and was found guilty.

Lila Rossi: (starts to fade away) Are you happy now?!

Marinette: Honestly, no. It really is a shame. I'm gonna mess punching your face in. Because the saddest part is, I may have used the Black Gates on your spirit just now. But I never got to kill your physical body.

Lila Rossi: (laughs) Oh, Marinette. I have to admit. That really is… very funny!

With that, Lila Rossi faded from existence forever.

ENJOY OBLIVION LILA ROSSI!

Paris saw everything and then ALL OF FRANCE EXPLODED INTO A MASSIVE ROAR OF CHEERING!

THE TERROR OF LILA ROSSI HAD BEEN SILENCED FOREVER!

We cheered wildly, and so did all of Paris and the world: THE TERROR OF LILA ROSSI THE DEMONIC MONSTER IS FINALLY OVER! Diamond Tiara, Silver Spoon, and Misty Tredwell powered down, and their new bodies, clothes, weapons, jewelry, Third Eyes, Misty's eleven massive and long black wolf tails, and massive angel wings are permanent.

Apple Bloom: Good riddance forever, you black-hearted snake.

Nico: You've had it coming for a long time. Awesome job, gang, but we're not done yet.

Lyra Han: That's right, there's still the matter of Reddvexa to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Reddvexa.

A figure came out, and it was none other than Reddvexa of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Reddvexa, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Reddvexa: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Lyra Han: The only one who deserves to be destroyed is you.

Suddenly, the colored eyes of Apple Bloom, Scootaloo, and Sweetie Belle turned into neon colors and they were surrounded by colored energy auras with elemental forces and Alicorns, they unholstered their massive greatswords from their backs, and as they approached Reddvexa, they left colored energy, elemental forces, and Alicorns with every step.

Apple Bloom: Sheesh, you really are a religious fanatic with no regard for humanity at all.

Scootaloo: Which is proof positive of why you don't deserve any forgiveness from us, Reddvexa.

Sweetie Belle: And why you deserve only to die for your religious fanaticism.

Apple Bloom, Scootaloo, and Sweetie Belle: Prepare yourself, Reddvexa, The Cutie Mark Crusaders and Alicorn Princesses of Cutie Marks are coming for you, and your miserable life shall be brought to an end.

Suddenly, Apple Bloom, Scootaloo, and Sweetie Belle were surrounded by three massive vortexes of colored energy with elemental forces surrounding the vortexes, there are Alicorns flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at Reddvexa: the red eyes of death. Then, as the vortexes faded, Apple Bloom, Scootaloo, and Sweetie Belle emerged, but they were changed forever.

Sweetie Belle has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA MAELSTROM WATER CUTIE MARK CRUSADER JEWEL FASHIONISTA ALICORN ANGEL OF DIVINE MAELSTROM JEWEL ALICORN GENEROSITY AND DIVINE MAELSTROM CUTIE MARK CRUSADER WATER ALICORN LOVE!

We were amazed by the Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformations of Apple Bloom, Scootaloo, and Sweetie Belle, and when Clyde saw Apple Bloom, Scootaloo, and Sweetie Belle, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Reddvexa saw it, he fell into a black rage and got out a blaster to blast them with, but Apple Bloom, Scootaloo, and Sweetie Belle fired powerful colored energy blasts with elemental forces, gems, apples, clouds, and Alicorns at Reddvexa, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Applejack: Wow, now Apple Bloom's transformed into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form.

Rainbow Dash: Same with Scootaloo.

Rarity: And the same with Sweetie Belle.

Lincoln: Facing the three Alicorn Princesses of Cutie Marks, Reddvexa's in for some big trouble.

Lyra Han: I think it's time for me to add on to the trouble he's already facing, and piss him off even more.

Nico: Aw yeah, now you're talking.

Suddenly, Lyra Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, lightning, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Lightning Golem-themed greatsword from her back, and as she approached Reddvexa, she left black energy, darkness, dark magic, lightning, fiends, phoenixes, and dark angels with every step.

Lyra Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Reddvexa: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Lyra Han was surrounded by a massive vortex of black energy with darkness, lightning, and dark magic surrounding it, there are fiends, phoenixes, dark angels, dragons, and Evil HERO Lightning Golem flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Reddvexa: the red eyes of death. Then, as the vortex faded, Lyra Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Lyra Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, lightning, fiends, phoenixes, dragons, and dark angels surrounding her, she has Evil HERO Lightning Golem emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Dark, Thunder, and Eternity Kanjis in its hands, she also has Evil HERO Lightning Golem with red gems for eyes and holding the Dark, Thunder, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Lyra Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, lightning, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Lightning Golem surrounded by darkness and lightning. Suddenly, Lyra Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Lyra Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lyra Han's massive Evil HERO Lightning Golem-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, lightning, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Lightning Golem's Darkness Dark Infernal Golem Fiendish Phoenix Greatsword of Darkness Dark Magic Lightning Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Lightning Golem etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Lightning Golem's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Lightning Golem that said, "Lyra Han, Gene-Slammer of Evil HERO Lightning Golem, Thunder Mage of The Han Sisters, Twelfth Sibling of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Yubel Possessed Jesse, Destroyer of Reddvexa of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Lightning, Golems, and Infernal Phoenixes"

Lyra Han has transformed into SUPER ANGEL-EVIL HERO LIGHTNING GOLEM-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL THUNDER GOLEM EVIL HERO LIGHTNING GOLEM PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL THUNDER GOLEM EVIL HERO LIGHTNING GOLEM JUSTICE AND DIVINE DEMONIC DARK INFERNAL THUNDER GOLEM EVIL HERO LIGHTNING GOLEM LOVE!

We were amazed by Lyra Han's Super Angel-Evil HERO Lightning Golem-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Reddvexa saw it, he fell into an infernal rage and he got out his blaster again, this time to blast her, but Lyra Han fired a powerful black energy blast with darkness, dark magic, lightning, golems, fiends, phoenixes, and dark angels at Reddvexa, which hit him and pushed him back and he also got burned and electrocuted, but this really pissed him off now.

Fira Han: Whoa, now Lyra, the last of our sisters, has transformed, incredible!

Cassie Evanstein: That's really incredible, and she really burned Gettroa badly.

Nico: And she's really got him pissed off now big time.

Lyra Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Golem Evil HERO Lightning Golem Angel and Divine Demonic Darkness Infernal Golem Phoenix Love) **And now, the darkness of The Netherworld is coming for you, Reddvexa.**

Apple Bloom: (Divine Echoing Cosmic Voice of The Seismic Apple Honesty Cutie Mark Alicorn Angel and Divine Earthquake Apple Cutie Mark Love) **Along with The Cutie Mark Crusaders.**

Scootaloo: (Divine Echoing Cosmic Voice of The Hurricane Thunderstorm Loyalty Cutie Mark Alicorn Angel and Divine Hurricane Thunderstorm Cutie Mark Love) **You're never leaving this battle alive.**

Sweetie Belle: (Divine Echoing Cosmic Voice of The Maelstrom Jewel Generosity Cutie Mark Alicorn Angel and Divine Maelstrom Jewel Cutie Mark Love) **And we'll make sure you pay for your crimes here and now.**

Nico: Let's get him, Lyra and Cutie Mark Crusaders, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Lyra Han, Apple Bloom, Scootaloo, and Sweetie Belle.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Lyra Han, Nico, Apple Bloom, Scootaloo, and Sweetie Belle went after Reddvexa who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, colored energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Reddvexa and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Reddvexa, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Reddvexa took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Reddvexa began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Reddvexa has transformed into his King Ghidorah Hybrid Monster form.

Reddvexa fired a Gravity Lightning blast at Lyra Han, Nico, Apple Bloom, Scootaloo, and Sweetie Belle, who dodged it.

Lincoln: Lyra, Nico, Apple Bloom, Scootaloo, Sweetie Belle, hang on!

Lincoln fired a rainbow energy blast which separated Reddvexa from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Reddvexa and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Reddvexa into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Lyra, let's end this asshole for good.

Lyra Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Golem Evil HERO Lightning Golem Angel and Divine

Demonic Darkness Infernal Golem Phoenix Love) You got it, Nico.

Apple Bloom: (Divine Echoing Cosmic Voice of The Seismic Apple Honesty Cutie Mark Alicorn Angel and Divine Earthquake Apple Cutie Mark Love) Let us go first. Ready, Sweetie Belle and Scootaloo?

Sweetie Belle and Scootaloo: Ready, Apple Bloom.

Apple Bloom, Scootaloo, and Sweetie Belle: CUTIE MARK ELEMENTAL ENERGY BARRAGE!

Apple Bloom, Scootaloo, and Sweetie Belle fired a massive barrage of colored energy and elemental forces at Reddvexa, which hit him and badly damaged him.

Lincoln: Whoa, now that was one awesome three-way combo. Now, for Lyra and Nico to deliver the final blow and finish off Reddvexa.

Lyra Han and Nico sent Reddvexa flying into the air, and then, they prepared their combo to put an end to Reddvexa.

Lyra Han and Nico: DARK INFERNAL EVIL HERO LIGHTNING GOLEM PHOENIX DARKNESS DEMONIC LIGHTNING GOLEM KAMEHAMEHA!

Lyra Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, golems, lightning, and phoenixes which hit Reddvexa, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Lyra Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Lyra Han, Nico, Apple Bloom, Scootaloo, and Sweetie Belle holster their massive greatswords on their backs and powered down, and Lyra Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and the new bodies, clothes, weapons, jewelry, longer tails, Third Eyes, and massive angel wings of Apple Bloom, Scootaloo, and Sweetie Belle are permanent.

Lyra Han: That's one member of The Extraterrestrial Order of The

Planets of Holy Ghidorah down and thirty-nine members to go. Thanks for helping me destroy Reddvexa once and for all, Nico, you too, Cutie Mark Crusaders.

Nico: (Smiles Warmly) You're welcome, Lyra.

Apple Bloom, Scootaloo, and Sweetie Belle: Our pleasure, Lyra.

Suddenly, Lyra Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Lyra Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Lightning Golem flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness and lightning crashing behind them and we cheered wildly. Then, Nico and Danica Han absorbed the darkness and lightning and they came back to us as the display and Evil HERO Lightning Golem vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico, Lyra, and Cutie Mark Crusaders.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Yunoma, which means you're up next, Abigail.

Abigail Hazeltucker: Yeah, we'll make Yunoma pay.

Nico: We sure will.

Taylor Kamiyama: And we're so glad we're finally rid of Lila Rossi for good, and on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Saikou.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right.

Marinette cried hard and hugged Adrien.

Marinette: (sobbing) IT'S OVER, KITTY! IT'S FINALLY OVER!

We saw her crying and man was it rough for her.

Kita, Ikki and Vice were bashing Lumpus all over.

Ikki and Vice: Let's go at once!

Kita Birmingham: Gladly!

They went at him and smashed him down and tied him up.

Kita Birmingham: What do you guys want to do now?

Ikki: We could help everyone out.

The Revice team were about to go in there and lend us a hand when suddenly, they saw us walking out of the battlefield. They looked concerned as they saw Marinette crying into Adrien, who was hugging her the whole time.

George Karizaki: Marinette, what happened?!

Marinette ignored him and continued crying into Adrien's embrace.

George Karizaki: (to the Cutie Mark Crusaders) Girls, you need to tell us. What the Hell happened back there?!

Scootaloo: (sighs) Lila Rossi's reign of terror is finally over.

They told them everything.

Ikki Igarashi: Oh man. Poor girl.

Vice: Lila really made her life hell.

Me: That's an understatement.

Raven Branwen: It's finally over. Lila Rossi is no more.

Conidment King: The prime version that is.

2016 Morbucks: (to the Revice team) You guys helped too.

Vice: Damn right we did!

Me: Yeah we owe you guys big time.

Ikki: (to Natsumi) We'll see you in 7 days.

Natsumi: Got it! And think fast!

Natsumi fired at Ikki but he used the Gundemuzzle to counter it before the two of them laughed.

Professor XXXL: Is Marinette gonna be okay?

Artie Ziff: She'll be fine. I hope.

Me: The true heroes here are the Cutie Mark Crusaders.

Then my phone rang and it was Chloe's dad.

Me: Oh. (Answers) Hello?

Mayor Bourgeois: (French Accent) Bonjour J.D. We saw everything and you guys were absolutely amazing! The Cutie Mark Crusaders all did great.

Me: There was no doubt about it.

Mayor Bourgeois: Well I have something to give them.

Me: We'll be right over.

We went to Paris.

LA MARSEILLAISE PLAYS

Mayor Bourgeois: For their extraordinary heroism in the honor of defending France and for ridding the world of the dastardly and malevolent Lila Rossi, I present to the Cutie Mark Crusaders our country's highest honor. I award the 5 of you the Legion of Honor Medal for saving all of the world and all of France from Lila Rossi.

They were given the medals and they were awesome.

Apple Bloom: We are truly honored Mr. Mayor.

Sweetie Belle: It was our pleasure!

Scootaloo: Yeah this was amazing!

Applejack: Y'all earned it.

Rarity: You sure did Sweetie Belle.

Rainbow Dash: That is for sure.

They hugged their sisters and we were so proud of them!

Natsumi: That was so awesome! Thanks for helping us guys.

Me: It was our pleasure Natsumi.

Miyuki: We are forever grateful to all of you.

Me: It was our pleasure for that as well.

Natsumi: And we have something for the crusaders too.

Natsumi, Miyuki and Aoi gave them Police Class rings and that showed that they were honorary members of the Police Force!

It was awesome!

Nico: Boy this was awesome and so eventful. We're so proud of all 5 of you girls.

Diamond Tiara: Thanks Nico!

Silver Spoon: We're so happy.

Me: We are too.

Nico: But great job today everyone! You all did great.

Apple Bloom: (To the viewers) Remember this everyone. If you are a lawbreaker the long are of the law is going to get you.

Qin: That is for sure.

We went back home and celebrated at Lynn's Table. Then we went back home and enjoyed the rest of the day and went to sleep.

DBZ Narrator: AT LAST THE TERROR OF LILA ROSSI HAS BEEN SILENCED FOREVER. THE BATTLE IS WON AND THE WORLD IS SAFE AGAIN ONCE MORE. THANK YOU CUTIE MARK CRUSADERS FOR EVERYTHING YOU DID ON YOUR MISSION. YOU ARE TRUE HEROES OF THE WORLD.

Kurumowario, Evil Hiei, and Universe 666 Professor Pyg and we were there for an awesome time of celebration and relaxing after the big mission of the Cutie Mark Crusaders.

We were dressed in our swimsuits and Hawaiian Clothes and it was awesome.

Me: Ahh this is the life!

Qin: Boy you said it!

Earth: Yeah this is great.

Sunset Shimmer: Nothing like enjoying a little relaxation and fun after a huge mission.

Lola: Boy you said it Sunset.

We were having fun in the water, building castles on the sand, digging for buried treasure and more.

Nico was even having a barbecue for us going.

Laney: This is so relaxing.

Carmen: You said it Laney.

Nico: Spiderman, I want to thank you, Vanitas, and your teams for coming.

Spiderman: No problem Nico. It's so awesome being with you guys even though I'm with you guys on the team for your rescues.

Carmen: But this is really fun.

Maria: It sure is.

Me: (Sniffs) Mmm mmm mmm! Boy those burgers smell really awesome Nico.

Nico: They sure do. My recipe for spicy bourbon, whiskey glaze.

Qin: Oh boy!

Nico: Yep.

Me: Can't wait.

Nico: Carmen, are you proud of Maria?

Carmen: You bet I am Nico. And I'm proud of Estella and all my family.

Maria: I am too. Carmen and I have come a long way. And it's awesome.

Qin: You guys sure have.

Lola: Yep.

Nico: And Maria's become like a big sister to me.

Carmen: She sure has.

Qin: That is awesome.

Camie: You bet it is.

Nico: Ready. Come and get it!

We got some burgers and they looked awesome and we ate them and they were great.

Me: MMM! (Eating a burger) Mmm! Delicious.

Lincoln: (Eating) Yummy!

Qin: (Eating) Tasty.

Nico: Thanks guys.

Vanitas: Webhead, I think it's time we talk about the Chameleon in the room.

Spiderman: What's up?

Vanitas: I think Chameleon will not only be a great member of the M.O.E. but he will be Animal Path's archenemy. She decided that she will be in the Redemption Squad as well. She owes J.D. for giving her back her life.

Spiderman: That's interesting. And cool.

Vanitas: It sure is.

Nico: Pete, we're talking about the fact that Chameleon was posing as the so called separate Volpina the whole time

Spiderman: That is amazing that he was able to do that. And the shapeshifting belt is perfect for him instead of masks.

Qin: I agree there.

Wolverine: This ain't the first time one of your Rogues fooled us. Remember Mysterio's fake death?

Spiderman: I sure do. That was crazy. And my Yost self had Green Goblin fake his death too.

Qin: I remember that. That was crazy.

Lola: It sure was.

Xenia: No kidding there.

Varie: Yeah.

Me: But nonetheless yesterday's mission was great. And the true heroes of that mission are the Cutie Mark Crusaders.

Applejack: YEEHAW! They sure are.

Apple Bloom: It was great having a huge mission like that.

Xenia: We're so proud of you and the girls Apple Bloom.

Chloe: I'm more worried about Marinette. I'm worried she might try to harm herself the way she is right now.

Me: I'm worried about her too. She hasn't stopped crying since we destroyed Lila.

Qin: Yeah I've never seen her so broken.

Camie: Adrien is comforting for her right now and everyone back at the estate is helping her.

Laney: Poor Marinette. She did nothing to deserve this horrible treatment inflicted on her by Lila.

Tsuyu: Yeah what happened to her was just absolutely horrible.

Momo: And how long was this going on?

Me: 3 and a half years since November 30th, 2019. What she went through was absolutely despicable.

Rarity: That was awful darlings.

Nico: No kidding there.

May: Humpty was actually onto something back when we met him a week ago

Me: He sure was. So part of his suspicions really helped us be aware of her. We owe him for that.

My phone then rang.

Me: Oh excuse me. (Answers) Hello?

Lori: J.D. it's Lori.

Me: Hey Lori. How is Marinette doing?

Lori: She is still so distraught. We literally have never seen her this broken.

Me: Oh man. Let me talk to her.

Lori: Okay.

She handed the phone to Marinette.

Me: Marinette it's J.D.

Marinette: (sadly) Marinette isn't here right now. Please call back after God knows when!

Maria: J.D., I think you should give Marinette some space right now

Me: Let me try at least. Marinette just let me talk.

Marinette: (Crying) It hurts so much J.D.! Lila really hurt me!

Me: I know Marinette. I know how much it hurts but you got to stop crying. You are only going to feel worse

Marinette: J.D. you don't understand! Lila hurt my soul and my heart!

Me: Marinette listen. I know the kind of pain you are feeling. When I got my revenge on the 2012 version of the Shredder, I couldn't stop crying since then too. Remember that?

Marinette: (Crying) Yes I do. But there's no dart on me so that's good. But it hurts.

Me: I know Marinette. I know. You got revenge on Lila. But Marinette you need to at least let us help you. We are your friends and we're there for you.

Marinette: (Crying) It just hurts so bad.

Me: I know Marinette. I know. But you need to stop crying. You'll only feel worse about it.

Marinette: Hold on. I need to drink something.

Poromon grabbed the nearby beer bottle she had with her.

Poromon: No! This is my beer! Get your own!

Lori gave her a bottle of root beer.

Marinette: Thanks.

She drank it.

Me: Marinette don't drown yourself in root beer and ice cream like how Rarity does. (To Rarity) No offense.

Rarity: None taken darling.

Me: But Marinette at least let us help you after we get done with exercising and Lincoln's date. Please? For us?

Marinette: (Crying) Okay.

Me: Good. Just hold on till then.

I hung up.

Nico: Okay. Hopefully, Marinette won't do anything crazy, right?

Me: Don't worry she won't.

Qin: She's smart enough to not do that.

Lola: Yeah.

Applejack: Poor Marinette. I haven't see anyone cry that much since the time you did when you lost one of your friends J.D.

Me: I know. Seeing her like this is making my heart hurt.

Xenia: Mine too.

Nico: At least Lila Rossi's gone forever, right?

Me: That's for sure. She is now erased forever by the Black Gates.

Qin: Good riddance. And the Cutie Mark Crusaders and Lincoln's curse did her in.

Apple Bloom: We sure did and it was so fun.

Lola: It sure was. You guys all did a great job.

Me: And you all were rewarded with France's highest honor medal. We're all really proud of you.

Apple Bloom: Thanks J.D.

Then the Team Skull Attack Alarm went off.

DEMONIC LAUGHTER!

Me: Nice to know that my alarm works well.

Nico: Still scary laughter. But fitting.

Qin: Yeah.

Nico: Eli, sense for Swartz's creations

Eli: On it!

He concentrated.

Eli: Found them! We have Another Sophie Casterwill and Another Vanitas.

Me: Another Sophie!? Whoa!

Xenia: This is getting interesting!

Eli: The Another Sophie is also a Fire Angel and Legendary Titan of Rebirth - Phoenix gene-slammer too.

Me: WHOA!

Xenia: Wow this one must be overflowing with fire power.

Nico: Guess that whole Another Us thing wasn't really a rumor!

Me: No it wasn't.

Qin: Nope.

Me: Here they come!

We saw Team Skull Members coming!

Nico: Here they come! ATTACK!

We went at them and roared!

Me: SNIFF ON THIS!

I pointed my butt at their faces and then…

EXPLOSIVE LOUD FIERY FART!

I burned them all over.

Nico: (Gets out Dark Spicer and Evil Green Ranger's Ridewatches) Here's your Warning: Your asses are about to be kicked twice as hard!

Nico activated them and fired waves of fire with Dark's Heatblast fire and energy with Evil Green Ranger's power and blasted them all over.

Xenia: Chew on this!

She fired arrows and blasted them all over.

I fired waves of fire and blasted them all over.

Maria: Take this!

She fired a blast of water and it turned a spot of the beach into quicksand and they fell into it and sunk up to their necks before it hardened and stuck them in it like hard concrete.

Me: Look at the new Dick Tracy Character - Concrete Body!

Nico: Now that's funny!

Me: Yep. Now watch this.

The Team Skull members came at us and I fired waves of magical dragon fire and it hit the weapons they had and turned them into French Baguettes.

Qin: WHOA! That's like Sparky's dragon fire.

Hitch Trailblazer: That is awesome.

Spiderman webbed some up.

Spiderman: Nice!

Nico: How did you learn how to use dragon fire?

Me: Sparky accidentally belched dragon fire on me and I absorbed it and it turned all my fire magical.

I fired blasts of fire and it turned the Team Skull members clothes into fruits. They had grapes, apples, lemons and peaches for clothes.

They screamed in humiliation.

Qin: Whoa that is cool!

Xenia: Wow! That is awesome!

Nico: Fruity!

Me: Yeah it sure is! Now I can use dragon magic.

Xenia: Awesome too.

Then powerful blasts of fire hit the Team Skull members from out of nowhere and they exploded and they retreated!

Me: Yeah you better run! Nice job Lola!

Lola: Uh that wasn't me.

Nico: Then, I know what it was.

Out came a figure and it was a ANOTHER VERSION OF SOPHIE CASTERWILL! She had black hair and fire angel wings!

Nico: Whoa!

Qin: Another Sophie Casterwill!

Lola: Wow! Sophie for us will flip for this one!

Xenia: No kidding!

Nico: Who's up this time?

Apple Bloom: I will face her.

Me: But first who is our Another Sophie?

Another Sophie: (British Accent) But I'm glad I found you guys.

She reverted back and it was a girl with brown hair and had blue eyes and had fire angel wings and had the symbol for Phoenix on her arm and skirt and forehead and phoenix tail feathers and red, orange and yellow clothes.

Me: (GASP) Charlotte Casterwill!

Xenia: Whoa! Another member of the Casterwill family.

Charlotte Casterwill: That's right.

Me: Thank goodness we found you.

I saw something coming.

Me: Charlotte look out!

I fired my blaster and it hit a member of the Blood Spiral that was after her and it destroyed him.

Me: Whew! Sorry Charlotte, the Casterwill family is in danger because members of the Blood Spiral want them all dead.

Charlotte Casterwill: That's good you guys are all killing them.

Nico: I hope that was the only one here.

Me: Me too.

Qin: That's amazing that you are a Legendary Titan of Rebirth - Phoenix and a Fire Angel Gene-slammer.

Charlotte Casterwill: It sure is and it's fitting for me since Phoenix is my family's signature titan.

Me: It sure is. Also we killed Betrayer and Rassimov a while back and we are now at war with the Blood Spiral.

Charlotte Casterwill: That's good. Make them all pay for the Casterwill Family.

Me: With pleasure.

Apple Bloom: Sorry we have to fight like this though Charlotte.

Charlotte Casterwill: No worries.

Me: By the way is the Another Vanitas friendly or hostile?

Charlotte Casterwill: Friendly. It's someone you might like. She is a member of something called The Order of Phaaze.

Qin: WHOA!

Sora Phaaze: So another one of my fellow teammates.

Nico: This will be interesting to see.

Apple Bloom: After yesterday, this won't be too hard.

Charlotte Casterwill: I saw everything you and the Cutie Mark Crusaders did yesterday Apple Bloom and you have my congratulations.

Apple Bloom: Thank you very much. It was so fun.

Me: We all are very proud of Apple Bloom and her friends.

Charlotte Casterwill: Indeed. Lets dance.

She formed back into Another Sophie and flew into the air and Apple Bloom flew after her and fired waves of energy and blasted her down and I caught the Wonder Ride Book. It was called The Call of The Casterwill Phoenix.

I caught Charlotte and she was tired.

Nico: I got a burger for her.

Me: Awesome.

Maria: Time for some backup.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SODA FURY 6!

She summoned Mr. Fizz, Ed Bighead, Floating Talking Gumball Machine, Zomom, Cook Roidmude, and Porcina along with Evil Gulper, and the Root Beer Bandits.

Me: Nice! And the Root Beer Bandits!? Whoa! I haven't seen that one in like forever!

Nico: Neat!

Me: It was a play that was made in California and it's about a western town called Sarsaparilla Town.

Nico: Cool!

Mr. Fizz: How's Marinette doing?

Chloe: Do you want our honest answer?

Mr. Fizz: Yes.

Chloe: Well, Poromon had to take one of his beer bottles from her. That should give you a clue.

Mr. Fizz: That bad, huh?

Me: Very bad. But Lori gave her some root beer. She has been really broken ever since we killed Lila.

Nico: Yeah.

Mr. Fizz: Oh man. Poor girl.

Me: Yeah.

Camie: I feel really bad for her too.

Nico: I was so close to correcting my mistake and finishing Lila off early before Chameleon knocked me out with that baseball bat!

Mr. Fizz: Ouch!

Me: But Nico don't do that ever again.

Nico: Sorry.

Me: Yeah but we still got the job done.

Xenia: And everyone in Paris got a front row seat to see us kill Lila.

Lola: Yep.

Me: But Nico don't blame yourself for not wanting to finish Lila.

Nico: (laughs) That's funny that you should say that considering that on earlier times, you guys kept telling me to finish off Lila when I had the chance.

Me: Okay okay okay I was being impatient back then. But lets be glad she is gone.

Nico: Yeah you're right. But now we have gotten rid of her.

Lola: We sure did.

Qin: Hope she likes the Black Gates.

Xenia: Something is telling me she isn't.

Camie: Good.

Nico: But you're right. Let's just be glad she's gone and focus on right now. And also focus on helping Marinette.

Me: Right.

Qin: The Another Vanitas is coming.

Lola: Right there!

Out of a Dark Corridor came a black version of Vanitas! It was ANOTHER VANITAS!

Qin: WHOA!

Me: Another Vanitas!

Lola: Awesome entrance.

Vanitas: A Dark Corridor? I haven't used that in a very long time.

Me: It has been a while.

Another Vanitas: (In a girls voice) Sorry about coming out like that.

Then she reverted back and she was a girl with aqua blue hair and aqua blue eyes and aqua blue clothes and had aqua blue angel wings.

Sora Phaaze: (GASP) Megan Bryyo!

Megan Bryyo: Glad to see you Sora.

Sora Phaaze: Same here. At least you're all right.

Megan Bryyo: Me too.

Kaito: (gets out Dynaman gear) Did Swartz promise you anything?

Zocks: (gets out Bioman gear) Because we can grant it instead.

Kaito got a Dynaman Sword and Zocks got a Bioman Sword.

Megan Bryyo: No he didn't promise me anything. I scared him with unleashing the corruption of Phaaze on Swartz and threatened his life. I ran off after that.

Me: Very crafty.

Nicole: The Phazon Crisis really dealt a nasty blow to the Federation and more.

Megan Bryyo: That is true.

Me: Sorry we have to fight like this.

Megan Bryyo: No worries. Come at me.

She turned into Another Vanitas.

Sougo: (gets out Dynaman gear) What effect would the corruption of Phaaze have on Swartz?

Geiz: (gets out Bioman gear) Sougo, some questions are best left unanswered.

Sougo got DynaRedArmor while Geiz got Red1Armor.

Nicole: I agree with Geiz. You don't want to know what went down during the entirety of the Phazon Crisis. That was a horrible nightmare for Samus and the Galaxy.

Nico: Yeah no kidding.

Qin: Yeah.

Nico: (gets out Vanitas' Ridewatch) Time for Keyblade action!

Nico activated it and got Vanitas's keyblade and fired waves of fireballs and blasted her down!

Qin: YEAH!

Nico: Lets see what the Phoenix Force can do. (ACTIVATES DARK PHOENIX'S RIDEWATCH)

(CODA OF DARK PHOENIX PLAYS)

He grew a powerful pair of phoenix wings and glowed in a powerful Fire Aura!

Qin: WHOA!

Me: Unbelievable!

Carmen: WHOA! That could be the most powerful Ridewatch of them all!

Nico: It sure is.

Nico fired waves of fire and blasted her down.

May: (Gets out Dex's Ridewatch) Hope you're not CHICKEN!

She fired waves of energy and blasted her down!

Qin: YEAH!

May: (Gets out Kurumowario's Ridewatch) Let's see what this does.

She activated it.

May: FIRE!

She fired a Big Nut and it hit Another Vanitas and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: WHOA! That was as powerful as a C4 Bomb!

Maria: (gets out Evil Hiei's Ridewatch) It's like I'm using Hiei's powers!

Nico: Go for it.

Maria: (ACTIVATES IT!) DRAGON OF THE DARKNESS FLAME!

Me: Brace yourselves guys!

She was surrounded by pitch black fire!

Maria: DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

She fired a blast of Pitch Black fire as hot as the sun and it formed into a deadly dragon and it hit Another Vanitas and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She knocked her down!

Me: WHOA! Nice one Maria!

Nico: Wow! That was awesome!

Maria: (gets out Universe 666 Professor Pyg's Ridewatch) Eli, bonk my head if I start singing opera.

Maria activated it and fired waves of energy and smashed her down.

Maria then started to sing opera. She was singing in gibberish. Singing loudly enough to nearly blow the some of us off our feet. She comes out to us appearing to be begging.

BLAM!

Eli bashed her on her head.

Maria: Thank you.

Carmen: My turn, sis!

She activated Dark Phoenix's Ridewatch.

(CODA BY DARK PHOENIX PLAYS)

She flared up a fire aura and grew fire angel wings!

Me: WHOA!

Maria: Wow!

She fired waves of fire and smashed her down!

Then Zexion and his team consisting of Spellbinder, Nasalmancer, Nai, Chara Dremurr, and Another Decade came.

Nico: Nice team, Zexion!

Zexion: Thanks Nico.

Qin: Yeah!

Zexion: Is Marinette doing ok?

Nico: We'll check on her when this is done.

Me: Yeah.

Then a Roselia then appeared.

Me: Cool a Roselia!

Laney: That one is beautiful.

Roselia: (In a girls voice) Greetings fellow nature lovers.

Nico: Eleanor Rosalina!? Whoa!

She reverted back and was a girl with green hair and had red and blue clothes.

Eleanor Rosalina: I got this.

She fired waves of leaves and smashed her down and I caught the ridewatch and purified it and I went and brought Megan Bryyo to us.

Nico: You okay?

Megan Bryyo: (Groans) Just got a really nasty headache.

Varie: At least she is okay.

Carmen: That was cool. (To Eleanor) What's your favorite memory of Nico?

Eleanor Rosalina: My favorite is when me and Nico discovered an amazing blue peach tree and it had really tasty fruit.

Me: That is cool!

Qin: It sure is.

Nico and Eleanor hugged.

Nico: I really missed you.

Eleanor Rosalina: Me too Nico. Me too.

We later went back home.

Timmy Turner's evil self that was born from the wish to do the exact opposite of what his parents say, Anti-Timmy A.K.A. Nega-Timmy, but this time, he's a separate entity, and he's causing havoc in Vigrid.

Lincoln: Wow, we're here in Vigrid.

Jeanne: I admit, it's been a long time since last we've been here.

Bayonetta: (British Accent) It still hasn't changed in a bit.

Lincoln: This is also our first time coming here to Vigrid, but I still know what we're going to do here, not only am I going to rescue the thirteen girls here, but we're also going to destroy Timmy Turner's evil self that was born from the wish to do the exact opposite of what his parents say, Anti-Timmy A.K.A. Nega-Timmy.

Wanda: What?! I thought we got rid of that little monster after his Dad undid that wish. Oh, this isn't good.

Me: I remembered you telling us that story, Wanda.

Nico: Me too. That wish was also due to the stupidity of your parents, Timmy, jeez.

Timmy: Yeah, and when Dad told me to be good, that was the consequence, and since I wished to do the opposite, I turned evil, and Cosmo just stood by to see Wanda crack like an egg.

Eli: Were you really that evil when that happened?

Wanda took out a photo of Timmy when he transformed into Anti-Timmy: in contrast to Timmy in his appearance from years ago, he has two fangs, red eyes, tan skin, black hair, wears a cloak, and he also has a tiny top hat, and in contrast to Timmy in personality, instead of being heroic, caring and loving, Anti-Timmy is extremely intelligent, evil, and cold-blooded. When Eli saw it, he was horrified.

Rarity: My word, now that's just terrifying.

Lincoln: And even worse, after causing some havoc at school, he created a laser that would knock a satellite out of the sky which will cause it to fall and crash onto Mt. Dimmsdale, with the lava flow resulting in the destruction of the Dimmsdale Dam, since that is the only natural disaster that could destroy it, thus creating a massive flooding disaster that will destroy the makeup factory and rid all beauty in Dimmsdale, and life in Dimmsdale would cease to exist.

The girls in Lincoln's group all shrieked in horror.

Wanda: That's right, some people look terrible without makeup. His parents found out about it, and that little monster enticed his Dad with the prospect of using the laser cannon to destroy Dinkleberg's House, at which point he told him to be as evil as possible so he could get his vengeance as much as he wished, but this action turned Nega-Timmy back into Timmy just in time, and he hasn't been seen again.

Lori: Until now. What that little monster tried to do in destroying the Dimmsdale Make-Up Factory and destroy all beauty in Dimmsdale and cause all life there to cease to exist just proves what kind of evil and cold-blooded monster he is.

Lincoln: And that's also why we're going to mash that little monster into paste when we get done with him, and I want to thank you and your team for joining us, MJ.

Mary Jane: You're welcome, Lincoln. Now, let's go find that little monster and mash him into paste.

Timmy: We also need to watch it with him, that monster is also a vicious fighter, he jumped Crocker twice and sent him flying from the roof and the house, and we also got even worse news: Nega-Chin has come back from the dead wanting revenge on us as well.

We gasped.

Lincoln: So, we got two outright evil monsters to kill: Nega-Chin and Anti-Timmy. Let's take down Nega-Chin first, then we get after that little monster.

We continued our travels through Vigrid, but then, we saw something heading right for us, it was the Nega-Chin, The Crimson

Chin's archenemy. But, before he could attack us, Timmy fired a blast of black Nega-Chintonite energy from his Mage's Staff which knocked him down and weakened him greatly, and then, he fired a blast of black Nega-Chintonite energy which tied him up and it was also weakening him even more.

Nega-Chin: This is impossible, how could I lose to you yet again?!

Timmy: Because villains like you never learn their lesson, Nega-Chin, now it's time that we get rid of you for good before we get after Anti-Timmy.

Timmy sent Nega-Chin flying into the air, then, we saw red Infernal Energy surrounding Timmy.

Timmy: (Speaking in Enochian) NOQUODI

Then, a portal opened up, and out came the gigantic bat Infernal Demon, Mictlantecuhtli, Presser of Destruction, who then proceeded to tear Nega-Chin to shreds as it spins around with a tornado-like force and presses its' foe into the ground, and Nega-Chin's body eventually gives way and he's easily crushed into a bloody mess, and his spirit was sent to The Black Gates.

Lincoln: That's better, now we're rid of The Nega-Chin, now to hunt down Anti-Timmy.

Suddenly, we saw a beautiful girl with long golden blonde hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful golden blonde and blue angel wings, she has on a tiara with the Kamen Rider Saikou logo, she's dressed in a sleeveless orange vest, sleeveless yellow midriff top, necklace with the Kamen Rider Saikou logo for the pendant, yellow skirt and she has the Kin no Buki Gin no Buki Wonder Ride Book on her waist, yellow pants, yellow legwarmers, yellow heeled sneakers, and long white long-sleeved trenchcoat with light, swords, and angels on the coattails and on the back is the Kamen Rider Saikou logo and holstered on her back is a massive Kougouken Saikou-themed greatsword with embedded yellow gems and Kougouken Saikou etched on the 7'0" massive, wide, double-edged gold blade, large gold dragon heads for the crossguard, large teal gem embedded in the rainguard, longer midnight black handle, four large gold dragon heads and large teal gem on the bottom of the large gold dragon heads for the pommel, and in her hand is the Kougouken Saikou, and she has the thirteen girls with her.

Qin: Whoa, so that's the Kamen Rider Saikou embodiment on Lincoln's side.

Girl: That's correct, and I got the thirteen girls away from that cold-blooded monster who was about to blast them with a deadly laser.

Lincoln: (Gasps) Sayaka Hikaru, I knew it was you, it's so awesome to see you again.

?: I will kill you all for ruining my fun in destroying those foolish girls! (HISSES ANGRILY)

We then saw our target, Anti-Timmy, and boy was he really mad.

Lincoln: Jeez, you really made him mad, Sayaka.

Rita: She sure did, now let's mash that vicious, crazy, fanged monster into paste!

Lori: I'll turn that monster into an inside-out sausage for threatening to destroy the makeup factory!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal

Then, Lincoln fired blades of light from a swing of his massive greatsword, and they sliced and diced Anti-Timmy into shreds and they exploded, killing him and he was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Timmy: Finally, it's over for Anti-Timmy.

Lincoln: That little monster got what he deserved for his crimes. (To Sayaka Hikaru) And it's so good to see you again, Sayaka Hikaru.

Sayaka Hikaru: You too, Lincoln, it's been a long time.

Lincoln went up to Sayaka Hikaru and he hugged her, and Sayaka Hikaru is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Sayaka Hikaru: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sayaka Hikaru, Embodiment of Kamen Rider Saikou, she's my Guardian Angel from Japan and classmate in Gym. Sayaka Hikaru is known as a talented and powerful swordswoman and she also has the powers of light. She and I trained a lot in swordplay and mastering the powers of light, and she also introduced me to Kamen Rider Saber when they were eight years old, and have watched every episode ever since. I made Sayaka a tiara with the Kamen Rider Saikou logo on it and necklace with Kamen Rider Saikou logo for the pendant, and to show thanks, she kissed me on the lips. And to save you guys from dropping your jaws again, she's also the sister of Yuri A.K.A. Kamen Rider Saikou, and she hates Lisa with a burning passion.

But, as soon as he told us she's Yuri's sisters, our jaws did drop to the floor again.

Nico: We got to stop doing that or we're going to start catching flies in our mouths, but that's really incredible that she's also Yuri's sister.

Yuri: That's right, and it's so good to see you, Sayaka.

Sayaka Hikaru: You too, Yuri, and I've got a huge story as to how Lincoln and I stopped Lisa and we also slashed all of her robots to shreds. (To Lincoln) And I also got you a little something, Lincoln.

Sayaka Hikaru took out a jar, and it was full of Dreaded Dancing Diablos.

Nico: (GASPS) Dreaded Dancing Diablos?!

Me: Uh oh, I think I know what you're planning on doing with those, Sayaka, you heard that Lincoln is also a Spice Demon and lover of spicy foods and peppers.

Sayaka Hikaru: And thanks to that legendary pepper Gina Angellus gave him which he ate and it gave him that massive and powerful immunity to peppers of all types, he can eat all types of spicy peppers and spicy foods. Now, I intend to turn up the heat by having him eat a whole jar of Dreaded Dancing Diablos.

Lincoln: So, that's your plan, huh, Sayaka? Well, you know I can't resist eating spicy peppers.

Lincoln then took the jar of Dreaded Dancing Diablos and as he opened the lid, he poured them into his mouth and he ate them, and then…

MILLIONS OF EXTREMELY MASSIVE AND UNBELIVEABLY POWERFUL FIERY EXPLOSIONS OF EXTREME UNPRECEDENTED POWER!

THE POWER OF THE EXPLOSIONS WERE SO MASSIVE, SO POWERFUL, AND SO INTENSE, THEY THEN FORMED JETS OF INCREDIBLY POWERFUL FIRE THAT SUDDELY BLASTED RIGHT OUT OF THE GALAXY AND FORMED INTO A POWERFUL

LINCOLN HAD AN AWESOME LOOKING CHEST HARNESS WITH COLORED GEMS ON THE ORANGE STRAPS AND A CIRCULAR CHEST PLATE WITH A PHOENIX ON IT!

Lincoln's deep sapphire blue eyes and rainbow iris of his Third Eye had super intense burning fire in them! Then, we saw the ring of ten smaller orbs move from levitating behind him to around his waist.

Nico: SWEET MOTHER OF ALL THINGS SPICY!

Eli: HOLY TOLEDO! THAT WAS ONE WILD SERIES OF EXTREMELY MASSIVE AND WILD EXPLOSIONS!

Lincoln: WHOA! That was so awesome!

Me: WHOA! Lincoln, how do you feel?

Lincoln: Intensely awesome and hot like you, J.D., when you ate one of those bad boys!

Nicole: Dad only ate one, you ate a whole jar of those bad boys! And when we get back, there's no doubt the rest of the team had already seen the display, along with The Masters of Evil.

Lincoln: Yeah, they're going to find out from me personally when we get back. Thanks for the spicy surprise, Sayaka, and I think you know what's about to happen, right?

Sayaka Hikaru: Yeah, I think I already know.

Lincoln went up to Sayaka Hikaru, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Sayaka Hikaru: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sayaka Hikaru's neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Sayaka Hikaru: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sayaka Hikaru.

Sayaka Hikaru had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirteen girls, and when Lincoln saw who they were, he immediately recognized them. The thirteen girls are Hannah Hart, Karla Keller, and Maya from Tattoo Assassins, Princess Destiny, Mineko, Elka, Loa, Ruri, Levia, Alize, Desastre, and Shironeko from Summoned to Another World… Again?, and Cecilia from Saint Cecilia and Pastor Lawrence.

Lincoln: Oh wow, it's Hannah Hart, Karla Keller, and Maya from Tattoo Assassins, Princess Destiny, Mineko, Elka, Loa, Ruri, Levia, Alize, Desastre, and Shironeko from Summoned to Another World… Again?, and Cecilia from Saint Cecilia and Pastor Lawrence.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hannah Hart: Yes, we're okay thanks to you for saving us from that vicious little monster.

Then, when Hannah Hart and the other twelve girls saw who it was that saved them from Anti-Timmy and from his hired mercenary, The Nega-Chin, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, chest harness with colored gems on the orange straps and circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted

Hannah Hart: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Hannah Hart: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hannah Hart, Karla Keller, Maya, Princess Destiny, Mineko, Elka, Loa, Ruri, Levia, Alize, Desastre, Shironeko, and Cecilia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villains we went after were Timmy Turner's evil self that was born from the wish to do the exact opposite of what his parents say, Anti-Timmy A.K.A. Nega-Timmy, who became a separate entity, along with The Nega-Chin, who came back wanting revenge on us.

But, when Lincoln showed what happened such as Timmy restraining The Nega-Chin with a black Chintonite straitjacket and summoning the gigantic bat Infernal Demon, Mictlantecuhtli, Presser of Destruction, who then proceeded to tear Nega-Chin to shreds, and he was then sent to The Black Gates for good, and finally all of us beating down Anti-Timmy and Lincoln finishing that little monster off by firing blades of light from a swing of his massive greatsword, and they sliced and diced Anti-Timmy into shreds and they exploded, killing him and he was sent to The Black Gates for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and

Sayaka Hikaru have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you had a two-for-one takedown on your rescue: Nega-Chin and Anti-Timmy. And I hope the girls had fun in beating that monster down for what he tried to do in destroying The Dimmsdale Makeup Factory.

May: We sure did.

Qin: That little monster went too far trying to destroy all life in Dimmsdale by destroying the makeup factory.

William: And we saw those wild explosions of fire and the display from outer space and Vigrid, what happened?

Nico: Sayaka Hikaru gave Lincoln a jar of Dreaded Dancing Diablos, and he ate them all, and what happened to J.D. happened to Lincoln.

Maria: Whoa! Now, that was really wild and crazy, plus, Lincoln has on a chest harness with colored gems on the orange straps with circular chest piece with phoenix on it, that's really awesome.

Lincoln: And believe it or not, the chest harness was created from the belts that were on my chest when I became one of the Smash Fighters in the Super Smash Brothers.

Marinette: That's right, Nico told me about your meeting with Master Hand.

Alya: And now, our man's now even more intensely awesome and hotter.

Lily the Mermaid: You said it, Alya.

Lily the Mermaid kissed Lincoln on the cheek, and steam whistled out of her ears.

Lily the Mermaid: WHEW! I think you weren't kidding about that one, that was really hot!

After finally destroying Anti-Timmy and The Nega-Chin, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sayaka Hikaru saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sayaka Hikaru: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sayaka, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sayaka Hikaru: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sayaka Hikaru: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Sayaka, what's the story on how you and Lincoln put a stop to Lisa's rampage and also sliced all her robots to shreds?

Sayaka Hikaru: I thought you'd never ask, I still remembered this one story all too well. One time, Lincoln was with me and we were doing some training with our swords in our gym and the rest of the Guardian Angels who were with us. But, then, we heard the sound of insane mad laughter, and Becky Long saw something in the distance, and she saw who it was: the figure was none other than the cold unfeeling mad scientist of The Loud House: Lisa Loud, and she had a massive army of robots with her and she even rebuilt Todd and her other robots, and they were on the rampage causing havoc in Royal Woods. We were horrified of what Lisa had done, including Lincoln, but he remained calm and we knew what he was going to do: head out there, shred Lisa's robots, and tie up Lisa. I went with him as we headed out to confront that mad scientist, and along the way, Lincoln and I along with the rest of The Guardian Angels sliced and diced all of Lisa's robots, and we made our way to Lisa, who was heading right for us, and we sliced and diced Todd and her other rebuilt robots, and this drove Lisa mad, and she tried to fire a laser at us, but we fired blasts of light and blinded her, and Lincoln tied her up by firing red energy blasts from his white angel wings and tied that mad scientist up. We then saw Luna, Sam, Mazzy, and Sully arrive, and boy, was she mad. She then grabbed Lisa and she, Sam, Mazzy, and Sully got a ride from Chunk back to

The Loud House, and when we got back, we arrived in time to see Lisa get grounded for nineteen weeks and not only did she have to pick up the remains of her robots, but Lily threw a stink bomb down Lisa's bunker and changed the password yet again, and even after Lisa was off her punishment, her bunker would smell like a dumpster and not even a deep cleaning could get rid of the stink.

FOGHORN SOUND!

Nico: P.U.!

Lily: Lisa deserved it, the little monster.

Lincoln: She sure did, Lily, and that was a nice move you did throwing a stink bomb down her bunker and changing the password again.

Rita: Lily was that mad at Lisa because of her rampage that day, and I thought Luna's wrath towards her, Lori, Lynn, Lola, and Luan was bad.

Luna: Usually it is, but with Lily, oh you so don't want to get on her bad side by messing with Lincoln, she'll do a lot worse.

Nico: She'd done worse to Lisa by changing the password on her bunker many times, but throwing a stink bomb down there as well, that's new, but for Lisa, that really stinks. But, I got to ask, did she by any chance do a lot worse to Lori, Lynn, Lola, or Luan if they got grounded for trying to kill Lincoln again?

Lori, Lynn, Lola, and Luan shuddered in fright at the mere mention.

Lincoln: She did, but it's best not to mention it. We saw what she did to them before, and it's not a pretty sight.

We got a shower, and then, Lincoln, Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent are heading to Kume Island, Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new

large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Tier Harribel: Wow, so this is Kume Island, awesome.

Lincoln: I've never been here before to Kume Island, and it's perfect for our first date, Tier. Shall we?

Lincoln, Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Kume Island, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihouin, Daring Do, Sadie, Katie, Sugar, Staci, and Argent are now part of your harem, awesome!

Nico: I always knew they had their feelings for Lincoln.

Me: I saw it from Sadie, Katie, Sugar, Staci, and Argent years ago, along with from Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, and Yoruichi Shihouin.

Rainbow Dash: And from Daring Do, but this is so awesome! Now, Linky has my favorite author in his harem!

Rukia Kuchiki: Along with several more of the Soul Society as well.

---

Rusty entered Marinette's room.

Rusty: Hey, Marinette. Just wanted to check up on- OH MY GOD!

Rusty saw Marinette cutting herself with a blade!

Rusty: (grabs Marinette's arm) Marinette, what the fuck are you doing?!

Marinette: (pushes him away) GO AWAY! I AM A BAD GIRL! I DESERVE PAIN! (continues cutting herself)

Me and Adrien rushed in and I grabbed Marinette!

Me: Marinette have you lost your mind!?

Adrien: Marinette you are going to take the cowards way out!?

Big Guy: For the love of mike.

Qin: Marinette suicide is never the answer!

Me: And besides we can't die anyway remember?

Marinette: Oh right. I forgot.

Lori: (takes blade from her) We're literally hanging onto this until you start thinking straight!

Sideshow Bob: How about I hang onto that, Lori?

Lori: Alright.

Leeli: Any reason why?

Sideshow Bob: (takes blade) Sharp weapons are my specialty. Honestly, this should be used to cut those who deserve it, not to cut yourself.

Nico: But Marinette listen, you are NOT a bad girl.

Me: Yeah Marinette you are a good girl!

Marinette: You don't understand!

Me: Marinette listen! I know how you feel about what you did to Lila and how. When I killed 2012 Shredder I got my revenge but I was so sad myself that I wanted to kill myself too. But I did not kill myself! You are a brave hero and a great girl and you are also the legacy of Joan of Arc. Would God want you to kill yourself like this!? Absolutely no way!

Marinette: It's not just that! This is the first time any villain of mine have suffered a real death before.

Hook: Okay, I can understand that. You're probably not used to it.

Me: Marinette listen! Lila was a monster and she deserved every ounce of pain we can dish out on her. But Marinette I know exactly what you you were feeling. I went through the exact same thing back when I made my first kill.

Marinette: Really?

Me: Yes. Remember when I lost Caitlyn Laurence and I ripped out that man's throat and I killed him? I felt the same way. But I did not want to kill myself. Sure I was completely grief stricken and sad but I did not want to kill myself. I would never do such a thing.

Caitlyn Laurence: That's right Marinette. When J.D. lost me he was devastated and he was crying for days. I watched him from heaven and he was sad for a long time.

Marinette: That's right I remember that.

Me: That's right. I was devastated. I couldn't eat or sleep for days. But my mom and dad helped me realize that what I did was an act of justice. And since then I devoted my entire life to the superhero work. I wanted to help people and make sure they never have to go through the same thing again. Marinette what's important is that one of your most dangerous enemies is gone and you should be relieved about that. Lila got what she deserved. I'm sorry we had to kill her but there was no other choice. She was gonna keep causing problems and we couldn't kill her live another second any longer. You did what you had to do Marinette.

Adrien: I agree Ladybug. You did what was right and the world is forever glad.

Marinette knew that we were right. Then she hugged me and broke down crying more and I comforted her.

G1 Ratchet: Let me look at those cuts so I can heal them.

Marinette: (CRYING) I'm such a fool!

Me: It's all right Marinette. It's okay.

Ratchet looked at the cuts and healed them.

Laney, Naruto, Lana and Lola and many of us came.

Naruto: You aren't the only one that felt the same way Marinette.

Lana: Yeah me and Lola made our first kill years ago too.

Laney: Same with me. We felt the same way as well.

Nico: That's right Marinette. I felt the same with Ken remember?

Lola: Besides, like you said before, you may have used the Black Gates on her spirit. But you didn't kill her physical body.

Apple Bloom: That's right. We killed her body.

Sweetie Belle: You just used the Black Gates on her spirit.

Qin: That's right.

Scootaloo: But either way Lila is gone forever.

Chloe: And you got payback for when she hurt your mom and my dad.

Adrien: Not to mention her abusing my Dad's trust.

Me: And causing all kinds of horrible crimes to you and all of Paris. She was a monster and a true spawn of Satan.

Rusty: She sure-a-shootin was.

Big Guy: That's right Marinette. You did what was right and you saved all of Paris by doing what is right and what's good in your heart. Besides it's going to take more than the crimes of Lila Rossi to bring you down.

Adrien: Yeah what Big Guy said.

Joan of Arc: You did a great deed yesterday Marinette. Even if you are lost God will never abandon you. You will always be able to find your way back.

Lynn: So please cheer up, okay?

Me: For all of us Marinette.

Nico: That's right. Just like we helped you and you helped us. I have been there for you when I first joined the team and you have been there for us too when you joined the team.

Lola: Yeah Lola. Cheer up for all of us.

Marinette sniffled and knew we all were right.

Marinette smiled.

Marinette: Thank you guys. Thank you.

Me: You're welcome.

Then Marinette saw 2 figures out her door.

Marinette: Okay, whoever the next Gene Slammers are, I know you were listening to all that.

A Volbeat and Illumise came out.

Me: A Volbeat and Illumise! Wow!

Nico: Cool.

Volbeat: (In a girls Voice) Are you okay Marinette?

Nico: Marissa and Mallory Jankow! Wow!

They reverted back and Marissa was a girl with red hair and purple and black clothes and Mallory was a girl that had blue hair and purple and blue clothes.

Mallory Jankow: It's great to see you again Nico.

Marinette: But yes I'm better.

Her stomach growled.

Marinette: Man I'm hungry.

We got her to the kitchen and she had a bunch of French Sandwiches.

She ate 20 of them.

Me: Geez you were hungry.

Marinette: What are your favorite memories of Nico?

Mallory Jankow: We have a lot of them. But our favorites are when we made an awesome sword of lightning. We had lots of battles with it too.

Marissa Jankow: We sure did.

Nico: That was cool.

Qin: I remember that sword. That was awesome.

Nico hugged them both.

Nico. I've missed you girls.

Marissa Jankow: We did too Nico.

Mallory Jankow: Boy Marinette was really distraught huh?

Me: She was.

Snaptrap: Nico, which teams have you made this time?

Nico: Sora's team will include Pakura, Ken'ichi Akama, Peppy Hare, Falco and Tamara Daishinji. Takanuva's team will include Catherine Hoshi, Jin (Flashman), Seraph With Eyes of Blue, Blue-Eyes White Dragon and Red-Eyes Black Dragon.

Me: Cool!

Seto: Blue-Eyes White Dragon with his own Archenemy. I like that.

Joey: And good ol Red Eyes too.

Lola: That is awesome.

Pakura: And it will be an honor to be part of a group.

Me: It sure will.

The previous group came,

Stinky Butt: Can me, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL, and Artie Ziff go with you guys?

Malodor: Me, Cajun Fox, Yost Korvac, Quackor the Fowl, Hercules Cyclops, Beagle Babes, Big Cheese, Glomgold, Birdbrain, and Gourd will come too.

Nico: Yes you all can come with.

Qin: This is gonna be fun.

Xenia: We don't even know what our mission is though.

Sonata: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm going for Swalot, Sharpedo and Wailord next.

Me: WHOA! You're going big on that last one.

Qin: Yeah Wailord is huge!

Me: No kidding!

Nico: That is a huge one huh.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai. What's the emergency?

King Kai: (Telepathically) Oh, you're not going to like it one bit: Count Venamus, the right hand alien of The Virus is back, and he wants revenge on all of you for destroying him and The Virus.

We gasped.

Me: We haven't faced him in a while!

Lincoln: It's been years since we last dealt with The Virus and Count Venamus, and now, he's come back for Round 2. Okay, then, we'll give him another beatdown, but it'll also end with him getting put in the slammer for his misdeeds.

Nico: I like that idea, Lincoln, it's better than just killing him again, but this time, he'll have to live with his crimes for the rest of his life while he's in prison.

Eli: I agree there.

Suddenly, Nicholette chanted a powerful incantation, and three souls were suddenly imprisoned inside four cards: they were none other than our old enemies, Abigail Sanchez, Hawk, and Hank.

Me: Nicholette, what's with the souls of Abigail Sanchez, Hawk, and Hank being imprisoned inside three energy cards?

Nicholette Torrington: I've been thinking of what those three did in creating Dark Eddy and trying to bring back The 20 Days of Darkness, and I also was thinking of the terrible harm those three have caused Lincoln and his family. If those three were ever freed again, they won't stop until they've killed the Louds and destroyed all of Gotham Royal York, same with another of our old enemies, Ophelia Shroud.

Lincoln: Yeah, and I still have her card ever since I drew the Bind and Seal Kanjis on her forehead when we went after her last year in

Dark World.

Lincoln took out the card with Ophelia Shroud bound in a straitjacket and sealed in a crystal prison and imprisoned in a card.

Nico: So, you think someone will try to free those monsters from their prisons to try to get revenge?

Luna Anderson: That's what's the spirits of The Netherworld are telling me. Plus, we can never forget the pain and suffering these four have caused Lincoln and his family, so we're up for banishing their souls to The Black Gates for good.

Lincoln: It's no surprise that many of my Guardian Angels hate those two Hazeltucky buttfaces so much, along with that evil, deranged mad scientist little worm Ophelia Shroud, and that heartless bully who caused Luan to go crazy and they also wanted to kill me and my family. Okay, then, I've had just about enough of those four psychos, and it's obvious they refuse to learn their lessons.

Nico: That's putting it mildly.

Hawk: You losers, when we get out of this, you'll all be left bleeding on the streets!

Me: Go suck a doorknob, buttface!

Lincoln fired four Judgement Kanjis at the energy cards, and when they hit Ophelia Shroud, Hawk, Hank, and Abby Sanchez, all of them were found guilty for their crimes and were banished to The Black Gates forever.

Luan: Good riddance for good, Abby Sanchez.

Lincoln: Same with the Hazeltucky Hockers and Ophelia Shroud. Now, we're free from those four for good.

Lisa Loud: Indeed we are.

Nico: Good call there on that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Yunoma, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Yunoma of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Yunoma, right, Abigail?

Abigail Hazeltucker: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Sophia Presley: While you and Nico destroy Yunoma and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to meet up with The Supernoobs and take down Count Venamus.

Lincoln: We'll make that right-hand alien of The Virus pay for his crimes, and once we get done with taking down Count Venamus, you better be ready to die, Yunoma.

Abigail Hazeltucker: You better be ready to die, Yunoma, because the fires of Hell are coming for your miserable soul!

Anti Wanda: I wish we had time to celebrate those scumbags being gone from our lives. But we don't have the time.

Cajun Fox: Let's head to the school at Cornbury. I'll make some Cajun lunch for us there.

Me: Good idea.

Nico: Lets roll!

We were off.

---

We arrived at Cornbury, Minnesota.

Qin: Cornbury.

Me: Boy I'll never forget the first time we were here.

Xenia: That was so awesome.

Tyler Bowman: Boy it's good to be back.

Nico: Feeling a little homesick weren't you?

Tyler Bowman: I was.

We arrived back at his school.

Block Man: Here we are back at your school.

Nico: Yep.

Qin: Boy I remember this place.

We went in.

Qin: Boy just as busy as ever.

Amy Anderson: But it is good to be back home.

Roach: It sure is.

Yost Korvac: Let's get seated.

Cavalier: While Cajun Fox makes us lunch.

We went to the cafeteria and Cajun Fox made us a Louisiana Cajun feast and man was it awesome.

I had Spicy Cajun Gumbo and Po Boys.

Me: (Eating Po Boys) Mmm! Delicious.

We were having lots of good food.

Amy Anderson: (Eating po boys) Yummy.

Magma Man: Can I heat that up?

Me: Go for it.

He did so. We got to eating.

I ate some jambalaya.

Me: Mmm!

Qin: Perfect.

Quacker the Fowl: You guys met in the same year the Masters of Evil started out.

Eris: Including me.

Me: That's right we sure did.

Camie: When was that?

Me: After the Great War with the Royal Defenders and it was just after Halloween.

I went over what happened in chapter 1234.

We were over in the meadows of Minnesota as we were walking over to the home town of the Superdudes: Cornbury. With us were the newest recruits of the Masters of Evil: Vortex the Weather Ghost; Enemy of Danny Phantom, and Whiger the White Tiger spirit of Jungle Fury, and the newest member of the Redemption Squad: the human version of Cozy Glow.

Vortex (Danny Phantom)

---

Vortex is a weather-manipulating ghost from the Danny Phantom cartoon series. He is the main antagonist of the episode, Torrent of Terror.

He is voiced by David Boat

Throughout the centuries, Vortex unleashed destructive weather across the Earth, but he was eventually subdued by the Observant High Council. They kept his powers under control with the Spectral Barometer, however during his sentencing, Vlad Plasmius appeared and freed Vortex. The weather ghost was ready to resume his rampage, but Vlad got him under control with the Spectral Barometer. He commanded Vortex to unleash a massive heat wave on Amity Park, then told everyone he had developed a weather controlling device (actually the Spectral Barometer). Vlad fired it into the sky, hitting the weather ghost, and he used his powers to unleash a rain storm, increasing Vlad's approval rating. But when he told Vortex to stop the rain, he became enraged, refusing and Vlad attempted to use the Spectral Barometer to force the weather ghost to obey. However he managed to overpower it and reflect the energy back, destroying it and leaving the only thing able to control him gone. Vortex went off to begin a worldwide rampage with Vlad attempting to subdue him, but he quickly defeated the half-ghost. In revenge for the humiliation that Vlad had subjected him to, the weather ghost condemned Amity Park to the worst storm ever, the maelstrom. Panicking, Plasmius got Danny to join him in battling Vortex, but when they went to confront him, Vlad left Danny to fight the weather ghost alone. They battled and the half-ghost soon discovered that he was out of his league, proving unable to even hurt Vortex while he was blasted again and again. Soon enough

Danny was defeated and the weather ghost left to begin his rampage, not knowing that one of his attacks had left the half-ghost with some of his weather manipulation powers. When Sam, Tucker, and Vlad realized that Danny's mood could now control weather, Sam and Tucker went to draw Vortex back to Amity Park, while Vlad was forced to keep Danny in a good mood. They found him in Venice and taunted the fact that Amity Park wasn't under the effect of his powers, causing him to angrily head there. The weather ghost began ravaging the town with intense heat and cold, but Sam, Tucker, and Danny used Tucker's virtual reality program to manipulate Danny's emotions, allowing him to unleash various weather attacks to weaken Vortex. He managed to blast the half-ghost again to remove the weather-manipulation powers, but the Fenton Plane's weapons managed to weaken the weather ghost enough to capture him. Danny returned him to the Observants, but he escaped again. Later Vortex was amongst the countless ghosts that helped to turn the planet intangible to save it from the Disasteroid.

## Whiger the White Tiger

Whiger was a chimeric Phantom Beast General that possessed the spirit of the White Tiger. He was also the only one of Phantom Beasts that turned to the side of good.

He possesses Rinzin power. Along with Snapper, Scorch, and five other Phantom Beasts they had attempted to overthrow Dai Shi during the beast war. The resulting feud had caused the attack on the humans to stand on weak ground. With the finding of the Crystal Eyes in which the Generals were contained they resolved to ally completely with Dai Shi, plotting to make him Phantom Beast King and eliminate his humanity, ensuring the success of the Final Beast Wars.

After the Spirit Rangers defected to the Rangers, Dai Shi noticed that Whiger had a Tiger spirit and planned the Phantom General's next test of loyalty. After a scuffle with RJ, Whiger succeeded when he took part of Casey's Animal Spirit making him very powerful. Whiger proves his victory to Jarrod/Dai Shi by sparring with him (thus allowing Dai Shi to accept the Generals). Whiger called a fight with Casey, but ended up fighting RJ, Theo, Lily, and Dominic until

Jarrod/Dai Shi, Camille, and the other Phantom Beast Generals arrive and easily defeat the Rangers. Whiger attacked the city and Casey ran into him. Casey tried to transform without his Tiger Spirit and ended up fighting the other Rangers. Casey finally transforms and joins the fight. With the help of Jimmy, the Rangers charged up the Claw Cannon to use on Whiger. Whiger grows and fights the Wolf Pride Megazord, the Rhino Pride Megazord, and Jungle Master Megazord, losing to them when they form the Jungle Master Stampede.

Dai Shi didn't take the news of Whiger's defeat lightly. He stripped Whiger of his Rinzin, title, and rank before banishing Whiger from the temple. Whiger tried to kill Casey, for robbing him of his honor only to be saved by the human when he fell off a cliff. Deciding to return his kindness, Whiger lead Casey to where Rammer and Badrat were holding everyone captive, including the other rangers. While battling Camille, Whiger gave Casey back his tiger spirit and the two performed a double attack on Camille (with Whiger manifesting a white version of Casey's Tiger Spirit), forcing her to leave in defeat. However, the fight depleted the last of Whiger's Rinzin, causing him to fade away from existence but not from Casey's memory.

Whiger is finally avenged when Casey, Lily and Theo destroy Dai Shi.

Vortex: Man, two years in the Book of Vile Darkness can give you such a pain in the neck!

Genie: Try being locked up in a lamp for 10,000 years! (Imitating Edward G. Robinson) And it's not a pretty sight see?

We laughed.

Me: You always crack us up Genie.

Aladdin: He sure is funny.

Whiger: I am so honored to be part of the Masters of Evil.

Me: I'm glad you are Whiger. I was really amazed that you went to the side of good. You would've made a great candidate for the Redemption Squad.

Whiger: I know.

Vypra: That's true but I think he is more qualified for us in the Masters of Evil.

Whiger: I'm honored and I want to make you a copy of the White Tiger Spirit for one of you.

Maria: You're giving us a copy of your Animal Spirit?

Whiger: I figured that since I'm now in the Masters of Evil, I can give one of you a copy of my White Tiger Spirit.

Me: We're honored Whiger and we'll leave that to Isabelle. She's our shaman.

Isabelle: Thank you grandpa. Lets see.

Isabelle concentrated and she waved her khakkhara staff and she chose Laney.

Isabelle: Laney the spirit of the White Tiger chose you and The White Tiger is renowned for its strength and majestic fierceness. Its serene energy and power represent fearlessness and spiritual awaking. It traditionally symbolizes strength, courage, war, instinct, willpower, courage, vision, and clairvoyance.

Laney: Wow! I am so honored.

A ring then appeared on her finger and it had a white gem with a white tiger in it and then a White Ball of light appeared and landed in her hands and it was another White Tiger Animal Crystal.

Laney: My own White Tiger Animal Crystal!

Alyssa Enrilé: Looks like you and I are both the Noble Tiger, Laney.

Me: You sure do.

Twilight Sparkle: Yep. By the way J.D. how did you convince Cozy Glow to join us?

Me: Well that story has two parts to it. First Sunset Shimmer should tell us her part and it is really dark.

Sunset Shimmer: Yeah. I went to Laney's room for help.

---

Laney was reading a book on Forensic Psychology in her room and there was a knock on her door.

Laney: Come in.

Sunset Shimmer came in.

Sunset Shimmer: Hey Laney. I hope I'm not interrupting anything.

Laney: No Sunset you aren't. What's up?

Sunset Shimmer: I need your help with something. I'm going to recruit the human version of Cozy Glow into the Knights of the Friendship Table.

Laney: Are you sure that's a good idea?

Sunset Shimmer: I'm going with my gut on this. I looked into her eyes and saw that she has a dark past.

Laney: J.D. said that her past is unknown. But I heard from J.D. that you have an amazing power that enables you to look inside a person's memories and mind. Which I think is really cool.

Sunset Shimmer: It sure is. But I'm positive that I can help her become a better person.

Laney: I'll go with you for support.

Sunset Shimmer: Thank you.

They were off to Canterlot High School.

In Canterlot High School, Laney and Sunset Shimmer found Cozy Glow sitting in the Cafeteria and she was having lunch all by herself.

Sunset Shimmer: Cozy Glow?

Cozy Glow saw them.

Cozy Glow: Oh hey Sunset. Hey Laney.

Laney: How are you feeling?

Cozy Glow: Good thank you.

Laney: We came to talk to you about something.

They sat down.

Cozy Glow: What's up?

Sunset Shimmer: We just want to know something. I don't mean to make you uncomfortable but I can tell you are being haunted by your past. Before you join the Redemption Squad, I just want to see what happened in your past so that we all can help you.

Cozy Glow: Sure Sunset.

She held out her hand and Sunset touched her hand and her eyes glowed and we saw that she had a vision into the past. Cozy Glow's was an extremely dark one. Her mother Aurora Shine and her were really close. She was born into a poor family and somehow was able to manage by helping her mother. She didn't want toys because she loved her mother more than anything. She got her castle tower cutie mark by helping her mother out with money issues. But her mother died of a terminal disease right on her mom's birthday and it devastated her. She took it really hard and wound up as an orphan. She realized that there was nothing she could do.

Sunset gasped.

Sunset Shimmer: On no. Cozy I'm so sorry you lost your mother.

Cozy Glow: (Crying hard)

Laney: Poor girl.

Sunset Shimmer: That must be the reason why the Cozy Glow in Equestria became evil.

Laney: We had no idea she was going through all that. She snapped because of losing her mother.

Sunset Shimmer went over to her and comforted her.

Later Sunset Shimmer came to me and she had Cozy Glow with her.

Me: Are you serious Sunset?

Sunset Shimmer: Absolutely J.D. The Cozy Glow in Equestria became the way she is because she snapped over the loss of her mother Aurora Shine.

Me: Oh man. Poor Cozy Glow. I had no idea she was going through all that. This changes everything.

Sunset Shimmer: I have a feeling I know what you are gonna do J.D.

FLASHBACK 1 ENDS

Everyone gasped in shock and concern.

Twilight Sparkle: Oh my gosh! Cozy we didn't know you were going through all that.

Applejack: I don't think any of us knew about it.

Vypra: Poor Cozy.

Nico: Yeah.

Me: After Sunset told me everything I went to Canterlot to tell Princess Celestia what I was told.

FLASHBACK 2

In Canterlot Castle, I came into Princess Celestia's Throne Room.

Princess Celestia: Hello J.D.

I stood before her.

Me: Hello Princess. I'm sorry to come in like this unannounced but I have news about Cozy Glow.

Princess Celestia: She is a monster.

Me: No she isn't Princess. She wasn't born this way. She snapped because she lost her mother to a terminal disease.

Princess Celestia gasped.

I revealed everything about Cozy Glow and her tragic background and everything I found out from Sunset Shimmer and she, Princess Luna, Princess Cadance, Thorax and Shining Armor gasped in shock.

Princess Celestia: My gosh.

Princess Luna: We didn't know she was going through all that.

Me: No one knew about it. Sunset used her memory probing powers and found out about this. Cozy Glow and her mother Aurora Shine were very close and that's why I promised her that I would bring her back and I also promised that after we do battle the Cozy Glow here that I would not only save her from this monster she became but also bring her mother back. She needs her mother more than ever to fix her broken soul.

Princess Celestia: Poor thing. If anybody can do it we know that you can J.D. and we wish you luck. If anybody can save Cozy Glow then we know that you can.

Me: Not that I'll need it but thank you. But I've done this many times before and fixed shattered lives. You have my word that I will do everything I can to save Cozy Glow from this monster that she turned into. I Pinkie Promise. (Laughs)

Princess Cadance: (Laughs) I figured you would do that.

Me: Thank you.

FLASHBACK 2 ENDS

Nico: Wow! That's a big promise.

Me: I know. And I won't let Cozy Glow be consumed by the darkness of herself anymore.

Dark Spicer: That's a big promise.

Laney: It sure is.

Man Boy: I know J.D. can do it.

Sky: Yes and he saved many relationships before.

Me: Not to brag.

Nico: We're here.

We arrived at Cornbury, Minnesota.

William: Here we are in Cornbury.

Me: This is the home city of the Supernoobs.

Nico: This is amazing.

Naruto: It sure is.

Cozy Glow: Yeah. But I will do everything I can to help you all. You have my word.

Me: Good.

Sunset Shimmer: We will bring your mother back Cozy Glow. You just have to be patient.

Cozy Glow: I know.

Eli: Good.

Me: Don't worry Cozy Glow. I made a Pinkie Promise that I would bring your mom back. Cross my heart, hope to fly, stick a cupcake in my eye.

We laughed.

We arrived at the Park and we saw the Superdudes playing in the park. We saw Kevin Reynolds, Tyler Bowman, Jennifer Shope and Theodore Roachmont.

Me: Hey guys!

Jennifer Shope: Wow! Team Loud Phoenix Storm!

Roach: Oh this is awesome to meet you guys!

Rainbow Dash: Same here.

Tyler Bowman: We love all your adventures and more.

Melody (Little Mermaid): We want to thank you guys for defeating that Gyarados that the Sorcerer Stanked.

Tyler Bowman: Poromon, you said you would keep our invovlement a secret!

Poromon: Did you really expect me to keep a secret from J.D. of all people?

Me: Yeah I actually figured it out.

Tyler Bowman: Oh.

Shope: It's so awesome to have you all with us. We need your help to destroy the Virus and it's creators once and for all.

Me: And we will.

Nico: What's that over there?

We saw a figure wearing another Iron Boy Suit pointing his repulsors at two little girls playing and drawing on a sidewalk with chalk.

Iron Boy Imposter: Well, well, well… graffiti! That's a pretty serious offense, girls. But that's why I became a crime-fighter. To take out garbage like you.

The Iron Boy imposter fired his repulsors at the two girls and they ran away screaming!

Me: What the hell is that cretin doing!?

Tyler: Oh no! That's Jock and he dressed up like Iron Boy to Protect the town!

Me: That fucking jerk!

We went over to him.

Thundercracker: Costume party's over, Jock!

Jock: Jock? (laughs) Didn't you hear? Jock Jockerson's checked out! He just couldn't take any more. Couldn't deal with the fact that no one will respect or fear him. It was really starting to drive him crazy. But then Jock thought, if he couldn't get anyone to fear or respect him as himself, he'll do so as one of Team Loud Phoenix Storm. Specfically, Iron Boy!

Iron Boy: Then the world has one Iron Boy too many.

Jock: Which means one of us has gotta go.

Iron Boy: My thoughts exactly.

Jock and Iron Boy flew at each other.

Me: This is gonna hurt!

They collided and Edd smashed Jock and knocked him down and then Jock grabbed a dumpster.

Jock just threw a dumpster on top of Iron Boy.

SMASH!

Jock: (laughs) Come back when you've taken a shower and a nap for 12 years! (flies off)

G1 Silverbolt: (Gets the dumpster off Iron Boy) You ok, Double D?

Iron Boy: I just got a dumpster thrown on top of me and I'm humiliated in front of the whole town. DO I LOOK OK TO YOU?!

Laney: Sorry we asked.

Me: We'll deal with him later. Right now we need to get to know all of you first and we have a lot to talk about.

Roach: Okay.

Vypra: Well, since we can't do anything about Jock for now, how about we see what your school's like?

Roach: (to the Masters of Evil) And how do we know that you all won't try to stab us in the back the second we get there?

Me: Roach knock it off.

We went to the Cornbury Middle School and we went in and it was a nice place. It was a cool place. In the Cafeteria we were having a nice talk.

Tyler Bowman: So you guys faced an evil parallel version of yourselves!?

Shope: And they disbanded the Benevolent Alliance after destroying the Virus and the Creators in their universe!?

Roach: That's nuts!

Me: Yeah. It was terrible.

Nico: That war was brutal. But it was thanks to Ed Cowart here that we were able to defeat the Royal Defenders.

Ed Cowart: It's true.

Kevin R.: That's big.

Me: Yep. And we couldn't have done it without his help.

Shope: I'm glad.

Tyler Bowman: Yeah.

I sensed that Tyler was having some love issues.

Me: Do you have some girlfriend problems Tyler?

Tyler Bowman: How did you know that?

Me: It's a habit. I pick up on these things.

Tyler Bowman: Yes I love a girl. Amy Anderson.

We saw her and she was a brown hair girl in a pink coat.

Tyler Bowman: She's so beautiful and kind.

Elena Validus: Tyler, does Amy know about your hero life?

Tyler Bowman: No. But I'm worried that if she finds out who I am she will be in terrible danger.

Nico: Tyler that's normal.

Me: Yeah we're superheroes and everyone knows who we are. You can tell Amy about your Superhero life and she will totally understand.

Tyler Bowman: I can?

Me: Sure. Superhero secret identities are pretty much squat now and because everyone knows who we are and we always emerge victorious because we're the most powerful force in the entire universe, everyone knows our real names. And you can tell anyone you feel is trustworthy.

Tyler Bowman: I get it. All right Amy deserves to know who I really am.

Me: That a boy.

Jock then came up to us.

Me: Jock! I might have known you were a frat boy punk.

Jock: And what are you gonna do about it?

Lincoln: (to Jock) You're not so scary without your armor! You better start praying right now!

Jock: (smirks) Careful. You don't want to make a scene in front of all these innocent people, do you?

Eddy: Easy, guys. We'll take him down when the time is right. (to Jock) Don't think this is over, Jock. One way or another, that armor of yours is going to the junkyard!

Me: And prepare for a merciless butt-kicking. (Crack knuckles)

Everyone: YEAH!

Jock ran.

Me: What a wuss!

Double D: (angry) Who does that idiot think he is? Putting on an armor like mine and pretending to be me?

Maria: Easy, Double D. Try to keep a cool head.

Double D: How are you guys calm about this?! (to Lola, Lynn, and Lori) You three especially should be pissed off that Jock's making us look bad!

Sissi: Technically, he's only making YOU look bad.

Me: Yeah and he will pay for it.

Mem and Zen then came and they were in disguise.

Zen: (Arnold Schwarzenegger Accent) Team Loud Phoenix Storm. It's such an honor to meet you.

Me: You two must be Mem & Zen. It's a pleasure to meet you both.

Mem: Same here. We've heard so many amazing things about you all.

Me: It's mutual.

Zen: That's true.

Mem: That Jock is such an Earth-Jerk.

Zen: This isn't Jock's first day using his Iron Boy suit.

Princess Rose: What do you mean?

Mem: For the past week, Jock's been using his suit to enforce the law. But the thing, the offenses he targets barely qualify as crimes at all. Like cops breaking the speed limit in a car chase, and an elderly lady for driving three blocks with her left-turn signal turned on.

Me: You're right. Those aren't crimes at all.

Nico: Do you really believe that? If I remember correctly, before we met Mondo, you, Lori, Lynn, and Lola were about to kill a bank robber when all he was doing was getting a cup of coffee.

Me: We weren't thinking right back then.

Huntsgirl: I don't blame Double D for being pissed at Jock. (to Jake Long) I mean, if some jerk got dragon powers and pretended to be you, you'd be pretty mad as well.

Jake Long: You got that right.

Lori: I hate this virus!

Lynn: Yeah!

Kevin Reynolds: Can you tell me why you're all so pissed at the Virus Creators? You're acting like they killed a puppy of yours.

Lola: Everything's not a game, Kevin. What we do is important. Guys like the Virus Creators don't mess around.

Lynn: Lola's right. If you can't see that, maybe the royal Defenders were right to punish you.

Kevin Reynolds: (serious all of a sudden) You think I don't know that? When it's time for us to be heroes, if we mess up, somebody could die. From what you guys told me, if we mess up this time, everybody in the Universe could die.

Lori: That's what we're trying to tell you.

Kevin Reynolds: Maybe that's too much to have in your head when you have to win. Maybe if I pretend everything's a big joke, when the time comes, I'll be able to do what I have to do.

Me: Kevin you don't mean that. You know that being a superhero is not all fun and games. It's about helping to protect and save everyone you care about and preserve the balance of peace and justice. With great power comes great responsibility.

Mem: That's right.

Shope: No way we can stop the Virus with Jock in his suit enforcing the law.

Cheetah: We should at least be able to arrest Mr. Wertz.

Me: Yeah.

Shone: I never liked that guy. He's crazy. He's out to destroy us.

Laney: Yeah.

Tso Lan: Let's have the usual battles first. Then we can go after Wertz.

Me: Right

Bai Tza: Good idea brother. First lets make a makeshift arena outside. You guys are in for quite a good show.

Shope: This is gonna be so cool!

We got an arena set up outside and got ready.

Me: Lets start with the Warmup battles first. Tyler you go first and here is your archenemies in the future. Meet Mr. Touch & Mr. Go.

Mr. Go: (to Tyler Bowman) Instead of one archenemy, you get two!

Mr. Touch: Mr. Go is right!

Tyler Bowman: This is awesome!

Nico: Yep.

Warmup 1: Mr. Touch & Mr. Go

Tyler Bowman was facing Mr. Touch and Mr. Go in his Warmup Battle.

Tyler Bowman: This is gonna be so cool!

Mr. Touch: We'll try to go easy on you right Mr. Go?

Mr. Go: Indeed we will Mr. Touch.

Tyler Bowman pulled out his Blue Battle Ball and stuck it in his chest and transformed into his Superdude form and all the kids were shocked and surprised that Tyler was also one of the Superdudes!

Me: Oh that is so cool!

Nico: It sure is!

Lincoln: That it really cool!

Amy Anderson was shocked the most! She now saw that Tyler Bowman is also the Teleporting Superdude!

Amy Anderson: Tyler Bowman and the Teleporter of the Superdudes are both one in the same!? (In love even more) I love you more Tyler.

Me: Aww.

Tyler Bowman: Yes Amy, I am one of the Superdudes and I'm sorry that I kept this from you but I will make it up to you. Right now I want to get acquainted with this.

I blew up their whole headquarters with a Kamehameha Wave and killed their leader and all of Interpol, the C.I.A. and even the F.B.I. declared the entirety of the Organization a major global terrorist threat. Placing bounties on their heads for incredible prices. Some of them went into hiding after we all defeated them a second time almost a year ago and people all over the world are pursuing them like flies to a rotten corpse. No offense Lucy.

Lucy Loud: None taken J.D.

Shope: What was the goal of this Organization?

Me: To collect as many titans and spirits as they could and enslave the entire planet. One of the things we never tolerate is World Domination.

Roach: Whoa!

Living Laser: (to Megan) Before the battle against Thanos, I used to fight Iron Man on a daily basis. Jock with his Iron Boy suit shouldn't be a problem for me.

Battle 7: Malachite

Shanan, Rarity, Starlight Glimmer, Sailor Moon, Princess Luna were looking for their next opponent.

Shanan: Where is this enemy?

?: Looking for me?

They turned and they saw Sailor Moon's enemy MALACHITE!

Kunzite is the fourth and strongest of Queen Beryl's Four Kings of Heaven in the anime Sailor Moon who represents the Middle East region.

In the Japanese version, he was voiced by the late Kazuyuki Sogabe in the original version, and Eiji Takemoto in the Viz version. In the English version, he was voiced by Patrick Seitz in the Viz version. He was voiced by the late Denis Akiyama in the English Dic version.

Kunzite first appears following Nephrite's defeat, collaborating with Zoicite before he was defeated as well. Targeting Minako, who deceived all parties that she was Princess Serenity reincarnated, Kunzite called her out to Tokyo Tower while she attempted to reach his true self. But Kunzite ends up defeating the Sailor Guardians and killed Tuxedo Mask when he got in the path of an attack meant for Sailor Moon, revealing them to be Prince Endymion and the real Serenity. Kunzite spirits Mamoru away, starting to regain some of his past life memories when Beryl used her magic to fortify the enslavement spell that she cast him and the other Kings of Heaven. While killed off by the Sailor Guardians in the original manga, Kunzite and the others kings later fend off the Sailor Guardians from entering the Dark Kingdom's stronghold. Kunzite is revealed to Sailor Venus's lover in their past life as she freed him from Beryl's spell, though he and the other Kings were vaporized by Queen Metalia for no longer being of use to her. But the four stones that the Four Kings of Heaven were reduced to end up in Mamoru's possession with the quartet's spirits now able to resume their duty as his protectors and advisers, Kunzite revealing Metalia's weakness.

90s Anime

Malachite first appeared in Episode 18. He was later seen occasionally, but actually attacked the Sailor Scouts in Episode 29, trapping them inside a black dome and weakening them in an attempt to force Tuxedo Mask to hand over his crystals, but Sailor Venus arrived and shot Malachiet's hands with a Venus Crescent Beam smash, destroying the forcefield.

In Episode 30, Malachite appeared as part of Zoycite's double-cross, when he challenged Tuxedo Mask to a battle over the crystals, he appeared and took them. In Episode 31, he became horrified after He witnessed Queen Beryl kill Zoycite, unsuccessfully trying to convince her to spare her. However, the only one that he seemed to feel animosity toward over Zoycite's death was Sailor Moon, and he attacked the Sailor Scouts later on, but Sailor Moon fought him off using Cosmic Moon Power.

As it was Sailor Moon/Usagi Tsukino who possessed the Legendary Silver Crystal, Kunzite's plans revolved around trying to find and destroy Sailor Moon and take the crystal from her. However, he often got into arguments with Prince Endymion (Mamoru Chiba), whom Beryl had turned evil (though he still fought off Kunzite's

Youma at times). Like Zoisite, Kunzite would turn people into Youmas, except they can disguise themselves as their human forms at any time.

Malachite's Youmas included Mitsuami, Shakoukai, Blizzar, Zoyrin Geller (a Youma duo transformed from Misha and Janelle), and Oniwabandana. But all of these Youmas were healed by Sailor Moon.

In Episode 39, Malachite attacked the Sailor Scouts in a cave, but they were sent back in time to view the battle at the Moon Kingdom. During this scene he was seen in a flashback, standing alongside Jedite (Jadeite), Neflite (Nephrite), and Zoycite. In the present, Malachite attacked Luna and Artemis in a snowy area, and nearly killed them. The Sailor Scouts fought Malachite, but he had the advantage, as he gets stronger whenever they see him, and threw powerful energy blades at him. But Sailor Moon gained the upper hand using Cosmic Moon Power. Malachite threw an energy blade at her, but she reflected it back at him with her crescent moon wand, mortally wounding him. Before dying, Malachite said he would be coming to join Zoycite soon, and dissolved into nothingness.

The final battle with Malachite, up to the point in which the deathblow was struck and he said "I'm losing strength" was shown when the Sailor Scouts recalled past battles in the final episode of Sailor Moon R.

Shanan: Malachite!

Malachite: So you are the brats that killed all of her majesties soldiers!

Shanan: That's right! And they all deserve to go to Hell! Just like you will with Zoycite!

Malachite: How dare you!?

Shanan: Shut your fucking trap!

Malachite: (to Sailor Moon) You won't have to worry about the Virus killing the Universe, Sailor Moon. Because I'll make sure you're too dead to even care!

Shanan: Not if I kill you first Malachine!

Shanan then transformed into her Super Angel 1,000,000 Prismatic Rainbow Nature Fairy form and she was gonna make sure Malachite pays.

Shanan: (Divine Fairy Voice) Time for you to feel the wrath and fury of nature.

Malachite then formed two powerful energy blades and Shanan walked towards Malachite and leaves, flowers, plants and butterflies were forming with each step she took towards Malachite and he threw the blades at her and she flicked them back at him and one hit him in the arm.

Rarity: Face this one! CRYSTAL STYLE NINJA ART: SPEAR OF JUSTICE!

Rarity formed a crystal spear and threw it at him.

Princess Luna: MOONLIGHT STYLE NINJA ART: MOONLIGHT BLAST!

Princess Luna fired a wave of moonlight.

Starlight Glimmer: This will hurt worse! STARLIGHT STYLE NINJA ART: BETELGEUSE FIRESTORM BLAST!

Starlight Glimmer fired a massive blast of red fire.

Sailor Moon: COSMIC MOON POWER!

Shanan and Sailor Moon fired waves of leaves and energy and the blasts all hit Malachite and obliterated him in a massive explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion left a small crater in the ground and it was a great battle!

Everyone cheered wildly!

Me: That was so awesome!

Nicole: It sure was! Now we've seen the last of Queen Beryl's generals.

Nico: Yep. Now all that's left is Queen Beryl herself.

Me: But we'll worry about her later. Lets head after Mr. Wertz.

We went to the school science lab and a fiery explosion blasted a hole into the room.

We saw MR. WERTZ!

Me: Mr. Wertz, you're under arrest.

Mr. Wertz: For what?

Me: For being a screwed up lunatic!

He saw Wolf and Starfire and our friends.

Mr. Wertz: Aliens! I knew it!

Wolf: So, you were right. I'm an alien too. But that doesn't mean that aliens are bad!

Nico: Any last words before-

Mr. Wertz: (smirks) You wouldn't do anything too bad to me, would you? Especially with Iron Boy on his way to save the day. (to Double D) And I don't mean you, faker!

Me: Shut your fucking trap you fucked up lunatic!

Jock: Stop right there, criminals!

Red X: Stay out of this, asshole. Wertz is getting what's coming to him.

Jock: He's just doing his job as a teacher. Just like I'm doing my job of taking you punks out!

Nico: Guys, keep Jock distracted! I'm gonna get something from the Estate!

Me: Got it.

Nico teleported back to the estate.

Troy: Time to show you what real heroes do!

Megaforce Rangers: Legendary Ranger Mode: Time Force!

The Megaforce Rangers turned into the Time Force Rangers!

Jock: Why you fucking little!?

He then grabbed my hand and then Jock just ripped off my hand. I winced in pain.

Jock: I'm sorry. Did you lose your hand? Let me put it to better use! (shoves your hand down Lincoln's throat)

Lincoln pulled out the hand and hurled his guts out and Nico came back and he had a bottle of acid with a symbol for Anti-Rogue Iron Boy on it.

Nico: You will pay for your crimes!

Nico splashed Jock's suit with the acid and it totally dissolved the suit into nothing!

Jock: No! My suit!

Technus: It's completely gone. And you're getting your just desserts!

Jock: All I wanted was to be a hero!

Nico: Real heroes don't do what you did! Real heroes remember this rule: With Great Power Comes Great Responsibility!

Jock: Duh! That's why I busted those criminals the past wekk.

May: What those people did weren't even crimes at all!

Me: And you are a fucked up fool!

I regenerated my hand and then we punched Jock in the face and smashed his mouth, nose and eyes and knocked him into a coma and Laney tied up Mr. Wertz and we put him in a straitjacket.

Mr. Wertz: YOU FOOLS! YOU ARE MAKING A MISTAKE! MY ORDER IS SUPREME! I WILL RULE OVER THIS WORLD AND RULE IT WITH ALL ALIENS!

Me: You are just as fucked up as the rest.

I punched him in the face and sent him to the Saturn Insane Asylum and Jock was arrested and given muscle weakeners to get rid of his muscles so he would be as weak as a toothpick. They took him to prison.

Dai Gui: Now that Jock's dealt with, we can focus on stopping the virus.

Cornelia: Lets do it.

Me: And I sense where we can search.

Amy Anderson: I want to come with you guys.

Me: Are you sure Amy? It's gonna be incredibly dangerous. This is a Malevolent Cosmic Entity from the very same universe where we defeated the Royal Defenders.

Amy Anderson: I want to help you guys because I love Tyler now.

Me: We won't stop you then.

We went to the forest where Mem and Zen's ship was at and we were looking around.

Me: I sense the Virus Creator's coming. They are getting closer.

Nico: We have superlasers locked on target at the white hole where they are coming from.

Me: Awesome.

?: So you helped the Supernoobs foil my plans!

We then saw the mastermind behind all the pain the Superdudes went through: COUNT VENAMUS!

Count Venamus, is the secondary antagonist in Supernoobs, he was voiced by Trevor Devall.

## Beginnings

Not much's know about Venamus's past at this point, except that he and his minions work for the Creators and plan to rule the galaxy.

## Appearance

He has dark turquoise skin with an odd-shaped head with tusks like an elephant, he wears a drak grey suit and boots.

## History

Count Venamus was first appeared in the episode The Noobs meet Count Venamus, as he planned to give the virus infection to the Virus Warriors in the New Virus Warrior Convention, but he was foiled by the Supernoobs and then he swore that he will get rid of them someday. Later, he uses a lot of plans to kill them, such as kidnapping and brainwashing people, but he always gets defeated by them once again. He even got replaced by count Jumandor, but then he got his place back to reserve the Creators. During the final battle, he ended up buying a house in Cornbury which it's opposite of Mem and Zen's house.

Tyler Bowman: Count Venamus!

Me: So you are the true nemesis of the Superdudes! I might have known that you would do all this.

But then we saw 6 Mega Pokemon and they were under Venamus's control! He had a Mega Venusaur, A Mega Alakazam, A Mega

Pinsir, A Mega Mewtwo Y, A Mega Aerodactyl, a Mega Kangaskhan and a Mega Gengar!

Me: A Mega Venusaur, Mega Alakazam, Mega Pinsir, Mega Mewtwo, Mega Aerodactyl, Mega Kangaskhan and a Mega Gengar!

Brody: Another Mega Mewtwo? But we already defeated one!

Mewtwo: That was my X Mega Evolution. This one is my Y Mega Evolution.

Me: Two mega form variations? Whoa!

Count Venamus: At least Jock used his suit to keep you distracted long enough for me to find these Pokemon and control them!

Atomic Skull: How did you know about Jock's suit?

Count Venamus: Who do you think gave that imbecile that suit?

Me: So you were behind all this! You will die along with the virus creators.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was gone forever.

Me: That did it! But we have one last thing to do. We're gonna blow up the source of the Virus with our superlasers combined.

Nico: Is that even possible?

Me: It is. Thanks to Lisa's new invention she made.

Lisa Loud: It's called my Superlaser Tri-Focus Ultra Blast Lens. We fire three superlaser blasts, two from Earth and 1 from the ship and the lens enhances the blast and fires it as a massive tachyon energy superlaser blast with the power to go through a white hole and out through a black hole and get to whatever is on the other side.

Nico: Whoa! That is genius!

Lincoln: I like it!

Me: And it will destroy the White Hole that the Virus is coming out of.

Lincoln: Cool!

Me: Lets do it!

We got the lasers ready to fire.

Me: Tri-Focus Beam Formation ready to fire.

Lisa Loud: You may fire when ready second elder brother.

Me: Fire!

We fired three powerful beams of superlasers and they hit three points of the circle on the lens and fired a massive white laser blast and it went fast across the galaxy and arrived at the white hole faster than a cosmic eye blink and it went through it.

On the other side near the black hole in Universe 23 was the homeworld of the Virus Creators and the Virus Creator, an evil malevolent entity where only its six glowing red eyes were seen was watching.

It saw the laser coming.

Virus Creator: (In an Alien Language) OH CRAP!

The laser hit the planet and the Virus Creator and obliterated it and destroyed them both forever! And the Virus was forever obliterated! With the Virus Creator destroyed because of it being a hive mind, all the virus was destroyed! The White Hole was obliterated as a result!

Me: BULLSEYE!

We cheered wildly!

Nico: It's over. The Virus is finshed.

Me: Enjoy the darkness of The Warp.

Nico: Yeah!

Later, back at the estate we were glad that the Virus, Count Venamus and its creators were gone forever. Mr. Wertz was found guilty of his crimes and sentenced to spend the rest of his life in the Saturn Insane Asylum. Jock was brought to trial for his crimes and he was really humiliated. He was disowned by his parents and was sentenced to spend the next 392,928 years in the Uranus prison without the possibility of parole. We went to Nico's room.

Nico: (Me, Superman, and Batman come into his room) Can I help you guys?

Superman: Nico, that acid you used to melt Jock's suit. That's a contingency plan for Double D, isn't it?

Poromon: Of course it was. In fact, it's part of a set of contingency plans against J.D. and the Loud Kids should they ever go rogue.

Poliwag: Plus a few others.

Batman: Nico, as someone who has Kryptonite against Superman should he ever turn evil, I understand why you made these contingencies. But it's best if you tell the others as soon as possible.

Nico: I will. And don't worry. These plans are to neutralize J.D. and the Loud Kids, not kill them. (to me) Please understand my reasons for these contingencies. I do trust you guys. But these are for if you guys ever turn out like the Royal Defenders.

Me: I understand. Way to come through man.

Nico: Thanks dude.

Tyler Bowman and Amy were kissing.

Tyler Bowman: I could do this forever with you.

Amy Anderson: Me too.

Tyler Bowman: (To the viewers) The Virus and its creator might be gone but there are other bad guys we know still running about.

Me: Yep. So how did it feel helping us Tyler?

Tyler Bowman: An awesome adventure! I loved it!

Me: Glad to have you with us.

We then rested.

* * *

When I was done everyone that hadn't heard about it was amazed.

Sweet Leaf: Wow! So that's how you all met the Superdudes.

Camie: And how you made an awesome promise to help bring Cozy Glow's mother back and save her from herself.

Me: Yep. That was a really eventful day for us.

Bristleback: Poromon met you guys first.

Poromon: Boy I sure did. That was so awesome!

Me: I think it was when we first met Randy Cunningham or something.

Xenia: I think so.

Hercules Cyclops: Supernoobs became good part of core 310.

Mammoth: Tyler was the first to get an archenemy though.

Me: And it gradually grew to all 4 members over time.

Nico: It sure did.

Qin: Yeah.

Amy Anderson: And I first learned about Tyler's secret.

Me: So did everyone in the school.

Camie: Wow. By the way J.D. how did you guys defeat the Virus Creator?

Me: We fired a powerful Tri-Beam Tachyon Particle Superlaser Blast through a white hole that was pushing the Virus into our universe and through a black hole from where the virus came from and it hit the Creators and obliterated it. Never even saw it coming.

Fu: It was really awesome.

Sixshot: Maybe the Noisy Cricket should be used today.

Me: Good idea. But only if I use it. It has one helluva nasty recoil.

Qin: I remember that.

Lola: It sure does.

Camie: Yeah.

Raven Branwen: Personally, ANYONE can use it.

Beagle Babe Leader: As long as said person can handle the recoil.

Me: Okay. Just be careful though. It packs a wallop.

Qin: It's true.

Nico: Yep.

Pharaoh Man: I remember that the Megaforce Rangers played a big part in defeating the Virus.

Troy: We sure did.

Me: I remember that. That was so awesome and epic.

Emma: Yeah it sure was.

Lola: And Flurry Heart got her ascension transformation that day too.

Flurry Heart: I sure did. I went from a baby to a teen that day in an instant.

Me: Yep. By the power of the Crystal Phoenix.

Big Cheese: Man, this food is good.

Condimemt King: Want some ketchup with that?

Big Cheese: Sure.

He put ketchup on a sandwich.

We had a really great meal.

Me: Tyler are you glad that Wertz and Jock are gone?

Tyler: You bet I am.

Qin: Good. We all are glad.

Me: But if Wertz ever does come back he is getting the Black Gates. That fucked up monster is not getting any mercy this time.

Ember McLean: Ever since the day we met you guys, the world's been Virus free. That is, until today.

Me: The world STILL IS Virus Free. This is the Virus Creators Right Hand man that is now back at large.

Ember McLean: Oh I get it.

Camie: What can you tell us about Count Venamus?

Me: Well he is the Right Hand minion of the Virus Creators.

I went over the history of Venamus.

---

Count Venamus is the main antagonist in Supernoobs. He is the right hand of the Virus Creators, who assisted them in spreading the influences of the virus.

He was voiced by Trevor Devall.

Not much is known about Venamus's past at this point, except that he and his minions work for the Creators and plan to rule the galaxy.

Count Venamus first appeared in the episode The Noobs meet Count Venamus, as he planned to give the virus infection to the Virus Warriors in the New Virus Warrior Convention, but he was foiled by the Supernoobs and then he swore that he will get rid of them. He tried all his best to defeat the noobs, but failed due to his incompetence and his inability to be serious. At the end, he bought a house in the opposite of Mem and Zein's house as his final defeat.

---

When I was done everyone that hadn't heard about it was shocked.

Camie: WHOA!

Qin: Yeah crazy huh.

Lola: Yeah.

Camie: What did the creators of the Virus look like?

Me: Well it's still enigmatic. We never saw what it really looked like. But Tyler said that it was an entity that had 3 pairs of glowing evil red eyes.

Tyler Bowman: Yeah.

Glomgold: (Scottish Accent) Lads, does it REALLY matter what they look like.

2016 Morbucks: They're not the ones coming back today. Venamus is.

Me: Well if the Virus Creators DOES come back it's going to be either on one of our rescues or our missions. But still either way that monster is getting the black gates and Venamus is going to prison.

Qin: That is for sure.

Xenia: Yeah it is.

Fuzzy: Guys, I hate to be the bearer of bad news. But, HE'S HERE! VIRUS RIGHT HAND MAN AT 12 O CLOCK!

Me: I see him.

He was in a HUGE ROBOT! He was in a massive 200 foot tall robot!

Me: WHOA! We're gonna need a bigger Megazord!

Nico: That robot is as big as a Kaiju!

Big Guy: SWEET BETSY ROSS!

Qin: That is a huge robot!

Rusty: That robot looks like what's left of Argo.

Me: Wow!

I used my Data Eyes and it was a really amazing and incredibly advanced Robot. It was called the ARGO 12000! It was a massive 200 foot tall robot and it was built by the Legion Ex Machina and it was equipped with really powerful and tough armor and a massively powerful 500 megawatt Vortex Cannon!

Me: Wow! That is amazing!

I told everyone everything.

Nico: WHOA! That is amazing.

Birdbrain: J.D., we're gonna need that Noisy Cricket.

Professor XXXL: But after the usual battles.

Me: We're gonna need something far more powerful than that. And I got just the thing.

Livewire: Entrance time!

We went at the robot.

Venamus was coming right at the school and then the area turned into the planet Glaren and then the spirits of all the famous robot makers appeared and they swirled around it and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above it and a phoenix cry was heard and we came down and flew around it.

Me: Boy Venamus must've salvaged what was left of that wreck and rebuilt it.

Nico: Yeah! I don't see him though. He must be inside it.

Artie Ziff: Alright, Venamus, we know you're in there!

Gourd: And we're gonna trash that tin can!

Venamus: Manners cost nothing, Team Loud Phoenix Storm. After all, if you all wanted to fight me so badly, all you had to do was ask!

Me: First we had to get you away from civilians to avoid having people get hurt.

Nico: (gets out Koragg and Vanitas' Ridewatches) Also A lesson about manners involving you? I'll pass!

Nico activated them and slashed the robot suit all over.

Qin: WHOA! That is tough metal.

Nico: No kidding.

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf, Weather Wizard, China White, Volcano Man, Stormy, Emperor Z, Yost Living Laser, Fire Lord, Vomiting Frog Prince, Garble, Queen Cannabis, and Uchoten appeared.

Scorcher: Brings back memories, don't it?

Nico: It sure does.

Me: Except this time Venumus is in a robot the size of a Kaiju!

Firepower: And you guys are once again fighting Venamus.

Tyler: We sure are.

Evil Star: But without any mind controlled Pokemon.

Me: That was freaky.

Key: (to Nico) We heard you fought Team Skull.

Nico: We sure did.

Overdrive: Did you get any new Pokemon?

Me: No we were too concerned about Marinette to even think of catching any Pokemon from them.

Overdrive: Oh man.

?: Boy that is intense.

A figure came out and it was BOXING WORLD from episode 4 of Zenkaiger!

The Boxing World is a minor antagonist in Kikai Sentai Zenkaiger, being one of two main antagonists (the other being the Great Boxing World) in Episode 4. The Boxing World is a boxing-based World Monster from Tojitendo created from the Boxing Tojiru Gear that contains Boxingtopia. After his death, his Tojiru Gear lasted another life by reforming a Kudaitest into Great Boxing World.

He was voiced by Shunichi Maki, who'd also voiced the Great Boxing World.

The Boxing World made his first appearance on top of a building as the whole team witnessed the mayhem of civilians fighting each other as he'd announced the rules of Boxingtopia. The heroes where about to transform to fight him, but both they and Boxing World were caught off guard by Vroon fleeing for his life as a couple of Kudakk were chasing after him.

After they transformed and the battle begun, Boxing World jumped from the building to deliver a punch. However, it got interrupted when Vroon asked the team questions about the gear that they acquire. With that, the Boxing World dragged Vroon back to Ijirude in order for him to be scrapped. Thankfully, Magine summons a banana peel which caused the Boxing World to slip as he lets go of Vroon and the team grabbed him as they carried Vroon away from the fight. The Boxing World was about to chase down the team until he'd got paged by Ijirude on a new assignment, whcih he does so by using a microphone that somehow dropped from the air as he announced to the brainwashed victims to pulverize the escaped employee.

Some time later, the Boxing World was then with Ijirude as the brainwashed victims chased the team out of the sewers and right into the trap awaiting to be scrapped by the Boxing World. However, Vroon has quit his job and joined the Zenkaigers as the real fight begins. To start things off, the brainwashed victims were about to attack the team until Magine used a bit of magic to give them a break from the fighting. After that, team fought against the Kudakks as they gave them a beating, which leaves the Boxing World and Vroon to a fight to themselves as he sends a pair of boxing gloves right at Vroon, but he dodges out of the way as he delivers powerful punch that knocks out the mouthpiece that he is armed with. After that, they armed themselves with the staff that was provided by #17 to attack and then they destroy him with Zenkai Buster Finish, thus freeing all of the brainwashed boxing victims.

Kaito: Boxing World!

Boxing World: Been a while rangers.

Me: I remember you! You were going to turn the dimension into a huge and massive boxing world by brainwashing people to fight each other to the death.

Boxing World: That's right. Good memory.

Nico: Yep.

Boxing World: You know if it weren't for my actions, you never would've met the rest of the Zenkaigers in the first place, right?

Vroon: I know that!

Boxing World: (sees the Dairangers) Hmm, the figures of the Dairangers seem lifelike this time.

Me: That's because they are.

Ryo: Yep we're the real deal.

Me: All the Sentai teams from 1975 on up have come out of retirement in a way. They joined the team and we have 45+ Years of rangers with us. We go meet the Donbrothers soon.

Boxing World: Wow! You guys have been busy.

Qin: Yep we sure have.

We got the usual battles underway.

T.J. Johnson, Rainbow Dash, Scootaloo, Air Skylanders, Turbo Rangers, Hornet Man and Magma Man VS Key - Meeting an Embodiment of Saikou

---

Key was next.

Key: (to TJ) I heard you guys met an Embodiment of Saikou. What's her name?

T.J.: Her name is Sayaka Hikaru and she is a really powerful master of light.

Rainbow Dash: Boy she sure is and she is awesome.

Scootaloo: She sure is and she has an amazing story.

---

Nico: Yep. So, Sayaka, what's the story on how you and Lincoln put a stop to Lisa's rampage and also sliced all her robots to shreds?

Sayaka Hikaru: I thought you'd never ask, I still remembered this one story all too well. One time, Lincoln was with me and we were doing some training with our swords in our gym and the rest of the Guardian Angels who were with us. But, then, we heard the sound of insane mad laughter, and Becky Long saw something in the distance, and she saw who it was: the figure was none other than the cold unfeeling mad scientist of The Loud House: Lisa Loud, and she had a massive army of robots with her and she even rebuilt Todd and her other robots, and they were on the rampage causing havoc in Royal Woods. We were horrified of what Lisa had done, including Lincoln, but he remained calm and we knew what he was going to do: head out there, shred Lisa's robots, and tie up Lisa. I went with him as we headed out to confront that mad scientist, and along the way, Lincoln and I along with the rest of The Guardian Angels sliced and diced all of Lisa's robots, and we made our way to Lisa, who was heading right for us, and we sliced and diced Todd and her other rebuilt robots, and this drove Lisa mad, and she tried to fire a laser at us, but we fired blasts of light and blinded her, and Lincoln tied her up by firing red energy blasts from his white angel wings and tied that mad scientist up. We then saw Luna, Sam, Mazzy, and Sully arrive, and boy, was she mad. She then grabbed Lisa and she, Sam, Mazzy, and Sully got a ride from Chunk back to The Loud House, and when we got back, we arrived in time to see Lisa get grounded for nineteen weeks and not only did she have to pick up the remains of her robots, but Lily threw a stink bomb down Lisa's bunker and changed the password yet again, and even after Lisa was off her punishment, her bunker would smell like a dumpster and not even a deep cleaning could get rid of the stink.

FOGHORN SOUND!

Nico: P.U.!

Lily: Lisa deserved it, the little monster.

Lincoln: She sure did, Lily, and that was a nice move you did throwing a stink bomb down her bunker and changing the password again.

Rita: Lily was that mad at Lisa because of her rampage that day, and I thought Luna's wrath towards her, Lori, Lynn, Lola, and Luan was bad.

Luna: Usually it is, but with Lily, oh you so don't want to get on her bad side by messing with Lincoln, she'll do a lot worse.

Nico: She'd done worse to Lisa by changing the password on her bunker many times, but throwing a stink bomb down there as well, that's new, but for Lisa, that really stinks. But, I got to ask, did she by any chance do a lot worse to Lori, Lynn, Lola, or Luan if they got grounded for trying to kill Lincoln again?

Lori, Lynn, Lola, and Luan shuddered in fright at the mere mention.

Lincoln: She did, but it's best not to mention it. We saw what she did to them before, and it's not a pretty sight.

FLASHBACK ENDS

Key: My goodness! Lisa did a nasty thing.

Whirlwind: That is an understatement.

Cassie Chan: You're not kidding there.

Key: Yeah. Lets do it!

SPEEDING TURBO MAGISWORD!

T.J. activated his ridewatch and they fired waves of lightning, rainbows and wind and smashed him down.

Overdrive: WHAT!? Oh man! That is awful.

Twilight Sparkle: Yeah she was really down in the dumps because of it.

Starshine Sparkle: Yeah she sure was.

Spyro: She had to have a lot of help in knowing that many of us felt the same way.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Yunoma.

A figure came out, and it was none other than Yunoma of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Yunoma, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Yunoma: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Abigail Hazeltucker: The only one who deserves to be destroyed is you.

Suddenly, Abigail Hazeltucker's red eyes turned neon red and she was surrounded by a red energy aura with flames, magma, lava, dragons, phoenixes, and angels she unholstered her massive Elemental HERO Magma Neos-themed greatsword from her back, and as she approached Yunoma, she left red energy, flames, magma, lava, dragons, phoenixes, and angels with every step.

Abigail Hazeltucker: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Yunoma: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Abigail Hazeltucker was surrounded by a massive vortex of red energy with flames, magma, and lava surrounding it, there are dragons, phoenixes, angels, and Elemental HERO Magma Neos flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Yunoma: the red eyes of death. Then, as the vortex faded, Abigail Hazeltucker emerged, but she was changed forever.

(PLANETARY TRAVELER MUSIC PLAYS AT 30:55 TO 31:20)

Abigail Hazeltucker grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing brown and red hair, she has neon red eyes and a red energy aura with flames, magma, lava, dragons, phoenixes, and angels surrounding her, she has Elemental HERO Magma Neos emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Magma, Fire, and Eternity Kanjis in its claws, she also has Elemental HERO Magma Neos with red gems for eyes and holding the Magma, Fire, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Abigail Hazeltucker has on a sleeveless black blouse, sleeveless red tank top, long red skirt, red pants, red and black legwarmers, red sneakers, and long sleeveless white trenchcoat with flames, magma, lava, dragons, phoenixes, and angels on the coattails, and on the back is Elemental HERO Magma Neos surrounded by lava and fire. Suddenly, Abigail Hazeltucker felt a sharp pain on her back, and then, her massive red angel wings with orange tips on the large red feathers, grew much bigger for her new body and she now has eleven massive and long red wolf tails. Abigail Hazeltucker has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Abigail Hazeltucker's massive Elemental HERO Magma Neos-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of red energy, flames, magma, lava, dragons, phoenixes, and angels and when it emerged, it transformed into Elemental HERO Magma Neos' Firestorm Magma Draconic Phoenix Greatsword of Firestorm Magma Neos Justice, it's a brand-new massive greatsword with embedded red gems and Elemental HERO Magma Neos etched on the 7'0" massive, wide, double-edged crimson red blade, large red dragon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large red phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Elemental HERO Magma Neos' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Abigail Hazeltucker has transformed into SUPER ANGEL-ELEMENTAL HERO MAGMA NEOS-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX FIRESTORM ELEMENTAL HERO MAGMA NEOS FIRE ANGEL OF DIVINE MAGMA FIRESTORM MAGMA NEOS JUSTICE AND DIVINE MAGMA FIRESTORM MAGMA NEOS LOVE!

We were amazed by Abigail Hazeltucker's Super Angel-Elemental HERO Magma Neos-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Yunoma saw it, he fell into an infernal rage and he got out his blaster to blast her, but Abigail Hazeltucker fired a powerful red energy blast with flames, magma, lava, dragons, phoenixes, and angels at Yunoma, which hit him and pushed him back and he also got burned and electrocuted, but this really pissed him off now.

Melanie Hazeltucker: Whoa, Abigail's transformed, that's so awesome.

Sophia Presley: That's really incredible, and she really burned Yunoma badly.

Nico: And she's really got him pissed off now big time.

Abigail Hazeltucker: (Divine Echoing Cosmic Voice of The Firestorm Draconic Phoenix Elemental HERO Magma Neos Angel and Divine Draconic Phoenix Firestorm Magma Neos Love) And now, the fires of Hell are coming for you, Yunoma.

Nico: Let's get him, Abigail, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Abigail Hazeltucker.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Abigail Hazeltucker and Nico went after Yunoma who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Yunoma and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Yunoma, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Yunoma took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Yunoma began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Yunoma has transformed into his King Ghidorah Hybrid Monster form.

Yunoma fired a Gravity Lightning blast at Abigail Hazeltucker and Nico who dodged it.

Lincoln: Abigail, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Yunoma from his King Ghidorah Hybrid Monster form, and then, Lincoln went at

King Ghidorah Hybrid Monster Yunoma and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Yunoma into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Abigail, let's end this asshole for good.

Abigail Hazeltucker: (Divine Echoing Cosmic Voice of The Firestorm Draconic Phoenix Elemental HERO Magma Neos Angel and Divine Draconic Phoenix Firestorm Magma Neos Love) You got it, Nico.

Abigail Hazeltucker and Nico sent Yunoma flying into the air, and then, they prepared their combo to put an end to Yunoma.

Abigail Hazeltucker and Nico: DRACONIC PHOENIX MAGMA NEOS FIRESTORM KAMEHAMEHA!

Abigail Hazeltucker and Nico fired two massive red energy Kamehameha waves with flames, magma, dragons, phoenixes, and angels which hit Yunoma, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Abigail Hazeltucker and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Abigail Hazeltucker and Nico holster their massive greatswords on their backs and powered down, and Abigail Hazeltucker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive red angel wings are permanent.

Abigail Hazeltucker: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-eight members to go. Thanks for helping me destroy Yunoma once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Abigail.

Suddenly, Abigail Hazeltucker wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Abigail Hazeltucker's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Elemental HERO Magma Neos flying in the air, and we saw many animals running across the field, along with elemental forces and a volcano forming and erupting and flames raging behind them and we cheered wildly. Then, Nico and Abigail Hazeltucker absorbed the fire and magma and they came back to us as the display and Elemental HERO Magma Neos vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Abigail.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Maygina, which means you're up next, Melanie.

Melanie Hazeltucker: Yeah, we'll make Maygina pay.

Nico: We sure will.

Taylor Kamiyama: And on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Sabela.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right.

Suddenly, Taylor Kamiyama got a vision, and she saw it's not just the embodiment of Kamen Rider Sabela we'll be meeting tomorrow, but we're also going to meet the embodiments of Kamen Rider Durendal, Kamen Rider Solomon, and Kamen Rider Storious.

Lincoln: What is it, Taylor, is something wrong?

Taylor Kamiyama: You might want to scratch what I just said, it's not just the embodiment of Kamen Rider Sabela we'll be meeting tomorrow on your rescue, Lincoln, but also the embodiments of Kamen Rider Durendal, Kamen Rider Solomon, and Kamen Rider Storious.

We gasped in shock.

Nico: Whoa, so we're going to meet the embodiments of Kamen Rider Sabela, Kamen Rider Durendal, Kamen Rider Solomon, and Kamen Rider Storious tomorrow on Lincoln's rescue. Something really big must be up if we're meeting the last four of the Kamen Rider Saber embodiments tomorrow.

Lincoln: You might be right, Nico, and I have a bad feeling it might be linked to the past of Amelia Emerson, Gene-Slammer of Elemental HERO Nebula Neos.

Amelia Emerson: I have that feeling too, Linky.

El Diablo: Looks like it's the end of another final battle against the

Virus.

Toyman: It seems that way.

Me: For now. We have to be ready should the Virus make a return.

Nico: But this was awesome.

Villamax: Only this time, Venamus is going to jail.

Wolf: Don't worry. We'll make sure he's fed.

Me: Good.

Weather Wizard: Speaking of which, I could go for some of that Cajun Food right now.

Nico: Well there is plenty of it.

Xenia: Yeah.

Nico: But great job everyone. This was awesome.

Tyler Bowman: It sure was. (To the viewers) This was an awesome adventure. Hope you liked it.

Me: I know we did.

We went back home and had awesome cajun food and had a good meal and enjoyed the rest of the day. Then we went to sleep. Venamus is now in the M.O.E. Prison.

But it will have an unpleasantly funny result.

Also we're going to discover a very amazing mystical connection with Girl Jordan and Leeli and it will be how Leeli's singing affects Girl Jordan's power. Also we're going to battle Another Rundas and Another Zexion. Also we're going to meet a gene-slammer for Wailord and Mega Wailord and they are the Cetus Twins, Celica and Cecilia Cetus and they are big time competitive eaters that Nico knows.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Melanie Hazeltucker, Gene-Slammer of Elemental HERO Storm Neos and Nico VS Maygina, and I made a mistake, it's actually the last five Kamen Rider embodiments that we'll be meeting in Lincoln's rescue tomorrow.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the northeastern district of Gotham Royal York, and we're going to destroy an evil figure from the past of Lincoln's Guardian Angel, Amelia Emerson, Gene-Slammer of Elemental HERO Nebula Neos. The bad news: it's her twin sister, Harper Emerson, she's the exact opposite of her older sister, Amelia Emerson, in every way possible: she's a really rotten evil girl who hated Amelia, and ever since they were kids, they had been at each other's throats and it was always Harper who'd started those fights through rotten and mean pranks, and as they got older, Harper's hatred of her sister just got worse and worse by the second, and her mean pranks soon evolved to straight-up assault, not even her own parents could stop her, because no matter how much they've taken Harper to therapy, she just became worse and worse, until one day she went too far, Amelia and Lincoln were coming home from school, and then, out of nowhere, Harper jumped out and viciously attacked both Amelia and Lincoln and she almost got that close to killing them until Emily McKale pounced on and pummeled the living daylights out of Harper, and then, she called the cops on Harper and told Amelia's parents to press charges on Harper for what she did, which they agreed to do. In the end, Harper Emerson was convicted of first-degree assault and attempted murder, and because she was 18 at the time she did the crime, she was sent to prison with a life sentence and without the possibility of parole, but not even prison could dull her hatred of Amelia. Now, she's broken out of prison and she intends to kill Amelia and Lincoln and finish what she started, but we're not going to let that monster bitch do so, and like Amy McKale before her, she's going to get sent to The Black Gates for good after we teach her a lesson.

And we're also going to meet the last five Kamen Rider embodiments: this time it's for Kamen Rider Sabela, Kamen Rider Durendal, Kamen Rider Falchion, Kamen Rider Solomon, and Kamen Rider Storious. Their names are

Reagan Shindai, Embodiment of Kamen Rider Sabela, she's Lincoln's Guardian Angel from Japan and classmate in Gym. Reagan Shindai is known as a talented and powerful swordswoman and she also has the powers of nature and insects. She and Lincoln trained a lot in swordplay and mastering the powers of nature, and she also introduced Lincoln to Kamen Rider Saber when they were eight years old, and have watched every episode ever since. Lincoln made Reagan a tiara with the Kamen Rider Sabela logo on it and necklace with Kamen Rider Sabela logo for the pendant, and to show thanks, she kissed him on the lips. She's also the sister of Reika Shindai A.K.A. Kamen Rider Sabela, and she hates Lori with a burning passion.

Rebecca Shindai, Embodiment of Kamen Rider Durendal, she's Lincoln's Guardian Angel from Japan and classmate in Gym. Like Serena Neptune Durendal, Rebecca Shindai is the Embodiment of Kamen Rider Durendal and she's a master of the force of water along with being a talented and powerful swordswoman. She fell in love at first sight with Lincoln when she saw him and the other Guardian Angels of Water and the many mermaids and the water wielders of his harem cleaning up the oceans and when she saw him surf the legendary wave, Humungadunga, that literally made her love for him skyrocket even more, and when she saw him one day reading the powers of the Ocean Wonder Ride Books, that love for him blossomed even more, and she also trained with him in swordplay and with mastering the force of water. Lincoln made Rebecca a tiara with the Kamen Rider Durendal logo on it and necklace with Kamen Rider Durendal logo for the pendant, and to show thanks, she took him to Lake Huron and she kissed him on the lips while underwater. She's also the sister of Ryoga Shindai A.K.A. Kamen Rider Durendal, and she hates Lynn with a burning passion.

Brianna Fukuhara, Embodiment of Kamen Rider Falchion, she's Lincoln's Guardian Angel from Japan and classmate in Gym. Like Natalie Falchion, Brianna Fukuhara is the Embodiment of Kamen Rider Falchion and she is the Eternal Phoenix itself. She has intense fire powers, fire angel wings, and the Sword of Falchion and her power is infinitely more powerful than all the Kamen Riders all over the entirety of the course of 50 years all combined. She'd lived ever since the beginning of time from when the universe was in its infancy and for over 13.4 billion years she has given life to all planets and loved all life to the fullest. With the intense flames of life and love, her eternal giving was truly neverending and she gave the power of life to planets filled with joy and love. But when hate and fear and evil took hold of much of the universe, she decided to fight back against that evil. But, there was one light that really strengthened the love and joy she had in her heart, and that light was none other than Lincoln and she flew out and met the one person that brought that love to her, and she became one of his most powerful Guardian Angels, and she trained him in both swordplay and mastery over the powers of fire. Lincoln made Brianna a tiara with the Kamen Rider Falchion logo on it and necklace with Kamen Rider Falchion logo for the pendant, and to show thanks, she kissed him with a fiery passion on the lips. She's also the sister of Bahato A.K.A. Kamen Rider Falchion, and she hates Lola with a burning passion.

Isabella Solomon, Embodiment of Kamen Rider Solomon, she's Lincoln's Guardian Angel from Japan and classmate in Gym. Like Iris Solomon, Isabella Solomon is the Embodiment of Kamen Rider Solomon and she is one of the most powerful of the Kamen Rider Saber embodiments ever. She is immensely powerful and is strong enough to destroy even Kamen Rider Black Hole and the most powerful Kamen Rider and Power Rangers main antagonists in an instant. She's also a powerful and talented swordswoman and has the omnipotent powers of the universe, and she and Lincoln trained together in both swordplay and mastering the omnipotent powers of the universe. Lincoln made Isabella a tiara with the Kamen Rider Solomon logo on it and necklace with Kamen Rider Solomon logo for the pendant, and to show thanks, she kissed him on the lips. She's also the sister of Isaac A.K.A. Kamen Rider Falchion, and she hates Luan with a burning passion.

And Michaela Storious, Embodiment of Kamen Rider Storious, she's Lincoln's Guardian Angel from Japan and classmate in Gym. Like Melanie Storious, Michaela Storious is also the polar opposite of that delusional lunatic, Storious, and she wanted nothing more than to kill him and end his reign of terror for good. She's also a master of darkness, dark magic spells, and the dark power of Storious, and she and Lincoln trained together both in swordplay and mastering the powers of darkness and dark magic spells. Lincoln made Michaela a tiara with the Kamen Rider Storious logo on it and necklace with Kamen Rider Storious logo for the pendant, and to show thanks, she kissed him on the lips. She's also the sister of Storious A.K.A. Kamen Rider Storious and leader of The Megid, but she absolutely hates him with a blazing passion, and she hates Lori with a burning passion.

Get ready for an awesome and artful adventure as we battle the Mad Scientist in the awesome video game EPIC MICKEY! We're going to destroy that evil Blot and send his evil inky butt straight to the Black Gates forever and make him pay for his crimes.

See you next time.

In the early morning hours at 3:00 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of Madrid, Spain. But, they were no ordinary two figures, they were Sunshine, son of Lincoln's future wife, Sunset Shimmer. and Voltscar, son of Lincoln's future wife, Elysia the Thunder Demon. Lincoln woke up from the dream, but he wasn't the only one, Sunset Shimmer, Phoenix Shimmer, Sunray, Elysia the Thunder Demon, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Sunset Shimmer: And not only that, it also means that we found out where our kids are at.

Me: they're at Madrid, Spain.

Nico: Oh man, that's not good.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we whore about to go Madrid, Spain, to rescue Sunshine and Voltscar, Then suddenly, there was a knock at the door.

Elysia the Thunder Demon: (sighs and went to the door) Who would that be in the middle of the Night? We have importing mission to do.

Elysia opened the door and found a giant and muscular white and dark brown humanoid Northern Bald Eagle who has glowing blue eyes that radiate, electricity and long gray and blonde hair, a large beak in a small curl tip, three large black feathers on top of his head, large dark brown feathered arms, and orange feet with black claws. He wears bamboo hat, white robes, blue vest, blue cape, and black pants. He wields a giant warhammer called the Magnus Hammer. And a muscular humanoid Lion who has cream and gold fur, spiky yellow mane with flame decals, blue eyes, pointed ears, small elongated fangs, a striped face, and a long blade-like tail. He wears a long red headband, a collar with with a fire red gem in the middle and multiple red teeth around it, black sleeveless karate jacket, black hand wraps with gold sharp claws, and black karate pants with a white martial arts belt. He wields a Mighty Sword called The Blazing Blade. they were Thunder Eagle-Hammer and Fire-Lion Breaker.

Thunder Eagle-Hammer: Are you Sunset Shimmer and Elysia?

Elysia the Thunder Demon: Yes, we are.

Sunset Shimmer: And who are you guys?

Thunder Eagle-Hammer: I am Thunder Eagle-Hammer the Thunder Knight.

Fire-Lion Breaker: I'm Fire-Lion Breaker the Fire Knight. And do these young kids belong to you?

The two kids that whore with Thunder Eagle-Hammer and Fire-Lion Breaker, was a young 10-year-old boy lavender skin, cyan eyes, and amaranth hair with light apple green stripes. He wears a red t-shirt with dark red collar and two yellow stripes across his chest, tan cargo shorts, white socks, and red, yellow and orange trainers with gray soles. And a muscular 1,600/16 years-old humanoid reptilian-like demon boy who has blue skin, red eyes, and some serious scars on his face and body. He wears a navy blue and yellow Feudal Japanese Samurai Armor. They are Sunshine and Voltscar.

When Sunset Shimmer, and Elysia saw them, they were stunned.

Elysia the Thunder Demon: (stunned) How?

Sunset Shimmer: (Stunned) How did you find them?

Fire-Lion Breaker: Just find them out on the streets in Madrid, Spain.

Sunset Shimmer and Elysia ran up to Sunshine and Voltscar, and they hugged, and they cried tears of happiness, Then, Lincoln joined in on the hug, along with me, Nico, Phoenix Shimmer, Sunray, and Black Alpha.

Me: Thanks, Guys.

Thunder Eagle-Hammer: You're welcome, J.D.

Fire-Lion Breaker: (to Lincoln) Do you have something to say to them?

Lincoln: Course. (To Sunshine and Voltscar) there's something you guys should know, Sunset, Elysia, your mothers are one of my many future wives.

Sunshine and Voltscar: That means… you're our father.

Lincoln smiled, and that filled Sunshine with joy while Voltscar is serious strict but honored to hear it, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

And then, Lincoln told everyone what happened. and he then introduced Sunshine and Voltscar to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Thunder Eagle-Hammer, and Fire-Lion Breaker did in reuniting Sunset Shimmer, and Elysia the Thunder Demon with their kids, and they now have Lincoln as a loving, strong, brave, and caring father in their life. As well as Thunder Eagle-Hammer and Fire-Lion Breaker join the Team Loud Phoenix Storm as new members of The Heroic Elementals.

At the Crystal Brighthouse Hitch came in frantic.

Hitch Trailblazer: Sparky's sick!

Sparky Sparkeroni: [hiccups, burps, breathes fire]

He was having a case of the Hiccups and the Burps.

Sunny Starscout: Was that a… hiccup?

Sparky Sparkeroni: [cooing]

[pages flipping]

Sunny Starscout: Six bananas! And a squeeze of mustard! Chocolate sprinkles! Toothpaste!

[blender whirring]

[stomach rumbling]

Sparky Sparkeroni: [burps, slurping]

He drank the smoothie.

[beat]

[stomach rumbling]

Hitch Trailblazer: Ah!

[rumbling stops]

Sunny Starscout: It worked!

Me: Yeah!

Hitch Trailblazer: You did it!

Sunny Starscout and Hitch Trailblazer: Up high, down low, hitch it to a post! Flip it sunny-side-!

Sparky Sparkeroni: [burps]

He fired a blast of fire and it turned a cart she was in into a huge mushroom.

[pony screams]

Sparky Sparkeroni: [laughs]

Nico: Kimiyo, do a lot of people confuse you with Arthur Light?

Dr. Light (JL): Yeah it's confusing. But I get that a lot.

Nico: Really?

Dr. Light (JL): Yeah It's something I've been used to for a long time.

Me: That's all right.

Izzy was doing a silly ritual.

Izzy Moonbow: Hold your breath and count to three! Shake your tail and bend your knees! Throw some feather in the air! Spin around twice and give 'em a scare! Raaawr!

Sparky Sparkeroni: Huh?

Izzy Moonbow: Hmmm. That wasn't scary enough. Well, I guess we'll have to try something- Blaaagh!

[horn honks]

She was wearing a clown disguise next.

Sparky Sparkeroni: [hiccups, burps, breathes fire, laughs]

It turned her wig into grapes.

Me: Boy the scare cure didn't work.

Xenia: No kidding.

Pipp Petals: Let's try some vocal exercises. Just do what I do, okay? Deep breath. And… [singing] Me-me-me-me-me-meeeeee!

Sparky Sparkeroni: [singing] Me-me-me-me-me-meeeeee!

Me: Aww so cute.

Qin: (LAUGHS) So adorable.

Pipp Petals: Good! Now…

Pipp Petals and Sparky Sparkeroni: [vocalizing]

Pipp Petals: So cute! Oh, my glitter, we should totally collab.

Sparky Sparkeroni: [hiccups]

Pipp Petals: Aah!

Sparky Sparkeroni: [burps, breathes fire]

Sparky turned her microphone into a lollipop that landed in her hair.

Pipp Petals: Ewww! Actually, I can work with this.

[camera clicks]

Me: Looks awesome on you Pipp.

Rarity: Oh I must agree there darling.

Sparky Sparkeroni: [laughs]

Zipp Storm: Ugh. Nothing's working.

Me: Tartarsauce. Those are really stubborn hiccup burps.

Nico: To avoid confusion, how about I call you by your first name?

Dr. Light (JL): That works perfectly.

Nico: You got it Kimiyo.

Sparky Sparkeroni: [hiccups, burps, breathes fire]

He turned a tree into a ginormous carrot!

Qin: WHOA!

Xenia: That is a big carrot.

Hitch Trailblazer: And they're getting worse!

Then a rumble was heard and a massive geyser of orange juice erupted out of the ground.

Misty Brightdawn: Orange juice?

Me: Uh oh!

Sparky Sparkeroni: [burping repeatedly]

He was burping all over the place and turning everything into huge foods!

Sunny Starscout: Uhhh…

Me: RUN!

Main ponies: [yelling]

He was REALLY BURPING ALL OVER!

Sparky Sparkeroni: [burping repeatedly]

Izzy deflected a bunch of pretzels.

Izzy Moonbow: Not today, pretzels!

A tree was turned into a huge jello and it was about to fall onto a Pegasnail.

[Pegasnail yelps]

Sunny jumped as it was falling.

Sunny Starscout: [grunts]

[splat!]

She saved the Pegasnail.

Sunny Starscout: Mmmm! Ahhh!

Hitch Trailblazer: What's wrong with your tummy, buddy? I wish you could tell me how to help you.

Me: Yeah.

Sparky Sparkeroni: [grunting]

Fluttershy: Oh I think I get it.

Hitch Trailblazer: You are telling me, aren't you? Oh, Sparky, good boy! Sunny, the food is the cure!

Fluttershy: That's exactly right.

Sunny Starscout: [gasps] Of course! Everypony, grab a little of everything! We're gonna make a really gross smoothie!

Me: Now you're talking!

[music]

We gathered some of the food and blended it and made a smoothie.

Me: That smoothie looks like something Lana would eat.

Lana: You got that right.

Nico: It was great to go back to the Supernoobs hometown again.

Me: It sure was. Tyler and friends were feeling homesick.

Xenia: They sure were.

[racoonicorn grunts, yelps]

We made the smoothie and it looked gross.

[blender whirring]

Mane 5: [laugh]

Sparky drank the whole thing.

[stomach rumbling]

Sunny Starscout: It didn't work?!

Me: Uh oh!

Eli: I sense a huge one coming!

Zipp Storm: He's gonna blow!

Me: DUCK AND COVER PEOPLE!

Pipp Petals: Hitch!

We hid in the bushes!

Hitch Trailblazer: Sparkyyyyy! Aah!

Misty Brightdawn however was in the wrong place at the wrong time when suddenly…

EXPLOSIVE LOUD LONG FART OF FIRE!

It hit her and she smelled REALLY HORRIBLE!

Misty Brightdawn: Aah!

[thud]

Sparky Sparkeroni: [sighs]

Sparky was better!

Misty Brightdawn: [groaning]

[thud]

She fell down.

Mane 5: [cheering]

Me: Whoa! You had a lot of gas didn't you.

Hitch Trailblazer: I'm so glad you're feeling better, bud. You had me scared for a moment there.

[poofing]

All the food and stuff returned back to normal.

Mane 5: [laughing]

Nico: I didn't expect to see the robot Venamus used.

Me: Me neither. That was crazy!

Qin: Yeah! That was a robot that Rusty and Big Guy defeated.

Xenia: It sure was. But it was amzing.

Me: ARGO 12000 really was a huge kaiju size robot.

Xenia: Yep.

Nico: Too bad we didn't use the Noisy Cricket.

Me: No it required something far more powerful.

Lincoln: But J.D.'s plan worked perfectly.

Me: 500 million yottawatt vortex blast blew that robot to scrap metal.

Nico: It sure did and we salvaged all the parts to use for our sake.

Me: That was awesome.

But then we smelled the stench and saw Misty!

Me: Misty? (GAGS) OH GOOD GOD!

Nico: MISTY WHAT THE FUCK HAPPENED!?

Misty Brightdawn: I don't want to talk about it!

Me and Lily had Misty in a washtub and we were scrubbing her all over with soap and water.

We had breathing masks on.

Qin: Boy Misty you got hit hard by that fart.

Nico: No shit!

Misty Brightdawn: No kidding.

Camie: Talk about being in the wrong place at the wrong time.

Me: No kidding! Misty we're sorry this happened.

Misty Brightdawn: Yeah.

We were scrubbing her all over.

Nico: King Kai, I have a favor to ask.

King Kai: Nico, this is actually a surprise. Usually, I have to warn you about any incoming villains.

Nico: Please trust me on this. I know one of the Gene Slammers today is working for Ronson without knowing who he really is. I need you to find out her name.

King Kai: Lets see. Ah her name is Claudia Jiang and she is a Swalot.

Nico: My old eating contest champion buddy. So she is a Swalot.

King Kai: That's right.

Nico: That's interesting that she is working for Ronson.

King Kai: Now, why exactly did you need me to find out about her name?

Nico: Me and the President are getting a threatening message to Ronson memorized during Missy's final mission.

King Kai: Oh right you gathered lots of evidence to bring him down. He did lots of terrible things under peoples noses when they weren't looking. Smart thinking there.

Nico: Thanks.

King Kai: Good luck Nico.

Nico: Not that I'll need it but thank you.

Maria: Sparky, do you feel like farting anymore?

Sparky shook his head for no.

Qin: That's a relief.

Xenia: Good.

Me: Boy sorry this happened Misty.

Misty Brightdawn: That was crazy.

Me: No kidding.

Nico: Boy that was a bad stench.

Qin: No kidding.

May: Nico, you and the President are composing a threatening message.

Nico: During Missy's mission, I assure you.

Me: I have a feeling this is gonna be good.

But then we heard singing. And we recognized the voice.

Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

She was singing from a balcony at the estate that overlooks much of the planet.

Nico: Whoa hear that?

Me: Whoa is that Leeli?

Xenia: Wow she is singing beautifully.

Me: Wow she has an amazing voice.

But then Girl Jordan felt something awaken in her. Her aqua blue aura exploded out and then it was overflowing with life energy and numerous fruit trees and flowers came out and fireflies came out of the ground. They were beautiful. Girl Jordan's power was getting supercharged and stronger than ever!

Me: Wow!

Xenia: So beautiful!

Me: I'll be right back.

I flew up and brought Leeli down.

Leeli: Wow. What happened here?

Me: Your song and Girl Jordan's power are connected.

I told her everything.

Leeli: I honestly didn't know that.

Girl Jordan: Me neither Leeli. That is amazing.

Lincoln: It sure is.

Leeli: Wow.

Me: Sing some more.

Leeli: Okay.

She sang again and Girl Jordan's power was rising fast. Her power was so calm and tranquil and more like every ounce of hate in her body that she once had for all the Carnage's out there was gone. She had her wings spread and it was amazing.

Me: Wow!

Eli: So beautiful and incredible.

Qin: It sure is.

Twilight Sparkle: That is beautiful.

Nico: Eli, can you sense for Swartz's creations?

Eli: Can do.

He concentrated.

Eli sensed something.

Eli: Whoa I sense something. One is Another Rundas and the other is Another Zexion.

Me: Wow!

Qin: So we have Another Rundas here.

Nicole: I remember that Rundas was made nuts because of the Phazon Crisis. That was awful.

Lola: It sure was.

Nico: Who's up first?

Lola: I will go. Since we're up against one of Rundas' kind it should be for someone of fire.

Qin: Go get her Lola.

Then we heard whale calls.

Me: Whoa hear the whales?

Nico: Whales in Michigan?

Me: Wait a second. Not whales…

We saw 2 HUGE POKEMON COME OUT! They were WAILORD AND MEGA WAILORD!

Nico: WHOA!

Qin: Wow! Wailord and Mega Wailord!

Leeli: My singing must've called them too.

Me: I think it did Leeli.

Nico: Um… I got leotards for you girls!

Mega Wailord: (In a girls voice) Thanks Nico.

Wailord: (In a girls Voice) Yeah we could use the clothes too.

Nico: The Cetus Twins! Wow!

Me: Wait the famous eating champions!? Wow!

Camie: Cool!

Wailord: Awesome to meet you guys. I'm Celica.

Mega Wailord: And I'm Cecilia.

Me: Awesome to meet you girls.

Nico: Don't revert back just yet.

Wailord: We won't.

Qin: Good.

Then we saw a figure flying in on ice and it was a dark version of Rundas!

Me: WHOA!

It was ANOTHER RUNDAS!

It landed in front of us.

Me: Wow! Another Rundas.

Shanan: Wow! This one is awesome for a Phrygisian.

Nicole: I was just about to say that sis.

Nico: And you are?

Another Rundas: (In a girls voice) I believe that J.D. and Sora know me too.

She reverted back and it was a girl with aqua blue hair and blue eyes and had blue clothes and blue angel wings.

Me: (GASP) Talia Norion!

Sora Phaaze: I had a feeling you were Another Rundas.

Talia Norion: I know. But it's good that I found you all too Sora.

Sora Phaaze: Same here Talia. Thank goodness you're okay.

Nico: Sorry we have to fight you.

Talia Norion: No worries. And you guys already know about the Another Zexion.

Qin: We sure do.

Talia Norion: Good.

Lola: Lets do it.

Talia turned into Another Rundas and she flew into the air and Lola went at her and fired blasts of fire and knocked her down and I caught the Wonder Ride Book and it was called The Ice Warrior of Norion.

She brought her over.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SPACE FRIGHT 6!

She summoned Xigbar, Toar, Kannon, Boston Dangler, Moltor, and Diablo along with TTG Blackfire, Starfire The Terrible, Wave (LOS), Emerald Empress and Evil Star.

Nico: Awesome!

Wave (LOS): Glad we can get a shot at this.

Evil Star: Yep.

Nico: Wait! Hostile or friendly?

Eli: Oh right. Mandatory question. Friendly. I sense it's friendly.

Qin: Good.

Eli: Someone bro knows.

Leeli: This will be interesting.

Qin: Yeah.

Then an illusion formed and we were on another planet!

Qin: WHOA!

Xenia: WOW!

Me: This is amazing!

It was a planet that looked very much like Earth and we saw that the sun was a tiny big closer and there was oceans and life and more.

Earth: Oh wow! This is Venus! What it used to look like before it became a poisonous world!

Qin: WHOA!

Me: That's right! Scientists think that Venus before it became what it is today was very much like Earth millions of years ago. But due to a runaway greenhouse effect it became what it is today.

Xenia: That is crazy! But this is amazing!

Nico: Wow!

Kaito: (gets out Donbrothers' gear) Here she comes!

We saw a figure come out and it was a dark version of Zexion! It was ANOTHER ZEXION!

Me: Whoa! Another Zexion!

Qin: Wow!

Another Zexion: (In a girls voice) That is what you saw from the Amazing Eleanora!

Me: Eleanora Lulamoon the Great! I knew it was your work! She's a magician and a great illusionist.

Kaito got a Donbrothers sword!

Sougo: (gets out Don Momotaro Ridewatch) Did Swartz promise you anything?

Geiz: (gets out Zenkaizer Ridewatch) Because we can grant it instead.

Sougo got DonMomotarArmor while Geiz got ZenkaizerArmor.

Another Zexion: No he didn't promise me anything. I used my magic and teleported him to another world and ran off.

Me: Whoa! That is awesome!

Xenia: It sure is!

Me: Your powers have evolved a lot since we last saw each other.

Xigbar: That is really something.

Leeli: It sure is.

Zocks: Zenkaiju gear!

He donned his Zenkaiju Armor.

Me: Eleanora this is amazing that you can do this. It's like we're all actually here.

Another Zexion: It sure is. What do you think?

Me: It's incredible!

Nico: Yeah no kidding.

Another Zexion: Glad you like it.

Me: Sorry we have to fight like this.

Another Zexion: No worries. Come at me.

Me: With pleasure.

Girl Jordan: Lets see what the power of the song can do Leeli.

Leeli: You got it.

Girl Jordan and Leeli held hands and they were singing Yurgen's Tune.

Leeli and Girl Jordan: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

We were amazed and then we felt a massive surge of power and energy.

Their auras flared up and the power it had was incredible.

Qin: WHOA!

Me: Incredible!

Nico: That is amazing!

Xenia: Wow!

The life energy they were emitting was astronomically powerful!

But on Venus it was undergoing an incredibly powerful and amazingly mystical transformation! Its clouds were vanishing and the oceans and life were returning to it for the first time in millions of years and the landscape was turning completely Earth like! It was back to what it was before it had its runaway greenhouse effect! VENUS WAS NOW FULLY COMPLETELY RETURNED TO ITS EARTH LIKE STATE!

Camie: Wow that is beautiful!

Wailord: Incredible!

Mega Wailord: Wow!

The power of the song was amazing!

Qin: Wow!

It was awesome.

When it was done we were in awe.

Nicole: Wow that was amazing girls!

Camie: It sure was.

Lola: Yeah!

Nico: (gets out Zexion's Ridewatch) See my illusions!

Nico activated it and it formed into an illusion of planet Vegeta!

Qin: WHOA!

Me: Whoa! So this is Planet Vegeta!

Lola: Wow!

Nico: My home planet.

Me: It's amazing.

Qin: We never saw what your home planet was like Nico.

Nico: Yeah it was a place for us.

Me: Until Frieza destroyed it.

Nico: (gets out Spellbinder's Ridewatch) Now for more illusions!

Nico activated it and formed an illusion of the Digital World.

Me: Wow! The Digital World.

Qin: It's like we're there but we aren't.

Nico: Yeah.

Another Zexion: Awesome illusions.

Me: It sure is amazing.

May: (gets out Nasalamcer's Ridewatch) My turn!

She activated it and fired a magic scent and it hit Another Zexion and she was entranced by the smell.

Me: Ooh that is cool.

Qin: Magic perfume.

Lola: Pretty.

May: Yep. Nai is from Magirangers. But she is a perfect member for the Goths of Darkness and the M.O.E. (ACTIVATES NAI'S RIDEWATCH)

She fired waves of darkness and smashed her down.

Maria: Chara is a sweet girl on the outside but a demonic creature inside! (ACTIVATES CHARA DREMURR'S RIDEWATCH)

She fired waves of blood and smashed her down.

Maria: Thank god that Swartz is dead. (ACTIVATES ANOTHER DECADE'S RIDEWATCH)

She fired waves of darkness and smashed her down!

Dr. Light (JL): Time for my illusion.

She activated Spellbinder's Ridewatch and she formed an illusion that we were on the planet Zenn-La, Silver Surfer's home planet!

Me: Whoa! The Planet Zenn-La!

Nico: Wow! So this is Silver Surfer's home planet!

Eli: Incredible!

Mysterio and his team came. He had Tenaya 7, Shadow Mandy, Amadum, Tranceferer and Glori

Nico: Nice team, Mysterio!

Mysterio: Thanks Nico.

Me: That is a cool team.

Maria: We already met the Gene Slammers. So they know what to do!

Wailord: You bet! Come on sis!

Mega Wailord: With pleasure!

They fired blasts of water and blasted Another Zexion down and I caught the ridewatch and purified it and the illusion vanished.

I went to Eleanora Lulamoon and she was a girl with blue hair and had purple clothes on and I picked her up and brought her over.

Dr. Light (JL): What are your favourite memories of Nico?

Wailord: When we were in a Chicken Wing Eating Contest and all of us tied for 1st.

Mega Wailord: We ate 4,012 Chicken Wings each and got first place trophies.

Wailord: They were garlic butter and hot sauce wings. We couldn't stop farting for days.

We laughed!

Nico: That was funny.

Lola: Yeah.

Mega Wailord: Yeah. That was good eating though.

Me: Yeah.

I put on my blind man glasses and Nico pulled out 2 Aqua Blue Leotards.

Me: Lets get you girls back to normal.

The boys covered their eyes and I snapped my fingers and they reverted back and they had ocean blue hair and blue eyes. Maria got them out and put on their leotards and got towels for them.

Cecilia Cetus: That was rough.

Celica Cetus: It sure was.

Nico went and hugged them.

NIco: I missed you girls.

Celica Cetus: We did too Nico.

Maria: Are you girls happy to be normal size?

Celica Cetus: We sure are.

Qin: Awesome.

Lola: But this was an amazing rescue. G.J. We had no idea that you and Leeli were spiritually connected in some way.

Girl Jordan: You learn something new all the time.

Xenia: You sure do.

Leeli: Yeah that was so awesome.

We later went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Stellar, Stardust, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Ed Cowart and his harem, Ets and his harem, Gage the Hegehog, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, The Kamen Riders, Izuku and his friends, The Goths of Darkness, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, Sapphire, Emerald, Chester, A.J., Sanjay, Elmer, Chloe Carmichael, Tootie, Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, Squirrel Girl, Karolina Dean, Sirius, Momo, and Kaina heading to the northeastern district of Gotham Royal York, and not only is Lincoln going to rescue the six girls here, but we're also going to destroy an evil figure from the past of Lincoln's Guardian Angel, Amelia Emerson, Gene-Slammer of Elemental HERO Nebula Neos. The bad news: it's her twin sister, Harper Emerson, she's the exact opposite of her older sister, Amelia Emerson, in every way possible: she's a really rotten evil girl who hated Amelia, and ever since they were kids, they had been at each other's throats and it was always Harper who'd started those fights through rotten and mean pranks, and as they got older, Harper's hatred of her sister just got worse and worse by the second, and her mean pranks soon evolved to straight-up assault.

But not even her own parents could stop her, because no matter how much they've taken Harper to therapy, she just became worse and worse, until one day she went too far, Amelia and Lincoln were coming home from school, and then, out of nowhere, Harper jumped out and viciously attacked both Amelia and Lincoln and she almost got that close to killing them until Emily McKale pounced on and pummeled the living daylights out of Harper, and she called the cops on Harper and she told Amelia's parents to press charges on Harper for what she did, which they'd agreed to do. In the end, Harper Emerson was convicted of first-degree assault and attempted murder, and because she was 18 at the time she did the crime, she was sent to prison with a life sentence and without the possibility of parole, but not even prison could dull her hatred of Amelia.

Now, she's broken out of prison and she intends to kill both Amelia and Lincoln and finish what she started, but we're not going to let that monster bitch do so, and like Amy McKale before her, she's going to get sent to The Black Gates for good after we teach her a lesson.

Lincoln: Wow, we're here in the northeastern district of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to destroy an evil figure from the past of Amelia Emerson, Gene-Slammer of Elemental HERO Nebula Neos. The bad news: it's her twin sister, Harper Emerson.

Amelia Emerson: (Gasps) So, that's the very one you mentioned yesterday, I thought we were rid of that heartless bitch for good.

Nico: Uh oh, this sounds like another bad sister incident like Amy McKale. Lincoln, what can you tell us about Harper Emerson?

Lincoln: Trust me, you'll hate her even more. Harper's the exact opposite of her older sister, Amelia Emerson, in every way possible: she's a really rotten evil girl who hated Amelia, and ever since they were kids, they had been at each other's throats and it was always Harper who'd started those fights through rotten and mean pranks, and as they got older, Harper's hatred of her sister just got worse and worse by the second, and her mean pranks soon evolved to straight-up assault.

Amelia Emerson: And not even Mom and Dad could stop her, because no matter how much they've taken Harper to therapy, she just became worse and worse, until one day she went too far. Lincoln and I were coming home from school one day, and then, out of nowhere, Harper jumped out and viciously attacked us both and she almost got that close to killing us until Emily McKale pounced on and pummeled the living daylights out of Harper, and then, she called the cops and told Mom and Dad to press charges on Harper for what she did, which they agreed to do.

Lincoln: By the end of the trial, Harper was convicted of first-degree assault and attempted murder, and because she was 18 at the time she did the crime, she was sent to prison with a life sentence and without the possibility of parole, and Amelia and her parents cut their ties to her for good, but not even prison could dull her hatred of Amelia. Now, she's broken out of prison and she intends to kill us and finish what she started, but we're not going to let that monster bitch do so.

Emily McKale: That's right, just like Amy McKale before her, Harper's going to get sent to The Black Gates for good after we teach her a lesson.

Me: So, we basically got a similar situation like with Amy McKale.

Lincoln: Yep, and because of her assault on us years ago, we had to spend two months in the hospital because of her, that was until Adriana gave me a bag of medicinal blood a week later, and as soon as I drank it, my injuries healed up, but I kept visiting Amelia at the hospital.

Luna: He sure did, and Leni, Laney, Lucy, Lana, Lily, and I were also there as well, and trust us, we hated Harper that much as well for her violent attitude, but she went too far when she attacked our bro and her sister.

Lincoln: But, we'll finally be free once we get rid of that monster for good, and I want to thank you, Karolina Dean, Sirius, Momo, and Kaina for joining us, Squirrel Girl.

Squirrel Girl: You're welcome, Lincoln.

Midnight: Now, let's go find that little monster and make her pay for her crimes.

Eli: Before she decides to come after us.

Lincoln: She's not getting that chance ever again, Eli. Harper's done enough damage not only to her own sister and to me, but also, to her own parents, and I can never forgive her for what she's done to those who'd crossed her path, she's indeed just like Amy McKale in every way: heartless, sadistic, bloodthirsty, and completely insane and driven only by hatred, she broke the bonds that sisters are supposed to have and all for her selfish hatred. That's something I can never forgive, and we'll see to it that she pays the price for her heartlessness for good.

Suddenly, we saw five girls heading right for us, and with them are the six girls.

The first girl is a beautiful girl with long pink hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful pink butterfly wings, she has on a tiara with the Kamen Rider Sabela logo, she's dressed in a sleeveless pink vest, sleeveless pink midriff top, necklace with the Kamen Rider Sabela logo for the pendant, pink skirt and she has the Konchuu Daihyakka Wonder Ride Book on her waist, pink pants, pink legwarmers, pink sneakers, and long white long-sleeved trenchcoat with butterflies, swords, spiders, and angels on the coattails and on the back is the Kamen Rider Saikou logo and holstered on her back is a massive Eneiken Noroshi-themed greatsword with embedded pink gems and a butterfly etched on the 7'0" massive, wide, double-edged pink blade, large pink butterfly heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large pink butterfly heads and large pink gem on the bottom of the large pink butterfly heads for the pommel, and in her hand is the Eneiken Noroshi.

Natalia Falchion: Wow, so that's the Kamen Rider Falchion embodiment on Lincoln's side, she looks just like me.

Serena Durendel Neptune: And the Kamen Rider Durendel embodiment on Lincoln's side, she also looks just like me.

Iris Solomon: And the Kamen Rider Solomon embodiment on Lincoln's side, she also looks just like me.

Melanie Storious: And the Kamen Rider Storious embodiment on Lincoln's side, and she too also looks just like me.

Qin: And the Kamen Rider Sabela embodiment on Lincoln's side, wow that's so awesome.

Girl: That's right, and the four of us do look like you, Iris, and Melanie, Serena.

Girl 2: But, we're actually girls that Lincoln knows all too well, and we got the six girls away from your psychotic bloodthirsty sister, Amelia, and she's still pissed off at you and Lincoln.

Lincoln: (Gasps) Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious, the five Kamen Rider embodiments of Sabela, Durendel, Falchion, Solomon, and Storious, I knew it was you five, it's awesome to see you five again.

?: I WILL FUCKING KILL YOU AND LINCOLN FOR EVEN EXISTING, AMELIA EMERSON!

We then saw our target: a girl with purple hair, red eyes of hatred and insanity, and she's dressed in an orange prison jumpsuit, it was Harper Emerson, Amelia Emerson's ex-younger sister, and the one who was responsible for viciously attacking Amelia and Lincoln years ago and sent them both to the hospital but was defeated by Emily McKale and sent to prison for life, and she was mega pissed off.

Lincoln: Harper Emerson, right on time.

Amelia Emerson: It's a shame though, you broke out just for that one moment to finish what you started, but we're ending this here and now, and I'm so glad we severed our ties with you the day you got sent to prison for good. Now, Mom and Dad aren't going to miss you in the slightest, time to finish what you started, you heartless demon!

Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious: You too, Lincoln, it's been a long time.

Lincoln went up to Reagan Shindai, Rebecca Shindai, Brianna

Fukuhara, Isabella Solomon, and Michaela Storious and he hugged her, and Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you five since you were eight, and as you can see, I really grew a lot since then.

Brianna Fukuhara: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Rebecca Shindai: And the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with the new chest harness. I knew Sayaka gave you that jar of Dreaded Dancing Diablos, and we saw the display from outer space yesterday after you guys got rid of Nega-Timmy and The Nega-Chin in Vigrid.

Reagan Shindai: We sure did, and you really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these five girls?

Lincoln: Indeed I do, Nico. The first girl is Reagan Shindai, Embodiment of Kamen Rider Sabela, she's my Guardian Angel from Japan and classmate in Gym. Reagan Shindai is known as a talented and powerful swordswoman and she also has the powers of nature and insects. She and I trained a lot in swordplay and mastering the powers of nature, and she also introduced me to Kamen Rider Saber when they were eight years old, and have watched every episode ever since. I made Reagan a tiara with the Kamen Rider Sabela logo on it and necklace with Kamen Rider Sabela logo for the pendant, and to show thanks, she kissed me on the lips. She's also the sister of Reika Shindai A.K.A. Kamen Rider Sabela, and she hates Lori with a burning passion.

Me: Awesome, and those butterfly wings are so beautiful.

Lincoln: They sure are. The second girl is Rebecca Shindai, Embodiment of Kamen Rider Durendal, she's my Guardian Angel from Japan and classmate in Gym. Like Serena Neptune Durendal, Rebecca Shindai is the Embodiment of Kamen Rider Durendal and she's a master of the force of water along with being a talented and powerful swordswoman. She fell in love at first sight with me when she saw me and the other Guardian Angels of Water and the many mermaids and the water wielders of my harem cleaning up the oceans and when she saw me surf the legendary wave, Humungadunga, that literally made her love for me skyrocket even more, and like with Serena, when she saw me one day reading the powers of the Ocean Wonder Ride Books, that love she had for me blossomed even more, and she also trained with me in swordplay and with mastering the force of water. I made Rebecca a tiara with the Kamen Rider Durendal logo on it and necklace with Kamen Rider Durendal logo for the pendant, and to show thanks, she took me to Lake Huron and she kissed me on the lips while underwater. She's also the sister of Ryoga Shindai A.K.A. Kamen Rider Durendal, and she hates Lynn with a burning passion.

Nico: Wow!

Serena Neptune Durendal: That's really awesome, and the huge shock is she didn't fall into darkness like I did.

Lincoln: She saw that I was always there to clean up the oceans and keep the marine environment of Michigan clean, and she knew of what I did in surfing Humungadunga, and reading The Ocean History Wonder Ride Book. The third girl is Brianna Fukuhara, Embodiment of Kamen Rider Falchion, she's my Guardian Angel from Japan and classmate in Gym. Like Natalie Falchion, Brianna Fukuhara is the Embodiment of Kamen Rider Falchion and she is the Eternal Phoenix itself. She has intense fire powers, fire angel wings, and the Sword of Falchion and her power is infinitely more powerful than all the Kamen Riders all over the entirety of the course of 50 years all combined. She'd also lived ever since the beginning of time from when the universe was in its infancy and for over 13.4 billion years she has given life to all planets and loved all life to the fullest. With the intense flames of life and love, her eternal giving was truly neverending and she gave the power of life to planets filled with joy and love. But when hate and fear and evil took hold of much of the universe, she decided to fight back against that evil. But, there was one light that really strengthened the love and joy she had in her heart, and that light was me and she flew out and met the one person that brought that love to her, and she became one of my most powerful Guardian Angels. She trained me in both swordplay and mastery over the powers of fire. I made Brianna a tiara with the Kamen Rider Falchion logo on it and necklace with Kamen Rider Falchion logo for the pendant, and to show thanks, she kissed me with a fiery passion on the lips. She's also the sister of Bahato A.K.A. Kamen Rider Falchion, and she hates Lola with a burning passion.

Natalia Falchion: That's really incredible, and her story is just like how I fell in love with J.D. when he met me and brought that light back into my heart.

Me: I was just about to say, Natalia. But, for Lincoln when he met Brianna, he strengthened the love she had in her heart for over 13.4 billion years.

Lincoln: And that love is still as strong as ever. The fourth girl is Isabella Solomon, Embodiment of Kamen Rider Solomon, she's my Guardian Angel from Japan and classmate in Gym. Like Iris Solomon, Isabella Solomon is the Embodiment of Kamen Rider

Solomon and she is one of the most powerful of the Kamen Rider Saber embodiments ever. She is immensely powerful and is strong enough to destroy even Kamen Rider Black Hole and the most powerful Kamen Rider and Power Rangers main antagonists in an instant. She's also a powerful and talented swordswoman and has the omnipotent powers of the universe, and she and I trained together in both swordplay and mastering the omnipotent powers of the universe. I made Isabella a tiara with the Kamen Rider Solomon logo on it and necklace with Kamen Rider Solomon logo for the pendant, and to show thanks, she kissed me on the lips. She's also the sister of Isaac A.K.A. Kamen Rider Falchion, and she hates Luan with a burning passion.

Iris Solomon: That's incredible.

Lincoln: It sure is. And the fifth girl is Michaela Storious, Embodiment of Kamen Rider Storious, she's Lincoln's Guardian Angel from Japan and classmate in Gym. Like Melanie Storious, Michaela Storious is also the polar opposite of that delusional lunatic, Storious, and she wanted nothing more than to kill him and end his reign of terror for good. She's also a master of darkness, dark magic spells, and the dark power of Storious, and she and I trained together both in swordplay and mastering the powers of darkness and dark magic spells. I made Michaela a tiara with the Kamen Rider Storious logo on it and necklace with Kamen Rider Storious logo for the pendant, and to show thanks, she kissed him on the lips. She's also the sister of Storious A.K.A. Kamen Rider Storious and leader of The Megid, but she absolutely hates him with a blazing passion, and she hates Lori with a burning passion.

We gasped after hearing the revelation.

Me: (Gasps) Whoa, now that's really heavy.

Melanie Storious: It sure is, so Michaela is Storious' sister, but she like me hated her brother with a blazing passion.

Michaela Storious: That's right, I hated my brother and his delusional desire for world domination, and what he did in trying to use the ritual to rebuild The Almighty Book and take over the world, I can never forgive that lunatic.

Lincoln: We never did, and last year, we made sure your crazy brother paid the price for his crimes with his own blood and we sent him to The Black Gates.

Melanie Storious: Good, he was nothing more than scum, along with the Megid who foolishly followed him.

agan Shindai: You said it. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you five want to give me your blood, right?

Brianna Fukuhara: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Rebecca Shindai: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln first went up to Reagan Shindai, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Finally, Lincoln went up to Michaela Storious, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Brianna Fukuhara: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with an

Elemental Thunderbird Choker of Eternal Love on her neck.

Rebecca Shindai: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious.

Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Alexandra Roivas and Ellia from Eternal Darkness: Sanity's Requiem and Patricia "Patty" Myers, Regina Belfrond, Wendy Ryan, and Sonia from Psychic Force.

Lincoln: Oh wow, it's Alexandra Roivas and Ellia from Eternal Darkness: Sanity's Requiem and Patricia "Patty" Myers, Regina Belfrond, Wendy Ryan, and Sonia from Psychic Force.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Alexandra Roivas: Yes, we're okay, thanks to you.

Then, when Alexandra Roivas and the other five girls saw who it was that saved them from Harper Emerson, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of

Alexandra Roivas: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Regina Belfrond: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alexandra Roivas, Ellia, Patricia "Patty" Myers, Regina Belfrond, Wendy Ryan, and Sonia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental

Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Harper Emerson, the sister of Amelia Emerson, Gene-Slammer of Elemental HERO Nebula Neos, but she was the total opposite of Amelia: Harper's a really rotten evil girl who hated Amelia so much, and they'd been at each other's throats ever since they were kids and it was always Harper who'd started those fights through rotten and mean pranks. But, as they got older, Harper's hatred of her sister just got worse and worse by the second, and her mean pranks soon evolved to straight-up assault, and one day she went too far one day when Harper jumped out and she viciously attacked both Amelia and Lincoln and she almost got that close to killing them until Emily McKale pounced on and pummeled the living daylights out of Harper, and she called the cops on Harper and told Amelia's parents to press charges on Harper for what she did, which they agreed to do, which led to Harper Emerson's conviction of first-degree assault and attempted murder, and because she was 18 at the time of her crime, she was sent to prison with a life sentence and without the possibility of parole, but not even prison could dull her hatred of Amelia, as years later, she'd broken out of prison and intended to kill Amelia and Lincoln and finish what she started.

But, when Lincoln showed what happened such as all of us giving that monster bitch the beatdown of her life and Lincoln and Amelia finishing her off by firing purple energy blasts with stars and nebulae which hit her and sent her to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious have a lot of catching up to do now that they're back in town.

Maria: Jeez, Amelia's sister is just like Amy McKale.

Lincoln: She sure was, but in the end, she paid the price for what she tried to do to Amelia and to me when she beat us up badly those years ago.

Nico: And I'm not surprised that among the enemies you and your Guardian Angels have had to deal with for years are also some of their despicable family members.

Nicholette Torrington: And some of them have paid the price either with prison or getting put to death for their crimes.

Megan Kiraton: You got that right, Nicholette.

* * *

After finally destroying Harper Emerson and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Brianna Fukuhara: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Rebecca Shindai: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Reagan Shindai: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Isabella Solomon: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious, what's the story on why you girls hated Lori, Lynn, Lola, and Luan with a burning passion?

Michaela Storious: Oh, you're not going to like hearing about this one bit. One day, Reagan, Rebecca, Brianna, Isabella, and I were with Lincoln, along with Taylor, Rachel, Kenzie, Reika, Raelynn, Tamara, Hailey, and Sayaka, the other Kamen Rider Saber embodiments, and we were at our gym doing some training. But, then, we heard the sound of two banshee screeches, homicidal laughter, and the sound of a loud burp, and Lincoln knew who they were: Lori, Lynn, Lola, and Luan. Sure enough, the doors burst open, and there they were: red eyed, crazy, and out for blood again.

Brianna Fukuhara: We knew it would be quite a messy fight, since it was Reagan, Rebecca, Isabella, Michaela, Lincoln, Taylor, Rachel, Kenzie, Reika, Raelynn, Tamara, Hailey, Sayaka, and I against only the four of them. But, Lori, Lynn, Lola, and Luan charged at us with wrath and blood-crazed hatred at us, however, we were ready and we fought against those four easily and we won.

Rebecca Shindai: Then, Lincoln fired elemental energy blasts which turned into straitjackets and tied those four up, and then, he beamed them back to The Loud House, and let's just say as soon as we got back from our gym, Luna herded Lori, Lynn, Lola, and Luan into a huge metal box. Lynn roared and tried to beat down the door with her fists, but then, Nicholette Torrington flipped those four the bird, and that caused Lori, Lola, and Luan to scream with bloody revenge and Lynn to roar again and beat her chest like a gorilla.

Reagan Shindai: Honestly, Nicholette was taking some really huge risks giving the bad Loud sisters the bird.

Isabella Solomon: She sure was, but she didn't care what kind of terrible harm those five are capable of, and the same goes for the rest of us: no one's going to hurt Lincoln ever. Plus, we heard you got rid of the very person responsible for the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: Yep, it was Principal Huggins' Dark Side, Killjoy Huggins, he turned Lori, Lynn, Lola, Lisa, and Luan into monsters with that Dark Side Creation Serum years ago, just because of his hatred of me. We destroyed Killjoy Huggins and ended the very source of the pain and suffering I've had to endure for years, and destroyed the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan for good.

Brianna Fukuhara: I always knew Killjoy Huggins was a heartless jerk, but that, oh, that just proves he was The Devil Incarnate of Michigan.

Nico: Along with being a hated monster who wants to ruin Lincoln's life at every opportunity, he was a heartless opportunist.

Lincoln: Now, that's a word we haven't called Killjoy Huggins before.

Suddenly, Lincoln's personal Wonder Ride Book began glowing with rainbow energy, and it underwent a powerful transformation as it was surrounded by rainbow energy and elemental forces, and then, it emerged and changed forever: it had transformed into THE OMNIPOTENT ELEMENTAL THUNDERBIRD PHOENIX ANGEL OF UNIVERSAL HARMONIOUS LOUD JUSTICE, MYTHOLOGICAL HOPE, AND ETERNAL LOVE!, a brand-new large orange-covered tome with a Thunderbird, Phoenix, and Angel on the cover that surrounds a large rainbow gem, and the book's cover has four silver ornamental borders on the four corners of the cover.

We were really amazed and stunned.

Me: HOLY GUACAMOLE!

Nico: That's… that's a… !

Touma: A brand-new Almighty Book, but how is that possible? J.D. acquired it when he defeated the dream version of Storious. Wait a second, if I remember right, Lincoln fed on Taylor, Rachel, Kenzie, Reika, Raelynn, Tamara, Hailey, and Sayaka, and he also acquired their same powers. Then, when he fed on Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious, the last five Kamen Rider Saber embodiments that we've just met, I believe this triggered a powerful transformation.

Me: His personal Wonder Ride Book transformed into a brand-new Almighty Book, but only meant for Lincoln to use.

Lincoln: And it also works just like with our Wonder Ride Books, let's see. (Reads a verse) "As the mutant cheapskate grumbles in pure anger over the hilarious humiliations the heroes have dealt unto him, suddenly, his face and mutated body were covered from head to toe with horrifying pimples"

Then, just as Lincoln finished reading the verse, we then saw Flip's face and body get covered with a massive amount of hideous pimples, and when Varie made a mirror of water and Flip saw it, he then screamed.

Flip: (SCREAMS) I'M HIDEOUS! HIDEOUS!

We laughed hysterically at the sudden humiliation Lincoln just dealt unto Flip, and we saw it all with a one-way mirror Nico made.

Eddy: (LAUGHING HYSTERICALLY) OH MAN, THIS… , THIS IS WAY TOO HILARIOUS! CALL A DOCTOR, DOUBLE D!

Me: (LAUGHING HYSTERICALLY) YOU'VE NEVER LOOKED BETTER, YOU MUTANT CHEAPSKATE!

Nico: (LAUGHING HYSTERICALLY) BETTER?! I THINK IT'S A MAJOR IMPROVEMENT!

We laughed hysterically for a few more minutes, then we closed the one-way mirror.

Eli: Man, Lincoln, that was really hilarious.

Nico: Next time, if The Vengeance Express Kids get loose again, you should definitely clobber them with those kinds of pranks and gags from your new book.

Lincoln: And I'll mix in some verses from Electro's Wonder Ride Book just to give the hilarity an extra spark. (Realizes what he just said) Great, now I'm suddenly telling puns just like Luan.

Luan: You spent years hearing me tell puns, now you're starting to do puns as well.

Lynn Sr.: She's got you on that one, champ.

Rita: We've all heard Luan tell puns for years, and now, it won't be long before any of us start telling puns.

Me: We'll keep an eye out.

* * *

We got a shower, and then, Clyde, Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Itsuka Kendo A.K.A. Battle Fist, Yui Kodai A.K.A. Rule, Kinoko Komori A.K.A. Shemage, Ibara Shiozaki A.K.A. Vine, Pony Tsunotori A.K.A. Rocketti, Setsuna Tokage A.K.A. Lizardy, Reiko Yanagi A.K.A. Emily, and Kashiko Sekigai A.K.A. Sensor Girl are heading to Seaside Hill.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in blue swim shorts with a phoenix and clock surrounded by clocks and stars on it with gray flames coming off the swim shorts, blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Itsuka Kendo A.K.A. Battle Fist, Yui Kodai A.K.A. Rule, Kinoko Komori A.K.A. Shemage, Ibara Shiozaki A.K.A. Vine, Pony Tsunotori A.K.A. Rocketti, Setsuna Tokage A.K.A. Lizardy, Reiko Yanagi A.K.A. Emily, and Kashiko Sekigai A.K.A. Sensor Girl were dressed in two-piece colored bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Itsuka Kendo A.K.A. Battle Fist, Yui Kodai A.K.A. Rule, Kinoko Komori A.K.A. Shemage, Ibara Shiozaki A.K.A. Vine, Pony Tsunotori A.K.A. Rocketti, Setsuna Tokage A.K.A. Lizardy, Reiko Yanagi A.K.A. Emily, and Kashiko Sekigai A.K.A. Sensor Girl had feelings for Clyde, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, and after he tied them up, he sent them to Lincoln who sucked out their blood and killed them, which made Trina Riffins and Amy go completely insane with anger, until Clyde fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Toru: Whoa, so this is Seaside Hill, awesome.

Clyde: Yep, and Lincoln's been here many times before, and so have I, Toru. Shall we?

Clyde, Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Itsuka Kendo A.K.A. Battle Fist, Yui Kodai A.K.A. Rule, Kinoko Komori A.K.A. Shemage, Ibara Shiozaki A.K.A. Vine, Pony Tsunotori A.K.A. Rocketti, Setsuna Tokage A.K.A. Lizardy, Reiko Yanagi A.K.A. Emily, and Kashiko Sekigai A.K.A. Sensor Girl dived into the waters and they had fun swimming in the waters and they even met the sea life there, then, they went back to the beach for an awesome game of volleyball, and Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Itsuka Kendo A.K.A. Battle Fist, Yui Kodai A.K.A. Rule, Kinoko Komori A.K.A. Shemage, Ibara Shiozaki A.K.A. Vine, Pony Tsunotori A.K.A. Rocketti, Setsuna Tokage A.K.A. Lizardy, Reiko Yanagi A.K.A. Emily, and Kashiko Sekigai A.K.A. Sensor Girl got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Itsuka Kendo A.K.A. Battle Fist, Yui Kodai A.K.A. Rule, Kinoko Komori A.K.A. Shemage, Ibara Shiozaki A.K.A. Vine, Pony Tsunotori A.K.A. Rocketti, Setsuna Tokage A.K.A. Lizardy, Reiko Yanagi A.K.A. Emily, and Kashiko Sekigai A.K.A. Sensor Girl placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face.

Nico: (Snickers) Looks like someone had an awesome time at Seaside Hill, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

Izuku: Wow, now just like Lincoln, Clyde has some of our friends in his harem as well.

Lincoln: You got that right, Izuku.

---

Later it was time for Missy's final mission.

Qin: Time to bring down Ronson!

Me: That's right!

William: Anyone else want to go with Missy? Besides Ness, Zatch, and Kiyo?

Lincoln: Me and my siblings will go with.

Nico: Good idea.

Me: Better keep the team on standby just in case we may need some backup for this one.

Nico: Good idea.

Girl Jordan: I agree.

Nico: Lets head out guys.

We were off to Eden City.

---

We arrived.

Me: Here we are.

Jason James: Hey guys.

Me: Hey Jason, Matt, Ellie.

Missy: Guys, meet Ness, Zatch, and Kiyo

Zatch: Awesome to meet you guys.

Kiyo: My name is Kiyo and this is Zatch.

Zatch: Awesome to meet you guys.

Ness: I'm Ness and I'm one of the defenders of the Earthbound World.

Me: Long story on that. And these are my friends the Loud Siblings.

Lincoln: Awesome to meet you guys. I'm Lincoln Loud and these are my sibings.

Lori: Literally awesome to meet you. I'm Lori.

Leni: I'm Leni.

Luna: Sup dudes. Name's Luna.

Luan: I'm Luan.

Lynn: Lynn Loud Jr.

Linka: I'm Linka.

Liberty: I'm Liberty.

Lyra: I'm Lyra.

Lee: I'm Lee.

Lucy Loud: I'm Lucy Loud.

Lucille: (Scottish Accent) I'm Lucille Loud.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Ellie Martin: Wow! Awesome to meet you guys.

Matt Martin: That's a lot of kids.

Me: Yeah and their mom and dad thought it would be cute if all their names began with the letter L.

Qin: It's true.

Me: (Whispers to Jason) Their family has never been one that believes in condoms too.

Jason snickered at that.

Zatch: I'm also a Mamodo.

Me: Mamodo's are people that come from the Demon World. They have amazing and incredible power that can be unleashed through the powers of a spell book they have.

Zatch showed his red book.

Qin: That is an awesome book too.

Me: Yep. We faced a bunch of them too. Some Mamodos are good and some are absolutely evil.

Qin: Yeah no kidding. And they are extremely powerful too.

Jason James: Wow!

Me: Watch.

Kiyo showed them.

Kiyo: ZEKER!

Zatch fired a powerful blast of lightning and it hit a trash can and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were in awe.

Ellie Martin: Wow! That was powerful!

Me: That was just a small sample. Many more where that came from.

Missy: Has Ronson caught on to what we were doing?

Me: I was just about to ask that.

Jason James: Well Grandma's spy camera has been watching.

Me: Lets take a listen.

We got to watching.

Claudia Jiang: Are you sure the rocket will be able to kill all villains in the world?

Ronson: Of course, Miss Claudia. After all, it's what you want, isn't it? To make sure no villains torment your friend Nico again.

Claudia Jiang: Of course. It's just that we're going a little too fast.

Ronson: You're not backing out on me, are you?

Claudia Jiang: Of course not. It's just that the rocket might hit innocent civilians and I want them to be out of the crossfire. So-

This time, Claudia was cut off by the phone on the table ringing. Though it was unexpected, Claudia was thankful for its timely interruption. She pressed the speaker button.

Claudia: Yes?

Receptionist: Ms. Jiang, there's a phone call from president.

The air seemed to have become tensed as the sentence came through. Claudia noted that Ronsonwas clenching his fists tightly

Claudia: Put him through.

A few seconds later, The President's voice spoke.

President: Ah, Ms. Jiang! I'm glad I was able to reach you. I tried calling you yesterday, but I was informed you were busy. The receptionist said she would tell you, but I guess you forgot.

Clearly not recalling anything about the President calling yesterday, Claudia gave a brief glance to Ronson. The man showed no outward response to that.

Claudia: Sorry about that. Things have been a bit busy lately.

President: I'm sure they were. Anyway, it's come to my attention that you were given given a military contract regarding the production of a rocket that will supposedly wipe out all evil Funny thing is, I don't have any recollection of making such a contract, or giving the funds

for it.

A knot began to form in Claudia's stomach. That's not what Ronson said. Before she could respond, the President beat him to it.

President: I'll get straight to the point, Ms. Jiang. I know that Von Romme gave Ronson the Extinctor Rocket to wipe out all mutants and most of the Earth in the process. Now, since I know that you're one of Nico's old friends, with no knowledge of this small fact, I will give you this option. Unless you want to be condemned as a war criminal, for Nico's sake and yours, you will surrender yourself to Team Loud Phoenix Storm and give them regarding the rocket and any other deals you and/or Ronson have made.

The President did not stop there. However, this time, it wasn't directed to Claudia.

Preisdent: Ronson, if you're there, let me give you some advice, no, a warning. You, and any other of your goons, are to turn yourselves over immediately and await trial. I've already disbanded your organization, so any further action will only tighten the noose around your neck. Because, while Team Loud Phoenix Storm's methods might be harsh, at least they keep the Earth from falling at the hands of the Joker and Lex Luthor. Not to mention you're planning to destroy Earth just to get rid of mutants. In short, its over-

Having finally blown the fuse, Ronson pulled out his pistol and shot the phone, ending the conversation. Following that, he pointed his weapon right at Claudia's face. She went pale, hands raised as he stared at the weapon's barrel.

Ronson: (Red in the face, eyes blazing with fury) Do you think any of that matters? Do you have any idea of how much I gave for my country? What I had to do? With no recognition whatsoever? I have faced many types of people over my career, a lot of them far bigger than you. I have no intention of stopping, so if you value your life, you will do as I say because I will not let my hard work be stopped! Not by you, not by the President, not by Team Loud Phoenix Storm, not even God himself will stop me!

Me: Looks like our message got through and man he is PISSED!

Qin: Holy crap!

Nico: Yeah no kidding.

Me: And it looks like he has Claudia!

Nico: I knew it! Claudia is there with him!

Me: Well now it's personal!

Nico: Yep. J.D. call the entire team! We're going into battle.

Me: You got it!

I pressed the red alert button.

Me: They are on their way.

Jason James: Knowing Ronson, he probably still has a need for Claudia.

Me: We'll be ready for him.

Qin: Yeah we sure will.

Me: But if he wants to fire that rocket he can do it over my DEAD BODY!

Lincoln: Same with me! That rocket will destroy the planet!

Nico: No way in hell are we going to let him use it!

Luan: I agree. I know what will make this a perfect confession to show his true colors.

She pulled out a microphone.

Jason James: A microphone?

Matt Martin: I get it! You're going to plug it into the P.A. System and broadcast a villainous breakdown he has.

Luan: You got it.

Me: Very genius.

Nico: It's perfect. That method worked before.

Nico: Better enjoy these villainous breakdowns while you can. Because sooner or later, someone's gonna take advantage of them.

Unknown to us, a certain heroic Noto General was watching outside.

Sonoi: I hope you know what you're doing, J.D. (Walks away)

I sensed Sonoi.

Me: (In my head) So Sonoi is watching us. He will be an amazing ally to have when we meet the Donbrothers when we have the Ambassador Missions. But we'll worry about that when the time comes. We just have to wait till the 26th.

Lincoln: Nico, what can possibly go wrong thanks to these villainous breakdowns?

Nico: Well, Ronson might lose it and shoot Claudia.

Rainbow Dash: Not on our watch.

Me: Let him try.

The team then flew in.

Danny Phantom: We're all here.

Jared: We're ready.

Me: Awesome son.

Nico: Lets do it guys.

Lincoln: Operation: Dethrone Ronson is a go.

Nico: Tick tock, guys! Tick tock! Every second we waste increases Claudia's chances of getting shot!

Luan: Someone's extra panicky today

May: (Calms Nico down) Nico calm down. Calm down. We'll get her.

Danny Phantom: Let me do that.

He went invisible and intangible and flew out.

Me: Come on guys! ENTRANCE TIME!

We were off.

Nico: By the way, Jason, here are your Legend Items.

Nico gave him, Matt and Ellie their legend items.

Me: You'll love your archenemies in the future.

We flew at the building.

Ronson WAS REALLY PISSED OFF! HE WAS RUINED!

But then he was caught off guard when the spirits of the X-Men, EVO's and all the mutants we know appeared and swirled around him. Claudia went invisible and intangible and was gone and then the spirits swirled around and converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof of the building and a phoenix cry was heard and then we came in!

Me: Brent Ronson III. Long time no punch.

Ronson: YOU!

Me: Yes me! The thorn in your side that has been a constant fucking nuisance to you and your plans for years! I'm here to make sure you never launch the Extinctor!

Danny appeared with Claudia.

Ronson: At least if most of the planet goes, Stankfoot goes too!

Claudia: I'm sorry, Nico!

Nico: It's okay Claudia.

Ronson: You are not going to stop me!

Me: Yes we will. Ronson you will not kill anymore mutants on our watch! For years you have killed millions of innocent people!

Ronson: YOU WON'T STOP ME! YES, I ADMIT IT! THE ROCKET WILL KILL MOST OF THE PLANET, VILLAIN AND HERO ALIKE! AND YOU CAN'T STOP IT! WHO'S LAUGHING NOW?!

Luan: (SMIRKS) Thank you!

She pulled out a microphone from behind her back.

Ronson saw it and gasped!

Me: EVERYONE now knows your true colors Ronson! It's over Ronson! You're finished!

Ronson: Not yet! (Presses button)

Computer: Rocket launch commencing.

We felt a rumble and then out of the ocean we saw a HUGE dome of water appear and then out of the water came a MASSIVE AND HUGE ROCKET! IT WAS AS BIG AS THE STATE OF ALASKA! IT WAS THE EXTINCTOR! IT LAUNCHED HIGH INTO THE SKY!

Me: DO YOU HAVE ANY FUCKING IDEA WHAT YOU HAVE JUST DONE!?

Ronson: I destroyed you all!

Nico: If that rocket hits You will die too!

Ronson: I don't care! I won!

Me: Not by a long shot!

Nico: Take him down!

I flew into the air and went after the rocket!

Ronson: And this as well! (Shoots gun at Claudia)

Superman got in the way of the blast and deflected the bullet away.

Superman: You are a heartless monster Ronson!

Nico punched him in his face and grabbed the gun and gave it to Lily.

I caught up to the rocket and it was far out in space and it flew back to Earth.

Me: Nico forgive me. You are now the full time leader.

I closed my eyes.

Then it hit me and then…

**SUPER UNBELIEVABLE AND INCREDIBLY MASSIVE MEGA NOVA EXPLOSION!**

Nico: OH NO! J.D.!

Varie: J.D.! NOOOOOOOOOOOOO!

Camie: J.D. J.D!

Eli: NOOOOOOOOOOO!

EVERYONE THOUGHT I WAS DEAD!

The flash of light was as bright as 100 billion suns and the explosion was incredibly powerful and massive.

Ronson: NOOOOOO! MY PLAN! RUINED!

But then a meteor fell from the sky and it was me burned to a crisp and I crashed into the floor!

CRASH!

I was badly burned and mangled.

Nico: WHOA!

I got up and my wounds healed.

Me: (Dizzy and tired) Whoa man!

Nico: JEEZ!

Qin: UNBELIEVABLE!

Nico: WOW! J.D. you did it! You saved us all!

Me: I'm not doing that again.

Ronson: I'M NOT FINISHED YET!

Me: YES YOU ARE!

I went at him and punched him in the face and stomach!

Ronson turned into his mutant form.

Me: WHAT IN THE 9 FUCKING LEVELS OF HELL!?

Jason James: The real battle's just started!

Me: He wants a battle?

I went into my most powerful form!

Me: (Divine Godly Voice) **Then we'll give him one!**

Nico: How did you survive that explosion anyway J.D.?

Me: (Smiles) **Not even the most powerful conventional weapons can kill me.**

Qin: Whoa! That is amazing.

Varie: No kidding!

Missy and Claudia groaned as their shoes got tight.

Missy's clothes ripped and so did Claudia's. Missy turned into Mewtwo and Claudia turned into Swalot!

Swalot: Consider this my resignation!

Swalot fired waves of energy and blasted him all over.

Missy fired Psychic energy orbs and blasted him all over.

Nico: But one thing is for sure, at least Earth is around still.

Qin: No kidding.

Ness: (gets out Weredad's Kuuga Weapon) Let's get things started!

Layla: You got it! PK FLASH!

She fired a blast of green energy and it hit Ronson and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Ness's Kuuga Weapon looked like a Moon Scythe and he slashed him all over.

I kicked him all over and fired energy blasts and smashed him down and blasted him all over.

Kiyo: (gets out Rough and Tumble's Kuuga Weapon) Zatch, get ready!

Zatch: Ready!

Kiyo: First this! ZEKER!

Zatch fired a blast of lightning and it hit Ronson and electrocuted him!

Me: **And this too! RADOM!**

I fired a ball of energy and it hit Ronson and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion smashed him down.

Kiyo activated the ridewatch and they fired waves of energy and smashed him down.

Nico: YEAH!

Big Guy: Open wide ugly!

He fired blasts of lasers and blasted Ronson all over the place.

Rusty fired Nucleoproton blasts and blasted Ronson all over.

Kiyo's Kuuga weapon looked like the stars of Australia and he fired waves of stars at Ronson and blasted him all over.

Jason James: (gets out Dark Fate Terminator's Kuuga Weapon) I wonder what this does.

His Kuuga weapon looked like the SKYNET Symbol and a Terminator head and he fired energy blasts and smashed Ronson down.

Qin: YEAH!

Me: **Dark Fate Terminator. That was a great movie.**

Nico: Yep.

Me: **Ronson, I've had enough of you to last a goddamn eternity. I was thinking of letting you go to prison but after the stunt you just pulled… I'm changing your sentence to death and banishing you to the Black Gates!**

Nico: After your firing squad sentence!

Me: **YEAH!**

Nico: And it won't be pretty!

Me: **But first this!**

I fired a beam of light and it hit Ronson and separated his mutant half from Ronson and then threw that into the sun!

Mutant Ronson: NOOOOOOOO!

It was vaporized instantly.

I banished that to the black gates.

Then I fired energy chains and tied him up and he was arrested.

Nico: It's over, you sorry excuse for a politician. And Stankfoot's next!

Me: **That's right.**

Nico: Lets go to D.C.

Vypra and everyone in the M.O.E. Came.

Vypra: We saw a HUGE massive explosion out in space! Are you all okay?

Me: **We're all fine.**

Nico: You should have seen what happened.

Nico told them everything.

Dark Spicer: HOLY FUCKING ASSKICKING SHIT! J.D. TOOK THE FULL FORCE OF THE EXTINCTOR EXPLOSION HEAD ON!?

Vanitas: And he lived!? UNBELIEVABLE!

Drakkon: WOW! (Pats my back) You literally saved us all J.D.

Me: **Don't give me a swollen head guys. What I did might have been a big reckless and stupid thing but I had to.**

Nico: I know J.D. And you are a true hero. You risked your life to save everyone.

Qin: He sure did.

Nico: Dammit, I should've saved that line until after the firing squad thing!

Me: **We can still use it.**

We went to the supreme court building in Washington D.C. and Ronson was found guilty of his crimes.

Judge Katie Rockell: You are not worthy of the air we breathe Ronson. For your crimes against the planet Earth you are hereby sentenced to Death by firing squad!

Ronson: NO!

Judge Katie Rockell: I would say May God Have Mercy on Your Worthless Soul but you have no soul at all. Execute him now!

She banged her gavel.

Out in the middle of the square we had rifles ready.

Me: Any last words?

Ronson: I hope Stankfoot kills you all!

Me: Kiss my fucking ass!

Nico: (sighs) Just Black Gate him. I wasted my line!

Me: Nico calm down. What's important is we're all safe. READY!…

We clicked our guns.

Me: AIM!

We had them pointed at his chest.

Me: FIRE!

MULTIPLE GUNSHOT BANGS!

We blasted him all over till he was Swiss Cheese!

He was dead in an instant and his spirit appeared.

Me: You are a monster.

I painted the Judgement Kanji on him.

Me: UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!

He was found guilty by the spirits of the people he killed and was fading away.

Me: Give my regards to all our enemies.

Ronson: DAMN YOU TO FUCKING HELL TEAM LOUD PHOENIX STO… (FADES)

He was gone for good!

Nico: Good riddance. And J.D.?

Me: Uh oh.

I braced myself for the punch.

Nico instead patted my back.

Nico: Good job today.

Me: Thanks man. Just don't hit me.

Nico: I'm not gonna hit you. You saved everyone.

Missy: Me and Claudia are gonna revert back.

They did so and they were back to their clothed forms.

Me: Whew.

Lola: That was a close one.

Jason James: Yeah no kidding.

Claudia: Thanks for saving me guys.

Me: No problem Claudia.

May: You're not hurt are you?

Claudia: No I'm not.

Jason James: What's your favorite memory of Nico?

Claudia: When me and Nico won that Pizza eating contest. We ate 600 pizzas.

Shaggy: (LAUGHS) Like wow! That is the most pizza anyone can eat. Not even I can eat that many.

Me: You have one of the biggest appetites I've seen Shaggy. But Claudia that is amazing that you ate that many pizzas!

Qin: I remember that! That was amazing!

Nico: It sure was. (Hugs Claudia) I've really missed you.

Claudia: Me too Nico. Me too.

Me: Jason I'm sorry you had to see us kill one of your enemies.

Jason James: No worries. I'm glad Ronson is gone.

Me: So is the world and the universe. But Stankfoot is still at large and without a doubt he is pissed that we killed him.

Nico: No kidding.

Jason James: Missy, ever since I met you, I've seen you as a big sister

Missy Rodgers: Really Jason? Oh Jason.

She and Jason hugged.

Me: Aww.

Nico: But wow this had to be the most explosive ambassador mission of them all.

Me: No kidding. (Gets tired) But man I really could use…

FWOMP!

Everyone gasped.

Nico: He's all right. He's just exhausted. That explosion really knocked it out of him. But he earned a good rest from that.

Varie: Good.

Nico: He'll be ready by tomorrow.

May: Trixie, 3 Rabbids, Dan, and Drago should go on your first mission.

Trixie Lulumoon: Oh wow! So my missions are up next.

Qin: Yep they sure are.

Nico picked me up.

Nico: Yeah this will be awesome. Lets go home guys.

We went back home and Nico put me in my bed and I was gonna be out of commission for the rest of the day.

---

Tara and everyone saw what Shanan, Laney and Sunset Shimmer were doing and they were about to unveil an amazing and beautiful painting.

Tara: What are you guys doing?

Sunset Shimmer: Bringing in a painting.

Nico: Cool.

Laney: Shanan, me and Sunset Shimmer made it. You guys are going to love it.

Qin: Lets see what it is.

Shanan: We present to you…

They pulled the tarp off and what everyone saw was an absolutely amazing sight! It was a kingdom of all the worlds of Disney rolled together into one awesome and giant kingdom!

Shanan: Planet Disney!

Everyone was absolutely in awe!

Nalanie Nanthavong: (Laos Accent) That's amazing!

Nico: Wow what a masterpiece!

Shanan: We were working on it for 5 months.

Nico: Incredible! That should belong in a museum too.

Ink Rose: I agree there.

Brittney: Me too.

Squidward: That is an absolutely magnificent painting.

Eli: It sure is.

Shockwave: This is really fascinating.

Shanan: It sure is. We took all the worlds that Sora and us all visited and even all those that we haven't visited and combined them all into one world with Cinderella's castle in the center.

Qin: That is awesome Shanan. You 3 all did a great job.

Nico: You all sure did.

Nicole: I'll say. Well done guys.

Nico put the painting in a protective plastic.

Nico: This is definitely worthy of being in a museum.

Wheeljack: In fact, we should do that now.

Shanan: Good idea.

They teleported to the art museum and Shanan's art was really popular! Shanan, Laney and Sunset got an awesome and popular painting in too. The painting was priced around 500 Octillion Dollars!

It was praised and acclaimed by many art critics and more.

As they were walking by the park they saw something in the lake and it was a Sharpedo!

Maria: It's a Sharpedo!

Nico: Hey cool!

Sharpedo: (In a girls voice) (Australian Accent) And it's good to see you again Nico mate.

Nico: Sheila "Shark" Arthur! Wow!

Qin: Cool! G'day Sheila.

Sharpedo: G'day to you too Qin.

May: Wait the famous underwater adventurer!? That is awesome!

Nico: Yep.

Qin: Awesome.

Nico: Did a fin pop out of your back?

Sharpedo: It sure did mate.

May: Ouch. Many of us know the feeling.

Maria: What's your favorite memory of Nico?

Sharpedo: My favorite is when me and Nico found the lost treasure of the most evil pirate ever to terrorize the oceans.

Nicole: Wait you mean you guys found the lost treasure of Captain Anthrax the Malevolent!? That treasure has been so elusive for centuries!

Sharpedo: That's right mate. Me and Nico found it in a forgotten part of the Great Barrier Reef.

Qin: I remember seeing that. That was awesome.

Nico: Yep. Lets get you back to normal.

Nico covered his eyes and all the boys did too. Nico snapped his fingers and she reverted back and she was a girl with black hair and had blue eyes and had a shark tattoo on her back.

She was naked.

Nico rubbed her back.

Sheila "Shark" Arthur: Ahh. Thanks mate.

The fashion brigade moved in and gave her black clothes.

Sheila "Shark" Arthur: Awesome outfit.

Rarity: It sure looks great on you darling.

Maria: And the midriff top shows your tattoo on your back.

Sheila "Shark" Arthur: Crikey! It sure does mate.

Nico: (Hugs her) I missed you Sheila.

Sheila "Shark" Arthur: Me too Possum. Me too.

Shazza: (Australian Accent) Looks like you aren't the only one that likes to be called Possum huh Ty?

Ty the Tasmanian Tiger: (Australian Accent) That is for sure Shazza.

The previous group came

Overdrive: Can me, Scorcher, Firepower, Evil Star, Key, El Diablo, Toyman, Villamax, Wolf, and Weather Wizard go with you guys?

Yost Living Laser: Me, China White, Volcano Man, Stormy, Emperor Z, Fire Lord, Vomiting Frog Prince, Garble, Queen Cannabis, and Uchoten will come as well.

Nico: Yes you guys can come with.

Overdrive: Boy J.D. really took that explosion head on.

Nico: No kidding there. He really saved everyone.

Xenia: But he is going to be out cold for the rest of the day.

Nico: Yeah no kidding there.

Terrorsaur: Nico, which Gene Slammers do you think you'll meet next?

Nico: Camerupt and Torkoal next.

Qin: Hot ones next.

Lola: Yep.

Camie: Yeah.

Suddenly, a message came in, and King Mickey picked it up and opened it.

Nico: A message, who's it from, Your Majesty?

King Mickey: It's from my friend, Oswald the Lucky Rabbit, in Wasteland. (Reads it, but then, he sees trouble) Oh no, we got to get over there, The Mad Doctor's here, and The Shadow Blot's come back from the dead.

Everyone gasped.

Nicole: Wait the Mad Doctor and the Shadow Blot from your awesome game series Epic Mickey? I love that game!

Lincoln: That's not good. We'll send The Shadow Blot to The Black Gates since he's the major threat, but The Mad Doctor, we'll send him straight to prison, but not after we teach him a lesson for his crimes against Wasteland and the inhabitants.

?: I was just about to say the same thing.

Suddenly, we saw three figures appear at the doorway, it was Oswald the Lucky Rabbit, Ortensia, and Gremlin Gus.

King Mickey: Oswald, Ortensia, Gus?

Minnie Mouse: Oh, it's so good to see you all again. We just got your message, and we were just on our way.

Oswald the Lucky Rabbit: Sorry for the surprise, gang. But, we've also experienced our own kind of trouble with The Mad Doctor and The Shadow Blot, but we've rallied everyone to stand up to The Mad Doctor and destroy The Shadow Blot for good.

Ortensia: They've done enough damage to Wasteland, now we need to stop them for good.

Nico: And that's exactly what we intend to do.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Maygina, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When everyone saw it, they knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Maygina of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Maygina, right, Melanie?

Melanie Hazeltucker: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Amber Blakeley: While you and Nico destroy Maygina and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to head to Wasteland and take down The Mad Doctor and destroy The Shadow Blot once and for all.

Lincoln: The Shadow Blot will pay for his crimes against all of Wasteland, and The Mad Doctor will be sent to prison for good for his crimes, and once we get done sending The Mad Doctor to prison and The Shadow Blot to The Black Gates for good, you better be ready to die, Maygina.

Melanie Hazeltucker: You better be ready to die, Maygina, because a fierce storm's coming to tear you apart and scatter your miserable remains to the depths of Oblivion.

Scorcher: I think we're missing something.

China White: We are. This is the part where JD's clone appears as a backup plan since the real one is out cold.

POOF!

Me clone: Someone call?

Nico: That is more like it!

Me: Sorry he was delayed by a few minutes. Still working out the bugs on it.

Nico: Oh no worries.

Disk Wars Deadpool: (to the viewers) You didn't think we'd forget about Epic Mickey, did ya?

Jamesdean5842: Thought never came to me.

Qin: But that is an awesome game though.

Evil Star: Let's get a move on.

Stormy: Wait! We don't even know where it is.

Mickey: I do. It's in the world of Epic Mickey. Let me show you.

Me: I think I know how to get there.

I opened a portal and we were off to the world of Wasteland.

* * *

We arrived in the world of Wasteland.

Mickey: Here we are. Welcome to Wasteland.

Qin: Wow!

RD Lola: This doesn't look like a wasteland.

Nico: No that's its name. Wasteland is where we are now.

Lola: Oh.

Nicole: Cool place though.

Vomiting Frog Prince: I think I know where it got its' name.

Toyman: It's a world for various retired or rejected Disney ideas and theme park areas, as well as old Disney memorabilia.

Me: That's right.

Nicole: It's sad but it's awesome still.

Xenia: Yeah over the course of Walt Disney and Walt Disney World's time these are all really awesome attractions and more.

Nico: Yeah it sure is sad.

Laxus: Oswald, don't take this the wrong way. But is it true that you held some bad feelings towards Mickey before?

Oswald: (Sighs) Yes it is.

Me: Uh oh. I sense an accusation coming.

Eli: Me too.

Oswald: Like how Mickey left me behind!

Mickey: What!?

Oswald: You forgot about me!

Mickey: No I didn't!

Billy: Are you done complaining? You're not really innocent either.

Oswald: Is there something you want to share from your tiny brain, Billy?

Billy: All that time, you didn't even try to come back to Mickey. He still would've taken you.

Mandy: Billy's right. Ever consider that Mickey never meant to leave you behind all those years?

Grim: You know you screwed up when Billy's making sense.

Wolf: Take it easy, guys. Put yourself in Oswald's shoes. You would've held some bad feelings towards Mickey as well if you had been stuck here for God Knows how long.

Oswald: You're defending me?

Uchoten: We're seeing it from both sides. Mickey may have forgotten about you. But he had other things on his plate. Or maybe, you forgot that Xehanort was causing havoc across the worlds.

Me: Yeah Xehanort was going to destroy the entire universe and recreate it in his own universe and he had to stop him.

Qin: Yeah!

Oswald: Oh man. I forgot about Xehanort.

Loud House Taylor: So yeah. You thought Mickey forgot about you? He was out risking his life.

Me: That's right.

Qin: Yeah it was dangerous. The universe was in danger and you were too.

Lola: We couldn't sit by and watch as the universe was about to be destroyed.

Me: That's right.

Nico: I agree there.

Weather Wizard: You owe him an apology.

Queen Cannabis; And then, you should tell us more about the Blot.

Oswald: You're right. I'm sorry Mickey.

Mickey: It's all right.

Oswald: Now here is the Blot.

He told us all about it.

---

The Shadow Blot, also known as just the Blot, is the main antagonist of the video game Epic Mickey and the posthumous overarching antagonist of Epic Mickey 2: The Power of Two.

He is a mixture of paint and thinner that was accidentally created by Mickey Mouse. He is considered to be an alternate form of the Phantom Blot. However, there is almost nothing to prove this except for his color and similar name.

His vocal affects were provided by Frank Welker, who also played Megatron in Transformers: Prime, the singing voice Percival C. McLeach with Joanna the Goanna in The Rescuers Down Under, Stripe in Gremlins, and Rhino in James and the Giant Peach.

Nobody is given much hindsight of the Blot's personality, but it is shown to be ruthless in its goals to escape Wasteland and enter the Cartoon World, kidnapping Oswald and Gus and bargaining for their lives for Mickey's heart, the only thing the Blot needed to escape Wasteland. In The Art of Epic Mickey, it is revealed that the Blot craves love, a shape, completion and an audience like other toons, as it was denied these things at birth; it even goes as far as to say that the Blot "isn't evil by itself". However, it then says that "the Blot pursues these goals ruthlessly", meaning the Blot isn't afraid to kill to get what it believes it deserves. Its personality is actually similar to both Mickey's and Oswald's personalities, seeming to reflect Mickey's carelessness and irresponsibility (as Mickey not only created the Blot but left it in Wasteland and pretended it was a silly memory), and also seems to reflect Oswald's resentfulness and craving for fame, as both hate Mickey due to some reason - Oswald hates Mickey cause he believes Mickey stole his life, while the Blot hates Mickey because he abandoned him, and both seek popularity and fame. The difference between the three, however, is Mickey has learned to control his irresponsibility and Oswald isn't willing to destroy everything in his path to reach his goals of becoming popular again.

Past

Mickey found Yen Sid while he was creating the Cartoon Wasteland for Oswald and other forgotten cartoons. After Yen Sid was finished and put down his magical paintbrush, Mickey used it to attempt to create a statue of himself out of Paint, it started to drop so Mickey kept adding more and more Paint until the statue came alive as the Blot and attempted to attack Mickey before Mickey attacked it with Thinner and sucked it into a sponge, Yen Sid was coming back so Mickey quickly escaped, not noticing the Blot survived and leaped out of the sponge into Wasteland.

After that, the Blot entered the Cartoon Wasteland and began attacking and devouring the residents. Not willing to give up, Oswald, Ortensia, and other forgotten toons started fighting back against the Blot, commencing the Blot Wars.

Sadly, despite their efforts, the Blot wins, partially due to the Mad Doctor's betrayal. However, Oswald and Ortensia refused to give up and attempted one final assault on the Blot on top of Mickeyjunk Mountain, managing to successfully trap it in Yen Sid's Thinner bottle that also dropped into the Wasteland. However, it didn't come without sacrifice, as before his entrapment, the Blot sucked Ortensia of all her Paint, leaving her a lifeless statue frozen with fear and leaving Oswald depressed, however, the Blot's Prison Bottle wasn't completely sealed, allowing drips to escape and become the Blotlings, the most powerful of them being the Shadow Blot.

Epic Mickey

For most of the game, the Blot remains trapped in the Prison Bottle on top of Mickeyjunk Mountain.

However the Shadow Blot rallies the Blotling army and attempts a full-scale assault on the Mountain in an attempt to free the Blot, Mickey either erases or redeems the Shadow Blot and helps Oswald fix the cork. Oswald then reveals the Shadow Blot that Mickey fought was actually not the real Blot, just a drip of it.

Mickey and Oswald then are about to shake hands when Mickey then reveals he is the one who created the Blot; Oswald, completely enraged, gets on top of the cork and wishes to fight Mickey, however, his weight causes the cork to crack and break, freeing the Blot who then kidnaps both Oswald and Gus, holding them for ransom for Mickey's heart. Mickey, not wanting them to die from either suffocation or the Blot crushing them, gives up his heart. The Blot then gives up both Oswald and Gus before cackling and creating the Bloticles which began absorbing all the Paint in Wasteland and feeding it to the Blot.

Oswald becomes even more depressed, stating that as long as the Bloticles feed the Blot Paint it can regain its strength. However, Mickey reassures Oswald that he will deal with the Bloticles while Oswald repairs the rocket, Oswald regains hope and goes to repair the rocket while Mickey goes to fight the Bloticles, which are being protected by the Blotling army.

Once Mickey deals with the Bloticles and helps Oswald finish the rocket, he, Oswald and Gus fly towards the Blot, Oswald making a plan to head straight towards Mickey's heart and use the self-destruct to destroy the Blot, Gus exclaiming that it's going to hurt, however, the Blot summons 2 Bloticles which began sucking the Paint out of the rocket, which was made out of Paint due to budget issues, causing it to crash into Dark Beauty Castle, however, Oswald makes up a plan to use fireworks to destroy the Blot once and for all, requiring Mickey to set them up.

Once Mickey reaches the first tower to set up the fireworks, the Blot arrives and attempts to stop him, however, Mickey prevails, the light of the crystal forcing the Blot back and making it retreat, this happens a second time at the second tower, however, the Blot strangely doesn't appear at the third tower, allowing Mickey to set up the rockets in peace, however, the Blot figured out Mickey's and Oswald's plan and destroys the tower Mickey was going to use to get back to Oswald and Gus, a shockwave making the crystal drop, Mickey heads toward the crystal, however, the Blot appears and causes Mickey to fall into a hole in an attempt to kill him, however, Mickey survives.

Once Mickey meets back up with Oswald and Gus, the Blot grabs Oswald and absorbs him before capturing and absorbing Gus as well, Mickey then prepares for the final battle as he jumps into the Blot.

Mickey saves Gus from the Blot's grasp who then helps Mickey reclaim his heart, which is being protected by 3 Bloticles, Gus reveals that the Blot is using Mickey's heart to eventually become powerful enough to escape Wasteland and bring his terror to the

Cartoon World, Oswald is also trapped however Gus tells Mickey that destroying the Bloticles will allow Oswald to break free.

Gus becomes sad however when he finds that some of the Bloticles are protected by Lost Characters, forgotten toons essences that were absorbed and devoured by the Blot, once the Bloticles is destroyed the Lost Characters melt away, Gus hoping that they returned to normal.

Once all the Bloticles are destroyed the 3 Bloticles relieve Mickey's heart, greatly weakening the Blot, Oswald grabs it before hesitantly giving it back to Mickey, he then uses the remote control to launch the fireworks, finally destroying the Blot and ending its reign of terror on Wasteland and ending its threat to the Cartoon World forever.

The Blot's defeat causes Paint to rain everywhere, not only returning Dark Beauty Castle back to normal, but also reviving Ortensia, Oswald overjoyed, it's defeat also sends Mickey back to the Cartoon World where Yen Sid finds him.

## Epic Mickey 2: The Power of Two

Due to its destruction in Epic Mickey, the Blot does not appear in Epic Mickey 2: The Power of Two, however it's creations, the Blotlings, still appear as common enemies, there is also a location named after it: Blot Alley, where most of the Blotlings live, also the Mad Doctor's latest creations: the Blotworx, are also a fusion of the Blot's name and Beetleworx, a hole in the wall of the cinema that is also in the shape of the Blot's face.

The Blot briefly appears in the prologue during one of Yen Sid's flashbacks of Mickey's heroic deeds.

The Mad Doctor then reveals that the reason he turned himself into an Animatronic in the first game was because it was an attempt to control the Blot since Cartoons need Paint to live, becoming inert without it, which the Blot absorbs daily, while Animatronics don't need Paint and thus could get close to the Blot without risk of becoming inert.

## Legacy

Even after his defeat the Blot is mentioned daily in Wasteland, an entire ally was created in his likeness by Prescott and his Blotlings still wander around without a leader, attacking whatever they see.

When he was done we were shocked and horrified!

Qin: Whoa man!

Xenia: Not good!

Kerchak: That's nothing like the Phantom Blot in the Masters of Evil.

Me: No it isn't.

Qin: Thank goodness.

Nico: Now what about the Mad Doctor?

Me: Sounds like he is the one from the old Disney Monochrome era.

Mickey: That's him.

He told us about him.

The Mad Doctor, named Dr. XXX in the cartoon, is an evil scientist from the world of Disney, a parody of the popular mad scientist archetype.

He is the main antagonist of the 1933 Mickey Mouse animated short "The Mad Doctor", one of the two secondary antagonists in Epic Mickey (alongside the False Shadow Blot) and the main antagonist of Epic Mickey 2: The Power of Two. He wants to attach Pluto's head to the body of a chicken in order to "find out if the end result will bark or crow or cackle".

He was voiced by the late Billy Bletcher in the original cartoon, and Dave Wittenberg and Jim Meskimen in the Epic Mickey games.

In the animated short he debuted in, the Mad Doctor kidnapped

Mickey's beloved companion Pluto and planned on conducting a grotesque experiment involving removing Pluto's head and reattaching it to a chicken's body - Mickey fights his way through a series of traps to save Pluto only to end up strapped to a table himself with a buzzing saw.

Mickey then awakes in his bed with a bee buzzing around, it turns out the entire event was a nightmare.

The Mad Doctor would return many years later as one of the main antagonists of the video game Epic Mickey, where he inhabits a world of forgotten characters that have been warped by the influence of a demonic version of the Phantom Blot. Unlike the Mad Doctor of the animated short, this one is very much real and provides a true threat to Mickey during his adventure. In Epic Mickey he created a whole army of robots called Beetleworx, they are machines covered in paint for protection. He is also responsible for taking away animatronic Goofy, Daisy, and Donald.

The Mad Doctor also appears as a boss in the video game Mickey's Wild Adventure, where one of the levels is based on the Mad Doctor's castle - inhabited with macabre enemies such as bats and animated skeletons. At the boss level to get to the mad doctor you have to destroy his Beetleworx machines and his Beetleworx army a cutscene pops up. Mickey and Gremlin Gus is face to face with the mad doctor to only find out he his animatronic in which to means he cannot be thinner out. He explains his plan was when the phantom blot sucks all the paint in the wasteland only the animatronics will survive and I will rise to be their king after saying that Gus takes the last missing rocket piece, in which the mad doctor blasts out of the wasteland.

Epic Mickey 2: The Power of Two will return Mickey and his brother Oswald against the Mad Doctor. The story starts off that all the forgotten cartoons fixing up Mean Street until an earthquake began, and out of the quake is the Mad Doctor. He tries to make up with Oswald to try to redeem himself. He ends up him singing the song "Help Me Help You" making Oswald accept his apology. Of course, Gus and Oswald's girlfriend Ortensia seeks out Mickey for help. In the game, the Mad Doctor has invented a new Beetleworx that he calls a Blotworx. In the first game there were Beetleworx and

Blotlings somehow these two got together. The Blotworx is basically a Beetleworx with a spatter inside controlling it. One boss level there is an animatronic Elliot the dragon from Disney's electrical parade, it's connection with the mad doctor is that it is a blotworx.

The Mad Doctor was explained by film critic Mat Brunet in "The Epic Mickey Files"

As his name suggests, the Mad Doctor is murderously insane and takes much joy in causing harm to others, but makes up for it by being a scientific genius. His work always consists of dark cutting machinery and various other contraptions, most of which are used in his deadly experiments; though some of his gadgets have served a purpose as the Beetleworx was at one point a construction crew. In Epic Mickey, his personality is expanded; though insane, he is also very conniving and manipulative, as he uses the jealousy of Oswald to distract Mickey while he works closely with the Shadow Blot (who he is also using for his own purposes). It is even shown that when he is working for Oswald in Epic Mickey: Tales from the Wasteland that while seemingly trying to help the rabbit, he is, in reality, waiting for the right time to double-cross him and take control of Wasteland.

In the original cartoon, Mickey hears Pluto yelping for help in the middle of a stormy night. He looks out the window to find that Pluto is being kidnapped by a man in a black cloak. Mickey follows them to a castle. Unfortunately, Mickey loses them and travels through the mysterious castle to save Pluto. While Mickey is searching, the man in the cloak reveals himself to be a mad scientist to Pluto. He also shows his plan to attach Pluto's head to the body of a chicken to see if it will bark, crow, or cackle. Soon enough, Mickey arrives but is strapped down and captured. The Mad Doctor decides to eliminate Mickey by experimenting on him. Just when Mickey is about to meet his demise, he awakens in his bedroom. It turns out, that it was all a nightmare as Pluto jumps into Mickey's bed and licks him multipile times.

The Mad Doctor appears as a boss in level 2 having Pluto kidnapped, he can be beaten by throwing the marbles or jumping over him, he'll throw poison as a kind of attack, once defeated, Pluto is rescued.

In Mickey's Wild Adventure he accidentally turns himself into a baby after Mickey defeats him and rescued Pluto.

Years ago, when the Mad Doctor arrived in Wasteland, his immediate priority was to seek power. Becoming a close partner to Oswald, he constructed the Beetleworx as a construction crew to help improve the land as new arrivals came in. But when Mickey created the Shadow Blot and the Blot Wars began, he quickly switched sides and became the Blot's closest ally. He offers the Blot the opportunity to become a beloved cartoon star in his own right (the desire of all cartoon characters) and sets his plot into motion to drag Mickey back into Wasteland and set him and Oswald against each other. He is later shown to be an animatronic, (this is so when the Blot sucks the paint out of Wasteland) only the animatronics would survive, and he would be their ruler. After a battle with Mickey, the Doctor is shot up into the sky on his machine and isn't seen for the rest of the game.

In the sequel, the Mad Doctor has shown his face again in Wasteland, claiming he had a change of heart and is now ready to help the other toons rebuild Wasteland after the recent strings of earthquakes. After making his grand re-entrance in Mean Street, he manages to gain Oswald's ear again and begins telling him of how he plans to help repair Wasteland and warning him of the Blotworx, creatures born of a Spatter fused with the mechanical parts of a Beetleworx. However, not believing the Mad Doctor's story, Gus and Ortensia successfully reach out to and call Mickey back to Wasteland to help with the Mad Doctor.

Throughout the game, the Mad Doctor speaks mostly in song and has been singing about how he wishes to change back from animatronic to toon (he did so because he wished to control the Blot). He is in a race against time as his animatronic parts are beginning to break down. After Mickey and friends defeat the grumpy and stubborn gremlin Prescott, the Mad Doctor and one of his Beetleworx appears with Animatronic Daisy, her Blotling cameraman, and Pete, surprising the group before his Beetleworx hypnotizes Prescott into taking the fall for everything that had happened. After, he announces his plans to build a new attraction in Wasteland to lift everyone's spirits after everything that has

happened.

However, as Mickey and Oswald discover later, his good acts were all a ploy for his true motives: to become a toon again and leave Wasteland to destruction. While traversing through the World of Evil projector, the doctor reveals (in the song) that he survived his last battle and crash-landed in the Disney Gulch, beginning to the scheme of his revenge against Wasteland. He created the Blotworx to be his new army but had to outcast them because of their unpredictable and irrational nature. They discover more of the doctor's plans after discovering his old attic from Lonesome Manor. While he caused Prescott to turn on his friends, he had him build a television (similar to the one Gus uses to call Mickey) to broadcast his show to the cartoon world. While he also used guardian siphons to pull the guardians out of Wasteland, the REAL reason for Wasteland's recent earthquakes, he would use them to become a toon again and he would be able to leave Wasteland after the cartoon world remembered him enough so he could escape.

Mickey and Oswald used a projector in the Mad Doctor's Attic to go back to Mean Street in time where the doctor's scheme was already in motion and he used his new attraction to trap Ortensia, Clarabelle, and Horace. He then gave the heroes an ultimatum: give him the brush so he could become the most powerful villain in the cartoon world or watch as he would destroy Wasteland and thin out their friends. With help from Oswald, the heroes chose to fight and successfully defeated the doctor. There are two endings to the battle (something unlike that happened with the Blot).

In the Paint ending, after Mickey sprayed paint on his face to save Oswald, the doctor has a change of heart and uses rocket shoes to propel himself and them back towards Mean Street. After Ortensia, Clarabelle, and Horace are free, he then asks how they could have the heart to save him after all he did, to which Mickey and Oswald tell him that's what "heroes" do, the same reason he saved them. Hearing this, he then understands what true respect comes from (not from power, but from courage and love) as the Guardians react to this and convert him back to a toon. He then thanks Mickey and Oswald and exclaims that he will truly be good again. He is last seen as a truly reformed toon on a parade float with Mickey, Oswald, Ortensia, and Gus in the end. In the Thinner ending, Mickey frees Oswald from the Mad Doctor's clutches when he tried to save him and they are blasted back to the surface of Mean Street as he falls into the thinner below.

Kingdom Hearts III

The Mad Doctor appears in the Classic Kingdom mini-game with the same name. The player must control Sora while rescuing Mickey from The Mad Doctor's castle. Sora has to avoid chainsaws, skeletons, bats, burn the rope attached to a giant spider, and climb a different rope while dodging skulls to reach the goal.

Flare Corona, Sunset Shimmer, Pipsqueak, Fire Skylanders, Wingfeather Kids and Girl Jordan, Sasame Fuma and RD Lola vs Mortal Kombat Scorpion - Meeting the Embodiments of Sabella, Durendal, Falchion, Solomon and Storious

---

Mortal Kombat Scorpion was next.

Mortal Kombat Scorpion: (to Flare Corona) I heard you guys met the the Embodiments of Sabella, Durendal, Falchion, Solomon and Storious. What are their names?

Flare Corona: Their names are Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious and they are amazingly strong and powerful.

Sunset Shimmer: They sure are and they are really amazing and powerful and skilled too.

Pipsqueak: (British Accent) Their story is awesome too.

---

Nico: Yep. So, Reagan Shindai, Rebecca Shindai, Brianna Fukuhara, Isabella Solomon, and Michaela Storious, what's the story on why you girls hated Lori, Lynn, Lola, and Luan with a burning passion?

Michaela Storious: Oh, you're not going to like hearing about this one bit. One day, Reagan, Rebecca, Brianna, Isabella, and I were with Lincoln, along with Taylor, Rachel, Kenzie, Reika, Raelynn, Tamara, Hailey, and Sayaka, the other Kamen Rider Saber embodiments, and we were at our gym doing some training. But, then, we heard the sound of two banshee screeches, homicidal laughter, and the sound of a loud burp, and Lincoln knew who they were: Lori, Lynn, Lola, and Luan. Sure enough, the doors burst open, and there they were: red eyed, crazy, and out for blood again.

Brianna Fukuhara: We knew it would be quite a messy fight, since it was Reagan, Rebecca, Isabella, Michaela, Lincoln, Taylor, Rachel, Kenzie, Reika, Raelynn, Tamara, Hailey, Sayaka, and I against only the four of them. But, Lori, Lynn, Lola, and Luan charged at us with wrath and blood-crazed hatred at us, however, we were ready and we fought against those four easily and we won.

Rebecca Shindai: Then, Lincoln fired elemental energy blasts which turned into straitjackets and tied those four up, and then, he beamed them back to The Loud House, and let's just say as soon as we got back from our gym, Luna herded Lori, Lynn, Lola, and Luan into a huge metal box. Lynn roared and tried to beat down the door with her fists, but then, Nicholette Torrington flipped those four the bird, and that caused Lori, Lola, and Luan to scream with bloody revenge and Lynn to roar again and beat her chest like a gorilla.

Reagan Shindai: Honestly, Nicholette was taking some really huge risks giving the bad Loud sisters the bird.

Isabella Solomon: She sure was, but she didn't care what kind of terrible harm those five are capable of, and the same goes for the rest of us: no one's going to hurt Lincoln ever. Plus, we heard you got rid of the very person responsible for the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: Yep, it was Principal Huggins' Dark Side, Killjoy Huggins, he turned Lori, Lynn, Lola, Lisa, and Luan into monsters with that Dark Side Creation Serum years ago, just because of his hatred of me. We destroyed Killjoy Huggins and ended the very source of the pain and suffering I've had to endure for years, and destroyed the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan for good.

Brianna Fukuhara: I always knew Killjoy Huggins was a heartless jerk, but that, oh, that just proves he was The Devil Incarnate of Michigan.

Nico: Along with being a hated monster who wants to ruin Lincoln's life at every opportunity, he was a heartless opportunist.

Lincoln: Now, that's a word we haven't called Killjoy Huggins before.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Melanie Hazeltucker.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Melanie Hazeltucker and Nico went after Maygina who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, dark blue and sea foam green energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Maygina and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Maygina, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Maygina took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Maygina began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Eli: Watch it, you guys, now Maygina has transformed into his King Ghidorah Hybrid Monster form.

Maygina fired a Gravity Lightning blast at Melanie Hazeltucker and Nico who dodged it.

Lincoln: Melanie, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Maygina from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Maygina and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Maygina into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Melanie, let's end this asshole for good.

Melanie Hazeltucker: (Divine Echoing Cosmic Voice of The Furious Thunderstorm Phoenix Elemental HERO Storm Neos Angel and Divine Draconic Phoenix Furious Storm Neos Love) You got it, Nico.

Melanie Hazeltucker and Nico sent Maygina flying into the air, and then, they prepared their combo to put an end to Maygina.

Melanie Hazeltucker and Nico: DRACONIC PHOENIX ELEMENTAL HERO STORM NEOS KAMEHAMEHA!

Melanie Hazeltucker and Nico fired two massive dark blue and sea foam green energy Kamehameha waves with lightning, dragons, phoenixes, and lightning angels which hit Maygina, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Melanie Hazeltucker and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Melanie Hazeltucker and Nico holster their massive greatswords on their backs and powered down, and Melanie Hazeltucker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, and massive dark blue angel wings are permanent.

Melanie Hazeltucker: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-seven members to go. Thanks for helping me destroy Maygina once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Melanie.

Suddenly, Melanie Hazeltucker wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Melanie Hazeltucker's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Elemental HERO Storm Neos flying in the air, and we saw many animals running across the field, along with elemental forces and lightning striking behind them and we cheered wildly. Then, Nico and Melanie Hazeltucker absorbed the storms and lightning and they came back to us as the display and Elemental HERO Storm Neos vanished.

Eli: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Melanie.

Nico: Thanks, Eli, and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Pennhua, which means you're up next, Rhonda.

Rhonda Hazeltucker: Yeah, we'll make Pennhua pay.

Nico: We sure will. Say, Lincoln, who are you planning on meeting on your rescue tomorrow?

Lincoln: Good question, Nico.

Suddenly, the Kivats of Wataru Kurenai, Otoya Kurenai, Taiga Nobori, Masao Kurenai, Keisuke Nago, Kengo Eritate, and Jiro were starting to glow.

Wataru: I think I know who we're meeting tomorrow, the embodiments of Kamen Rider Kiva, Ixa, Saga, and Dark Kiva.

Lincoln: That's right, Wataru, but they're not the only ones, there's also the embodiments of Kamen Rider Rey and Kamen Rider Arc, but they absolutely hate and despise Takato Shiramine and Takashi Sugimura.

Eli: They're not the only ones who hate those two, we do as well.

Nico: You got that right, and I'll be in for one major surprise if the Kamen Rider Kiva embodiments are related to Wataru and his team, along with King, Takato, and Takashi.

Lincoln knew Nico was about to be proven right, and I knew that as well.

Xigbar: Looks like the Blot's gone splat!

Hydros: He sure has!

Stratos: (to Oswald) I hope you've learned something from all this.

Oswald: Believe me. I have.

Lythos: Good to know.

Pyros: How about we have the victory party here?

Me: Good idea.

Nico: I agree. Great job today everyone.

Shanan: Thanks. (To the viewers) This was an awesome artful adventure.

Me: Boy it sure was.

We later went back home and enjoyed the rest of the day and went to sleep.

But, now Adolphus has come back, and now, he wants revenge on the Ghosthunters Club, but Lincoln's going to rip that werewolf to shreds: a battle between The Elemental Werewolf Angel of Justice and The Evil Werewolf of Terror. They've also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Victoria a tiara with the Kamen Rider Kiva symbol on it and necklace with Kamen Rider Kiva symbol for the pendant, and to show thanks, she kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night. She's also the sister of Wataru Kurenai A.K.A. Kamen Rider Kiva, and she hates Lori with a burning passion.

And I've got something for all of you, I call these Destroyers of The Shadow Blot, they're a collection of massive greatswords with embedded colored gems and the Anti-Shadow Blot symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored phoenix heads and large colored gems on the bottom of the phoenix heads for the pommels, and there's also blasters and spellbooks included with the greatswords. # Revenge of the Cocoon Eating Alien

This chapter is a sequel to the Teen Titans episode Transformation

---

In my room at 8:10 AM, I was waking up.

Me: (YAWNS) Man that was a long rest.

Spike: Morning J.D.

Me: Oh Morning Spike. Man I feel like I got hit by a comet coming in at 900,000 miles per hour. How long was I asleep?

Spike: You were asleep since Missy completed her final ambassador mission and you missed a really awesome mission too.

Me: Wow. That explosion really took it out of me. I'll have to hear all about it.

I went and got dressed and got ready and went down to the table.

Nico: Morning sleeping beauty.

Me: Morning guys.

Nico gave me pancakes and sausages.

Nico: We have quite a story for you.

Nico and everyone told me everything as I was eating.

Me: (Gulps) Whoa! That is amazing! So you guys went to the world of Epic Mickey and destroyed the Blot and defeated the Mad Scientist.

Qin: We sure did and it was awesome.

Eli: Yeah it sure was.

I was eating a lot and reading the newspaper too. Ronson's defeat and execution for treason and attempted genocide and total annihilation was all over the front page and it was big news all over the planet and more.

Chuck: But that is cool that he loves chickens too.

Shanan: Thanks dad. It took a long time to make.

Laney: But it was worth it too.

Camie: Yeah it sure was.

Xenia: But Mickey going to Wasteland was awesome.

Me: It sure was.

Nico: Though I think Oswald holding a grudge against Mickey was very harsh.

Me: Yeah I agree. But Mickey couldn't help it. The world was in terrible danger.

Qin: I agree there. Xehanort was a threat to all.

Nico: Yeah.

Qin: That was an awful accusation though.

Nico: And it surprised me that Billy was the one who called Oswald out on it. You know you screwed up when Billy of all people starts making sense.

Me: I know that feeling.

Xenia: Yeah.

Me: More of Billy that we underestimated.

Laney: That's right.

Me: Yep.

Nico: We're here.

We saw that the planet and it looked like a brown planet that made it look like a mountain world.

May: I wonder what planet this is.

Me: From up here it looks like a mountain world.

Nico: Lets head down.

We went down to the planet and landed and to our amazement and astonishment we saw that it was a world made of piles and piles of GERMANY BRATWURST AND SAUSAGES!

Nico: WHOA!

Qin: A sausage and bratwurst planet!

Yusei: No one has a problem with sausages, do they?

Girl Jordan: Not at all!

Qin: Oh wow!

Me: Lets get to eating and cooking!

Xenia: I agree!

We got to cooking and man did the sausages smell and look great.

Camie: Boy these look awesome.

Nico ate one.

It was a Nurnberger sausage and it was delicious!

Me: (Eats a Jalapeño Cheddar German Sausage) MMM! That is delicious!

Xenia: (Eats Polish Sausage) Mmm! Spicy and yummy!

Camie: (Eats Bratwurst) Mmm! Delicious!

Me: Boy Hunter and our teammates from Germany would love this planet!

Maria: Let's bring some to them.

Me: Good idea.

Qin: I agree there.

Xenia: Yeah.

We loaded up some containers full of sausages for the.

Nico: Now lets get down to business here. I think I know why were called her.

Me: Don't tell me. The Vengeance Express Kids are back and they want to kill the Eds.

Nico: Bingo.

May: Like Hell they are!

Me: They will be coming for us. But we'll be ready for them.

Camie: Yeah we sure will.

Girl Jordan: And we have a bunch of surprises ready for them.

Leni: I'll totes bash their heads in with a crowbar!

Nico: Nice.

Maria: Let's be on guard.

Eli: (Concentrates) I sense them! They are coming at us 500 yards to the north and they are really pissed!

Nico: Uh oh!

Qin: This is gonna be good.

Leni got a crowbar out!

Nico: This is gonna be good!

Me: Hope they wrote their wills.

Nico: Eli, sense for Swartz's creations too

Eli sensed for them. He found 2 of them.

Eli: Found them. 700 klicks northwest.

Nico: It'll be a while before they get here.

Eli: They are Another Ghor and Another Mysterio.

Camie: Oh boy. This will be interesting.

Me: Here we go. I got some funny things in store for the Vengeance Express Kids.

Nico: Can't wait.

Maria: Here they come!

We saw them!

Vengeance Express Sarah: "Ed! You give Jimmy his candy back!"

Vengeance Express Rolf: "You have made a mockery of Rolf's fungal festivity!"

Vengeance Express Jonny: [holding Plank in the air] "Plank's pressing charges, you bully!"

Vengeance Express Kevin: "Who's coughing up to fix my bike?"

Vengeance Express Jimmy: "Oh, I'm gonna give 'em such a pinch!"

Vengeance Express Nazz: "Dude, count me in!"

Me: Come get some buttfaces!

Qin: YEAH!

Vengeance Express Sarah: ED I'M GOING TO KILL YOU AND THEN KILL EVERYONE YOU KNOW!

Xenia: Bring it on!

Nico threw a firecracker. It landed on Jonny's head and then..

POW!

It burned him.

Me: A firecracker?

Nico: Hey it was the best I could do to start us off.

Me: Try this on.

I pulled out my Wonder Ride Book.

Me: (READS VERSE) "As the Vengeance foes got closer to the heroes they fell into a putrid stinky sludge pit and it was so sticky and smelled horrible that they hurled their guts out and one of them even hurled onto one of the girls."

The Vengeance Express 6 fell into a manure pit and the smell was so bad that Rolf hurled his guts out all over Nazz!

Nico: OH SICK!

Maria got out a tarantula.

She flew over and put it on Jimmy's face and then he screamed like a LITTLE GIRL!

Vengeance Express Jimmy: (SCREAMS LIKE A LITTLE GIRL!)

We laughed hysterically!

Qin: (LAUGHS) THAT IS FUNNY!

Nico: (LAUGHS) SO FUNNY!

Maria took the spirit and put it back in a cage.

Me: Watch this.

I took out a bunch of chairs and used my tails to hold them. I went over to Rolf and then.

WHAM WHAM WHAWHAWHAM WHAWHAWHAWHAWHAHWAHWHAWHAWHAM!

I smashed them over Rolf like the intro tune of Down Under by Men At Work!

Rolf screamed in excruciating pain!

Qin: OUCH!

Xenia: (LAUGHS) THAT WAS FUNNY!

I ran fast and made the Vengeance Express kids dressed up in all the things to attract sea bears!

Nico: Calling all sea bears!

Nico had numerous SEA BEARS come and they mauled the kids all over the place!

They came back again and again and mauled them all over over repeatedly!

Nico: Ouch.

Chuck Cheetah: Top this! SPEEDING CHEETAH!

He had cheetah spots and fur and ran fast and beat up all 6 of the kids and really mashed them all over.

Nico: Awesome!

Me: Cool!

May whistled and a gorilla appeared.

The Vengeance Express 6 are screaming. The gorilla grabs the scared kids, puts them in a bag, and repeatedly beats them! The kids are still screaming while the gorilla beats them. The gorilla hits the Vengeance Express 6 using a chair, then beating them some more. The gorilla is still beating up the sack and it also does things like dribbling the sack and bouncing on it like it's a ball!

Me: Get them!

Fluttershy: Yeah!

Nico: That was funny!

Lily: That was awesome.

Maria whistled and a crocodile appeared

But it wasn't just ANY crocodile.

TICK TOCK TICK TOCK TICK TOCK TICK TOCK TICK TOCK!

Me: Is that Tick Tock?

Maria: Yep.

I dumped barbecue sauce, mustard and sausages all over the vengeance express 6.

Me: (RINGS DINNER TRIANGLE) COME AND GET IT!

Tick Tock slurped and ate the 6 kids.

Nico: Good boy, Tick Tock!

Tick Tock belched!

Me: Good boy.

Tick Tock was stuffed.

Maria: You loved that didn't you.

Tick Tock nodded. Then he went back home and he was satisfied.

Nico: That was awesome and funny.

Me: He's gonna have to throw them up throw when he returns.

Nico: Oh boy.

Qin: Gross.

Nico: We're not done yet though.

Me: Nope.

Lola: This is gonna be awesome though.

Eli: The Another Ghor is coming. 5 klicks to the North.

Me: Be ready.

We then saw something coming.

Nico: There she is!

We saw a figure come and it was a dark version of Ghor! It was ANOTHER GHOR!

Qin: Whoa! Another Ghor!

Lola: This one is a hot one.

Another Ghor: (In a girls voice) Glad you like how I'm hot.

Sora Phaaze: Wait that voice.

She reverted back and it was another member of the Order of Phaaze. It was a girl with aqua blue hair and blue clothes and had blue bat wings.

Sora Phaaze: (GASP) Zinnia Zebes!

Zinnia Zebes: Awesome to see you again Sora and you as well J.D.

Me: You too Zinnia.

Nico: Wait your last name is Zebes. That was Samus's home planet when she was adopted by the Chozo.

Zinnia Zebes: That's right Nico. And I take it you know about what happened there.

Me: We sure do. Zebes was completely blown to space dust when she destroyed Mother Brain.

Laney: Triggered a chain reaction which blew entire planet up.

Zinnia Zebes: That's right.

Nico: Yeah, well, Samus really didn't have a choice.

Qin: Blame Ridley and the Space Pirates for that.

Zinnia Zebes: I know. But that's why the Order of Phaaze was formed, to destroy the Space Pirates forever.

Lola: That is a huge cause for them.

Nico: Yeah.

Me: We know Another Mysterio is coming. Is it friendly or hostile?

Zinnie Zebes: Friendly and you're going to be interested about this one.

Me: I have a feeling I will be.

Sunset Shimmer: Let's do this.

Zinnia Zebes: Gladly.

She turned back into Another Ghor and fired a Plasma Beam and Sunset deflected the beam back and it hit her and Sunset fired a blast of fire and blasted her down and I caught the Wonder Ride Book and it was called THE PLASMA FIRE BOUNTY HUNTER!

I brought her over.

Me: Nice. Janeen should get a shot in on Another Gandrayda.

Qin: Good call there. Janeen Aran would be perfect for that.

Maria: Time for some backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) ASSKICKING FURY 6!

She summoned Dark Spicer, MODOk, Dogu Bouma, Foop, Mandark, and Evil Earth Man along with Chameleon Bot, Kangor and Wiggum.

Dark Spicer: Time to kick some ass!

Qin: Big time!

Nico: Get ready!

We were ready.

I had my Sharingan on.

Xenia: This will be good.

Me: With the Sharingan's illusion piercing power it will be perfect.

But then we felt an incredibly unbelievable energy signal!

Me: WHOA!

Nico: WHAT THE!? What in the world is emitting an enormous energy like that!?

Eli: It's incredibly strong!

Qin: WHOA! What kind of person has this kind of power!

Nico: Be ready for anything!

Me: This energy is good but it's immensely strong!

Nico: Yeah.

We saw a figure and then out came a dark version of Mysterio! It was ANOTHER MYSTERIO!

Me: Another Mysterio!

Mysterio: Whoa this is an interesting one.

Qin: Yeah!

Another Mysterio: (In a girls voice) But it's good that I found you J.D.

Me: (GASP) That voice.

She reverted back and it was a girl with green hair and she had pink and yellow clothes and had an immensely powerful sword. It was a scary green bladed sword and had a rainbow glistening aura around the blade and it was emitting a really disgusting smell and was dripping foul sludge.

Me: (GASP) Halinor Haze!

Halinor Haze: Good to see you again J.D.

Me: Same to you.

Nico: Where did you get that sword?

Halinor Haze: I found it.

Me: Wait a second.

I saw the blue 2 Star Dragonball in the sword blade.

Me: (GASP) That's the Sword of Haze Shenron - The 2 Star Dragon of Pollution!

Nico: So you're one of the wielders of the Swords of The Shadow Dragons!

Halinor Haze: That's right.

Me: Whoa this is gonna be interesting.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito got a Space Ranger blaster and Zocks got a Lost Galaxy Quasar Saber.

Halinor Haze: Just to control this swords power.

Me: The Shadow Dragons were the most powerful enemies that Master Goku and the Z-Fighters faced.

Nico: They sure were.

Eli: Yeah.

Me: Sorry we have to fight like this but we can help you with mastering that swords power.

Halinor Haze: Thank you.

She turned into Another Mysterio.

Sougo: (gets out In Space Ridewatch) Doesn't matter what illusions you use.

Geiz: (gets out Lost Galaxy Ridewatch: We'll still overcome them.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Me: That's right.

She formed an illusion of Numerous Evil Sasuke's!

Evil Sasukes: YOU MOTHERFUCKING CUR! I WILL KILL YOU AND THEN ALL OF YOU!

Me: If this were real I would use my trademark rant on them.

I fired energy blasts and smashed her down and they vanished.

Nico: Time for this! (ACTIVATES MYSTERIO'S RIDEWATCH)

He summoned numerous Soldier and Red Nocturne Robots and blaster her all over the place.

Nico: (gets out Tenaya 7's Ridewatch) Now for this!

Nico activated it and fired laser blasts and smashed her all over.

Qin: Take that!

May: Now for this one. Hope you like things cute. (ACTIVATES SHADOW MANDY'S RIDEWATCH)

She fired waves of energy and smashed her all over with stuffed animals.

May: And this too! (ACTIVATES AMADUM'S RIDEWATCH)

She fired waves of darkness and smashed her down.

Maria: And this too! (ACTIVATES TRANCEFERER'S RIDEWATCH)

She fired a blast of energy from her eyes and smashed her down.

Maria: And this too guys! (ACTIVATES GLORI'S RIDEWATCH)

She fired star energy and blasted her down.

Nico: YEAH!

Electro and his team consisting of Evil Elec Man, Legion Ex Machina, Metal Alice, Princess Archerina and Puffin came.

Nico: Nice team, Electro!

Electro: Thanks Nico. This is gonna be shocking.

Lola: It sure will be.

Lincoln: Yeah!

Nico: What other illusions do you got?

Another Mysterio: Lets see.

She showed us all the villains we defeated and banished to the black gates and they were FURIOUS!

All For One: I WILL KILL YOU!

Masato: YOU WILL PAY!

Me: Thank goodness these aren't real.

I snapped my fingers and they were gone.

Chuck Chicken: My turn!

He activated Tenaya 7's Ridewatch and fired lasers and smashed her all over!

Qin: YEAH!

Maria: Where's the next Gene Slammer?

But then a massive shower of meteors fell from the sky from out of nowhere and they hit Another Mysterio and smashed her down and I caught the ridewatch and purified it. I went over and brought Halinor Haze to us.

Nico: WHOA! That was amazing.

Camie: It sure was! Where did those meteors come from?

Electro: What's that?

We saw a figure come out and it was a Camerupt!

Qin: Whoa a Camerupt!

Xenia: Wow! This one is hot.

Camie: Yep.

Nico: Svitlana, is that you?

Camerupt: (In a girls voice) (Russia Accent) What gave me away Comrade Nico?

She reverted back and was a girl with neon orange hair, red eyes and orange clothes.

Nico: I guess it was your power of fireballs that did it.

Me: The famous volcanologist Svitlana Kahuy? Wow!

Nicole: That is awesome that you two know each other Nico.

Svitlana: It sure is.

Chuck Chicken: That is awesome. What's your favorite memory of Nico?

Svitlana: When me and Nico were over in the Kamchatka Peninsula and we found a volcano sword.

Nicole: The Volcano Sword of the Kamchatka! That sword is said to have power over all the volcanoes of the world.

Svitlana: That's right Comradess Nicole.

Nicole: That is amazing!

Lola: I'll say.

Nico and Svitlana hugged.

Nico: I've missed you comrade Svitlana.

Svitlana: Me too Comrade Nico.

Nico rubbed her back

Nico: Rocks coming out of your back must hurt.

Svitlana: It does.

Nico: This was an awesome rescue though.

Me: Yep.

We went back home.

But, now Adolphus has come back, and now, he wants revenge on the Ghosthunters Club, but Lincoln's going to rip that werewolf to shreds: a battle between The Elemental Werewolf Angel of Justice and The Evil Werewolf of Terror.

Lincoln: Whoa, we're here in the western district of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but Ets is also going to rescue the two girls who are also sighted here.

Ets: Last time this happened, it was at Cloudtower.

Lincoln: Yep, but we've also got really bad news that Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag aren't going to like in the slightest: our old enemy Adolphus Bardawulf has come back for revenge on us.

Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag gasped in shock.

Isabella Purazumagōsuto: (Japanese Accent) What, he's come back for revenge on us?!

Maria Hēibiānfú: (Chinese Accent) Even after we drove him off five years ago, he just won't quit, but we'll finally have a chance to finish what we started years ago, and destroy him for good.

Nico: So, we got another old enemy of The Ghosthunters to deal with. Lincoln, can you tell us about Adolphus Bardawulf? I've got a feeling none of us are going to like him one bit.

Lincoln: You're definitely right about that. Adolphus Bardawulf was once a vicious, aggressive warrior who'd lived in Ancient Mesopotamia nearly 5,000 years ago, and during his lifetime, he'd killed many warriors, but he also murdered tens of thousands of his own people and even worse, he consumed their flesh.

We gasped.

Me: Oh man, that's really awful.

Lincoln: It also gets worse, J.D., when the Gods found out about what Adolphus had done, they put a curse on him that transformed him into a werewolf as punishment for his misdeeds, and since he had no remorse in his heart, the curse was permanent. We did research on him when we'd begun hearing reports of people getting killed every night whenever the moon is full, and that's how we found out about him, and we found out that over the centuries, he'd been killing even more people and eating them, his hunger for flesh and blood would never be quenched. We eventually cornered him in Royal Woods, but before we could deliver the final blow, he escaped with the help of demons summoned from Hell by Isabella Abaddon.

Chihiro Hakubi: (Japanese Accent) That Fallen Guardian Angel always enjoyed pissing us off like mad.

Lincoln: She sure does, but ever since we got rid of her for good, our old enemies can't hide for much longer, and I want to thank you, Luigi, Mario, and Daisy for joining us, Lok.

Lok: You're welcome, Lincoln. And since we're dealing with a werewolf, you know what this means.

Lincoln: Yep. It's going to be a battle between The Elemental Werewolf Angel of Justice, which is me VS. The Werewolf of Terror.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the white wolf ears on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail above his white wolf tails, and he let out a powerful howl. Lincoln has transformed into Lincoln The Nocturnal, Defender of The Night.

Lincoln: (Beastly Voice) There we go, now I'm more than ready for that beast.

Suddenly, we saw a beautiful girl with long red and black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark red angel wings, she has on a tiara with the Kamen Rider Kiva logo, she's dressed in a sleeveless black blouse, sleeveless dark red midriff top, necklace with the Kamen Rider Kiva logo for the pendant, dark red skirt and she has a Kivat with her and Fuestles around her waist, black pants, black knee-high boots, and long white long-sleeved trenchcoat with darkness, bats, swords, and angels on the coattails and on the back is the Kamen Rider Kiva logo and holstered on her back is a massive Kamen Rider Kiva-themed greatsword with embedded red gems and a Kivat etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red bat heads for the crossguard, large dark gem embedded in the rainguard, longer midnight black handle, four large crimson bat heads and large dark red gem on the bottom of the large crimson red bat heads for the pommel, and she has the fifteen girls Lincoln was to rescue and the two girls Ets was to rescue.

Qin: Whoa, who's that?

Wataru: That must be the Kamen Rider Kiva embodiment that Lincoln mentioned yesterday.

Girl: That's right, and I got the fifteen girls Lincoln was to rescue and the two girls Ets was to rescue away from that carnivorous werewolf.

Lincoln: (Beastly Voice) (Gasps) That voice, Victoria Kurenai, I knew it was you, it's awesome to see you again.

Suddenly, we heard a massive roar in the distance, and we saw our target fast approaching us: the 5,000-year-old werewolf and old enemy of The Ghosthunters, Adolphus Bardawulf, a massive and tall werewolf, and he was beyond angry.

Lincoln: (Beastly Voice) I should've known you'd show up again, Adolphus Bardawulf, and I'm also not surprised to see you haven't changed in the slightest, but either way, I'm going to enjoy ripping you to shreds, you wild beast! (WOLF ROAR)

Enraged, Adolphus Bardawulf sent his armies of werewolves at Lincoln, but Lincoln ran at them as well, he plunged his hand in a werewolf's chest and ripped out his heart and ate it, he then grabbed another and lifts him up and after ripping his heart out and eating it, he ripped him in half spilling his guts everywhere, he jumped behind another and after ripping his heart out and eating it, he plunged his hand into his back and he ripped out his entire spinal column along with his skull and brain, he grabbed another and after ripping his heart out and eating it, he ripped his head clean off spilling his blood everywhere, he grabbed another and ripped his leg off and he ripped out his heart out and ate it, he grabbed another by his head and ripped his head off and tore out his spinal column as well, he'd grabbed another and plunged his hand in his chest and ripped out his beating heart and ate it, he grabs another werewolf on both sides of his head and RIPPED HIM IN HALF DOWN THE MIDDLE SPILLING HIS BLOOD AND GUTS EVERYWHERE! Lincoln grabbed another werewolf and stabbed his eyes out with his claws and he grabbed him by his mouth and ripped his face in half.

Then, Lincoln grabs Adolphus Bardawulf by his neck with one of his white wolf tails and lifted him up, and then, with his left hand, he plunged it into Adolphus Bardawulf's chest as he roared in pain, and then, Lincoln ripped out his beating heart and ate it right in front of him, and Adolphus Bardawulf died from severe blood loss, and Lincoln sent his soul and the souls of his werewolves to The Black Gates. The rest of us cheered as we holstered our weapons and powered down.

Me: Oh man, that's just like what happened when we faced Damien Blakewell on your rescue, Lincoln, you ripped those werewolves to shreds.

Nico: And ate their hearts as well.

Lincoln: (Beastly Voice) I sure did.

Eli: Yikes, and you're covered in and dripping werewolf blood like a slab of freshly cut steak.

Lincoln: (Beastly Voice) I've been covered in blood before, but man, this beats out all the times I've been covered in blood.

Lily the Mermaid: You got that right. Here, let me wash you off, Linky.

Lily the Mermaid put Lincoln in a water ball and washed him off, and the water ball turned red and he was clean. Then, Lincoln shook like a dog and he was dry.

Lincoln: (Beastly Voice) Thanks, Lily, and sorry you all had to see that.

Me: That's alright, but if we ever face off against any evil werewolves at night, one look at you, and they'll head for the hills.

Lincoln: (Beastly Voice) As if, they can't get away from me that easily.

Lincoln the Nocturnal transformed back to Lincoln.

Lincoln: But, either way, we're finally rid of another old enemy of The Ghosthunters for good. (To Victoria Kurenai) And it's so good to see you again, Victoria Kurenai.

Victoria Kurenai: You too, Lincoln, it's been a long time.

Lincoln went up to Victoria Kurenai and he hugged her, and Victoria Kurenai is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, orange version of He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Victoria Kurenai: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting your own version of He-Man's chest harness. I knew Sayaka gave you that jar of Dreaded Dancing Diablos, and I saw the display from our base after you guys got rid of Nega-Timmy and The Nega-Chin in Vigrid.

Nico: Yeah, it was really wild.

Victoria Kurenai: You've really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Victoria Kurenai, Embodiment of Kamen Rider Kiva, she's my Guardian Angel from Japan. She's a talented violin player and she's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and like I and the other vampires, she feeds on blood bags from the blood bank, and she knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Nicholette Torrington: Plus, she's also the leader of The Michigan Supernatural Defense Force, a group of vampire hunters formed by her, Lincoln, the other Kamen Rider Kiva embodiments, and also, the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendora Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They've also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords.

Jiro: Wow, I had no idea that there's also the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendora Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race.

Wataru: Same here, but this is quite a huge surprise.

Lincoln: I was just as surprised myself. I made Victoria a tiara with the Kamen Rider Kiva symbol on it and necklace with Kamen Rider Kiva symbol for the pendant, and to show thanks, she kissed me on the lips underneath the full moon as the vampire bats flew into the night. And you guys are so in for a major surprise, she's also the sister of Wataru Kurenai A.K.A. Kamen Rider Kiva, and she hates Lori with a burning passion.

My jaw and Nico's dropped to the floor after Lincoln told us who she's related to.

Wataru: Seriously, you two need to stop that, or you're going to catch flies.

Me: Just what I was about to say, but Wataru, we had no idea you had a sister.

Nico: And she's a pure-blooded vampire.

Wataru: That's right, and it's so good to see you again, Victoria.

Victoria Kurenai: You too, Wataru.

The two siblings hugged.

Lincoln: And she also heard of what we did to King, Takashi, and Takato, and she's so glad to be rid of those three heartless Fangires.

Me: We all were.

Victoria Kurenai: King was nothing more than a monster, and I hated him for what he'd done. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Victoria Kurenai: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Victoria Kurenai: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Victoria Kurenai, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Victoria Kurenai: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Victoria Kurenai's neck with dark red gems on the gold lightning bolts and dark red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Victoria Kurenai: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Victoria Kurenai.

Victoria Kurenai had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the fifteen girls Lincoln was to rescue and the two girls that Ets set out to rescue, and when Lincoln and Ets saw who they were, they immediately recognized them. The fifteen girls Lincoln set out to rescue are Captain Mizuki, Swim, Tanktop Girl, and Lily from One-Punch Man, Anri Haysworth, Yuna Eunice, Millie Eunice, and Marguerit Farom from The Legendary Hero Is Dead!, Racheal and Titi from Martial Champion, Danja Ureda and Thundra from Kasumi Ninja, Matrix from Time Killers, Command Grab, Juliette, and Nelly Argiope, and the two girls Ets set out to rescue are Emovere and Beepo.

Ets: And Emovere and Beepo.

Nicole: Whoa, awesome. And these five girls we haven't seen before, they sure aren't from any of the video games, cartoons, or anime.

Lincoln: They're from somewhere here on Earth, and that werewolf grabbed them, so he could also kill them and eat them.

Ets: That beast. Are you girls okay?

Emovere: Yeah, we're good.

Then, when Emovere and Beepo saw who it was, their faces turned atomic red, and they jumped on Ets and kissed him all over.

Captain Mizuki: Yes, we're all okay, thanks to you for killing that beast.

Captain Mizuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Captain Mizuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Captain Mizuki, Swim, Tanktop Girl, Lily, Anri Haysworth, Yuna Eunice, Millie Eunice, Marguerit Farom, Racheal, Titi, Danja Ureda, Thundra, Matrix, Command Grab, Juliette, and Nelly Argiope with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Adolphus Bardawulf, a 5,000-year-old super dangerous werewolf and one of The Ghosthunters' enemies from the past who's killed a lot of people every full moon, until The Ghosthunters defeated him five years go, but he fled before they could deliver the final blow unto him, thanks to the interference of The Fallen Guardian Angel, Isabella Abaddon. But, now five years later, Adolphus came back, and he still wanted revenge on the Ghosthunters Club.

But, when Lincoln showed what happened such as all of us beating that werewolf down, and Lincoln as Lincoln the Nocturnal ripping out the hearts of Adolphus' werewolf minions and eating them and tearing them to shreds and leaving a bloody mess all over the place, and Lincoln finishing Adolphus Bardawulf off by ripping out his heart and eating it and sending them all to The Black Gates, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Victoria Kurenai have a lot of catching up to do, now that she's back in town.

Maria: You know, I still remembered that very day when you guys went after Adolphus Bardawulf, but I can't believe Isabella Abaddon had the audacity to interfere with your opportunity to deliver the final blow on him five years ago.

Lincoln: She always still pissed us off even after we sent her to Hell. But, with her gone for good, the hunt for our old enemies will be much more easier.

May: Yeah. Plus, we also met Victoria Kurenai, Embodiment of Kamen Rider Kiva, and we found out from Lincoln she's Wataru's sister.

Maria: Whoa! That's awesome.

Nico: Yep, and she's also the leader of The Michigan Supernatural Defense Force, a group of vampire hunters she, Lincoln, the other Kamen Rider Kiva embodiments, and also, the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race formed to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Isabella Purazumagōsuto: (Japanese Accent) And The Ghosthunters Club and other clubs also teamed up with them for some of their more dangerous missions, which've involved powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords.

Lincoln: Yeah, we've gotten into some really huge missions involving them, but we've killed them and sent them back to Hell for good.

---

After finally destroying Adolphus Bardawulf and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Victoria Kurenai saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Victoria Kurenai: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy

Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Victoria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Victoria Kurenai: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Victoria Kurenai: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Victoria, what's the story on why you hated Lori with a burning passion?

Victoria Kurenai: Oh, that's a story I've never forgotten. It's true I'd hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lori's done to her own brother could never be forgiven. One day, we were having a meeting at a castle Adriana had created for our club and we were going over our reports from the many missions we'd done. But, we suddenly heard a loud scream, and I saw who it was that made the scream, it was Lincoln, and the one who was chasing after him was Lori, she had a knife and she was completely insane. I was really mad, and so were the rest of us, so we charged out, and as soon as we got Lincoln away from that psycho bitch, we pounced on Lori and started beating her up, and then, I tied her up with nylon rope and she was still screeching in that banshee voice of hers, so I duct-taped her big fat mouth shut. We checked on Lincoln, luckily, he was okay, but we were fuming at Lori for what she did. We called

Luna and as soon as she saw what happened to her brother, she was furious and she grabbed Lori by her shirt collar and dragged her back to The Loud House, where she got grounded for ten months for her attempted murder of Lincoln, she was so lucky we didn't ask to press charges on that psycho, but they still sent her to Aunt Ruth's because the nice sisters wanted to kill her, and when they found out Lynn, Lola, Lisa, and Luan had a hand in this, we threw them into a huge metal box. Lynn roared and tried to beat down the door with her fists, but Nicholette Torrington flipped those four the bird, and that caused Lisa, Lola, and Luan to scream with bloody revenge and Lynn to roar again and beat her chest like a gorilla.

Nico: Jeez, okay, I knew Lori turns into an insane psycho because of Dark Lori, but running in public with a knife in hand and trying to kill her own brother, that's just going too fucking far.

Me: Lori was lucky no one was pressing charges, but no one spoke to her, and when they found out Lynn, Lola, Lisa, and Luan were also part of it, they also got their just desserts as well, and honestly, Nicholette was really taking some really huge risks giving the bad Loud sisters the bird.

Bertha Sellington: We were worried Nicholette was going to lose a finger, and when they threatened to cut off her finger, she would remind them if they dared to cross The Dark World Goth Girls, they'd be put on our same kill list, and at the top of that list were Damian Alaister and his fucked-up Church of Necrom cronies.

Lincoln: And Bertha was serious about that, if they ever saw Lori, Lynn, Lola, Lisa, and Luan try to kill me again, they would be targeted along with The Church of Necrom, and since many of them had a grudge against them, they would have all the more reason to kill them.

We got a shower, and then, Lincoln, Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops are heading to Orange Ocean.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Tracer: (British Accent) Wow, so this is Orange Ocean, awesome.

Lincoln: I've been here before to Ocean, and it's perfect for our first date, Tracer. Shall we?

Lincoln, Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A.

Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Orange Ocean, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tracer, Emily Teapowers, Sailor Star Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tracer, Emily Teapowers, Sailor Star

Fighter, Sailor Star Maker, Sailor Star Healer, Shino Sosaki A.K.A. Mandalay, Ryūko Tsuchikawa A.K.A. Pixie-Bob, Tomoko Shiretoko A.K.A. Ragdoll, Mimi Honjō, Megan Yanagida, Miho Nosaka, Kari Tsukumo, Brianna Stone, Lyra Heartstrings, and Sweetie Drops are now part of your harem, awesome!

Nico: I always knew they had their feelings for Lincoln.

Lyra Heartstrings: He truly is the Best!

Sweetie Drops: Man!

Lyra Heartstrings and Sweetie Drops: Ever!

Twilight Sparkle: I'm really happy for you girls.

---

Lincoln led Yuna and Umihana Kamihara back into The World Tree Estate after he took them outside to take down some bank robbers, while we were busy getting the place ready.

Yuna: Sheesh, the place sure is dark.

Umihana: Those Mascots better not have the place booby-trapped again.

Lincoln then threw the switch, and then, the lights came back on, and they saw the place had aqua and ocean blue balloons, everything was set as a tropical island theme, and they saw a banner had opened up, and it said in bold aqua and ocean blue letters, HAPPY BIRTHDAY, YUNA AND UMIHANA KAMIHARA! Then, we all jumped out to surprise the girls.

Everyone: SURPRISE! HAPPY BIRTHDAY, YUNA AND UMIHANA!

Yuna: (Surprised) Whoa, what the?! You?!

Umihana: (Surprised) You guys remembered today was our…?!

Lincoln: Of course, that's why I had to get you two out of the World Tree Estate, so that everyone can prepare the place for your birthday, girls.

Yuna and Umihana then ran to Lincoln, who hugged them in his massive and powerful muscular arms and then, he kissed them both on the lips.

Lincoln: Happy birthday, girls.

Umihana: Thanks, Linky.

Yuna: This is going to be one awesome birthday party. Alright, then, gang, let's PARTY!

Just then, The Masters of Evil arrived.

Vypra: Happy birthday, girls.

Yuna: Thanks, Vypra. Okay, now we can get this party started.

We then got the party started, and we were literally having a really awesome blast, then we gave our gifts to the girls, Lincoln went first as he gave Yuna and Umihana awesome water-themed spellbooks with powerful water-themed spells, clothes, two powerful greatswords imbued with the force and the powers of the seas, and he even gave them two copies of his latest comic which was based on the big mission that led to the permanent demise of Lila Rossi, and it was selling like hot cakes at the comic book store, he even gave them some video games and matching karate uniforms, and we also gave the girls our gifts as well, and they absolutely loved them.

Yuna: Wow, we really love the gifts, guys, especially Linky's latest comic.

Umihana: And it's based on the big mission that finally ended Lila Rossi's life for good.

Nico: He knew you'd love them, and everyone in the city loves them too.

Me: We do as well, this latest issue sold like hot cakes at the comic book store, and Lincoln grabbed the last two.

Rita: It was a mad rush there.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he soon saw who it was that triggered the alarm: it was Sylvia and Lindsey Exetor's sociopathic ex-little brother, Billy Exetor, he was still in his orange prison jumpsuit, and he had a knife in hand.

Sylvia Exetor: Billy, I should've known!

Billy Exetor: Get out here right now, dear sisters, so that I can end yours and Nico's lives here and now, along with all of Team Loud Phoenix Storm! (LAUGHING MANIACALLY)

Lindsey Exetor: Every time something good's happening, every single time, that little nightmare has to try and ruin it!

Sylvia Exetor: He's not going to ruin Yuna and Umihana's party, because of his desire to kill us. Say, girls, we also got an awesome party game planned: we call this one Pin The Tail on The Sociopathic Ex-Little Brother!

Yuna: Ooh, good one, Sylvia.

Umihana: This is going to be a good one.

Lincoln: But, first, we better beat him down. Come on, girls, let's get him!

Me: We'll come with you to watch the show.

Lincoln, Yuna, and Umihana flew out of the World Tree Estate, and they threw three punches at Billy Exetor, which sent him flying back onto the pavement. We also followed, but we had front row seats to the beatdown of Billy Exetor.

Sylvia Exetor: I thought Lindsey and I were finally rid of you when we sent you back to prison.

Billy Exetor: You will never get rid of me, and now that you and Lindsey are here, SAY GOODBYE TO YOUR LIVES!

Lincoln: You're not going to wreck the birthday of my two future wives just for your sick revenge, you little sociopath.

Yuna: Yeah, you need a proper beatdown. Let's get 'em.

Umihana: I hope you squeal like a pig while we're beating you down, you little cretin.

Lincoln, Yuna, and Umihana pounced on Billy Exetor, and they were brutally beating him down, Yuna and Umihana kicked him hard on the crotch, and he screamed in excruciating pain. Then, Lincoln summoned a lobster and threw it down Billy Exetor's pants, and when it pinched his crotch, he sang like an opera singer.

Me: Ooh, first a kick in the crotch, then a lobster down the pants, yowch!

Nico: We should try that on the jerks next humiliation session.

Then, Billy Exetor screamed as we saw Lincoln grab him and body-slammed him onto the ground.

Yuna and Umihana: (WHISTLES) YEAH, GET 'IM, LINKY!

Me: It's like watching Wrestling.

Nico: Yeah, but Billy's no wrestler, and Lincoln's got many advantages over the little shit-stain, and he learned a lot of wrestling moves from us and his Guardian Angels, sweet.

Then, Lincoln tied him up, and he summoned two pins with donkey's tails, and he gave it to Yuna and Umihana.

Lincoln: Here you go, girls. (To Billy Exetor) Have fun going back to prison, you little monster.

Sylvia Exetor: Uh oh, now the show's about to reach its end.

Lindsey Exetor: Oh yeah, this is going to be so fun.

Lincoln tied blindfolds over their eyes and they used their other senses, and when they reached their targets, they shoved the pins onto Billy Exetor's butt, and he screamed in agonizing pain, as he was sent flying out the air, and into a portal that Lincoln opened up which led to Billy's cell in The Uranus Prison, and as soon as he was in his cell, the portal closed, and Billy Exetor was back in prison, and he screamed in bloody revenge against us, and we heard his yelling, and we all laughed.

Nico: Enjoy your extra sentence, you little shit-stain fucker!

Lindsey Exetor: That little monster's been asking for it for a long time.

Sylvia Exetor: And that was a really awesome beatdown Yuna, Umihana, and Lincoln gave him, and it ended with Yuna and Umihana pinning sharp pins on Billy's butt, which sent him flying into a portal that led back to his cell in The Uranus Prison, and as soon as he was in, the portal closed up, and he's back in prison where he belongs.

We then headed back inside, and we then got to the biggest part of the party: Lynn Sr. came out of the kitchen, and he had a three-layered chocolate cake topped with aqua blue and ocean blue frosting patterned in a way to look like the ocean waves and pink frosting shaped to look like sea hibiscuses.

Yuna and Umihana: Wow!

Lynn Sr.: I knew you girls would love it, and Lincoln had a clone here to help with the baking and also the setting up of the party.

Yuna and Umihana cut the cake and they each took a piece, and when they took a bite, their taste buds went wild. We also enjoyed the cake as we each took a slice of it, and we had more fun at the party.

After Yuna and Umihana's awesome party, we were over in the park looking for a Torkoal.

Sweet Leaf: So, we're looking for a Torkoal, right?

Nico: Yep.

Me: This is gonna be a hot one to find.

Lola: Yeah it sure will.

Xenia: Yeah.

Leeli: J.D. I've been meaning to tell you.

Me: What is it Leeli?

Leeli: Before you all came and helped us, I had a strange dream where me and my brothers were running from Gnag and his army and then this massive phoenix made of pure fire came down from the sky and it screeched and rained down numbers of fireballs and they hit Gnag and most of his army and destroyed him. We saw lots of figures standing in the flames and I saw one of them give me the thumbs up.

Me: Whoa! You had a vision into the future. You saw us coming to destroy Gnag.

Qin: That is amazing.

Lola: It sure is.

Leeli: That is amazing. So my dream predicted you coming.

Me: It sure did.

Adagio: I see someone!

We saw a figure and it looked like a red power ranger but in an armor the likes of which we never have seen before.

Me: Wait a second. Is that Sheriff Skyfire!?

Brody: It sure is!

Poromon flew up to him and laid on his head.

Sheriff Skyfire: Hey little fella.

Poromon: Awesome to meet you.

Me: Sheriff Skyfire?

He turned and saw us.

Sheriff Skyfire: Team Loud Phoenix Storm. It's an honor to meet you. And Brody, Ninja Steel Rangers it's good to see you all again.

Brody: Same to you Sheriff.

Calvin: I see you met Poromon.

Sheriff Skyfire: I sure did.

Poromon: Are you a Power Ranger?

Sheriff Skyfire: Not really. I'm what you call a Metal Hero.

Me: But I remember seeing you go all over the galaxy and capturing numerous criminals of all kinds.

Nico: That was so awesome.

Me: And I remember seeing you go after the rangers because of Madame Odius.

Sheriff Skyfire: That's right. That was an awful act on my part.

Me: It's not your fault sheriff. Odius played you for a fool and you fell for her lies hook, line and sinker.

Qin: Yeah that was awful.

Leeli: It was.

Sheriff Skyfire: Is she still causing trouble?

Brawl: Nope. She's in our frenemies in the Masters of Evil.

Me: Long story on that one.

Sheriff Skyfire: As long as she behaves herself, I have no problem with that.

Me: Good.

Camie: But also we destroyed many of the Power Rangers most dangerous enemies.

Qin: We sure did. And Galvanax is destroyed and given the Black Gates.

Sheriff Skyfire: That's good. I'm glad he is.

Ed: All I smell is buttered toast.

Eddy: Shut up Ed.

Maria: Have you seen a Torkoal?

Sheriff Skyfire: Oh you mean this little fella.

He had a Torkoal in his hands.

Me: There it is.

Qin: Wow that is a hot one.

Torkoal: (In a girls voice) Yeah he found me as I was looking for you guys.

Qin: Connie Callaway!

Nico: Well I'll be.

She reverted back and was a girl with black hair and orange clothes and had orange eyes.

Sheriff Skyfire: Ah yes I heard about the Gene-slammer Universal Pandemic caused by Team Rocket and others. I have been capturing numerous members of Team Rocket at large for you guys.

Me: You were busy.

Nico: Is that what we're calling it now?

Sheriff Skyfire: Yes since it's not just affecting humans but many humanoid races all over the universe it sounds fitting.

Qin: It's very fitting.

Me: It sure is.

Brody: Any favorite memories of Nico?

Connie Callaway: My favorite is when me and Nico went to The Democratic Republic of The Congo and went down into a cave that lead down through a volcano and we found a massively huge buried treasure cave.

Nicole: Wait you guys found the Lost Treasure of Nyiragongo Volcano? That is incredible!

Connie Callaway: That's right Nicole. It was a hot treasure but it was awesome.

Nico: Yep. Connie is a volcano treasure hunter. She goes into deep caves in volcanoes that are said to have lost treasures from over the centuries.

Laney: That is amazing!

Leeli: I'll say!

Nico and Connie hugged.

Nico: I've really missed you.

Connie Callaway: Me too Nico. Me too.

Me: Drakus I can tell you're thinking about something.

Drakus: What do you mean?

Me: I can sense that you are thinking of possibly adding the X-Squad Universe Blood and Honey versions of Winnie the Pooh and friends into the M.O.E. Am I Right?

Drakus: How did you know that!?

Me: Intuition. Right mascots?

They shoved the computer showing the trailer of Blood and Honey in his face!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Nico: Drakus, no to any versions of the Blood and Honey people!

Me: Period!

Drakus: Okay okay okay! That idea is out.

Me: It better be.

Xenia: Yeah.

Bright Man: Nico, which teams have you made?

Nico: Samus' team will include Rita the Cat, Gentaro Kisaragi, Ana (Overwatch), Winnie the Wolf, and Kolin. Black Widow's team will include Owl, Sento Kiryu, Falke, Evil HERO Inferno Wing and Honest.

Me: Cool!

Qin: Awesome ideas.

Xenia: Yeah!

Sento Kiryu: Lets begin the experiment.

Qin: You got that right.

Lola: But we haven't met Kolin or Falke.

Xenia: We will someday.

The previous group came.

Dark Leo: Can me, U-Foes, my team, Samon, Mortal Kombat Scorpion, Count Spankulot, Xigbar, Lythos, Hydros, Stratos, and

Pyros go with you guys?

Flotsam: Me, Bunnie and Clyde, FJetsam, Mr. Freeze, Aries Zodiarts, Lady Quark, Toar, Evil Comet Woman, Trident, King Jellyfish, and Boxcars will come too.

Dark Don: And no, Drakus. No Blood and Honey villains will join our ranks. Now, quit asking about it!

Me: He already got the memo.

Dark Don: Oh sorry.

Nico: No worries. And yes you all can come with.

Dark Don: Glad to see you're back in action J.D.

Me: Glad to be back. Getting hit by an Alaska size rocket really hit me hard.

Thundercracker: Nico, which Gene Slammers do you think you'll meet next?

Dark Raph: I hope they can kick lots of butt!

Nico: I have a feeling they will. I'm going for Grumpig, Spinda and Flygon next.

Qin: Awesome!

Lola: That will be awesome to meet them.

Leeli: It sure will.

Me: We don't even know what our mission is going to be though.

Nico: I'm sure something will come.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) You're not going to like this, Starfire's old enemy, The Cironielian Chrysalis Eater has returned, and she wants revenge on The Titans for ruining her attempts to eat Starfire.

We gasped.

Shanan: Oh man, not that gross monster.

Lincoln: And from what King Kai just said, this alien's favorite food is eating Tamaraneans who've cocooned in a Chrysalis.

Shanan: You're right about that, Lincoln. When a Tamaranean goes through this sort of change, it'll lead to a Cironielian Chrysalis Eater coming after them, since it's their favorite food.

Me: We're not letting that gross monster get away with that, we'll make it pay big time for trying to eat Starfire.

Nico: We sure will, this monster's got to go.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Pennhua, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Pennhua of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Pennhua, right, Rhonda?

Rhonda Hazeltucker: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Sarah Tinsley: While you and Nico destroy Pennhua and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to get after that Cironielian Chrysalis Eater.

Lincoln: That gross monster will pay for trying to eat Starfire, and once we get done sending that gross monster to The Black Gates for good, you better be ready to die, Pennhua.

Rhonda Hazeltucker: You better be ready to die, Pennhua, because a fierce storm's coming to tear you apart and scatter your miserable remains to the depths of Oblivion.

Mortal Kombat Scorpion: What IS the Cironielian Chrysalis Eater anyway?

Beast Boy: Yeah, we're gonna have to find a good place to explain more about that.

Aries Zodiarts: Is it really that bad?

Dark Mikey: I got a feeling that it is.

Nico: Lets head to the ship. We're going to the planet where Starfire Faced it before.

Qin: Okay.

Starfire: I'll show you all where it is at.

Nico: Okay.

We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate: 7331.7: The U.S.S. Valorous Phoenix is en route to the planet where Starfire and the Titans defeated the Cironielian Chrysalis Eater and we're going to get rid of that monster once and for all. Our mission is to destroy it after it came back for revenge.

Qin: This is gonna be good.

Starfire: You guys are not going to like this creature.

She went over its history.

---

One day, Starfire began to undergo the Transformation, her homeworld's equivalent of puberty. However, while Starfire knew of the effects of the Transformation, the changes on her body were unusually bizarre even by Tamaranean standards, leading her to believe that she was transforming into a monster. The other Teen Titans eventually came to see her new looks, and, feeling ashamed, Starfire fled into space to look for a new home. Starfire was, unbeknownst to her, spotted by the Cironielian Chrysalis Eater and trailed for the remainder of her journey.

Not much is known about Cironiellian Chrysalis Eaters, and whether this is their true racial name and why they would prefer to consume Chrysalises in the first place, is not entirely known. However, it is known that the rarity of their prey forces them into a nomad existence, drifting through space until they encounter a fledgling Chrysalis, whereupon they will stalk it until the Transformation is underway, then consume their prey while it is helpless.

Eventually, Starfire reached an uninhabited, though rather hostile, planet. Sunk in despair, she was approached by a robed elven-humanoid woman who proceeded to tell her about the true nature of her change, informing her that she was developing into a chrysalis. But afterwards, a cocoon formed around Starfire, rendering her helpless, and it was in this moment that the Chrysalis Eater shed her disguise to reveal her true form, which resembled that of a praying mantis and spider combined.

Before the Chrysalis Eater could begin her feasting on Starfire, the other Titans, who had been tracking Starfire, attacked her, diverting her attention. Robin freed Starfire from her cocoon, to find out that the Transformation had run its final course, changing her back to her former appearance and granting her the ability to fire energy blasts from her eyes. With renewed confidence, Starfire engaged the Chrysalis Eater and used her new power to hurl it into the forest, where she was promptly set upon, killed, and devoured by a monstrous flesh-eating plant.

Cironelian Chrysalis Eaters possess superhuman strength and speed. Since they have to go and actively seek their rare prey, Chrysalis Eaters have also evolved the ability to survive the harsh conditions in outer space.

Despite their name, Cironeilian Chrysalis Eaters devour prey besides Chrysalis, as the one encountered attempts to do so to Beast Boy and threatens to do so to the other Titans, meaning that Chrysalis is more likely a delicacy for them, rather than a primary food source, due to the sheer rarity of such a meal. When hunting their desired prey, instead of approaching it in direct combat, they prefer stealth and deception to get close to their prey, then strike while it is helpless. This is aided considerably by their innate shape-changing ability, with which they can assume a more humanoid appearance, though they retain some physical insectoid traits.

---

When she was done we were shocked and horrified!

Qin: WHOA MAN!

Xenia: Horrible!

Nico: What does this creature look like?

Shanan: This is it.

She showed a picture of it on a hologram and it was an ugly insect creature.

Stalker: It looks like a TRUE hunter.

X Ray: Yeah. And not the good kind either.

Vapor: But why would Starfire run into that creature?

Robin: Because she was undergoing the Tamaranean version of puberty.

Shanan: Oh man. I did a lot of research on Tamaranean Biological Physiology and it's really interesting.

Nico: What happens during that time?

Shanan: Well Starfire went through this.

She showed us what happened during that time:

1: Large forehead lump (later, it changes to a rhinoceros horn).

2: Straight tusks on her neck.

3: Elongated zebra-colored fingernails.

4: Weird craving for unusual food.

5: Pointed ears.

6: Scaly reptilian skin.

7: Enlarged hairy Sasquatch feet.

When she was done we were shocked!

Qin: Whoa!

Xenia: Very unusual!

Lola: Yeah.

Xigbar: Doesn't puberty start with zits?

Toar: That's what the lump was.

Shanan: Well in humans we get zits. But not Tamaraneans. They get horns growing out of their foreheads.

Nico: That's right and their biological makeup is much different.

Shanan: That's right.

Me: Wow. Wait. Gabrielle, you're half Tamaranean so you will probably experience this too someday right?

Gabrielle Victoria: That's right. I sure will.

Blackfire: We'll be ready to help you when that happens.

Wildfire: We sure will.

Elena Validus: I think you guys were dealing with Plasmus when it happened.

Vapor: Didn't he evolve into his second form during that time?

Robin: Yes he sure did.

Cyborg: That was a crazy battle.

Me: How did you guys defeat this creature before?

Robin: Well Starfire did. But it was a great story.

He told us what went down.

---

Starfire's happy life suddenly takes an abrupt turn for the worse when a large lump pops up on her forehead, and that is just the beginning. Starfire asks Raven, who dismisses the lump as a zit. As the days pass, her body begins to develop new mutations, making her feel horrible because she fears that she is turning into a monster. She more and more shies away from her friends and hides her new deformities under heavy clothing.

Then the Titans quickly receive an emergency call about Plasmus, who is ripping up a stadium in search of a nourishing sewer pipe.

When the Titans engage him, they get defeated one by one, until Starfire reduces the sludge monster to human form.

Then, Plasmus grows back to a sludge monster with green eyes and the ability to spit acid. The acid washes Starfire's extra clothing off and shows the mutations.

Starfire then imagines herself being laughed at by everybody allthough no one laughed. Ashamed and humiliated, Starfire leaves Earth in tears. Thinking that she now has no home to return to, she attempts to find aliens whose mutations match her own, but in each attempt, she is met with fear and revulsion. As Starfire flies through an asteroid belt, a Cironielian Chrysalis Eater follows her, knowing the mutations are signs that the Tamaranean will become a chrysalis, the Chrysalis Eater's delicacy. Finally, Starfire lands on a seemingly uninhabited planet. She meets a carnivorous plant that eats her and spits her out in disgust. Back on Earth, the other Titans, worried about her and realizing they should've taken better care of her, modify the T-Ship for space travel and set off after her, tracing her route through the alien planets she has visited. Meanwhile, behind the bushes, a Cironielian Chrysalis Eater, possibly the same one that followed Starfire in the asteroid belt, spots Starfire. The eater turns into its humanoid form and floats over the lake towards Starfire. She explains the Transformation to Starfire, who replies that Blackfire merely turned purple for two days. The Eater says that each Tamaranean has a different form of Transformation. Starfire was one of the few that would become a chrysalis.

Soon, a chrysalis forms around her. When the chrysalis has almost completely formed, the Cironeilian Chrysalis Eater reveals its true form. As the chrysalis is about to complete, the eater tells Starfire to scream as it whets the eater's appetite.

But before the Cironeilian Chrysalis Eater is able to devour Starfire, the other Titans arrive and interfere. Robin frees Starfire from her cocoon and shows her that she has reverted to her former appearance, though with one improvement: she can now fire eyeblasts. With this new ability, she blasts the Chrysalis Eater back to the lake, where it is eaten by the flesh-eating plant Starfire had met earlier. With the reassurance that the other Titans will always be her friends, no matter how much she changes on the outside and she will still be beautiful on the inside, Starfire returns home, happy once again until Beast Boy suffered chickenpox.

---

When it was done we were amazed.

Me: Whoa! So that's how Starfire got her Laser Vision powers.

Lola: That is amazing.

Nico: It sure is.

Robin: I also might've driven her into the monsters clutches.

Hydros: How so?

Robin: I said that all monsters have to go.

King Jellyfish: You had no idea what was happening to Starfire?

Ironclad: You were probably talking about evil monsters.

Me: It must've been a misunderstanding.

Robin: Yeah I was only talking about evil monsters. Not us.

Starfire: Oh it's all right Robin.

Qin: Oops. But at least Starfire got back to normal.

Lola: Yeah.

Tara: It's all right though. At least Starfire doesn't have to go through this again right?

Shanan: One can only hope. I don't know the full extent of Tamaranean Biological Physiology but it's really something to study upon.

Xenia: It sure is.

Sunset Shimmer: I think so too. I've been really fascinated with all the things about Starfire's home planet since I first met her.

Lola: It's amazing huh.

Roxas: It's possible we can get an army of sparrows to kill the Cironielian Chrysalis Eater.

Me: We're going to need something bigger than that to destroy it.

Qin: Yeah I don't think an army of birds is going to cut it.

Lola: I agree.

Camie: We'll hit it with an energy blast and banish it to the black gates.

Qin: That works.

Gabrielle Victoria: I have a feeling this is going to be a good battle for all of us.

Stratos: We should think about including Overload, Cinderblock, and Plasmus into our ranks.

Trident: I approve. They were good teammates in the Brotherhood of Evil. Especially Plasmus. But we should make him separate from his human side.

Nico: I agree with you wholeheartedly on that one.

Me: All three of them will be perfect for you guys.

Xenia: I agree there too.

Camie: Yeah they are tough too.

Me: But I also feel bad for Plasmus. Especially his human form Otto Von Furth. He can't step outside his human form without becoming Plasmus again.

Venom: We remember that he is like us.

Me: Yeah no kidding. Except Symbiotes in the DC Comics World and the Marvel Comics world are both different and have different capabilities.

Qin: He's right on that.

Jungle Fury Jarrod: And they won't be able to combine into Ternion. That one is already a member separate from the three of them.

Me: That's fine with me.

Nico: Same here. But that's cool.

Tara: It sure is. Ternion really is an amazing fusion.

Lola: It sure is.

Qin: But that was amazing that they can fuse into one like that.

Lola: Yeah it was.

Pyros: If Gabrielle will experience the same cycle, that means the Chrysalis Eater will go after her too.

Boxcars: All the more reason to kill it!

Me: But we'll be ready when Gabrielle does that.

Gabrielle Victoria: You will?

Nico: We sure will. I'll make sure you stay under lock and key till it's over.

Gabrielle Victoria: Thanks Nico.

Nico: You're welcome.

Bowser: You're gonna be a handful when you get to that.

Gabrielle Victoria: I know.

Nico: But we'll be ready.

Me: Yep. Starfire are we getting close?

Starfire: Yes we are just about there.

Nico: That planet there.

We saw a dark forest planet and it looked really creepy.

Me: Whoa.

Eli: The creature is there. I sense it down there.

Laney: Scary place.

Lythos: Let's land.

Evil Comet Woman: And keep a close eye out.

Me: Right.

Nico: It could be a trap. But we're ready.

We got to landing on the planet.

We landed and we got out and saw that it was a really scary and foreboding planet.

Lola: Whoa.

Me: This planet gives me the creeps.

Nico: This is definitely the planet Cironielia.

Qin: Scary.

Tania: Damn, this place is creepy!

Me: Yeah no kidding.

Nico: Eli?

Eli: I sense the creature. It's located that way in a crystal grove 100 klicks north.

Nico: Then lets get moving.

We got to walking.

Count Spankulot: (Transylvanian Accent) The creature has been very bad!

Lady Quark: Damn right!

Me: That's for sure.

Qin: Yeah.

Nico: Keep your eyes peeled everyone.

Me: Right.

I turned on my Predator Vision.

It was Infrared Vision with a Yauja Targeting system,

Me: Come out come out wherever you are.

Ghuul: It's probably taunting us!

Me: It just might be doing that.

Qin: Be ready though.

Laney: Yeah.

Camie: It could be anywhere.

Mr. Freeze: It can't hide forever.

Samon Shakekisutanchin: It has to come out eventually.

Eli: I sense it. It's in that cave up there.

We saw a cave.

Me: Looks like we found it.

Camie: Yep.

Nico: Entrance time?

Trolling Thunder: Entrance time!

We went at the cave.

The Chrysalis Eater was looking around and waiting for Starfire. But then the spirits of the symbols of Tamaranean history appeared and they swirled around her and then they converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and fireballs rained down and hit her all over. Then a phoenix cry was heard and green laser blasts hit the Chrysalis Eater and burned her all over and then we came out.

Me: Okay you bug! Time to get out some bug spray!

Xenia: YEAH!

Chrysalis Eater: You dare get between me and my meal?!

Vector: Oh, we dare alright!

Me: It will be the last one you have!

Bunnie: And we can't have you going after anymore Tamaraneans during their puberty cycle.

Nico: (Gets out Zexion and Mysterio's Ridewatches) You brought it upon yourself!

Nico activated it and fired waves of energy and it formed into the spirits of REALLY PISSED OFF Tamaraneans and they smashed and pulverized her all over the place.

Qin: YEAH!

Then Roquefort, Katnappe, Common Cold, Technus, Xaldin, Waffle Woman, Salami Swami, Robo Roxy, Mysterio, Absorbing Man, Cheese Monster, Le Quack, Crud, Mike Rochip, Cuppa Joe, Yost Whirlwind, Stacey, Evil Clayface, Tenaya 7, and Platinum Princess appeared.

Nico: Roquefort, Katnappe, Common Cold, Technus, Xaldin, Waffle Woman, Salami Swami, Robo Roxy, Mysterio, Absorbing Man, Cheese Monster, Le Quack, Crud, Mike Rochip, Cuppa Joe, Yost Whirlwind, Stacey, Evil Clayface, Tenaya 7, and Platinum Princess.

Katnappe: Good thing I'm in the usual battles this time, huh?

Me: Yeah no kidding there.

Mysterio: And it's a good thing it's also my turn after Nico just used my Ridewatch and after his rescue today.

Nico: That is true.

Technus: Yep, it's good you two are getting your turn today.

Qin: Yeah I'll say.

Common Cold: (to Nico) We heard you went to a sausage and bratwurst planet.

Nico: We sure did.

Roquefort: I hope you still prefer cheese.

Nico: Oh I still do.

Then Key Monster came out.

Me: Key Monster. Up for another round?

Key Monster: You bet I am.

Qin: Cool cool.

Key Monster: Personally, I approve of Overload, Plasmus, and Cinderblock being in the Masters of Evil.

Nico: Glad we agree.

Qin: Same here.

Me: Me too as well.

We got the battles underway.

## Raven, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Nico, Numbuh 2 and Numbuh 4, Bright Man and Shade Man VS Cheese Shogun Roquefort - Nico's rescue and Battling the Vengeance Express Kids

Roquefort was first.

Roquefort: (to Raven) Nico's rescue involved fighting the Vengeance Express Kids. I hope he put the beatdown on them!

Raven: Oh we really did and it was really fun.

Princess Luna: That was funny. Tick Tock ate them.

Moondust: I hope Tick Tock didn't throw up in front of you guys.

Roquefort: EW! He did but it was in the bathroom. That would be gross to see.

Snowdrop: No kidding there.

Gari: Though I would not want to see that.

Blackout: Me neither.

Nico: But I hope after this battle is done (Drools) some of us get to eat some cheese.

Numbuh 2: Yeah I could go for some cheese too.

Numbuh 4: Same here.

Roquefort: (LAUGHS) You sure love your cheese. Lets do it!

SMOKED DARK GOUDA MAGISWORD!

Raven activated her ridewatch and they fired waves of darkness and energy and smashed him down.

## Starfire, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Blackfire, Wildfire, Gabrielle Victoria, Thundercracker and Skywarp VS Katnappe - Battling Another Ghor and Another Mysterio

---

Katnappe was next.

Katnappe: (to Starfire) Nico, Yusei's team, Mysterio's team, and the others did good Battling Another Ghor. And Another Mysterio as well.

Starfire: They most sure did and it was glorious to see them fight them.

Twilight Sparkle: But we were really surprised to see that the Another Mysterio had a really unusual powerful weapon called The Sword of Haze Shenron.

Starshine Sparkle: Yeah we were amazed to hear about that. These are the 7 wielders of a bunch of weapons called The Swords of The Shadow Dragons.

Spyro: We never even heard of these weapons before and they pack a huge wallop.

Blackfire: And I have a very strong feeling that these swords pack the same power levels and the same abilities as those of the Shadow Dragons themselves.

Wildfire: And they must be that intensely powerful.

Gabrielle Victoria: I have that same feeling myself.

Katnappe: Boy no kidding. They must be incredibly powerful. Lets do it!

SALMON FISH MAGISWORD!

Starfire activated her ridewatch and they fired waves of magic and energy and fish and smashed her down.

---

## Robin, Sunset Shimmer, Pipsqueak, Fire Skylanders, Big Guy & Rusty, Kraven the Hunter and Stalker VS Common Cold - Lincoln's Rescue

---

Common Cold was next.

Common Cold: (to Robin) I heard Lincoln fought another of his Guardian Angels' enemies. Was he really a werewolf?

Robin: He sure was and his name was Adolphus Bardawulf and he was once a vicious, aggressive warrior who'd lived in Ancient Mesopotamia nearly 5,000 years ago, and during his lifetime, he'd killed many warriors, but he also murdered tens of thousands of his own people and even worse, he consumed their flesh.

Common Cold gasped and then sneezed.

Common Cold: (SNEEZES)

Robin: Bless you.

Common Cold: Thank you but man that is gruesome and terrible!

Sunset Shimmer: Yeah that was awful! And werewolves leave a much more gruesome trail of bloodshed and dismemberment than Vampires do.

Pipsqueak: (British Accent) Yeah that is for sure. And that was a gruesome and disgusting amount of carnage.

Sunburn: You're not kidding there.

Rusty: Boy it sure a shootin was.

Big Guy: But at least we freed all those from being stuck in limbo that he killed.

Common Cold: That's good you guys did. (SNEEZES)

Big Guy: For the love of Mike.

Robin: Bless you.

Common Cold: Thank you. Lets do it!

ORANGE JUICE MAGISWORD!

Robin activated his ridewatch and they fired waves of fire and energy and smashed him down.

---

Cyborg, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Sam Manson, Jazz Fenton, Maddie Fenton, Circe (Generator Rex) and Elena Validus VS Technus - Meeting the Embodiment of Kiva

---

Technus was next.

Technus: (to Cyborg) I heard you guys met the Embodiment of Kiva. I honestly thought the only embodiments were the ones of the Saber Riders.

Cyborg: So did all of us and we were amazed to hear about that. Her name is Victoria Kurenai and she is Wataru's sister.

Pinkie Pie: We were really amazed to hear that she is related to him.

Maud Pie: (monotonously) And her story is really amazing too.

---

Nico: Yep. So, Victoria, what's the story on why you hated Lori with a burning passion?

Victoria Kurenai: Oh, that's a story I've never forgotten. It's true I'd hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lori's done to her own brother could never be forgiven. One day, we were having a meeting at a castle Adriana had created for our club and we were going over our reports from the many missions we'd done. But, we suddenly heard a loud scream, and I saw who it was that made the scream, it was Lincoln, and the one who was chasing after him was Lori, she had a knife and she was completely insane. I was really mad, and so were the rest of us, so we charged out, and as soon as we got Lincoln away from that psycho bitch, we pounced on Lori and started beating her up, and then, I tied her up with nylon rope and she was still screeching in that banshee voice of hers, so I duct-taped her big fat mouth shut. We checked on Lincoln, luckily, he was okay, but we were fuming at Lori for what she did. We called Luna and as soon as she saw what happened to her brother, she was furious and she grabbed Lori by her shirt collar and dragged her back to The Loud House, where she got grounded for ten months for her attempted murder of Lincoln, she was so lucky we didn't ask to press charges on that psycho, but they still sent her to Aunt Ruth's because the nice sisters wanted to kill her, and when they found out Lynn, Lola, Lisa, and Luan had a hand in this, we threw them into a huge metal box. Lynn roared and tried to beat down the door with her fists, but Nicholette Torrington flipped those four the bird, and that caused Lisa, Lola, and Luan to scream with bloody revenge and Lynn to roar again and beat her chest like a gorilla.

Nico: Jeez, okay, I knew Lori turns into an insane psycho because of Dark Lori, but running in public with a knife in hand and trying to kill her own brother, that's just going too fucking far.

Me: Lori was lucky no one was pressing charges, but no one spoke to her, and when they found out Lynn, Lola, Lisa, and Luan were also part of it, they also got their just desserts as well, and honestly, Nicholette was really taking some really huge risks giving the bad Loud sisters the bird.

Bertha Sellington: We were worried Nicholette was going to lose a finger, and when they threatened to cut off her finger, she would remind them if they dared to cross The Dark World Goth Girls, they'd be put on our same kill list, and at the top of that list were Damian Alaister and his fucked-up Church of Necrom cronies.

Lincoln: And Bertha was serious about that, if they ever saw Lori, Lynn, Lola, Lisa, and Luan try to kill me again, they would be targeted along with The Church of Necrom, and since many of them had a grudge against them, they would have all the more reason to kill them.

FLASHBACK ENDS

Technus: Good grief! That had to be the meanest I've ever seen or hear about Lori in that one.

Featherweight: Yeah you're not kidding there. That was awful!

Sprocket: We're really lucky that Lori didn't get arrested back then.

Sam Manson: Yeah that was awful that happened back then.

Maddie Fenton: You're not kidding there.

Jazz Fenton: That was insane that all that happened back then.

Technus: You're not kidding there. Lets do it for I, Technus - Master of All Things Electronic and Beeping, am ready!

Tara: Yes he sure did and Madame Odius tricked him into thinking that the rangers stole something from her and sent him to get it back for her.

Applejack: But Skyfire realized that he was duped.

Apple Bloom: Thanks to Brody helping him out.

Flashwing: Yeah and that was amazing to hear about.

Ren Hoek: Boy it sure was amazing to learn about the history of Sheriff Skystar.

Beast Boy: And that is traveling from planet to planet and getting criminals out of the stars.

Rainbow Dash: He is a really awesome law officer.

Scootaloo: He sure is and Tom and Sheila would be a great help to him too.

Whirlwind: I agree there myself and that is awesome.

Spitfire: You got that right. I think it's an awesome idea too.

## Kole, Rarity, Sweetie Belle, Water Skylanders, Shanan, Starfire, Bowser and Bertie VS The Salami Swami - Starfire had a nasty encounter with the Cironielian Chrysalis Eater before

---

Salami Swami was next.

Salami Swami: (to Kole) (Hindu Accent) Starfire had a nasty encounter with the Cironielian Chrysalis Eater before. Isn't that where she also got a zit?

Kole: Yeah it sure is! But it's not really a zit to tell you the truth.

Shanan: Tamaranean Biological Physiology is much different than humans and they undergo a really bizarre and crazy metamorphosis. What happened was that Starfire grew a horn in the middle of her forehead, she grew tusks on her neck, she would get these weird Zebra colored elongated fingernails, crave really bizarre foods, get pointy ears like those of an elf, get reptilian scales on her skin and her feet would turn into those of a hairy Sasquatch. It's part of like what a caterpillar goes through. Starfire was going to turn into a cocoon.

Starfire: It's true. That is what happened to me back when I underwent this.

Salami Swami: That is bizarre!

Rarity: Oh it most certainly is darlings. I never even knew this happened.

Sweetie Belle: Blackfire and Wildfire underwent the same thing and without a doubt since Gabrielle Victoria is half Tamaranean she will probably go through the same thing.

Gill Grunt: I have that same feeling myself.

Salami Swami: Wow that is really crazy. Lets do it!

SALAMI MEAT STORM MAGISWORD!

Kole activated her ridewatch and they fired waves of water, ice, jewels and meat and smashed him down.

---

Akiza Izinski, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Lola, Lana, Lexx, Leif, Tania and Valon VS Robo-Roxy - Starfire was nearly lunch because of the Cironielian Chrysalis Eater.

---

Robo Roxy was next.

Robo Roxy: (to Akiza) Starfire was nearly lunch because of the Cironielian Chrysalis Eater. And it fooled her with a disguise.

Akiza: Yeah that was scary and creepy! Talk about a wolf in sheep's clothing.

Fluttershy: That is a scary way to put it but yeah that's right.

Tornado Bolt: Starfire never even knew it was a predatory creature that was going to kill her!

Seabreeze: (Swedish Accent) But thank goodness the titans found her or who knows what would have happened.

Stealth Elf: I don't even want to think about that.

Lola: Boy me neither. That is scary.

Lana: No kidding there.

Lexx: Yeah that creature is scary and ugly.

Leif: No kidding there!

Valon: (Australian Accent) You're not kidding there mates. Seeing it is just as bad as facing it.

Robo Roxy: No kidding! Lets do it!

Akiza activated her ridewatch and they fired waves of fire and leaves, grass, flowers, fruit and energy and smashed her down.

---

Mysterio was next.

Mysterio: (to Yusei) If Starfire didn't turn into a Chrysalis, she wouldn't have gotten awesome laser vision. And which Heartless robots can I use?

Yusei: How about Fat Bandits?

Mysterio: Good choice.

He summoned a bunch of Fat Bandits.

Yusei: I agree there. Starfire getting that laser vision is amazing.

Starlight Glimmer: That is a really awesome power there.

Cozy Glow: I think it's really cool too.

Hex: Tamaranean powers evolve in some way like that when they turn into a cocoon.

Maria: That is really awesome and cool.

Carmen: It sure is awesome and amazing too.

Liam: Boy howdy it sure is.

William: I think it's awesome myself.

Mysterio: Indeed. Lets do it!

STARDUST FIRESTORM FLARE MAGISWORD!

Yusei activated his ridewatch and they fired waves of stars, lightning, magic, bones, blood, skulls and energy and smashed him down.

## Marinette, Adrien, Princess Celestia, King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Shred Naught and Trolling Thunder VS Absorbing Man - That Cironielian Chrysalis Eater is dead meat

Absorbing Man was next.

Absorbing Man: (to Marinette) That Cironielian Chrysalis Eater is dead meat. And what can I absorb around here?

Marinette: Plenty of trees and some crystal here too.

Adrien: But this planet that we're on that Starfire came to was really scary.

Princess Celestia: It's hard to imagine that Starfire went through something like this.

King Solar: No kidding there. That was awful.

Solar Eclipsa: Yeah that was scary.

Amber Morning: But it's part of the natural cycle for Tamaraneans.

Spotlight: I agree there. That was crazy though.

Absorbing Man: Yeah no kidding. How is your arm doing Marinette?

Marinette: Still hurts but I'll be all right.

Absorbing Man: Good. Lets do it!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Maygina.

A figure came out, and it was none other than Pennhua of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Pennhua, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Pennhua: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Rhonda Hazeltucker: The only one who deserves to be destroyed is you.

Suddenly, Rhonda Hazeltucker's purple eyes turned neon purple and she was surrounded by a black and golden yellow energy aura with light, darkness, dragons, phoenixes, and light and dark angels, she unholstered her massive Elemental HERO Chaos Neos-themed greatsword from her back, and as she approached Pennhua, she left black and golden yellow energy, light, darkness, dragons, phoenixes, and light and dark angels with every step.

Rhonda Hazeltucker: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Pennhua: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Rhonda Hazeltucker was surrounded by a massive vortex of black and golden yellow energy with light and darkness surrounding it, there are dragons, phoenixes, and light and dark angels and Elemental HERO Chaos Neos flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Pennhua: the red eyes of death. Then, as the vortex faded, Rhonda Hazeltucker emerged, but she was changed forever.

Rhonda Hazeltucker grew to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her short black and golden yellow hair, she has neon purple eyes and a black and golden yellow energy aura with light, darkness, dragons, phoenixes, and light and dark angels surrounding her, she has Elemental HERO Chaos Neos emblazoned on her forehead and Third Eye with purple iris, she has on dragon earrings with purple gems for eyes and holding the Chaos, Light, Darkness, and Eternity Kanjis in its claws, she also has Elemental HERO Chaos Neos with purple gems for eyes and holding the Chaos, Light, Darkness, and Eternity Kanjis in its hands on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold flame links. Rhonda Hazeltucker has on a sleeveless black blouse, sleeveless yellow crop top, black skirt, yellow pants, black legwarmers, black and yellow sneakers, and long sleeveless white trenchcoat with light, darkness, dragons, phoenixes, and angels on the coattails, and on the back is Elemental HERO Chaos Neos surrounded by light and darkness. Suddenly, Rhonda Hazeltucker felt a sharp pain on her back, and then, her massive golden yellow angel wings with black tips on the large yellow feathers, grew much bigger for her new body and she now has eleven massive and long black and golden yellow wolf tails. Rhonda Hazeltucker has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rhonda Hazeltucker's massive Elemental HERO Chaos Neos-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and golden yellow energy, light, darkness, dragons, phoenixes, and light and dark angels and when it emerged, it transformed into Elemental HERO Chaos Neos' Light and Darkness Draconic Phoenix Chaos Greatsword of Twilight Chaos Neos Justice, it's a brand-new massive greatsword with embedded purple gems and Elemental HERO Chaos Neos etched on the 7'0" massive, wide, double-edged dark black blade, large black dragon heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with yellow gems for eyes and large purple gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Elemental HERO Chaos Neos' head with purple gems for eyes and a large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Elemental HERO Chaos Neos that said, "Rhonda Hazeltucker, Gene-Slammer of Elemental HERO Chaos Neos, Elemental Angel of Chaos, Loving Sister of Abigail and Melanie Hazeltucker, Master of Chemistry, Future Wife of Nico Chan, Archenemy of Tooth Fairy and Rupert, Destroyer of Pennhua of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Darkness, Chaos, Dragons, and Phoenixes"

Rhonda Hazeltucker has transformed into SUPER ANGEL-

ELEMENTAL HERO CHAOS NEOS-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX TWILIGHT CHAOS LIGHT AND DARKNESS ELEMENTAL HERO CHAOS NEOS STORM ANGEL OF DIVINE TWILIGHT CHAOS NEOS JUSTICE AND DIVINE TWILIGHT CHAOS NEOS LOVE!

We were amazed by Rhonda Hazeltucker's Super Angel-Elemental HERO Chaos Neos-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Pennhua saw it, he fell into an infernal rage and he got out his blaster to blast her, but Rhonda Hazeltucker fired a powerful black and golden yellow energy blast with light, darkness, dragons, phoenixes, and light and dark angels at Pennhua, which hit him and pushed him back and he also got electrocuted, but this really pissed him off now.

Abigail Hazeltucker: Whoa, Rhonda's transformed, that's so awesome.

Sarah Tinsley: That's really incredible, and she really burned Pennhua badly.

Nico: And she's really got him pissed off now big time.

Rhonda Hazeltucker: (Divine Echoing Cosmic Voice of The Twilight Chaos Phoenix Elemental HERO Chaos Neos Angel and Divine Draconic Phoenix Twilight Chaos Neos Love) And now, death is finally coming for you, Pennhua.

Nico: Let's get him, Rhonda, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Rhonda Hazeltucker.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Rhonda Hazeltucker and Nico went after Pennhua who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and golden yellow energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Pennhua and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Pennhua, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Pennhua took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Pennhua began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Pennhua has transformed into his King Ghidorah Hybrid Monster form.

Pennhua fired a Gravity Lightning blast at Rhonda Hazeltucker and Nico who dodged it.

Lincoln: Rhonda, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Pennhua from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Pennhua and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Pennhua into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Rhonda, let's end this asshole for good.

Rhonda Hazeltucker: (Divine Echoing Cosmic Voice of The Twilight Chaos Phoenix Elemental HERO Chaos Neos Angel and Divine Draconic Phoenix Twilight Chaos Neos Love) You got it, Nico.

Rhonda Hazeltucker and Nico sent Pennhua flying into the air, and then, they prepared their combo to put an end to Pennhya.

Rhonda Hazeltucker and Nico: DRACONIC PHOENIX ELEMENTAL HERO CHAOS NEOS KAMEHAMEHA!

Rhonda Hazeltucker and Nico fired two massive black and golden yellow energy Kamehameha waves with light, darkness dragons, phoenixes, and light and dark angels which hit Pennhua, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Rhonda Hazeltucker and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Rhonda Hazeltucker and Nico holster their massive greatswords on their backs and powered down, and Rhonda Hazeltucker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black and golden yellow wolf tails, and massive golden yellow angel wings are permanent.

Rhonda Hazeltucker: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-six members to go. Thanks for helping me destroy Pennhua once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Rhonda.

Suddenly, Rhonda Hazeltucker wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Rhonda Hazeltucker's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Elemental HERO Chaos Neos flying in the air, and we saw many animals running across the field, along with elemental forces and light and darkness behind them and we cheered wildly. Then, Nico and Rhonda Hazeltucker absorbed the light and darkness and they came back to us as the display and Elemental HERO Chaos Neos vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Melanie.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Hilliya, which means you're up next, Varie.

Varie Volcania: Yeah, we'll make Hilliya pay.

Nico: We sure will.

Victoria Kurenai: And now, for your rescue tomorrow, Lincoln, we're going to be meeting the Embodiment of Kamen Rider Ixa.

Lincoln: You said it, Victoria, this is going to be so awesome.

Umihana Kamihara: Say, weren't there many users who became Kamen Rider Ixa before Keisuke?

Wataru: That's right, Umihana.

Lincoln: We'll see who the Kamen Rider Ixa Embodiment is related to tomorrow on my rescue.

Xaldin: There. Now it won't hurt anyone anymore.

Waffle Woman: Or eat them.

Me: Good riddance.

Salami Swami: Now, Gabrielle has nothing to worry about during her puberty cycle.

Robo Roxy: When would that be?

Absorbing Man: Hopefully not for another few years.

Me: One can hope.

Nico: I agree there. But great job today everyone.

Starfire: Thank you all so much for helping me.

Me: You're welcome Starfire.

Qin: It was awesome.

Blackfire: (To the viewers) Hope you all enjoyed this awesome adventure with us today.

Lincoln made Kaylee a tiara with the Kamen Rider Ixa symbol on it and necklace with Kamen Rider Ixa symbol for the pendant, and to show thanks, she kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night. She's also the sister of Keisuke Nago A.K.A. Kamen Rider Ixa, and she hates Lynn with a burning passion.

Lisa and Lily along with Lincoln's team consisting of Slab, Kurumu, Moka, Yukari And Ruby Tojo and Electro and his team consisting of Evil Elec Man, Legion Ex Machina, Metal Alice, Princess Archerina and Puffin and we were there for an awesome rescue. We found out that numerous Fangs were at large and they are wreaking havoc all over the land now that Gnag is dead.

Me: This is gonna be so awesome.

Xenia: Yeah it sure is!

Janeen Aran: And I'm honored that I'm coming with you guys.

Vinyl Scratch: We are too Janeen.

Lola: Yeah this is gonna be awesome and fun.

Nico: I'm really excited for this rescue, gang, because, this is going to be a precursor to the extinction of the Fangs.

Me: Yeah, we're going to destroy numerous Fangs that've been sighted here on Aerwiar.

Leeli: They've caused us enough trouble for the final time.

Lincoln: Yeah, we'll put an end to them for good. Plus, I've got a feeling the next Another M.O.E. is the next wielder of the Sword of Rage Shenron, The 5 Star Shadow Dragon of Lightning.

Nico: How did you even know about that?!

Eli: It's more than just omniscience, Nico, remember, he got his lightning powers from Hinon.

Lincoln: And that I defeated Rage Shenron when we went after the Seven Shadow Dragons in the Simulator, and that was after we got rid of Broly.

Anna Anyanova: And it's also more than just omniscience, Eli, Lincoln's always a sharp kid when it comes to remembering.

Sabrina Lorelai: Along with remembering the incidents with Lori, Lynn, Lola, Lisa, and Luan, all due to Killjoy Huggins' hatred. What a disgusting piece of trash.

Me: You got that right!

Leeli: It's just horrible that Principal Huggins' Dark Side was the one responsible for your pain and suffering, Lincoln.

Qin: Yeah no kidding.

Girl Jordan: And this was all back when he was in Third Grade, and he did this right under everyone's noses. That was really disgusting and evil, he really is nothing more than a piece of garbage, but we sent him straight to The Black Gates for good and ended the one person responsible for the pain and suffering Lincoln went through due to Lori, Lynn, Lola, Lisa, and Luan.

Me: He was the true Devil Incarnate of Royal Woods.

And thanks to the spiritual connection she has with Leeli, she knew Leeli was also developing feelings for Lincoln because of how he was helping her, and she was proud of him and her both.

Nico: Lincoln, I want to thank you, Electro, and your teams for coming.

Lincoln: No problem Nico. Even though I'm always with you guys it's gonna be so awesome and fun.

Lola: Yeah we're glad you're having fun with us.

Slab: Yeah this is gonna be fun.

Nico: Slab, what do you like to do in your free time?

Slab: I like relaxing in wet cement. It's always good relaxing.

Lincoln: Boy I haven't done that in a while.

Me: That is cool though.

Qin: It sure is.

Slab: The Ripping Friends do it all the time after having a good time ripping the secrets from Nature.

Crag: We sure do Slab. It's awesome.

Chunk: Boy it sure is relaxing too. Especially when I throw some in Rip's face.

Rip: Yeah. (Realizes something) Why you!

POW!

He punched Chunk in the face.

We laughed.

Me: That is so funny.

Nico: (LAUGHS) Yeah nothing like a little R&R after an awesome day of adventure and fun.

Juran: I should try that sometime.

Nico: Go for it. As long as it doesn't harden up.

Juran: I'll be all right.

Qin: We have a Wet Cement tub in front of the TV and it's great.

Crag: Boy it sure is.

Varie: And it's fun and cool to see.

Me: Yesterday's mission was a crazy one.

Nico: Good thing no Tamaraneans went through puberty yesterday.

Me: Yeah that is a crazy form of puberty.

Xenia: At least it didn't happen to Gabrielle yet. But I have a feeling it will happen soon.

Leeli: We just have to be ready for that soon.

Nico: And we will. But that Chrysalis Eater was ugly.

Camie: No kidding there.

Nico: Hard to believe it tried to eat Starfire before.

Me: No kidding.

Shanan: But it was amazing learning about Tamaranean Physiology like that.

Sunset Shimmer: It sure is amazing too.

Twilight Sparkle: I agree there too.

Camie: That is cool.

Nico: Any tips for when Gabrielle goes through her own puberty?

Shanan: Hmm. We'll have to put her in a special room for protection and incubation.

Qin: Good idea.

Me: This is still very new to me but it's amazing though.

Nico: It sure is. But good advice.

Shanan: Thanks.

Nico: No Fangs so far.

Me: Stay alert though.

Suddenly, we heard the sound of snarling in the air, and we saw our targets: an army of numerous Fangs.

Me: Uh oh, we got Fangs running loose.

Nico: Here they come!

Lincoln: Say, aren't there three different types of Fangs the siblings had to deal with?

Me: Yeah: the lizard warriors are Green Fangs, the grey wolf warriors are Grey Fangs, and the bat warriors are Bat Fangs.

Nico: Looks like we got a mix of them, and they're out for blood because of what we did in destroying Gnag.

Leeli: I should've known. But, this is the last time we ever have to deal with them.

Qin: Soon it will be the last!

Nico: Lets get them! ATTACK!

We went at the Fangs and they came at us roaring and snarling and then we kicked and punched and pulverized them.

POW! BLAM! SMASH WHAM!

We punched, bashed, smashed and pulverized them all over the place!

Maria took out a grenade and threw it.

Maria: Fire in the hole!

It hit a bunch of Fangs and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blasted them all over.

Suddenly, Leeli's eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, sea dragons, sea animals, and sea angels, she unholstered her Destroyer of Gnag the Nameless greatsword from her back, and as she approached the numerous Fangs, she left aqua blue energy, water, ocean waves, sea dragons, sea animals, and water angels with every step.

Leeli: For too long, you Fangs have caused us more than enough trouble to last an eternity, and all in the service of Gnag the Nameless, and now that he's gone, you still desire to destroy

Aerwiar in his name. That is something I will never forgive, and now, I will see to it that you pay for your crimes in full.

Suddenly, Leeli was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding the vortex, there are sea dragons, sea animals, and water angels flying around the vortex, and in the vortex is a brown phoenix. Then, as the vortex faded, Leeli emerged, but she was changed forever.

(YURGEN'S TUNE PLAYS)

Leeli grew to 7'4" in height, she has the body of a goddess, she has aqua blue highlights in the bangs of her long brown hair, she has neon aqua blue eyes and an aqua blue energy aura with water, ocean waves, sea dragons, sea animals, and water angels surrounding her, she has a beautiful sea dragon emblazoned on her forehead and Third Eye with aqua blue iris, she has sea dragon earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands, she also has a sea dragon with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands for the pendant below the aqua blue sea dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Leeli has on a long-sleeved dark blue dress, dark blue knee-high boots, and long sleeveless white trenchcoat with water, ocean waves, sea dragons, sea animals, and water angels on the coattails, and on the back is a sea dragon surrounded by ocean waves. Suddenly, Leeli felt a sharp pain on her back, and then, massive brown angel wings with aqua blue tips grew and sprouted out of her back and she now has eleven massive and long brown wolf tails. Leeli has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Leeli's Destroyer of Gnag the Nameless greatsword and all the greatswords she'd gotten began merging together, and they're surrounded by a kaleidoscope of aqua blue energy, ocean waves, water, sea animals, sea dragons, and water angels, and when it emerged, it was transformed into Anniera's Melodious Maelstrom Sea Dragon Greatsword of Sea Dragon Water Music Justice, it's a brand-new massive greatsword with embedded aqua blue gems and a sea dragon etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue sea dragon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large aqua blue sea dragon heads with blue gems for eyes and large aqua blue gem below the sea dragon heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold sea dragon head with aqua blue gems for eyes and a large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Leeli Wingfeather has transformed into SUPER ANGEL-SEA DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA

SPIRITUAL SONG MAELSTROM SEA DRAGON ANGEL OF DIVINE SPIRITUAL SONG WATER SEA DRAGON JUSTICE AND DIVINE SPIRITUAL SONG WATER SEA DRAGON LOVE!

We were amazed by Leeli Wingfeather's Super Angel-Sea Dragon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he tried to keep his cool, but Girl Jordan knew and saw he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Girl Jordan: (Snickers) Yep, I knew it.

Nico: You were definitely right about it, Girl Jordan, Lincoln definitely has feelings for Leeli.

Me: And she also has feelings for him, and the kanji on her sleeveless white trenchcoat is the proof needed to prove the case.

Girl Jordan: That, along with my spiritual connection with her.

But, when the numerous Fangs saw it, they fell into black rages and ran at her to kill her, but Lincoln fired blasts of water at them and drenched them, and Leeli fired powerful blasts of aqua blue energy with water, ocean waves, sea dragons, sea animals, and water angels and killed some of them, and it really enraged the rest.

Leeli: (Divine Echoing Cosmic Voice of The Melodious Maelstrom Sea Dragon Angel and Divine Spirit Song Water Sea Dragon Love) **Thank you for the assist, Lincoln. Now, I think it's time we get rid of the Fangs that were sent to kill us.**

Lincoln: Right, Leeli.

Me: Wow! That is awesome!

Xenia: YEAH!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super

Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Leeli.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You bloodthirsty beasts are going to pay for everything you've ever done in Gnag the Nameless' name.**

Leeli and Lincoln went after the numerous Fangs, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Fangs and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his claws, and they were really, really, really pissing off them off now.

Then, they played a song on their flute and Whistleharp and they summoned massive waves of water which crashed into them and drowned them, and it also washed away their weapons.

Me: Wow, now that was really awesome.

Girl Jordan: Playing a song on their instruments which summoned those massive waves of water to crash into them, that was really brilliant. (Senses something) Uh oh. Guys, do you remember the finishing move Lincoln used on Antonio Maldonado and his Order?

Anna Anyanova: The one where he fires a blood red and black energy beam which hits the targets and Lincoln sucks out their blood, energy, and life force and reduces the targets to a desiccated corpse? You think he's going to use it on the Fangs?

Eli: If he does, maybe, we can also find out who's still leading the Fangs now that Gnag the Nameless is gone for good.

Nico: Let's keep it up!

I fired blasts of energy and blasted the Fangs all over.

Xenia: I'm in the mood for a new snakeskin wallet!

Xena fired arrows and skewered the Fangs heads.

Lola: Take this!

Lola fired waves of fire and incinerated them all over.

Lana fired waves of ice and froze them all over in blocks of ice and blasted them into a million pieces.

May: Chill out!

May fired ice waves from her freeze ray and with her powers and froze them.

Me: You guys smell with forked tongues? Sniff on this!

LOUD FART TOOT!

I farted in their faces at point blank range and they threw up all over.

Camie: Nice one!

Qin: Yeah!

Janeen fired waves of lightning and electrocuted the Fangs all over.

Janeen: Shocking!

Sora Phaaze: So is this!

She fired Phazon blasts and obliterated numerous Fangs all over!

Qin: YEAH!

Leeli fired waves of energy and blasted them all over.

Lincoln fired waves of blood red and black energy beam which hits the numerous Fangs and Lincoln sucked out their blood, energy, and life forces and they were reduced to desiccated corpses drained dry of life, and when their spirits appeared, Leeli and Lincoln played another melody on their flutes and it banished them to The Black Gates for good. We cheered as Leeli and Lincoln holstered their massive greatswords on their backs and powered down, and Leeli Wingfeather's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

The Fangs retreated and went back to the shadows.

Leeli: That'll teach you rotten monsters a lesson you'll never forget. (To Lincoln) Lincoln, I want to thank you for helping me with taking those monsters down, and I don't know if I should probably do this, but… !

Suddenly, Leeli Wingfeather wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, but he still smiled warmly and he understood why she did it, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Leeli Wingfeather's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and a sea dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Leeli Wingfeather absorbed the light and they came back to us as the display vanished.

Girl Jordan: Now, that was really so sweet.

Nico: It sure is.

Me: But, how did you even know about it the first time, Girl Jordan?

Girl Jordan: When Leeli and I formed our spiritual connection, I suddenly picked up on her feelings and what she was feeling in her heart, thanks to what Lincoln's been doing with helping her, and I knew that she was falling in love with him.

Anna Anyanova: Wow, that's really powerful.

Nico: Spiritual connections are definitely that powerful, Anna, it feels as though you are in sync with that very person.

Lincoln: It sure is, and Leeli, I'm glad you told me your feelings through your actions, and to tell you the truth, I also had feelings for you too.

Lily: And that kiss and hug was definitely proof of that, Linky.

Rarity: She's right, but it's so cute that you also had feelings for Leeli. Wait, are you sure her brothers won't get suspicious about this?

Leeli: They already knew about it, Rarity, so they're okay with it.

Eli: Whew.

Nico: But that was awesome everyone! Great job!

Janeen: That was fun! But we're not done yet.

Eli: Nope. I sense Another Gandrayda and Another Electro coming.

Nico: Are they close?

Eli: 25 klicks. Another Gandrayda is first.

Janeen: This one is gonna be interesting. Just like my mother she can change into anything and anyone.

Qin: Whoa.

Me: She's a shapeshifter and infiltrator.

We saw what appeared to be William walking to us.

William: Hey guys. Thought you use the help.

Me: William?

Eli: Wait a second. You can't be William.

Maria: Yeah he is back at the estate.

Janeen: Yeah drop the act.

He laughed and we saw it changed and that it was a dark version of Gandrayda! It was ANOTHER GANDRAYDA! Another Gandrayda laughed.

Qin: Nice try there.

Xenia: Yeah that was a good one.

Another Gandrayda: It sure was.

Sora Phaaze: (GASP) That voice.

Another Gandrayda reverted back and it was a girl with aqua blue hair in a ponytail and had blue clothes and had blue eyes as well as neon blue angel wings and a magenta scythe surging with pure purple lightning.

Sora Phaaze: Aylene Arcterra!

Aylene Arcterra: Awesome to see you again Sora and you too J.D.

Me: Same here Aylene.

Xenia: That was clever.

Aylene Arcterra: It sure was.

Me: Yeah.

Aylene Arcterra: I bet you would've loved to bring the real William along

Maria: We sure would have. That was really clever though. You had us almost fooled.

Aylene Arcterra: I know. Janeen I heard about what happened to your mother Gandrayda and that was awful that happened to her.

Janeen Aran: I know. But Gandrayda is back now.

Nicole: The Phazon Crisis really had a huge toll on numerous people all over the universe.

Aylene Arcterra: It sure did and it was really awful.

Sora Phaaze: That's why we're going to destroy the Space Pirates once and for all. To make sure they never return but also make sure that Dark Samus never causes anymore corruption.

Nico: Though Dark Samus is in the Masters of Evil already.

Me: The Super Smash Brothers Version is but not the ones from either Metroid Prime Echoes or Corruption.

Aylene Arcterra: That makes sense. It's hard to imagine that Dark Samus can cause so much damage to everything.

Nico: At least we made sure she is stopped when we were on the planet Aether.

Camie: That was awful though.

Nico: Who's up first?

Janeen Aran: We agreed that I would go next.

Nico: Oh right. Forgot.

Janeen Aran: Here we go. One last thing. Is the Another Electro friendly or hostile?

Aylene Arcterra: Friendly and this one has incredibly strong and intensely powerful lightning powers.

Xenia: Wow this one will be good.

Me: No kidding.

Nico: Yep.

Qin: Yeah.

Nico: Go for it, Janeen

Janeen: With pleasure.

She had lightning surging on her hands.

Aylene turned into Another Gandrayda and turned into Ghor!

Janeen fired waves of lightning and blasted her down.

Another Gandrayda: Very good.

She fired plasma beams and Janeen dodged them.

Janeen fired a Wavebuster blast an electrocuted her all over.

Janeen: My mother was called to the Space Pirate Homeworld and Dark Samus made her go nutsy cuckoo because of the Phazon in that suit.

Another Gandrayda: I heard about that.

Nico: Keep it up, Janeen!

Janeen fired waves of lightning and electrocuted her.

Janeen dodged ice blasts when Another Gandrayda turned into Rundas and Janeen blasted her all over.

Then Janeen fired a blast of lightning and knocked her down. I caught the Wonder Ride Book and it was called The Lightning Shapeshifter Bounty Hunter.

I went and picked up Aylene and brought her over.

Maria: Time for some backup.

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) BANDIT REBEL 6!

She summoned Jet, Walter Wolf, King Zing, Web Crusher, Teeny, and Universe 666 Legend Arc, along with Boss Dumb Drum, Necky, King K. Roll and Army Dillo.

Nico: YEAH!

Qin: This is gonna be awesome.

Nico: Let's hear for any electric sounds.

We heard for anything like that.

Leeli: Hmm.

Qin: I don't hear anything.

Nico: Keep searching. Another Electro is around here somewhere.

We looked around and then…

THUNDERCLAP!

We saw a huge bolt of lightning strike out of the ground!

Me: Wow!

Nico: Right on cue!

Then a figure came out and it was a dark version of Electro! It was ANOTHER ELECTRO!

Me: Whoa! Electrifying!

Lola: Shocking!

Me: And if I had to guess it's you Rachel Rage.

Another Electro: (In a girls voice) What gave me away?

She reverted back and was a girl with purple hair and purple clothes and had a sword of incredibly powerful lightning and it had the 5 Star Dragonball in it.

Nico: The wielder of the Sword of The 5-Star Dragon!

Lola: Yep.

Kaito: (Gets out Bioman gear) Did Swartz promise you anything?

Zocks: (gets out Dynaman gear) Because we can grant it instead.

Rachel Rage: Just to master the power of lightning and this sword.

Me: That is something we can do.

Qin: Yeah we sure can.

Kaito got out a Biosword and Zocks got a Dyna Sword.

Me: Sorry we have to fight like this Rachel but it's the only way to save you.

Rachel Rage: I know.

Me: Rage Shenron was the 5 Star Dragon and the dragon of lightning and electricity. He got his power from absorbing lightning and electricity from his surroundings.

Lincoln: It's true.

Rachel Rage: I know. That is amazing.

Qin: It sure is.

She turned into Another Electro.

Sougo: (Gets out Bioman Ridewatch) And Electro over here is one of the masters of electricity.

Geiz: (gets out Dynaman Ridewatch) This is fitting for you.

Sougo got Red1Armor while Geiz got DynaRedArmor.

Electro: I agree there.

Me: So lets start this off with an electrifying shock!

Nico: You read my mind! DRAGON THUNDERCLAP!

Nico's 5-Star Dragonball on his bracelet glowed and he fired a wave of lightning and blasted her down.

Nico: OH YEAH! Now for this one. (ACTIVATES ELECTRO'S RIDEWATCH)

He fired a wave of lightning and electrocuted her all over.

Nico: And top this one! (ACTIVATES EVIL ELEC MAN'S RIDEWATCH) THUNDER RAY!

He fired a massive blast of lightning and smashed her down.

May: (Gets out Legion Ex Machina's Ridewatch) Will I be using Number 7's powers as well with this?

Me: Yes you will May.

May: Awesome!

May activated it and fired energy blasts and they hit her left and right! They were all the weapons powers of the Legion Ex Machina!

Qin: Wow that was powerful!

Me: Number 1 the powers of the weapons that you all have are absolutely amazing.

Number 1: Indeed. They were all made by us.

Number 6: They sure were cool.

Me: I agree. Also I don't know how Count Venamus was able to salvage what was left of the ARGO 12000 robot you guys built. He was piloting a huge Kaiju Size robot built by you.

Number 3: That is really interesting. It would seem he managed to modify it to his needs.

Me: Venamus was a technogenius there.

Nico: We salvaged all the parts from that huge robot and we're going to use it someday.

May: (gets out Metal Alice's Ridewatch) Now for this!

She activated it and fired waves of energy and smashed her down.

Xenia: Nice one!

Maria: Lets see what this does. (ACTIVATES PRINCESS ARCHERINA'S RIDEWATCH)

She fired waves of energy and arrows and smashed her all over.

Maria: Penguin would not like this one. (ACTIVATES PUFFIN'S RIDEWATCH)

She fired waves of ice and smashed her all over.

Slab: YEAH! IT'S RIPPIN TIME!

He activated Evil Elec Man's ridewatch and he fired waves of lightning and smashed her down!

Then Fixer, Evil Spring Man, Robert Vance, Minions of Set, Jack The Zipper and Setsuna came.

Nico: Nice team, Fixer!

Fixer: Thanks Nico. Cool huh?

Nico: Yep.

Qin: This is gonna be awesome.

Nico: Jack the Zipper? Any similarities to Jack the Ripper?

Jack the Zipper: (LAUGHS) Everyone thinks that but I'm just a zipper with an eye.

Xenia: That is funny.

Qin: It sure is.

Maria: Where's the Next Gene Slammer?

Then a figure flew in and it was a Flygon!

Qin: Cool a Flygon!

Me: Awesome Pokemon there.

Flygon: (In a girls voice) (Russian Accent) Looks like the action was done.

Nico: Svetlana Yevdokiya Bershanskaya!

Flygon: That's right Comrade Nico. Good to see you again. I got this.

She fired waves of energy and blasted down Another Electro and I caught the ridewatch and purified it and I went and brought over Rachel Rage.

Flygon reverted back and was a girl with green hair and red eyes and had a green clothes and green angel wings and had a red scarf around her neck.

Svetlana Yevdokiya Bershanskaya: That was so awesome.

But, now Lucius Lazarus has come back, and now, he wants revenge on the Ghosthunters Club, but we're going to destroy that evil vampire lord once and for all and see to it he never comes back.

Lincoln: Wow, we're here in the northern district of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the five girls here, but Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki Masaki Jurai, and Lina Jaharbag, we got some bad news that none of us are going to like in the slightest: our old enemy, Lucius Lazarus, has come back, and he wants revenge on us.

Isabella Purazumagōsuto, Maria Hēibiānfú, Chihiro Hakubi, Miyuki

Masaki Jurai, and Lina Jaharbag gasped in shock.

Isabella Purazumagōsuto: (Japanese Accent) What, that vampire lord has come back for revenge on us?!

Maria Hēibiānfú: (Chinese Accent) Even after we drove him off five years ago, he just won't quit, but we'll finally have a chance to finish what we started years ago, and destroy him for good.

Nico: So, we got another old enemy of The Ghosthunters to deal with. Lincoln, can you tell us about Lucius Lazarus? I've got a feeling none of us are going to like him one bit.

Lincoln: You're definitely right about that, Nico. Lucius Lazarus is another one of The Ghosthunters Club's many enemies, and he's a dangerous and powerful vampire lord whom we faced off against five years ago. We did some research on him after finding out he's been feeding on the blood of thugs and criminals every night, and what we found on him was really dark: it turns out he killed millions of people during his time back in the 11th Century in the year 1047, and even worse, he gathered the blood of his slain enemies and he drank it. But, because of drinking the blood of those he killed, it caused him to turn into a vampire, and he'd lived for more than 900 years.

We gasped.

Me: Yikes, and he's said to be really powerful, right?

Lincoln: Yep, he has the powers of the dark forces and the undead under his control, that was until we defeated him, but he fled before we could deliver the final blow unto him, and he swore that one day, he'd return to get his revenge. But, we're not going to let him have his revenge on us, we're going to finish what was started those five years ago and destroy him for good. And I want to thank you and your team for joining us, Linka.

Linka: You're welcome, Lincoln. There's also a chance he'll have his vampire followers with him, so you know what that means.

Lincoln: Yep.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the white wolf ears on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail above his white wolf tails, and he let out a powerful howl. Lincoln has transformed into Lincoln The Nocturnal, Defender of The Night.

Lincoln: (Beastly Voice) And I'll also use my tails to suck out the blood of his vampire followers along with biting that vampire on the neck and sucking out every last drop of blood from his body.

Suddenly, we saw a beautiful girl with long blue hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark blue angel wings, she has on a tiara with the Kamen Rider Ixa logo, she's dressed in a sleeveless black blouse, sleeveless dark blue midriff top, necklace with the Kamen Rider Ixa logo for the pendant, dark blue skirt and she has a Kivat with her and Fuestles around her waist, black pants, black knee-high boots, and long white long-sleeved trenchcoat with darkness, bats, swords, and angels on the coattails and on the back is the Kamen Rider Ixa logo and holstered on her back is a massive Kamen Rider Ixa-themed greatsword with embedded dark blue gems and a Kivat etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue bat heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large dark blue bat heads and large dark blue gem on the bottom of the large dark blue bat heads for the pommel, and she has the five girls with her.

Qin: Whoa, who's that?

Wataru: That must be the Kamen Rider Ixa embodiment that Lincoln mentioned yesterday.

Girl: That's right, and I got the five girls away from that bloodthirsty vampire and his army of minions before they could attack them.

Lincoln: (Beastly Voice)(Gasps) That voice, Kaylee Nago, Embodiment of Kamen Rider Ixa, I knew it was you, it's awesome to see you again.

?: I will have my revenge on you for ruining my plans to feed on Royal Woods, Ghosthunters Club!

Suddenly, we heard a roar of pure rage in the distance, and we saw our target fast approaching us: it was Lucius Lazarus, he's a tall vampire with long pitch black hair, black and red clothes, claws on his fingers, and black boots, and he was really enraged.

Lincoln: (Beastly Voice) I should've known you'd show up once again, Lucius Lazarus, and I'm not that surprised to see you haven't changed in the slightest, but either way, I'm going to enjoy ripping you to shreds, you bloodthirsty monster from Hell! (WOLF ROAR)

Enraged, Lucius Lazarus sent his massive armies of vampires at Lincoln, but Lincoln ran at them as well, and he stabbed a group of them with his eleven massive and long white wolf tails, and as he did so, his tails began sucking out their blood and Lincoln absorbed the drained blood into his body and as soon as Lincoln was done sucking out their blood, they suddenly exploded into ashes. This really enraged the other vampires, and they continued charging at him, but Lincoln stabbed them each with his eleven massive and long white wolf tails and his tails sucked out their blood and he absorbed their blood and they too exploded into ashes, and when it was done, Lincoln drained Lucius Lazarus' army of vampires dry of every last drop of blood and sent their spirits to The Black Gates.

Then, Lincoln grabs Lucius Lazarus by his neck with his left hand and lifted him up, and then, Lincoln sank his fangs into Lucius Lazarus' neck and he began sucking out every last drop of blood from the vampire lord's body and Lincoln also absorbed him into his body through his skin, and then, Lincoln sent his soul to The Black Gates. We cheered as we holstered our weapons and powered down.

Me: Oh man, Lincoln, you really drained all of Lucius Lazarus' vampires dry of blood, and you didn't need to change the tips of your tails into Cell's stingers.

Lincoln: (Beastly Voice) Nope, it turns out that I can also stab villains with the tips of my tails without needing to turn them into Cell's stingers to absorb their bio-energy.

Eli: That's impressive.

Lincoln the Nocturnal transformed back to Lincoln.

Lincoln: Thanks, Eli, and we're finally rid of yet another old enemy of The Ghosthunters for good. (To Kaylee Nago) And it's so good to see you again, Kaylee Nago.

Kaylee Nago: You too, Lincoln, it's been a long time.

Lincoln went up to Kaylee Nago and he hugged her, and Kaylee Nago is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, orange version of He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Kaylee Nago: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting your own version of He-Man's chest harness. You've really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Kaylee Nago, Embodiment of Kamen Rider Ixa, she's my Guardian Angel from Japan and classmate in English. Kaylee's also known throughout the world as a renowned bounty hunter of criminals and she has brought down a lot of criminals and crime families over the years. She's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and like me and the other vampires, she feeds on blood bags from the blood bank, and she knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club, and she's one of the members of The Michigan Supernatural Defense Force.

Nico: Awesome.

Victoria Kurenai: And Lincoln made Kaylee a tiara with the Kamen Rider Ixa symbol on it and necklace with Kamen Rider Ixa symbol for the pendant, and to show her thanks, she kissed him on the lips underneath the full moon as the vampire bats flew into the night. She's also the sister of Keisuke Nago A.K.A. Kamen Rider Ixa, and she hates Lynn with a burning passion.

Me: Whoa! I had no idea you had a sister, Keisuke.

Keisuke: You didn't ask. And it's so good to see you again, Kaylee.

Kaylee Nago: You too, Keisuke.

The two siblings hugged.

Lincoln: And she also heard of what we did to King, Takashi, and Takato, and she's so glad to be rid of those three heartless

Fangires.

Me: We all were.

Kaylee Nago: King was nothing more than a monster, and I hated him for what he'd done. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Kaylee Nago: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Kaylee Nago: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Kaylee Nago, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kaylee Nago: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kaylee Nago's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Kaylee Nago: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Kaylee Nago.

Kaylee Nago had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Hana Tsu-Vachel and Rain Qin from Fear Effect and Dr. Naomi Kimishima, Maria Torres, and Tomoe Tachibana from Trauma Team.

Lincoln: Oh wow, it's Hana Tsu-Vachel and Rain Qin from Fear Effect and Dr. Naomi Kimishima, Maria Torres, and Tomoe Tachibana from Trauma Team.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hana Tsu-Vachel: Yes, we're okay, thanks to you.

Then, when Hana Tsu-Vachel and the other four girls saw who it was that saved them from Lucius Lazarus, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega

Hana Tsu-Vachel: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Hana Tsu-Vachel: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hana Tsu-Vachel, Rain Qin, Dr. Naomi Kimishima, Maria Torres, and Tomoe Tachibana with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Lucius Lazarus, another old enemy of The Ghosthunters Club and a dangerous and powerful vampire lord from the 11th Century in the year 1047, who drank the blood of his slain enemies and it caused him to turn into a vampire, and for more than 900 years, he'd been killing people and draining their blood, until he was defeated by The Ghosthunters Club five years ago after his bloody rampage in Royal Woods, but before they could deliver the final blow, he fled but he swore revenge on them.

But, when Lincoln showed what happened such as all of us beating that bloodthirsty vampire down and Lincoln who turned into Lincoln the Nocturnal used his eleven massive and long wolf tails to stab his massive armies of vampires and drain them all dry of blood and destroy them and he finished off Lucius Lazarus by biting him on the neck, sucking out all his blood, powers, and abilities, and also, absorbing him into his body through his skin and sending their souls to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Kaylee Nago have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so another dangerous enemy from the past of The Ghosthunters Club had come back for revenge as well, sheesh.

Lincoln: Yeah, and Isabella Abaddon didn't even interfere that time, but he still cheated death that day five years ago. But, now five years later, we made sure he paid the price for his crimes 900 years ago.

Adriana Ardelean Dracula: (Romanian Accent) Along with what he did five years ago, the bloodthirsty monster.

Nico: With the death of their protector, Isabella Abaddon, now all they have on their mind is revenge on all of you, but they'll see that none of you are the same as before.

Lincoln: You got that right.

---

After finally destroying Lucius Lazarus and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kaylee Nago saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kaylee Nago: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kaylee, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kaylee Nago: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Kaylee Nago: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Kaylee, what's the story on why you hated Lynn with a burning passion?

Kaylee Nago: Oh, that's a story I've never forgotten. It's true I hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lynn's done to her own brother could never be forgiven. One day, we were having a meeting at the castle Adriana had created for our club and we were going over our reports from the many missions we'd done, and Lincoln was with us. But, we suddenly heard a loud thunderous belch, and we knew exactly who that was: Lynn, and she was still out to murder Lincoln. I was really mad, and so were the rest of us, so we charged out, and as soon as we got outside, Lynn was about to pounce on Lincoln and stab him in the heart with a knife, but Lincoln fired a blast of darkness at her and sent her flying into a tree, she got back up and she roared and beat her chest like a gorilla again. We'd had enough of Lynn, so we then pounced on her and we started beating her up, and then, Lincoln tied her up with red energy ropes he fired from his white angel wings and she was still roaring like an animal, so I duct-taped her big fat mouth shut. We called Luna and as soon as she heard what happened, she was so furious and she grabbed Lynn by her collar and dragged her back to The Loud House, where she got grounded for ten months for her attempted murder of Lincoln, she was so lucky we didn't ask to press charges on that animal, but because the nice sisters so wanted to kill her, we threw Lynn into a huge metal box. Lynn roared and beat down the door with her fists trying to get out, but Nicholette Torrington flipped that animal the bird, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Jeez, okay, I knew Lynn's an insane psychopath because of Dark Lynn, but trying to kill her own brother in front of the public like that, that's just going too fucking far.

Me: Lynn was lucky no one was pressing charges, but no one spoke to her, and honestly, Nicholette was really taking some really huge risks giving her the bird.

Bertha Sellington: We were worried Nicholette was going to lose a finger, and when they threatened to cut off her finger, she would remind them if they dared to cross The Dark World Goth Girls, they'd be put on our same kill list, and at the top of that list were Damian Alaister and his fucked-up Church of Necrom cronies.

Lincoln: And Bertha was serious about that, if they ever saw Lori, Lynn, Lola, Lisa, and Luan try to kill me again, they would be targeted along with The Church of Necrom, and since many of them had a grudge against them, they would have all the more reason to kill them.

We got a shower, and then, Lincoln, Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler are heading to Float Islands.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Nurse Redheart: Wow, so this is Float Islands, awesome.

Lincoln: I've never been here to Float Islands before, and it's perfect for our first date, Nurse Redheart. Shall we?

Lincoln, Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler, and they hugged the girls in their abnormally massive and powerful muscular arms, and Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Orange Ocean, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Zarya (Overwatch), Zecora, Citrus Blush, Ms. Cheerilee, Nurse Redheart, and Piper Pinwheeler are now part of your harem, awesome!

Nico: I always knew they had their feelings for Lincoln.

Apple Bloom: You know, we noticed Ms. Cheerilee blushing around Lincoln, and he was also blushing around her.

Twilight Sparkle: Same with Zecora, Citrus Blush, Nurse Redheart, and Piper Pinwheeler.

Tracer: (British Accent) Same with Zarya. But, this is so amazing that they're now part of Lincoln's harem.

Ms. Cheerilee: We sure are.

* * *

The U.S.S. Valorous Phoenix was seen flying through space.

Nico: Captain's Log, Stardate 7339.1: The U.S.S. Valorous Phoenix is en route to the planet Draconis in the galaxy Centaurus A for Trixie Lulamoon's first ever ambassador mission. She is the ambassador for the world of Dragon Booster. Our mission is to help her with her big mission and figure out what is going on there and deal with any enemies there.

Me: Boy this is awesome! I'm glad we have our dragons with us.

Nico: I'm really looking forward to this one.

Me: Me too. This is gonna be awesome.

Trixie Lulamoon: This is gonna be too and I, The Great and Powerful Trixie, am looking forward to this mission.

Twilight Sparkle: I can tell you are Trixie.

William: Anyone else want to go with Trixie? Besides 3 Rabbids, Dan, and Drago?

Twilight Sparkle: Me and my friends will go.

Lincoln: And me and Leeli too.

Nico: Awesome. I have a feeling that Dark Eddy is gonna be in for one nasty surprise.

Me: This is gonna be Number 15 of our encounters with him. Only 9 more times left after this.

Nico: Yep.

Dan: And this is Drago, my Bakugan partner.

Drago: Awesome to meet you.

Artha Penn: Same here.

Me: But it's an honor to be here.

Eli: Same here. We should introduce ourselves.

We did so.

Artha: Wow it's an honor to meet you guys. And Trixie is the Ambassador for us?

Me: Yep. It's part of a special diplomatic mission program we made.

Artha Penn: Wow! Awesome dragon you have there J.D.

Me: Oh this is Marianas. She's a Sorcerer Class Ice Dragon.

Nico: We have all kinds of awesome dragons.

Lincoln: We sure do.

Me: Trixie is a magician and she knows a lot about magic.

Artha Penn: Cool!

Me: Yep.

Trixie showed a cloth and pulled it and then out came a bunny!

Artha Penn: Awesome!

Me: Yep. That's just for starters.

Dan: (sighs) And these are Rabbids.

Rabbid Gibbering.

Me: Rabbids are funny bunny creatures and they are not the brightest light bulbs in the closet if you know what I mean.

Artha Penn: Oh I get it they are idiots.

Me: Yeah.

Nico: Do you have a place we can go talk in?

Artha Penn: Sure this way.

We followed him to his dad's garage.

Me: That is so cool that you guys have dragons here.

Trixie: Do you have your own dragon?

Artha Penn: I sure do. His name is Beau.

Me: Cool.

Eli: This will be awesome to see what the dragons here are like.

Marianas: It sure will.

Lincoln: Yeah.

We arrived at Artha's garage.

Connor Penn: Hello Artha. Team Loud Phoenix Storm it's truly an honor. I'm Connor Penn.

Me: Pleasure to meet you Connor.

Nico: It's an honor to be here.

We saw a red dragon and he was amazing.

Nico: That must be Beau.

Beau growled.

Artha Penn: Beau it's all right. They are friends.

Me: Not used to meeting people like this.

Trixie: But he is a really awesome dragon though.

Lincoln: He sure is.

We sat down.

Me: So can you tell us what happened on this world if there is any enemies you have that are causing problems for you guys?

Nico: I was just about to ask that.

One of the Rabbids licked Beau. Beau growled at this and was about chomp the Rabbids' head.

Artha Penn: Beau down! He is not hurting you.

Beau calmed down.

Me: See what I mean?

Connor Penn: We sure do.

Kitt Wonn and Artha's friends came.

Kitt Wonn: It's awesome to meet you Team Loud Phoenix Storm.

Me: Same here to you Kitt.

Nico: Yeah.

Trixie: I wasn't always a nice girl.

Artha Penn: You weren't?

Me: We should tell you some things about Trixie's history. Before we came along and meeting Twilight and friends after the Great War with the Royal Defenders we found out some things about some of

Twilight's Friends that were redeemed.

Eli: They started out as bad guys before.

I went over the history with Trixie Lulamoon.

---

Trixie Lulamoon, also known as the Great and Powerful Trixie, is a former minor antagonist turned one of the supporting protagonists in My Little Pony: Friendship is Magic. She appeared as the main antagonist of "Boast Busters" and "Magic Duel" episodes. She boasts of being unbeatable in magic. Most importantly, she is also Starlight Glimmer's best friend.

In the My Little Pony: Equestria Girls universe, she is the secondary antagonist in My Little Pony Equestria Girls: Rainbow Rocks; manipulated by the Dazzlings, and central antagonist-turned-anti-heroine in My Little Pony Equestria Girls: Forgotten Friendship.

She was voiced by Kathleen Barr, who also voiced Queen Chrysalis from the same series, as well as Laverna from Barbie: Fairytopia, Lydia from Barbie & the Diamond Castle, Eris from Barbie in A Mermaid Tale, Gwyllion from Barbie: Mariposa & the Fairy Princess, Marie Kanker and Kevin from Ed, Edd n Eddy.

Trixie first appears in "Boast Busters", having been rumored to be "the most magical unicorn in all of Equestria." At her show, Trixie boasts constantly about her great magical abilities. She claims to have vanquished an Ursa Major, an enormous celestial bear-like creature that normally could never be defeated by just one pony. Only two ponies, Snips and Snails, openly believe Trixie's claims and proclaim her as the most magical and talented pony ever. Rarity, Rainbow Dash and Applejack take Trixie's challenge to see who is better, only to be humiliated one by one. Twilight Sparkle, who fears that she might lose her friends if she shows off her magic like Trixie, doesn't accept the challenge and runs off. Trixie then proclaims herself victorious and ends her show.

After the show, Snips and Snails follow Trixie, fawning over her and asking to hear more of her stories until Trixie herself tires of it, and sends them away. Snips refers to her as "The G an' P T," shortening her title.

Spike witnesses Snips' and Snails' behavior and is far more skeptical of Trixie's claims, telling them that they should not believe her until she demonstrates a comparable feat in front of them. This leads the pair to seek out an Ursa themselves in the Everfree Forest. They draw the Ursa minor into Ponyville, believing it to be an Ursa major, and ask Trixie to use her magic tricks to defeat it. Her stage magic proves useless, and she admits that she can't defeat an Ursa major and never has and that she fabricated the whole story to make herself look better. Twilight then uses her magic to soothe the Ursa minor to sleep and gives it a "bottle" of milk constructed from the water tower before sending it back to its cave in the forest.

Trixie is surprised to find out that the monster they faced was actually an Ursa minor, the baby version of an Ursa major, who was only cranky after being woken up by Snips and Snails. After the explanation, however, Trixie resumes her arrogance, saying that Twilight will never have the same power as her, and once again proclaims herself "Great and Powerful."

Trixie then uses a smokescreen to poorly conceal her exit from town. After it dissipates, she gallops out of Ponyville. Rainbow Dash starts after Trixie, but Twilight stops her, certain that Trixie will someday learn her lesson about bragging on her own.

Trixie makes her second major appearance in "Magic Duel", returning to Ponyville and wreaking havoc using her new magic powers (fueled by the Alicorn Amulet), and then confronting Twilight Sparkle and challenging her to a duel as revenge. Trixie explains her motive for revenge is because after the time Twilight Sparkle had shown up Trixie when she defeated the Ursa minor, Trixie could no longer perform her traveling magic show, as other ponies in Equestria mocked and ostracized her for it, and then she had to take a job at Pinkie Pie's family's rock farm to earn her keep, which in the end humiliated her. She proceeds to beat Twilight in the titular duel and banishes her from Ponyville.

She then takes over Ponyville, remaking it in her own image, forcing its citizens to do labor for her, and punishing anyone who refuses.

She is especially hard on Snips and Snails, constantly making them work harder. When Twilight returns claiming she knows Trixie cheated, Trixie fakes innocence, and when Twilight claims to have an amulet stronger than Trixie's she quickly calls this impossible but accepts a second duel when Twilight unrelentingly mocks her. In the second duel, Trixie is only able to cast one spell before staring on in horror as Twilight performs spells that she herself cannot. Immediately after Twilight wins, Trixie steals her amulet claiming she can rule over all of Equestria with it. She removes her Alicorn Amulet and puts the new one on, but Twilight reveals this was all a trick she set up, and Rainbow Dash snatches away the Alicorn Amulet and gives it to Zecora to put back in hiding.

At the end of the episode, Trixie provides fireworks to back Twilight's entertainment provision for the visiting Saddle Arabians, then apologizes to her whilst putting on her hat and cape from "Boast Busters", explaining that the amulet had corrupted her and she couldn't stop herself from being cruel to everypony. Trixie asks Twilight for forgiveness, to which Twilight obliges. Following her declaration that she has become the "Great and Apologetic Trixie," she repeats her smokescreen escape, tripping whilst doing so.

Trixie makes her third major appearance in "No Seconds Prances". After several failed attempts to make a new friend, Starlight Glimmer meets and befriends Trixie. Twilight expresses uncertainty in their friendship due to their respective pasts. When Trixie plans to put on a magic show in Ponyville to display her repentance, Starlight volunteers to be her assistant. As they spend time together, Trixie admits to Starlight that she has always been jealous of Twilight.

When Twilight eventually confronts Trixie and Starlight, Trixie reveals that she partly became friends with Starlight to one-up Twilight, much to Starlight's horror. After Trixie expresses her own heartbreak over her and Starlight's falling-out, Twilight convinces Starlight to assist in Trixie's magic show-performing a trick previously only carried out by pony magician Hoofdini-and the two new friends make amends. After Twilight apologizes for not trusting her, Trixie no longer harbors resentment towards her anymore.

The human counterpart of Trixie appears as a minor character in My Little Pony: Equestria Girls. She made a total of 5 appearances in the film.

She is first seen in the cafeteria in a wide shot. She made her second appearance in a bigger scene where she stands in front of the vending machine to get peanut butter crackers. She also appeared in the cafeteria again while a song was going on. Towards the end of the film, Twilight and her friends run past her by the same vending machine she was at before with her looking confused. She appears once more dancing at the Fall Formal.

She has a larger role in My Little Pony Equestria Girls: Rainbow Rocks. She can first be seen with her bandmates in the gym painting a sign for the Mane Event. She is among the students who sneer at Sunset Shimmer when Principal Celestia brings up the Fall Formal. She is also seen in the cafeteria during the Dazzlings' song, during which Adagio strokes Trixie's chin.

She is the leader of her own band, Trixie and the Illusions. Trixie also appears in four of the animated shorts.

In the film, Trixie and her band are the last opponents for the Rainbooms before they could face the Dazzlings in the finals. Despite Trixie finishing her performance and Sunset interrupting the Rainbooms out of fear of Rainbow Dash exposing her magic to the Dazzlings, the Dazzlings' manipulation of Principal Celestia and Vice Principal Luna ensure the Rainbooms will be their opposition in the finals. Trixie feels she has been cheated, which the Dazzlings use to their advantage by encouraging Trixie to get rid of the Rainbooms before the finals. Trixie ambushes the Rainbooms with her band during their rehearsal, and drops them through the stage's trap door to the basement underneath.

With the Rainbooms having apparently forfeited, Trixie and her band are able to play in their place. Even after the Dazzlings are defeated and exposed and their spell is broken for good, Trixie still swears revenge on the Rainbooms for her loss in the competition and attempts to escape via smoke bomb. The last scene of her shows her trying to climb over the back of the bleachers as part of her escape, only to lose her balance and fall off, much to her annoyance. She shouts out, "Trixie's okay!". A brief running gag in the film involves Pinkie Pie always catching Trixie hiding each time she "disappears".

She returns once again as a background character in the third film, She has non-speaking roles in the film. She was seen during the Canterlot High School Friendship Games pep rally as well during the CHS Rally Song. She was mostly seen comparing Octavia Melody.

---

When I was done everyone was shocked. But relieved that she became a redeemed heroine.

Kitt Wonn: Wow that is like Moordryd here.

Me: Wow.

Artha: Moordryd was a jerk before. Just like Trixie.

Me: Very coincidental. Can you tell us what happened?

Artha: I sure can.

He told us what happened.

---

16 year old leader of the Dragon Eye Crew and son of Word Paynn, Moordryd Drakkus Paynn is portrayed as a stereotypical villain and plays as one of the main antagonists to the show's hero Artha Penn. This view begins to shift however, as the series progresses, and as a result, has produced one of the more complex characters of the show.

In Episode 11: Pride of the Hero, he is shown to have good qualities within him when Beau bows to him and allows him to be his rider. Later in the episode, it is shown that a lot of his anger hinges on the fact that his father doesn't outwardly display affection and admiration for his son; when Word admits that he his proud of his son, some of Moordryd's anger visibly dissipates. When the Dragon Booster points that there is a hero deep within him, and that he can be an admired person, he loses all his anger and attempts to repair the damage he has caused.

He is a character who requires others to continually look for the best in him, as did Lance Penn in Episode 19: The Wraith Booster. As a result of the bond formed between him and Lance, Moordryd actually thwarted his own father's plans for a new war. Through progression in the show, he begins to understand just what it really means to be a hero, and that many of his bad qualities are driven by this shallow desire to be recognised for something good.

While over the course of the show Moordryd has shown to be capable of good, he still commits many crimes, particularly as the Shadow Booster. While the injury he gave Artha in in the beginning of Episode 39: Damaged Goods showed that he hasn't completely turned good, the last few minutes of the same episode showed that he had progressed far as a character when he saved Artha from his father's Wraith Dragons and let him tie for the Academy standings. Despite being acclaimed as one of the best dragon thieves in Squire's End, Moordryd has been caught and jailed in Precinct at least once before, as suggested during Episode 23: The Mechanist and then later confirmed by one of the show's creators.

---

When he was done we were shocked and yet amazed that he redeemed himself.

Me: That's good.

Trixie Lulamoon: He and I have so much in common.

Lincoln: You sure do.

Leeli: I'll say.

Twilight Sparkle: That is amazing.

Me: But who is Word Paynn?

Artha Penn: He is the monster that is out to destroy us all by causing another Dragon Human War.

Connor Penn: He wants to destroy all of us just like how he almost did 2,000 years ago.

He went over Word's history and what we found out was shocking to the core!

---

Word Paynn, also known as his alter-ego Drakkus, is the main antagonist of the Dragon Booster series.

Background

Word, alongside his friend and rival Connor Penn, was apprentice and ally of Tannis, the chief of Gold Draconium branch of Order of Dragon Priests. Both he and Connor later developed into bitter enemies due to clashing philosophies: Word believes that dragons are better than mankind and rule over them, with himself as sole human who have power over the dragons. For that, he secretly experimented on various ancient forbidden gears and threatened Connor when the latter learned about it. Even so, Tannis and his fellow Dragon Priest learned Word's secrets and expelled him from the Order. Swearing revenge, Word dedicated his life to build his own empire and creating his versiom of Dragon Human War with resources he gained from company he formed, CEO of Paynn Incorporated.

At one point in the past, he found the Armor of Drakkus, 3000 years old ancient Black Draconium armor with powers comparable to Dragon Booster himself.

---

When he was done we were shocked and horrified!

Rainbow Dash: He wants to use dragons as weapons to destroy us!?

Nico: That's insane!

Me: Looks like we found our primary target for Trixie's big day mission.

Artha: And yes, he's Moordryd's father.

Me: Oh man! Thank goodness Moordryd is not like his father.

Lincoln: But that is crazy that he wants to instigate another Dragon Human War!

Marianas: That is really evil. A war of that caliber is where no one will win.

Me: And it will destroy both sides.

Nico: Yeah.

Artha: It's not a good thing.

Me: No it isn't. And believe me we know what it's like to go into war and all that.

Twilight Sparkle: Yeah it's awful.

Me: Yeah.

Connor Penn: When is Trixie's big day mission?

Me: We're projecting April 21st, Earth Time.

Nico: Yep.

Connor Penn: So about a month and a half away.

Me: Yep.

Drago: Where's Moordryd right now?

Artha: Oh he'll be here.

Then Moordryd came in.

Moordryd: Hey guys. Team Loud Phoenix Storm!

Me: Moordryd Paynn. Awesome to meet you.

Moordryd: You're not going to hurt me for being a jerk are you?

Me: That was my first intention but after hearing everything from Artha and friends not anymore.

Trixie: The great and powerful Trixie has been in your shoes before.

Moordryd: Have you really?

Trixie: I sure have.

She told him everything.

Moordryd: Oh wow. You and I have so much in common. I was the same way.

Nico: Coincidental huh?

Sunset Shimmer: Yeah no kidding there.

Me: Oh have you guys seen any Pokemon around here?

Artha: First, we should probably tell you about which villain is causing trouble right now.

Me: Sure.

Artha: His name is Cain.

Me: Cain?

Moordryd: He's my best friend and lieutenant.

He told us about him.

---

17 year old Cain is Moordryd Paynn's key lieutenant as well as his closest childhood friend. His mother is unknown to us but his father Abyll featured in the unreleased Episode 0: The Alchemist as being one of Word Paynn's closest friends.

As shown in Episode 17: Faster Than Fear, Cain's greatest fear is having to take a position of leadership, particularly over his friend Moordryd. While he is a loyal friend and team mate, he is also known for his cowardice and has a habit of running away when situations get tough, occasionally leaving his team mates stranded as a result.

In spite of his coward nature, Cain is not a complete pushover; in Episode 37: Cain's Mutiny, Cain planned a coup-de-ta against Moordryd in retaliation of the constant poor treatment of his "friend". This divided the Dragon Eye Crew into two factions, with full intention of destroying Moordryd's half and with all of Cain's previous time spend alongside him, he knew exactly how to take down Moordryd.

---

When he was done we were shocked.

Me: Oh man. Well he is not worth killing. We'll have him sent back to Earth and put him into the M.O.E.

Moordryd: I have a feeling he might fight us unwillingly.

Me: Looks like we're not going to give him much of a choice. Word is the much bigger threat.

Nico: That's right. Sorry Moordryd but we can't afford to have him start another war.

Me: We are going to give him the Black Gates when it's time.

Artha: The Black Gates?

Me: The deadliest technique we have in our arsenal.

Pinkie Pie: It's a really powerful one too!

Me: It judges them by the very spirits of those that individual hurt over the years and if they are found guilty they are erased from existence forever as if they were never born at all.

Artha: Geez!

Kitt Wonn: Wow that is a powerful technique.

Me: It sure is.

Nico: I think the Black Gates is a little harsh with Moordryd's father. I was thinking more like the Warp.

Me: Hmm. Yeah the Warp is fitting. But if he returns, no mercy. Black Gates for sure.

Nico: Agreed.

Artha: But what is the Warp?

Me: It's an interdimensional plane that exists in between the boundaries of all the universes. It serves as a prison.

Nico: Yep.

Leeli: Wow.

Moordryd: There IS one person you can use the Black Gates on though.

Nico: Armeggadon, right?

Moordryd: Yep.

Me: Now HE I can handle dealing the Black Gates on.

Eli: Yep.

Eddy: This is gonna be awesome.

Me: Oh just a forewarning Eddy has a dark side that is causing lots of problems for us. He is going to come after you guys and kill you.

Nico: It's an ugly story. But I put a curse on him that will banish him to the black gates after 24 first ambassador missions.

Me: This will be number 15.

Artha: Thanks for the heads up. Wanna help us find Cain?

Me: You're welcome and We would be honored.

Eli: I can find him.

He concentrated.

Eli: Found him. 35 klicks from here southwest.

Me: We're still new to this entire city. So next time we're here you'll have to show us around.

Artha: Okay.

Marianas: We got a coward to apprehend.

Artha hopped on Beau.

We were off.

Moordryd: Wow! Your dragon is awesome J.D.!

Me: Thanks Moordryd. It's amazing how fast you guys are going on land.

Kitt Wonn: It sure is.

We saw a bunch of figures in front of a building.

Dan: There he is!

Me: I see them! Lets go!

Marianas fired a blast of undead fire and blasted them down in a huge explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were blown back from the explosion and then we landed.

Me: Cain you are under arrest!

Cain: Team Loud Phoenix Storm!?

Me: That's right.

Cain: What are you all doing here?

Me: What else? We're here to kick your butt. Like a shark I can smell your evil blood.

Artha: That's right!

Cain: Getting a little rusty, Penn?

Artha: Trust me. I'm just getting started. Release the dragon!

He glowed in a massive yellow flash of light and he turned into his awesome golden armor and Beau got awesome armor too!

Me: WHOA!

Nico: So that's the power of the Dragon Booster! Incredible!

Eli: What power!

Artha: That's right.

Dan restrained Cain by his arms.

Moordryd: What's with you, Cain? You should be helping us to stop this war, not help start it!

Cain: (grunts) Don't got a choice. Those nanobombs Amanda Waller used in the Suicide Squad days? Your dad got a hold of one of them and put one in my head. I step out of line for even a second and I'm dead!

Me: A Nanobomb? How the hell did he get one of those!?

Cain then stepped in Dan's foot before throwing him into Moordryd.

Nico caught him.

Cain: So yeah. Whether I like it or not, I gotta do your Dear Old Dad's dirty work!

Me: Lets see.

I used my X-Ray Vision and I saw it imbedded in the very back of his neck!

Me: Found it! Maybe I can short-circuit it with a little lightning.

Nico: Leave that part to me. We got to restrain him.

Dan: Bakugan Brawl!

Dan summoned TITANIUM DRAGONOID!

Nico: YEAH!

Artha: Wow so that's a Bakugan?

Me: Yep. Long story on that but it's awesome.

Nico: Amanda Waller is going to flip when she hears about this.

Me: No fucking lie there! We better get the bomb out of him and show it to her as proof.

Nico: Yeah good idea.

Drago: (to Beau) Let's show him what dragons can do!

Beau roared.

They fired waves of energy and blasted him all over.

Trixie: This is gonna be a great job for The Great and Powerful Trixie!

Then a blue light was on her finger and it glowed and formed an amazing and beautiful blue crystal dragon ring.

Trixie: (GASP) This ring! Is it for my own dragon?

Me: Whoa!

Isabel then appeared.

Isabel: That ring is not just any ordinary ring Trixie. That ring has the power to summon your own dragon. And It's the Ring of your spirit, The Dragon. The dragon symbolizes power, change, and spirituality, and it also symbolizes good luck, fortune, and prosperity. It also represents fortune, authority, growth, luck and development.

Trixie: Wow that is amazing!

Me: Boy it sure is.

Artha: Wow that is amazing! How did she know that?

Me: My granddaughter Isabel is our chief shaman and she knows all about the power of the spirits.

Nico: Yep.

Isabel: Just want to give her the heads up on what her spirit.

Nico: No worries. But that is awesome Trixie!

Sunset Shimmer: Boy it sure is!

Artha: Isn't this the part where you use an Ability Card?

Dan: (gets out Dodgeball Wizard's Lockseed) I got something even better!

He activated it and fired flaming dodgeballs and blasted Cain and his gang down with them!

Nico: Nice one!

Trixie: Lets see what this can do!

She held the ring up to the sky.

ESCAFLOWNE FOX KIDS EXTENDED INTRO THEME PLAYS!

Trixie: I, Trixie Lulamoon, Princess of Humility and Magic and protector of all Harmony bond my power and strength to thee Sapphire Dragon of Love! Thou Sleeping Dragon Awake!

Then a massive pillar of incredible power and energy swirled around her and it went high into the sky and formed into a powerful dragon made of beautiful sapphire crystal and it roared and landed in front of Trixie and she got on!

We gasped in sheer amazement!

Lincoln: WHOA! That is an awesome dragon!

Leeli: Wow! It's beautiful!

She got on it and flew into into air and the dragon fired waves of fire and blasted Cain down with incredible force!

Me: WHOA! What power!

Nico: That is awesome power!

Cain was then blasted in the shoulder and fell to the ground. Dark Eddy then showed up.

Me: Right on cue!

Dark Eddy: (puts his foot on Cain's stomach and points his blaster at his head) I'll do Word a favor and blow your head off right now!

Trixie: (gets out Tempest's Lockseed) No, you don't!

She activated it and fired a blast of lightning and blasted Dark Eddy all over and electrocuted it!

Artha: Whoa is that Dark Eddy!?

Me: That's him.

Artha: I definitely see the difference. He looks like Eddy but he has piercing red eyes!

Rarity: That's right darlings.

I fired my blaster and blasted the blaster out of his hands and I caught it.

Me: Yeah! Now for this. (ACTIVATES LORD DRAKKON'S

LOCKSEED)

I fired waves of green energy and blasted Cain and Dark Eddy all over the place.

Artha: Maybe if you had a team helping you, you would've recreated the 20 Days of Darkness by now.

Dark Eddy: Ha! Don't make me laugh! Working with a team is for saps!

Artha: Better to be a sap than a loner!

Me: No shit!

Leeli: I have had it with this clod.

She then decided to sing.

YURGEN'S TUNE PLAYS.

Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

Then we saw something never before happen to dark Eddy. We saw him screaming in excruciating pain and he was lit on fire by the light and purifying power of Leeli's singing! Like the Devil hating all things good and loving, Dark Eddy was feeling the same force of good! IT WAS INTENSELY PAINFUL FOR HIM!

Me: WHOA!

Eli: I did not expect that! Just like the Fangs in bros books. They hate Leeli's singing.

Me: That's right bro! Dark Eddy is evil and he hates all things good. And Leeli has the voice of an angel.

Nico: She sure does.

Me: That is amazing.

Artha: Wow she is a good singer.

Me: Many of us are.

Nico: (takes out Electro and Larxene's Ridewatches) I got the perfect way to deactivate Cain's bomb.

Nico activated them and fired waves of lightning and they hit Cain and electrocuted him and smoke came out of the back of his neck and the bomb popped out of him and landed on the ground. He was free.

Me: (Picks up the bomb) Got it.

Lincoln: One last thing.

Trixie and her Sapphire Crystal Dragon fired waves of blue fire and lightning and blasted Dark Eddy back to the Book of Vile Darkness Dimension.

Me: That did it!

Nico: Now for the Next Gene Slammer to come and end this battle.

Me: Against all of Cain's men.

?: Someone call!?

A figure came out and it was a Spinda!

Me: Hey a Spinda!

Nico: Cute little one.

Lincoln: Yeah.

Spinda: (In a girls voice) I saw the battle and it was awesome.

Nico: Vernoica Kelly!? Wow!

Spinda: Awesome to see you again Nico.

She reverted back and was a girl with pink hair and had red clothes.

Veronica Kelly: I got this.

She fired a blast of lightning and electrocuted all of Cain's men and out came numerous bombs.

Me: Them too!? Whoa!

I went and picked up the bombs and we put them in a box.

Me: Amanda Waller is gonna have one helluva field day hearing about this. Better scan for anyone else that has them just in case.

Nico: Good idea.

I did so.

Me: Whew negative. Scans show that we're all clear.

Nico: Thank goodness.

Me: We got them all back.

Eli: Great.

Artha: What's your favorite memory of Nico?

Me: You're catching on really fast Artha.

Artha: I know.

Veronica Kelly: My favorite is when me and Nico were in Home Ed Class for Cooking and we made awesome cajun spice sauce glaze burgers and we gave them all to everyone.

Lincoln: Boy those sound tasty.

Nico: They sure were. And everyone loved them so much that they didn't leave any for me and Qin.

Me: Boy they loved all your friends cooking didn't they?

Eli: No kidding.

Nico and Veronica hugged.

Nico: I've really missed you.

Veronica Kely: Me too Nico. Me too.

Trixie Lulamoon: But this was a really awesome and great mission for The Great and Powerful Trixie!

Cain was arrested and we sent him to the M.O.E. Prison.

We later went back to the ship and went back home.

Me: Trixie's first mission was a success.

Nico: It was awesome!

Lincoln: It sure was. And Leeli deserves some of the credit for showing us what Dark Eddy hates.

May: Boy we saw that and it was amazing!

Qin: We're really proud of all of you guys.

Xenia: We sure are.

May: Next time, Cheese and Tempest should come with you.

Me: Good idea.

Trixie Lulamoon: I agree there. And this is gonna be so awesome having a cool dragon.

Sunny Starscout: It sure will be awesome too.

---

Back at the estate we had Ms. Waller come over.

Me: Glad we can have you over Ms. Waller.

Qin: We have something to show you.

I showed her the Suicide Squad explosives we recovered and told her everything.

Waller: You're telling me Word got a hold of my nanobombs after I discontinued their use?!

Himiko: And we could only retrieve the ones inside Cain and his men

Me: That's right. Nico used powerful lightning to get them out of him and Veronica Kelly here did the same to the rest.

Xenia: Thank goodness we got them out.

Waller: Thank you all for doing that.

Deadshot came into the room in a hurry.

Waller: What are you doing here visiting me, Lawton? You don't work for me anymore, remember?

Deadshot: I know. First of all, I wanted to see a familiar face. And second, you guys really have to come outside and see this!

Littlefoot: Why? What's outside?

Me: What's the matter!?

We went and followed him and we got to the surface and we heard thunderclaps and he pointed to a hill and to our shock and horror we saw a MAD SCIENTIST CASTLE! It was a malevolent castle with lightning and everything!

Me: WHOA! That castle is scary! But it looks incredibly familiar.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) You're not going to like this, an old enemy of Mickey's, the mad scientist creation, Julius, has come back, and he's on the rampage.

We gasped, including Mickey and Minnie.

Mickey: Oh no, not Julius again.

Me: That means that we're going to face Dr. Frankenollie!

Qin: Whoa man!

Me: I knew that was his castle!

Lincoln: I remember him all too well, Mickey. Doctor Frankenollie switched your brain and body with Julius, as part of his mad experiment again.

Minnie: That's right, that mad scientist did that to Mickey who didn't even suspect it.

Emily Monroe: We could never forgive that lunatic for what he did, and in the end, we switched both Mickey and Julius' brains back to their original owners and tied Julius up, which you two used Julius to pull a raft to Hawaii for vacation.

Luna: While Doctor Frankenollie disintegrated into nothing after his mad experiment succeeded.

Nico: Jeez. But, I think Julius will be a good member for The Masters of Evil.

Lincoln: I was just about to say the same thing, but first things first, we got to blast that monster to Kingdom Come.

Mickey: Here's what you should know.

We were told about him.

---

Doctor Frankenollie is the overarching antagonist of the 1995 Mickey Mouse short film Runaway Brain. He is depicted as an insane monkey and a parody of the infamous Dr. Victor Frankenstein.

He was voiced by Kelsey Grammer, who also played Stinky Pete in Toy Story 2, Sideshow Bob in The Simpsons, and Hunter in Storks.

Doctor Frankenollie is a mad scientist who attempted to switch Mickey's brain with that of his giant monster Julius. He put an ad in the newspaper promising to pay his employer nine-hundred and ninety-nine dollars. Mickey, who is looking for such payment to fulfill Minnie's desires to go to Hawaii, answers the ad and falls into Frankenollie's trap. Frankenollie prepares to operation by attaching helmets to Mickey and Julius' heads before activating a switch, laughing maniacally.

Mickey awakes to find himself in Julius' body, thus the operation is successful. Mickey finds a charred Frankenollie and tells him to change him back, but Frankenollie's body disintegrates and turns to a skeleton in Mickey's hands

---

When he was done we were shocked and horrified!

Me: Oh man! Just what the world and the universe needs, Another fucked up mad scientist running amok!

Nico: This guy is definitely getting the Black Gates.

Armada Starscream: If that happened to Mickey during Xehanort, he would've been turned into a Heartless.

Me: I don't even want to think about what would have happened if that happened.

Nico: Me neither.

Me: Sora you met Julius before right?

Sora: I sure did and he was a nasty ugly freak! And his break smelled really awful like the dead.

Me: EW! Dr. Frankenollie is one fucked up insane nutcase!

Xenia: You're not kidding.

Camie: Either way were were just given our next mission.

Leeli: And that is to destroy Frankenollie and put Julius in the M.O.E.

Nico: Yep.

Armada Starscream: (to Deadshot) Go back to Vypra and the others and tell them about this.

Deadshot: Right.

He did so.

Me: This is the kind of mission that Dr. Viktor would love and his kind the Transylians are very much based off of Frankenstein's monster.

Brittney: That's right dad.

Jetfire: (Australian Accent) Hang on. We still need to wait for the next Gene Slammer.

Me: I was about to say that.

Qin: (Felt something) WHOA! I think I found it.

She pointed to a Grumpig that was nuzzling her leg.

Nico: Hey a Grumpig.

Me: Cute little one.

Grumpig: (In a girls voice) Sorry about that y'all.

Nico: Alex Appleblossom? Whoa!

She reverted back and was a girl with purple hair and had a purple overalls and had a purple hat on.

Alex Appleblossom: Great to see y'all again Nico and you too Qin.

Applejack: YEEHAW! Great to meet a fellow farmhand.

Alex Appleblossom: Same here Applejack.

Mickey: What's your favorite memory of Nico?

May: I was just about to ask that.

Alex Appleblossom: My favorite is when me and Nico were picking fruit on my families farm and he found this beautiful jewel for me.

She showed the jewel and it was a beautiful rainbow diamond.

Me: Ooh that is beautiful.

Qin: That is pretty. I remember seeing that.

Me: What kind of fruit does your farm have?

Alex Appleblossom: Apples, Pears, Oranges, Lemons, all kinds of fruits. We have the biggest fruit orchard anywhere in the country.

Me: That is amazing!

Lynn Sr.: Boy I may have to have some of your fruit used in my restaurant.

Nico: I agree.

Nico and Alex hugged.

Nico: I've really missed you Alex.

Alex Appleblossom: Me too Nico. Me too.

Illia: Nico, which teams have you made this time?

Nico: Jayden's team will include Abby Martin, Lauren Shiba, Cocette, Dark Magician of Chaos and Flame Swordsman. Brody's team will include Ayla, Takeru, Leeli, Hannah the Brave and Aethia.

Me: Awesome setup.

Leeli: Wow I'm already put on a team with Brody? That's so cool!

Qin: It sure is Leeli.

Camie: And Dark Magician of Chaos is a good one. So is Joey's signature monster Flame Swordsman.

Lola: Yeah.

Nico: Good choices though. Now we got to get ready.

The previous group came.

Technus: Can me, Roquefort, Katnappe, Common Cold, Xaldin, Waffle Woman, Salami Swami, Robo Roxy, Mysterio, and Absorbing Man go with you guys?

Mike Rochip: Me, Cheese Monster, Le Quack, Crud, Cuppa Joe, Yost Whirlwind, Stacey, Evil Clayface, Tenaya 7, and Platinum Princess will come as well.

Nico: Yes you all can come with us too.

Qin: We're going to need all the help we can get to stop this crazy jerkwad mad scientist Dr. Frankenollie.

Lola: Yeah he is really messing around with the laws of nature big time.

Me: And he must be stopped.

Waller: I agree. But thank you for getting my explosives back.

Me: You're welcome Ms. Waller.

Commander Mars: Nico, which Gene Slammers do you think you'll meet next?

Nico: Cacturne and Altaria next.

Qin: Cool! It would be funny to see a Cacnea hug your face Nico.

We laughed!

James: That would be funny and cute.

Lola: That would hurt though. But it would be funny.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Hilliya, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Hilliya of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Hilliya, right, Varie?

Varie Volcania: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Hilliya and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to get after Julius.

Lincoln: And blast that monster to Kingdom Come, and once we get done sending him to Kingdom Come, you better be ready to die, Hilliya.

Varie Volcania: You better be ready to die, Hilliya, because you're about to feel the true power and fiery wrath of the volcano.

Me: Oh boy. Lets get ready.

Nico: Yeah. At least we don't have to go far. The castle is on that hill.

Katnappe: King Kai, anything else we need to know.

King Kai: Yes. You'll have to face Julius in two separate forms. One of them being his Feral Mickey form.

Le Quack: (French Accent) Got it. Anything else?

King Kai: The second form is the one that looks like Peg Leg Pete.

Sora: That one I remember.

Qin: We'll have to beware of them.

Nico: Yep.

Zilius Zox: Anything else you need to add?

King Kai: Just be on guard. Frankenollie is very dangerous and deranged.

Qin: Oh boy.

Nico: He is really dangerous.

Xenia: Yep.

Waffle Woman: Well, what are we waiting for?

Cuppa Joe: Let's storm his castle!

Nico: You got it!

Me: (WHISTLES)

Our horses and Rapidash came.

Nico: Oh you want to go in style.

Me: Yep.

I got on.

Nico: Lead the way J.D.

Me: We Ride! HYAH!

THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS!

We were off and a Total Solar Eclipse formed over us as the darkness of the night shined with the beautiful beauty of the stars of space. We were riding to the castle.

Juandissimo: (Spanish Accent) Maybe that son of a bitch would like to get a taste of our vampire members.

Nico: I have a feeling he won't like that!

Qin: Me neither.

Like the 4 Horsemen of The Apocalypse were riding on a crusade of destruction to an evil mad scientist.

Me: Castle up ahead!

Robo Roxy: I see something up ahead.

It was Julius' Feral Mickey Form as it laughed before retreating into the castle.

Evil Clayface: Was that Feral Mickey?!

Me: It's taunting us.

We stopped in front of the castle.

Me: We're here.

We saw the castle and it looked like a true fortress from the darkest depths of hell.

Me: Whoa! Scary place.

THUNDERCLAP! THUNDERCLAP!

Nico: WOW!

Me: This castle REALLY gives me the creeps.

Nico: Yep.

Agony: Stay close. Feral Mickey could be anywhere.

Me: Right.

Nico: Lets head in.

Shaggy: (Cowardly Whimpering) Like go in there!? Like not on your life! No way!

Me: Shaggy this is no time to be acting chicken!

Shaggy: (CLUCKING LIKE A CHICKEN!)

Erica Haddock: Oh brother! Looks like we do this the hard way.

Erica grabbed Shaggy and Scooby and lifted them up.

Shaggy: Crow I hate it when your girlfriend does this!

Crow Hogan: Someone has to get you chickens to go.

Nico: Lets go.

We went into the castle and it was a creepy and scary place.

Qin: (GULP) Scary place.

Nico: Yeah.

Platinum Princess: The feral monster's around here somewhere.

Absorbing Man: Anything I can absorb around here?

Marinette: Plenty of concrete bricks and all that.

Eli: There!

Eli fired a blast of Force Lightning and it hit a wall and out came the Feral Mickey!

Qin: What the fuck!?

Me: That is one ugly abomination!

Camie: Frankenollie is one insanely fucked up fool!

Feral Mickey laughed crazily, grabbed Shaggy by the throat, and started strangling him.

Blot: Hey, get off of him!

But then…

CRUNCH!

Feral Mickey got bit on his leg by Fern Kemmington the Giant Germ Gene-slammer.

Fern: Let him go now!

But then we heard a loud grumbling and then Feral Mickey got a nasty stomachache and he let Shaggy go. Then Feral Mickey's stomach was inflating like a balloon.

Me: He's gonna blow!

We ducked and covered and then…

EXPLOSIVELY LOUD FART!

He released a boatload of explosive diarrhea into his pants!

YUCK!

Me: Cleanup on aisle 12!

Qin: (LAUGHS)

Tenaya 7: (grabs Feral Mickey) You, my feral friend, are going into our prisons.

Mysterio: Maybe I should summon backup.

Me: Good idea.

Mysterio summoned a Guard Armor, Fat Bandits and Red Nocturne Heartless Robots.

We beamed Feral Mickey to their prison.

Motormaster: You alright, Shaggy?

Shaggy: Like yeah but I'm really hungry.

Me: We'll eat later. Right now we have a mission to do.

Lola: At least he didn't get the stuffing beat out of him.

Qin: Yeah like how Tom got his butt kicked by Spike the Dog.

Nico: No kidding there. That would not be good.

Lola: Yeah.

We continued on.

We heard noises.

Stacey: I should summon backup as well.

Salami Swami: Go for it, Stacey.

He summoned the Dark Versions of the Donbrothers and the Zenkaigers.

Me: Dark versions of the Donbrothers and Zenkaigers. Never saw those.

Nico: That is cool.

Stacey: New gears Vypra made.

Nico: Nice to know I'm not the only one that made gears for us.

Razorclaw: I knew it was only a matter of time before Dark Gears of the Zenkaigers were made.

Me: Yeah.

Stacey: It is awesome though.

Kaito: It sure is. Like we're looking at ourselves in the mirror.

Zarya: It sure feels like it.

Nico: I'll say.

Me: Stacey do you think it's possible that you'll invent Dark Gears of the Kamen Riders?

Stacey: That will be interesting to see.

Me: It sure will.

Xaldin: Well, if gears were made of the Kamen Riders, Dark Gears can be made too.

Yost Whirlwind: We just never thought about it until now.

Me: That will be awesome.

Qin: Yep.

We heard maniacal fucked up laughter.

Nico: Uh oh.

Sinnertwin: There's our target.

We peaked into a room and we saw him! DR. FRANKENOLLIE! And with him was the Peg Leg Pete version of Julius. UG-LY!

Nico: There he is.

Me: What a hideous freak.

Xenia: He is disgusting.

Common Cold: Look at the size of Julius.

Crud: He's fucking huge!

Me: And hideously ugly.

Qin: He is a freak of nature.

Nico: One that will be dealt with and thrown into the M.O.E. Prison.

Camie: Yeah no kidding.

Alister: Entrance time!

Nico: Lets get him.

We went at the lab.

Dr. Frankenollie was laughing maniacally. Then the spirits of the monsters appeared and swirled around him and blasted Julius all over and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Most of the entire castle blew apart in a massive fiery explosion and daylight shined in and then a phoenix cry was heard and we came out and I punched Julius in the face and I grew to his size. I kicked and punched him down.

Me: You need to be dismantled you Frankensteinian Freak!

Nico: Yeah!

Dr. Frankenollie: Team Loud Phoenix Storm!?

Nico: Prepare to die Frankenollie!

Julius roared.

Cheese Monster: You need a breath mint!

Me: Make it a truck load full of them.

Roquefort: Cheese ninjas, attack!

He summoned cheese ninjas and they bashed Julius down.

Nico punched Frankenollie and smashed him in his face!

I punched Julius down and flipped him and smashed him into the ground!

Qin: Take that wide load!

Then Dr. Viktor, Demyx, Heat Victor, Dai Gui, Vulture, Box Ghost, Ssserpent, Onyx, Trickster, Merman, Frankenstein, Bell Org, Evil Flame Man, Mudslide, Evil Aero Man, Katty Katswell, Superfriends Scarecrow, Madame Snake, Brutus, and Genbu appeared.

Nico: Dr. Viktor, Demyx, Heat Victor, Dai Gui, Vulture, Box Ghost, Ssserpent, Onyx, Trickster, Merman, Frankenstein, Bell Org, Evil

Flame Man, Mudslide, Evil Aero Man, Katty Katswell, Superfriends Scarecrow, Madame Snake, Brutus, and Genbu.

Dr. Viktor: Now this is my kind of mission!

Demyx: I knew you'd like it!

Me: I'm actually the one that just said that earlier.

Nico: We were actually just talking about that!

Heat Wave: Nice coincidence, huh?

Me: It sure is.

Dai Gui: (to Nico) We heard you battled many Fangs.

Nico: We sure did.

Vulture: They weren't any trouble, were they?

Me: Nope they weren't. But Leeli here transformed and we all took them down.

Vulture: Wow! Leeli you look amazing! You have become a beautiful young woman.

Leeli: I sure have. And better than ever now that I don't have my lazy foot.

Nico: That is for sure.

Garbage Mouth then came.

Me: Garbage Mouth. Boy you sure are a glutton for punishment aren't you?

Garbage Mouth: I sure am.

Nico: Nice.

Garbage Mouth: (sees the Donbrothers clones) Sooner or later, we'll meet the real deals.

Me: That's on Lyra's missions. And we're really looking forward to that one.

Qin: We sure are. And they just finished up today.

Me: Yep. I got a message from the Morphin Masters that they just finished up their missions today.

Nico: Really?

Me: Yep. 45 minutes ago.

Nico: Wow! That was cool!

Me: Yep.

We got the battles underway.

Cornelia Hale, Applejack, Apple Bloom, Earth Skylanders, Cody and

# Ankylomon, Tso Lan the Demon Sorcerer of The Moon and Juandissimo Magnifico VS Dai Gui the Demon Sorcerer of Earth - Meeting the Embodiment of Ixa

---

Dai Gui was next.

Dai Gui: (to Cornelia) I heard you guys met the Embodiment of Ixa. What's her name?

Cornelia: Her name is Kaylee Nago and she is an awesome guardian angel as well as the Embodiment of Kamen Rider Ixa.

Applejack: Boy howdy she sure is something.

Apple Bloom: Yeah and her story is amazing too.

---

Nico: Yep. So, Kaylee, what's the story on why you hated Lynn with a burning passion?

Kaylee Nago: Oh, that's a story I've never forgotten. It's true I hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lynn's done to her own brother could never be forgiven. One day, we were having a meeting at the castle Adriana had created for our club and we were going over our reports from the many missions we'd done, and Lincoln was with us. But, we suddenly heard a loud thunderous belch, and we knew exactly who that was: Lynn, and she was still out to murder Lincoln. I was really mad, and so were the rest of us, so we charged out, and as soon as we got outside, Lynn was about to pounce on Lincoln and stab him in the heart with a knife, but Lincoln fired a blast of darkness at her and sent her flying into a tree, she got back up and she roared and beat her chest like a gorilla again. We'd had enough of Lynn, so we then pounced on her and we started beating her up, and then, Lincoln tied her up with red energy ropes he fired from his white angel wings and she was still roaring like an animal, so I duct-taped her big fat mouth shut. We called Luna and as soon as she heard what happened, she was so furious and she grabbed Lynn by her collar and dragged her back to The Loud House, where she got grounded for ten months for her attempted murder of Lincoln, she was so lucky we didn't ask to press charges on that animal, but because the nice sisters so wanted to kill her, we threw Lynn into a huge metal box. Lynn roared and beat down the door with her fists trying to get out, but Nicholette Torrington flipped that animal the bird, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Jeez, okay, I knew Lynn's an insane psychopath because of Dark Lynn, but trying to kill her own brother in front of the public like that, that's just going too fucking far.

Me: Lynn was lucky no one was pressing charges, but no one spoke to her, and honestly, Nicholette was really taking some really huge risks giving her the bird.

Bertha Sellington: We were worried Nicholette was going to lose a finger, and when they threatened to cut off her finger, she would remind them if they dared to cross The Dark World Goth Girls, they'd be put on our same kill list, and at the top of that list were Damian Alaister and his fucked-up Church of Necrom cronies.

Lincoln: And Bertha was serious about that, if they ever saw Lori, Lynn, Lola, Lisa, and Luan try to kill me again, they would be targeted along with The Church of Necrom, and since many of them had a grudge against them, they would have all the more reason to kill them.

FLASHBACK ENDS

Dai Gui: GOODNESS! Lynn tried to kill Lincoln in broad daylight in front of everyone!? She is pure evil!

Flashwing: No kidding! Thank goodness her dark side is gone or who knows what would have happened.

Cody Hida: Yeah you're not kidding there. That was awful!

Ankylomon: Yeah no kidding that was horrible!

Dai Gui: Yeah that was awful! Lets do it!

EARTH DEMON TRIGRAM MAGISWORD!

Cornelia activated her ridewatch and they fired waves of earth, rock, boulders, mud, lava, crystal and apples and smashed him down.

---

## Hay Lin, Rainbow Dash, Scootaloo, Air Skylanders, Yolei and Aquilamon, Agony and Calypso VS Vulture - Trixie Lulamoon's First Mission

---

Vulture was next.

Vulture: (to Hay Lin) Today was Trixie Lulamoon's First Mission. Did she get her own dragon?

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Hilliya.

A figure came out, and it was none other than Hilliya of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Hilliya, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Hilliya: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Varie Volcania: The only one who deserves to be destroyed is you.

Suddenly, Varie Volcania's purple eyes turned neon purple and she was surrounded by a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels, she unholstered her massive Pyroclastic Elemental-themed greatsword from her back, and as she approached Hilliya, she left neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels with every step.

Varie Volcania: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Hilliya: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Varie Volcania was surrounded by a massive vortex of neon orange energy with lava, flames, and magma surrounding it, there are dragons, phoenixes, and fire angels and Pyroclastic Elemental flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Hilliya: the red eyes of death. Then, as the vortex faded, Varie Volcania emerged, but she was changed forever.

Varie Volcania grew to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her short orange hair, she has neon orange eyes and a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels surrounding her, she has Pyroclastic Elemental emblazoned on her forehead and Third Eye with orange iris, she has on dragon earrings with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its claws, she also has Pyroclastic Elemental with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its hands on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame links. Varie Volcania has on a sleeveless orange blouse, sleeveless orange crop top, orange skirt, orange pants, black and orange sneakers, and long sleeveless white trenchcoat with lava, flames, magma, dragons, phoenixes, and fire angels on the coattails, and on the back is Pyroclastic Elemental surrounded by lava and magma. Suddenly, Varie Volcania felt a sharp pain on her back, and then, her massive orange angel wings with neon orange tips on the large orange feathers, grew much bigger for her new body and she now has eleven massive and long orange wolf tails. Varie Volcania has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Varie Volcania's massive Pyroclastic Elemental-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels, and when it emerged, it transformed into Pyroclastic Elemental's Volcanic Pyroclastic Draconic Phoenix Inferno Greatsword of Volcanic Justice, it's a brand-new massive greatsword with embedded neon orange gems and Pyroclastic Elemental etched on the 7'0" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large neon orange gem embedded in the rainguard, longer midnight black handle, four large orange phoenix heads with yellow gems for eyes and large neon orange gem on the bottom of the orange phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with neon orange gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Pyroclastic Elemental's head with neon orange gems for eyes and a large neon orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Pyroclastic Elemental that said, "Varie Volcania, Gene-Slammer of Pyroclastic Elemental, Elemental Angel of The Volcano, Loving Eldest Sister of Valerie Volcania, Vixen Volcania, Vivian Volcania, and Valencia Volcania, Future Wife of Nico Chan, Archenemy of Scary Movie Ghostface, Destroyer of Hilliya of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lava, Volcanoes, Dragons, and Phoenixes"

Varie Volcania has transformed into SUPER ANGEL-PYROCLASTIC ELEMENTAL-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX PYROCLASTIC VOLCANIC INFERNO ANGEL OF DIVINE VOLCANIC FIRESTORM PYROCLASTIC ELEMENTAL JUSTICE AND DIVINE VOLCANIC FIRESTORM PYROCLASTIC ELEMENTAL LOVE!

We were amazed by Varie Volcania's Super Angel-Pyroclastic Elemental-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Hilliya saw it, he fell into an infernal rage and he got out his blaster to blast her, but Varie Volcania fired a powerful neon orange energy blast with lava, magma, fire, dragons, phoenixes, and fire angels at Hilliya, which hit him and pushed him back and he also got electrocuted, but this really pissed him off now.

Valerie Volcania: Whoa, Varie's transformed, that's so awesome.

Vivian Volcania: That's really incredible, and she really burned Hilliya badly.

Nico: And she's really got him pissed off now big time.

Varie Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Pyroclastic Elemental Fire Angel and Divine Draconic Phoenix Inferno Pyroclastic Elemental Inferno Love) And now, a fiery fate awaits you, Hilliya.

Nico: Let's get him, Varie, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Varie Volcania.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Varie Volcania and Nico went after Hilliya who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, neon orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Hilliya and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Hilliya, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Hilliya took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Hilliya began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Hilliya has transformed into his King Ghidorah Hybrid Monster form.

Hilliya fired a Gravity Lightning blast at Varie Volcania and Nico who dodged it.

Lincoln: Varie, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Hilliya from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Hilliya and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Hilliya's bio-energy and assimilated his powers and abilities as his tail pulsed and the King Ghidorah Hybrid Monster Hilliya withered and deteriorated until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Varie, let's end this asshole for good.

Varie Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Pyroclastic Elemental Fire Angel and Divine Draconic Phoenix Inferno Pyroclastic Elemental Inferno Love) You got it, Nico.

Varie Volcania and Nico sent Hilliya flying into the air, and then, they prepared their combo to put an end to Hilliya.

Varie Volcania and Nico: VOLCANIC DRACONIC PHOENIX PYROCLASTIC ELEMENTAL KAMEHAMEHA!

Varie Volcania and Nico fired two massive neon orange energy Kamehameha waves with lava, flames, magma, dragons, phoenixes, and fire angels which hit Hilliya, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Varie Volcania and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Varie Volcania and Nico holster their massive greatswords on their backs and powered down, and Varie Volcania's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Varie Volcania: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-five members to go. Thanks for helping me destroy Hilliya once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Varie.

Suddenly, Varie Volcania wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Varie Volcania's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Pyroclastic Elemental flying in the air, and we saw many animals running across the field, along with elemental forces and volcanoes erupting behind them and we cheered wildly. Then, Nico and Varie Volcania absorbed the lava and they came back to us as the display and Pyroclastic Elemental vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Varie.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Jesstia, which means you're up next, Valerie.

Valerie Volcania: Yeah, we'll make Jesstia pay.

Nico: We sure will.

Victoria Kurenai: And now, for your rescue tomorrow, Lincoln, we're going to be meeting the Embodiment of Kamen Rider Saga.

Lincoln: You said it, Victoria, this is going to be so awesome.

Umihana Kamihara: Say, wasn't there another who became Kamen

Rider Saga before Taiga?

Wataru: That's right, Umihana.

Lincoln: Yeah, the first one was The Checkmate Four's original King and the first King of the Fangire. We'll see who the Kamen Rider Saga Embodiment is related to tomorrow on my rescue.

Box Ghost: All the King's Horses and all the King's men couldn't put Frankenollie back together again!

Ssserpent: You know that rhyme's over, right?

Onyx: But it's still true.

Me: And it's so funny.

Trickster: And we got new additions to our ranks.

Merman: Crazy additions. But new additions nonetheless.

Me: Yeah that is funny.

Nico: It sure is.

Me: But the universe has one less mad scientist out of its existence.

Qin: Thank goodness.

Nico: That's for sure. Good job everyone. Lets head to Lynn's Table and get some grub.

Shaggy: Like oh boy!

Applejack: (To the viewers) YEEHAW! This was a great adventure y'all. Hope y'all loved it.

Me: We sure did.

We went to Lynn's Table and got a great meal and then we went back home and enjoyed the rest of the day and went to sleep.

Me: So this is the fishing village you went to where you faced Oceanus Shenron.

Brittney: Yep this is it dad and this is where we met Colm and helped him and his village get back on their feet.

Nico: That was awesome.

Camie: Wow.

Piper: This is gonna be interesting to see.

Nico: It sure is.

Brittney: You guys are in for an awesome story from when that happened.

Xenia: Yeah.

Nico: Piper, I want to thank you, Fixer, and your teams for coming today

Piper: No problem Nico and it's gonna be so awesome.

Xenia: Yeah it sure is.

Fixer: We're really honored to help you guys out.

Nico: Kanna, what do you like to do in your free time?

Kanna: I like to work on ships to make them tougher and harder to destroy. I'm a mechanic.

Qin: That's cool!

Xenia: It sure is.

Nico: I agree there. We can always use more mechanics on the team.

Lana: I agree there. That is awesome.

Leeli: It sure is. I think it's great too.

Camie: It sure is.

Me: You'd fit right in with Lana and Kevin Levin.

Kanna: I sure would there.

Nico: Yeah that is cool.

Me: Boy yesterday's mission was awesome and fun.

Xenia: Yeah it sure was.

Twilight Sparkle: And Trixie did great on her first ever ambassador mission too.

Me: She sure did. Also we destroyed Dr. Frankenollie.

Nico: Man, Julius was freaky!

Me: He was a complete and total and disgusting crime against nature!

Qin: No kidding there! What Frankenollie did showed that he is a mad scientist that hates all life and wants to destroy it.

Me: He wants to fuck around with the laws of mother nature.

Nico: Yeah you got that right!

Leeli: What he was doing was horrible!

Lola: Yeah no kidding there! That is sick!

Varie: No kidding there. But I'm glad he is gone.

Nico: If the roles were reversed, Julius would've beaten Shaggy to a pulp.

Me: Yeah no kidding there. Just like how he beat up Sora.

Xenia: No kidding there.

Qin: That was brutal.

Maria: Yeah it sure was. And his breath smelled REALLY Bad!

Nico: And Sora would've hesitated to fight Feral Mickey since he looks too similar to the real Mickey.

Me: Yeah he sure would have hesitated if that happened. But thank goodness it didn't.

Qin: No kidding.

Xenia: Yeah that would not be good.

Camie: I agree there.

Nico: Are we gonna fight anyone before we find Swartz's Creations?

Me: I don't sense anyone here. But it looks like Colm's village is doing great since we were here last.

Nico: I remember that battle but I don't know what went down back then.

Me: Well you were with us but back then we had to split up into 7 groups to cover more ground and face each dragon.

Nico: Oh right!

Me: Yep.

I went over the third battle of Chapter 840.

Group 3: Lori, Rubberband Man, Teresa, Arpeggio, Inque, Brittney and Lily VS Oceanus Shenron

They third group arrived in a small fishing village.

Inque: It's a small fishing village.

Brittney: The Dragon has to be around here somewhere. It's the 6-Star Dragon.

Teresa: This dragon is elusive I'll give it that.

Arpeggio: (British Accent) It sure is.

But then they got an unexpected and unpleasant experience. Hundreds and hundreds of fish, lobster, octopuses, crabs and clams fell from the sky and it was A LOT of it.

Lily: Look at all this fish!

Teresa: There's so much of it!

Lori: Where did all this fish come from?

But then all the people of the village came.

They got shovels and wheelbarrows and carts.

Man: Hey get the cart. We need to grab as much mackerel as we can and get to the market!

They piled as much fish into their carts as they could.

They gathered a lot of fish and the group had a lot of fish as well for lunch.

Brittney: This oughta keep us all fed for lunch.

Lori: Yeah and then some.

Teresa: I'm hungry.

Man 2: (Laughs) As far as I'm concerned Princess Oto's our savior. If she weren't around we would have to catch the fish ourselves.

Then a boy named Colm appeared on the boat next to them.

Colm: (Irish Accent) Listen to yourselves everyone!

Brittney: Huh?

Colm: How can you expect a little princess to make all those fish fall from the sky? Don't you think that's strange? Something awfully wrong is going on around here dad!

Brittney: What do you think it is?

Colm's dad: Look Colm, stop making me look like a fool would ya? Don't you have friends you can play with? Huh?

Colm: All of my friends dads are fishermen and they're unemployed now! My friends can't even play ball because they have to make money for their families!

Lily: That is too sad.

Colm's dad: (Growls) I'm sick of hearing this!

He threw his flask at his own son!

Colm: Wait dad!

Lily flew up and caught it. Colm was amazed that Lily was flying.

Lily: What the hell is wrong with you!? You shouldn't throw things at your own children! People that do that have absolutely no love at all!

Colm's dad: And just what would you know about it? I don't know who you are kid but you better get home to your mama!

Lily: For your information you old clod, I am Lily Loud, a member of the all powerful Team Loud Phoenix Storm.

She threw the flask back at him and it hit him in his head and knocked him out!

Brittney: That will teach you to respect your children!

They left.

Brittney couldn't help but feel sad for Colm.

They were then frying the fish they caught.

Brittney: I'm sorry about your father Colm.

Colm: It's all right Brittney. But thank you.

Lily: So what's going on here?

Colm: Ever since Princess Oto appeared out of nowhere, the fishing business has vanished from our village. Now small children are being put to work while their parents act like brainless servants to the princess.

Teresa: Oh man.

Arpeggio: That is so unusual.

Lori: It's literally like a bad fairy tale.

Lily: Who is this Princess Oto?

Colm: I don't know. That's just what everyone else calls her. And now the adults parent all day and night like they have no responsibilities. The kids don't deserve that.

Lily: Boy it sounds like this whole village is in a lot of trouble.

Colm: Indeed. Every day more fish fall from the sky more than we can handle and all the leftover fish ends up rotting in the streets and polluting the village.

Brittney: That's terrible. This is overfishing and slavery on steroids. The situation is worst than you think Colm. The 7 Shadow Dragons are behind all this. We relied too heavily on the Dragonballs and now we've unleashed them. And if we don't stop them, they will kill us all and destroy the entire universe.

Colm: (Gasps) That's terrible!

Brittney: It is. That's why we have to stop them.

Then the 6-Star Dragonball on her back glowed.

Brittney: The Dragon is here!

They saw the dragon. It was the 6-Star Dragon OCEANUS SHENRON - the Dragon of Water and Wind!

Colm: (Gasps) It's Princess Oto! The one I was telling you about.

Brittney: That's no Princess. That's the 6-Star Dragon!

She was a beautiful blue-skin girl with aqua blue eyes and long blue hair that went down to her ankles and she had a blue long dress on. She had the 6-Star Dragonball imbedded in the middle of her forehead. She had water swirl around her feet and she caused it to rain fish again.

Colm: So that's one of the Shadow Dragons?

Lily: Yep.

Colm's dad and another man went to the beach to get some fish.

The villagers then came.

Brittney: Your princess is not what she seems.

Man 3: What do you know girl?

But Colm's dad and the man were blown away and Teresa and Lily caught them.

Brittney: See what I mean? She may look like a pretty princess with gifts for everyone, but she's really an evil and extremely dangerous dragon born from overusing the Dragonballs. She and the Shadow Dragons are going to kill us all if we don't stop them!

Colm: She's right.

Lily: Get inside to safety. We'll handle this.

The villagers did so.

They faced her.

Lily: So you are one of the 7 Shadow Dragons.

She flew up to them.

Oceanus Shenron: Uch. I can't believe a little girl would talk like that. You may call me Oceanus Shenron, commander of the water and the air.

Lori: Two of the most powerful elemental forces of nature.

Teresa: (to Oceanus Shenron) So, how're we gonna do this?

Brittney: Let me handle this Teresa.

Brittney flew over.

Brittney: Oceanus, my name is Brittney Knudson and this is a strange and long story I have to share with you.

Oceanus Shenron: What is it?

Brittney: Look into my eyes and see.

Brittney showed her a vision of what went down in the future before she and her siblings and family got sent into the past to be with us. She showed her that Brittney was given the 6-Star Dragonball for her birthday when she was a little girl and she loved it like a special gift. She would take the 6-Star ball with her and keep it with her as a powerful metaphysical spirit guide. She knew about Oceanus Shenron being inside it and how she can help her achieve great things. She would turn to her for advice and more.

Oceanus Shenron was shocked. She saw her best friend Brittney Knudson standing right in front of her eyes.

Oceanus Shenron: It is you. Brittney!

They went and hugged each other.

Everyone else was really shocked at what they saw! Later they revealed everything.

Lily: So you've known each other since you were a little girl Brittney?

Brittney: I've had the 6-Star Dragonball since I was a little girl. It was before I embraced the Gothic Subculture.

Oceanus Shenron: It's true. She has been a long time friend for me.

They got her to change her ways. Lily was given a necklace in the shape of the kanji for Ocean. 海洋 And she got all of Oceanus Shenron's powers as well as the 6-Star Dragonball. Oceanus Shenron was now a full fledge human with all her powers as a Shadow Dragon.

When I as done everyone that hadn't heard about it was amazed!

Camie: Wow!

Nico: That was awesome!

Twilight Sparkle: So that's how you recruited Oceanus into the Redemption Squad.

Lola: Yep. That was awesome.

Nico: That was still an epic and awesome battle. I did not expect Omega Shenron to be so powerful back then.

Qin: That was amazing.

Lola: It sure was.

Me: Since we're here we might as well have a look around.

Nico: Good idea and I guess all we do is wait.

Qin: Yeah but it'll be awesome to be here too.

Leeli: It sure will be.

Then Colm came.

Colm: (Irish Accent) Brittney!

Brittney: Colm!

She and Colm hugged.

Colm: It's awesome to see you again.

Brittney: Same here to you. We haven't forgotten about what happened when we were here the last time. It was awesome.

Colm: I know that. It was great.

Nico: Awesome to meet you Colm.

Colm: You too Nico. It's awesome to meet all of the famous Team Loud Phoenix Storm this time.

Nico: Don't mind us. We're just sitting around here fucking bored.

But then just like before a massive shower of Hundreds and hundreds of fish, lobster, octopuses, crabs and clams fell from the sky and it was A LOT of it.

Me: WHOA!

Brittney: TAKE COVER!

We ducked and covered!

Nico: And now, the boredom is gone!

Me: This is definitely the work of the next Wielder of the Swords of the Shadow Dragons.

Colm: I did see someone raise a strange sword up to the sky and she was crying too. Then a huge vortex of water surrounded her.

Me: Oh man.

Nico: We might as well have a seafood lunch while we're here too.

We got to having some seafood.

Me: Boy look at all this fish.

Brittney: This is exactly what happened when we met Oceanus Shenron the first time.

Girl Jordan: (Eating Clams) That is really amazing.

Leeli: (Eating Shrimp) So Oceanus has the powers of the Water and the Wind?

Lily: That's right. All the Shadow Dragons governed the elemental forces of nature. And they were made by specific wishes of the dragonballs that gave them life. (Eating Salmon Filets) Oceanus was made on the very first wish that Master Goku and friends made.

Nico: It was a very embarrassing wish unfortunately.

Colm: I remember it was a pair of womens underwear too.

Me: I remember that. (Eating a Salmon Steak.)

Nico: That was crazy.

Qin: Yeah no kidding. (Eats Shrimp Kabobs)

Nico: I think that wish was misinterpreted.

Me: We'll Master Goku said it was an urgent wish. Oolong stepped in at the last second and if he didn't the world would be under the tyrannical rule of Emperor Pilaf.

Brittney: That's right dad.

Colm: I remember hearing about that.

Lily: How has your dad been doing Colm?

Colm: Better than he was when you first met him Lily. He is now helping out in the fishing industry and spending more time with us.

Me: That's good he is.

Lily: I hope I didn't hit him that hard with his flask.

Colm: No he got a bruise and it served as a wakeup call for him.

Camie: That's good it did.

Nico: That was kinda harsh, don't you think?

Brittney: Lily was reacting in self defense.

Nico: Oh right I heard about that. That was a good call there though.

Xenia: It was.

Colm: Pan came often and was helping me fly.

He floated off the ground and he was flying!

Me: Wow! Pan is a good teacher!

Nico: She sure is.

Colm: It's amazing.

Me: It sure is.

Nico: Eli, can you sense for Swartz's creations?

Eli concentrated.

Me: I definitely know the next of Swartz's creations is going to be the wielder of the Sword of Oceanus Shenron - The 6-Star Dragon.

Eli: You're right on that bro. And the next of Swartz's creations are another Crocomire and Another Fixer.

Qin: Whoa Another Crocomire!?

Me: That was a freaky one and the skull of that creature is in our trophy case.

Xenia: Yeah.

Nico: Wake me when Another Crocomire gets here.

Me: Okay.

Nico had a nice nap.

Lily: I put some of the fish back into the ocean when we were about to cook them.

Me: Good call Lily.

Colm: But it's Amazing that you guys have been doing some amazing adventures.

Me: We've been really busy over the last 4 years. But it was amazing.

Lola: Yeah we have been having lots of adventures.

Colm: What does a Crocomire look like?

Shanan: It looks like this.

She showed a picture of it and it's a red four legged crocodile like creature with 8 eight eyes.

Colm: Whoa that is a crazy one!

Qin: It sure is.

Girl Jordan: I agree there. But It was crazy that Samus faced it. When she did so she had to send it right into the lava and when it came out it was nothing but a skeleton.

Xenia: Geez.

Nicole: I remember that. That was a scary one.

May cuddled next to Nico while he was napping.

Me: So adorable.

Qin: Yeah.

Colm: Nico and May look so adorable together.

Carol Pusateri: They sure do.

Camie: Yeah.

Maria: That's my bro and sis.

Me: Yeah.

But then we heard a roar!

Qin: Uh oh!

Me: Nico, May! Code Another!

Nico: HUH!? WHAT!?

May: Did we miss anything?!

Me: Nope.

Lola: Look!

We saw a figure and it was a dark version of Crocomire! It was ANOTHER CROCOMIRE!

Me: WHOA!

Qin: This one is scary!

Colm: Wow no kidding there!

Lola: Yeah!

Another Crocomire: (In a girls voice) I'm sorry did I interrupt something?

Sora Phaaze: (GASP) That voice!

Colm: It can talk!?

Then she reverted back and was a girl with aqua blue hair in curly hair and she had blue and aqua blue clothes.

Sora Phaaze: (GASP) Allie Alinos!

Allie Alinos: Awesome to see you again Sora and you too J.D.

Me: Same to you Allie.

Xenia: Wow! The planets of Ice and Fire.

Allie Alinos: Yep.

Leeli: Let's do this!

Allie Alinos: I love the Wingfeather Saga books. Those are my favorite books from back when I was a little girl.

Sora Phaaze: Those are all awesome.

Allie Alinos: They sure were. I heard you guys destroyed Gang the Nameless and many of the Fangs.

Qin: We sure did.

Lola: That was so awesome.

Laney: It sure was.

Xenia: Yep.

Me: Oh is the Another Fixer friendly or hostile?

Allie Alinos: Friendly and as I'm sure you saw it's been raining fish all over the place.

Me: Yeah we saw that.

Allie Alinos: Good you know.

Leeli: Lets do it.

Allie Alinos turned into Another Crocomire and Leeli flew and fired waves of fire and blasted her down and she was back to normal and then a Crocomire Skull fell out and I caught the Wonder Ride Book and it was called The Volcano Planet Bounty Hunter.

I picked her and the skull up and brought them over.

Maria: Time for some backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) PSYCHOTIC LIGHTNING 6!

She summoned Larxene, Megavolt, Dorko Malfly, Psycho Rangers, Minotaur, and Ghost of Milo Booth along with Electro, Yost Electro, U.A. Electro, Rage Shenron, and Zan Partizanne and Kracko.

Me: Shocking and electrifying.

Nico: Yeah!

Qin: This is gonna be awesome.

Colm: Boy this will be amazing.

Nico: Here she comes!

We saw a figure and it was a dark version of Fixer! It was ANOTHER FIXER!

Qin: Whoa! Another Fixer!

Nico: Whoa!

Colm: That's the one I was telling you about. I saw her turn into him.

Me: Wow.

Then she reverted back and it was a girl that had aqua green hair and blue eyes and had blue clothes and she was really crying.

Me: (GASP) Selena Oceanus!

Selena Oceanus: (Crying) Hey J.D.

Nico: Oh man. Wonder what happened?

Selena Oceanus: (Crying) It was Swartz! He Killed my mom and dad and forced me to join him and do terrible things for him!

WE GASPED IN SHOCK!

I went over and hugged her and she cried hard into my shirt.

Me: Selena it'll be all right. Swartz is gone now. He was given the black gates. He's gone.

Maria: J.D. you have to get away from her.

Nico: Maria! Let him comfort her for a few minutes. Her life was ripped apart by Swartz.

Qin: Yeah he killed her entire family in cold blood. Let him help her out.

Maria: Oh you're right.

Eli: Boy she lost everything.

Sougo: Just goes to show how evil Swartz was when we killed him.

Laney: Yeah.

Nico: Swartz got what he deserved. He was pure evil.

Qin: He didn't care who lived or died. He only cared about one thing and that was himself.

Me: And I'm glad we killed that son of a fucking bitch!

Kaito: (gets out Revice gear) We're sorry about what happened.

Zocks: (gets out Saber gear) But we can bring your parents back.

Selena Oceanus: (Crying) I'm sorry guys! It's too late for me.

Me: Selena listen. It's never too late. You did nothing to deserve this. Swartz is the true monster responsible for your misery. He did this to you. He is gone forever now. He is in the Black Gates.

Selena Oceanus: But he will come back.

Me: No he won't. Never again. The black gates will make sure he never returns. He is stuck there for all eternity and now a forgotten memory.

Sougo: It's true Selena.

Me: But yes we can bring your mom and dad back.

Selena Oceanus: You can?

Me: I sure can. I have that power.

Selena Oceanus: (CRYING) But first get rid of this ridewatch in me!

Me: That we can do.

Kaito got a Revice Saber and Zocks got a Wonder Ride Sword.

Me: It's times like this I wish we can bring back Swartz from the Black Gates and then kill him over and over and over and over again to make him suffer for all the atrocities and crimes he did.

Qin: Yeah me too! Especially for messing around with so many people!

Sougo: (gets out Revice Ridewatch) Only two more days until the Revice mission.

Geiz: (gets out Blades Ridewatch) You said it!

Sougo got ReviceArmor while Geiz got BladesArmor

Qin: Yeah! This will be awesome.

Me: And it will be awesome for when we destroy Giff forever.

Lola: Yeah no kidding.

Xenia: That will be good.

Selena turned into Another Fixer!

Me: But we'll save you from this Selena.

Nico: (gets out Fixer's Ridewatch) I can fix it!

He activated it and fired waves of energy and smashed her all over.

Nico: Time for the jump! (Activates Evil Spring Man's Ridewatch)

Nico jumped and smashed her down.

May: Feel the technological advancements of Robert Vance. (ACTIVATES ROBERT VANCE'S RIDEWATCH)

She fired waves of energy and smashed her all over the place.

May: This is gonna be good. (ACTIVATES MINIONS OF SET RIDEWATCH)

She glowed in a blue fire aura and smashed and bashed Another Fixer all over.

Lola: OH YEAH!

Maria: Zip your porktrap! (ACTIVATES JACK THE ZIPPER'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Maria: Time for this too. (ACTIVATES SETSUNA'S RIDEWATCH) WIND STYLE NINJA ART: DIVINE WIND!

She fired waves of wind and spun her around in powerful tornadoes.

Kanna: Time for the jump!

She activated her ridewatch and fired jumped and smashed her down.

Me: OH YEAH!

Technus and his team consisting of Mike Rochip, Omega Metroid, Defector, Road Kamelot and Chameleon Zodiarts then came.

Nico: Nice team, Technus!

Technus: Thanks Nico.

Qin: It's really cool!

Colm: Boy you guys have been busy.

Qin: We sure have been busy.

Me: Yep.

I fired waves of energy and blasted her all over.

Maria: Where's the next Gene Slammer?

Qin: Look!

We saw something up in the sky and it came down and it was an Altaria!

Qin: Cool an Altaria!

Nico: Awesome.

Altaria: (British Accent) I had a feeling this would be a good battle.

Nico: Skyla Escadaria!? Whoa!

She reverted back and was a girl with aqua blue hair and had blue clothes and blue angel wings.

Skyla Escadaria: Good to see you again Nico old chap. I got this for you. TALLYHO!

She fired a wave of star wind and blasted her down and I caught the ridewatch and purified it and brought Selena over.

Skyla Escadaria: That was fun.

Kanna: What's your favorite memory of Nico?

Skyla Escadaria: My favorite is when me and Nico were in flight school and we flew an awesome B2 Spirit Stealth Plane.

Qin: I remember that! That was so awesome.

Xenia: Wow that is cool!

Colm: Boy it sure is!

Nico and Skyla hugged.

Nico: I've really missed you.

Skyla Escadaria: Me too Nico old chap.

Me: This was awesome though.

Nico: Now, for what we promised

Me: Yep. (SNAPS FINGERS)

I snapped my fingers and then a flash of light shined down from the heavens and then the divine singing of angels was heard and then out came two figures. 1 was a man with brown hair and had green clothes and the other was a woman with aqua green hair and had blue clothes. They opened their eyes and saw that they were back.

Mr. Oceanus: We're home. J.D. is that you?

Me: It sure is. Been a long time Mr. And Mrs. Oceanus.

Mrs. Oceanus: We saw everything that happened from heaven and thank you getting rid of Swartz.

Me: He deserved it.

Selena gasped and she saw her mom and dad.

Selena Oceanus: Mom? Dad?

Mrs. Oceanus: Hello Selena.

Mr. Oceanus: Been a while sweetie.

Selena Oceanus: MOM! DAD!

She went and hugged them and cried hard.

Selena Oceanus: (CRYING HARD) I'M SORRY! Swartz made me kill you guys! I'm SO SORRY!

Mr. Oceanus: It's not your fault honey. You were manipulated by him.

Me: But he is gone now. He was given the Black Gates.

We later went back home.

We got word from Woody Woodpecker, Winnie, Knothead, and Splinter that Buzz Buzzard's old con-artist partner, Tweaky, has broken out of jail, and he's out robbing banks again and he's also up to his old ways in conning and robbing people again. Plus, he hasn't taken kindly to the fact that Vypra has since recruited Buzz Buzzard into The Masters of Evil, and he's no longer able to con or cheat anyone like he used to without getting a serious reprimand from Vypra. But, we're not going to take kindly to that dirty canary running loose again, so we're going to take him down and send him right back to prison where he'll spend the rest of his life.

Lincoln: Whoa, we're here in the western district of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we've got some really big trouble. Woody, would you like to tell us?

Woody Woodpecker: Gladly, Lincoln. Okay, guys, we got some huge trouble: Buzz Buzzard's old con-artist partner, Tweaky, has broken out of jail, and he's robbing banks again and he's also up to his old ways in conning and robbing people again.

We gasped.

Nico: That dirty canary and con-artist partner of Buzz Buzzard?! Didn't you send him to jail after you and Woody kicked his and Buzz's beaks in, Lincoln?

Lincoln: Yep, that's him alright.

Me: I haven't forgotten what Lincoln did to that dirty buzzard and what Woody did to Tweaky, it was so hilarious.

Woody Woodpecker: I'm still cracking up from that. Plus, he hasn't taken kindly to the fact that Vypra has since recruited Buzz into The Masters of Evil, and he's no longer able to con or cheat anyone like he used to without getting a serious reprimand from Vypra or getting the same punishment you gave Rancid Rabbit.

Lincoln: Well, we're not going to take kindly to that dirty canary running loose again, so we're going to take him down and send him right back to prison where he'll spend the rest of his life. So, we got to track him down, luckily Tweaky isn't smart enough to realize the blue tye-dye packs went off when he took the money and it also ripped apart the bag he had with him.

We saw the fresh dollar bills were scattered all over the place, and Tweaky's left a trail of blue-colored footprints.

Nico: Fresh dollar bills and Tweaky's footprints. Let's hunt that dirty canary down and take the money back!

We followed Tweaky's trail and gathered the scattered dollar bills to give back to the bank. Suddenly, Lincoln saw some very familiar tracks as well.

Lincoln: Oh no, those tracks are X-Borg footprints, so that dirty canary's summoned the troops of The Armada to help him, and with a Dark Orb no less. Two can play at that game, Tweaky!

Lincoln summoned the Anatomia Complex, the futuristic "smart scroll" used for storing and reading design information about the Homunculi, and he summoned armies of Nebulosus, the heavy troops and evolved forms of the Stratus troops.

Nico: Whoa, now that's awesome.

Eli: When Lincoln absorbed Singularity and assimilated all of his powers and abilities, he also gained the ability to summon the Anatomia Complex scrolls and with them, he can create any Homunculi he needs to help.

Bayonetta: (British Accent) Along with summoning Angels of Paradiso under his control and Infernal Demons.

Me: This is so awesome, now, let's go give that dirty canary the surprise of his life!

Lincoln: You got it, J.D., and I want to thank your team for joining us, Pinkie Pie, along with you, Winne, Knothead, and Splinter, Woody.

Pinkie Pie: You're welcome, Linky. Now, let's get that dirty canary.

Woody Woodpecker: And drag him back to jail for good.

Suddenly, we saw a beautiful girl with long yellow hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful yellow angel wings, she has on a tiara with the Kamen Rider Saga logo, she's dressed in a sleeveless black vest, sleeveless yellow top, necklace with the Kamen Rider Saga logo for the pendant, black skirt and she has a Kivat with her and Fuestles around her waist, yellow pants, yellow legwarmers, yellow sneakers, and long white long-sleeved trenchcoat with darkness, bats, swords, and angels on the coattails and on the back is the Kamen Rider Saga logo and holstered on her back is a massive Kamen Rider Saga-themed greatsword with embedded yellow gems and a Kivat etched on the 7'0" massive, wide, double-edged yellow blade, large yellow bat heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large yellow bat heads and large yellow gem on the bottom of the large dark blue bat heads for the pommel, and she has the eight girls with her.

Qin: Whoa, who's that?

Wataru: That must be the Kamen Rider Saga embodiment that Lincoln mentioned yesterday.

Girl: That's right, and I got the eight girls away from that dirty con-artist canary, Tweaky, and I also saw the Nebulosus troops Lincoln summoned by summoning a Anatomia Complex, and they tore down the X-Borgs Tweaky had with him.

Lincoln: (Gasps) That voice, Tamara Nobori, I knew it was you, it's awesome to see you again.

?: I will have my revenge on you for ruining my bank robberies, turning Buzz to The Masters of Evil, and for throwing us in jail years ago, Lincoln Loud and Team Loud Phoenix Storm!

We then saw our target, the dirty con-artist canary, Tweaky, and boy was he mad!

Lincoln: If it isn't Buzz Buzzard's con-artist partner, Tweaky. Nice of him to save us the trouble of going after him. Now, let's take him down and send him back to jail.

Tweaky was extremely furious, but before he could summon more X-Borgs with the Dark Orb in his hand, Woody Woodpecker smacked his hand with a mallet and fired a blast of fire and it destroyed the Dark Orb and not only did our blue auras protect us again from the shards, but we also gained a power boost, and then, Lincoln fired a blue energy blast which turned into a straitjacket and tied that dirty canary up. We cheered as we holstered our weapons and powered down, and the cops came and took Tweaky away, and we returned the money Tweaky stole from the bank.

Me: Enjoy getting sent back to prison, Tweaky.

Lincoln: You don't deserve to be free ever again.

Nico: As they say, once a jailbird always a jailbird.

Eli: What a dirty con-artist.

Lincoln: Tweaky was never going to change, Eli, he and Buzz have gotten into major trouble over and over again, he's the textbook definition of a habitual criminal. (To Tamora Nobori) And it's so good to see you again, Tamora Nobori.

Tamora Nobori: You too, Lincoln, it's been a long time.

Lincoln went up to Tamora Nobori and he hugged her, and Tamora Nobori is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, orange version of He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Tamora Nobori: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting your own version of He-Man's chest harness. You've really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Tamora Nobori, Embodiment of Kamen Rider Saga, she's my Guardian Angel from Japan and classmate in English. Tamora's known for defending me with a fierce passion not only from my enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and she's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and like me and the other vampires, she feeds on blood bags from the blood bank, and she knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club, and she's also one of the many members of The Michigan Supernatural Defense Force.

Me: Nice one.

Victoria Kurenai: And Lincoln made Tamora a tiara with the Kamen Rider Saga symbol on it and necklace with Kamen Rider Saga symbol for the pendant, and to show thanks, she kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night. She's also the sister of Taiga Nobori A.K.A. Kamen Rider

Saga, and she hates Lola with a burning passion.

Me: Whoa! I had no idea you had a sister, Taiga.

Taiga: You never asked, J.D., and it's so good to see you again, Tamora.

Tamora Nobori: You too, Taiga.

The two siblings hugged.

Lincoln: And she also heard of what we did to King, Takashi, and Takato, and she's so glad to be rid of those three heartless Fangires.

Me: We all were.

Taiga: And you're also going to like this: she absolutely loathed and despised King with an absolute intense hatred that even the other Fangires were absolutely afraid of her, and not just because she's a vampire.

Lincoln: That's right, she's way more powerful than King, and even though she did tell me who her father was, she absolutely despised him for what he's done to too many people, including you and Wataru since you're her siblings, and she told me that she always loved you two dearly.

Wataru: She really said that? Wow.

Taiga: If our mother could see her now, she would be so proud of her for coming such a long way.

Tamora Nobori: She'd love to see that, and we'll always keep her memory alive in our hearts, guys. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Tamora Nobori: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that

Lincoln left as he marked them.

Tamora Nobori: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Tamora Nobori, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Tamora Nobori: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Tamora Nobori's neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Tamora Nobori: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tamora Nobori.

Tamora Nobori had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Nagisa Kubo, Akina Kubo, Hazuki Kudou, Saki Kubo, and Tamao Taira from Kubo Won't Let Me Be Invisible and Zari, Lily, and Bea from Duolingo.

Lincoln: Oh wow, it's Nagisa Kubo, Akina Kubo, Hazuki Kudou, Saki Kubo, and Tamao Taira from Kubo Won't Let Me Be Invisible and Zari, Lily, and Bea from Duolingo.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nagisa Kubo: Yes, we're okay, thanks to you.

Then, when Nagisa Kubo and the other seven girls saw who it was that saved them from that dirty con artist canary Tweaky, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-

Nagisa Kubo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Nagisa Kubo: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nagisa Kubo, Akina Kubo, Hazuki Kudou, Saki Kubo, Tamao Taira, Zari, Lily, and Bea with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Buzz Buzzard's old con-artist partner, Tweaky, who'd broken out of jail again, and was robbing banks along with conning and robbing people again. Plus, he hasn't taken kindly to the fact that Vypra has since recruited Buzz Buzzard into The Masters of Evil, and that he's no longer able to con or cheat anyone like he used to without getting a serious reprimand from Vypra.

But, when Lincoln showed what happened such as Lincoln summoning the Anatomia Complex scrolls to summon an army of Nebulous soldiers to destroy the X-Borg soldiers Tweaky summoned with a Dark Orb he had, and finally all of us beating that dirty con artist canary down and Lincoln tying him up with a blue energy straitjacket and handed the stolen money and also took Tweaky away, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Tamora Nobori have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that stupid con-artist dirty canary to never come after us ever again. Plus, that was some awesome work summoning the Anatomia Complex scrolls to create that army of Nebulous to get rid of the X-Borg soldiers that Tweaky made with that Dark Orb, Lincoln.

Lincoln: This was the first time I summoned the enemies of Bayonetta to do our bidding. Plus, I can't help but get the feeling I'm going to be doing that again later on today on our mission, and it's also against an army of villains we defeated and banished long ago.

Nico: I've also got that feeling as well, Lincoln.

Me: Same here.

* * *

After finally taking down Tweaky and sending that dirty con artist canary back to prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Tamora Nobori saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tamora Nobori: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Tamora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tamora Nobori: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Tamora Nobori: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Tamora, what's the story on why you hated Lola with a burning passion?

Tamora Nobori: Oh, that's a story I've never forgotten. It's true I hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lola's done to her own brother could never be forgiven. One day, we were having a meeting at the castle Adriana had created for our club and we were going over our reports from the many missions we'd done, and Lincoln was with us. But, we suddenly heard a loud screech of anger in the air, and we knew exactly who that was: Lola, and she was out to murder Lincoln because something got her in a bad mood yet again. I was really mad, and so were the rest of us and Lincoln, so we charged out, and as soon as we got outside, Lola was about to pounce on Lincoln and beat him to death with brass knuckles, but Lincoln fired a blast of darkness at her and sent her flying into a tree, she got back up and she roared with anger, her hair literally turned into flames, her teeth turned into fangs, and her face turned red. We'd had enough of that pink-wearing blackmailing pageant demon, so we pounced on her and we started beating her up, and then, Lincoln tied her up with red energy ropes he'd fired from his white angel wings and she was still screaming like crazy, so I duct-taped her big fat mouth shut. We called Luna and as soon as she heard what happened, she was so furious and she grabbed Lola by the collar of her dress and dragged her back to The Loud House, where she got grounded for ten months for her attempted murder of Lincoln, she was so lucky we didn't ask to press charges on her, but because the nice sisters wanted to kill her, we threw Lola into a makeshift jail cell, and she protested saying she wanted a lawyer and she was framed.

Nico: Like that classic line would save her. If you were actually going to press charges on her, she would be found guilty and the evidence would be staring her hard in the face.

Me: Lola was lucky no one was pressing charges, but Lincoln and the Guardian Angels had a ton of evidence on her.

Bertha Sellington: We documented all of her crimes with hidden cameras and even she wasn't able to cover her tracks that easily. Plus, we found out that Lynn stepped on Lola's tiara and broke it, and she planted a lock of Lincoln's hair to frame him, and she was the one who gave her the brass knuckles in the first place.

Lincoln: We were absolutely shocked, horrified, and enraged Lynn did this, and that she still wanted me dead again. We offered her no forgiveness for her crimes, I marched up to her room, grabbed her by the collar of her jersey, and brought her down to Mom and Dad to face her punishment.

Luna: Yep, she got grounded for eleven months for her crime, and

Lincoln even told her off by using the Dad tone of voice.

Lynn Sr.: I had no idea he was able to speak like that to her, but let's just say that by the time Lincoln was done, Junior ran off to her room and hid under her bed, but not before she peed her gym shorts in fright.

Rita: I knew her antics would go too far one day and result in her getting verbally chewed out, but on this occasion, the words would come from her own brother.

We got a shower, and then, Lincoln, Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Judy Jetson: Wow, so this is Aquatic Ruin Zone, it really is amazing.

Lincoln: I've been here numerous times before, Judy, and this place really is awesome. Shall we?

Lincoln, Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte, and they hugged the girls in their abnormally massive and powerful muscular arms, and Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Orange Ocean, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Judy Jetson, Paige Schwartz, Lena Isis, Chris Dinoclaw, Soon Shineweb, Fabia Sheen, Aqua, and Charlotte with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Judy, Paige Schwartz, Lena, Chris Dinoclaw, Soon Shineweb, Fabia, Aqua, and Charlotte are now part of your harem, awesome.

Zenet: I actually knew Lena had feelings for Lincoln.

Dan: Same with Fabia.

Sellon: Along with Chris, Paige, and Soon.

Nico: Along with Aqua, Charlotte, and Judy Jetson.

Eli: We all knew about that, and Lincoln saved them from Flip's musclebound thugs again.

Poromon: Ooh, that three butt-cheeked smelly mutant cheapskate's really making me mad again. (Takes out a bottle of Fizz Bomb) Luckily, I got a secret weapon for him.

Lily: (Gasps) Is that a bottle of Fizz Bomb soda?!

Poliwag: Oh no.

Poromon chugged down the bottle of Fizz Bomb soda, and then, his stomach boiled, and he inhaled deeply, and Lincoln sent him to Lynn's Table, and then as soon as he was near the jerks specifically Flip.

BBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUURRRRRRRRRRRRR

Poromon belched down Flip, and Flip's clothes ripped off and he was left in his underwear, and when Flip saw it, he freaked out, and Lincoln beamed Poromon back, and we saw the whole thing and we busted out laughing.

Nico: (LAUGHS HYSTERICALLY) THAT'LL TEACH YOU, YOU FAT HAIRY CHEAPSKATE!

Me: (LAUGHS HYSTERICALLY) OH MAN, THAT WAS REALLY HILARIOUS!

Lynn Sr.: Okay, I knew Lynn's belches were that monstrous, but that one, that one really shook up the whole restaurant, and ripped Flip's clothes off leaving him in his underwear.

Lincoln: Where did you even get that kind of soda?

Lily: I think I know where he got that stuff: Bubble Bass.

Lily flew down to Lynn's Table and she brutally pulverized Bubble Bass and more gold and jewels had exploded out of him, and Lily flew back.

Lily: That's for using that Fizz Bomb soda to belch down both SpongeBob and Patrick's homes, Bubble Butt!

---

Later we were watching TV. Then we saw a Poromon.

Sandy: Yolei, did Hawkmon revert back to his Poromon form?

Yolei: No he didn't.

Hawkmon: I'm right here and that is not the Poromon we know.

Poromon: Yeah that's Alice.

Alice Ginnashira: Yep I turned into a Poromon.

Nico: Cool!

Spongebob: Can you turn into the other mascots?

Alice Ginnashira: I sure can.

She glowed and turned into Poliwag. Then Manaphy, Jirachi, Tentacool, Horsea, Ninetales, etc.

Swindle: How about you turn into Poliwag again and hop on top of him?

Alice Ginnashira: You got it.

She did so and then hopped on him.

Alice Ginnashira: BOINGY BOINGY BOINGY BOINGY!

Poliwag: Hey!

Sunsstreaker: Do the same thing for Horsea!

Alice Ginnashira: Okay!

She turned into Horsea and hopped on her!

Horsea: What the!?

Alice Ginnashira: BOINGY BOINGY BOINGY BOINGY!

Horsea: Stop that!

Juran: Do the same thing for Manaphy!

She turned to Manaphy and hopped on her.

Alice Ginnashira: YEAH!

Manaphy: What the?!

Vroon: Do the same thing for Poromon now!

She did so.

She bounced on him.

Poromon: HEY!

Qin: Oh boy.

James: Good thing my Cacnea's not a Cacturne yet.

James' Cacnea was offended.

Me: Don't take it personally Cacnea.

Cacturne: (CUDDLING NICO) (In a girls voice) NICO I MISSED YOU SO MUCH!

Qin: Wait that voice.

Nico: (In pain) OUCH! Claudia Kipinski!? Wow!

Me: Boy she sure is a hugger.

Nico: OUCH! I have a jumpsuit with your name on it.

Cacturne: Oh thanks.

She took the green one and went into the bathroom and she came out and was in the jumpsuit. She was a girl with green hair and green eyes.

Claudia Kipinski: Much better. Now for this.

Claudia jumped and squished Nico's face in between her ample breasts.

We laughed!

Maria: Any favorite memories of Nico?

Claudia Kipinski: When Nico and me did some funny shows in clown school.

May was fuming with fury.

Nico: (Muffled) Those were fun times.

May: No one does that to Nico but me.

Qin: Oh boy.

Nico: I really missed you.

Claudia Kipinski: Me too Nico. Me too!

May: She better let go of my man!

Xenia: May calm down.

Vice: Nico, which teams have you made today?

Nico: Hawkgirl's team will include Angel (X-Men), Yusuke Amamiya, Cassandra Alexander, Janner and Tink Wingfeather. Maximum Ride's team will include Suki, Ikki Igarashi, Rashin, Vesper Woman and Griselda Nottingshire.

Me: Awesome choices.

Qin: Yeah.

Tink: It's going to be awesome being on a team.

Qin: It sure is.

Janner: You said it.

Laney: We're really excited for you guys.

Leeli: Same here.

The previous group came.

Vulture: Can me, Dr. Viktor, Demyx, Heat Wave, Dai Gui, Box Ghost, Ssserpent, Onyx, Trickster, and Merman go with you guys?

Evil Aero Man: Me, Frankenstein, Bell Org, Evil Flame Man, Mudslide, Katty Katswell, Superfriends Scarecrow, Madame Snake, Brutus, and Genbu will come too.

Nico: Yes you all can come with. We're going to have lunch at the Krusty Krab while discussing our next mission.

Merman: Cool I'm starving.

Xenia: Awesome.

Qin: Yeah.

Mega Man Aqua Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Zangoose, Seviper, Lunatone & Solrock next.

Me: Whoa! This will be awesome.

Lola: Yeah and the Sun and Moon Rock pokemon are awesome.

Xenia: They sure are.

Princess Luna: The last two are mine and sisters favorite kinds of Pokemon.

Me: Those two are right up your ally.

Qin: If I had to guess those two are going to be Sunny and Luna Huntington.

Me: Really?

Qin: Intuition.

Dr. Viktor: Now, let's have lunch at the Krusty Krab.

Frankenstein: Always nice to eat there.

We went to the Krusty Krab.

---

Underwater we were walking through Bikini Bottom.

Me: Bikini Bottom is sure looking good.

Girl Jordan: It sure is.

Qin: Yeah it sure is awesome coming here.

We arrived at the Krusty Krab.

Me: Here we are guys.

We went in.

Nico: Good morning Krusty Krew!

Mr. Krabs: Ahoy there lads.

Totally Spies Alice: Hey there, Krusty Krew!

Camie: Ahoy there Mr. Krabs.

Me: Boy are we hungry today.

Mr. Krabs: What can we get ya?

Nico: Monster Krabby Patties and Pretty Patties please?

Mr. Krabs: Aye aye lads.

We paid him and we waited for our food.

We got our food and man it was awesome.

Heat Wave: Need those heated up?

Evil Flame Man: I can help with that too.

Nico: Nothing like having our buns toasted.

They toasted the buns and we got to eating.

Me: (Eating a Patty) MMM! Delicious.

Tomahawk Man: Let me eat this Monster Krabby Patty.

Squidward: Sure you want to do that?

Tomahawk Man: I can try.

He went and ate one and man was it good.

Me: Do robots even know what they are eating though?

Rusty: Not sure. I was built with no taste receptors. I also don't have pain or smell receptors.

Me: Pain receptors you can live without.

Rusty: That's true.

Qin: Yeah.

We were eating a good meal.

Ssserpent: I'll have Green Pretty Patties.

Madame Snake: Me too.

We gave them to them.

Ssserpent: Mmm! (Eating) Delicious.

Yes we were having a delicious meal.

Leeli: (Eating a krabby patty) Boy these are delicious.

Me: They sure are Leeli.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) You're not going to like this, the Krabs army has returned from The Bikini Badlands to get revenge on you all for banishing them there.

We gasped.

Lily: Oh no, not those cheapskates again!

Lincoln: I never thought we'd hear from those cheapskates ever again after we defeated Naked Krabs and banished the Krabs army to The Bikini Badlands where they'd have no chance for survival there.

Me: Yeah.

Nico: Looks like they're tougher than they look, and they just don't know when to quit. Well, then, it looks like they've left us no choice: we're turning all of them into King Krab Legs and Krab Dinners.

Lincoln: I've suddenly gotten an appetite for King Krab Legs and full-sized Krab dinners!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Jesstia, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Jesstia of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Jesstia, right, Valerie?

Valerie Volcania: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Jesstia and give her The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go down to The Krusty Krab and turn that army of Krabs into King Krab Legs and full-sized Krab dinners.

Lincoln: We're so in for one awesome Krab feast after we get done beating them into the ground, and once we get through with those cheapskate crabs, you better be ready to die, Jesstia.

Valerie Volcania: You better be ready to die, Jesstia, because you're about to feel the true power and fiery wrath of the volcano.

Eli: And you were right about what you said, Lincoln. You know what this means?

Lincoln: Yep. Time to get out an army to tear those cheapskate crabs to shreds.

Lincoln summoned an Anatomia Complex smart scroll terminal that appeared behind his back, and he used the smart scrolls to summon a massive army of Homunculi soldiers, and they all stood in battle formation and were ready for battle, and the Anatomia Complex smart scroll terminal behind Lincoln's back vanished.

Nico: (Whistles) Now, that's what I call an army ready for battle.

Me: So that army of Krabs that we faced years ago is back.

Qin: Oh boy.

Poromon: Can I have beer with my meal?

Headstrong: No, you can't, Poromon.

Squidward: Poromon, why would the Krusty Krab have beer?

Poromon: I don't know.

Nico: Guys we found out from King Kay that the army of Krabs we faced is back. Lets focus on that after we eat.

Poromon: Oh right.

We finished our meal and we were full.

Ruby Rose: Ahh! That was great!

Nora Valkyrie: (LOUD BELCH) Pardon me.

Nico: No worries.

Camie: So what was this Army of Krabs?

Me: All of the Naked Krabs's extended family. We beat them 4 years ago and Maria did a funny trick that banished them to the Bikini Badlands.

Maria: Yep.

Trickster: What was this trick?

Katty Kattswell: Did it involve a scary mask?

Maria: Nope. It involved a Robot Chicken Sketch and a lot of fighting.

Maria went over what happened in chapter 730 and it was awesome.

---

French Narrator: (French Accent) Ah, the Krusty Krab. Home of the delicious Krabby Patty and its super-secret recipe.

Lily was working behind the grill and Maria came in.

Maria: Hello Krusty Crew!

Lily: Hey Maria. Hey Horsea.

Horsea: Hey Lily.

Maria: Horsea, what kind of Krabby Patty would you like?

Horsea: I'll have a Monster Krabby Patty.

Maria: That's a good choice Horsea. We're all here Lily.

Lily: One Monster Krabby Patty coming up.

Real hands appeared and they had a huge pile of meat in them and they plopped the meat onto the grill.

French Narrator: 20 minutes later.

Lily came out with the patty.

Lily: Order up! One Monster Krabby Patty.

Lily brought it to the table the Crusaders of Neptune were at and she sat it on the table. Lily had a Shadow Clone behind the grill.

Varie: Wow! Lily you weren't kidding! This is the biggest item on the Krusty Krab menu.

Rolf: You sure are a magnificent burger cook cowlick water Loud Girl.

Lily: Thanks Rolf.

They got to eating.

Lily: Thanks for visiting the Krusty Krab, Maria.

Maria: You're welcome Lily. It's always fun to come here.

Horsea: Did you guys know that I insulted Icky Vicky as well?

Gali: What did you say to her Horsea?

Horsea: Oh it was awesome.

---

In the Moon Prison, Maria had finished her rant to Icky Vicky. Horsea then squirted acid ink into Icky Vicky's eyes and she screamed in excruciating pain.

Horsea: YOU ARE THE WORST EVER HUMAN THAT EVER LIVED VICKY! YOU ARE THE MOST DISGUSTING SHIT-FACED FREAK OF NATURE THAT HAS EVER WALKED THE FACE OF THE EARTH! GO KILL YOURSELF!

Maria: Whoo! You tell her Horsea.

FLASHBACK ENDS

They cheered for Horsea.

Invisible Woman: That was well done Horsea.

Seaspray: You said it Susan. Good show.

Gali: Very impressive.

Lily: I'll say.

Lana: Me too Lily. That was awesome!

Rolf: Rolf agrees.

SpongeBob: Attention, Krusty Krab crew! All hands report immediately!

Lily: [runs up] Fry cook Lily Loud reporting, sir!

Pearl: [Hops out from the boat.] Cashier Pearl Krabs reporting, sir!

Sandy: Bus girl Sandy Cheeks reporting!

Squidward got up from his nap.

Squidward: (Yawns) What's everyone yelling about?

SpongeBob: Today is the 25th anniversary of the first time Mr. Krabs's arch-enemy and our former nemesis Plankton ever tried to steal the secret Krabby Patty formula. [scene flashes back to Mr. Krabs and Plankton]

Plankton: Can I have the secret formula?

Mr. Krabs: No.

Plankton: Okay. [walks away]

SpongeBob: [voiceover] But Plankton was persistent!

Plankton: [comes back] Pretty please?

Mr. Krabs: Uh-uh. [scene cuts to Plankton holding a costume behind his back]

SpongeBob: He used disguises! [Plankton laughs and pulls a cockroach costume over himself; Mr. Krabs squishes him] Super science! [Plankton drips a droplet of chemical into a test tube and drinks it; he is surrounded in a pink cloud and appears as a cockroach; Mr. Krabs steps on him again] Civil disobedience! [Plankton is marching, holding a picket sign that states "I am not a roach"; Mr. Krabs squashes him once more; scene cuts back to the Krusty Krab with, Lily, Sandy, Pearl, Squidward, and SpongeBob] And Mr. Krabs always came out on top! Now that Mr. Krabs is in prison and Plankton has been banished into the endless void of space, and now we have a naked nude Krabs in Plankton's place and we have to make sure that he doesn't get the Krabby Patty Secret Formula.

Lily: I never knew that Plankton was that crafty. But you can count on us Mr. SquarePants!

Squidward: [sarcastically] Fascinating.

SpongeBob: But thousands of failures have made him crafty, so keep your eyes open! [SpongeBob eyes bulge out, and he moves them right to left] You'll never know what trick he'll use to steal the secret Krabby Patty formula.

Lily: Aye aye sir!

Pearl: You can count on us Mr. SquarePants.

Robot: [walks into the Krusty Krab, speaks in robotic voice] What a quaint restaurant. I think I will sample their wares.

Lily: It's a robot.

SpongeBob: I got this one. Excuse me Pearl. [moves Pearl out of the way] I'll take this one. [to the robot] Welcome to the Krusty Krab, sir. May I help you?

Robot: Yes please. I'd like an order of chili coral bits.

SpongeBob: [loses fake grin he had] You sure you don't want a Krabby Patty?

Robot: No, thank you. [pulls out a huge bar of gold] Will this cover it?

SpongeBob: Wow! That's a lot of gold! [grabs the gold and hands the robot a paper bag] Here you go.

Robot: [takes the bag and walks toward the door; using green laser beams, it melts the doorway and walks through] Good day.

Lily had strong suspicions about the giant bar of gold that was given to

SpongeBob: Hm. I was sure it was one of Krabs's tricks.

Lily then sensed something inside the gold bar.

Lily: Oh no!

Lily jumped over to the bar and opened a hatch on it and inside was Krabs.

Lily: I knew this was too good to be true!

SpongeBob: I knew it was a trick!

Krabs: Alright, Squarepants. Hand over the Krabby Patty formula!

Spongebob: Or what?

Krabs: (shrugs) Or I'll destroy the Krusty Krab. Is that a valid threat? Because I didn't think that far ahead.

SpongeBob: Well, then, allow me to suggest your next move. [scene cuts to a slingshot; Krabs screams in terror as he is flung towards the Crab Net!]

Krabs: CURSE YOU SQUAREPANTS!

CRASH!

Krabs hit the wall of the Crab Net.

Krabs: Ouch.

Gali: Boy that stupid Krabs just will never learn.

Luna: No he won't dudes.

SpongeBob: [laughs]

Lily: Serves that skinflint right! But just in case.

Lily had Maria spy on Krabs.

Spongebob: Why am I getting a strange sense of deja vu?

At the Crab Net, Krabs was getting up from the launch.

Krabs: You just wait, Squarepants! Next time I'll… ah, who am I kidding? At least I can go home to me wife who understands. [scene cuts to inside the Crab Net]

Fiona: So? Tell me what happened.

Krabs: I don't want to talk about it.

Fiona: Talking will make you feel better.

Krabs: Leave me alone.

Fiona: That's your problem. You never let anyone in. Krabs the rock, Krabs the loner…

Krabs: And she's off, ladies and gentlemen.

Krabs:… and that's why everything you try ends up like this… [Fiona's screen shows Krabs laughing, about to pull a lever; Lily punches him in the face and sends him flying] and like this… [Fiona's screen shows Krabs with a bunch of pillows wrapped around him laughing; Lily punches him again but with a spiked metal fist-glove and sends him flying] and more recently, like this. [Fiona's screen shows a slingshot with a flinging noise.]

Krabs: [whimpering, starts bawling] I'm a failure!

Fiona: It's not that bad! You just require a little help. Maybe some henchmen…

Krabs: Henchmen?

Fiona: Yes, what you need to do is surround yourself with muscular tough guys who will do whatever you say.

Krabs: I like the sound of that. I'll canvas all the seediest lowbrow dives in town to find me minions. And I know just how to speak their language! [scene cuts to a dim club with muscular tough guys playing pool; Krabs stands at the door] Felicitations, malefactors! I am endeavoring to misappropriate the formulary for the preparation of affordable comestibles! Who will join me!?

[Scene cuts to Krabs sitting in a wheelchair in the Crab Net with a cast and bandages]

Krabs: I don't get it. No matter what I do, I always end up being smashed by someone bigger and stronger than me.

Fiona: Oh, come on. I think you're overreacting. [as Fiona talks, a robotic hand comes out of a panel and pats Krabs, then crushes him] Sorry.

Krabs: That's okay. I'm no different than the millions of other Krabs in the sea. [while Krabs talks, he "assembles" himself together, sticking his eyes on, putting his claws in the sockets, and matching his legs which are labeled "left leg" and "right leg" in their appropriate sockets] The Krabs family has been a money-obsessed family for many generations and now because of Lily we have now because the most hated family in the history of the world. And we're now always being pushed around and crushed. Wait! That's it! Acting alone, we're powerless, but united, the Krabs family could be a real pain in the hindquarters! [he appears with a phone book and slams it on the table] SquarePants and Loud may think one Krabs is no problem, but let's see them take on two, or ten, or a hundred, or a thousand, or a million! [scene cuts to Krabs dialing a number; cuts to Krabs on the phone; cuts to Krabs writing letters to numerous family members; cuts to Krabs licking the adhesive on a bunch of envelopes; cuts to Krabs in a red airplane, skywriting "CALLING ALL KRABS"; cuts to a montage of differently dressed Krabs] But why stop there? I'll gather every family member from every corner of the ocean. The entire Krabs family under one roof! SpongeBob won't stand a chance against the staggering intellect of a million cheapskate criminal masterminds! [doorbell rings] They're here! Welcome, mateys! [Krabs runs to the door and opens it with a big grin, which quickly fades into a look of disgust and disbelief; he sees a huge group of hick, redneck crab family members playing music; one of them begins to speak]

Clem: [hick drawl] Hey, look, everybody! It's cousin Krabs!

All: Yee-haw!

Krabs (sees all his family members): I've been gone from home longer than I thought. [Clem runs up and shakes Krabs's Claw]

Clem: [hick drawl] Well, howdy, cousin! [Krabs stares at his claw, which is dripping after his cousin shook it]

Krabs: Uh…

Clem: It's me, Clem. O' course, you remember Zeke, Rufus, Jeke, Billy Billy Bo-Illy Bonana Fanna Fo-Filly, Doug, Enos… [Clem continues introducing the rest of the family; Krabs is crawling on the ground]… Fletcher McGee, Rainchild, Zeke Junior…

Krabs: Alright! I get it! I mean, uh, come inside. Make yourself at home. [scene cuts to the family inside the Crab Net, standing in front of Karen] I'd like you to meet me computer wife, Fiona.

Clem: [whistles from the back of the group] Golly, she sure is purdy, Eugene.

Fiona: Eugene?!

Krabs: [annoyed] Yes, that's me first name. [Fiona cracks up; Krabs keeps an angry face]

Fiona: Eugene? [laughing]

Krabs: [still has an annoyed face] Will you please-!

Fiona: [still laughing] Sorry!

Krabs: All right, as I was saying… [Karen starts laughing] Okay, we all know Eugene's a funny name.

Fiona: [laughing] Okay, okay. I'm done. No more.

Krabs: Good. Ahem, to continue. [turns away from Fiona; he doesn't see the screen that she brings down behind him; the word "EUGENE" appears on the screen] Only you can bring honor… [the family laughs; Krabs turns around to look at the screen; it is blank]…

and dignity… [the word "EUGENE" with a finger pointing at Krabs appears; the group laughs, and Krabs turns to look at the screen, which is now blank]… back to the Krabs name. [as soon as Krabs speaks, another "EUGENE" sign appears with an arrow pointing at Krabs; he turns around to look at the screen and is trembling with fury; as he starts to speak, another "EUGENE" sign appears] For years, it has been me goal to acquire the secret formula for… [Krabs turns around and points at the sign] Aha! [he runs to the outlet and unplugs it] Okay, that's enough! [Fiona says "Eugene! Ha Ha!" before losing power; Plankton runs in front of Fiona's screen] Bottom line: we invade the Krusty Krab so I can steal the secret formula. What do you think?

Family Member 1: But what's in it for us? [the family roars in agreement]

Krabs: Well, what do ye want?

Family Member 2: Gawrsh. Can I get a new string for my banjo? [holds up a banjo with one string]

Family Member 3: And another boot to match this'n? [holds up foot with a boot on it]

Family Member 4: [holds up laptop] And some more memory for my laptop!

Clem: And what about root beer?

All: Root beer?!

Krabs: Help me get the secret formula and you can have as much root beer as you can drink! [the group cheers] Victory, thy name is Krabs! [Krabs turns to face the cheering crowd; on his back is a note taped on with the word "Eugene."]

Maria heard the plan outside and she was shocked.

Maria: This is bad! We got to warn everyone.

Maria went to the Krusty Krab and warned everyone.

Varie: So Krabs has amassed an army with his entire family and brethren?

Maria: I'm not kidding Varie. He's going to take down the entire Krusty Krab with over 1 million family members.

Lily: This is really bad. We are about to go into war. Krabs amassing an army like this to take us down is equal to that of a declaration of war.

SpongeBob: We have to be ready.

Maria: I have an idea. It's gonna be risky but we need to find out their weakness.

SpongeBob: Their weakness is money.

Maria: No I'm talking about their weakness biologically.

Lily: Oh I get it.

Maria: I'm gonna go ask Mr. Krabs about this.

Everyone gasped.

Lily: Maria that's crazy!

Maria: It's our only chance Lily. But you have to trust me on this. We have no other alternative.

Lily: Okay Maria. Do what you got to do.

Maria: Thank you.

Maria went to the Ross Ice Shelf Prison.

Maria was talking to Mr. Krabs.

Mr. Krabs: So there's a naked version of me thats filled in Plankton's role?

Maria: That's right Mr. Krabs. He runs around in the nude and he's after the Krabby Patty Secret Formula.

Mr. Krabs: Boy and I thought Plankton was such a headache. But this nude version of me sounds even more dangerous.

Maria: He is Mr. Krabs. But Lily has beaten him as much as you have beaten Plankton.

Mr. Krabs: I'm proud of that Lass.

Maria: I am too. But the real problem is this. The naked Krabs has amassed a huge army of his and your kind to destroy the Krusty Krab to steal the Krabby Patty Secret Formula.

Mr. Krabs: (Gasps) That is exactly what Plankton did with his kind!

Maria: Plankton tried this kind of plan before?

Mr. Krabs: Aye lass. But in the end I horrified that malignerant microbe with a fake secret formula recipe where the Krabby Patties are made of Plankton.

Maria: That is genius Mr. Krabs. That just might work with the naked Krabs. Alright, Mr. Krabs. I'm gonna make you a deal. I'll convince Lily and J.D. to knock years off your sentence if you tell me the weaknesses of crabs.

Mr. Krabs: You got a deal lass.

The deal was made.

Back at the Krusty Krab they got ready.

Lily: Mr. Krabs, I'm sorry I got you sent to prison.

Mr. Krabs: No you had every right to do so lass. Being in prison for all that time has made me realize what a selfish skinflint I was. I never had any love for anyone except meself and money. Plus I can't believe that I did all those crimes to Squidward, SpongeBob and everyone I know.

Lily: It's good that you've had a change. I can never be one to carry a grudge.

Then Krabs's voice was heard.

Krabs: [over megaphone] Attention Krusty Krab management! This is your better speaking.

Mr. Krabs: What?!

Lily: Here he is. [Krabs is standing outside the Krusty Krab with a megaphone]

Krabs: [over megaphone] I have the restaurant surrounded. Give me the secret formula or I'll destroy the Krusty Krab! [Mr. Krabs and Squidward run outside to Plankton]

Mr. Krabs: Ah, you and what army ya pig!?

Krabs: (Shocked) What!? I thought you were in prison!

Mr. Krabs: I was released on parole.

Krabs: Well it doesn't matter! Here comes my army. [scene pans out to show the Krusty Krab surrounded by something covered in the sand. The millions of members of the Krabs family popped out and they looked at them with blazing fury.]

Mr. Krabs: Uh-oh.

Lily: ATTACK!

They went at the Krabs army and it was an extremely violent and brutal massacre. Lily punched a bunch of crabs in their faces and fired glowing red scalding hot water at them and burned them. Maria fired hot water and burned them and she ripped some of their claws off. Gali slashed them and kicked them. Luna played a chord and blew them away with water. Lana froze them in ice and turned them into ice pops.

Rolf: Mestick! (hits Krabs with shepherd's hook) (BLAM!) Shlorvin! (hits Krabs again) (POW!) I SAID! (hits Krabs again) (KRAKROW!) NEVER AGAIN WILL YOU TORMENT THE KRUSTY KRAB!

Varie summoned a huge giant squid and it grabbed some of the crabs in its tentacles and threw them miles away from the scene.

Maria: To quote my friend Nico "You stupid crabs have failed this ocean!"

Varie fired numerous blasts of scalding hot water and burned many crabs. Seaspray activated his hovercraft jet engines and blew some of them away.

Varie: Lets use our combos!

Seaspray: You got it Varie. CYBER KEY POWER!

The Earth Cyber Planet Key went into his back between the engines and 4 more blasters popped out.

Octopunch: Time for action! CYBER KEY POWER!

The Animatron Cyber Planet Key went into his back and it supercharged his harpoon launcher and 4 more harpoon launchers popped out.

Seaspray and Octopunch: NAUTICAL LIGHTNING MAELSTROM!

Seaspray fired powerful blasts of wind from his engines and he fired his lasers and Octopunch fired his energized harpoons. They turned into a massive tornado and they made mincemeat out of the crabs.

Highbrow: Now it's our turn! CYBER KEY POWER!

The Autobot Cyber Planet Key went into a port on top of him in his chopper mode and he had 6 more blasters pop out of his corrosive acid rifle.

Invisible Woman: Time for some action. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into her device on her device on her arm and it not only enhanced her invisible powers but it also gave her the ability to fire powerful beams of light on the electromagnetic wavelength.

Highbrow and Invisible Woman: MICROWAVE GREASEFIRE FRYER!

Invisible Woman fired a massive blast of microwave energy and Highbrow fired krabby patty grease and the microwave energy ignited the grease and turned it into a powerful napalmic flamethrower blast that fried some of the crabs.

Varie: Final smash time guys!

Rolf: You got it Varie! SCANDINAVIAN OPERA SHOT!

Rolf sang opera in gibberish and it released a powerful sonic blast that was loud enough to shatter crab shells like glass.

Lily: Oh that is too funny! But good job Rolf!

Rolf: Thank you Cowlick Water Loud Girl.

Sandy: (Southern Accent) Time to finish these sidewinders! CHEMICAL PATTYBOMB BARRAGE!

Sandy threw a bunch of krabby patties made of highly unstable explosive chemicals and they hit the crabs and exploded.

KRABBOOOOMMMM! KRABBBBOOOOOOOOOMMM!

The army of Krabs was defeated.

Maria: You do not want to steal the Krabby Patty Secret Formula anyway.

Krabs: And why is that?

Maria: Because this is what's in the Krabby Patty.

Maria showed a page in a book and it revealed that the Krabby Patties are made from CRABS!?

Krabs: (horrified) WHAT?! KRABBY PATTIES ARE MADE OUT OF CRAB?!

Maria: Yep.

Krabs: [screams in horror while running all the way back home to the Crab Net]

[Back outside the Krusty Krab, the Krabs family reads the recipe and gasps; they all run screaming while everyone laughs, except for Clem who just stands there staring at the book]

Maria: How come you aren't running?

Clem: I can't read.

Maria: Get out of here!

Clem ran. The Krabs family was going to be running for a long time.

Lily: And don't come back you fried chickens!

Maria: That was awesome!

Squidward saw the recipe.

Squidward: Maria is this really the recipe for a Krabby Patty?

Maria: Nope. This was all part of our counter plan to drive those rotten crabs away.

SpongeBob: It sure worked Maria.

Lily: It sure did.

Sandy: (To the viewers) Never underestimate the ingenious methods of Team Loud Phoenix Storm!

Lily: No way.

After Lily got home, she and Maria told me everything and Mr. Krabs was hired back at the Krusty Krab as a bus boy and he was now placed on highly supervised probation. Lily brought a Cradily and an Anorith for Nico. It was gonna be two weeks before the Krabs family realize that they were duped.

---

When she was done everyone that hadn't heard about it was amazed and really gobsmacked!

Me: That was so clever.

Camie: That is pure genius!

Rarity: Boy it sure is darlings. We are amazed.

Undermine: Krabby Patties are NOT made out of crab.

Me: No they aren't. But that was a really awesome and very clever strategy.

Nico: It sure was.

Laney: That was so awesome.

Lily: It sure was.

Strawberry Sunrise: We were amazed to hear about that.

Strawberry Sunrise was doing Cats Cradle and making new designs.

Leeli: What are you doing Strawberry Sunrise?

Strawberry Sunrise: Doing Cats Cradle designs.

Leeli: Cats Cradle?

Me: It's where you take a piece of string like say some yarn or sewing machine thread and you wrap it around your fingers and make designs with it. Watch. It's not easy.

I took some thread and moved my hands and fingers around and made a tower and tree.

Me: See?

Leeli: Wow that is cool!

Me: It sure is. But its' not easy. Ever since Ayatoriko became

Strawberry Sunrise's archenemy she was learning so much about Cats Cradle.

Merman: Okay, so it's not easy.

Genbu: It's still fun though.

Strawberry Sunrise: It just takes practice.

Leeli: Okay!

Me: Yeah.

Qin: But it looks like we're going to have an all you can eat crab buffet for dinner.

Nico: We sure are.

Leeli: Yeah I'm hungry for that.

Me: Better bring out a lot of melted butter.

Xenia: Yeah!

Divebomb: Are there any blue crabs among them?

Maria: Nope. Just King Crabs.

Qin: Those are the best kind.

Me: They sure are.

Lana: And my favorites too.

Lola: No lobsters I hope.

Homer then started crying.

Me: Homer? Uh oh you mentioned lobsters and that means only one thing.

Bart: Dad had a pet lobster named Pinchy. (Season 10 Episode 7)

Nico: Oh boy. I think I heard that you guys have a giant version of him in the M.O.E. right?

Genbu: Yes we sure do.

Me: Whoa.

Onyx: We can bring him over here if you want.

Brutus: There's still time.

Homer: I would like that.

Onyx whistled and then we heard a roar and then we went outside and then we saw a HUGE LOBSTER! IT WAS A GODZILLA SIZE LOBSTER! It was GIANT PINCHY!

Qin: HOLY MACKEREL!

Nico: That is one ginormous lobster!

Xenia: OH WOW!

Me: WHOA! Marge do you regret cooking Pinchy back then?

Marge: Looking back I sure do. I made Homer really sad.

Qin: Oh boy.

Buzzsaw: Hey, Pinchy. Remember Homer?

Pinchy saw Homer and patted him on his head.

Homer: Oh Pinchy I missed you boy.

He hugged Pinchy.

Me: So cute.

Qin: Aww.

Homer: I promise that I'll never eat you again.

Me: Pinchy is a very special lobster to Homer.

Lisa Simpson: He sure is.

Me: Yeah.

Eli: Boy that is amazing. Ebirah the Mammoth Shrimp and Pinchy the Super Lobster.

Qin: That is cool.

Box Ghost: (laughs) The Krabs Army is screwed now!

Superfriends Scarecrow: I won't even need my fear gas.

Me: You got that right! Lets see how they like it when they face a giant lobster.

Qin: Yep.

Nico: (Sniffs) I smell something salty.

Barbossa: To be fair, it wasn't Marge's fault. Homer killed Pinchy by accident.

Me: Really? I thought it was Marge because she cooked him.

Qin: Yeah.

Nico: Yeah but that's not what I'm smelling. It smells like salt and cold hard cash.

Mr. Krabs: (Sniffs)

Boink boink boink. Boinkboinkboinkboinkboinkboink.

Mr. Krabs: Do you smell it? That smell. A kind of salty smelly smell. A smelly smell that smells… Smelly. (HOING) (Eyes grow wide) They are here.

Mudslide: Let them come.

Dai Gui: They are no match for us.

Me: That's normally something I would say.

Qin: Yeah.

Me: 4 years have been VERY Beneficial for us too.

Qin: Yep.

Nico: Yep. Look out Krabs Family, (EYES GLOW RED) Tonight you are going to become an all you can eat crab buffet for us.

Leozack: Entrance time!

We got ready.

Then there was a rumble and out on the horizon came MANY MANY CRABS! They were THE KRABS ARMY!

They arrived at the Krusty Krab. Then the spirits of all the people of Bikini Bottom appeared and then swirled around them and then they converged and then…

RRRRRRRROOOOOOOOOOOOOOOAAAAAAAARRRRR!

Pinchy loomed out over the Krusty Krab and roared and the Krabs army screamed in fright as it saw him and then Pinchy's antennae fired lasers and they hit the ground and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted off and then a phoenix cry was heard and we came out!

Me: I'm feeling CRABBY all of a sudden!

Qin: Me too!

Demyx: You guys are in trouble now.

Bell Org: Big trouble!

Me: Scratch that! We meant So Enormous That It's Hard To Comprehend Trouble!

Nico: Yeah!

Krabs Member: You will pay for everything you did to us! You fooled us with that Krabby Patties being made out of crab deal! But we won't fall for it again!

Maria: Geez what took you guys so long to figure it out?

Me: Guess you guys are too dumb.

Then Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Radioactive Man, Gizmo, Po Kong, Penguin, Awesome Android, Private HIVE, Pterodactyl Ghost, Black Knight of Merlin, IR Baboon, Ayatoriko, Roller Ghoster, Ape Man, Shakedown, Nuclear Man, Eustace, Knighty Knight, and Droog appeared.

Deker: We COULD have use for some members of the Krabs army. Like Clem.

Abis Mal: The rest can be cooked.

Nico: That sounds fair.

Me: I agree.

Nergal: I'll cook some pizza alongside that.

Me: Good idea.

Motor Ed: (to Nico) Heard you went to Colm's village. Seriously.

Nico: We sure did and it was awesome.

Mojo: Did you get anything interesting?

Me: We had a lot of seafood and fish for a little snack.

Lola: Yep. It was awesome.

?: That is cool!

## Yang, Rainbow Dash, Scootaloo, Air Skylanders, Raven Branwen, Knight Man and Tomahawk Man VS Motor Ed - Meeting the Embodiment of Kamen Rider Saga

Motor Ed was next.

Motor Ed: (to Yang) I heard you dudes met the Embodiment of Kamen Rider Saga. What's the dudette's name?

Yang: Her name is Tamora Nobori and she is a really awesome Guardian Angel and has amazing powers too.

Rainbow Dash: She is a really cool and awesome power.

Scootaloo: And her story is cool too.

Nico: Yep. So, Tamora, what's the story on why you hated Lola with a burning passion?

Tamora Nobori: Oh, that's a story I've never forgotten. It's true I hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lola's done to her own brother could never be forgiven. One day, we were having a meeting at the castle Adriana had created for our club and we were going over our reports from the many missions we'd done, and Lincoln was with us. But, we suddenly heard a loud screech of anger in the air, and we knew exactly who that was: Lola, and she was out to murder Lincoln because something got her in a bad mood yet again. I was really mad, and so were the rest of us and Lincoln, so we charged out, and as soon as we got outside, Lola was about to pounce on Lincoln and beat him to death with brass knuckles, but Lincoln fired a blast of darkness at her and sent her flying into a tree, she got back up and she roared with anger, her hair literally turned into flames, her teeth turned into fangs, and her face turned red. We'd had enough of that pink-wearing blackmailing pageant demon, so we pounced on her and we started beating her up, and then, Lincoln tied her up with red energy ropes he'd fired from his white angel wings and she was still screaming like crazy, so I duct-taped her big fat mouth shut. We called Luna and as soon as she heard what happened, she was so furious and she grabbed Lola by the collar of her dress and dragged her back to The Loud House, where she got grounded for ten months for her attempted murder of Lincoln, she was so lucky we didn't ask to press charges on her, but because the nice sisters wanted to kill her, we threw Lola into a makeshift jail cell, and she protested saying she wanted a lawyer and she was framed.

Nico: Like that classic line would save her. If you were actually going to press charges on her, she would be found guilty and the evidence would be staring her hard in the face.

Me: Lola was lucky no one was pressing charges, but Lincoln and the Guardian Angels had a ton of evidence on her.

Bertha Sellington: We documented all of her crimes with hidden cameras and even she wasn't able to cover her tracks that easily. Plus, we found out that Lynn stepped on Lola's tiara and broke it, and she planted a lock of Lincoln's hair to frame him, and she was the one who gave her the brass knuckles in the first place.

Lincoln: We were absolutely shocked, horrified, and enraged Lynn did this, and that she still wanted me dead again. We offered her no forgiveness for her crimes, I marched up to her room, grabbed her by the collar of her jersey, and brought her down to Mom and Dad to face her punishment.

Luna: Yep, she got grounded for eleven months for her crime, and Lincoln even told her off by using the Dad tone of voice.

Lynn Sr.: I had no idea he was able to speak like that to her, but let's just say that by the time Lincoln was done, Junior ran off to her room and hid under her bed, but not before she peed her gym shorts in fright.

Rita: I knew her antics would go too far one day and result in her getting verbally chewed out, but on this occasion, the words would come from her own brother.

FLASHBACK ENDS

Motor Ed: Wow! I didn't know that Lincoln was able to use the dad voice like that. Seriously!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Jesstia.

A figure came out, and it was none other than Jesstia of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Jesstia, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Jesstia: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Valerie Volcania: The only one who deserves to be destroyed is you.

Suddenly, Valerie Volcania's orange eyes turned neon orange and she was surrounded by a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels, she unholstered her massive Pyroclastic Hellion-themed greatsword from her back, and as she approached Jesstia, she left neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels with every step.

Valerie Volcania: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Jesstia: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Valerie Volcania was surrounded by a massive vortex of neon orange energy with lava, flames, and magma surrounding it, there are dragons, phoenixes, and fire angels and Pyroclastic Hellion flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Jesstia: the red eyes of death. Then, as the vortex faded, Valerie Volcania emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Valerie Volcania grew to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long braided orange hair, she has neon orange eyes and a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels surrounding her, she has Pyroclastic Hellion emblazoned on her forehead and Third Eye with orange iris, she has on dragon earrings with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its claws, she also has Pyroclastic Hellion with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its hands on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame links. Valerie Volcania has on a sleeveless orange blouse, sleeveless orange crop top, orange skirt, orange bellbottom pants, black and orange sneakers, and long sleeveless white trenchcoat with lava, flames, magma, dragons, phoenixes, and fire angels on the coattails, and on the back is Pyroclastic Elemental surrounded by lava and magma. Suddenly, Valerie Volcania felt a sharp pain on her back, and then, her massive orange angel wings with neon orange tips on the large orange feathers, grew much bigger for her new body and she now has eleven massive and long orange wolf tails. Valerie Volcania has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Valerie Volcania's massive Pyroclastic Hellion-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels, and when it emerged, it transformed into Pyroclastic Hellion's Volcanic Pyroclastic Draconic Phoenix Inferno Greatsword of Volcanic Justice, it's a brand-new massive greatsword with embedded neon orange gems and Pyroclastic Hellion etched on the 7'0" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large neon orange gem embedded in the rainguard, longer midnight black handle, four large orange phoenix heads with yellow gems for eyes and large neon orange gem on the bottom of the orange phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with neon orange gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Pyroclastic Hellion's head with neon orange gems for eyes and a large neon orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Pyroclastic Hellion that said, "Valerie Volcania, Gene-Slammer of Pyroclastic Hellion, Elemental Angel of The Volcano, Loving Second Eldest Sister of Varie Volcania, Vixen Volcania, Vivian Volcania, and Valencia Volcania, Future Wife of Nico Chan, Archenemy of Hugh Kane, Destroyer of Jesstia of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lava, Volcanoes, Dragons, and Phoenixes"

Valerie Volcania has transformed into SUPER ANGEL-PYROCLASTIC HELLION-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX PYROCLASTIC VOLCANIC INFERNO ANGEL OF DIVINE VOLCANIC FIRESTORM PYROCLASTIC HELLION JUSTICE AND DIVINE VOLCANIC FIRESTORM PYROCLASTIC HELLION LOVE!

We were amazed by Valerie Volcania's Super Angel-Pyroclastic Hellion-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Jesstia saw it, she fell into an infernal rage and she got out his blaster to blast her, but Valerie Volcania fired a powerful neon orange energy blast with lava, magma, fire, dragons, phoenixes, and fire angels at Jesstia, which hit her and pushed her back and he also got burned, but this really pissed her off Volcania: Whoa, Valerie's transformed, that's so awesome.

Vivian Volcania: That's really incredible, and she really burned Jesstia badly.

Nico: And she's really got her pissed off now big time.

Valerie Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Pyroclastic Hellion Fire Angel and Divine Draconic Phoenix Inferno Pyroclastic Hellion Inferno Love) And now, a fiery fate awaits you, Jesstia.

Nico: Let's get her, Valerie, this bitch doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Valerie Volcania.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Valerie Volcania and Nico went after Jesstia who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, neon orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Jesstia and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Jesstia, drawing more blood and leaving more scars on him, and she was being driven even more ballistic. Suddenly, Jesstia took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Jesstia began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Jesstia has transformed into her King Ghidorah Hybrid Monster form.

Jesstia fired a Gravity Lightning blast at Valerie Volcania and Nico who dodged it.

Lincoln: Valerie, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Jesstia from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Jesstia and he stabbed her in her chest with one of his eleven massive and long white wolf tails paralyzing her so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Jesstia's bio-energy and assimilated her powers and abilities as his tail pulsed and the King Ghidorah Hybrid Monster Jesstia withered and deteriorated until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Valerie, let's end this bitch for good.

Valerie Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Pyroclastic Hellion Fire Angel and Divine Draconic Phoenix Inferno Pyroclastic Hellion Inferno Love) You got it, Nico.

Valerie Volcania and Nico sent Jesstia flying into the air, and then, they prepared their combo to put an end to Jesstia.

Valerie Volcania and Nico: VOLCANIC DRACONIC PHOENIX PYROCLASTIC HELLION KAMEHAMEHA!

Valerie Volcania and Nico fired two massive neon orange energy

Kamehameha waves with lava, flames, magma, dragons, phoenixes, and fire angels which hit Jesstia, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Valerie Volcania and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Valerie Volcania and Nico holster their massive greatswords on their backs and powered down, and Valerie Volcania's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Valerie Volcania: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-four members to go. Thanks for helping me destroy Jesstia once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Valerie.

Suddenly, Valerie Volcania wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Valerie Volcania's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Pyroclastic Hellion flying in the air, and we saw many animals running across the field, along with elemental forces and volcanoes erupting behind them and we cheered wildly. Then, Nico and Valerie Volcania absorbed the lava and they came back to us as the display and Pyroclastic Hellion vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Valerie.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Xeqfees, which means you're up next, Vixen.

Vixen Volcania: Yeah, we'll make Xeqfees pay.

Nico: We sure will.

Victoria Kurenai: And now, for your rescue tomorrow, Lincoln, we're going to be meeting the Embodiment of Kamen Rider Dark Kiva.

Lincoln: You said it, Victoria, this is going to be so awesome.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors and the rainbow iris of his Third Eye glowed, and he had a vision of his rescue tomorrow: it wasn't just the Embodiment of Kamen Rider Dark Kiva he's going to meet, but also the Embodiments of Kamen Rider Rey and Kamen Rider Arc Legend. Then, the rainbow eyes turned back to deep sapphire blue and the glowing stopped.

Nico: Whoa, what happened, Lincoln?

Lincoln: I just saw that it's not just the Embodiment of Kamen Rider Dark Kiva we're going to meet on my rescue tomorrow, but also the Embodiments of Kamen Rider Rey and Kamen Rider Legend Arc.

We gasped.

Me: Whoa, if we're meeting the Embodiments of Kamen Rider Dark Kiva, Kamen Rider Rey, and Kamen Rider Legend Arc tomorrow on Lincoln's rescue, then, this means something big is coming tomorrow.

Lincoln: Whatever it is, we'll be ready for them.

Radioactive Man: Clem and some of the others are locked up.

Gizmo: The others are cooked.

Po Kong: You should add butter with that.

Me: And they are going to be in our stomachs.

Private Hive: Tomorrow will just be R&R, soldiers.

Nico: That's right!

Pterodactyl Ghost: Before the big mission.

Me: Yep. We're going to be up against the big evil of Revice.

Lola: This is gonna be awesome.

Nico: Yep. Great job everyone.

Mr. Krabs: (To the viewers) Hope ye loved this one lads. It sure was one worth its weight in gold! (LAUGHS HEARTILY)

We laughed.

We went back home and had a lot of crab dinners and we were eating them and man was it really good! We had a great meal and enjoyed the rest of the day and went to sleep stuffed.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the western district of Gotham Royal York, and we got word that Lincoln's old enemy, Joan Delenney's deranged ex-younger brother, Jack Delenney, has broken out of prison again, and he still wants revenge on Lincoln and Joan. But, he's not alone, he also has a Dark Orb with him, and with it he's created an army of Fangires to cause havoc and destruction. We're not going to let that monster get away with it, and with the Heaven's Judgement Vengeance Curse still on him, he's not going to get out of this one alive, once we defeat him, the curse will take hold of him and he'll be dragged to Hell to face his eternal damnation for his crimes against Lincoln and Joan Delenney. And we're going to meet the Embodiments of Kamen Rider Dark Kiva, Kamen Rider Rey, and Kamen Rider Legend Arc as well, they are

Selena Kurenai, Embodiment of Kamen Rider Dark Kiva, she's Lincoln's Guardian Angel from Japan and classmate in English. Selena's known for not only defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and like her older sister, Victoria Kurenai, and her brother, Wataru Kurenai, she's also a talented violin player, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and she's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also one of the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Selena a tiara with the Kamen Rider Dark Kiva symbol on it and necklace with Kamen Rider Dark Kiva symbol for the pendant, and to show thanks, she kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night. She's also the daughter of Otoya Kurenai A.K.A. Kamen Rider Dark Kiva, and she hates Lisa with a burning passion, and she absolutely despises King, the ruler of The Fangires, with an absolute intense hatred that even the other Fangires were absolutely afraid of her.

Teresa's known for not only defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita. She's also the sister of Takato Shiramine A.K.A. Kamen Rider Rey, but they absolutely despised each other because of the fact that he served the Legendorga with devotion and she's fought against them to prevent them from taking over the world, and she hates Luan with a burning passion.

And Taylor Sugimira, Embodiment of Kamen Rider Legend Arc, she's Lincoln's Guardian Angel from Japan and classmate in English. She's also the sister of Takashi Sugimura A.K.A. In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Sydney, Australia. But, they were no ordinary three figures, they were Lys "Biscuit" Loud, daughter of Lincoln's future wife, Cookie. and Luz Loud, daughter of Lincoln's future wife, Ronnie Anne. And D.E.C.K. a Metal Unicorn Pony created of Apple Pie, Tech-Gear, Dr. Ciel Ratchet, and Frankie Bolt. Lincoln woke up from the dream, but he wasn't the only one, Cookie, Ronnie Anne, Toby Loud & Rochelle Loud, Leslie Loud & Lilian Loud, Apple Pie, Tech-Gear, Dr. Ciel Ratchet, Frankie Bolt, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Cookie: And not only that, it also means that we found out where our kids are at.

Tech-Gear: And a Metal Pony with a lack of a voice box.

Apple Pie: We tried out different voice boxes for him.

Frankie Bolt: And it don't work out for him

Nico: How much voice boxes have you girls tried?

Dr. Ciel Ratchet: An over-excited Spanish sports announcer, A Dog, Darth Vader, and an Opera singer.

Nico: Geez. any ideas where are they at?

Me: they're at Sydney, Australia.

Nico: Oh man, that's not good. Even though Sydney, Australia, is a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we were about to go Sydney, Australia, to rescue Lys "Biscuit" Loud, Luz Loud and D.E.C.K, Then suddenly, there was a knock at the door.

Cookie: (sighs and went to the door) Who would that be in the middle of the Night? We have importing mission to do.

Cookie opened the door and found a fully futuristic metallic yet cyborg-like humanoid Red Dragon who has blue light circuits, green eyes, large metal wings, and a large bucket-wheel/shovel-like tail-axe. He wears a medical trench coat. He wields a Rt-20 gun called the Cannon of Medicine. And a large and handsome Sea Dragon-like Merman who has fair skin, olive green eyes, long white blonde hair, a thick matching beard and mustache, bushy gray eyebrows, a massive well-muscled physique yellow linked circular markings, and navy-blue dragon-like fishtail with cyan translucent fins. He wears a golden five-pointed crown, and purple ancient yet modernized sea dragon-themed armor with golden rings and plates. He wields his Golden Trident called The Trident of the Ocean. They were EXA Theta and King Epsilon.

EXA Theta: (German Accent) Are you Cookie and Ronnie Anne?

Cookie: Yes, we are.

Ronnie Anne: And who are you guys?

EXA Theta: (German Accent) I'm EXA Theta the Tech Knight.

King Epsilon: I am King Epsilon the Indigo Knight. And do these young kids belong to you?

The two kids that whore with EXA Theta and King Epsilon, was a young 11-year-old girl who has fair skin, brown eyes, and long brown hair with a flower hair clip. She wears a light purple shirt, blue skirt, pink socks, and light purple flats. And a 8-year-old girl who has fair skin, blue eyes, and white braided hair. She wears a light purple sleeveless vest, blue dress, and light purple flats with purple bows. They are Lys "Biscuit" Loud and Luz Loud.

When Cookie, and Ronnie Anne saw them, they were stunned.

Ronnie Anne: (stunned) How?

Cookie: (Stunned) How did you find them?

King Epsilon: Just find them out on the streets in Sydney, Australia.

Cookie and Ronnie Anne ran up to Lys "Biscuit" Loud and Luz Loud, and they hugged, and they cried tears of happiness, Then, Lincoln joined in on the hug, along with me, Nico, Toby Loud & Rochelle Loud, Leslie Loud & Lilian Loud, Sunray, and Black Alpha.

Me: Thanks, Guys.

King Epsilon: You're welcome, J.D.

EXA Theta: (German Accent) Oh! (to Apple Pie, Tech-Gear, Dr. Ciel Ratchet, and Frankie Bolt) Does this machine belongs to you four?

The machine that was with EXA Theta, Was a orange, mustard-yellow, olive-brown, and beige robotic Unicorn Metal Pony with light blue optic-like eyes. It was D.E.C.K..

Frankie Bolt: (stunned) How did you find him?

EXA Theta: (German Accent) He's with the girls me and King Epsilon found.

Apple Pie, Tech-Gear, Dr. Ciel Ratchet and Frankie Bolt ran up to D.E.C.K., and they hugged, and they cried tears of happiness.

Apple Pie: It's great to see you again, D.E.C.K..

D.E.C.K.: Same here.

Apple Pie, Tech-Gear, Dr. Ciel Ratchet, and Frankie Bolt were stunned when D.E.C.K. never done before, Spoke.

Tech-Gear: (stunned) Your voice!

Dr. Ciel Ratchet: (stunned) How?

EXA Theta: (German Accent) When I hear that D.E.C.K. had a lack of a voice box, I found right voice box for him.

The Tech Girls filled Sunshine with joy they hugged EXA Theta, and they cried tears of happiness.

King Epsilon: (to Lincoln) Do you have something to say to the girls?

Lincoln: Course. (To Lys "Biscuit" Loud and Luz Loud) there's something you guys should know, Cookie, Ronnie Anne, your mothers are one of my many future wives.

Lys "Biscuit" Loud and Luz Loud: That means… you're our father.

Lincoln smiled, and that filled Lys "Biscuit" Loud and Luz Loud with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

And then, Lincoln told everyone what happened. and he then introduced Lys "Biscuit" Loud and Luz Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, EXA Theta, and King Epsilon did in reuniting Cookie, and Ronnie Anne with their kids, and they now have Lincoln as a loving, strong, brave, and caring father in their life. As well as EXA Theta and King Epsilon join the Team Loud Phoenix Storm as new members of The Heroic Elementals.

Qin: Me too.

Nico: I had butter with the ones I ate.

Qin: So did I.

Me: Boy it was all tasty.

Xenia: You got that right.

Lola: Yeah I'm still full.

Nico: And Homer reunited with Pinchy.

Me: He sure did. Wow that is awesome.

Eli: It sure is! Pinchy is amazing!

Fluttershy: Oh and he is a really big sweetheart and he is really cute too.

Lola: He sure is.

Nico: Yeah.

Zocks: I can't wait to beat up Hook again!

Me: Me too!

Nico: Yeah! This is gonna be a bloodbath.

Qin: It sure will.

Nico: Let's invite Tick Tock as well.

Me: Good idea. Time for a bloodbath guys!

Nico: You got it!

We flew in and went at the ship!

Me: BANGARAAAAAANG!

The Lost Boys then came swinging in and the war for Neverland was on!

Captain Hook had Smee come.

Captain Hook: Call out the village Militia! We need Every Last Man!

We went at the pirates and I slashed a Pirate's head off and blood splattered everywhere. Smee rang a bell.

Smee: If there's anybody not fighting get here quick!

All the pirates came.

We had our swords ready and more!

Peter Pan: FORM RANKS!

Captain Hook: FORM RANKS!

We were ready for some serious action!

Peter Pan: Get ready to show them the white light we made them boys!

Me: And get ready for a battle of pirates lads!

Camie: Lets get them!

Captain Hook: REMEMBER THE FIRES FROM HELL THAT FORGED YOU! CHAAAAAAAAAAAAARRRRRGGGGEEEEEEE!

The pirates all came at us!

Me and Peter Pan: NOW!

We then shined white lights in the pirates faces and blinded them!

Me: We'll show you who's chicken!

Peter Pan: Watch this!

We fired egg cannons at the pirates and Nico fired blasts of fire at the pirates and incinerated them all over.

Me: ATTACK!

We went at the pirates and blood and guts were flying all over the place with incredible fury and it was a gruesome scene of carnage! I stabbed a pirate in his stomach and disemboweled him and then pulled out his intestines and tied them into a lasso and threw it and tied a pirate up and threw him into Nico's sword and Nico stabbed said pirate in the back and the pirate's heart was on the tip of his sword.

Nico: EW!

Eli: Nice move J.D.

Me: Thanks bro.

I headbutt a bunch of pirates and Lincoln slashed their throats and blood squirted out everywhere and Leeli and Lincoln fired blasts of lightning and electrocuted many pirates all over and Eli grabbed a Pirate's throat and ripped out half of his neck and then Nico grabbed a pirate and ripped his head off with his bare hands and slashed a pirate's stomach open and then he ripped out his stomach and May froze numerous pirates and shattered them into a million pieces and Carol formed a hammer of atomic energy and smashed a bunch of pirates skulls in and their brain matter went flying all over the place and I grabbed a pirate and slashed his throat and Hunter slashed a pirate's arm off with his sword and fired blasts of fire and burned him all over and Lincoln, Laney and Lola fired blasts of fire and incinerated numerous pirates all over the place. Then Wendy came and went into her Keyblader form and she slashed numerous pirates all over and blew them apart with star magic and fairy magic and more and Nunnally came and hacked a bunch of pirates with a deadly axe and chopped their heads off. Qin, Varie and Aylene Carter and Cyborg blasted and slashed and bashed numerous pirates and they slashed, blasted and hacked numerous pirates all over the place with indiscriminate fury at an incomprehensible level. I then take my sword and cleaved a pirate in half in a vertical line and split him in half. Eli then slashed 3 pirates heads off and blood splattered all over the place with incredible force and the Tsuyu blasted the Pirates all over with energy blasts and Brittney slashed them all over with her Sword of Darkness and splattered their organs and limbs all over the place and Twilight and Applejack slashed and hacked numerous pirates all over. Blood and limbs and organs were flying ferociously as we were tearing the pirates apart. Luan called out her Claymore and smashed the pirates heads in and splattered their brains and eyes out and Carol slashed and incinerated numerous pirates all over with atomic energy and Laney, Xenia and Rin blasted and slashed them all over with leaves, fire, crystal arrows and wind and shredded them into nothing. Leni fired of energy and incinerated many pirates into nothing and we were really tearing tem apart!

Zocks: Take this!

He slashed numerous pirates and disemboweled them!

Nico summoned Leonard's pigs sent his pig army and they slashed and blasted many pirates all over with dynamite and makeshift weapons. Sheila the Thief went invisible with her cloak and slashed numerous pirates all over the place and Eddy blasted the pirates all over the place with lasers from his blaster and blew them to pieces. Sparks were flying all over and setting much of the ship on fire and Lola and Sunset fired waves of fire and blasted the pirates all over.

Qin: Take this!

Once we killed all of Hook's crew and all the pirates, we were facing Captain Hook himself. We spared Smee.

Zocks: Remember me, Hook?

Hook: How can I forget Zocks.

Me: Now it's just you and us Hook. Just like before.

Applejack: (to Hook) Partner, you're one mean pirate!

Applejack had a sword of leaves ready and she was ready for a nasty fight.

Me: For over 300 years you have lived. Now you will pay for your crimes both here in Neverland and on Earth just like before.

Applejack: I'll rough him up first and then you guys come in for the kill.

Apple Bloom: Show no mercy sis.

Applejack: I won't.

Captain Hook was ready for action as he unsheathed his sword and Applejack and Hook clashed their swords and massive blasts of fire exploded out of two clashes and Applejack flipped back.

Me: Here we go guys.

Applejack: This is gonna be good.

Captain Hook: It's Peter Pan that I want.

Applejack: If you want him you'll have to go through me you fucking sidewinder.

Captain Hook: Then prepare to die.

Applejack: I don't die that easily because I have friendship on my side.

Captain Hook: You will see your friends when you die and I kill them.

Applejack and Captain Hook then clashed powerfully and lightning of light and darkness and sparks were flying as they clashed and they were really going at each other and setting the Pirate village on fire.

Applejack: You will pay for your crimes you old codfish.

Me: Get ready to finish him.

Apple Bloom: Let's pour ketchup on Hook before feeding him to the crocodile.

Me: And we'll add barbecue sauce and mustard as well.

Applejack then kicked Hook.

Hook: You bitch!

She grabbed him by his melted hook and we all held up ticking alarm clocks!

Hook: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Applejack: Boy howdy! Tick tock tick tock tick tock! Hook's afraid of a load of crock.

Me: He's afraid of time ticking away!

Nico: Never get tired of that!

Nico: And you think none of us have considered doing that in the past?! We have! But… if we did that, time would just fight back and make something worse happen. Not to mention that our lives would be empty!

Me: That's right! And another thing…

POW BLAM SMASH!

I punched him in the face all over.

Me: It wasn't our minds holding us back. It was The Dark Orbs themselves! They were giving us emotions that weren't ours! Now we are permanently cleansed of their evil! Just like we're going to be rid of you!

I kicked him in the crotch and punched him in his face.

Hook: (to Zocks) I bet I would've destroyed your little girlfriend if I had more time.

Zocks: (keeping himself calm) You choose who kills you, Hook. Tick Tock or me?

Hook: What?

Me: How about a little of both?

Leeli: But first this. Ready Girl Jordan?

Girl Jordan: Always am.

She and Leeli held hands.

YURGEN'S TUNE PLAYS.

Girl Jordan and Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

Then the crew of Hook all bursted into flames and all their evil spirits and hearts were completely disintegrated. Numerous mermaids heard the singing and they came and helped us destroy what was left of the pirates.

Then we heard a familiar noise.

TICK TOCK TICK TOCK TICK TOCK TICK TOCK.

Hook heard ticking and then his face was twitching.

Nico: Now for this.

Nico dumped ketchup, barbecue sauce, mustard, parsley, pineapple slices and a cherry on top and Tick Tock came up.

Me: Tick tock you hungry for Teriyaki Codfish?

He nodded in excitement.

Me: (RINGS DINNER TRIANGLE) COME AND GET IT!

Laney held Hook in place and Zocks stabbed Hook in the heart with his sword and he was bleeding bad. Then Zocks got out of the way and Tick Tock ate Hook in a deadly chomp!

Juran: (picks up present) Hey, look. Hook dropped something.

Nico: Juran, don't open that!

I grabbed it and threw it far and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded! It was a bomb in a present!

Me: The old bomb in a present trick.

Juran: Nice save J.D.!

Qin: Yeah.

Applejack: YEEHAW! That was so much fun everyone!

Eli: And good timing too. I sense the next group of Swartz's creations coming. They are Another Kraid and Another Technus.

Qin: Whoa!

Me: Kraid is a wicked one.

Camie: What does Kraid look like?

Shanan: This is him.

She showed a hologram of him and it was scary.

Camie: Whoa! So he is Kraid.

Me: Yep.

Nico: Juran, when you see a present on the ground with no label, you don't pick it up!

Juran: Noted.

Me: I didn't see a label on that present and I knew it was a bomb.

Camie: That was a close one though.

Me: Nice try though Hook.

Nico: Now, who's up first?

Fluttershy: I will face this one next.

Nico: Go for it Fluttershy.

Rainbow Dash: Yeah you can do it.

Lola: This will be awesome.

Me: For a monster as big as Kraid it will be easy to spot.

Nico: Now, who's up first?

Fluttershy: I will face this one next.

Nico: Go for it Fluttershy.

Rainbow Dash: Yeah you can do it.

Lola: This will be awesome.

Me: For a monster as big as Kraid it will be easy to spot.

We heard a roar and thunderous footfalls!

Nico: Here it comes!

A figure came up out of the water and it was a Dark Version of Kraid! It was ANOTHER KRAID! It was a black version of the Kraid from Metroid Dread!

Nico: WHOA!

Qin: Whoa Another Kraid!

Nicole: This one is scary! Like the one from Metroid Dread!

Janeen: Boy no kidding there!

Nico: Um… hi?

Another Kraid: (In a girls voice) Boy you guys made a really big mes here.

Sora Phaaze: (Gasp) That voice.

She reverted back and was a girl with aqua blue curly hair and had neon blue clothes and purple angel wings.

Sora Phaaze: (GASP) Zelda Dahlia Rithmendhal!

Zelda Dahlia: Awesome to see you again Sora and you as well J.D.

Me: Same to you.

Nico: Wait your initials are Z.D.R. Are you for the planet ZDR?

Zelda Dahlia: That's right Nico. I take it you heard what happened there?

Danica Metrois: We sure have. That was where Samus battled Ravenbeak.

Nicole: That's right and that was a really fierce and powerful battle.

Me: But that entire planet was blown to space dust after that battle ended.

Xenia: Yeah.

Nico: Tick Tock, take a rest.

He went back to the water.

Zelda Dahlia: Boy every time I see this place ruined like this it reminds me of what Twisted Wendy did.

Shanan: You know about the Twisted Princesses too?

Zelda Dahlia: I sure do Shanan. And your sister Allie is a big executioner of them.

Me: She sure is.

Shanan: Yeah Twisted Wendy ravaged this place back then.

Nico: She went too far. But I still feel sorry for her.

Me: Blame Hook for that. But yeah. Wendy did nothing to deserve that and look what happened. He unleashed a monster.

Nico: Yeah no kidding.

Zelda Dahlia: That was horrible.

Camie: Oh boy.

Eli: Yeah that was awful.

Nico: Anyway, let's get this show on the road.

Me: One more thing. Is the Another Technus friendly or hostile?

Zelda Dahlia: Friendly. You will be amazed to see this one too.

We then felt a REALLY HUGE EARTHQUAKE!

Me: WHOA!

Nico: What a shake!

Me: That was rough! And the next Wielder of the Swords of the Shadow Dragons must have the powers of Naturon Shenron - the 7 Star Dragon of Earthquakes.

Nico: Yeah.

Fluttershy: I hope I don't hurt you too badly.

Zelda Dahlia: You won't.

She turned into Another Kraid.

Lincoln: You can do it Flutters!

Fluttershy smiled and fired waves of leaves and blasted down Another Kraid and then she was down and wobbling and back to normal and I caught the Wonder Ride Book and it was called The Bounty Hunter of the Storm World.

Fluttershy picked her up and brought her over.

Qin: Nice job Fluttershy!

Maria: Time to summon backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) AUSTRALIAN FURY FORCE 15!

She summoned Captain Boomerang, Yost Domino, Universe 666 Negative 10, Cranky Wizard, Catman and Giraffa Undead along with

Boomerang, Orichalcos Valon, Kerbero Gangan, Universe 666 McLeach and Mask of Dark Earth.

Nico: Oh yeah!

Me: Right on mates!

Captain Boomerang: (Australian Accent) You got that right mate!

Me: Whoa! Is that Valon when he was controlled by the Orichalcos!?

Orichalcos Valon: (Australian Accent) That's right mate.

He had malevolent glowing red eyes and the symbol of the Orichalcos emblazoned in the middle of his forehead! They were overflowing with pure evil and hate!

Me: Holy fuck! So that's what I looked like when I was using the Orichalcos.

Catman: And no, I'm not Adam West.

Me: I know that.

Qin: Awesome.

Me: Coincidental that they both have the same name.

Qin: Yeah.

Then a figure came out and it was a dark version of Technus! It was ANOTHER TECHNUS!

Me: Whoa Another Technus!

Lola: Wow!

Another Technus: (In a girls voice) Glad I found you guys.

She reverted back and it was a girl with brown hair and purple clothes and she had a purple crystal sword with the 7-Star Dragonball on it.

Me: (GASP) Nadine Naturon!

Nadine Naturon: Awesome to see you again J.D.

Me: Same here.

Nadine Naturon: I went to J.D.'s tech club classes and I was a technogenius and robotics worker before I turned to Earth Science.

Nico: That's awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Nadine Naturon: Just to be a great technogenius and Earth Scientist. But I spat his offer in his face. I used the power of my sword here and shook his lab and reduced it to rubble.

Me: Smart thinking there. Using the power of the 7-Star Shadow Dragon to shake up his lair like that was genius.

Nico: It sure was.

Nadine Naturon: It was one way to shake, rattle and roll.

Me: Yep. Sorry we have to fight like this.

Nadine Naturon: No worries. Come at me and don't hold back.

Me: With pleasure.

She turned into Another Technus!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor.

I fired waves of fire and blasted her all over.

Rin: I'll start us off. (ACTIVATES EVIL NUOVA SHENRON'S RIDEWATCH)

(I SURRENDER BY CELINE DION PLAYS)

Rin: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER AND EXPLOSIONS WENT OFF ALL AROUND HER)

There's so much life I've left to live

And this fire's burning still

When I watch you look at me

I think I could find the will

To stand for every dream

And forsake the solid ground

And give up this fear within

Of what would happen if they ever knew

I'm in love with you

'Cause I'd surrender everything

To feel the chance to live again

I reach to you

I know you can feel it too

We'd make it through

A thousand dreams I still believe

I'd make you give them all to me

I'd hold you in my arms and never let go

I surrender

I know I can't survive

Another night away from you

You're the reason I go on

And now I need to live the truth

Right now, there's no better time

From this fear I will break free

And I'll live again with love

And no, they can't take that away from me

And they will see, yeah

I'd surrender everything

To feel the chance to live again

I reach to you

I know you can feel it too

We'd make it through

A thousand dreams I still believe

I'd make you give them all to me

I'd hold you in my arms and never let go

I surrender

Every night's getting longer

And this fire is getting stronger, baby

I'll swallow my pride

And I'll be alive

Can't you hear my call?

I surrender all

I'd surrender everything

To feel the chance to live again

I reach to you

I know you can feel it too

We'll make it through

A thousand dreams I still believe

I'll make you give them all to me

I'll hold you in my arms and never let go

I surrender

Right here, right now

I give my life to live again

I'll break free, take me

My everything I surrender all to you

Right now (right now)

I give my life to live again (I give my life)

I'll break free, take me (take me)

My everything, I surrender all to you

Right now (right now)

I give my life to live again (I give my life to you, baby)

Somebody help me tame this animal

(MAJOR TOM BY PETER SCHILLING PLAYS)

Nico: (SINGING DIVINELY AS STARS AND GEARS SWIRLED AROUND HIM)

Standing there alone

The ship is waiting

All systems are go

"Are you sure?"

Control is not convinced

But the computer

Has the evidence

No need to abort

The countdown starts

Watching in a trance

The crew is certain

Nothing left to chance

All is working

Trying to relax

Up in the capsule

"Send me up a drink"

Jokes Major Tom

The count goes on

Four, three, two, one

Earth below us

Drifting, falling

Floating weightless

Calling, calling home

Second stage is cut

We're now in orbit

Stabilizers up

Running perfect

Starting to collect

Requested data

"What will it affect

When all is done?"

Thinks Major Tom

Back at ground control
There is a problem
"Go to rockets full"
Not responding
"Hello, Major Tom
Are you receiving?
Turn the thrusters on
We're standing by"
There's no reply
Four, three, two, one
Earth below us
Drifting, falling
Floating weightless
Calling, calling home
Across the stratosphere
A final message
"Give my wife my love"
Then nothing more
Far beneath the ship
The world is mourning
They don't realize
He's alive

No one understands
But Major Tom sees
"Now the light commands
This is my home
I'm coming home"
Earth below us
Drifting, falling
Floating weightless
Coming home
Earth below us
Drifting, falling
Floating weightless
Coming home
Earth below us
Drifting, falling
Floating weightless
Coming, coming
Home
Home
Home
Home
Home

Home

Home

Jungle life

I'm far away from nowhere

On my own like Tarzan boy

Hide and seek

I play alone while rushing 'cross the forest

Monkey business on a sunny afternoon

Jungle life

I'm living in the open

Native beat that carries on

Burning bright

A fire blows the signal to the sky

I sit and wonder, does the message get to you?

---

Night to night

Gimme the other, gimme the other

Chance tonight

Gimme the other, gimme the other

Night to night

Gimme the other, gimme the other world

Jungle life

You're far away from nothing

It's all right

You won't miss home

Take a chance

Leave everything behind you

Come and join me, won't be sorry

It's easy to survive

Carly Atlas: (SINGING DIVINELY AS HUMMINGBIRDS AND

DARKNESS SWIRLED AROUND HER)

Nights in white satin

Never reaching the end

Letters I've written

Never meaning to send

Beauty I'd always missed

With these eyes before

Just what the truth is

I can't say anymore

'Cause I love you

Yes I love you

Oh, how I love you

Gazing at people

Some hand in hand

Just what I'm going through

They can't understand

Some try to tell me

Thoughts they cannot defend

Just what you want to be

You will be in the end

And I love you

Yes I love you

Oh, how I love you
Oh, how I love you
Nights in white satin
Never reaching the end
Letters I've written
Never meaning to send
Beauty I'd always missed
With these eyes before
Just what the truth is
I can't say anymore
Yes I love you
Oh, how I love you
Oh, how I love you
Yes I love you
Yes I love you
Oh, how I love you
Oh, how I love you
Breathe deep the gathering gloom
Watch lights fade from every room
Bed sitter people look back and lament
Another days useless energy spent
Impassioned lovers wrestle as one

Lonely man cries for love and has none

New mother picks up and suckles her son

Senior citizens wish they were young

Cold hearted orb that rules the night

Removes the colors from our sight

Red is gray and yellow white

But we decide which is right

And which is an illusion

She floated and fluttered hummingbird wings and fired waves of energy and smashed her down!

Me: (SINGING DIVINELY AS LIGHTNING AND ENERGY SWIRLED AROUND ME)

Here we stand

Worlds apart, hearts broken in two, two, two

Sleepless nights

Losing ground, I'm reaching for you, you, you

Feeling that it's gone

Can't change your mind

If we can't go on

To survive the tide
Love divides
Someday love will find you
Break those chains that bind you
One night will remind you
How we touched and went our separate ways
If he ever hurts you
True love won't desert you
You know I still love you
Though we touched and went our separate ways
Troubled times
Caught between confusion and pain, pain, pain
Distant eyes
Promises we made were in vain, in vain, in vain
If you must go
I wish you luck
You'll never walk alone
Take care, my love
Miss you, love
Someday love will find you
Break those chains that bind you
One night will remind you

How we touched and went our separate ways

If he ever hurts you

True love won't desert you

You know I still love you

Though we touched and went our separate ways

Oh, someday love will find you

Break those chains that bind you

One night will remind you

If he ever hurts you

True love won't desert you

You know I still love you

I still love you, girl

I really love you, girl

And if he ever hurts you

True love won't desert you

May: (SINGING DIVINELY AS BLUE FIRE SWIRLED AROUND HER)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves

And summon the shadows there

And tie a ribbon on those sheltering arms

In the springtime of the year

The songs of birds seem to fill the wood

That when the fiddler plays

All their voices can be heard

Long past their woodland days

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

And so they linked their hands and danced

'Round in circles and in rows

And so the journey of the night descends

When all the shades are gone

A garland gay we bring you here

And at your door we stand

It is a sprout well budded out

The work of our Lord's hand

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

Our glorious city

Was build by the divinities by Gods

Who saw fit to bestow

The gift of a pardise

Peaceful and harmonious upon

Us mere mortals below

And made El Dorado

The magnificent and golden

One thousand years ago

El Dorado, El Dorado, El Dorado

But all this was granted

For only one millennium

I know my legacy is to fulfill

My promise to all my people

Who have trusted me, the Gods

Will approve of us still

Preserve El Dorado

The magnificent and golden

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

The mountains so high and waters deep

Are her disguise

Her secrets are safe from foreign hands

And eyes forever

Preserve El Dorado

The magnificent and goldent

And I believe they will

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Lucy Loud: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND HER)

Now the day has come

We are forsaken this time

We lived our lives in our paradise

As gods, we shaped the world around

No borderlines, we'd stay behind

Though balance is somethin' fragile

While we thought we were gaining

We'd turn back the tide, it still slips away

Our time has run out, our future has died

There's no more escape

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

We're the last of our kind

The sacrifice was much too high

Our greed just made us all go blind

We tried to hide what we feared inside

Today is the end of tomorrow

As the sea started risin'

The land that we conquered just washed away

Although we all have tried to turn back the tide

It was all in vain

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

Only ruins stay behind

Now the day has come

We are forsaken this time

Now the day has come

We are forsaken

There's no time anymore

Now the day has come

The day has come

(FORGIVE AND FORGET BY BLONDIE PLAYS)

Fiona Hernandez: (SINGING DIVINELY AS INTENSE FIRE SWIRLED AROUND HER)

In the beginning, in the days before time,

The light was alive with the essence of power.

And from that power were born beings who lived on the edge of eternity.

And they spread their wings and soared through the ancient air.

And the beating of their wings made the winds.

And from the winds came the seas.

And from the sea came the life of the earth.

Nature's cast upon the sea the winds of past, of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Gratify my head with curses.

Night recalls tranquility.

A curtain falls and sets it free.

Darkness calls eternity.

Down silent halls the shadows flee.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Satisfy my head with curses.

Forgive and forget.

Forgive and forget.

Forgive and forget.

Fates are cast upon the sea.

The winds of past of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

Forgive and forget.

Forgive and forget.

Me: That was great Fiiona!

Qin: YEAH!

Ice: Now it's my turn! (ACTIVATES MIKE ROCHIP'S RIDEWATCH)

(VARGSÅNGEN PLAYS)

Ice: (SINGING DIVINELY IN NORDIC LANGUAGE AND WOLVES WERE HEARD IN THE BACKGROUND AND ICE SWIRLED AROUND HER)

Vargen ylar i nattens skog,

han vill men kan inte sova…

Hungern river hans vargabuk,

o det är kallt i hans stova…

Du varg. Du varg, kom inte hit,

ungen min får du aldrig…

Vargen ylar i nattens skog,

ylar av hunger och klagan…

Men jag ska ge'n en grisasvans…

sånt passar i vargamagar

Du varg. Du varg, kom inte hit,

ungen min får du aldrig…

Sov mitt barn i bädden hos mor,

låt vargen yla i natten…

Men jag ska ge'n en hönsaskank,

om ingen annan har tatt 'en…

du varg, du varg kom inte hit,

ungen min får du aldrig.

ungen min får du aldrig…

She fired waves of ice and smashed her down!

Rarity: Now it's my turn darlings. (ACTIVATES CAPTAIN COLD'S RIDEWATCH)

(FROZEN BY MADONNA PLAYS)

Rarity: (SINGING DIVINELY AS ICE SWIRLED AROUND HER AND PILLARS OF BLUE FIRE SWIRLED AROUND HER)

You only see what your eyes want to see

How can life be what you want it to be?

You're frozen when your heart's not open

You're so consumed with how much you get

You waste your time with hate and regret

You're broken when your heart's not open

Mmm-mmm, if I could melt your heart

Mmm-mmm, we'd never be apart

Mmm-mmm, give yourself to me

Mmm-mmm, you hold the key

Now there's no point in placing the blame

And you should know I suffer the same

If I lose you, my heart will be broken

Love is a bird, she needs to fly

Let all the hurt inside of you die

You're frozen, when your heart's not open

Mmm-mmm, if I could melt your heart

Mmm-mmm, we'd never be apart

Mmm-mmm, give yourself to me

Mmm-mmm, you hold the key

You only see what your eyes want to see

How can life be what you want it to be?

You're frozen, when your heart's not open

Mmm-mmm, if I could melt your heart

Mmm-mmm, we'd never be apart

Mmm-mmm, give yourself to me

Mmm-mmm, you hold the key

If I could melt your heart

Mmm-mmm, we'd never be apart

Mmm-mmm, give yourself to me

Mmm-mmm, you hold the key

If I could melt your heart

She fired waves of energy and ice and blasted her down!

Qin: OH YEAH! Love that song Rarity!

Nico: Me too!

Heat Wave and his team came and he had Evil Flame Man, David Kessler the Wolf, Cave of Wonders Tiger God Head, Astral Drop WITCH Team and Flect Turn.

Nico: Nice team, Heat Wave!

Heat Wave: Thanks Nico. Boy you guys have been doing awesome singing. Haven't heard you guys do that in a while.

Qin: It has been a long time.

Lola: I agree there.

Nico: Yeah!

I looked at David Kessler the wolf and he looked at me and then we started GROWLING AT EACH OTHER FEROCIOUSLY!

Me: (GROWLING FEROCIOUSLY!)

David Kessler: (GROWLING FEROCIOUSLY!)

Nico: GEEZ That is ferocious!

Me and David growled!

Me: (GROWLING FEROCIOUSLY)

David Kessler: (GROWLING FEROCIOUSLY)

We stopped.

Heat Wave: Later, you might want to look up the Hitotsuki.

Me: Okay. Get us prepared for the Donbrothers.

Qin: Yeah.

Twilight Sparkle: This is gonna be good.

Nico: I have a feeling it will be.

Then a Seviper appeared.

Me: A Seviper?

Qin: Whoa! That's not Jessie or Lucy's.

Maria: It's the next Gene Slammer.

Seviper: (In a girls voice) That's right Maria.

Nico: Alexis Kim!? Whoa!

Me: You know her?

Nico: My friend from Herpetology classes.

Qin: We call her the Snake Queen.

Alexis Kim reverted back and she was a girl with purple hair and black and red clothes.

Alexis Kim: I got this.

She fired a fire blast and knocked down Another Technus and I caught the Ridewatch and purified it and I went and picked up Nadine Naturon and brought her over.

Ice: What's your favourite memory of Nico?

Alexis Kim: When me and Nico discovered an awesome new kind of island made of gummy worms and the snakes were rainbow fruit flavor gummy worms.

Me: Boy that sounds tasty!

Qin: Wow an island made of gummy worms.

Lana: That sounds like my kind of island!

Twilight Sparkle: Mine too!

Nico: Yep.

Nico and Alexis hugged.

Nico: I've missed you.

Alexis Kim: Me too Nico. Me too.

Nico: Let's go home.

Me: Good idea.

We went back home. Little did we know however that there was a figure watching us and it had terribly ferocious glowing red eyes and seeing us leave with pure evil!

Figure: (Girls voice) J.D. I will kill you for ruining my revenge.

And worst still, he also has a Dark Orb with him, and with it he's created an army of Fangires to cause havoc and destruction. We're not going to let that monster get away with it, and with the Heaven's Judgement Vengeance Curse still on him, he's not going to get out of this one alive, once we defeat him, the curse will take hold of him and he'll be dragged to Hell to face his eternal damnation for his crimes against Lincoln and Joan Delenney.

Lincoln: Wow, we're here in the western district of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we also got bad news you're not going to like, Joan, and neither will I and all of us: our old enemy, your deranged ex-younger brother, Jack Delenney, has broken out of prison again, and he still wants revenge on us.

We gasped in horror.

Joan Delenney: That psycho's escaped from prison yet again?! He really is a glutton for punishment.

Me: It hasn't been a year since you and Lincoln defeated Jack Delenney and sent him back to jail with The Heaven's Judgement Vengeance Curse Lincoln put on him.

Nico: Yeah, and all of us have been keeping tabs on the curse as the days progressed, and it hadn't reached the day he'd finally die.

Lincoln: He just likes to do this the hard way, and worst still, he also has a Dark Orb with him, and with it, he's created an army of Fangires to cause havoc and destruction.

Phoebe Vandom: Why, that little monster! He's not getting away with this!

Lincoln: We're not going to let him, Phoebe, and with the Heaven's Judgement Vengeance Curse still on him, he's not going to get out of this one alive. We're going to severely damage him and speed up the curse, and once the timer reaches zero, the curse will take hold of him, and once he's been found guilty by Heaven for his misdeeds, he'll be dragged to Hell to face his eternal damnation for his crimes against us and all of Michigan. And I want to thank you and your team for helping us, Sasuke.

Sasuke the Android: You're welcome, Lincoln. Now, where to find that little monster?

Suddenly, we saw three girls heading straight for us, and they also fired energy blasts which hit the Fangires hiding in between the buildings and all of them didn't explode, but turned back into darkness and faded into the shadows.

The first girl is a beautiful girl with long dark red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful yellow angel wings, she has on a tiara with the Kamen Rider Dark Kiva logo, she's dressed in a sleeveless black blouse, sleeveless dark red crop top, necklace with the Kamen Rider Dark Kiva logo for the pendant, black skirt and she has a Kivat with her and Fuestles around her waist, black pants, dark red knee-high boots, and long white long-sleeved trenchcoat with darkness, bats, swords, and angels on the coattails and on the back is the Kamen Rider Dark Kiva logo and holstered on her back is a massive Kamen Rider Dark Kiva-themed greatsword with embedded red gems and a Kivat etched on the 7'0" massive, wide, double-edged dark red blade, large dark red bat heads for the crossguard, large dark red gem embedded in the rainguard, longer midnight black handle, four large dark red bat heads and large dark red gem on the bottom of the large dark red bat heads for the pommel.

The second girl beautiful girl with long white hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she has on a tiara with the Kamen Rider Rey logo, she's dressed in a sleeveless black vest, sleeveless white top, necklace with the Kamen Rider Rey logo for the pendant, black skirt and she has a Kivat with her and Fuestles around her waist, black pants, black knee-high boots, and long white long-sleeved trenchcoat with darkness, bats, swords, and angels on the coattails and on the back is the Kamen Rider Rey logo and holstered on her back is a massive Kamen Rider Rey-themed greatsword with embedded blue gems and a Kivat etched on the 7'0" massive, wide, double-edged white blade, large gold bat heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large white bat heads and large blue gem on the bottom of the large white bat heads for the pommel.

And the third girl beautiful girl with long midnight black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and under the black angel wings are the wings of Kamen Rider Legend Arc, she has on a tiara with the Kamen Rider Legend Arc logo, she's dressed in a sleeveless midnight black blouse, sleeveless midnight black top, necklace with the Kamen Rider Legend Arc logo for the pendant, midnight black skirt and she has a Kivat with her and Fuestles around her waist, black pants, midnight black knee-high boots, and long white long-sleeved trenchcoat with darkness, bats, swords, and angels on the coattails and on the back is the Kamen Rider Legend Arc logo and holstered on her back is a massive Kamen Rider Legend Arc-themed greatsword with embedded yellow gems and a Kivat etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black bat heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight black bat heads and large yellow gem on the bottom of the large midnight black bat heads for the pommel, and they have the nine girls with them.

Qin: Whoa, who are these three girls?

Wataru: These must be the Embodiments of Kamen Rider Dark Kiva, Rey, and Legend Arc that Lincoln mentioned yesterday.

Girl: That's right, and I got the eight girls away from that deranged psychopath, Jack Delenney, and he still has more armies of Fangires with him.

Girl 2: Along with the Dark Orb he got after he broke out of prison again.

Girl 3: Luckily, none of them had drained the life of anyone in Gotham Royal York, and we got rid of the ones hiding to ambush you all.

Lincoln: (Gasps) Those voices, Selena Kurenai, Teresa Shiramine, and Taylor Sugimira, I knew it was you three, it's so awesome to see you again.

?: SOON, YOUR REUNION WILL BE CUT SHORT WHEN I FINALLY KILL YOU AND JOAN AND HAVE MY REVENGE ON YOU, LINCOLN LOUD! (LAUGHING DERANGEDLY)

We then saw our target, Jack Delenney, and he was still as deranged as ever, and with him are the rest of his massive army of Fangires.

Lincoln: Jack Delenney, should've known you'd show up again, you deranged psychopathic nut-job.

Joan Delenney: How many times do we even need to teach you a lesson, you little monster!

Me: This is about to be the last time, but first.

Lincoln snapped his fingers and he sent the army of Fangires that Jack Delenney created into the far reaches of space, and with another snap of his fingers, he summoned the cherubim of The First Sphere, Valor, who then sliced and diced the Fangire army and destroyed them, and it pissed off Jack Delenney, and Lincoln threw a peacock feather which pierced the Dark Orb embedded in Jack's hand and destroyed it and our blue auras protected us as the shards were also destroyed for good and we gained a massive power boost from the negative energy we absorbed.

Lincoln: Now, you have no means to defend yourself, Jack Delenney. Your cold-blooded crazy revenge ends here and now, and this'll be the last time we ever have to see your deranged face again.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and

With every blow that we've been giving him, the timer was decreasing more and more by the second, and Jack Delenney's life was getting shorter and shorter.

Jack Delenney: If I die here, I'M TAKING YOU TWO WITH ME!

Jack Delenney ran at Lincoln and Joan Delenney, but Lincoln fired elemental blades from a swing of his massive greatsword and they delivered the final blow and pierced his body and black heart, and he was killed. Then, as the timer reached zero, the Heaven's Judgement Vengeance Curse took hold and his body was reduced to dust. Then, his spirit appeared before God and the Angels, and when he was found guilty for his crimes, Jack Delenney's spirit was bound by heavenly chains and he was sent to Hell for all eternity. We cheered as we holstered our weapons and powered down.

Lincoln: You've made the big mistake coming after us again, Jack Delenney, and now, this is the price that you must pay for your crazed hatred against me and your older sister, you deranged psychopath.

Joan Delenney: And now, you are hereby eternally damned to Hell for your crimes, where the demons will torture your twisted soul for eternity.

Lincoln: He deserved the punishment from God for his crimes, Joan, there was no forgiveness for such a monster like him. (To Selena Kurenai, Teresa Shiramine, and Taylor Sugimira) And it's so good to see you all again, Selena Kurenai, Teresa Shiramine, and Taylor Sugimira.

Selena Kurenai: You too, Lincoln.

Teresa Shiramine: Indeed, it's been a long time.

Taylor Sugimira: And thank God we got rid of that psychopath, Jack Delenney, he was always such a monster.

Lincoln went up to Selena Kurenai, Teresa Shiramine, and Taylor Sugimira and he hugged them, and Selena Kurenai, Teresa Shiramine, and Taylor Sugimira are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, orange version of He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you three since you were eleven, and as you can see, I really grew a lot since then.

Selena Kurenai: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Teresa Shiramine: And the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting your own version of He-Man's chest harness.

Taylor Sugimira: You've really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these three girls?

Lincoln: Indeed I do, Nico, the first girl is Selena Kurenai, Embodiment of Kamen Rider Dark Kiva, she's my Guardian Angel from Japan and classmate in English. Selena's known for not only defending me with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and like her older sister, Victoria Kurenai, and her brother, Wataru Kurenai, she's also a talented violin player, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and she's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and like me and the other vampires, she feeds on blood bags from the blood bank, and she knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also one of the many members of The Michigan Supernatural Defense Force, plus I also made Selena a tiara with the Kamen Rider Dark Kiva symbol on it and necklace with Kamen Rider Dark Kiva symbol for the pendant, and to show thanks, she kissed me on the lips underneath the full moon as the vampire bats flew into the night. She's also the daughter of Otoya Kurenai A.K.A. Kamen Rider Dark Kiva, and she hates Lisa with a burning passion, and she absolutely despises King, the ruler of The Fangires, with an absolute intense hatred that even the other Fangires were absolutely afraid of her.

Victoria Kurenai: The second girl is Teresa Shiramine, Embodiment of Kamen Rider Rey, she's Lincoln's Guardian Angel from Japan and classmate in English. Teresa's known for not only defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita. She's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also one of the many members of The Michigan Supernatural Defense Force. Lincoln made Teresa a tiara with the Kamen Rider Rey symbol on it and necklace with Kamen Rider Rey symbol for the pendant, and to show thanks, she kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night. She's also the sister of Takato Shiramine A.K.A. Kamen Rider Rey, but they absolutely despised each other because of the fact that he served the Legendorga with devotion and she's fought against them to prevent them from taking over the world, and she hates Luan with a burning passion.

Kaylee Nago: And the third girl is Taylor Sugimira, Embodiment of Kamen Rider Legend Arc, she's Lincoln's Guardian Angel from

Japan and classmate in English. Taylor's known for not only defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita. She's also a very powerful vampire with all of the strengths and dark powers of the vampires and none of their weaknesses, and even more surprising, she also has the powers of Kamen Rider Legend Arc as well, and like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also one of the many members of The Michigan Supernatural Defense Force, a group of vampire hunters and Lincoln made Taylor a tiara with the Kamen Rider Arc symbol on it and necklace with Kamen Rider Arc symbol for the pendant, and to show thanks, she kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night. She's also the sister of Takashi Sugimura A.K.A. Kamen Rider Arc, but she absolutely despised him because of the fact that he's a violent serial killer and when Arc possessed him, she'd fought to stop Arc's plan to take over the world and destroy her brother as well, and she hates Chandler with a burning passion.

Nico: Dang, I had no idea Selena is also Otoya's daughter, and that she's also the sister of Victoria, Wataru, and Taiga.

Me: Me too, and I had no idea that asshole Takashi had a sister who absolutely despised him so much that she wanted to kill him.

Lincoln: Even after Arc possessed him, she hated Takashi so much, and Teresa really hated Takato for serving the Legendorga, and even the Legendorga were afraid of those two that much.

Taylor Sugimira: Luckily, the Legendorga are going to be kept in line by The Masters of Evil, or else, we'll head down there and teach them a lesson none of them will forget.

Teresa Shiramine: Along with the Fangires. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you three want to give me your blood, right?

Selena Kurenai: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Selena Kurenai: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln first went up to Selena Kurenai, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to Teresa Shiramine, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, Lincoln went up to Taylor Sugimira, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selena Kurenai: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Selena Kurenai, Teresa Shiramine, and Taylor Sugimira with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Chokers of Eternal Love on their neck.

Selena Kurenai: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selena Kurenai, Teresa Shiramine, and Taylor Sugimira.

Selena Kurenai, Teresa Shiramine, and Taylor Sugimira had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Ada Wong from Resident Evil, Jessica McCarney from Dead Rising, Tara Conlan from Dead Trigger, and Holly Forrester, Seo-Yeon, Karlee Fincher, Christine Tuttle, Sharice, and Tala Yazdi from Back 4 Blood.

Lincoln: Oh wow, it's Ada Wong from Resident Evil, Jessica McCarney from Dead Rising, Tara Conlan from Dead Trigger, and Holly Forrester, Seo-Yeon, Karlee Fincher, Christine Tuttle, Sharice, and Tala Yazdi from Back 4 Blood.

Nicole: (Gasps) Oh man, and I knew one day we'd run into Ada Wong, and she must've heard about what we did to Wesker years ago.

Lincoln: When we went to Racoon City and evacuated those still alive from there. Are you girls okay?

Ada Wong: We're all on one piece thanks to you.

Then, when Ada Wong and the other eight girls saw who it was that saved them from that deranged vengeance-crazed psychopath Jack Delenney and the army of Fangires he created with the Dark Orb in his possession, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-

Ada Wong: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ada Wong: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ada Wong, Jessica McCarney, Tara Conlan, Holly Forrester, Seo-Yeon, Karlee Fincher, Christine Tuttle, Sharice, and Tala Yazdi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Lincoln's old enemy, Joan Delenney's deranged ex-younger brother, Jack Delenney, who had broken out of prison again, and he still wanted revenge on Lincoln and Joan. But, he's not alone, he also had a Dark Orb with him, and with it he created an army of Fangires to cause havoc and destruction.

But, when Lincoln showed what happened such as Selena Kurenai, Teresa Shiramine, and Taylor Sugimira showing up and blasting some of the Fangires hiding to ambush us and Lincoln sending the rest of them into space where he snapped his fingers and summoned the cherubim of The First Sphere, Valor, who then sliced and diced the Fangire army and destroyed them, and Lincoln throwing a peacock feather which pierced the Dark Orb embedded in Jack's hand and destroyed it and our blue auras protected us as the shards were also destroyed for good and we gained a massive power boost from the negative energy we absorbed, and finally all of us beat that psychopath down, and Lincoln delivered the final blow which triggered the curse and finally Jack Delenney getting sent to Hell for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Selena Kurenai, Teresa Shiramine, and Taylor Sugimira have a lot of catching up to do, now that they're back in town.

Maria: That psychopath made the big mistake breaking out of prison again to get revenge and all for something petty like that.

Lincoln: Joan saved me from her insane brother's revenge years ago, and she was right to have cut all ties with him since he forever gave into revenge. But, at last, he's out of our hair for good and he's in Hell where he belongs.

Balder: And I'm glad to see that my training has paid off.

Nico: It sure has.

Jeanne: When Cereza told me of how you saved Balder from the influence of Loptyr, let's just say that really caught my interest, and the punishment you gave that psychopath with that curse of yours, I don't think he'll have a pleasant eternity of being tormented by the demons of Hell.

Lincoln: Nor with your Infernal partners, I won't be surprised if they devour him over and over again.

Me: Sheesh, that'll be a punishment too gruesome for the most foul of villains.

* * *

After finally destroying Jack Delenney and sending him straight to Hell and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selena Kurenai, Teresa Shiramine, and Taylor Sugimira saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selena Kurenai: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Teresa Shiramine: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Taylor Sugimira: Glad to see that all of our training is really paying off.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selena Kurenai: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Teresa Shiramine: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Selena, Teresa, Taylor, what's the story on why you hated Lisa, Luan, and Chandler with a burning passion?

Selena Kurenai: Oh, that's a story we've never forgotten. It's true we hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lola's done to her own brother could never be forgiven.

Teresa Shiramine: One day, we were having a meeting at the castle Adriana had created for our club and we were going over our reports from the many missions we'd done, and Lincoln was with us. But, we suddenly heard a loud scream of anger, along with the sound of deranged laughter, and the sound of malevolent laughter in the air, along with catching the scent of raw sewage, and we knew exactly who they were: Lisa, Luan, and Chandler, and they were out to murder Lincoln yet again to slake their thirst for blood.

Taylor Sugimira: We were really mad, and so were the rest of us and Lincoln, so we charged out, and as soon as we got outside, Lisa and Chandler were about to pounce on Lincoln and stab him with a scalpel and knife, but Lincoln fired two blast of darkness at them and sent Lisa flying into a tree and Chandler into a nearby rock, where Chandler was knocked out and tied up. But, Lisa got back up and she roared with anger and she was about to summon her robots. We'd had enough of that heartless, cold, unfeeling excuse for a genius, so we pounced on her and we started beating her up, and then, Lincoln tied her up with red energy ropes he fired from his massive white angel wings and she was still screaming like crazy, so I duct-taped her big fat mouth shut.

Selena Kurenai: But, we weren't done yet, now we had to deal with Luan, and she set her insane and lethal pranks at us while she was laughing insanely. But, we dodged them, and Lincoln grabbed her by the collar of her shirt and hoisted her up, and he knocked her out when his eyes turned from deep sapphire blue to blood red and he glared at her, and he also tied her up. We called Luna and as soon as she heard what happened, she was so furious and she grabbed Lisa and Luan by the collar of their shirts and dragged them back to

The Loud House, where they got grounded for ten months for their attempted murder of Lincoln and for allying with Chandler, who got taken to jail for his murder plot, Lisa and Luan were so lucky we didn't ask to press charges, but because the nice sisters wanted to kill them, we threw Lisa into a makeshift jail cell, and she swore bloody revenge, and we tossed Luan in a makeshift padded cell, and we tied her up in a straitjacket, and she was laughing insanely.

Nico: Jeez, I don't even want to know what was crawling in Lisa and Luan's minds when they went to Chandler to destroy Lincoln again.

Me: Lisa and Luan were so lucky no one was pressing charges, but Lincoln and the Guardian Angels had a ton of evidence on them.

Bertha Sellington: We documented all of Lisa's crimes with hidden cameras and even she wasn't able to cover her tracks that easily. Plus, we found out that Lisa and Luan conspired to destroy Lincoln and all of us again and it was on the day Chandler failed to poison Lincoln.

Lincoln: We were absolutely shocked, horrified, and enraged Lisa and Luan did this, and that they still wanted me dead again. We offered them no forgiveness for their crimes, so I took no prisoners.

Luna: Yep, just like with Lola, Lincoln told the heartless so-called genius and the clown off by using the Dad tone of voice.

Lynn Sr.: That was the second time in a row he's used the Dad tone of voice, but let's just say that by the time Lincoln was done, Lisa and Luan peed their pants in fright.

Rita: I knew their antics would go too far one day and result in her getting verbally chewed out, but on this occasion, the words would come from her own brother.

We got a shower, and then, Lincoln, Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5",

handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Ashley Armbruster: Wow, so this is… Lake Lamode, it's really beautiful.

Lincoln: I've been here many times before, and it's always beautiful. Plus, it's perfect for our first date right before Kita's big mission tomorrow with the Revice Kamen Riders, ladies. Shall we?

Lincoln, Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ashley

Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck, and they hugged the girls in their abnormally massive and powerful muscular arms, and Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ashley Armbruster, Ashley Boulet, Ashley Quinlan, Ashley Tomassian, Reggie Rocket, Sherry Chin, Trish, and Tatami Nakagame A.K.A. Turtle Neck are now part of your harem, awesome.

Stacy Bolton: I always knew Reggie, Sherry, and Trish all had feelings for Lincoln, especially when they saw him surfing and skating at the skate park.

Spinelli: And you can thank us for introducing the Ashleys to him.

Midnight: And me and the rest of us for introducing Tatami to him as well.

Me: That really was awesome, and Lincoln saved them from Flip's musclebound thugs again.

Poromon: Ooh, that three butt-cheeked smelly mutant cheapskate's really making me mad again. (Takes out two bottles of Fizz Bomb) Now, I think it's time to up the dosage.

Lily: (Gasps) Two bottles of Fizz Bomb soda?!

Poliwag: Oh no, this isn't going to end well.

Poromon chugged down the two bottles of Fizz Bomb soda, and then, his stomach boiled, and he inhaled deeply, and Lincoln sent him to Lynn's Table, and then as soon as he was near the jerks specifically Flip.

BBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUURRRRRRRRRRRR

Poromon belched down Flip, and Flip's clothes ripped off and he was left in his underwear, and when Flip saw it, he freaked out, and Lincoln beamed Poromon back, and we saw the whole thing and we busted out laughing.

Nico: (LAUGHS HYSTERICALLY) THAT'LL TEACH YOU, YOU FAT HAIRY CHEAPSKATE!

Me: (LAUGHS HYSTERICALLY) OH MAN, THAT WAS REALLY HILARIOUS!

Lynn Sr.: Okay, I knew Lynn's belches were that monstrous, but that one, that one really shook up the whole restaurant, and ripped Flip's clothes off leaving him in his underwear.

Lincoln: Next time, we got to use that on the other jerks as well. But, this time, we should also mix it up by also chugging a bottle of hot sauce.

Me: Belching out fire at them?! Not a bad idea, Lincoln.

Nico: We'll probably burn their eyebrows off.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Xeqfees, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Xeqfees of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Xeqfees, right, Vixen?

Vixen Volcania: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Xeqfees and give her The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, even though we have no mission for today, let's go hunt down Xeqfees, and make that religious fanatic pay with her life.

Lincoln: You better be ready to cry and beg for mercy, Xeqfees, because we're not offering you any, not that you even deserve it for all the horrible things you've done.

Vixen Valencia: You better be ready to die, Xeqfees, because you're about to feel the true power and fiery wrath of the volcano.

Lincoln put up a rainbow energy field around the World Tree Estate and we left to hunt down Xeqfees at the park and make that religious fanatic pay.

We arrived at the park to hunt down our target: Xeqfees of The

Extraterrestrial Order of The Planets of Holy Ghidorah.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Xeqfees.

A figure came out, and it was none other than Xeqfees of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Xeqfees, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Xeqfees: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Vixen Volcania: The only one who deserves to be destroyed is you.

Suddenly, Vixen Volcania's orange eyes turned neon orange and she was surrounded by a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels, she unholstered her massive Inferno Hellion-themed greatsword from her back, and as she approached Xeqfees, she left neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels with every step.

Vixen Volcania: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Xeqfees: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Vixen Volcania was surrounded by a massive vortex of neon orange energy with lava, flames, and magma surrounding it, there are dragons, phoenixes, and fire angels and Inferno Hellion flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Xeqfees: the red eyes of death. Then, as the vortex faded, Vixen Volcania emerged, but she was changed forever.

Vixen Volcania grew to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long braided orange hair, she has neon orange eyes and a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels surrounding her, she has Inferno Hellion emblazoned on her forehead and Third Eye with orange iris, she has on dragon earrings with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its claws, she also has Inferno Hellion with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its hands on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame links. Suddenly, Vixen Volcania's massive Pyroclastic Hellion-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels, and when it emerged, it transformed into Inferno Hellion's Volcanic Pyroclastic Draconic Phoenix Inferno Greatsword of Volcanic Justice, it's a brand-new massive greatsword with embedded neon orange gems and Inferno Hellion etched on the 7'0" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large neon orange gem embedded in the rainguard, longer midnight black handle, four large orange phoenix heads with yellow gems for eyes and large neon orange gem on the bottom of the orange phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with neon orange gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Inferno Hellion's head with neon orange gems for eyes and a large neon orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Vixen Volcania has transformed into SUPER ANGEL-INFERNO HELLION-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX PYROCLASTIC VOLCANIC INFERNO ANGEL OF DIVINE VOLCANIC FIRESTORM PYROCLASTIC HELLION JUSTICE AND DIVINE VOLCANIC FIRESTORM PYROCLASTIC HELLION LOVE!

We were amazed by Vixen Volcania's Super Angel-Inferno Hellion-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Xeqfees saw it, she fell into an infernal rage and she got out his blaster to blast her, but Vixen Volcania fired a powerful neon orange energy blast with lava, magma, fire, dragons, phoenixes, and fire angels at Xeqfees, which hit her and pushed her back and she also got burned, but this really pissed her off now.

Varie Volcania: Whoa, Vixen's transformed, that's so awesome.

Vivian Volcania: That's really incredible, and she really burned Xeqfees badly.

Nico: And she's really got her pissed off now big time.

Vixen Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Inferno Hellion Fire Angel and Divine Draconic Phoenix Hellion Inferno Love) And now, a fiery fate awaits you, Xeqfees.

Nico: Let's get her, Vixen, this bitch doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Vixen Volcania.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Vixen Volcania and Nico went after Xeqfees who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, neon orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Xeqfees and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Xeqfees, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Xeqfees took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then she drank it. Suddenly, Xeqfees began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Xeqfees has transformed into her King Ghidorah Hybrid Monster form.

Xeqfees fired a Gravity Lightning blast at Vixen Volcania and Nico who dodged it.

Lincoln: Vixen, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Xeqfees from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Xeqfees and he stabbed her in her chest with one of his eleven massive and long white wolf tails paralyzing her so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Xeqfees' bio-energy and assimilated her powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Vixen, let's end this bitch for good.

Vixen Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Inferno Hellion Fire Angel and Divine Draconic Phoenix Hellion Inferno Love) You got it, Nico.

Vixen Volcania and Nico sent Xeqfees flying into the air, and then, they prepared their combo to put an end to Xeqfees.

Vixen Volcania and Nico: VOLCANIC DRACONIC PHOENIX INFERNOSTORM HELLION KAMEHAMEHA!

Vixen Volcania and Nico fired two massive neon orange energy Kamehameha waves with lava, flames, magma, dragons, phoenixes, and fire angels which hit Xeqfees, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Vixen Volcania and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Vixen Volcania and Nico holster their massive greatswords on their backs and powered down, and Vixen Volcania's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Vixen Volcania: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-three members to go. Thanks for helping me destroy Xeqfees once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Vixen.

Suddenly, Vixen Volcania wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Vixen Volcania's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Inferno Hellion flying in the air, and we saw many animals running across the field, along with elemental forces and volcanoes erupting behind them and we cheered wildly. Then, Nico and Vixen Volcania absorbed the lava and they came back to us as the display and Inferno Hellion vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Vixen.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, for Kita's big mission, the next member is Zectua, which means you're up next, Vivian.

Vivian Volcania: Yeah, we'll make Zectua pay.

Nico: We sure will.

Kita Birmingham: And I can't wait for tomorrow when we meet up with the Revice Kamen Riders.

Me: Same here.

Lincoln: Me too.

Suddenly, the Cygnus the Swan constellations on Diana Elementa and the Sailor Soldiers on Lincoln's side began glowing.

Lincoln: What is it, Diana, what's wrong?

Diana Elementa: I think I know what this is, Lincoln. Tomorrow, we're going to be meeting another Sailor Soldier, but not from the planets, this one's close to here in the United States, mainly Acme Acres.

Buster Bunny and the other toons gasped in shock, and so did the rest of us.

Me: A Sailor Soldier of Acme Acres, here? Oh, this is something we really got to see!

Nico: Me too.

---

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7340.3: The U.S.S. Valorous Phoenix is en route to the planet Draconis for number 2 of Trixie Lulamoon's ambassador missions. She is going to be really excited for this one.

Qin: I have a feeling this will be a good one.

William: Anyone else want to go with Trixie? Besides Tempest and Cheese?

Maria: I'll go.

Carmen: Me too.

Lori: In that case me and my siblings will go.

Nico: Okay then.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We have arrived.

Nico: Here we go.

We got to landing and we landed and got out and flew out into the city on our dragons.

Me: Wow the city is doing great.

Lori: Boy it literally is.

Maria: I'm so amazed tall this is here too.

Artha: Hey guys!

Kitt Wonn: Awesome you're here.

Trixie: Guys, meet my archenemy and Cheese.

Tempest: Awesome to meet you guys. My name is Tempest. I have weather control powers.

Artha: Awesome to meet you.

Me: Meet the Loud Siblings.

Lincoln: My brothers and sisters.

Lori: Literally awesome to meet you guys. I'm Lori.

Leni: I'm Leni.

Luna: Sup dudes. I'm Luna.

Luan: I'm Luan.

Lynn: I'm Lynn Jr.

Linka: I'm Linka.

Liberty: I'm Liberty.

Lyra: I'm Lyra.

Lee: I'm Lee.

Lucy Loud: I'm Lucy.

Lucille: (Scottish Accent) Lucille Loud.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Eli: And this little guy is Leo.

Kitt Won: Wow that's a lot of kids!

Me: It sure is and yes their mom and dad both thought it would be cute if all their names began with the letter L.

Nico: Yep.

Me: (Whispers to Artha) Their family has never been one that believes in condoms.

Artha snickered.

Maria: My name is Maria Dunbar. I'm 2nd in command of the Redemption Squad.

Carmen: And I'm Carmen Hunnicut. I'm Maria's sister.

Artha: Awesome to meet you all.

Lola: Same here.

Me: Lucille is one of the Loud's ancestors. We found out during one of our biggest missions 2 years ago that the Loud's are all descended from Scottish Royalty.

Artha: You mean against Team Dark Phoenix Storm?

Me: Bingo. The very same.

Lucille: Aye. It was a big battle back then.

Me: One of the most epic battles we've ever had.

Twilight Sparkle: It sure was awesome.

Kitt Won: Wow news about that spread all over the universe like wildfire and even reached here. We heard you guys destroyed Mr. Mind and his team.

Me: We sure did. Poromon ate Mr. Mind for dinner.

Nico: (LAUGHS) He sure did.

Eli: We all had a fun time on that one.

Me: Yep. And Nico displayed incredibly awesome leadership skills back then and that is what made him ready for promotion to full time leader.

Connor Penn: That is amazing.

Moordryd: So far, Dear Old Dad hasn't made a move since the last visit.

Me: That's good. Lets hope it stays that way.

As Moordryd was talking, Cheese took out a pink horse toy and started playing on his head.

Moordryd: I'm not letting my guard down though. It's only a matter of time before- (to Cheese) Will you stop that?!

Cheese: I'm a horsey! Baahh pew pew pew! Baaah! Now your a horsey! (tackles Moordryd)

Me: Cheese!

We laughed!

Trixie: Cheese is a funny guy.

Me: Yeah he is funny but he is a total idiot. He has a brain the size of an amoeba and he is a great annoyance tool for annoying bad guys till they go bonkers.

Eli: Yeah he is funny.

Moordryd: Oh I see what you mean.

Lincoln: It's funny though.

Kitt Won: He sure is.

Nico: Has there been any other trouble though?

Kitt Won: Actually yes. Lava Dragons have been terrorizing much of the city.

Me: Lava dragons?

Eli: Lava Dragons?

Artha: These are dragons made of pure lava. They came from the world of MTG.

Me: Magic The Gathering Lava Dragons are here? How crazy.

Lori: That is literally too strange.

Nico: No kidding.

Me: These dragons are going to be too hot to handle.

Nico: But so are we!

Me: That's right!

Kitt Won: We can't even get near these dragons without getting burned.

Laney: Oh boy.

Lana: I can cool them down.

Connor Penn: But I have a weapon we all can use for this.

He gave us all blasters.

Connor Penn: Cobalt Thorium-G Blasters. They use Endothermic lasers that cool objects and creatures that are too hot to handle.

Me: Genius!

Leeli: That is amazing.

Nico: Perfect.

Me: But are you sure this is safe to use? Cobalt Thorium-G is highly unstable. It's like you're handling over 50 tons of Nitroglycerin.

Connor Penn: Don't worry I put in stability immobilizers for the Cobalt Thorium Cores inside them.

Me: Good thinking there.

Maria: Let me summon backup first.

Nico: Okay.

She pulled out the M.O.E. cannon.

Maria: (TURNS DIAL) AUSTRALIAN FURY 6!

She summoned Boomerang, Evil Wood Man, Mesmeralda, Asbestos Woman, So Yaguruma and Queen Bee Deadman along with Captain Boomerang, Orichalcos Valon, Kerbero Gangan and Universe 666 Cass.

Boomerang: (Australian Accent) Boy first ever summoning us here mates.

Nico: It sure is.

Queen Bee Deadman: You know you guys are gonna recruit the ones I fought before, right?

Me: Yes we are.

Nico: Another one of our teammates has her big day mission tomorrow and it's going to be awesome.

Laney: That's right. We meet the Revice Team.

Lola: It's going to be awesome.

Lana: Yep.

Kitt Won: Awesome. I have a feeling you guys are gonna do great.

Me: Yes we are.

Nico: Let's get going.

Marianas: I was just about to say the same thing.

Artha Penn: I agree. Beau you ready?

Beau nodded.

Nico: Lets roll!

We were off!

We were flying on dragons and running on them too.

FART!

Cheese: I pooted.

Me: Cheese!

Nico: Real nice.

Me: Oh brother.

We heard screaming and we saw the lava dragons!

Me: Lava dragons at 9:00!

Leni: 9:00? It's 2:00.

Nico: You know what we mean, Leni!

Me: Lets see what these can do.

I fired a blue laser blast and it hit a Lava Dragon and froze it solid in solid rock!

Me: COOL!

Marianas fired a blast of undead fire and it hit the frozen dragon and exploded! Blowing it into a million pieces!

Lana: That was awesome!

Maria: Time for a drink!

She fired a blast of water and it hit a dragon and froze it into solid rock!

Nico: YEAH!

Rarity fired waves of water and froze some of the dragons.

Nico: Take this!

Nico fired waves of water and froze the dragons too!

Luna: Save some for me, dudes!

Luna fired waves of water and drenched the dragons.

Lily: And me!

She fired waves of water and drenched the dragons too.

Lana: Don't forget me too!

Lana fired waves of ice and froze the dragons.

Me: YEAH! This was too easy.

Eli: Don't be so sure! Look!

Out of sparkling portals came hundreds of Anoni! The footsoldiers of the Donbrothers!

Me: (GASP) The Anoni!

Nico: The Footsoldiers of the Donbrothers! Now we're talking!

Maria: What?!

Me: Looks like Word has some hired help.

Lincoln: We could use a few warmups before we meet the Donbrothers!

Me: Lets get them!

We went at the Anoni!

We blasted and punched and kicked and pulverized them all over!

Boomerang bashed them all over with his Boomerang!

Nico: I think I may need to have a talk with the Kaito clone!

Me: Oh boy.

I fired waves of energy and lightning and blew them apart.

Lincoln fired waves of lightning and blasted the Anoni's all over the place.

Leeli fired waves of lightning and lava and blasted them too.

Leeli: YEAH!

Twilight Sparkle: Take this!

She fired waves of energy and magic and blasted them all over.

Me: Nothing like being prepared for this before that.

Nico: That's true.

Beau roared!

He fired energy beams and blasted the Anoni all over.

Lana, Lola and Lily fired waves of ice, fire and water and blasted

them all over.

Maria: Don't forget your legend items guys.

Nico: Right!

Maria: (ACTIVATES NEW WAVE'S LOCKSEED)

She fired waves of water and blasted them all over the place!

Lola: Taste fire! (ACTIVATES FIREFLY'S LOCKSEED)

She fired waves of fire and blasted them all over.

Tempest: Don't forget me!

He fired waves of lightning and blasted them all over.

Lola: Take that!

Trixie: And don't forget the Great and Powerful Trixie!

She activated Tempest's Lockseed and fired waves of lightning and blasted them all over.

Nico: (gets out Technus and Fixer's Ridewatches) Artha, witness the power of technology!

Nico activated them and used Technokinetic powers and made photonic swords and gave them to us and we slashed numerous Anoni's all over!

Eli: YEAH!

Laney: TAKE THIS!

SLASH SLASH SLASH!

Nico took out a grenade and threw it.

Nico: FIRE IN THE HOLE!

We ducked and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were all blown apart.

The Footsoldiers were cleared away.

Me: You footsoldiers have failed this city!

Nico: YEAH!

Boomerang: Now, where were we?

Me: I think we already took care of things here.

Trixie: He's right on that.

We saw that the Lava Dragons were destroyed and the footsoldiers were beaten.

Nico: But where's the Next Gene Slammer?

Me: I was just wondering the same thing.

?: You mean us?

We saw a Lunatone and Solrock!

Lily: Cool a Lunatone and Solrock!

They reverted back and the Lunatone was a girl with dark purple hair and had a blue crescent moon in the middle of her forehead and she had on a beautiful blue dress and the Solrock was a girl with neon orange hair and had a yellow sun in the middle of her forehead and had a beautiful yellow dress.

Nico: (GASP) Sunny and Luna Huntington! Qin was right!

Sunny Huntington: Awesome to see you again Nico.

Luna Huntington: Same here.

Me: Wait the Huntington Twins!? The Princesses of the Sun and The Moon of Wales!? It's awesome to meet you girls.

Maria: Same here and it's an honor.

Sunny Huntington: You too Maria.

Luna Huntington: Is Qin with you guys?

Lori: She's back on the ship. But it's literally cool to meet you girls.

Leni: And your dresses are absolutely totes beautiful.

Sunny Huntington: Thanks Leni.

Rarity: They absolutely go perfect with your personalities.

Sunny Huntington: We get that all the time but thank you.

Maria: Looks like Team Rocket had more than one pair of Gene-slammers with Lunatone and Solrock DNA.

Me: That's true.

Maria: What are your favorite memories of Nico?

Sunny Huntington: We have so many of them. But our favorites are when we had Nico over and we made Sun and Moon Cookies for the First day of summer.

Luna Huntington: We made Orange Cremesicle Sun Cookies and Pineapple Coconut Crescent Moon cookies.

Sunny Huntington: It's a Huntington family tradition we have.

Me: Those sound really tasty. We'll have to try them sometime.

Applejack: I agree there.

Nico hugged them both.

Nico: I've missed you girls.

Sunny Huntington: We missed you too Nico.

Nico: Wait until Princess Luna and Princess Celestia meet you both!

Sunny Huntington: We can't wait.

Artha: But that was an awesome mission.

Trixie Lulamoon: It sure was a fun one!

Kitt Won: We all thought so.

We later went back to the ship and headed home.

Me: Boy that was awesome.

Princess Celestia: It sure was and it's amazing that you know more princesses of the Sun and Moon, Nico.

Nico: It sure is.

Sunny Huntington: But we are truly honored to meet you both Princess Celestia and Luna.

Princess Luna: We are honored ourselves.

Luna Huntington: It's so awesome.

Lola: But this was awesome though.

May: Next time, Kai and Shane Clarke should come with you.

Nico: Good idea.

Trixie: I agree there too.

We were watching TV. Me, Lily and Rusty and Number 4 of the Legion Ex Machina were playing Super Smash Brothers.

Lily: AW YEAH!

Lily beat us with Lincoln's new final smash.

Number 4: Bravo Lily.

Lily: Thanks Number 4.

Me: Lily has come a long way.

Wallflower came in and she was really not feeling well.

Me: Wallflower?

Poromon: Are you okay, Wallflower?

Wallflower: My stomach has been bothering me.

Lincoln: Do you need to lay down?

Wallflower: I think I'll… (STOMACH CHURNS) Uh oh!

ZOOM!

I ran and got her a trashcan and she threw up in it.

Me: Hmm. Better run some tests.

Varie: Lets see.

Varie looked her over.

Varie: Hmm. Well you look okay. But lets see.

She put her hand on her stomach and analyzed it.

Varie: Well I'll be. You are going through morning sickness. And that means one thing…

Nicole: I don't believe it!

Wallflower: Wait you mean I'm… !?

Varie: Yep you are pregnant.

Lincoln: (GASP)

Wallflower: I'm pregnant? (GASPS EXCITEDLY) (OVERJOYOUS) I'M PREGNANT LINKY!

They hugged and were over the stars!

We cheered wildly for her!

Qin: Congratulations Wallflower!

Xenia: We're so happy for you.

Nico: We sure are.

Poliwag: That's nice, Wallflower! Now, go to the sofa and lay on your back.

Me: Poliwag what she was feeling was Morning Sickness. It's natural.

Poliwag: Oh right.

Me: We'll have to go to the doctor later.

Nico: Yep. And my next rescue is gonna be Wallflower's baby shower.

Eli: It sure is.

Wallflower went to the sofa and laid on her back. And that's when Poromon and the rest of the mascots started bouncing on her stomach.

Me: Hey guys!

We grabbed them.

Me: Stop that.

Nico: Now now now. You have to be gentle with her.

Camie: Yeah.

Poromon: Um… can you tell the rest of the mascots that?

We then saw a line of all the mascots in our ranks lining up to bounce on Wallflower's stomach. Mevya was in the front of the line.

Mevya: How much do I have to pay to bounce on Wallflower's stomach?

We grabbed them too.

Nico: Guys that's enough.

Me: Let her be guys.

Qin: We're not paying you anything to stop. Besides let her rest for a bit.

They agreed.

Lynn: That's right. You lined up here for nothing! Go do something else!

The rest of the mascots grumbled and began to walk out the room.

Omanyte: I want my money back!

Me: You didn't spend any.

Qin: Yeah.

Omanyte: Oh nevermind then.

Me: Geez.

Wallflower: Besides I'm fine guys.

Nico: I hope you give birth tomorrow.

Wallflower: I have a feeling I will.

Qin: Me too.

Sunny Starscout: But we're all so happy for you Wallflower.

May: We sure are.

We then heard a knock on the door.

Nico: Oh.

Me: (Singsong) (Imitating Mr. Krabs) Come in!

In came a Zangoose.

Me: Hey a Zangoose.

Nicole: Awesome.

Zangoose: Maryland Anna, Treasure Hunter and Explorer of Adventure here for action.

She reverted back and was in blue explorer clothes and had red hair and red eyes and she was all set.

Nico: Maryland Anna the great treasure hunter.

Daring Do: Boy this will be awesome.

Nicole: I've heard so much about you Maryland. You discovered all kinds of great treasures all over the world and they are all awesome.

Daring Do: Looks like she, Indiana Jones and I are all going to have a lot of competition.

Lola: You sure are.

Nicole: Don't forget me too. I'm a treasure hunter myself.

Nico: Boy lots of us are treasure hunters and we're going to have a lot of competition in that department.

Xenia: No kidding.

Maria: What's your favorite memory of Nico?

Maryland Anna: I have a lot of them but my favorite is when me and Nico found an ancient Egyptian pyramid that was long forgotten and buried in the deserts of Western Egypt.

Nicole: Wow you mean the legendary Lost Pyramid of the Sun God, Aten? That pyramid was built back in 1350 BC and no one has been able to find that pyramid for almost 3400 years.

Maryland Anna: That's right. Me and Nico found it and there we found the Mystical Sword of Aten.

Nicole: Whoa! The Sword that was said to have been made by Aten himself and has all the powers of Fire and The Sun. I was trying to find that sword for years but I never expected you guys to find it.

Nico: Yep. It's on display in the Cairo Museum.

Eli: That is so cool!

Nico: It sure is.

Nico and Maryland hugged.

Nico: I've really missed you.

Maryland Anna: Me too Nebraska Nico.

Me: Hey I like that. Nebraska Nico. Fitting.

Maryland Anna: I'm glad I found you guys. I have found an awesome treasure for us.

Nicole: What is it?

She pulled out a map and it was of Mount Kilimanjaro.

Nicole: It's of Mount Kilimanjaro.

Maryland Anna: That's right. I have reason to believe that there is a crystal cave in the old magma chamber of Mount Kilimanjaro and that there is a mystical treasure in it.

Nicole: This is gonna be very interesting to see. The Geothermal heat from the Earth's mantle at that depth might have formed a massive pocket of crystal there.

Nico: Yep.

May: Nico, which teams have you made?

Nico: Ruby's team will include Sir George, Takumi Inui, Bolin, Jessica Cruz and Ibuki. Jaune's team will include Miti, Riki Honoo, Rosemon, Malefic Blue-Eyes White Dragon and Malefic Red-Eyes Black Dragon.

Me: Ooh!

Qin: Wow the corrupted versions of Blue Eyes White Dragon and Red Eyes Black Dragon have been added to the mix. That's interesting.

Xenia: It sure is.

Alex Ramirez: But it's an honor to have the dragon I was slammed with in a team.

Riley Romanoff: Same with me for the monster I was slammed with.

Me: This will be awesome.

Leeli: We're so excited for that.

Carly Atlas: We sure are.

Maria: And which Gene Slammers do you think you'll meet next?

Nico: Whiscash and Crawdaunt next.

Me: Cool! But we already know what Nico's next rescue will be.

Nico: Wallflower's baby shower.

Lola: Yep.

Me: Those would have been perfect for an underwater adventure too.

Lola: Yeah.

Nico: Let's go find that treasure.

We were off to Tanzania 🇹🇿!

---

We arrived at the base of the highest peak in Africa, Mount Kilimanjaro.

Nico: Mount Kilimanjaro.

Qin: So beautiful.

Camie: Wow! Look how high up it goes.

Me: At 19,130 feet high it is the highest mountain in Africa.

Xenia: Yep and one of the 7 highest peaks in the world.

Leeli: It's beautiful.

Nicole: According to the map we go in through a cave at the southern side of the mountain.

She pulled down the map and we saw the cave entrance.

Me: That must be it.

Nico: Here we go.

We put on our miner helmets and had flashlights and road flares and more.

Nico: (gets out phone) Is it okay if I talk with the Kaito clone?

Me: Sure thing.

Nico made a call to the Kaito Clone in Japan.

Me: We'll wait for you.

Nico: Okay.

Nico waited and then the clone answered.

Kaito Clone: What's up boss?

Nico: Hey, Kaito clone. Listen, earlier, me, Trixie, and the others were having fun hanging out with Artha and his friends and… Anoni showed up! The Fuck's up with that?!

Kaito clone: Anoni have been pouring out into other locations. It's only a matter of time before Hitotosuki show up next. My advice? Be ready for anything.

Nico: Oh I see. We'll be ready for them. It'll be a bunch of good warmups for when we meet the Donbrothers next week. Thank you.

Kaito Clone: Anytime boss.

They hung up.

Nico told us everything.

Lori: Nico, relax. I'm sure that was literally just a one time thing earlier.

Me: I'm not so sure Lori. If what Kaito's clone said is true then this will be good practice for all of us to be prepared for Lyra's missions. This will be good warmups like we said.

Nico: You're right. It will help us be more prepared.

Camie: It sure will be.

Nicole: Anyway lets get moving.

We went down into the cave and it was amazing and cool. It took thousands of years to make it and it was breathtaking. The stalactites and stalagmites and columns were amazing.

Nico: Wow.

Manaphy: It's magnificent.

Poliwag: Good thing we're not having a battle here.

Me: Thank goodness.

We trekked on and it was getting more and more amazing as we journeyed further into the cave.

Me: Wow.

Nicole: This is amazing. This cave must've taken thousands of years to form and it's right underneath Mount Kilimanjaro.

Camie: This is amazing.

Varie: Breathtakingly beautiful.

Lucy Loud: I wouldn't mind coming to this kind of cave.

Nico: You sure would like this Lucy.

We trekked on.

Nico: Are you ready for tomorrow, Kita?

Kita Birmingham: I've been ready for a long time Nico. I'm so excited.

Qin: We all are Kita.

Eli: It sure will be awesome to see Ikki and team again.

Nico: Yeah.

We continued on and then we felt the temperature get hot.

Me: Whew! It got really hot.

Nicole: 3 miles down and the temperature is 132˚Fahrenheit.

Nico: We're getting close.

Me: Yeah.

Rusty: Whew. Toasty.

Me: Very. Good thing we're immune to extreme heat.

Lisa Loud: Indeed.

Nico: And yet, that didn't stop Manaphy from nearly committing cannibalism!

Manaphy: This isn't the desert though.

Maria: I got plenty of water for us.

Nicole: Look there.

We saw a light coming from a room and we went into it and then we saw a massive crystal room! It was a ginormous room full of beautiful tanzanite crystal!

Me: WHOA!

Eli: Wow!

Lola: Wow this is beautiful!

Nico: Wow!

Rarity: So beautiful!

Nicole: Wow! The Magma Chamber under Mount Kilimanjaro is a giant crystal geode made entirely out of gorgeous tanzanite crystal.

Qin: It's breathtaking.

Me: The Geothermal heat from the Earth's mantle made this amazing geode.

Skyla Escadaria: (British Accent) This is absolutely amazing chaps.

Varie: It sure is.

Nico: But where's the treasure we're looking for?

Nicole: According to the map it's located in a crystal structure shaped like an M.

We looked around.

We saw a Structure shaped like an M.

Nico: That must be it there.

We went up to it and we saw a sword sticking in a crystal.

Nicole: (GASP) Wow! That's the Tanzanite Crystal Sword of Heitsi-Eibib!

Nico: Wow!

Me: Heitsi-Eibib? The god of Nature in Khoekhoe myth?

Nicole: That's right.

Qin: Wow.

Leeli: It's beautiful.

Nico: Who gets to pull it out?

Leeli: I will.

Me: Okay.

She went over to the sword.

Janner: Leeli.

Me: Janner let her do it.

She went over and saw an inscription on the altar.

Leeli: (Reads it) "Only one worthy soul with the power of the Lullaby of Yurgen's Melody can wield the sword and achieve it's power."

Leeli knew that she can get the sword if she sang her song.

(YURGEN'S TUNE PLAYS)

Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

The Tanzanite crystals hummed and glowed with beautiful light and power and the sword glowed and was lifted out of the stone and Leeli took the sword and it glowed and she was surrounded in beautiful tanzanite crystal and she had a beautiful and amazing power increase.

Me: Wow!

Tink: Leeli how do you feel?

Leeli: I feel amazing.

Nicole: That was amazing. Well done Leeli.

Nico: So, that's it?

Me: I guess so.

Qin: But that was awesome still.

Me: Does it matter though? Leeli got an awesome sword and it has amazing power.

Lola: Yeah.

Camie: Besides it's awesome.

Nico: Well, we might as well head back now.

Me: Good idea. We got a big day tomorrow. First lets get some crystal for Rarity.

Rarity: Good idea.

I went and did so.

I teleported us all back home and we got ready for Kita's big day. We went to sleep.

---

Meanwhile in Japan Ikki and his friends and family were getting ready for their big day for meeting us.

Ikki Igarashi: I'm so excited!

Sakura Igarashi: We all are bro.

Vice: It'll be awesome seeing everyone again!

Hana: You got that right.

Ikki: Lets get ready guys. Time to make Giff pay for everything he did.

They nodded.

CONTRACT!

All: HENSHIN!

They transformed and were ready and they went at the screen and it froze…

But, more than once, he's tried to destroy the Earthbound Immortal Gene-Slammers on Lincoln's side, but not even his dark powers were a match for the Earthbound Immortal Gene-Slammers, who defeated him and Lincoln stripped him of his dark powers and banished him to The Netherworld. Wallflower was in a hovering wheelchair and Pickle Barrel & Barley Barrel were beside her to keep her safe. She was expecting twin girls and the doctor said that she was pregnant with twins. I was dressed in my special occasion clothes for this.

Me: Boy this is so cool.

Qin: It sure is.

Harry Potter: (British Accent) I'm honored we're part of the group again.

Me: Well there's a special reason Harry.

Nico: It's true. But we're happy that we're all here for this.

Principal Celestia: And we all are too. Wallflower we're so happy for you to be a mother.

Wallflower: I am too Principal Celestia.

Camie: THis is gonna be so cool.

Taranee: But nonetheless this will be an awesome time.

Nico: Taranee, I want to thank you, Heat Wave, and your teams for coming.

Me: Along with Harry, Tala and your teams too.

Taranee: No problem guys. It's so awesome that we're all here.

Wallflower: It's so fun.

Lincoln: This is going to be one awesome baby shower for Wallflower.

Wallflower: It sure is, thanks for arranging this, everyone.

Nico: You're welcome, Wallflower. Plus, not only is this going to be another awesome baby shower and rescue, but we've also got bad news from our friends in England: The Dursley Family's escaped from prison in London, and they want revenge on Harry Potter.

We gasped.

Me: Not those good for nothing abusive assholes!

Lincoln: We haven't heard from them in years after we threw them in jail in England. Eli, can you sense for them and find out if they've been turned into Another M.O.E. Villains?

Eli: On it.

Eli sensed for the Dursleys, and he found them.

Eli: I've found them, and they've been turned into Another Virgo Zodiarts, Another Leo Zodiarts, and Another Wolfblade Conglomerate.

We gasped.

Nico: Of all the worthless assholes Swartz had to turn, he really went too far getting The Dursleys involved in his revenge.

Lincoln: He sure has.

Colleen Dumbledore: (British Accent) My father told me everything about the Dursleys and what they've put Harry through, and I was quite disgusted by their behavior. Now, they've broken out of prison, and worse, Swarts had turned them into Another M.O.E. Villains. This cannot stand any longer.

Me: Me neither. But we'll be ready for them.

Xenia: We sure will.

Leeli: I can't wait to show them what for.

Harry Potter: Me too.

Colleen Dumbledore: So that's why you called us here.

Me: That's right.

Nico: Hiita, what do you like to do in your free time?

Hiita: I work as a Fire Spiritualist. I use the power of fire to help bring to justice bad guys that have done terrible crimes that are worthy of capital punishment.

Xenia: Wow! That is cool!

Shanan: I'll say.

Nicole: That is really amazing there.

Camie: It sure is.

Hiita: I agree there. It's a really interesting form of justice.

Nico: Do you get paid?

Hiita: I sure do. It's for the Police Department and I also do bounties too with my powers.

Nicole: Awesome there.

Me: That is amazing.

Nico: Yep.

Leeli: It sure is a good job for you Hiita.

Hiita: It sure is rewarding.

Camie: It sure is.

Nicole: Yeah.

Wallflower: Yesterday was a great mission though.

Nico: We went on a great treasure hunt

Leeli: We sure did and that was an amazingly beautiful Crystal Cave.

Rarity: Oh it sure was darlings. And the Tanzanite was beautiful.

Lola: It sure was.

Me: It's amazing that all that tanzanite was down there at that depth under Mount Kilimanjaro.

Camie: No kidding there.

Lincoln: It's so amazing it formed under there.

Nicole: The geothermal heat from the Earth's mantle really did a magnificent amount of work in forming that cave.

Laney: It sure did. We had no idea it was under Mount Kilimanjaro.

Nico: We found a powerful sword too.

Leeli: We sure did and it's really beautiful too.

Me: Who knew that the crystals and the sword there would react with Leeli's song.

Nico: That is amazingly magical.

Fluttershy: It sure is amazing too.

Rainbow Dash: Boy that was an awesome treasure hunt.

Daring Do: It sure was and Nico you are so lucky to know so many people that are like me and Nicole.

Nico: I get that practically a lot.

Nicole: We have a lot of people that are like that in the treasure hunting business.

Eli: We sure do.

Nico: Leeli got the sword

Nicole: She sure did and she earned it too.

Qin: We're really proud of her.

Leeli: Thanks guys. It was so fun.

Me: We all had fun.

Wallflower: We sure did.

Pickle Barrel: That was so awesome and amazing.

Barley Barrel: It sure was.

Maryland Anna: I'm glad I was able to give you guys an awesome adventure.

Nico: You sure did Maryland Anna. Great job.

Me: That was so awesome.

Nico: Hopefully, no one else aside from the intended targets will show up

Eli: I wouldn't be so sure. Aside from the Dursley's that got turned into Another Virgo, Another Leo and Another Wolfblades Conglomerate, I sense that we have one of the Twisted Princesses coming.

We gasped!

Allie Knudson: Oh man! I sense it too.

Helena Knudson: Me too Allie. It's Twisted Wendy.

Nico: Oh man! We just talked about her yesterday.

Camie: I heard you mention her. What can you tell us about her Allie?

Allie Knudson: Well it's not a good sight. She was killed by Hook.

She went over Twisted Wendy's history and it was not pretty.

---

After Captain Hook captured Wendy, her brothers, and the Lost Boys he took them to his ship but not before leaving a present for Peter with a note from Wendy telling him not to open it until 6 o'clock. Unbeknownst to Peter, a bomb was inside the present set to go off at the designated time. Hook revealed his plan to Wendy and the boys, which Tinker Bell happened to overhear. She raced to his rescue. Hook waited eagerly for his watch to reach 6, all the while Wendy yelled at him and exclaiming that Peter will save them. Hook walked over to Wendy, raised his hook holding the watch to her face and said "I don't think so." He slowly caressed her cheek with his hook but Wendy spit in his face causing Hook to cut her. Hook reeled. "Just for that, you ALL die at 6… starting with the girl!" Hook turned his back to Wendy and looked down at his watch and a grin grew across his face as the minute hand finally reached 6. An explosion rang out from the shore and Hook jumped for joy. He turned around to Wendy and said in a calm voice "Throw her overboard." The pirates grabbed Wendy and bound her. They shoved her on to the plank while one of the pirates put a sword to her back and began to coax her off but then Hook yelled, "Wait!" He walked up to her and tied another rope around her, leaned in close and whispered in her ear "Hold your breath." Suddenly he kicked an anchor to the left of Wendy into the water. She looked down and realized that the rope connected to the anchor was also connected to her. John and Michael let out a scream of horror as their sister was dragged overboard into the dark water. Wendy plummeted down to the ocean floor. She struggled to free herself but it was all for not. She looked up and all she saw was the shadow of Hook's ship and then darkness. Back on the deck Hook turned to the boys, removed his cutlass and said "Now, your turn." As he approached the boys, a green blur knocked Hook down and went into the water after Wendy. "Nooooooooo!" Hook exclaimed as he stood up. He looked at the blank-eyed pirates surrounding him. "Don't sit there gawkin' at me, you fools! Fire on Pan!" The pirates scurried off and began to man cannons around the ship and aim them into the water. Peter flew as fast as he could to get to Wendy as cannonball fire filled the water. He found her floating on the ocean floor tied to the anchor. He took out his knife to try and cut her free but the ropes were too thick. He looked around frantically and had an idea. He placed his hand on the anchor, closed his eyes, and suddenly it started to glow. The anchor began to rise. Peter swam back to Wendy and put his hand on her cheek and kissed her gently on her lips. Wendy's eyes opened but the life they once held were gone. As the anchor went up, it pulled Wendy away from him and he was too weak to hold on and too weak to swim. He had no more happy thoughts left for himself. Peter looked up and then he too saw only darkness. Hook peered over the side of the ship and instructed the pirates to ceasefire. Suddenly, an anchor came shooting out of the water and crashed on the deck in front of Hook. He looked around it to see Wendy staring at him with her lifeless eyes. He drew his sword again as Wendy lifted the glowing anchor and charged….

---

When she was done everyone that hadn't heard about it was shocked, horrified and sad. The reason was because of Hook.

Eli: Oh man! Wendy.

Wendy Darling: I can't believe that this happened to her.

Camie: No kidding! That is awful!

Me: Now that you mention it, I got the feeling we were being watched yesterday on the last rescue.

Wallflower: Oh man.

Nico: She can't be that crazy to come to kill us during a delicate event like this, right?

Me: If she is she must be that determined.

Qin: (GULPS) That is awful. I wasn't with you guys when that went down but how did you all defeat her?

Nico: That is one I will never forget.

Sam S.L.: Me neither dudes. that was crazy.

FLASHBACK - CHAPTER 713 (Battle 1)

Battle 1: Sammy, Ron, Stacy, Killer Frost, Lana, and Poison Ivy vs Twisted Wendy

The Simulator Activated and they saw the whole ship of Captain Hook completely destroyed and burning. They gasped. They saw that there were bodies all over the place. All totally butchered.

Sammy: What happened here?

Ron: This whole place looks like a Kraken destroyed it.

Lana: And that's not the only thing destroyed. Look.

Lana pointed and they saw all of Neverland completely on fire!

Killer Frost: The whole island is completely destroyed.

Poison Ivy: This is not how I thought my first visit to Neverland would be like.

Lana: What in the world could've caused this?

Sammy: I don't know but this is not good.

Stacy looked at the bodies.

Stacy: This was all done by someone who was after revenge. This was all done by someone motivated by revenge.

Ron: Who could've done this?

?: That was me.

They turned and they saw Wendy. But she was completely different. She had whole new different look and a whole new personality. Her blue dress was torn up and wet, she had a belt on and a rope with an anchor was tied around her neck and arm and she had Captain

Hook's hook tied on her hip and she had Peter Pan's Dagger and she had pale skin and the life from her eyes was gone.

Lana: Wendy? What the heck happened to you?

Sammy: You aren't the same Wendy I knew from my childhood in Peter Pan.

Twisted Wendy: Don't you dare say that name!

Killer Frost: How did this happen to you?

Twisted Wendy: Hook killed me, my brothers and Peter Pan. So I got vengeance on him and all of his crew! I killed all of them without mercy!

Killer Frost: Looks like this Wendy is already gone. Who or what are you?!

Twisted Wendy: I am Wendy. But now I'm going to kill all who stand in my way!

Stacy: That monster!

Lana: Captain Hook has always been a ruthless pirate. But Wendy don't you even see that what you did was not right!?

Ron: That's right.

Poison Ivy: Two Wrongs don't make a right Wendy.

Sammy: Captain Hook might've deserved to have a horrible death, but now you've become just as bad as he is.

Lana: That's right. As much as it pains me to say this but we have no choice but to kill you and get justice for those that have died at your hands.

Sammy: That's right. Two wrongs don't make a right. And for that Justice has to be served.

Lana: Lets get her!

They powered up.

Twisted Wendy: Then you all will die!

Sammy: Lets dance!

Stacy: SHARK ATTACK!

They went at Twisted Wendy and Sammy punched her in the face and kicked her in the stomach and face and Stacy punched her in the face and Ron fired a powerful blast of high pressure water from his hands and blew part of her stomach open. Killer Frost fired a blast of ice and froze The Twisted Wendy in a block of ice.

Lana: Combo time!

Stacy: You got it.

Stacy fired a powerful blast of lightning and Poison Ivy threw powerful leaf blades.

Stacy and Poison Ivy: THUNDERLEAF SLASHBLIZZARD!

The lightning merged with the leaves and they slashed and electrocuted Twisted Wendy.

Sammy fired a powerful blast of Aura Lightning and Lana fired a powerful blast of snow and ice.

Sammy and Lana: AURA ICE THUNDERSNOW!

The Aura Lightning and Ice combined and turned into a powerful thundersnow blast and it hit Twisted Wendy and froze her.

Lana: Time to finish her for good! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into her device and she got the three heads of Cryo Scourge.

Lana: Witness the Three Headed Dragon! ICEFIRE HELLSTORM!

Lana fired a powerful blast of blue fire and it hit the Twisted Wendy and blew her to pieces and spread them all over the place.

Twisted Wendy was dead.

Lana: I'm sorry Wendy.

Sammy: That was awesome though. But to quote Nico and I can't believe I'm about to say this. "Wendy Moira Angela Darling, you have failed this world."

They laughed and left the Simulator. They cheered wildly for them.

FLASHBACK ENDS

Qin: Oh my god!

Camie: That is horrible!

Eli: No kidding!

Nico: But like I said, how long do you think it'll take her to get here on foot?

Eli: Not long. I sense her. She is right there down the street.

Me: I see her.

We saw a figure walking down the street right towards us. It was TWISTED WENDY!

Skyla Escadaria: (British Accent) Oh my god. This is worse than we thought.

Nico: Are you going to face her Skyla?

Skyla Escadaria: I sure am chap. Let me talk to her.

Nico: Be careful Skyla.

Skyla Escadaria: I will.

She went over to her with her wings spread and she had her own purified version of Frostmourne summoned.

She walked over and was facing Twisted Wendy.

Me: This is gonna be a really awesome one.

Skyla looked at her.

Skyla Escadaria: Wendy Moira Angela Darling or do you prefer to be called Twisted Wendy?

Twisted Wendy: I hope you all killed an Evil Sasuke before I got here. Because I'm the only one walking out here alive!

Skyla Escadaria: Wendy listen! I know about what happened to you. I'm sorry about what Hook did to you. Hook was a monster. He killed you in cold blood and killed Peter Pan and everyone you know. But you need to understand that Hook would have killed everyone you knew and more.

Twisted Wendy: How would you know!? You never had your friends and family killed!

Skyla Escadaria: You're right! I never did. I'm sorry Wendy. I'm sorry you went through this. But you need to realize that revenge is never the answer for everything. All it does is makes things worse not just for everyone you know but for you too. It's like a double edge sword. All it will lead you down is a one way path to your own destruction. But you can still stop this madness and renounce this terrible path of vengeance.

Twisted Wendy: If you all really want to help me, then why don't you go back in time and use the Black Gates to destroy all evil?! At least then, Hook would have never existed, I wouldn't have gone through so much pain, and Peter and everyone I love would still be alive!

We were watching.

Juran: To be fair, it's not a scumbag asking us to do that this time.

Me: True.

Skyla Escadaria: Wendy that would be way too easy! Lex Luthor and everyone gave us that offer and we turned that down by blasting them. We would never take the easy way out. That would be like taking the cowards way out. I learned that there are never any shortcuts and goals like that to becoming a hero like that.

Twisted Wendy: Then I will…

Skyla Escadaria: Wendy think about what you are doing! Think about what the old Wendy would have wanted!

Twisted Wendy: She is gone forever!

Skyla Escadaria: No she is not! I know she is in there somewhere! You just forgot! Hook might have changed you into this terrible monster but you are still the same sweet, loving and caring girl that Peter Pan, your brothers and the Lost Boys all adored. The one that saved Peter from Hook and agreed to the idea of getting your brothers away from your tyrannical father. Would they want this to happen to you? Turn into this monster that is sworn to torture, kill, destroy and instill fear, pain and suffering?

Twisted Wendy: I heard one of you is pregnant. So, maybe if I take her hostage, I'll make you guys erase my pain!

Zocks heard enough and showed himself.

Zocks: No, Wendy! Think about what's going on through your head right now. You're about to take a pregnant girl hostage just to make us cross a line we would never cross. Is that really what you want on your conscience?!

Skyla Escadaria: That's right Wendy! That is the worst kind of atrocity you could do! This is not who you are! Think about what you're doing Wendy!

Twisted Wendy: Then prove to me I'm wrong! Fight me!

Skyla Escadaria: If that is what you want then so be it!

Skyla went at Twisted Wendy and clashed with her! Wendy clashed with her Dagger and Skyla clashed with her sword! Sparks flew everywhere.

Skyla Escadaria: Wendy listen to yourself! You were made this way by Hook! He did this to you and he is dead now! You should be grateful for that!

Twisted Wendy: NO! J.D. took away my revenge! And I will kill him for it!

Nico: Eli, can you sense if Swartz's creations are close?

Eli: I can do that.

He concentrated.

Eli: There's two more. Another Ridley and Another Heatwave.

We gasped.

Me: Whoa!

Wallflower: This is gonna be interesting.

Eli: But they are after Another Virgo Zodiarts, Another Leo Zodiarts and Another Wolfblades Conglomerate.

Nico: Oh boy

Skyla and Twisted Wendy were clashing all over.

Skyla Escadaria: Wendy listen! You don't know what you're doing! Hook killed you yes. But he is gone. You need to realize that this is not who you are!

Skyla kicked her in the stomach.

Skyla Escadaria: Wendy this is not the kind of person that your brothers and parents would want you to become! A heartless monster and a merciless killer that only thinks about herself. You loved your family and you loved Peter and they loved you. They loved you more than anything. I'm doing this to prevent you from making a terrible mistake.

Nico then walked out of the shadows.

Twisted Wendy: The leader himself!

Nico: I really am sorry for what you went through, Wendy. But as leader, I represent this team. So, if you really think killing us is the best way to heal your pain, then take your best damn shot. But just know that I'd rather die than do what you want me to do.

Twisted Wendy: We'll see about that!

Skyla kicked her in her face.

Twisted Wendy: OW!

Skyla Escadaria: You need to wake up Wendy! This is not who you are! You think you are the only one that lost lots of people precious to you? No! There are countless others that went through the same pain!

Nico: That's right! I lost my entire race at the hands of a ruthless tyrant.

Qin came.

Qin: My mom and dad were murdered by the Russian Mafia.

Sam S.L.: My mom and dad were murdered by one of the most evil serial killer couples in the country!

Many of us came forward and shared our pain.

Nico: So, yeah. The pain we went through fucking sucked. But that doesn't mean we get to play God with the timeline.

Twisted Wendy: What about MY timeline?!

Me: Still the same thing! We can't change the past but we can move on and learn from it to make sure it never happens again in this timeline or another.

Qin: That's right!

Skyla Escadaria: It's time for you to realize that there are others that know your pain. But in the Masters of Evil I will be your archenemy.

She knelt down and lightning struck and thunder crackled and wind blew.

Skyla Escadaria: (SINGING) O' cher tunnal bellinus.. O' ros lavel mu.. Lor'na rasjas Thanu nal.. Seh, thu erne nu.. Ren'no..

She glowed in a powerful blue aura and fired a beam of energy and it sent Twisted Wendy to the M.O.E. HQ in chains.

Nico: Whoa! That was amazing!

Me: Well done Skyla.

Skyla Escadaria: Thanks. I feel so bad for her. I can't believe that Hook killed her and everyone. And she wanted us to change the timeline.

Lincoln: What is up with villains making us want to do that?

Sunset Shimmer: That is getting monotonous.

Laney: I agree.

Me: I feel really sorry for her though.

Qin: Me too.

Wallflower: Yeah me too. Poor Wendy did nothing to deserve this.

Wendy: I know. Hook made that Twisted version of me a monster.

Skyla Escadaria: I'm sorry Nico. I tried.

Nico: Don't blame yourself Skyla. You did your best. But you're right. She is still in there somewhere.

Even from afar, we could hear Twisted Wendy start to cry.

Me: She is crying from inside her heart.

Eli: She lost everything.

Applejack: That monster Hook.

Qin: Yeah.

Nico: There is still hope for her though. She needs to cool down and listen to reason.

Qin: Yeah.

Nico: We're not done yet though. The Dursleys are next.

Colleen Dumbledore: Those monsters are never going to torment Harry again

Nico: You got that right, Colleen.

Suddenly, Lily and James Potter arrived.

Lily Potter: (British Accent) We got here just in time, did all of you…?

Lincoln: We did, Mrs. Potter. We're just about to get ready to confront Vernon, Petunia, and Dudley and teach your former relatives a lesson.

James Potter: (British Accent) Good, those three have had this coming for a very long time for what they've done in abusing our son.

Me: You got that right. I've had enough of those three douchebags to last an eternity.

Nico: All we got to do is find them.

Everyone then looked scared at looking at Nico… or rather, what was behind him.

Nico: (deadpans) They're right behind me, aren't they?

Me: Yep.

Nico turned and blew them back with a wind blast.

They got up and saw us.

Me: You have a LOT of nerve!

Nico: YEAH!

They reverted back.

Vernon Dursley: (British Accent) (Enraged) YOU FREAKS! YOU RUINED EVERYTHING FOR US!

Petunia Dursley: (British Accent) (Enraged) WE LOST EVERYTHING BECAUSE OF YOU FREAKS!

Me: YOU THREE are the Freaks! You brought all that on yourselves you douchebags!

Qin: YEAH! You give loving families everywhere a really bad name!

Lily Potter: You make me sick!

Vernon Dursley: (to James and Lily) AND YOU TWO SHOULD'VE STAYED DEAD!

Nico: Hey, all of us like the stories where James and Lily come back to life!

Me: You never gave any love at all to Harry! You only wanted to make him suffer! You only wanted to make his life a living nightmare!

Varie: That's right! All you did was make him suffer and torture him! You made him live in the crawlspace and tortured him and starved him!

Camie: That's Right!

Dudley Dursley: Well, this time, my parents and I are just gonna have to make sure you two stay dead, won't we? (to Wallflower) And then, you and that stupid baby are next!

Lincoln then grabbed his hand and pulled it!

Lincoln: WHAT THE FUCK DID YOU SAY TO ONE OF MY

FUTURE WIVES!?

Suddenly, Colleen Dumbledore's red eyes turned neon red and she was surrounded by an orange, red, and yellow energy aura with flames, magic, phoenixes, fire elementals, and fire angels, she unholstered her massive Spellpyre Phoenix-themed greatsword from her back, and as she approached The Dursleys, she left orange, red, and yellow energy, flames, magic, phoenixes, fire elementals, and fire angels with every step.

Colleen Dumbledore: I will never ever forgive you three for everything you've put Harry through ever since his parents got killed. You were nothing but rotten, cruel, and evil towards Harry, and for that, I shall put you three through the worst kind of pain ever imaginable, and I will make sure you pay for all the pain and suffering you've put Harry through.

Suddenly, Colleen Dumbledore was surrounded by a massive vortex of orange, red, and yellow energy with flames and magic surrounding it, there are phoenixes, fire elementals, and fire angels and Spellpyre Phoenix flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at The Dursleys: the red eyes of death. Then, as the vortex faded, Colleen Dumbledore emerged, but she was changed forever.

(THE MYSTICS DREAM PLAYS AT 6:02 TO 7:14)

Coleen Dumbledore grew to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long fire-colored hair with fire on top of her head, she has neon red eyes and a red, yellow, and orange energy aura with flames, magic, phoenixes, fire elementals, and fire angels surrounding her, she has Spellpyre Phoenix emblazoned on her forehead and Third Eye with orange iris, she has on dragon earrings with orange gems for eyes and holding the Fire, Magic, and Eternity Kanjis in its claws, she also has Spellpyre Phoenix with orange gems for eyes and holding the Fire, Magic, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links.

Colleen Dumbledore has on a sleeveless red and pink vest, orange bridal gloves with flames coming off them, sleeveless light red crop top, orange skirt, light orange pants, light red legwarmers with flames coming off them, red sneakers, and long long-sleeved white trenchcoat with lava, flames, magma, magic, dragons, phoenixes, and fire angels on the coattails, and on the back is Spellpyre Phoenix surrounded by fire and magic and on top is the crest of Hogwarts. Suddenly, Colleen Dumbledore felt a sharp pain on her back, and then, her massive orange angel wings with neon orange tips on the large orange feathers, grew much bigger for her new body and she now has eleven massive and long orange wolf tails. Colleen Dumbledore has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Colleen Dumbledore's massive Spellpyre Phoenix-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of neon orange, red, and yellow energy, lava, flames, magma, magic, dragons, phoenixes, and fire angels, and when it emerged, it transformed into Spellpyre Phoenix's Firestorm Spellpyre Phoenix Mage's Staff of Spellpyre Inferno Phoenix Justice, it's a brand-new Mage's Staff measuring 8'1" in length with a massive orange globe on top of four large Spellpyre Phoenix heads with red gems for eyes on top of an orange gem surrounded by an orange ring and an orange dragon wrapped around one of the long black handle and on the other end is an orange gem below four smaller gold phoenix heads with red gems for eyes and below the heads is a large orange crescent weight with crimson red gem below the crescent, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Spellpyre Phoenix's head with red gems for eyes and a large neon orange gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Spellpyre Phoenix that said, "Colleen

Dumbledore, Gene-Slammer of Spellpyre Phoenix, Half-Human and Half-Fire Elemental Hybrid, Immortal Daughter of Famous Wizard Albus Dumbledore, Future Wife of Nico Chan, Archenemy of Beauty Zennette, Destroyer of The Death Eaters, Protector of Wizards and Humans, Humiliator of The Dursley Family, Skilled Master of Magic, Skilled Metalworker, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Magic, and Phoenixes"

Colleen Dumbledore has transformed into SUPER ANGEL-SPELLPYRE PHOENIX-FIRE ELEMENTAL-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA MAGICAL INFERNO FIRESTORM SPELLPYRE PHOENIX ANGEL OF DIVINE SPELLPYRE PHOENIX FIRESTORM MAGIC JUSTICE AND DIVINE SPELLPYRE PHOENIX FIRESTORM MAGIC LOVE!

We were amazed by Colleen Dumbledore's Super Angel-Spellpyre Phoenix-Fire Elemental-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Dursleys saw it, they transformed back into Another Virgo Zodiarts, Another Leo Zodiarts, and Another Wolfblade Conglomerate and fired blasts of energy at her to kill her.

Colleen Dumbledore: (Divine Echoing Cosmic Voice of The Magic Firestorm Inferno Spellpyre Phoenix Angel and Divine Firestorm Magic Spellpyre Phoenix Love) Protego Maxima!

Colleen Dumbledore fired a blast of red light from her new Mage's Staff which put up a really strong shield and blocked the energy blasts, then, the shield disappears, and then, she fired three powerful orange, red, and yellow energy blast with phoenixes, magic, fire, fire elementals, and fire angels from her new Mage's Staff, which hits the Another Virgo Zodiarts, Another Leo Zodiarts, and Another Wolfblade Conglomerate, and really pissed off The Dursleys now.

Nico: Nice one, Colleen.

Me: You three just signed your Death Warrants!

Nico: Alright, baby hippo. You're the youngest. So, we're knocking you out first!

I fired blasts of energy and mashed them all over.

Nico ran fast and kicked him in the stomach with devastating force!

Me: In fact Harry you'll like this. (SNAPS FINGERS)

POOF!

I had Dudley grow a pig nose, pig ears, a pig tail and his hands were pig feet! Vernon and Petunia screamed and I showed a mirror and Dudley saw it and he screamed in hysterical fright and was crying hysterically!

WE LAUGHED HYSTERICALLY!

Qin: (LAUGHS)

Me: Hey Bruce meet the true Professor Pyg!

We laughed hysterically even more!

Harry: Oh, I remember Hagrid do something like that!

Me: That was great!

Qin: (LAUGHS) YEAH THAT WAS FUNNY!

Wallflower: I'm going to eat him with ice cream, chocolate sauce and tartar sauce.

All of us: EEEWW!

Me: That would taste like puke!

Qin: No kidding!

Vernon: YOU STUPID FREAKS! CHANGE HIM BACK!

Me: Make me!

Vernon: WHAT DID YOU JUST SAY!?

Me: I said MAKE! ME!

Lincoln: Looks like their desire for revenge while still in prison has completely rotted their brains away to nothing, but it's all the more better for us to exact a ton of payback on them.

Suddenly, a white shockwave erupted around Lincoln and he was glowing white: he's entered into Lumen Climax, the light counterpart of Umbran Climax, and he unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope.

Nicole: (Gasps) Lincoln's entered into Lumen Climax, the light counterpart of The Umbran Climax. The only one who's capable of entering into that state is Balder, oh boy, looks like he's taught Lincoln that technique, along with learning how to enter into Umbran Climax, this is going to get ugly.

Nico: That's really awesome, now to join in on the fight.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Colleen Dumbledore and Lincoln.

Nico: (Divine Echoing Voice of Rainbow Redemption) Time to send you three on a one-way trip back to prison, you child-abusing clods.

Colleen Dumbledore, Nico, and Lincoln went after Another Virgo Zodiarts, Another Leo Zodiarts, and Another Wolfblade Conglomerate, and they fired extremely powerful blasts of rainbow energy, neon orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Another Virgo Zodiarts, Another Leo Zodiarts, and Another Wolfblade Conglomerate and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them, and Lincoln's slashing attacks from his massive greatsword while he's in Lumen Climax produced huge yellow and white slashes.

Then, Lincoln also slashed at Another Virgo Zodiarts, Another Leo Zodiarts, and Another Wolfblade Conglomerate with his claws leaving more scars on them and drawing more blood and Nico turned his fingernails into claws and he slashed at those three drawing more blood and leaving more scars on them, and The Dursleys were being driven even more ballistic.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You three have caused enough trouble for the very last time. Now, reap the consequences of your misdeeds. PUNISHMENT OF THE SEVEN VIRTUES OF HEAVEN!

Lincoln fired seven blasts of golden heavenly light from his massive greatsword, and not only did they blast down the Dursleys, but they also purified the Ridewatches and turned them back to normal, and they were also wrapped in golden straitjackets, and they were beamed back to their prison. We cheered as Colleen Dumbledore, Nico, and Lincoln holstered their weapons and powered down and Lincoln exited Lumen Climax, and Colleen Dumbledore's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Colleen Dumbledore: That'll teach you rotten clods never to come after Harry Potter ever again.

Nico: Next time you try to escape, we'll do a lot worse to you three.

Lincoln: There won't be a next time, my Punishment of The Seven Virtues of Heaven not only bound them in gold and white straitjackets, but no form of black magic, Dark Orbs, Dark Ridewatches, or Number Cards can free them ever again.

Me: (Whistles) A serious dose of divine punishment, nice one.

Nico: A technique like that is worthy for those who've broken the bonds of family, but the Dursley Family know nothing about family values and care only about themselves and their desire for revenge. So, yeah, they really deserved that punishment.

Me: That's number 2 down.

Qin: Yep. Now for Another Ridley.

We then saw Twisted Wendy come back to us and drop to her knees, crying.

Me: Twisted Wendy.

Nico: Uh oh.

Twisted Wendy: (sobbing) I'm so sorry!

Me: She's crying.

Skyla Escadaria went over to her.

Skyla Escadaria: Wendy?

Wendy hugged Skyla and was crying uncontrollably.

Skyla Escadaria: Wendy it's all right.

Twisted Wendy: Dark let me go back to you once I cooled down.

Skyla Escadaria: Wendy your brothers and Peter would never want anything like this to happen to you. I'm sorry you went through all this. You let hatred and rage consume you after you lost them. But you are back into the light and have been cleansed of your darkness.

Eli: That's right.

Allie Knudson: I'm sorry that this happened to you Wendy. Hook is the catalyst behind your pain and we made sure nothing is left of him.

Qin: It's true.

Camie: Yeah.

Nico: They'll always be in your hearts.

Me: In heart, mind and spirit.

Twisted Wendy: (Crying) Thank you guys.

She hugged Skyla and cried.

Skyla is gonna love having her as her archenemy.

But then we smelled something tasty.

Me: (Sniffs) Oh boy is that lobster creole bisque bouillabaisse that I smell?

Nico: (Sniffs) (DROOLS) Oh boy!

Qin: There is only one person that has been known for making great food like that. Leslie Tiana.

Nico: She must be here.

Wallflower: Oh wow that must be tasty.

Nico: Some of the best ever. (SLURPS)

Qin: Oh wow.

Twilight Sparkle: She must be either the Crawdaunt or the Whiscash gene-slammer.

Laney: I have that same feeling.

Twisted Wendy: I'll just go back now.

Me: Okay.

Skyla Escadaria: Glad you're free from the darkness.

She was teleported back.

Laney: My money is on the Crawdaunt.

Me: Me too.

But then we heard a familiar screech!

Me: Ridley alert!

(RIDLEY THEME FROM SUPER METROID PLAYS)

Then we saw a dark version of Ridley appear and it was ANOTHER RIDLEY!

Me: WHOA!

Nico: I think Ridley's music from Smash Bros is fucking awesome!

Me: They all do! For over 38 years Metroid has been popular with all that.

Qin: That is for sure!

It landed.

Camie: Whoa scary!

Nico: Yeah.

Another Ridley: (In a girls voice) Sorry to drop in like this.

Sora Phaaze: (GASP) That voice!

She reverted back and it was a girl that had Aqua Blue Hair and had blue clothes and had blue angel wings.

Sora Phaaze: Valerie Excelcion!

Valerie Excelcion: Awesome to see you again Sora and you too J.D. And Wallflower congratulations on your new kids coming.

Wallflower: Thanks.

Me: Awesome to see you again too Valerie.

Nico: The mascots wanted to bounce on her stomach.

Valerie Excelcion: (LAUGHS) I can tell they wanted to. But they need to be careful with that.

Qin: Yeah we're trying to have them be careful.

Lola: Yeah we have to be careful around pregnancy.

Xenia: Yeah.

Nico: There was even a line where all the mascots had to pay admission to bounce on her stomach.

Me: Yeah that was cute and funny.

Valerie Excelcion: That is cute.

Lola: It sure is.

Me: Who wants to have a crack at her?

Pepperdance: (Cajun Accent) Ooowee! I'll have a go at her.

Valerie Excelcion: Ooh love the cajun talk. Oh the Another Heatwave is a friendly one. But she has incredibly hot fire powers and is intensely hot. She has the powers of the Sword of Nuova Shenron - the 4 Star Dragon.

Me: Whoa! This one is gonna be nuclear hot.

Xenia: Deadly.

Pepperdance: Hope you're ready to get hot!

Me: Hot and spicy that is.

Valerie turned into Another Ridley and she flew into the air and breathed fireballs and Pepperdance dodged them and fired waves of fire and smashed her down and I caught the Wonder Ride Book and purified it. It was called The Space Dragon Slayer of Excelcion. I caught Valerie and she had a splitting headache.

Valerie Excelcion: (GROANS) What a headache.

Qin: But you're all right.

Maria: Time for some backup.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) WOLF MOON 6!

She summoned Koragg, Darcy, TTG Trigon, Jet Black, Behru, and Seiryu of the Saint Beasts along with Zen-Aku, Wolf (Peter and The Wolf), Wolfblades, Wolfgang (Dino Fury) and Wolf Undead.

Me: Awesome!

Nico: And now, we wait.

Me: Yep.

Nico: Look out!

We saw a massive blast of fire coming at us and we absorbed it!

Me: Whoa! That was hot!

Nico: Who fired that?

Me: I think that guy did!

We saw a dark verion of Heatwave! It was ANOTHER HEATWAVE!

Lola: Whoa! This one is a hot one!

Me: Yeah!

Nico: You're looking hot!

Another Heatwave: (In a girls voice) (GIGGLES) I'm glad you noticed!

She reverted back and was a girl with Neon Orange hair and was in an orange bikini and she had a red fire blade sword with the 4-Star Dragonball in the blade.

Me: Shenandoah Nuova! I had a feeling it was you.

Shenandoah Nuova: Yeah but it's awesome to see you again J.D.

Me: You too. A little too cold to be wearing a bikini wouldn't you say?

Shenandoah Nuova: Not for me because you might say I'm too hot to handle.

Qin: Boy I can tell.

Kaito: (gets out Saber gear) Did Swartz promise you anything?

Zocks: (Gets out Revice gear) Because we can grant it instead.

Kaito got a Saber Sword and Zocks got a Revice Sword.

Shenandoah Nuova: Just to be the hottest swimsuit model ever.

Me: You already are the hottest swimsuit model. In fact you are practically the envy of many girls we know and many we don't know. Literally.

Nico: I agree there.

Shenandoah Nuova: No argument there. But before he could offer me that I used my fire powers and lit all of his lab on fire.

Me: Ah you ran and burned it all down. Hot to the touch.

Sougo: (gets out Saber Ridewatch) Hot is right!

Armor Time! Rekka Battou! Saber!

Geiz: (gets out Live gear) Though, I hope no perverts are watching.

Sougo got SaberArmor while Geiz got LiveArmor.

Nicole: If there are I will smash their skulls in.

Shenandoah turned into Another Heatwave!

Me: Before we start lets have the mother to be start us off.

Wallflower: Thanks guys. (ACTIVATES GRAND DUKE'S MINIONS RIDEWATCH)

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

Wallflower: (SINGING DIVINELY AS SUNS AND MOONS SWIRLED AROUND HER AND A TOTAL SOLAR ECLIPSE WAS SEEN IN THE SKY)

I saw you dance

From the corner

I caught your name

She fired waves of waves of light, darkness, suns and moons and smashed her down.

Me: Oh yeah!

Qin: AWESOME!

Taranee: That was cool!

Nico: (gets out Heat Wave's Ridewatch) Feel the heat!

Nico activated it and fired waves of fire and blasted her all over.

Nico: Feel more of the heat! (ACTIVATES EVIL FLAME MAN'S RIDEWATCH)

He fired waves of fire and blasted her all over.

Me: YEAH! That was hot!

May: This will howl! (ACTIVATES DAVID KESSLER THE WOLF'S RIDEWATCH)

SHE TURNED INTO A WEREWOLF! She was now MAY THE NOCTURNAL!

May: AAAAWWWWOOOOOOOOOOOOOOO!

Me: (HOWLS LIKE A WOLF!)

Zarya: (HOWLS LIKE A WOLF!)

Qin: YEAH! Power of the Pack!

Road Rovers: (HOWLS)

Nico: OH YEAH!

Me, Zarya and May fired waves of blue fire and blasted her down.

May: (ACTIVATES CAVE OF WONDERS TIGER GOD HEAD'S RIDEWATCH) (Imitating Cave of Wonders Tiger God Head) Know this: Only one may enter here. One whose worth lies far within. The Diamond In The Rough!

She fired waves of energy and blasted her down!

Maria: Awesome imitation! Now watch this! (ACTIVATES ASTRAL DROP WITCH TEAM'S RIDEWATCH)

She fired waves of Water, Fire, Earth, Air and Energy and blasted her all over!

Maria: YEAH! Awesome! Now for this. (ACTIVATES FLECT TURN'S RIDEWATCH)

She fired energy blasts and smashed her down.

Maria: (Gets out Astral Drop Taranee's Ridewatch) And now, for Astral Drop Taranee's Ridewatch only!

Maria activated it and fired a powerful blast of fire and blasted her down!

Qin: OH YEAH!

Me: Feel the heat!

Laney: I still can't believe that you Astral Drops turned against Will and friends.

Astral Drop Will: I know.

Me: I remember that. That was nuts!

Hiita: My turn! FIRESTORM CHARM BLAST!

She fired her Duel Monster blast first!

It was a blast of fire and blasted her down.

Hiita: YEAH! If this were a duel it would be cool. Now for this. (ACTIVATES EVIL FLAME MAN'S RIDEWATCH)

She fired waves of fire and blasted her down!

Pyro and his team consisting of Quillfire, Lava Volcano Man, Dancing Diablo Peppers, Ragnaros and Roll (Wily).

Nico: Nice team, Pyro!

Pyro: Thanks Nico.

Me: Infernal and hot.

Qin: Yep.

Pyro: Twisted Wendy's doing okay now.

Skyla Escadaria: That's good. I'm glad she is.

?: Boy no kidding there.

We saw a Crawdaunt appear.

Me: Crawdaunt!

Nico: Leslie Tiana? Is that you?

Crawdaunt: It sure is Nico. What gave me away sugar?

Nico: The smell of your awesome cooking.

Crawdaunt: (LAUGHS) I do cook awesome food. And everyone says I am related to Tiana. Yes I am. I am actually her great granddaughter.

We gasped.

Me: Wow! Boy Tiana back home is going to flip seeing this.

Crawdaunt: Yeah. I got this.

She fired waves of water and blasted down Another Heatwave and I caught the ridewatch and I purified it and I brought Shenandoah Nuova over.

Nico: You appeared just as we settled things with a Twisted Princess.

Me: Well actually we were smelling some of your cooking.

May: (LAUGHS) Made Nico drool like a waterfall.

We laughed.

Lola: That was awesome.

Pyro: But that smell was awesome.

Crawdaunt: Glad you all like it.

Hiita: What's your favorite memory of Nico?

Crawdaunt: My favorite is when me and Nico were in school and we made some of the hottest and spiciest seafood creole bouillabaisse ever. It was my famous Moonscar Island Reaper Bouillabaisse.

Me: WHOA! That sounds like something I would love.

Qin: That was the hottest ever and I loved it. It was so tasty that I ate 5 bowls of it. No one else didn't want any because it burned their mouths off.

Crawdaunt: (LAUGHS) Only Qin has ever loved my spiciest dish.

Me: Boy that would be a great meal for us on our big day mission later today.

Nico: It sure would.

Me: Lets revert you back.

I put on my blind man glasses.

Nico got out a green jumpsuit and the boys covered their eyes and I snapped my fingers and she was back to normal and she was a black hair girl that looked SO MUCH like Tiana from Disney's the Princess And The Frog. Nico gave her the jumpsuit and she put it on.

Leslie Tiana: Ahh. That was rough. But it's good to be back to normal.

Nico: Yeah.

Nico and Leslie hugged.

Nico: I've really missed you Leslie.

Leslie Tiana: Me too sugar. Me too.

Leslie moaned as she wiggled her fingers.

Leslie Tiana: That is much better.

Me: It sure is.

Nico: (to the viewers) Rest in piece, Robbie Coltrane.

Me: You will never be forgotten.

We had a moment of silence for the very man that played Hagrid.

Jamesdean5842: Amen to that. He was a giant among giants and will never be forgotten. May he rest in peace.

Then we went back home.

But, more than once, he's tried to destroy the Earthbound Immortal Gene-Slammers on Lincoln's side, but not even his dark powers were a match for the Earthbound Immortal Gene-Slammers, who defeated him and Lincoln stripped him of his dark powers and banished him to The Netherworld. But, now years later, Aridam has returned, and he wants revenge, but we're not going to let him.

Lincoln: Wow, we're here in Acme Acres, and I know what we're going to do here, not only am I going to rescue the seven girls here, but Emily, Mia, Cathy, Emma, Rebecca, Lauren, Valerie, Cora, Elizabeth, Sydney, Grace, Camille, Gina, Simone, Maya, Connie, Denise, and Demona, we got a huge problem: our old enemy, Aridam Azvameth, The Dark Goth, has returned.

The Earthbound Immortal Gene-Slammers on Lincoln's side gasped in shock.

Valerie Brinkley: Aridam Azvameth has come back, I thought we defeated him, and after you stripped him of his powers, you banished him to The Netherworld.

Lincoln: We did, but it looks like Aridam has come back, this is not good.

Nico: So, we got another dark demonic Goth to deal with, this isn't good, but what can you guys tell us about Aridam Azvameth.

Lincoln: You're not going to like it one bit, Nico. Aridam Azvameth is a dark Goth who'd gotten dark powers through dark Satanic sacrifices and he also worshipped The Earthbound Immortals and he'd absolutely despised the fact that Emily LaRou, Emma Langley, Valerie Brinkley, Mia Addison, Cathy Russo, Rebecca Madison, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Maya Santiago, Denise Uxi, Connie Sellingron, and Demona Wendollstein, The Earthbound Immortal Gene-Slammers on my side are on the side of good and the same also went with Ariana Ferris, Jeanette Challhua, Vicky Ann Viraqocha, Lola Cusillu, May Lorika, Elizabeth Apu Nahasapeemapetilon, and Felicia Trochilidae, who are the Avatars of The Earthbound Immortals.

Nico gasped, and so did Ariana Ferris, Jeanette Challhua, Vicky Ann Viraqocha, Lola Cusillu, May Lorika, Elizabeth Apu Nahasapeemapetilon, and Felicia Trochilidae.

Ariana Ferris: This guy is an absolute sicko, it's bad enough he hated the Earthbound Immortal Gene-Slammers on your side, Lincoln.

Nico: But also, you, Jeanette, Vicky, Lola, May, Elizabeth, and Felicia, Ariana, and you girls are The Avatars of The Earthbound Immortals.

Lincoln: And more than once, he's tried to destroy Emily LaRou, Emma Langley, Valerie Brinkley, Mia Addison, Cathy Russo, Rebecca Madison, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Maya Santiago, Denise Uxi, Connie Sellingron, and Demona Wendollstein, but not even his dark powers were a match for them, and after we had defeated him, I stripped him of his dark powers and banished him to The Netherworld.

Valerie Brinkley: But, now years later, Aridam has returned, and he wants revenge on us all.

Emily LeRou: We're not going to let that demonic Dark Goth get away with this, Valerie.

Lincoln: We sure won't, Emily, he's going to suffer dearly for every last one of his crimes in full, and I want to thank you, Merida, Nadine Tyrannus, and 2018 Dark Phoenix for joining us, Tecna.

Tecna: (British Accent) You're welcome, Lincoln.

Suddenly, we saw a beautiful girl with long green hair, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful green angel wings, she's dressed in multi-colored Sailor Soldier clothes and green knee-high high-heeled boots, and long white long-sleeved trenchcoat with elemental forces, comedy props, and angels on the coattails and on the back is the Warner Bros. logo and holstered on her back is a massive Warner Bros.-themed greatsword with embedded rainbow gems and the Warner Bros. logo etched on the 7'0" massive, wide, double-edged rainbow blade, large white rabbit heads for the crossguard, large rainbow gem embedded in the hilt, longer midnight black handle, four large white rabbit heads and large rainbow gem on the bottom of the large white rabbit heads for the pommel, and she has the seven girls with her.

Qin: Whoa, a Sailor Soldier here in Acme Acres? Awesome.

Girl: That's right, and I also got the seven girls away from that demonic Dark Goth, Aridam Azvameth before he could try and kill them.

Lincoln: (Gasps) That voice, Valencia Nightingale A.K.A. Sailor

Acme Acres, I knew it was you, it's awesome to see you again.

?: (Demonic Voice) I will fucking kill you disgraces to The Earthbound Immortals if it's the last thing I ever do.

We then saw our target: a black-haired goth with red eyes, pale skin, dressed in black goth clothes, and he has black demonic wings, it was Aridam Azvameth, and boy was he beyond pissed off now.

Buster Bunny: Look alive, gang, here he comes!

Lincoln: Aridam Azvameth, I should've known you'd come crawling out of The Netherworld wanting revenge.

Aridam Azvameth: You will never destroy me, and soon, I will take the Earthbound Immortals from The Dark Signers and usher in a new age of darkness!

Lincoln: The Earthbound Immortals only choose those who were close to or have died and have that desire for revenge to be their emissaries, and they'd never choose vermin like you, in fact, to them, you're about to be their next sacrifice! (Deep sapphire eyes turn blood red and pupils turn into slits)

Me and Nico: Oh, shit! He's unleashed the beast inside him!

May: I've already got my phone out and I caught Lincoln making his threat towards Aridam.

Misty Tredwell: Lincoln's not wrong about what he said to him, and he was defensive to not only the Earthbound Immortal Gene-Slammers on his side, but also to the Avatars of The Earthbound Immortals, and to us.

Me: Something tells me we're about to get an answer after we not only get rid of Giff, but also, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah.

EARTHBOUND IMMORTAL DEATH BALL GEOGLYPH BARRAGE!

Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi fired the nineteen black and colored and black and rainbow colored Death Balls at Aridam Azvameth, and he was sent flying into space and The Death Ball barrage exploded with incredible power killing him for good, and his spirit was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Nico: Oh man, I should've known you, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi would go with the Earthbound Immortal Death Ball Barrage, Lincoln, the last time you guys used that technique.

Lincoln: Was against that worthless nihilistic monster, Dustin Keystone, and since we were dealing with a person who was a threat to Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi, along with The Avatars of The Earthbound Immortals and The Dark Signers, I figured it's a perfect punishment for him. (To Valencia Nightingale) And it's so good to see you again, Valencia Nightingale.

Valencia Nightingale: You too, Lincoln, it's been a long time, and it's also good to see you and the other Sailor Soldiers again, Diana, and you and the toons again, Buster.

Diana Elementa: You too, Valencia.

Buster Bunny: It's really awesome to see you again, Valencia.

Lincoln went up to Valencia Nightingale and he hugged her, and Valencia Nightingale is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Valencia Nightingale: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Valencia Nightingale A.K.A. Sailor Acme Acres, the Sailor Soldier of Acme Acres, she's my Guardian Angel from Acme Acres and also my classmate in Gym, and she has omnipotent elemental powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she's known all of the cartoon gags from Bugs Bunny and the other Legendary Looney Tunes and she's also good friends with Buster Bunny and his friends.

Buster Bunny: In fact, she's one of the top students at Acme Looniversity.

Nico: Cool.

Lincoln: It sure is. She moved to Royal Woods, Michigan when she was eight years old and it's where she met me, and she swore to protect me with everything she's got from Chandler, his goons, Pablo, Anderson, Killjoy Huggins, and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home. Plus, she was the one who introduced me to the Warner Bros. cartoons and we've watched every single one of them and laughed our heads off, and she told me everything about her home, Acme Acres, and the school she went to, Acme Looniversity, and that she's The Sailor Soldier of Acme Acres, and I, along with Leni, Luna, Laney, Lucy, Lana, and Lily kept it a secret, and when Lori, Lynn, Lola, Lisa, and Luan demanded to know what the secret was, Valencia threatened to beat them into a bloody pulp and tie them by their panties to the flagpole, which scared them off.

Nico: Yeesh, hanging by their panties tied to the flagpole, that's got to be the most humiliating thing ever.

Lincoln: Especially if everyone sees it. And one time, while out on the beach, Valencia and I kissed each other on the lips, and like Selene Emperyous and The Sailor Soldiers on my side, she hates all of my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

Buster Bunny: She's also humiliated Montana Max on multiple occasions and left him crying like the spoiled brat he is, and she's protected us from Elmyra Duff.

Valencia Nightingale: Monty's deserved it for all his greedy schemes, he was trouble with a capital "T" and I even resorted to many pranks and gags, even using Babs' disguises, spin changes, and voice impressions, and of course, using what my teachers had taught me.

Me: Nice one.

Lincoln: She's also one awesome prankster, and I've got a wild story on how she'd outright pranked Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Pablo, Anderson, Hawk, Hank, Scoots, Flip, and Killjoy Huggins.

Nico: Ooh, now this one, I got to hear. She may even outrank Connor when it came to his pranks.

Valencia Nightingale: Trust us, you'll laugh your heads off. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Valencia Nightingale: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Valencia Nightingale: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Valencia Nightingale, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Valencia Nightingale: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Valencia Nightingale's neck with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Valencia Nightingale: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valencia Nightingale.

Valencia Nightingale had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Cate Archer from No One Lives Forever, Violette Summer from Velvet Assassin, Angel from Operation: Tango, and Maria "Internationale" Valdés, Jolie "Banks" Murphy, Nika Muratova, and Esther "Prism" Martins from Invisible, Inc.

Lincoln: Oh wow, it's Cate Archer from No One Lives Forever, Violette Summer from Velvet Assassin, Angel from Operation: Tango, and Maria "Internationale" Valdés, Jolie "Banks" Murphy, Nika Muratova, and Esther "Prism" Martins from Invisible, Inc.

Nicole: Whoa, awesome, and these girls are expert spies in the field of espionage.

Lincoln: Cool. And are you girls okay?

Cate Archer: We're all on one piece thanks to you.

Then, when Cate Archer and the other six girls saw who it was that saved them from Aridam Azvameth, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag

Cate Archer: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Cate Archer: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cate Archer, Violette Summer, Angel, Maria "Internationale" Valdés, Jolie "Banks" Murphy, Nika Muratova, and Esther "Prism" Martins with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Aridam Azvameth, a dark Goth who'd gotten his dark powers through dark Satanic sacrifices and he worshipped The Earthbound Immortals and he'd absolutely despised the fact that The Earthbound Immortal Gene-Slammers on Lincoln's side are on the side of good and the same went with The Avatars of The Earthbound Immortals on Nico's side. But, more than once, he's tried to destroy the Earthbound Immortal Gene-Slammers on Lincoln's side, but not even his dark powers were a match for the Earthbound Immortal Gene-Slammers, who defeated him and Lincoln stripped him of his dark powers and banished him to The Netherworld. But, years later, Aridam returned, and he wanted revenge.

But, when Lincoln showed what happened, such as all of us giving that demonic goth douchebag the beatdown of his demonic life, and Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi finishing him off by using the Earthbound Immortal Death Ball Geoglyph Barrage technique to destroy him for good and send him to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Valencia Nightingale have a lot of catching up to do, now that they're back in town.

Maria: Sheesh, that guy was nothing more than a monster. Plus, we also met the Sailor Soldier of Acme Acres, this is so awesome.

William: We had no idea Acme Acres had a Sailor Soldier.

Me: Same here, but this is really awesome that Valencia has defended Acme Acres.

Lincoln: Mainly from Montana Max, Elmyra Duff, and also, Perfecto Prep.

Valencia Nightingale: They were nothing more than cheats and when I heard that Rhubella Rat and Margot Mallard had defected to our side and wanted nothing to do with Roderick Rat anymore, I was stunned. But, I was glad they had a change of heart and saw Roderick for the monster he really is.

Lincoln: And we now have him and the other Perfecto Prep jerks in jail forever for their crimes and are never going to be free again.

Valencia Nightingale: Good riddance.

---

After finally destroying Aridam Azvameth and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Valencia Nightingale saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Valencia Nightingale: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Valencia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Valencia Nightingale: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really

strong, and really powerful man.

Valencia Nightingale: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Valencia, what's the story on that prank that you pulled on Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Flip, Scoots, Pablo, Anderson, and Killjoy Huggins?

Selena Kurenai: Oh, that's a story we've never forgotten. It's true we hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lola's done to her own brother could never be forgiven.

Valencia Nightingale: Oh man, this is one I couldn't stop laughing about. Okay, one day, Lincoln and I were with the rest of The Guardian Angels at our gym and we were busy working out. But, then, we'd intercepted a report from a bug we placed in Lisa's room, and we heard that Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Flip, Scoots, Pablo, Anderson, and Killjoy Huggins were all planning to kill Lincoln again. The other Guardian Angels were extremely furious and they wanted the heads of those monsters on a pike, but I had other ideas: I sent a mass fake message to Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Flip, Scoots, Pablo, Anderson, and Killjoy Huggins telling them that Lincoln's alone in the park and no one's protecting them, and with their bloodlust at an all-time high, they took the bait and went to the park, but as soon as they got there, he wasn't even there, and they were too dumb to know they all fell for a trap. I then sprung my prank by first sending a massive barrage of balloons filled with slime, and then, I called an army of skunks, and they sprayed them, and then, I used some magic and tied their pants to an invisible string, and with one tug, I ripped their pants off and they were left in their panties and underwear, and finally, the big finale: I then sent a massive barrage of pies at them and they all got hit, but they were made with Lily's dirty diapers, and the best part everyone saw it for themselves, and they found out about their plot to kill Lincoln again from all of us. When our targets saw who it was that did this, they freaked out and they threw tantrums like children before the cops came and took Hawk, Hank, Chandler, his goons, Flip, Scoots, and Killjoy Huggins away, and Luna sprayed Lori, Lynn, Lola, Lisa, and Luan with tomato juice, and then, they got dragged back to The Loud House and got grounded for eleven weeks.

Valencia Nightingale then pulled up the video of her prank, and we busted out laughing hysterically as it reached the end.

Nico: (LAUGHING HYSTERICALLY) OH! OH MAN, NOW THAT'S A PRANK THAT PUTS ALL OF CONNOR'S PRANKS IN THE PAST TO SHAME!

Me: Along with the pranks of Luan to shame as well, this is way too awesome!

Bertha Sellington: Valencia is well known as a prankster of legend, and from what she'd learned from Acme Looniversity, she used it to defend Lincoln from the big-time disgusting jerks of Royal Woods and Hazeltucky.

Lincoln: Valencia really got them hard with her prank, and we offered Lori, Lynn, Lola, Lisa, and Luan no forgiveness for they tried to do, so I took no prisoners.

Luna: Yep, just like with Lola, Lincoln told the control freak, the superstitious smelly jock, the temper-crazed monstrous pageant demon, the heartless so-called genius, and the clown off by using the Dad tone of voice.

Lynn Sr.: That was another time in a row he's used the Dad tone of voice, and let's just say that by the time Lincoln was done, Lori, Lynn, Lola, Lisa, and Luan peed their pants in fright.

Rita: And they ran to their rooms before any of us threatened to take any action if they refused to go up to their rooms.

We got a shower, and then, Lincoln, Tara, Jessica, Hope, Liz, Crystal, and Marcella are heading to Wave Ocean.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tara, Jessica, Hope, Liz, Crystal, and Marcella were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Tara, Jessica, Hope, Liz, Crystal, and Marcella had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Tara: Wow, so this is Wave Ocean, it sure is beautiful.

Lincoln: I've been here once, Tara, and it really is beautiful, and it's perfect for our first date before Kita's big mission with the Revice team today. Shall we?

Lincoln, Tara, Jessica, Hope, Liz, Crystal, and Marcella dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tara, Jessica, Hope, Liz, Crystal, and Marcella got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tara, Jessica, Hope, Liz, Crystal, and Marcella, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tara, Jessica, Hope, Liz, Crystal, and Marcella placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Wave Ocean, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tara, Jessica, Hope, Liz, Crystal, and Marcella with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tara, Jessica, Hope, Liz, Crystal, and Marcella are now part of your harem, awesome.

Kim Possible: Looks like the cheerleaders from my old school are now part of Lincoln's harem, nice one.

Jessica: And we'd heard about what happened with Bonnie, and I had no idea that her mother did this to her and why she was like that. But, at least, that talk with Star Butterfly helped her greatly.

Lincoln: We'll have to one day get her mom arrested for child abuse, Bonnie's been on the road to her recovery thanks to Star's talk with her, but she still needs to get justice for what happened to her, the same goes with Brittney Wong after what she went through.

Nico: That's a good idea, Lincoln. This is something that cannot be ignored.

Me: Yeah.

---

Later we were watching TV and I was eating an apple.

Me: How are you feeling Wallflower?

Wallflower: I'll be okay.

Me: Good.

Then I took a bite of the apple.

LOUD CRUNCH!

Wallflower screamed!

Me: (Mouth Full) WHAT THE!?

Water dripped onto the floor and dripped from her legs and THAT MEANT ONLY ONE THING!

Wallflower: My water broke!

Bonnie: She's going into labour!

Me: It's time!

Nico: Lets get her to the hospital fast!

Me: You heard the man lets get her to the hospital stat!

Ratchet: I'll load her in!

Nico: Lets go, lets go, double time, lets go!

We got Wallflower into Ratchet and she was starting her breathing.

Varie: That's it Wallflower. You're doing great.

We were off to the hospital.

Serena: Wallflower, stay calm!

Wallflower: I'll be all right!

We arrived and unloaded her and got her into the delivery room and Lincoln went in with her.

We then waited. I was playing Go Fish with Laney and Nico.

Me: Hmm. Nico do you have any 9's?

Nico: Aw man.

He gave me three of them.

I had a set of them.

Me: Cool. Laney do you have any 3's.

Laney: Nope go fish.

Me: Tartarsauce.

I drew a card.

Wallflower screamed.

Wallflower: LINCOLN IF YOU GET ME PREGNANT AGAIN I'M GOING TO RIP YOUR OWN TONGUE OUT AND SHOVE IT SO FAR DOWN YOUR THROAT THAT YOU'LL BE TASTING YOUR INTESTINES AND THEN I'M GOING TO RIP YOUR HEART OUT AND SHOVE IT UP YOUR ASS!

We gulped in fright!

Homer: Boy that was bad and I thought Moe's threats were bad.

Moe S.: No kidding Homer.

Offroad: There are those labour pains.

Nico: (GULP) Yep.

Leeli: (GULP) Is that going to happen?

Me: She's not going to do all that. She's not saying it on purpose Leeli. It's all part of the process of labor and pregnancy. You say things you don't mean there.

Leeli: Oh. Thank goodness.

Qin: Yeah. Sorry you had to hear all that Leeli.

Xenia: Yeah.

Leeli: It's all right.

The Grand Duke's minions came and they got our texts.

The screaming stopped.

G1 Sidswipe: Are they out?

Me: Sounds like it.

Later the doors opened and out came Wallflower in a wheelchair and Lincoln was beside her and they had 2 twin girls and they both had Wallflower's green hair and had blue eyes.

Me: Oh Wallflower they are so adorable.

Leeli: They are so cute.

Qin: Aww.

Wallflower: They sure are.

Lincoln: Yeah these our girls.

Wallflower: This one in my left arm is Willow Meadow and this one in my right arm is Winterberry Eucalyptus.

Me: Those are beautiful names.

Leeli: They sure are.

Maria: So cute!

Nico: Yeah. Congratulations you two.

Leeli: I have something for them both.

She decided to sing her song for them.

(YURGEN'S TUNE PLAYS)

Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

She sang so beautifully and it was amazing.

The twins then surprised us as we saw that they had a green aura around them. Their power was already strong at such a young age.

Me: Whoa. That was amazing.

Nico: Their power is already that strong at such a young age? That's incredible.

Wallflower: It sure is.

May: Who should watch them?

Trixie: I will like always.

Me: Okay.

Nico: We got a big mission to prepare for.

Me: First the next gene-slammer should be here soon.

We later got back home.

Me: We'll give you a few minutes to rest up before the mission okay Wallflower?

Wallflower: Thanks J.D.

She sat in the rocking chair.

Me: We are so happy for you Wallflower.

Nico: Yeah we sure are.

We heard a knock on the door.

Me: Come in.

Then we saw a Whiscash come up.

Me: A Whiscash. Awesome.

Qin: Awesome.

Whiscash: (In a girls voice) I heard about what happened and congratulations to Wallflower.

Nico: Kathryn Knorr? Wow,

Whiscash: Awesome to see you again Nico.

She reverted back and was a girl with ocean blue hair and had yellow eyes and had blue clothes.

Qin: Ocean Princess Kathryn. Awesome to see you.

Kathryn Knorr: You too Qin.

Wallflower: What's your favorite memory of Nico?

Kathryn Knorr: When me and Nico discovered the Ruby Crystal Butterfly Fish in a coral reef off the coast of India.

Laney: Wow that must be a beautiful fish.

Nicole pulled up a picture of it and it was a Red Butterfly Fish and it had scales that shimmer and sparkle like glitter.

Nicole: This is what it looks like. It's very beautiful.

Laney: Ooh that is beautiful.

Lana: Wow what a fish.

Lola: It's pretty.

Nico: Yeah that is pretty.

Me: That is beautiful.

Kathryn Knorr: Yeah.

Nico and Kathryn hugged.

Nico: I've missed you Kathryn.

Kathryn Knorr: Me too Nico. Me too.

Rage Mage: Nico, which teams have you made this time?

Nico: Tahu's team will include Yakumo Kurama, Leanbow, Knuckles the Echidna, Shizuka Nekonome and Min Min. Vakama's team will include Beast Wars Inferno, Kaito, Jenelle Torres, Malefic Cyber End Dragon and Malefic Stardust Dragon.

Me: Ooh two more of the Malefic Dragons added to the mix.

Qin: And I heard that Min Min just joined the Super Smash Bros. Roster.

Nico: That's right she sure did.

Lola: Yep.

Sonic: All right Knuckles it's going to be awesome seeing you added to a team.

Knuckles: YEAH!

They high five.

Kaito: But it will be awesome being on a team.

Beast Wars Inferno: For the glory of the royalty it will be great!

Nico: Yep.

The previous group came.

Radioactive Man: Can me, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Radioactive Man, Gizmo, Po Kong, Private HIVE, and Pterodactyl Ghost go with you guys?

Nuclear Man: Me, Black Knight of Merlin, IR Baboon, Ayatoriko, Roller Ghoster, Ape Man, Shakedown, Eustace, Knighty Knight, and Droog will come too.

Nico: Yes you all can come with.

Qin: This is gonna be so awesome.

Kita Birmingham: It sure is!

Qin: Yeah.

Ayatoriko: Wallflower congratulations on your new girls.

Wallflower: Thank you Ayatoriko.

Ramjet: Boss, which Gene Slammers do you think you'll meet next?

Nico: Claydol, Cradily and Armaldo.

Me: Wow!

Nicole: 2 Pokemon that look like creatures from 530 million years ago and one that looks like an artifact from the Jōmon period back over 16,000 years ago.

Nico: That's right.

Qin: Wow this will be interesting.

Me: I hope we meet the Cradily and Armaldo in Paleozoic World.

Nico: That will be fitting.

Abis Mal: Shall we get going?

IR Baboon: IR ready for anything!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Zectua, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Zectua of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Zectua, right, Vivian?

Vivian Volcania: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Zectua and give him The Black Gates. And Kita's also joining us in the beatdown of that fanatic.

Kita Birmingham: That's right.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to meet up with the Revice team and destroy Giff once and for all.

Kita Birmingham: Yeah! Hang on, Ikki, we're coming.

Lincoln: That monster's going to pay for everything he did, and once we get through with destroying Giff for good, you better be ready to die, Zectua.

Vivian Valencia: You better be ready to die, Zectua, because you're about to feel the true power and fiery wrath of the volcano.

Nico: Lets go then!

Lincoln put up a rainbow energy field around the World Tree Estate and we left for Japan to help the Revice team destroy Giff, and also, destroy Zectua of The Extraterrestrial Order of The Planets of Holy Ghidorah.

---

We arrived in Tokyo, Japan.

Mr. Boss: Here we are.

Me: Boy it's busy as ever.

Qin: Yep.

Then we saw the Kamen Riders for Revice and they were fighting Anoni too!

Me: They are fighting Anoni!? Perfect.

Nico: Lets go. Minor entrance!

We went at them.

The Revice team was blasting and bashing numerous Anoni and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Ikki: That's Zocks!

We flew out and landed and punched and blasted the Anoni all over!

I fired energy lasers and blasted them all over.

Me: Looks like the fun has begun Ikki!

Ikki: It sure has! Perfect timing guys!

Qin: Thanks.

Roller Ghoster: Are there Deadman here too?

Vice: Actually, yes!

Motor Ed: That's good! Seriously!

Me: And I have a feeling I know who it is.

An Anoni was about to attack Sakura and then I blasted its head off.

Sakura Igarashi: Whoa thanks J.D.

Me: Anytime!

We blasted them all apart.

Ikki: That blaster is cool J.D. Where did you get that?

Me: Oh this thing? I got it on one of Nico's rescues. Really awesome weapon.

I blasted Anoni all over.

Nico: Is it the Chameleon Deadman?

Vice: No. But it'll appear later!

Me: Let me guess? Azuma?

Vice: How did you know?

Me: Just a hunch.

I blasted the last of the Anoni.

Me: There. (Blows smoke and holsters blaster)

They powered down.

Ikki: That was awesome! Lets head to our home so we can talk.

Nico: Sure guys.

Me: Awesome.

Nico: So, shall we go to your base?

Daiji: We shall.

We followed them.

We later arrived at the Igarashi mansion.

Me: Just as awesome as ever.

Xenia: Yep.

Sakura Igarashi: But it's great you guys are here now.

Metal Man: This base is actually very nice.

Ikki Igarashi: Thanks. It's home.

Me: How have things been?

Daiji: Busy as ever. The Deadman are still causing problems though.

But we defeated some minor enemies.

Qin: Well at least you're doing good.

Me: Yep.

Hana Natsumi: What were those guys that were attacking?

Me: Those were the Anoni. They were the footsoldiers from the Donbrothers. They just finished their series earlier this week.

Eli: It's true.

Wallflower sat on the couch and man was she tired.

Sakura Igarashi: What's wrong with Wallflower?

Me: She's just really tired. She gave birth to 2 twin baby girls earlier this morning.

Sakura Igarashi: Aww. So awesome. Congratulations to her.

Nico: We are really happy for her.

Lola: We sure are.

Shakedown: Vice, is the Rex Genome really you and Ikki's primary form?

Po Kong: If so, then you two are probably the first Kamen Riders to be based on a dinosaur.

Vice: Yes we are.

Ikki: And it's really cool.

Me: Sweet. By the way guys we owe you for helping us in dealing with Lumpus last week.

Vice: That was so fun.

Ikki: It sure was. That moose had tons of screws loose.

Me: No fucking lie there.

Hana Natsumi: Is Marinette all right?

Me: She's doing better thank you. She was really distraught that she made her first ever kill. And I know the feeling myself.

Lana: Yeah. Many of us do.

Naruto: It's not a good feeling. But we have to do it to protect ourselves from danger and all that.

Me: Yeah.

Marinette: But I'm doing much better now.

Sakura Igarashi: That's a relief.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume carrying 4 bottles of beer.

Poromon: (to the Revice team) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Luminous: Yeah, apparently, this is a thing now.

Hana Natsumi: Poromon looks so cute like that.

Me: We all thought he was adorable.

Nico: Yeah.

Ikki Igarashi: I don't think any of us can drink though.

Qin: No worries.

I gave them some root beer.

Pterodactyl Ghost: Marinette was actually cutting herself because of it.

Droog: Sideshow Bob is keeping the blade she used.

Sideshow Bob: It is true guys.

Sakura Igarashi: Oh man! I'm glad she is better though.

Me: So are we.

Marinette: I'm okay though now.

Me: At least we're rid of Lila Rossi forever. That's one stain on my life that I'm glad is gone.

Marinette: Me too.

Nico: Same here.

Ikki Igarashi: J.D. are you okay?

Me: Huh?

Ikki Igarashi: You are acting different?

Me: Oh I know what you mean. I'm now back to my original self before I was suffering from Dark Orb Poisoning.

Sailor Mysterious Tower: You have me to thank for that.

Sakura Igarashi: Oh wow.

Qin: Yeah.

George Karizaki: Also, what's this we've been hearing about a Winnie the Pooh Blood and Honey movie that came out recently?

Tempest Shadow: You probably shouldn't have asked that.

Me Uh oh.

Horsea: OH, WE'LL GLADLY SHOW YOU WHAT THAT ABOMINATION IS! (shows trailer close to Vice's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Vice: WHAT THE FUCK!?

Poromon: (shows trailer close to Ikki's face) YOU LOOK AT IT!

Ikki: THAT IS REPULSIVE!

Manaphy: (shows trailer close to Daiji's face) YOU LOOK AT IT!

Daiji: OH SICK!

Poliwag: (shows trailer close to Go Tamaki's face) LOOK AT IT!

Go Tamaki: I THINK I'M GONNA HURL!

Horsea: (shows trailer close to Sakura's face) LOOK AT IT!

Sakura Igarashi: AAH MY EYES!

Jirachi: (shows trailer close to Hana's face) LOOK AT IT!

Hana Natsumi: GET THAT THING AWAY FROM ME!

Tentacool: (shows trailer close to Genta's face) LOOK AT IT!

Genta: IT'S HORRIBLE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT!

They were showing them!

Mascots: WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Me: Oh for gods sake! (SPINS MAGISWORD BRACELET)

(SIGHS) ROUNDY SPINNY THING MAGISWORD!

I calmed them down with it.

Big Guy: For the Love of Mike.

Qin: Tell me about it.

Rusty: Boy that movie really got them going.

Me: You're not kidding Rusty.

Eli: That movie came out 13 days ago.

Me: But the good news is it's doing horrible in the Box Office.

Sakura Igarashi: Good.

Ikki: Is this gonna happen every time you guys have a big day mission?

Me: Don't fucking ask.

Lola: Yeah.

George Karizaki: How about I watch the whole trailer to get a good idea?

Knighty Knight: You will be sorry you did.

George Karizaki watched the whole trailer and was horrified.

---

French Narrator: (French Accent) 1 agonizing trailer later

---

HE WAS CURLED UP AGAINST THE WALL AND WHIMPERING IN FEAR.

Private HIVE: We gave you fair warning, soldier.

George Karizaki: Are you sure no Deadmans made this sick movie?!

Me: If there were we would be over there blasting them into kingdom come.

Qin: Yep.

Camie: Oh you need to tell us more about this Azuma guy.

Me: Oh right. I just saw the Revice team battle him a while back.

I went over his history.

---

Azuma is the leader of an armed terrorist group who uses the Chimera Driver to transform into Kamen Rider Daimon and the main antagonist of Kamen Rider Revice: Battle Familia, as well as its prequel special Birth of Chimera.

He is portrayed by Kane Kosugi, who previously played the heroic Jiraiya/NinjaBlack in Ninja Sentai Kakuranger.

Azuma was originally one of two humans chosen by Giff to be his "observers" along with Hideo Akaishi. Over the years, Azuma would try to guide humanity to going on a more peaceful path, but repeatedly found himself unable to prevent humanity from doing violence for one another, eventually leading him to go into hiding for 80 years at the start of the 20th Century.

Using Akaishi's notes, Hiromi Kadota was able to track down Azuma and went to confront him, but Azuma fought him off before escaping.

Azuma later came across Ryu Mukai using the Chimera Driver to become Kamen Rider Chimera and destroy a demon. Believing the driver could give him the power he needed to set humanity on its right path, Azuma stole the Driver from him, causing Ryu to transform into a demon now that he no longer had the Driver to stabilize his body. Impressed, Chic placed an Eye of Giff inside the Driver to extend Azuma's immortality and provided him with the Tri Chimera Vistamp, which Azuma used to transform into Kamen Rider Daimon before immediately striking down the demon-mutated Mukai, causing an explosion that killed Nozomu Otani's parents.

Azuma and Chic then gathered several followers and brought them to Area 666, the former sight of NOAH's research laboratory, where they formed a new terrorist organization to carry out Azuma's plan of being "judge" to humanity.

Azuma and his terrorist group hijacked the plane the Igarashi family was going for a vacation on, kidnapping its passengers and taking them all to Area 666. The Igarashi siblings were able to escape and headed to Area 666 to save their parents and the other passengers Azuma had taken captive.

When I was done everyone was shocked!

Qin: Whoa man!

Nico: Yeah.

Me: And yet he is someone I feel sorry for. He lived for over 3,000 years and is stuck here on Earth forever. But I know his pain. I'm Immortal myself and I have lived for thousands of years and know what he is feeling.

Qin: Yeah.

Camie: Now who is Giff?

Me: You won't like him either. He is the guy that we're going to give the Black Gates on.

I went over his history too.

Giff is the overarching antagonist of Kamen Rider Revice, the third installment of Reiwa Era's Kamen Rider series, and its summer movie Kamen Rider Revice: Battle Familia.

He is the ruler of all demons and the most powerful of their kind. Believing Giff to be the ancestor of all demons, his revival is the goal of the Deadmans. Aguilera is said to be his fiancée. He is also the namesake of the Giff Junior footsoldiers.

He is voiced by Kazuhiko Inoue, who also voiced Ginis in Doubutsu Sentai Zyuohger, Emperor in Cyborg 009: Call of Justice, as well as Kars in JoJo's Bizarre Adventure: Battle Tendency.

Giff first arrived on Earth to make peace with humankind as their inner darkness can provide him nourishment, but was labeled a "demon" as more either exploit his power for their ends or openly oppose him. After wiping out Akaishi's civilization for their continued defiance, Giff was talked out of killing every other human by Akaishi and Azuma pledging their loyalty to the demon and are granted immortality to serve as his emissaries to make humanity more subservient to him. Giff then entered a dormant state, leaving Akaishi and Azuma to their tasks of influencing humanity for him while he was in slumber.

His sealed body was excavated in South America and fell into the possession of a government research organization called "NOAH", which sought to weaponize demons. As part of this research, they injected Giff's cells into a man named Junpei Shiranami, resulting in the demon Vail being born and granting Junpei the power to use the Vail Driver. His overuse of the Driver and forced extraction of Vail caused him to forget his name, taking on "Genta" as his name after falling in love with Yukimi with their children inheriting Giff's cells.

After NOAH was disbanded, Akashi led a group of former members to steal Giff's casket and establish the Deadmans cult who seek to revive Giff by creating Deadmen to terrorize humans to produce six Gifftex Deadmen for a ritual sacrifice involving their figurehead leader Aguilera. At the time of the series star, the Deadmens have three active Gifftex in their true leader Olteca, Aguilera's bodyguard Julio, and the Chameleon Deadman who infilrated Fenix. Around the same time, Genta married Yukimi and had three children with her, who all inherited Giff's cells. After Amahiko Haitani and Yasushi Kudo become Gifftex Deadmen, Olteca proceeds with the ritual to sacrifice Aguilera, only for Fenix and Igarashi siblings to raid the Deadmans Base in the battle that ends with Amahiko and Yasushi absorbed into Giff's Casket as it survives the Deadmans Base being destroyed by Revi Barid Rex. Giff's Casket was subsequently taken into custody by Fenix with Hideo Akaishi using his rank as Fenix director to observe it, revealed to be active as it feeds on the various Deadmen that include the Chameleon Deadman, Gifftarian Deadmen, and the residual energy of Julio's Deadman after being separated from it

In one instance, Giff took control of Ikki and Vice while they were transformed as Jack Revice and made them attack Sakura and Daiji. Now able to act with a degree of autonomy, Giff began absorbing humans directly and devoured the Fenix members sent to monitor it. After teleporting out of Fenix'sGiff traveled to where

Olteca had gathered a number of humans as sacrifices to devour them, but Daiji and Sakura showed up to stop him. When Daiji attempted to attack Olteca however, Giff blocked him and took control of Ikki again, forcing him to become Jack Revice and making him attack Daiji and Sakura.

After the two siblings incapacitated Jack Revice with help from George as Demons, Aguilera attempted to offer herself to Giff but is slapped away. Olteca then walked up to the casket of Giff and stamped it with the Anomalocaris Vistamp before stamping it again with the Giff Stamp, causing Giff to fuse with him and transform him into the Anomalocaris Deadman. Having achieved a Phase 4 Deadman form, Olteca laid waste to the three Riders while Ikki lay unresponsive. However, Ikki was able to resist Giff's influence and use the Thunder Gale Vistamp that George had developed to become Kamen Rider Revice Thunder Gale. Olteca then battled Revice Thunder Gale but was defeated by it, prompting Giff to exit his body and revert him to normal. Giff stretched a tentacle out towards Olteca and absorb him into his pocket dimension, fully awakening before teleporting away.

Taking refuge in his pocket dimension, a metaphysical representation of his stomach, Giff communicated with Akaishi through a portal. Akaishi gave Giff a presentation on the events that had transpired up to his reawakening.

When the Kamen Riders went to confront Akaishi, Akaishi created a portal to Giff, who summoned several True Gifftarians to attack them. Giff would also mutate Akemi Mikoshiba into another demonic servant, the Giffdemos.

Soon after, Akaishi gave a press conference, where he announced that Fenix had found no way to stop Giff and that the only way for humanity to survive would be to submit themselves to him. When Daiji interrupted the speech, Akaishi then opened a portal to Giff, who vaporized the Fenix soldiers standing guard and destroyed Fenix's entire Skybase fleet, in order to demonstrate how it was hopeless to oppose him. It was then that the other Kamen Riders appeared to assist Daiji, but Vail and several True Gifftarians appeared in front of them to do battle.

After Vail was defeated by Kamen Rider Destream and Akaishi was killed by Ultimate Revi and Vice, Giff finally set foot in the human world when he personally intervened in the conflict. Blasting everyone away, Giff resurrected Akaishi and restored his body so he could continue his role, upgrading his demon form into Gigademos. When the Weekend Kamen Riders showed up to battle Gigademos, Giff attacked them from his dimension, but was dragged to Earth by Ultimate Revi and Vice. Battling the two Riders personally, Giff was able to overpower both of them with his tremendous might, particularly after Revi broke off from the battle to assist the other Riders in fighting Gigademos. After Akaishi was killed by Daiji Igarashi, Daiji turned to Giff and asked to make a contract with him.

Giff was about to give a contract to Daiji but this was averted by Ikki who tried to knock sense into his delusional brother. Giff was still overtly mighty, therefore he managed to hold of the heroes. While the chaos transpired he managed to absorb Vice into his hell dimension where he revealed his plan. Which was to wipe out humanity whom after Akaishi's death he had no confidence in. Instead he would rule a new world populated by demons alongside the powerful Igarashi family. So he once again confronted the Igarashi siblings excluding Daiji who still aimed for a contract. Although hearing what Giff told Daiji through Vice, he at once knew Daiji shouldn't succumb to that monster, hence throwing him aside. Daiji was brought to his senses by Hiromi and finally was in tune with Kagero. Using this Daiji sent Giff back into his dimension, temporarily imprisoning him.

Giff escaped easily enough and continued his advent on the human race by now spreading parasites onto humans turning them into Giffterians. This caused commotion through the internet and caused the Weekend to ward of Giff's forces for the time being. A while later Vice heard the voice of Giff in his mind telling him to arise hinting at an attempt to brainwash him. Soon Daiji and Ikki got into a fight with Giff who still was a formidable opponent who brought mindless clones of previous Deadman generals to fight them, constantly regenerating them as they fell. As the siblings grew tired he used Vice who was now his puppet to introduce his proposal to them - Join him to rule the new Earth of demons.

Unable to hold their own against Giff, the two Igarashi siblings retreated and returned to Happy Spa. Although Giff seemed invincible, the two brothers figured out from the way they had sealed Giff the last time that Giff's dimension must also be a part of him and that it contained his weak spot. During their next confrontation with Giff, Ikki and Daiji, soon joined by Hana as Kamen Rider Aguilera, held off Giff and his army of Gifftarians and Giff Juniors while Vice went inside Giff's dimension to find a way to destroy him. Vice found Giff's casket inside and was able to weaken Giff by performing a Rider Kick on it, while Tamaki and then Sakura arrived to assist the other Kamen Riders as Over Demons and Invincible Jeanne respectively. With Vice having weakened Giff from the inside, the three Igarashi siblings and Vice performed a combined Rider Kick together to knock Giff into the sky and destroy him. But Giff's explosive destruction leaves two eyes that George takes in his possession, one used to perfect the Chimera Driver and other utilized in the creation of Juuga Drive.

FLASHBACKS

(YESTERDAY)

Nico: Yep. So, Selena, Teresa, Taylor, what's the story on why you hated Lisa, Luan, and Chandler with a burning passion?

Selena Kurenai: Oh, that's a story we've never forgotten. It's true we hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lola's done to her own brother could never be forgiven.

Teresa Shiramine: One day, we were having a meeting at the castle Adriana had created for our club and we were going over our reports from the many missions we'd done, and Lincoln was with us. But, we suddenly heard a loud scream of anger, along with the sound of deranged laughter, and the sound of malevolent laughter in the air, along with catching the scent of raw sewage, and we knew exactly who they were: Lisa, Luan, and Chandler, and they were out to murder Lincoln yet again to slake their thirst for blood.

Taylor Sugimira: We were really mad, and so were the rest of us and Lincoln, so we charged out, and as soon as we got outside, Lisa and Chandler were about to pounce on Lincoln and stab him with a scalpel and knife, but Lincoln fired two blast of darkness at them and sent Lisa flying into a tree and Chandler into a nearby rock, where Chandler was knocked out and tied up. But, Lisa got back up and she roared with anger and she was about to summon her robots. We'd had enough of that heartless, cold, unfeeling excuse for a genius, so we pounced on her and we started beating her up, and then, Lincoln tied her up with red energy ropes he fired from his massive white angel wings and she was still screaming like crazy, so I duct-taped her big fat mouth shut.

Selena Kurenai: But, we weren't done yet, now we had to deal with Luan, and she set her insane and lethal pranks at us while she was laughing insanely. But, we dodged them, and Lincoln grabbed her by the collar of her shirt and hoisted her up, and he knocked her out when his eyes turned from deep sapphire blue to blood red and he glared at her, and he also tied her up. We called Luna and as soon as she heard what happened, she was so furious and she grabbed Lisa and Luan by the collar of their shirts and dragged them back to The Loud House, where they got grounded for ten months for their attempted murder of Lincoln and for allying with Chandler, who got taken to jail for his murder plot, Lisa and Luan were so lucky we didn't ask to press charges, but because the nice sisters wanted to kill them, we threw Lisa into a makeshift jail cell, and she swore bloody revenge, and we tossed Luan in a makeshift padded cell, and we tied her up in a straitjacket, and she was laughing insanely.

Nico: Jeez, I don't even want to know what was crawling in Lisa and Luan's minds when they went to Chandler to destroy Lincoln again.

Me: Lisa and Luan were so lucky no one was pressing charges, but Lincoln and the Guardian Angels had a ton of evidence on them.

Bertha Sellington: We documented all of Lisa's crimes with hidden cameras and even she wasn't able to cover her tracks that easily. Plus, we found out that Lisa and Luan conspired to destroy Lincoln and all of us again and it was on the day Chandler failed to poison Lincoln.

Lincoln: We were absolutely shocked, horrified, and enraged Lisa and Luan did this, and that they still wanted me dead again. We offered them no forgiveness for their crimes, so I took no prisoners.

Luna: Yep, just like with Lola, Lincoln told the heartless so-called genius and the clown off by using the Dad tone of voice.

Lynn Sr.: That was the second time in a row he's used the Dad tone of voice, but let's just say that by the time Lincoln was done, Lisa and Luan peed their pants in fright.

Rita: I knew their antics would go too far one day and result in her getting verbally chewed out, but on this occasion, the words would come from her own brother.

(TODAY)

Nico: Yep. So, Valencia, what's the story on that prank that you pulled on Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Flip, Scoots, Pablo, Anderson, and Killjoy Huggins?

Selena Kurenai: Oh, that's a story we've never forgotten. It's true we hated King, The Checkmate Four, and The Legendorga with a blazing passion for their hatred towards mankind, but what Lola's done to her own brother could never be forgiven.

Valencia Nightingale: Oh man, this is one I couldn't stop laughing about. Okay, one day, Lincoln and I were with the rest of The Guardian Angels at our gym and we were busy working out. But, then, we'd intercepted a report from a bug we placed in Lisa's room, and we heard that Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Flip, Scoots, Pablo, Anderson, and Killjoy Huggins were all planning to kill Lincoln again. The other Guardian Angels were extremely furious and they wanted the heads of those monsters on a pike, but I had other ideas: I sent a mass fake message to Chandler, his goons, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Flip, Scoots, Pablo, Anderson, and Killjoy Huggins telling them that Lincoln's alone in the park and no one's protecting them, and with their bloodlust at an all-time high, they took the bait and went to the park, but as soon as they got there, he wasn't even there, and they were too dumb to know they all fell for a trap. I then sprung my prank by first sending a massive barrage of balloons filled with slime, and then, I called an army of skunks, and they sprayed them, and then, I used some magic and tied their pants to an invisible string, and with one tug, I ripped their pants off and they were left in their panties and underwear, and finally, the big finale: I then sent a massive barrage of pies at them and they all got hit, but they were made with Lily's dirty diapers, and the best part everyone saw it for themselves, and they found out about their plot to kill

Lincoln again from all of us. When our targets saw who it was that did this, they freaked out and they threw tantrums like children before the cops came and took Hawk, Hank, Chandler, his goons, Flip, Scoots, and Killjoy Huggins away, and Luna sprayed Lori, Lynn, Lola, Lisa, and Luan with tomato juice, and then, they got dragged back to The Loud House and got grounded for eleven weeks.

Valencia Nightingale then pulled up the video of her prank, and we busted out laughing hysterically as it reached the end.

Nico: (LAUGHING HYSTERICALLY) OH! OH MAN, NOW THAT'S A PRANK THAT PUTS ALL OF CONNOR'S PRANKS IN THE PAST TO SHAME!

Me: Along with the pranks of Luan to shame as well, this is way too awesome!

Bertha Sellington: Valencia is well known as a prankster of legend, and from what she'd learned from Acme Looniversity, she used it to defend Lincoln from the big-time disgusting jerks of Royal Woods and Hazeltucky.

Lincoln: Valencia really got them hard with her prank, and we offered Lori, Lynn, Lola, Lisa, and Luan no forgiveness for they tried to do, so I took no prisoners.

Luna: Yep, just like with Lola, Lincoln told the control freak, the superstitious smelly jock, the temper-crazed monstrous pageant demon, the heartless so-called genius, and the clown off by using the Dad tone of voice.

Lynn Sr.: That was another time in a row he's used the Dad tone of voice, and let's just say that by the time Lincoln was done, Lori, Lynn, Lola, Lisa, and Luan peed their pants in fright.

Rita: And they ran to their rooms before any of us threatened to take any action if they refused to go up to their rooms.

Reverse Flash was next.

Reverse Flash: This is gonna be fast and awesome.

Reggie McDonald: You bet it will be.

She fired waves of darkness and smashed him down.

---

Turbo Rangers, Megaforce Rangers, J.D. Knudson, Celica, Camie, Eli, Nunnally, C.C., Laney, Lana, Lola, Lisa and Lily VS Amphibitor.

---

Amphibitor was next.

Amphibitor: Boy this has been a really eventful 2 days for you guys.

Me: Boy no fucking lie on that one! Its been one awesome event after the other.

Celica: It sure was and we're really amazed all this unfolded.

Camie: We are amazed too.

Eli: We all were amazed too.

Amphibitor: Same here. Lets do it!

I teleported and opened his safe and in it was a bunch of weapons for us called the Destroyers of Giff, they're a collection of massive greatswords with embedded colored gems and the Anti-Giff symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored phoenix heads and large colored gems on the bottom of the phoenix heads for the pommels, and there's also blasters and spellbooks included with the greatswords. Once in hand, we'll get a massive power and energy increase.

I teleported back with them.

Turbo Rangers: SHIFT INTO TURBO!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! TURBO!

They turned into the Turbo Rangers too!

Me: Lets get him!

Rangers: TURBO RAM CANNON!

They summoned the cannon.

Me: FIRE!

We fired waves of energy and elements and the blasts all hit

Amphibitor and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: YEAH! Amphibitor you have failed this city!

Troy Burrows: Rangers that's a Super Mega Win.

---

When the usual battles were done we cheered and regrouped.

Ikki: That was awesome!

Qin: It sure was.

Sour Sweet: Now, who wants to get rid of Giff?

Nico: Awesome!

Me: Now it's time to get down to business.

Deker: All we have to do is find him.

Black Knight of Merlin: May you be able to find him, Eli?

Eli: Like you even have to ask.

He concentrated.

Eli: Found him. Abandoned church 50 klicks to the north.

Me: Just his style.

Nico: Yep. All right guys lets go. Get ready Giff, (EYES GLOW RED) TIME FOR THE WRATH OF GOD TO BE UNLEASHED!

Me: (EYES GLOW RED) THE DEVIL IS ABOUT TO DIE!

We were off.

---

We arrived at the church.

Me: Whoa looks like no one has been here for years.

Qin: Perfect place for bad guys to hide out.

Xenia: Yeah.

Then the CHAMELEON DEADMAN appeared!

Lola: Chameleon Deadman!

Chameleon Deadman: Remember me?!

Nico: Of course we do. Now, to finish what we started!

Just then, someone tapped Chameleon Deadman on the shoulder.

Chameleon Deadman: Huh?

POW!

We saw that it was Jun that punched him!

Me: Jun!

Jun: I'll hold him off. You guys go get Giff.

Me: Thanks Jun! We owe you one.

Vinyl: Let me help you, Jun!

Jun: Awesome Vinyl!

We went in.

Vinyl and Jun went at Chameleon Deadman.

Fairy Leviathan came.

Nico: Thanks for coming, Fairy Leviathan.

Fairy Leviathan: No problem Nico. This is gonna be good.

We heard demonic chanting.

Then we saw him. We saw GIFF AND AZUMA!

Me: (Whispering) There they are.

Fairy Leviathan went up to them.

Giff: A fairy? A fairy is what Team Loud Phoenix Storm is sending to destroy me.

Fairy Leviathan: Nah. They just sent me to confront you ahead of time.

Then the spirits of the angels swirled around them and then they converged and then a massive light shined down and the divine singing of angels was heard and then they flew down and spun around and then numerous figures came out of the light as the area turned into the planet Glaren.

Those figures were us!

We landed.

Me: Giff and Azuma. So we meet at last!

Giff: Team Loud Phoenix Storm.

Me: Time for you to die. You will pay for everything you did!

Azuma: (sees some of the younger Loud Kids) Giff, you failed to mention that some of Team Loud Phoenix Storm would be innocent children!

Giff: Oh, did I forget to mention that? Well, it doesn't matter. You read the fine print saying that you would serve my contract for me. And humanity, children or not, is hardly innocent. But thanks to my machine, they won't be human for long.

Vice: Okay, what are you planning this time?

Giff: Simple. I'm going to use this machine to transform everyone on

Earth into a Deadman. I activated it 5 minutes ago. It'll take 2 hours to activate.

Ikki: 2 hours? The smart thing would be to make it 1 hour.

Giff: Do you have any idea the humiliation you two and your friends caused me the last time?! 2 hours is necessary for me to savor my revenge involving making you fools suffer!

Me: (SMIRKS) Plenty of time for us to destroy you.

Qin: That's right!

Nico: You will pay for everything you did.

Giff: But first, some backup. Moogers!

An army of Moogers appeared.

Me: Moogers! Now you're talking!

I fired waves of fire and blasted them all over and they were blown up in huge fiery explosions!

Then the Moogers jumped the Revice team.

The Revice team lay defeated at the hands of the Moogers.

Vice: (weakly) Not gonna… include the Anoni as well?

Giff: No. They served their purpose. And like I said, I plan to savor my revenge. And that involves making your deaths as slow and painful as possible!

Rango: (shoots down some Moogers) Any ideas, guys?

Kita got an idea.

Kita Birmingham: Everyone in the audience! Lend the Revice team your strength! They get stronger with your support! When I go When I go "1,2", shout "Let's go at once"! Okay? 1,2…

All: LET'S GO AT ONCE!

Kita: One more time! 1,2…

All: LET'S GO AT ONCE!

Kita: Louder! 1,2…

All: LET'S GO AT ONCE!

At those words, Ikki and Vice found the strength to get up.

Ikki: Do you hear those words, Vice?

Vice: I do! No way we're giving up! This time, we finish the final battle together!

With that, Ikki and Vice punched a Mooger at the same time, knocking it down.

Giff: WHAT!?

Azuma: Impossible!

Me: I feel sorry for you Azuma.

Azuma: How so?

Me: Like you I too am immortal. I have lived for thousands of years and I lost everyone I knew in that timeframe. I know the pain you are feeling. But I didn't lose myself to insanity. I keep those that I know closest to me in my heart because of one thing. Love.

Azuma: Really?

Me: I know how you feel. But we'll talk later. Right now Giff is our top priority.

Ikki: Thanks for the help, everyone.

Daiji: I didn't think so many people would be supporting us.

Go Tamaki: Especially since we just finished up last year.

Sakura: Well, I'm not complaining.

Hana: I'm just happy we're finally gonna take Giff down.

Genta: Me too. I have lots of payback in store.

Vice: Then, let's cut the chatter and get to the asskicking!

Nico: And it will be brutal!

Kita: Can I transform with you guys?

Jayden: Sure thing, Kita.

Samurai Rangers: Go go Samurai!

Antonio: Samurai Morpher! Gold Power!

Tsukasa brings out his magenta belt and slaps it on his waist.

Tsukasa: Henshin!

With that, Tsukasa inserts his card into a slot on the driver and then pushes the sides in, twisting the device 90 degrees, obscuring the card slot.

Neo Decadriver: Kamen Ride! Decade!

As the pronouncement is made, Tsukasa's familiar pink and black suit is formed by nine blurry images of it consolidating onto him before the barcode pattern forms across the helmet's green eyes, generating the magenta hue the suit is known for.

Daiki: Time to follow suit.

With that, Daiki pulls out a card bearing an image of his Rider suit's head and his gun. Daiki slides the card into a gap in the side before extending the barrel out forward, revealing the back of the card)

Neo Diendriver: Kamen Ride!

Daiki: Henshin! (Pulls the trigger)

Diendriver: Diend!

As the trigger is pulled, Daiki is surrounded by red, green, and blue copies of his armor, over which stands a blue barcode like symbol. Eventually, the armor copies consolidate onto him, at which point the barcode applies itself to Daiki's head, giving the blue color to the rest of the armor.

Ikki and Vice: Henshin!

Jayden: "Red Samurai Ranger, ready!"

Lauren: "Female Red Samurai Ranger, ready!"

Kevin: "Blue Samurai Ranger, ready!"

Mia: "Pink Samurai Ranger, ready!"

Mike: "Green Samurai Ranger, ready!"

Emily: "Yellow Samurai Ranger, ready!"

Antonio: "Gold Samurai Ranger, ready!"

All: "Rangers together, Samurai forever! Power Rangers Samurai!"

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Samurai Rangers: Rangers together, Samurai forever!

Ikki and Vice: Let's go at once!

Troy: Don't leave us out!

Tsukasa: Better call in the big guns!

Maria: You got it! (TURNS DIAL) DARKNESS CORRIDOR 6!

She summoned Vanitas, Dark Phoenix, Dex, Kurumiwario, Evil Hiei and Universe 666 Professor Pyg and all of Organization XIII!

Axel: This will be fun!

Kamen Ride: Revi!

Kamen Ride: Vice!

Kamen Ride: Live!

Kamen Ride: Over Demons!

Kamen Ride: Jeanne!

Kamen Ride: Aguilera!

Kamen Ride: Destream!

Megaforce Rangers: LEGENDARY RIDER MODE! DEMON BOND FORCE!

They turned into the Revice Team and Tsukasa turned into Revice and Daiki summoned clones of the Revice team!

Kita Birmingham: Alright, that's it, I've had it up to hear with you to last an eternity, Giff.

Suddenly, Kita Birmingham's emerald green eyes turned neon emerald green and she was surrounded by an emerald green energy aura with water, ocean waves, mermaids, and sea creatures, she unholstered her Flekmornikan Merfolk-themed greatsword from her back, and as she approached Giff, she left emerald green energy, water, ocean waves, mermaids, and sea creatures with every step.

Kita Birmingham: Giff, I will never ever forgive you for everything that you've done, you've not only caused a ton of trouble for Ikki and the Revice team, but you've shown a complete disregard for the lives of so many innocent people and all for your selfish ambitions of domination, that's something I can never forgive, and for that, you shall be destroyed here and now!

Suddenly, Kita Birmingham was surrounded by a massive vortex of emerald green energy with water and ocean waves surrounding the vortex, there are mermaids, sea creatures, and a Flekmornikan Merfolk swimming around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Kita Birmingham emerged, but she was changed forever.

Kita Birmingham grew to 7'1" in height, she has the body of a goddess, she has ocean blue highlights in the bangs of her long emerald green hair, she has neon emerald green eyes and an emerald green energy aura with water, ocean waves, mermaids, and sea creatures surrounding her, she has a mermaid emblazoned on her head, she has on mermaid earrings with emerald green gems for eyes and holding the Water and Eternity Kanjis in her hands, she has on a Crystal Necklace of The Buddha with emerald green gems embedded in the gold water drop links and emerald green crystal links and an emerald green mermaid-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a Flekmornikan Merfolk with emerald green gems for eyes and holding the Water and Eternity Kanjis in her hands for the pendant, she has on a sea foam green vest, sleeveless sea foam green crop top, sea foam green pants, green heeled sneakers, and a long sleeveless white trenchcoat with water, ocean waves, sea creatures, and mermaids on the coattails, and on the back is a Flekmornikan Merfolk surrounded by water. Suddenly, Kita Birmingham felt a sharp pain on her back, and then, massive emerald green angel wings with sea foam green tips on the large feathers, grew and spread out from her back and she now has eleven massive and long emerald green wolf tails. Kita Birmingham has on her Ring of the Phoenix with large sea foam green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kita Birmingham's Flekmornikan Merfolk-themed greatsword and all of the greatswords she'd got began merging together and they're surrounded by a kaleidoscope of emerald green energy, ocean waves, water, sea creatures, and mermaids, and when it emerged, it was transformed into Flekmornikan Merfolk's Maelstrom Sea Greatsword of Merfolk Ocean Water Justice, it's a brand-new massive greatsword with embedded sea foam green gems and a Flekmornikan Merfolk etched on the 7'0" massive, wide, double-edged sea foam green blade, large merfolk heads for the crossguard, large ocean blue gem embedded in the hilt, longer midnight black handle, four merfolk heads with ocean blue gems for eyes and large sea foam green gem on the bottom of the merfolk heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with sea foam green gems on her wrists, her Belt of Elemental Bravery with a gold Flekmornikan Merfolk head with ocean blue gems for eyes and a large sea foam green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sea foam green kanji below the Flekmornikan Merfolk that said, "Kita Birmingham, Gene-Slammer of Flekmornikan Merfolk, Ninth Girl of The Underground Girls, Protector of The Seas, Expert Marine Biologist from England, Loving Sister of The Revice Kamen Rider Team, Archenemy of Fairy Leviathan, Destroyer of Giff, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, The Seas, Mermaids, and Sea Creatures"

キタ・バーミンガム、フレクモーニカン・マーフォークのジーン・スラマー、地下少女の9番目の少女、海の守護者、英国の専門海洋生物学者、改訂仮面ライダーチームの愛する姉妹、フェアリー・リヴァイアサンの宿敵、ギフの破壊者、悪のスレイヤー、錯乱し、殺人的で、冷酷で、サディスティックなろくでなし、驚くほど強力な教師の驚くほど強力な生徒、そして水、海、人魚、海の生き物の達人

Kita Birmingham has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY OCEAN WATER MAELSTROM FLEKMORNIKAN MERFOLK ANGEL OF DIVINE FLEKMORNIKAN MERFOLK OCEANIC WATER MAELSTROM JUSTICE AND DIVINE FLEKMORNIKAN MERFOLK OCEANIC WATER MAELSTROM LOVE!

We were amazed by Kita Birmingham's Super Angel Xelnaga Eternity Infinity transformation, but when Giff saw it, he flew into a rage and fired a blast of energy to kill her, but Kita Birmingham dodged it, and she fired a powerful emerald green energy blast with water, ocean waves, sea creatures, and mermaids, and it hit Giff and it exploded and forced him back, and this really pissed him off now.

Ikki: Wow, so that's…?

Kita Birmingham: (Divine Echoing Cosmic Voice of The Oceanic Maelstrom Flekmornikan Seafolk Angel and Divine Flekmornikan Seafolk Oceanic Water Maelstrom Love) This is only my Phase 1 transformation, Ikki.

Lincoln: Yeah, her Phase 2 transformation's coming up, and it's against another member of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Lincoln explained who they were, and it horrified Ikki and the Revice team.

Ikki: My God, they're nothing more than a bunch of genocidal religious fanatics.

Nico: They sure are, but we've been taking them down one by one and dwindling their numbers.

Me: And pissing them off in the process.

Azuma turned into Kamen Rider Daimon.

Giff: Who do you think you are?!

Tsukasa: (gets out Breacher's Vistamp) I'm just a passing through Kamen Rider! Remember that!

Me: And We're people you don't want to FUCK AROUND WITH!

I then went SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Giff was burned by the intense power of it!

Me: (DIVINE ELEMENTAL GODLY VOICE) Giff, your hatred and evil has destroyed numerous lives over the millennia and you will pay dearly for every single one of your crimes. (FORSAKEN BY WITHIN TEMPTATION PLAYS)

We went at him and bashed destroyed numerous Moogers and I punched and kicked and pulverized Giff all over! Nico kicked Azuma down and tied him up.

Tsukasa used Breacher's Vistamp and fired waves of energy and blasted the Moogers all over.

Daiji: (gets out Spark Sphere Doomer's Vistamp) I wonder what this does.

He fired blasts of lightning and electrocuted Giff all over.

Mike: (gets out Katz's Vistamp) Time for feline power!

Tsukasa pulls out a tablet with a very clear Decade theme, and a card with the logos of all the Kamen Riders that preceded him on it, which he then slides into a slot on the tablet, causing the symbols to become active

K-Touch: (As Tsukasa presses the tablet symbols) Kuuga! Agito! Ryuki! Faiz! Blade! Hibiki! Kabuto! Den-O! Kiva! Final Kamen Ride! Decade!

After pressing all the buttons on the tablet, Tsukasa slides the central portion of the Neo Decadriver to his hip and places the K-Touch in it's place, which drains the pink from his suit up to his chestplate and helmet, turning his green eyes pink, placing the cards of his nine preceding Riders across his chestplate and newly formed shoulder pads as a card of his new helmet settles onto his head.

Tsukasa draws a card from his card holder and places it into the former center of the Neo Decadriver, before slapping it to activate the card's effect.

Neo Decadriver: Final Attack Ride! D-D-D-Decade!

Tsukasa leaps into the air, ten energy cards forming in front of him as he ascends. Then, Tsukasa descends to deliver a powerful flying kick.

The emblems on Ikki and Vice's chests glow before a magenta projection of the Rex Vistamp's seal appears in front of Ikki and a blue version appears in front of Vice. The two seals combine into a red projection of Revice's emblem as Vice transforms into a ball-like form and bounces into the air. Ikki jumps up and kicks Vice toward Giff, producing dark crimson energy and a magenta shockwave. While flying toward Giff, Vice is covered in fire and leaves a trail of lightning and cold air before striking Giff, producing a shockwave. Vice continues spinning and grinds against Giff, producing more fire and electricity as well as splashes of black paint. Vice then bounces off of Giff,, producing an orange shockwave as well as an explosion surrounded by fire, lightning, and wind.

EXTREMELY MASSIVE AND UNBELIEVABLE FIERY EXPLOSION!

Daiji: Leave the machine to me!

Cyan light appears at the end of the Livegun's barrel before Daiji fires a sustained barrage of bladed projectiles made of black and white energy, with the barrel producing a cyan shockwave every time Daiji fires. He aims to the side while continuing to fire, attacking Giff's machine The projectiles impale the machine, causing it to explode!

EXTREMELY MASSIVE AND UNBELIEVABLE FIERY EXPLOSION!

Giff was down and beaten.

Me: It's over for you Giff! You're finished!

Giff: You think this is over? THINK AGAIN!

Giff grew to giant size.

Me: Like I didn't see that coming!

Nico: Time for Megazord power!

Samurai Rangers: Samurai Megazord!

Antonio: Claw Battlezord North! Lightzord!

They summoned their zords!

Vice: You and your friends wanna summon Megazords of your own?

Tsukasa: No. You guys got this one. Me and my team will summon ours another time.

Ikki: Alright then!

Ikki and Vice and the Revice team summoned their own zords. They looked like the dragons of the 9 Circles of Hell! They combined and formed into an awesome and really wicked demon angel megazord! It was called DANTE'S INFERNO SUPERZORD!

Me: WHOA!

Nico: THAT IS AWESOME!

Laney: WOW!

Ikki: This is so cool!

Vice: I'll say! Lets get him!

The Samurai Rangers formed the SAMURAI SUPERZORD!

Ikki: DANTE'S INFERNO RETRIBUTION BLAST!

Samurai Rangers: SAMURAI SHOGUN BLAST!

They fired massive blasts of energy and they hit Giff and he was weak.

Me: **Now for me!**

I flew at him!

Me: **DRAGON FIRE!**

I USED THE SUPER DRAGON FIST AND A MASSIVE EXPLOSION OF INTENSE FIRE BLASTED OUT AND FORMED A STREAM OF FIRE THAT TURNED INTO A POWERFUL DRAGON AND IT BLASTED THROUGH HIM AND ROARED FEROCIOUSLY AS GIFF SCREAMED IN EXCRUCIATING PAIN AND THE DRAGON WRAPPED AROUND HIM AND OBLITERATED HIM INSTANTLY AND BANISHED HIM TO THE BLACK GATES FOREVER!

HE WAS DEAD! THE TERROR OF GIFF WAS NO MORE!

Nico: UNBELIEVABLE!

Qin: WHOA!

Samurai Ranger: Samurai Rangers, Victory is ours!

Me: Take that!

Back on Earth, Jun and Vinyl were really tearing apart the Chameleon Deadman.

Jun: Take this!

She and Vinyl blasted him and defeated him and tied him up. Vinyl stripped him of his power.

Vinyl: So, what do you want to do now?

Jun: Want to just talk?

Vinyl: Sure.

Back on Glaren we celebrated.

Ikki: Good riddance, you good-for-nothing monster.

Lincoln: Giff, you have failed this entire universe, you heartless, world domination-crazed freak!

Nico: He sure has, Lincoln. Awesome job, gang, we're finally rid of Giff, but we're not done yet.

Vivian Volcania: That's right, there's still the matter of Zectua to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Zectua.

A figure came out, and it was none other than Zectua of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Zectua, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Zectua: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Vivian Volcania: The only one who deserves to be destroyed is you.

Suddenly, Kita Birmingham's emerald green eyes turned neon emerald green and she was surrounded by an emerald green energy aura with water, ocean waves, mermaids, and sea creatures, she unholstered her Flekmornikan Merfolk's Maelstrom Sea Greatsword of Merfolk Ocean Water Justice from her back, and as she approached Zectua, she left emerald green energy, water, ocean waves, mermaids, and sea creatures with every step.

Kita Birmingham: Sheesh, you really are nothing more than a religious fanatic, Zectua, but there can be no forgiveness for what you've done 20,000 years into the future, you and the rest of the Order have wanted nothing more than to bring the King Ghidorah of your time to Earth and destroy the planet and every last human on it. We're not going to let that happen, and now, we'll see to it that you pay the price for your vile misdeeds with your own blood.

Suddenly, Kita Birmingham was surrounded by a massive vortex of emerald green energy with water and ocean waves surrounding the vortex, there are mermaids, sea creatures, and a Flekmornikan Merfolk swimming around the vortex, and in the vortex is a blue phoenix. We were amazed by Kita Birmingham's Super Angel-Flekmornikan Merfolk-Mermaid-Harmony Celestial Eternal Xelnaga transformation, but when Zectua saw it, he flew into a rage and he got out a blaster to fire at her, but Kita Birmingham fired a powerful emerald green energy blast with water, ocean waves, sea creatures, and mermaids, and it hit Zectua and it exploded and forced him back, and this really pissed him off now.

Nico: Whoa, this is so awesome, Kita's transformed.

Vivian Volcania: You got that right, and now, it's my turn to transform.

Suddenly, Vivian Volcania's orange eyes turned neon orange and she was surrounded by a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels, she unholstered her massive Embermaw Hellion-themed greatsword from her back, and as she approached Zectua, she left neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels with every step.

Vivian Volcania: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Zectua: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Vivian Volcania was surrounded by a massive vortex of neon orange energy with lava, flames, and magma surrounding it, there are dragons, phoenixes, and fire angels and Embermaw Hellion flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Zectua: the red eyes of death. Vivian Volcania has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Vivian Volcania's massive Embermaw Hellion-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels, and when it emerged, it transformed into Embermaw Hellion's Volcanic Pyroclastic Draconic Phoenix Inferno Greatsword of Volcanic Justice, it's a brand-new massive greatsword with embedded neon orange gems and Embermaw Hellion etched on the 7'0" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large neon orange gem embedded in the rainguard, longer midnight black handle, four large orange phoenix heads with yellow gems for eyes and large neon orange gem on the bottom of the orange phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with neon orange gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Embermaw Hellion's head with neon orange gems for eyes and a large neon orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Vivian Volcania's Super Angel-Embermaw Hellion-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Zectua saw it, he fell into an infernal rage and he got out his blaster again, this time to blast her, but Vivian Volcania fired a powerful neon orange energy blast with lava, magma, fire, dragons, phoenixes, and fire angels at Zectua, which hit him and pushed him back and she also got burned, but this really pissed him off now.

Varie Volcania: Wow, now Vivian's transformed, awesome!

Vivian Volcania: That's really incredible, and she really burned Zectua badly.

Nico: And she's really got him pissed off now big time.

Vivian Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Embermaw Hellion Fire Angel and Divine Draconic Phoenix Hellion Inferno Love) And now, a fiery fate awaits you, Zectua.

Kita Birmingham: (Divine Echoing Cosmic Voice of The Oceanic Maelstrom Flekmornikan Seafolk Angel and Divine Flekmornikan

Seafolk Oceanic Water Maelstrom Love) You're not leaving this place alive, you religious fanatic.

Nico: Let's get him, Vivian and Kita, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Vivian Volcania and Kita Birmingham.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Vivian Volcania, Nico, and Kita Birmingham went after Zectua who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, neon orange energy, emerald green energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Zectua and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Zectua, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Zectua took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Zectua began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Xeqfees has transformed into his King Ghidorah Hybrid Monster form.

Zectua fired a Gravity Lightning blast at Vivian Volcania, Nico, and Kita Birmingham who dodged it.

Lincoln: Vivian, Nico, Kita, hang on!

Lincoln fired a rainbow energy blast which separated Zectua from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Zectua and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Zectua's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Vivian, Kita, let's end this bastard for good.

Vivian Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Embermaw Hellion Fire Angel and Divine Draconic Phoenix Hellion Inferno Love) You got it, Nico.

Kita Birmingham: (Divine Echoing Cosmic Voice of The Oceanic Maelstrom Flekmornikan Seafolk Angel and Divine Flekmornikan Seafolk Oceanic Water Maelstrom Love) Let me start it off first.

Kita Birmingham sent Zectua up into the air with an upward slash from her massive greatsword.

Kita Birmingham: (Divine Echoing Cosmic Voice of The Oceanic Maelstrom Flekmornikan Seafolk Angel and Divine Flekmornikan Seafolk Oceanic Water Maelstrom Love) FLEKMORNIKAN SEAFOLK WATER MAELSTROM BARRAGE!

Kita Birmingham fired massive blasts of water at Zectua and they hit him and he was drenched and he crashed into the ground. Then, Vivian Volcania and Nico sent Zectua flying into the air, and then, they prepared their combo to put an end to Zectua.

Vivian Volcania and Nico: VOLCANIC DRACONIC PHOENIX EMBERMAW HELLION KAMEHAMEHA!

Vivian Volcania and Nico fired two massive neon orange energy Kamehameha waves with lava, flames, magma, dragons, phoenixes, and fire angels which hit Zectua, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Vivian Volcania and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for her crimes. We cheered as Vivian Volcania, Nico, and Kita Birmingham holster their massive greatswords on their backs and powered down, and Vivian Volcania's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent, and Kita Birmingham's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green wolf tails, and massive emerald green angel wings are permanent.

Vivian Volcania: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty-two members to go. Thanks for helping me destroy Zectua once and for all, Nico, you too, Kita.

Nico: (Smiles Warmly) You're welcome, Vivian.

Kita Birmingham: Happy to help, Vivian.

Suddenly, Vivian Volcania wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Vivian Volcania's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Embermaw Hellion flying in the air, and we saw many animals running across the field, along with elemental forces and volcanoes erupting behind them and we cheered wildly. Then, Nico and Vivian Volcania absorbed the lava and they came back to us as the display and Embermaw Hellion vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Vivian.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Livvura, which means you're up next, Valencia.

Valencia Volcania: Yeah, we'll make Livvura pay.

Nico: We sure will.

Lincoln: Alright, and now, to answer J.D.'s question from this morning on my rescue, yes, it's true that I was quick to defend The Earthbound Immortal Gene-Slammers on my side, but also The Avatars of The Earthbound Immortals, and The Dark Signers. Plus, I also happen to know some Guardian Angels who happen to be relatives of The Dark Signers as well.

Misty and Carly gasped, including all of us.

Carly Atlas: Relatives of ours, who are also among your Guardian Angels?

Misty Tredwell: If it's who we think they are, then, we're in for one reunion first thing tomorrow and in the days to come.

We saw the Nazca Line Marks on Misty Tredwell, Carly Atlas, Roman Goodwin, Rex Goodwin, Greiger, Devack, and Kalin Kessler glowing, along with the Nazca Line Marks on the Avatars of The Earthbound Immortals and the Earthbound Immortal Gene-Slammers.

We arrived back home.

Azuma: Guys I'm sorry. I had no idea there were others like me.

Me: It's not your fault Azuma. You were misunderstood by the Curse that immortality can bring. Immortality is both a blessing and a curse. A Blessing because you will live forever. But a curse because you will see all those around you and closest to you die. But I found a way around that curse. Because as long as you keep those closest to you in your heart you will never be alone. As long as you remember everything that they taught you.

Nico: That's right.

Azuma: Thanks J.D. Maybe I will join the Masters of Evil in the future. But for now, I need to reflect on over 3,000 years of crimes.

Me: Good call.

He went to the M.O.E. Prison.

Vinyl: How did it go?

Me: Giff is gone forever. And Chameleon Deadman will be in the M.O.E. too.

Nico: Yep.

Femme Fatale: Today was a good day.

Gentleman Ghost: With Giff destroyed and the entire Human Race not getting turned into Deadmans.

Nico: That's for sure.

Titanium Toenail: (to Jun) You helped too.

Jun: I sure did.

Me: We owe you big time Jun. And Aoi Kurosaki is doing good. She is teaching others at a local church and helping everyone get on the right path.

Jun: I'm proud of her.

Vice: See you in 7 days.

Jun: I'll be patient until then.

Me: I know you can Jun. Just hold on till then.

Jun gave Vice a thumbs up. Vice responded with a fist bump. And then, Jun, in her Devillady form, flew off back to her home.

Speed Demon: Don't forget Wallflower gave birth.

Sakura Igarashi: I can't wait to see them!

Me: We have a lot to tell you.

Brass Knuckles: Let's bring them over here. Because we're celebrating here and now!

Ikki: Vice is ordering the food!

Vice: No! You are!

Me: No need guys we'll all order food.

Nico: But Kita did a great job. All of us did. Great job today everyone.

Lola: It was so awesome.

Me: We have a lot to tell Wallflower and everyone.

Nico: She must've slept through the whole thing.

Luan: But I recorded the whole thing for her.

Xenia: Great.

Ikki: (To the viewers) This was a really awesome and fun way to commemorate 50 years of Riders! Hope you all loved it.

Me: I know I did.

We went back to the Igarashi estate and saw Wallflower waking up and she REALLY DID Sleep through the whole battle. Pregnancy really took it out of her. But we told her everything and showed it all to her. We brought Trixie and the Twins over and we showed them to everyone and it was so adorable. Either way, Kita got her big day mission done and it was great.

We had a great party and more and we went back to the estate and went to sleep.

THE END

Plus, like Misty Tredwell, Maria Tredwell is a beautiful fashion model, and she's also gifted with the ability of physiognomy, the ability to predict one's future by simply by reading their face, and she's used this ability mainly on Lincoln's enemies and those predictions came true thanks to all of us over the years. She also got Lincoln into doing some modeling, and she and Leni also designed many tuxedoes and suits for him to wear along with swim trunks and speedos that they created for him to wear, and he filled out those suits because of all the growing he'd done thanks to all of the constant training the Guardian Angels have put him through, along with the combinations of his genes and hyperpuberty. Lincoln made Maria Tredwell a beautiful black and green dress with the Lizard Nazca Line imprinted on it with green gem earrings and green gem necklace, and to show thanks, after a fashion show in Royal Woods one night, she kissed Lincoln on the lips, and that of course got the cameras flashing like crazy from the audience. She's also the youngest sister of Misty Tredwell and the second eldest sister of Toby Tredwell, and she hates Sayer with a blazing passion because of what he did to Toby and for what happened to Misty.

Get ready because we're going back to Randy Cunningham's home town and we're going to face his old enemy The Sorcerer and we're going to destroy him and banish him to the Black Gates this time! We're going to make sure he dies for good!

See you all next time.

All of us: (CLINKS GLASSES) CHEERS!

Me: To the death of Giff, Kita's awesome job on her mission and to Wallflower for her awesome cute babies.

All of us: HERE HERE!

Sakura Igarashi: They are both so adorable.

Xenia: They sure are.

Lola: Yeah we all are very happy for Wallflower.

Leeli: We sure are and her babies are so adorable.

Nico: Too bad she slept through the whole fight. But it really took it out of her.

Varie: Yeah she was exhausted. But she still saw it on Luan's camera.

Eddy: That's true. She sure did.

Vakama: But we're still glad for her and all that.

Pyro: We all are.

Fu: But Wallflower's baby shower was awesome. And Skyla did amazingly well against Twisted Wendy.

Nico: Boy did she ever.

Me: Allie is really proud of her.

Brittney: I am too. My sister really is proud of Skyla. Same with Helena.

Xenia: We all are proud of her. She got through to Twisted Wendy. Hard to imagine that she was consumed with hate like that.

Nico: No kidding there.

Lola: Yeah.

Vakama: But at least Skyla got through to her and saved her from herself.

Camie: That is for sure.

Nico: Vakama, I want to thank you, Pyro, and your teams for coming

Vakama: No problem Nico. It's awesome that we're going to help you all out.

Beast Wars Inferno: Every job for the royalty is a true adventure.

Nico: But I told you before to call me boss.

Beast Wars Inferno: Of course my boss.

Nico: That's better.

Me: Yep. But to us Nico you are a king. Same with May as a queen.

Nico: Yeah that's true.

Varie: Yeah,

Nico: Yesterday's mission was really epic.

Nicole: Boy it sure was.

Xenia: Yeah that was amazing.

Nico: It was good helping the Revice team fight Giff.

Qin: Boy it sure was.

Xenia: Too bad Wallflower missed it but her reason was understandable.

Laney: She was really tired.

Carol: Boy no kidding.

Rainbow Dash: But it was all still awesome and cool.

Nico: Giff failed to tell Azuma that he was fighting little children.

Me: No kidding. Giff is a heartless monster and a truly remorseless and pitiless monster. He didn't care who lived or who died at any age.

Nico: No shit. Either way Giff is gone and J.D. that was so awesome using the Super Dragon Fist on him.

Me: It sure was. Boy that was the most powerful version of it I did.

Eli: No kidding there bro! That was so awesome.

Camie: It sure was cool!

Nico: And we had a lot of Vistamp action.

Me: That was so awesome.

Ikki: It sure was cool.

Vakama: We all thought it was awesome.

Pyro: You got that right.

Camie: And now we all now officially have the Revice Team on the team too.

Ikki: We're truly honored

Sakura Igarashi: We're glad to be on the team too.

Me: (BURPS) (FIRE COMES OUT OF MY MOUTH) Oops pardon me.

Qin: No worries.

Me: Sorry. I had some of Leslie Tiana's really awesome Moonscar Reaper Bouillabaisse and man it was really delicious.

Qin: Boy that was great. I missed that.

Me: It sure was tasty.

Nico: Glad you guys liked it.

Me: It was awesome.

Nico saw something and he thought he saw Numbuh 362.

Nico: Is it okay if I check the security cameras in Numbuh 362's house?

Me: Sure what's wrong?

Nico: Just checking something.

He checked and did so and Numbuh 362's mother was at home working on lunch. Nothing was out of the ordinary.

Nico: All clear.

Me: Good. Numbuh 1 and 362 are back at the estate watching TV and playing video games.

Nico: Oh good.

Eli: Hmm. (CONCENTRATES)

Eli concentrated and then he gasped!

Me: Uh oh.

Eli: You aren't going to like this. We are dealing with Another Numbuh 362.

We gasped!

Qin: Uh oh!

Eli: But I'm afraid you guys are not going to like this. The Another 362 is actually her evil brother!

We gasped again!

Nico: Let me check if her brother is in her house!

Nico did so and scanned EVERY room.

He looked in all of them. Nothing.

Nico: Good. All clear.

Eli: He's here in the park.

Me: Uh oh.

We got ready.

Nico: Stay alert guys.

Vice: While we're waiting, how many dinosaurs are here in this park?

Me: Oh gosh we never have done an official count on them.

Qin: But they are really awesome here.

Laney: We built this park when Isla Nublar exploded and sunk into the ocean.

Me: Volcanic Eruption of 1815 Eruption of Mount Tambora strength blew the who island to smithereens.

Sakura Igarashi: This is so amazing seeing dinosaurs here.

Hana Natsumi: No kidding. Along with creatures from all over the course of history.

Camie: It's really awesome.

Nico: Yep.

Ikki: And have any of them broken free?

Me: No thank goodness.

Qin: We are good friends with many of them.

Eli: Mostly me. I learned so much about taming dinosaurs and all that.

Aylene C.: It's so awesome here in Paleozoic World.

Nicole: But coming here is a really awesome thrill for many people.

Camie: Yep.

Daiji: That is so awesome. You guys have an amazing park here.

Me: We sure do.

Ikki: How did you find out about this?

Me: Dr. John Hammond showed it to us. The world famous billionaire theme park architect built it using perfectly preserved dinosaur blood from a mosquito that was perfectly preserved in amber. With top dog genetic scientists he brought all the dinosaurs back to life and made Jurassic Park.

Maria: Imagine if ANY of them broke out!

Me: It would be just like in that simulated exercise and more.

Nico: Boy I remember that. That was crazy. I wasn't with you guys when that happened but I heard that you saw his work for the first time.

Me: Yes we sure did and it was so cool.

Lola: We had an awesome time.

I went over what happened in chapter 330.

It starts with us in the Living Room reading books and watching T.V. when we heard a wine bottle pop.

POP!

Me: What was that?

We went into the kitchen and we saw a man with a bottle of our finest wine in his hands.

?: I've wanted to meet you for a long time J.D. and Loud Family.

Me: Why is that Mr.?

John: My name is John Hammond.

Me: The World Famous Billionaire Theme Park Architect!?

John: That's right. It's an honor to meet you all J.D.

Me: It's a huge honor John. We've heard so much about your world famous legendary theme parks and the success they became.

John: That's right. I came to ask if you would like to join me to become the first to see my latest theme park.

Me: This is a big offer John. What do you think guys?

Lori: I literally think it would be awesome.

Leni: Totes. We should check it out.

Luna: Dude that would be rockin!

Everyone agreed.

Me: We accept. Where is your latest theme park at John?

John: It is on Isla Nublar off the coast of Costa Rica and we depart today.

Me: We're on our way.

We arrived in Costa Rica and we were at the island of Isla Nublar.

We landed in a meadow and we saw an absolutely unbelievable sight that defied all forms of imagination. We saw that the island was a zoo for dinosaurs that genetic scientists have brought back to life with cutting edge genetic technology. We were shocked and absolutely amazed beyond all known recognition. We saw in the living flesh after 65,000,000 years of being dead because of the Chicxulub Asteroid a herd of Brachiosaurus walking and eating plants from the tall trees.

Me: This is unbelievable! That's a Brachiosaurus!

Kate: This is incredible! How is this all possible!?

John: This is my latest creation. A park where dinosaurs are kept in isolation and captivity. An attraction for everyone to enjoy. Knudson-Loud-Anderson family, Welcome to Jurassic Park!

(Jurassic Park Theme Plays)

Naruto: This is absolutely incredible!

Sakura: I never seen such a park before.

Fu: This is incredible!

Varie: How is this all possible?

John: I'll show you all at a presentation.

At the Jurassic Park Visitor's center we were in a theater for a movie. We saw a cartoon character named Mr. DNA.

Mr. DNA: A DNA strand like me is a blueprint for building a living thing. And sometimes animals that went extinct millions of years ago, like dinosaurs, left their blueprints behind for us to find. We just had to know where to look.

One hundred million years ago, there were mosquitoes just like today. And just like today, they fed on the blood of animals. Even dinosaurs. Sometimes after biting a dinosaur, the mosquito would land on the branch of a tree and get stuck in the sap. After a long time, the sap would get hard, and become fossilized just like a dinosaur bone, preserving the mosquito inside.

This fossilized tree sap, which we call "amber," waited for millions of years with the mosquito inside until Jurassic Park scientists came along. Using sophisticated techniques, they extracted the preserved blood from the mosquito, and bingo: Dino DNA!

A full DNA strand contains over three billion genetic codes.

[Mr. DNA is now standing in front of a screen with data flying everywhere.]

Mr. DNA: If we looked at screens like these once a second for eight hours a day, it'd take two years to look at the entire DNA strand. It's that long. Since it's so old-

[Mr. DNA is suddenly dragged offscreen when he's caught by one of the flying data chunks. He soon reappears back on screen and continues talking.]

Mr. DNA: -it's full of holes. That's where our geneticists take over. Thinking machine supercomputers and gene sequencers break down the strand in minutes, and virtual reality displays show our geneticists the gaps in the DNA sequence. We use the complete DNA of a frog to fill in the… holes… and complete the… code! Phew! Now we can hatch a baby dinosaur.

Me: That's unbelievable. You found dinosaur blood in a preserved mosquito in Amber and your scientists managed to resurrect the dinosaurs after 65 million years.

John: That's right J.D.

Lisa: This is all a magnificent scientific wonder. Frogs have been on Earth ever since 200 million B.C. and they contain the genetic makeup that all the dinosaurs are part of.

Me: That's right. Frogs, Reptiles and Dinosaurs are all related in some kind of way.

Lana: That is so cool!

Lola: I never thought that dinosaurs were related to frogs.

Lucy: This is all very complicated for me. I rather enjoy the darkness of the dead myself.

Laney: That's all really something. I can't believe that this is all possible.

Me: Yeah. This is incredible.

Later we were having a dinner with John and he had a proposal to see the entire park first hand and walk around it and see the entire island full of dinosaurs. We accepted it. Lisa had the strongest feeling that someone on the inside is going to sabotage the whole park and ruin it's success. So she and Lucy decided to stay back and spy around the visitor center for any activity. Lisa gave me a radio for contact.

We walked along a path and went through a gate that lead into the park.

Me: Well guys we're in the Jurassic. It feels like we went back in time 100 Million Years ago to the age of the Dinosaurs.

Aylene: It sure feels that way. These plants all belong in the world of the dinosaurs. It's hard to imagine that they managed to bring them all back to life after being dead for 65 million years.

Cody: That's what really shocked me too Aylene.

Laney: Me too. It's all amazing. I can't believe that everything in the book is all real. It's unbelievable.

Zoe: It sure is Laney.

Hercules: I love the movie Jurassic Park, but I just am in shock that they managed to resurrect the dinosaurs.

Vince: Me too Hercules. It's amazing and a magnificent wonder of genetic science.

Carol: It sure is.

Aqua: It's all amazing and incredible.

Alexis: Yeah.

Me: We're coming to the first exhibit: Dilophosaurus - the Two-Ridge Lizard. They lived 193 Million Years ago.

Laney: It says here in my book that the Dilophosaurus has a frill like a frilled lizard in Australia and can spit poison like a cobra.

Me: That's right Laney. The book said that, but in the world of paleontology there was no evidence that showed that it had those features.

Kate: That's right J.D.

We saw two Dilophosaurus in the paddock and we heard electrical humming.

Lana: Wow! So those are Dilophosaurus.

Lynn: This is amazing. I've never seen a fully restored dinosaur like this.

Lola: It sure is and neither did I. What do Dilophosaurus eat?

Me: They ate meat. Primarily smaller dinosaurs and mammals.

Kate: That's right J.D.

Carol: This is amazing. I've read a lot about the dinosaurs in the books and I never thought that we would see the dinosaurs in the 21st Century.

Lily: Me neither Carol.

Rita II: Poo poo.

Penny L: This is all really amazing.

Crysta: It sure is. I had no idea that these creatures lived all those years ago.

Laney: It's a huge thing Crysta.

Riley: It sure is.

Next we were at a paddock where we saw a herd of Triceratops.

Me: Triceratops. They lived 68 million years ago. They are one of the toughest dinosaurs ever known.

Luan: It sure is a Horned marvel. (Laughs to rimshot) Get it?

Most of us laughed while everyone else signed.

Me: (Laughs) That was funny.

Naruto: (Laughs) Good one Luan.

Back at the visitor center Lisa and Lucy were watching a man they had under their surveillence: Dennis Nedry. Lisa pulled up his background information on her wrist computer and discovered that he was planted as a spy by InGen's rival company Biosyn to steal embryos of dinosaurs from Jurassic Park so that Biosyn can do the same thing with the dinosaurs.

Lisa: So Biosyn is going to sabotage Jurassic Park.

Lucy: What do you mean Lisa?

Lisa: That man Dennis Nedry is going to steal dinosaur embryos and sabotage all of Jurassic Park. Biosyn is going to steal John Hammond's idea.

Lucy: Gasp. We got to stop them Lisa.

Lisa: I'm way ahead of you elder sister.

Lisa sent a message to John and warned him about Dennis and told him everything and she sent a message to the President of the United States in Washington D.C. telling him about Biosyn's criminal activity. She sent pictures of their crimes and actions over the past 20 years and everything they've been doing to scientists around the world for their own selfish gains. The President of The United States of America immediately called for the FBI to arrest the people of Biosyn and shut it down forever. They do say that a picture is worth a thousand words but these pictures put a stop to a corrupted company that was a terror to scientists all over the world.

Dennis Nedry was arrested and deported back to California.

Lisa: Never again Biosyn.

We then arrived at another paddock.

Me: I know this paddock all too well.

Lori: What dinosaur is here J.D.?

Me: Tyrannosaurus Rex, the meanest dinosaur ever known. It lived 67 million years ago.

We heard heavy footfalls coming and we heard a growl coming from the trees. We saw TYRANNOSAURUS REX!

Me: Tyrannosaurus Rex! The Meanest Killing Machine in the age of the dinosaurs.

Sasuke: Whoa. That is one nasty looking dinosaur.

Me: Tyrannosaurus was considered to be the meanest of all dinosaurs 67 million years ago.

Vince: I saw the movie Jurassic Park and it was considered an extremely fierce dinosaur.

The Tyrannosaurus Roared.

RRRROOOOOOOOOOOOOAAAAAAAAARRRRRRRR!

Me: Wow!

Aylene: Just as I remember when we defeated Sharptooth.

Me: It sure feels like a blast from the past. Also, watch this.

I take out a road flare and light it. The Tyrannosaurus Rex was enamored by it.

Me: It likes the light of road flares.

Laney: That's what I remember from the book.

Vince: I remember this from the book and the movie.

Me: Yep.

I wave the flare around and he followed it like a hypnosis watch.

Rachel: That is so cool! I can't believe that it actually is real.

Starfire: It sure is Rachel.

Bloom: This is all just incredible.

Later we saw many dinosaurs of many types here on the island and we decided to endorse Jurassic Park. In 2 weeks, people from around the world came to Isla Nublar and it became a huge worldwide success. We were given Jurassic Park Vests with the symbol of Jurassic Park on the back.

It was all considered an absolutely unforgetable experience and it all quickly became an extremely popular attraction for many people all over the world. With Biosyn gone, Jurassic Park became a huge global success that went completely uncontested. For people that love dinosaurs it's considered a major league once in a lifetime unforgetable experience.

When I was done everyone that hadn't heard about it was so amazed.

Twilight Sparkle: That is so cool.

Sunset Shimmer: No kidding. That is so amazing.

Nico: If any of them went on a rampage, lots of property damage would occur.

Me: You're not kidding there. So many people would die too.

Xenia: Yeah.

Camie: Not good there.

Lola: That would be a terrible thing too.

Maria: I don't want to talk about that though.

Camie: Yeah.

Qin: But I'm glad that won't happen though.

Nico: Eli, sense if Another Pyro is hostile or friendly. I doubt Harvey will have us be ready for anything at all.

Me: His arrogance and superiority make him an Evil Sasuke of the KND.

Nico: Yep.

Qin: Good way to put it.

Camie: Yep.

Nico: I'm being serious though.

Me: I know.

Eli: (Concentrates) The Another Pyro is friendly. Its also a wielder of one of the Swords of the Shadow Dragons.

Nico: Whoa.

Me: I have a feeling it's for the Sword of Eis Shenron - The 3-Star Dragon.

Nico: Weird.

Eli: Yeah.

Maria: Wasn't expecting Another 362 though.

Me: Yeah me neither.

Qin: No kidding.

Nico: Yeah.

Me: Stay alert everyone.

Nico: Is he close?

Eli: (Concentrates) Very close. He's right…

He looked around and used the Force and found a signature in a bush.

Eli:… there!

He fired a blast of Force Lightning at a bush and then a figure was blasted out and it was ANOTHER 362!

Me: Nice try Harvey!

Nico: Now, you're in the Another form of your sister? You're disgracing her good name!

Another 362: I will kill my sister for everything she did to me! I was the best and I was the leader of Sector W!

Me: You are no leader!

Nico: That's right! Not to sound like the the adult villains you faced but all we see in you is a worthless little snot nosed brat that doesn't care about anyone but himself!

Ikki: (grabs him by the arm) You're under arrest!

Another 362: DON'T YOU FUCKING TOUCH ME!

Me: Do it like this.

I jumped Another 362 and pinned him to the ground and used my magic and removed the Wonder Ride Book and it was called The Kids That Protect Children.

Me: Cool. (To Numbuh 362) By Order of the GSPO we're taking you down by force!

I slapped the cuffs on him.

Nico: Just this once, can I spank him? Since his eyes are restored, I have to leave SOME mark on him!

Me: Okay Nico but JUST This once!

Nico: Weee! Thank you.

Me: Let him have it!

Nico: (SINISTER CHUCKLING)

He put Harvey on his knee.

Nico spanked Harvey to the tune of Camptown Races.

Nico: Camptown Races Sing this song…

WHAP WHAP WHAP WHAP!

Nico: Camptown Race Track Five Miles Long…

WHAP WHAPWHAPWHAP WHAP!

Nico: Going to Run All Night! Going to Run All Day

WHAP WHAP WHAPWHAP WHAPWHAPWHAPWHAP WHAP!

Nico: Somebody bet on the…

MEGA WHAP!

Maria: He made spanking a musical number?!

Me: That is too funny!

Qin: (LAUGHING HYSTERICALLY)

Nico: Thank you thank you.

Me: That was funny.

Leeli: That was funny Nico!

Nico: Thanks.

Harvey's butt was glowing red.

Me: It would have been really painful if he used Ol' Spankful.

WHAP! (SCREAM OF PAIN!)

Nico: (to Harvey) Next time you break out, I'll spank to the tune of Super Villain by Powerman 5000!

Me: Ouch. But use this next time.

I pulled out a spiked metal paddle.

They shined in the sun and they were razor sharp!

Pyro: YIKES! That looks deadly.

Me: You could always burn him John.

Pyro: I could but that would be too extreme.

Me: Hmm. Yeah you're right. Too bad our code won't let us do him in.

Qin: No kidding. He may be a villain but he is still a kid.

Maria: I know just the team to summon.

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) ICE FORCE 6!

She summoned Vexen, Evil Ice Man, NES Varan the Unbelievable, Sheegoth, Harddrive and Zimbo along with Captain Cold, Blizzard, Evil Blizzard Man, Evil Tundra Man, Chill Penguin, Blizzard Wolffang and Mortal Kombat Subzero.

Qin: Cold!

Xenia: Yeah

Nico: And now, we wait.

We got to waiting.

Me: Hmm.

We looked around.

Me: Should be here.

But then we saw a fireball coming at us!

Me: INCOMING!

We absorbed the fireball and we saw a dark version of Pyro! It was ANOTHER PYRO!

Me: Another Pyro!

Nico: WHEW! This one is hot!

Maria: And you are?

Another Pyro: (In a girls voice) (SHIVERING) So c-c-c-cold!

Me: She is really cold but I know that voice.

She reverted back and it was a girl with blue hair and had blue hair and blue eyes and was in a blue parka and had blue pants and blue gloves.

Me: (GASP) Shelley Vega!

Qin: She must be really cold.

Nico: Boy no kidding.

Me: Shelley how can you be cold? It's like over 95˚Fahrenheit in here.

Shelley Vega: (Shivering) I d-d-don't know. E-e-ever since I got this sword I can't warm m-m-myself up.

Me: You mean the Sword of Eis Shenron.

Shelley Vega: Yes. S-s-s-so cold.

Qin: Eis Shenron is the Dragon of Ice and subzero freezing temperatures.

Lola: Yeah.

Shelley Vega: I know.

Me: Boy I haven't seen someone suffering a cold wave like this since the time Danny Phantom was getting ice powers.

Nico: No kidding. She is freezing.

I went over to her.

I held her hands and my hands turned into ice.

Me: (SHIVERS) Boy you're as cold as Antarctica.

Shelley Vega: I know. So c-c-cold.

Me: (FLARES UP FIRE AURA) Does that help?

Shelley: (Stops Shivering) Yes it does. You are really toasty J.D.

Me: Fire Aura is one of my many powers.

Maria: J.D. you get away from her right now.

Nico: Maria let her warm herself up for a bit. She was as cold as a block of ice.

Maria: Oh you're right.

Kaito: (gets out Zyuogher gear) Did Swartz promise you anything?

Zocks: (gets out Ninninger gear) Because we can grant it instead.

Shelley Vega: Just to stop shivering. But it looks like J.D. did that for me.

Me: Well it might be temporary. But just remember this Shelley, you control the power, it does NOT control you.

Qin: That's right. Danny Phantom had to learn this.

Me: That's right. Concentrate. Let the energy build until it has nowhere to go but out.

Shelley Vega: Okay.

Kaito got a Zyuohger Sword and Zocks got a Ninja Steel Sword.

I jumped back and she concentrated and then her power was incredible!

She was glowing in a cold aura.

Me: WHOA!

Qin: That is cool!

Shelley Vega: Thanks guys.

Me: You're welcome. Sorry we have to fight like this. But we got to thaw you out.

Shelley Vega: No worries J.D. Come at me and bring the heat.

Me: You got it!

She turned into Another Pyro!

Sougo: (gets out Zyuogher Ridewatch) Just keep moving.

Geiz: (gets out Ninja Steel Ridewatch) It should warm you up a bit.

Sougo got ZyuoghEagleArmor while Geiz got RedNinjaSteelArmor.

Me: Lets warm you up! (ACTIVATES EVIL NUOVA SHENRON'S RIDEWATCH)

I fired balls of fire and blasted her all over the place.

Qin: This will help too.

She fired waves of fire and blasted her all over.

Another Pyro: Ahh! That feels great! (SNEEZES)

She sneezed and fired a blast of intense fire and we absorbed it!

Qin: WHOA!

Me: Intense!

Nico: (gets out Pyro's Ridewatch) Will this heat you up?

Nico activated it and fired waves of intense fire and it hit her and warmed her up.

Another Pyro: Ahh! That feels really good!

Me: Glad you think so.

Girl Jordan: Maybe this heat will help you. Want to join me Leeli?

Leeli: Sure.

(YURGEN'S TUNE PLAYS)

Girl Jordan and Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

They formed a huge ball of intense fire and it looked like they were holding the sun in their hands!

Qin: WHOA!

They threw it and it hit Another Pyro and exploded!

MASSIVE FIERY EXPLOSION!

We were amazed!

Me: WOW! That was powerful!

Nico: That was cool!

Qin: Amazing!

Nico: (gets out Quillfire's Ridewatch) For the revolution!

He activated it.

Me: VIVA LA REVOLUTION!

Qin: YEAH!

Nico fired energy waves and blasted her down!

Me: I hope I don't get scolded by the mascots for this one. NIGHTMARE FIRE STYLE NINJA ART: NIGHTMARE OF BLOOD AND HONEY!

I fired waves of black fire and they formed into the evil Horror Pooh and Piglet and they went at her and jumped her and exploded!

MASSIVE FIERY EXPLOSIONS!

May: (gets out Lava Volcano Man's Ridewatch) Hope this makes you even more warm!

She activated it and fired blasts of fire and blasted her all over and warmed her up.

But then the Mascots knowing that someone mentioned Blood and Honey knew that someone was going to get a dose of the trailer of horrors.

UH OH!

May: (gets out Dancing Diablo Peppers' Ridewatch) Pepper time!

She activated it and fired peppers.

Me: Peppers vaya con dios!

The Peppers went into Another Pyro's mouth and then she swallowed and then we felt a rumble.

Me: UH OH!

Qin: SHE'S GONNA BLOW!

We ducked and then.

EXPLOSIVELY LOUD LONG FART!

We absorbed all the fire from that one and MAN WAS IT LETHAL!

Maria: (gets out Ragnaros's Ridewatch) My turn!

She activated it and fired a wave of fire and blasted her down.

Another Pyros: Boy this fire is awesome.

Qin: Glad you're warming up.

Camie: Yeah.

Maria: (gets out Roll (Wily)'s Ridewatch) It's like I'm using Roll's powers

She activated it and got a Mega Man blaster and fired waves of energy and blasted her down.

Me: Nice one! Hmm. Hey I know!

I gave Maria the power of Fire Man and she fired a blast of fire and blasted her all over.

Qin: Nice one!

Me: We have all the powers of the robots of the Mega Man series.

Xenia: Yeah that's right! I forgot.

Then the Springfield Bullies came and they had the Strawberry, Vanilla and Chocolate Technicolor Phantoms, Wuya, Sugar Rush Trio, Lego Joker and Rugal Bernstein.

Nico: Nice team, Springfield Bullies!

Jimbo: Thanks Nico.

Kearney: Really awesome team for kicking butt!

Dolph: Boy you got that right.

Me: It's awesome!

Beast Wars Inferno: For the glory of the Royalty this will be fun! Inferno, TERRORIZE!

He transformed!

Beast Wars Inferno: Prepare to burn!

He activated his ridewatch for Quillfire and fired energy blasts and smashed her down.

Dolph: She must really want to be warm.

Me: She is really cold.

Maria: Yep.

Then a Cradilly and Armaldo came out!

Qin: Cool a Cradilly and Armaldo!

Nico: Awesome!

Cradilly: (In a girls voice) Boy we'll warm her up!

Armaldo: (In a girls voice) Leave this to us..

Nico: Camille and Connie Paleora!?

Me: The world famous paleontology twins!? Cool!

They reverted back and Connie was a girl that had blue hair and blue clothes and had blue eyes and Camille was a girl that had green hair, red eyes and yellow clothes.

Connie Paleora: Awesome to see you again Nico.

Camille Paleora: We got this.

They fired waves of fire and blasted her down and I caught the ridewatch and purified it and I absorbed all the fire and brought Shelley over.

Nicole: I see you know two more of my colleagues.

Nico: Yep I sure do.

Qin: That is awesome.

Beast Wars Inferno: What are your favorite memories of the Royalty?

Connie Paleora: When we discovered an amazing cave filled with dinosaurs frozen in crystal in Switzerland.

Qin: Whoa!

Camille Paleora: That is really awesome huh.

Nico: Yep.

Nico hugged them both.

Nico: I really missed you girls.

Connie Paleora: We did too Nico.

Vice: Two this time?

Me: It was my wager.

Qin: He's right. He was right on for this one.

Me: Yep.

Xenia: Spot on cool.

Me: That fucker just doesn't know when to quit, does he?

Nico: He sure doesn't.

Sherlock Hound: (British Accent) Even after I killed him two and a half years ago, he refuses to quit, he sure is persistent. But, either way, he must be destroyed for good once and for all.

Misty Tredwell: I agree, after what he did to Toby, he cannot be forgiven for his crimes ever.

Misty Tredwell: (Gasps) My sister, she's here?! So, that's what you told us about yesterday. I better tell Toby about this after we get rid of Sayer, he's in for a wild reunion.

Ranamon: (Gasps) And Hikenmon, one of my Elemental Digi-Sisters is here?! This is so amazing.

Sherlock Hound: (British Accent) I'm afraid we might need to save the reunions for later, we still got Sayer to kill.

?: I will kill every last one of you for ruining my Arcadia Movement, Team Loud Phoenix Storm!

We then saw our target, Sayer, The Mad Dog of Neo-Domino City, and boy, was he mad.

Sherlock Hound: (British Accent) No, Sayer, the only one who deserves to die here is you.

Suddenly, Sherlock Hound's blood red eyes turned neon blood red and he was surrounded by a black and blood red energy aura with blood red nebulae, stars, demons, and demonic darkness surrounding him, he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his back, and as he approached Sayer, he left black and blood red energy, blood red nebulae, stars, demons, and demonic darkness with every step.

Sherlock Hound: (British Accent) I must say, I'm not exactly surprised to see that you're still the mad dog everyone says that you are, and even after you were sent to Oblivion two and a half years ago, your hatred hasn't dulled in the slightest. I'm afraid we can't have you running about again, Sayer, I hope you've said your final goodbyes.

Suddenly, Sherlock Hound was surrounded by a massive vortex of black and blood red energy with red nebulae, stars, and darkness surrounding the vortex, there were shadow demons running around the vortex, and inside the massive vortex was a blood red phoenix. Then, as the vortex faded, Sherlock Hound emerged, but he was changed forever.

Sherlock Hound remained tall at 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew a bit bigger and he still has his eight-pack abs, he has blood red highlights in the bangs of his long hair, he has neon blood red eyes and a blood red and black energy aura with blood red and black nebulae, stars, darkness, and demons surrounding him, he has a demonic dragon emblazoned on his forehead and Third Eye with demon red iris, he has on demonic dragon earrings with blood red gems for eyes and holding the Dark and Eternity Kanjis in its claws, he still has on the amulet with embedded large blood red gem but inside the gem is a black dragon-shaped Element of Harmony and on the bottom of the amulet is a demonic dragon with blood red gems for eyes and it's holding the Dark and Eternity Kanjis in its claws for the pendant, he has on Sparda's monocle over his left eye, Sparda's long purple Victorian coat with purple cuffs and red embroideries on the cuffs and coattails, white gloves, white cravat, black buttoned waistcoat with red embroideries, white linen cloth over the coat with gold ring and small gold skull with blue gem on its cranium, purple pants, knee-high black boots with blue gems and white linen cloth on the boots, and on the back of the long purple coat is a demonic dragon surrounded by darkness. Suddenly, Sherlock Hound felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with blood red tips on the midnight black feathers, grew much bigger for his new body, he has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Indigo Lantern Ring on his left ring finger and Stone of Gelel embedded in his left white glove-covered hand.

Suddenly, Sherlock Hound's massive Sparda's Demonic Fang Greatsword of The Demon Hound and all the greatswords he'd gotten began merging together, and they're surrounded by a kaleidoscope of black and blood red energy, demonic darkness, and when it finally emerged, it was transformed into Sparda's Eternal

Angelic Demonic Fang Greatsword of The Demon Hound, it's a brand-new massive greatsword with embedded blood red gems and blood red demon dragon etched on the 7'0 massive, wide, double-edged midnight black blade with a substance resembling hardened lava on the blade, large midnight black demon wolf heads with blood red gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt with blood red gem embedded in its forehead, longer midnight black handle, four large midnight black demon wolf heads with blood red gems for eyes and a large blood red gem on the bottom of the heads for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with blood red gems on his wrists which were hidden in the large cuffs of his long long-sleeved purple coat, his new large gold Belt of Elemental Bravery with large black wolf head with blood red gems for eyes and a large blood red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and black spellbook and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony holstered on his right hip and Eater of Sins revolver holstered on his left hip, along with Luce and Ombra. There's a blood red kanji below the demonic dragon that said, "Sherlock Hound, Famous Private Detective of 19th Century London, Famous Hero of England, Champion and Emissary of Sparda, Constant Ruiner of Professor Moriarty's Schemes, Friend to Many, Trusted Ally of Inspector Lestrade, Partner and Trusted Companion of Dr. Watson, Solver of Complex Mysteries, Master of Chemistry and Physics, Skilled Violin Player, Brother of Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, and Ravus Nox Fleuret, Archenemy of Ardyn Izunia, Destroyer of Mundus and The Nifelheim Empire, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of Mundus' Dark Ambitions and Avenger of Eva's Death, and Master of The Stars, Red Nebulae, Darkness, and Demons"

We were amazed by Sherlock Hound's Super Angel-Demon Hound-Harmony Celestial Eternal Xelnaga transformation, but when Sayer saw it, he went absolutely berserk with rage and ran at Sherlock Hound to kill him as memories of what he did to him two and a half years ago went into his head, but Sherlock Hound fired a powerful black and blood red energy blast with blood red and black nebulae, stars, darkness, blood, and demons at Sayer, and it exploded as it hit him, and he got hit badly by the attack, and it drove Sayer even more berserk than ever.

Devil May Cry OST: Legendary Battle Devil Emperor Mundus (In The Sky)

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) Looks as though you refuse to learn your lesson yet again, Sayer. Oh well, at least we'll be rid of you for good.

Lincoln: You got that right, Sherlock Hound. Come on, gang, we got to put this mad dog down for good.

Me: You've had this coming for a long time, you son of a bitch.

Then, Sherlock Hound used one of Dante's attacks, Over Drive, and he fired three blood red and black shockwaves of demonic energy from three swings of his massive greatsword, and they hit Sayer, and they slashed off his arms and he screamed in excruciating pain. But, before he could try to take any action against us, Sherlock

Hound appeared from behind him and he raised his massive greatsword above his head.

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) And now, you die.

Then, with one downward swing of his massive greatsword to his back, Sherlock Hound killed Sayer and blood poured out of him, and his spirit was automatically sent to The Black Gates, because of a new ability in Sherlock Hound's new massive greatsword: it can sense the souls of those who truly are irredeemable and once slain by him, they will automatically be sent to The Black Gates, and we also saw Sayer's blood being devoured by Sherlock Hound's new massive greatsword. We cheered as we holstered our weapons and powered down, and Sherlock Hound's new body, clothes, weapons, jewelry, Third Eye, and massive midnight black angel wings are permanent.

Nico: Good riddance, you mad dog of Domino City.

Me: No one's going to see your face again. Plus, how did you wind up easily sending Sayer to The Black Gates after you cut him down, Sherlock Hound? Didn't you need to wait for his spirit to appear?

Sherlock Hound: (British Accent) Actually, there was no need. My brand-new greatsword had acquired some brand-new abilities when I transformed. One of those abilities was that it can sense the souls of those who truly are irredeemable and once slain by me, they will automatically be sent to The Black Gates, and the other ability was devouring the blood of the slain individual.

Lincoln: Just like with my Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, only it drains the slain victim of their life force, energy, and blood when I stab them in their heart with it. But, either way, we're rid of Sayer for good, and he's never ever coming back. (To Maria Tredwell and Hikenmon) And it's so good to see you both again, Maria Tredwell and Hikenmon.

Maria Tredwell reverted back to normal, and she's a beautiful girl with long black hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with green markings and she has the Lizard Nazca Line on her right arm, she's dressed in a black formal dress, black pants, black knee-high boots, and long white long-sleeved trenchcoat with darkness, green flames, and reptiles on the coattails and on the back is Reptilianne Coatl, Reptilianne Echidna, Reptilianne Gorgon, Reptilianne Hydra, Reptilianne Lamia, Reptilianne Medusa, Reptilianne Melusine, Reptilianne Naga, Reptilianne Nyami, Reptilianne Scylla, Reptilianne Vaskii, Reptilianne Viper, Reptilianne Servant, Reptilianne Gardna, Dragon Queen of Tragic Endings, Sad Story - Atrocious Day, Sad Story - Sorrowful Memories, Sad Story - Unwavering Truth, Sorrowful Chain, and Earthbound Immortal Ccarayhua and holstered on her back is a massive Reptilianne Coatl, Reptilianne Echidna, Reptilianne Gorgon, Reptilianne Hydra, Reptilianne Lamia, Reptilianne Medusa, Reptilianne Melusine, Reptilianne Naga, Reptilianne Nyami, Reptilianne Scylla, Reptilianne Vaskii, Reptilianne Viper, Reptilianne Servant, Reptilianne Gardna, Dragon Queen of Tragic Endings, Sad Story - Atrocious Day, Sad Story - Sorrowful Memories, Sad Story - Unwavering Truth, Sorrowful Chain, and Earthbound Immortal Ccarayhua-themed greatsword with embedded green gems and the monsters of Misty Tredwell etched on the 7'0" massive, wide, double-edged midnight black blade, large Ccarayhua heads for the crossguard, large green gem embedded in the hilt, longer midnight black handle, four large Dragon Queen of Tragic Ending heads and large green gem on the bottom of the large Dragon Queen of Tragic Ending heads for the pommel.

And Hikenmon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Celestial Eternal Xelnaga form, but the color schemes for her match the element that she uses: fire, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful orange angel wings, and she has a long white sleeveless trenchcoat with fire, lava, volcanoes, and dinosaurs on the coattails, and on the back is Number 61: Volcasaurus, and holstered on her back is a massive Number 61: Volcasaurus-themed greatsword with embedded orange gems and Number 61: Volcasaurus etched on the 7'0" massive, wide, double-edged orange blade, large Volcasaurus heads for the crossguard, large orange gem embedded in the hilt, longer midnight black handle, four large Volcasaurus heads and large orange gem on the bottom of the large Volcasaurus heads for the pommel.

Maria Tredwell: You too, Lincoln.

Hikenmon: I agree, it's been a very long time.

Lincoln went up to Maria Tredwell and Hikenmon and he hugged them, and Maria Tredwell and Hikenmon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Maria, and I haven't seen you since I was eight, Hikenmon, and as you can see, I really grew a lot since then.

Maria Tredwell: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Hikenmon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these two girls, and judging from what Misty and Ranamon said, it looks like they know those two?

Lincoln: Indeed we do, Nico. The Fusion Gene-Slammer of Reptilianne Coatl, Reptilianne Echidna, Reptilianne Gorgon, Reptilianne Hydra, Reptilianne Lamia, Reptilianne Medusa, Reptilianne Melusine, Reptilianne Naga, Reptilianne Nyami, Reptilianne Scylla, Reptilianne Vaskii, Reptilianne Viper, Reptilianne Servant, Reptilianne Gardna, Dragon Queen of Tragic Endings, Sad Story - Atrocious Day, Sad Story - Sorrowful Memories, Sad Story - Unwavering Truth, Sorrowful Chain, and Earthbound Immortal Ccarayhua is Maria Tredwell, she's my Guardian Angel from Domino City and classmate in English, and she's known as The Tragic Reptilianne Dark Lizard Queen, because she, just like Misty Tredwell, Dark Signer of The Lizard Earthbound Immortal Ccarayhua, uses a Reptilianne Deck along with the Sad Story series, and spearheading the deck is Earthbound Immortal Ccarayhua. Plus, like Misty Tredwell, Maria Tredwell is a beautiful fashion model, and she's also gifted with the ability of physiognomy, the ability to predict one's future by simply by reading their face, and she's used this ability mainly on my enemies and those predictions came true thanks to all of us over the years. She also got me into doing some modeling, and she and Leni also designed many tuxedoes and suits for me to wear along with swim trunks and speedos that they created for me to wear.

Nicholette Torrington: He really filled out those suits because of all the growing he'd done thanks to all of our constant training that we and the rest of the team have put him through, along with the combinations of his genes and hyperpuberty. Take a look.

Nicholette Torrington took out a photo album, and inside them are pictures of Lincoln modeling the suits, outfits, swim shorts, and speedos Maria Tredwell and Leni made for him to model, and all the training his Guardian Angels and all of us put him through really spoke for itself.

Nico: (Whistles) Man, Lincoln, you really know how to model those outfits, and the training that you went through thanks to your Guardian Angels and us really spoke for itself.

Lincoln: Leni did say I was fashionable, and I also made Maria Tredwell a beautiful black and green dress with the Lizard Nazca Line imprinted on it with green gem earrings and green gem necklace, and to show thanks, after a fashion show in Royal Woods one night, she kissed me on the lips, and that got all the cameras flashing like crazy from the audience. She's also the youngest sister of Misty Tredwell and the second eldest sister of Toby Tredwell, and she hates Sayer with a blazing passion because of what he did to Toby and for what happened to Misty.

We gasped in shock.

Me: No way, you never told us you had a younger sister, Misty.

Misty Tredwell: That slipped my mind that day, but it's so good to see you again, Maria.

Maria Tredwell: You too, Misty. And I heard from Lincoln, so, is it true that Toby's now alive?

Misty Tredwell: He is, and he'll be looking forward to seeing you again.

Lincoln: He sure will, and finally, the Number 61: Volcasaurus Gene-Slammer is Hikenmon, one of Ranamon's Elemental Digi-Sisters. Hikenmon is also known as The Warrior of Fire, and true to form, she possesses fire powers. She and I would dance around fire, and surprisingly, she actually was responsible for me being able to eat even the hottest peppers with no trouble by teaching me how to handle heat. To show thanks, I kissed Hikenmon on the lips while dancing around lava, and she hates Lori with a passion.

Nico: Whoa, I had no idea Ranamon had sisters.

Ranamon: Well, we should explain it. See, surprisingly only my fans ever knew that me and my sisters have fallen in love with Lincoln. In fact, when we saw him and how kind hearted he is, right then and there, we literally fell in love at first sight. We ended up protecting Lincoln from those who would harm him. While Lincoln was making beautiful elemental bikinis, my fans secretly allowed Lincoln to meet with me and my sisters in the Digital World. That's how Lincoln ended up getting to know us, and he gave us the bikinis he made. To show thanks, we each took our turns kissing him on the lips, and we have since then wore the bikinis made and we made a bracelet for Lincoln to wear and he's worn it ever since, since it merged with his right large left gold cuff Bracelet of The Champion of The Universe, and it's no surprise that my sisters hate Lori, Luan, Lynn, Lola, Lisa, Chandler, and the jerks with a blazing passion.

Me: Wow, that's really awesome that Lincoln was the only one who knew you and your sisters, Ranamon.

Lincoln: We already knew much about her, but here comes some twists in the story, prior to Takuya and his friends' adventure in The Digital World, The Digimon Digital Heroes and I found Ranamon and her sisters fighting off a horde of LadyDevimon led by Lilithmon who intended to capture Ranamon and her sisters to subvert them to evil, but we joined in and helped Ranamon and her sisters fend off the horde of LadyDevimon while taking down Lilithmon in the process, and as a result, that's how Ranamon and her sisters fell in love with me since then.

Our jaws dropped.

Ranamon: (Giggles) Y'all better stop dropping your jaws before you catch a fly in them.

Nico: Yeah, we got to stop that. But, now we know the story of how you and your sisters fell in love with Lincoln, and how you guys were the one who took down that horde of LadyDevimon and took down Lilithmon, the first of The Seven Demon Lords as well, awesome.

Lincoln: That's right.

Hikenmon: And we've held onto that love ever since. (To Lincoln)

Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Maria want to give me your blood, right?

Maria Tredwell: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Hikenmon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He'd already marked me after I transformed into my Super Angel Celestial Eternal Xelnaga form and really hit a growth spurt as well.

Lincoln first went up to Maria Tredwell, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Hikenmon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Hikenmon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hikenmon and Maria Tredwell with green and orange gems on the gold lightning bolts and green and orange crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Maria Tredwell: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Tredwell and Hikenmon.

Maria Tredwell and Hikenmon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Selene Strike and Lulu Valentine from Ready 2 Rumble Boxing and Liselotte Riefenstahl, Fine, and Cecilie from Endo and Kobayashi Live! The Latest on Tsundere Villainess Lieselotte.

Lincoln: Oh wow, it's Selene Strike and Lulu Valentine from Ready 2 Rumble Boxing and Liselotte Riefenstahl, Fine, and Cecilie from Endo and Kobayashi Live! The Latest on Tsundere Villainess Lieselotte.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Selene Strike: We're all on one piece thanks to you.

Then, when Selene Strike and the other four girls saw who it was that saved them from Sayer, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Selene Strike: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Selene Strike: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Selene Strike, Lulu Valentine, Liselotte Riefenstahl, Fine, and Cecilie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was our old enemy, Sayer, who'd come back from the dead and he still wanted revenge on all of us for killing him.

But, when Lincoln showed what happened such as Sherlock Hound transforming into his Super Angel-Demon Hound-Harmony Celestial Eternal Xelnaga form and all of us beating him down which ended with Sherlock Hound cutting him down and sending his soul to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Maria Tredwell, and Hikenmon have a lot of catching up to do, now that they're back in town. Plus, Toby is reunited with Maria as soon as he saw her with Misty.

Maria: That'll teach that mad dog of Domino City to never come after us again.

Lincoln: After everything Sayer had done, it's fitting that the only thing that would await him is death for his heartless crimes, and the damage he'd done has finally been repaired.

Me: You said it, Lincoln.

Nico: He caused nothing but trouble to too many people, namely Misty for killing her brother and to Akiza for his so-called Arcadia Movement, what a sicko.

Eli: He was nothing but scum.

Lincoln: And scum like him deserve nothing short of death.

---

After finally destroying Sayer and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Tredwell and Hikenmon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Tredwell: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Hikenmon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hikenmon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and

we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Hikenmon: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Maria, Hikenmon, do you have any stories on what any of Lincoln's enemies or what his five mean sisters did?

Hikenmon: Uh oh, I was hoping you'd ask that, and it revolves around my hatred towards Lori for her heartless behavior towards Lincoln. One day, Lincoln and I were at the park and we were eating some really hot chili peppers that we got from Gina Angellus, and thanks to both my training and the help of The El Paso Diablo Pepper of Fury, Lincoln's able to eat some of the hottest peppers ever. But, our little lunch got rudely interrupted when we heard a loud shriek in the air, and we saw who it was that made that shriek: it was Lori, and she was out to kill Lincoln again, and she wanted his head for what happened to her phone. As if, Lincoln wasn't even at the house earlier since he met with me hours earlier, but she wanted him dead, but we weren't going to let her. Because of those spicy peppers we ate, we then fired blasts of fire from our mouths and they hit her face first and burned her eyebrows off and sent her crashing into a tree, and Linky tied her up with red energy ropes. Luna showed up and dragged Lori back to the house, where she got grounded for ten weeks and put into a metal cage for what she did, and we found out Lori accidentally dropped her phone when she chased Luan out of her room for another prank she did.

Nico: Should've known and Lori really needs to keep her phone in a safer place.

Maria Tredwell: Indeed, and I've got a story for you, and it also reflects on why I hated Lori. One day, Lincoln and I were with Leni in her room, and we were busy designing some new clothes for Lincoln to model as part of our joint male fashion line: the theme for this is for The Elements, namely Earth, Water, Fire, and Wind. But, we suddenly heard a loud shriek of fury, and we saw who it was: Lori, and she was out to kill Lincoln yet again for being in her room. She tried to tear the clothes of our Elements Fashion Line to shreds for her cruel amusement, but Lincoln fired a blast of fire at her and it hit her and sent her crashing into a wall, and she was promptly tied up by Lincoln firing red energy ropes. Luna then dragged Lori and when Luna told the parents of what Lori tried to do, they grounded her for nine weeks and Luna dragged Lori to a metal cage in the basement and threw her inside it. With Lori detained, we succeeded in creating the clothes for the Elements fashion line. Take a look.

Maria Tredwell put up a slideshow, and we saw Lincoln modeling the clothes for their Element fashion line for males: for Fire, Lincoln was wearing a red shirt with flames on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, black pants with flames on the legs, and black dress shoes, for Water, Lincoln was wearing an aqua blue shirt with ocean waves on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, marine blue pants with ocean waves on the legs, and black dress shoes, for Wind, Lincoln was wearing a sky blue shirt with winds on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, blue pants with winds on the legs, and black dress shoes, and for Earth, Lincoln was wearing a green shirt with leaves and rocks on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, blue pants with leaves and plants on the legs, and black dress shoes.

When the video was finished, we were amazed, including Rarity.

Rarity: My goodness, that was truly an amazing fashion line you and Leni developed, and Linky was indeed a perfect model for them.

Me: You said it, my favorite one was the Fire clothes you designed, that one was really awesome.

Lily: Mine was Water.

Laney: Mine was Earth.

Lana: And mine was Wind, and I can't believe that Lori tried to destroy them for her sick cruelty and amusement, that's why I was glad she got grounded for her attempted stunt and trying to kill Lincoln again.

Lincoln: Lori knew we were busy with doing this fashion line, and she should've respected that, but no, she wanted her own way and wanted me dead yet again, so I had to teach her a lesson before she tried her dumb stunts again.

We got a shower, and then, Lincoln, Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care had feelings for Lincoln when Akko introduced her friends to Lincoln and when Twilight and her friends introduced their friends to Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Lotte Jansson: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: I've been here many times before, Lotte, and it really is beautiful, and it's perfect for our first date. Shall we?

Lincoln, Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care, and they hugged the girls in their abnormally massive and powerful muscular arms, and Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Sirena Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Lotte Jansson, Sucy Manbavaran, Constanze Amalie von Braunschbank-Albrechtsberger, Jasminka Antonenko, Amanda O'Neill, Diana Cavendish, Cottonball Patch, Green Corp, Charity Star, Glitter Horseshoes, and Medison Care are now part of your harem, awesome.

Akko: That's really amazing.

Twilight Sparkle: You said it.

Nico: And that was from when you and Twilight introduced your friends to Lincoln, it was love at first sight.

Hikenmon: Just like with me, Ranamon, and the rest of our sisters. Plus, Akko's friends were quite amazed when they saw Lincoln display his talents in magic.

Eli: Same with Twilight's friends, and they're also ninjas as well, that's even more awesome.

Cottonball Patch: You said it.

---

Later the U.S.S. Valorous Phoenix was seen flying through space.

Nico: Captain's Log, Stardate 7342.5: The U.S.S. Valorous Phoenix is en route to the planet Draconis for number 3 of Trixie Lulamoon's ambassador missions and we're going to be in for an awesome adventure on this one.

Me: Boy this one is gonna be awesome. I have a feeling it will be.

Qin: Yeah me too!

William: Anyone else want to go with Trixie? Besides Shane Clarke and Kai?

Wallflower: I will go.

Derpy Hooves: Same with me, Pepperdance and Vinyl Scratch.

Nico: Awesome ideas. Okay then.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Draconis.

We engaged landing and landed outside the city and we got on our dragons and we were off.

We arrived at the garage.

Artha: Hey guys!

Me: Hey there.

Trixie: Guys, meet Shane Clarke and Kai.

Shane Clarke: Awesome to meet you. Shane Clarke, leader of the Ninja Storm Rangers.

Kai: And I'm Kai, leader of the Ninjago Spinjutsu team.

Kitt Won: Awesome to meet you guys.

Me: And these are more of Twilight Sparkle and Trixie's friends.

Derpy Hooves: Awesome to meet you. Derpy Hooves.

Vinyl Scratch: Vinyl Scratch.

Pepperdance: (Cajun Accent) Pepperdance.

Wallflower: And I'm Wallflower.

Kitt Won: Awesome to meet you all.

Nico: Wallflower actually gave birth yesterday.

Kitt Won: Did she really?

Me: Yep.

Lincoln pulled out a picture of her and him with their new twin girls.

Wallflower: The one in my left arm is Willow Meadow and the one in my right arm is Winterberry Eucalyptus.

Kitt Won: Oh they are so adorable.

Connor Penn: They are so amazing. You'll be an amazing mother to them Wallflower.

Eli: I agree there too.

Nico: But she missed out on the big battle yesterday.

Me: She was so exhausted from her pregnancy that she was asleep the entire time.

Kitt Won: Boy I don't blame her.

Eli: Yeah but we recorded the whole thing for her to see.

Wallflower: It was so awesome and cool.

Lincoln: It sure was.

Artha: Glad you guys won. Did you defeat Giff?

Me: More than defeat him. We obliterated him. I plowed a Super Dragon Fist through him and obliterated him into nothing and banished him to the black gates.

Eli: That was so epic.

Artha: Wow!

Nico: And now, the Revice team has joined us.

Me: Yep. They just joined us yesterday. Now we have the Faiz and Agito teams left and we'll have all the Kamen Rider teams from 2000 to 2022 with us.

Nico: Yep and then we can start recruiting the teams from the 1970's and 80s.

Artha: Boy that will be awesome! Who has Faiz and Agito?

Me: Cassidy and Kadma.

Nico: We already recruited Kuuga on one of my rescues. We didn't have him planned for the Ambassador Mission lineup for this year.

Eli: Yeah.

Nico: We haven't even met Agito at all yet.

Me: No we haven't. And come to think of it I can't remember if he helped us during the 20 Days of Darkness.

Kitt Won: 20 Days of Darkness? What's that?

Me: One of the darkest and depressing events in our teams history. From January 23rd to February 11th, 2021 we had to go through 20 of the darkest days in our history.

Nico: They revolved around a douchebag enemy from my past.

I told them everything and it was horrible! When it was done they were shocked!

Artha: Oh man! That was awful!

Nico: But those horrible days had to happen

Me: Yeah some of us got this crazy idea to use time travel to stop it.

But if that were to happen an even worse scenario would have unfolded.

Lori: It's literally true.

Lynn: Yeah it was awful.

Lola: It sure was.

Artha: Oh man. What was it?

Me: Well we would have ultimately destroyed the entire universe.

Leeli: What would have happened?

Me: It was a nightmare that would have ultimately been caused by one of the most dangerous enemies of the Powerpuff Girls.

Nico: To be specific, in an alternate world, the Trinity of Violence prevented the 20 Days of Darkness from happening… only for something worse to happen instead.

Connor Penn: Oh man. That is awful.

Me: Yeah.

Nico: His name? HIM.

Artha: Who is HIM?

Me: The ultimate personification of Pure Chaotic Evil and he was one of the Powerpuff Girls most dangerous enemies.

I went over his history.

HIM (sometimes spelled Him) is the secondary antagonist of The Powerpuff Girls franchise. He is one of the most powerful adversaries of The Powerpuff Girls, as well as one of their crueler opponents. In the reboot he is Bliss' archenemy.

He is voiced by Tom Kane, who also portrayed Magneto in Wolverine and the X-Men.

HIM talks in a chilling voice that echoes at all times as if in a cave and which sounds like Tiny Tim alternating between high-pitched, silly and almost gentle when amused or thoughtful to evil, very sinister and growling when he is angry or enraged. He made his first ever appearance in "Octi Evil", where he possessed Bubbles's stuffed doll, Octi in an attempt to break the Powerpuff Girls up and he cleverly disguised his own voice to lure her into his trap.

His next main episode was in "Telephonies", where he is one of the villains the Girls visit to investigate the crank calls. It's also revealed that he can alter his own voice at will, changing from feminine and chirpy to masculine and angry in just a few seconds depending on his moods. He also formed a "partnership" with Mojo Jojo and Fuzzy Lumpkins when they discovered the Gangreen Gang were behind the calls. It's also shown that Mojo Jojo calls Him "Sir" and has some respect for him.

In "Moral Decay", HIM lost many of his teeth when he was beaten up by Buttercup (due to her greedy obsession for dollar coins). HIM placed a steak on his cheek when he went to dentistry. HIM, Mojo Jojo, Fuzzy, The Gangreen Gang and all the other criminals (who also lost many of their teeth by Buttercup) wants revenge on the Powerpuff girl. Blossom and Bubbles allowed HIM and the other toothless villains to beat up Buttercup, breaking almost all of her teeth.

During "Tough Love", he used his own powers to spread the seeds of anger and hatred into Townsville at night which triggered the residents rising up against the Powerpuff Girls and unwillingly becoming his puppets. While most villains prefer to destroy Townsville themselves or through their own sheer strength. He often disguises himself or creates psychological events or catastrophes which he uses as an attempt to cause the Powerpuff Girls to break mentally. He has shown numerous satanic forms, most of which are revealed in apocalyptic or hellish situations or realms. These forms, in turn, can often greatly enhance his power and cause him to grow to enormous size.

In "Speed Demon", set 50 years into an alternative future and with the Girls themselves having gone missing, HIM managed to gain control of the entire planet including Townsville which in turn, resulted in his powers becoming great, and during a fight against the Girls, he was able to withstand the full force of their attacks without even bothering to defend himself.

He took little or no damage in the fight, even finding the Girls' actions amusing. In this setting, he was also able to change into a much larger and more sinister-looking true form of HIM. Luckily, the Powerpuff Girls managed to go back in time to avoid this from ever happening, though if HIM manages to outlive them, the world will end the same way.

In "Meet the Beat-Alls", Him joins forces with Mojo Jojo, Fuzzy Lumpkins, and Princess Morbucks as the 4 evil doers together formed their own band called "The Beat-Alls" which lasted for short time and later became disbanded due to the arrival of the chimp named Moko. When forced to engage in battle, he is an entity to be reckoned with, as he heralds doom in every direction.

In "The Boys Are Back In Town", he resurrects and improves The Rowdyruff Boys, though the Powerpuff Girls manage to find a way to defeat them once again.

HIM also appeared in the rock musical episode "See Me, Feel Me, Gnomey", where, like other villains, he is seen causing chaos and terrorizing people in Townsville, the Powerpuff Girls when they arrive, he, like the other villains, defeating them succeed. Yet, when it comes to the Gnome, he is responsible for eliminating all the villains, including HIM, but later, when HIM and all the villains revive, the Gnome loses power.

He is also seen along with all the other villains singing "Why Can not We All Get Along?", giving to understand that it can also have redeeming features, including in his villainy.

When I was done everyone was horrified!

Connor Penn: Oh man! That is a disaster.

Me: Compared to what we have seen, that is an understatement.

Leeli: That is scary.

Me: Yeah.

Nico: But enough about that. How have things been since last visit?

Artha: Not good. Word Paynn has unleashed a terrible nightmare unto Draconis.

Me: What did he do this time?

Artha: He used Dark Magic and unleashed a terrible dragon god.

Me: Wait did it look like a scary dark dragon that was more like a zombie?

Artha: Yes that's it!

Me: (GASP) Faluzure is here!

Everyone gasped!

Artha: You know him?

Me: Yeah we met. And we defeated him on Earth. When we met the Queens Blade Tournament girls.

Eli: Yeah.

Me: Faluzure is the evil Dragon God of Decay and Undeath. In the world of Eberron he was very widely feared.

I went over his history.

Faluzure (also sometimes spelled Falazure is a dragon deity aligned in Neutral Evil found in the Dungeons & Dragons universe. He made his cinematic debut in Dungeons and Dragons: Wrath of the Dragon God as one of main antagonists (the other being Damodar).

Faluzure is the dragon deity of Energy Draining, Undeath, Decay, and Exhaustion. His symbol is a draconic skull.

The dragon god is described as a wretched, creeping beast that no longer able to fly, but has a gravely terrible beauty nonetheless. He is vast and sleek, with silver-edged scales of midnight blue and vestigial wings; he may also appear as a handsome human or comely elf. He is a brilliant, gifted master of disguise, and lacks his sister Tiamat's recklessness. He requires a continuous stream of death to maintain his beauty and perfection; if he goes without death for too long, he becomes gaunt and skeletal.

Faluzure is worshipped by shadow dragons and undead dragons. He is revered by many necromancers of nondraconic races as well, and by intelligent undead. Among the dragon gods, only Bahamut and Tiamat have more nondraconic followers than Faluzure.

Falazure is arrogant, fatalistic, and proud. He is slow to anger, though only because he slowly nurses grudges for any slight made against him until they become burning hatreds. Rather than domination unlike his brethren, Faluzure sought to bring utter deaths and annihilation on all realms.

Many aspects of Faluzure in the film remained faithful to his tabletop game counterparts. However, there are some key differences; the film iteration of the dragon god possesses a pair of fully-functional wings for flight and has more menacing appearance, latter which due to being depowered for so long and the extent of his necromatic powers was only displayed through Damodar's use of the Orb of Faluzure, mystical object used to contain the dragon god's dark powers.

Three thousand years prior to the events of the film, Faluzure descended upon the ancient civilization of Turans and waged war against the land's inhabitants in response of them refusing to pay the dragon god his tribute. An epic and devastating battle ensued, as the united Turanian mages able to match Faluzure's dark powers with their elemental magic. In the end, the Turanians successfully sealed Faluzure deep within Hearth Mountain and stripped him of his dark powers which were then stored within an artifact called the Orb of Faluzure, the same artifact which used to perform both deeds. Due to Faluzure's divine nature however, the Orb is hidden deep within a fortress built around the artifact, which was then put into the state of suspended animation to help maintaining the seal.

Despite their success, it was a pyrrhic victory for the Turanians, as the cost of their victory proved too great - most of their cities and crafts were destroyed. To make matter worse, no efforts made to maintain and improve the security of the Turanian fortress where the Orb being kept. As a result, Damodar, after learning enough information about the Orb of Faluzure, easily remove the Orb from its resting place and turning the fortress into his new lair since he lost his original home at Izmir from the war against Empress Savina a century prior.

Although he briefly faced a setback where the Orb of Faluzure was stolen by Berek and his companions, Damodar managed to call forth Faluzure after Klaxx the Maligner retrieved the Orb for his behalf. Breaking free from his prison, Faluzure approached the two and instructed Damodar to give him the Orb. After the dragon god destroyed the artifact that drained him of his dark powers, Damodar offered Faluzure his servitude in return of him destroying Izmir on his behalf. Faluzure accepted the archmage's proposal under the condition where he sacrificed 100 people every new moon in honor of his release.
